Together with all proper embankments, bridges, roads, ways, wells, tanks, basins, gauges, filters and filter-beds, dams, sluices, bye-washes, waste-weirs, outfalls, discharge pipes, shafts, adits, tunnels, aqueducts, culverts, cuts, catchwaters, channels, conduits, mains, pipes, stand-pipes, junctions, valves, drains, telegraphs, telephones, engines, apparatus, roadway approaches, buildings, houses, works, and conveniences connected with the hereinbefore-described works or any of them or incidental thereto, or necessary for conducting, inspecting, cleansing, repairing, or managing the same, and together with full power and right at all times of approach and access to the works aforesaid, or any of them.

To authorise the Corporation to deviate laterally from the lines of the intended works as shown upon the plans thereof, to be deposited as hereinafter-mentioned, to such extent as may be indicated on those plans, and to deviate vertically from the levels of those works as shown upon the deposited sections thereof, to be deposited as hereinafter-mentioned, to such extent as the Bill may prescribe.

To empower the Corporation to purchase and take or acquire by compulsion or agreement, or to take on lease and to hold within the parishes aforesaid, lands, streams, springs, waters, houses and hereditaments, and rights and easements in, over, or connected with lands, streams, springs, waters, houses, and hereditaments for the purpose of constructing the said intended works or for other purposes of the Bill, or of their waterworks undertaking, and to empower the Corporation to purchase so much only of any property as they may require for the purposes of the Bill without being subject to the liability imposed by Section 92 of the Lands Clauses Consolidation Act, 1845.

To enable the Corporation to take, intercept, collect, impound, use, divert, and appropriate for the purposes of the waterworks, and other purposes of the Bill, the water from or to be met with within the limits of deviation defined upon the plans hereinafter mentioned, or which can or may be intercepted or abstracted by means of the waterworks hereinbefore described, or any of them, and particularly the Daresbury Brook, the Hatton Brook, the Dennow Book, and the Appleton Brook, all of which flow directly or indirectly into the existing reservoirs of the Corporation, or some of them.

To authorise the Corporation to hold any lands which they may require under the powers of the intended Act free from the provisions of the Lands Clauses Consolidation Act, 1845, with respect to superfluous lands, and, if thought fit, to acquire by compulsion or agreement, any mines or minerals under any such lands notwithstanding the provisions of the Waterworks Clauses Act, 1847, with respect to mines.

To empower the Corporation, so far as may be necessary for executing the purposes of the intended Act, to lay down, maintain, and renew or remove mains, pipes, conduits and other works and apparatus for the supply of water along, through, over and across, and to break open, cross, alter, raise, lower, stop up, divert, or interfere with (temporarily or permanently) highways, public and private streets and roads, bridges, railways, tramroads, tramways, canals, towing-paths, sewers, drains, culverts, rivers, streams, watercourses, foot-paths, ways, passages and other places, and to alter the position of, remove and interfere with (temporarily or permanently) gas and water mains, pipes and works, telegraphic, telephonic

and electric pipes, lines, wires, posts, and apparatus, and any other works laid or placed in, under, along, or over any such highways, streets, roads, bridges, footpaths, ways, passages and places.

To discontinue as public highways and to vest in the Corporation the site and soil of the portions of all public or other roads and footpaths shown upon the said plans as intended to be diverted or stopped up under the powers of the intended Act, and to extinguish all rights of way and other rights in or over any lands which shall be taken under the powers of the intended Act, and to provide for the maintenance and repair of the new or diverted portions of road by and at the expense of the road authorities or other persons respectively, who are for the time being legally liable for the repair and maintenance of the portions of road so diverted, or as may be prescribed by the intended Act.

To make such provisions as may have been or may be agreed upon, or as may be thought proper by Parliament, to be prescribed or authorised by the intended Act, for the protection and benefit of the landowners, mine-owners, owners of mills and other works, and other bodies and persons whose property, rights, and interests will or may be affected by the intended works, and of their property, rights, and interests, and to authorise, confirm, or give effect to any agreements or arrangements which may be entered into between the Corporation and such land, mine, mill-owner or owners, bodies or persons, or some or any of them.

To make provision with reference to the quantity or amount of compensation (if any) by water or otherwise to be given by the Corporation in respect of the proposed taking, impounding, and diverting of such water and (in case of compensation by water) with reference to the time and manner of the delivery thereof, and the mode of measuring or ascertaining the quantity to be delivered.

To make provision for the prevention of waste, misuse, undue consumption, or contamination of the water of or to be used by the Corporation for the purposes of their supply, and with respect to the fittings to be used for the purposes of supply and user of the said water, and for protecting, repairing, and removing the said fittings, and for defining and preventing frauds on the Corporation in relation to such supply and user; and to empower the Corporation from time to time to make and enforce, by penalties and otherwise, bye-laws, rules and regulations for and in relation to the several matters aforesaid, with all requisite powers of entry on the premises so supplied or to be supplied, to authorise the Corporation to supply pipes, fittings, and other apparatus, and to execute plumbing and other work, and to charge for the same; to make special provision for protecting the waterworks, property, and water supply of the Corporation, and for preventing the pollution of the streams and gathering grounds and sources of water supply of the Corporation, and to confer on the Corporation all necessary powers in that behalf.

To make such provision (if any) as the Bill may prescribe, or as Parliament may authorise or require, with reference to the supply of water by the Corporation by means of their intended works or any of them to other local, sanitary, and other authorities and bodies, whether within or without the Corporation's limits of supply, whose districts are situate in the neighbourhood of the said intended works or any of them, and the terms, conditions, limitations, rights, and
