

Order, and with power to sell or dispose of the same.

3. To authorise the undertakers to construct, provide, lay down, renew, alter and maintain on land belonging to or leased by the undertakers within the area of supply, such central and other stations, buildings and works for the generation, storage, supply and distribution of electricity as may from time to time be necessary for supplying electricity within the said area, or for other the purposes of the Order, together with the engines, machinery, and other apparatus necessary or convenient for the purposes aforesaid, and to lay down, place, maintain, alter or renew electric lines, wires, conductors, mains, pipes, and other apparatus and works for the supply and distribution of electricity in, through, under, over, along, or across all streets, bridges, highways, lanes, roads, thoroughfares, railways, tramways, waterways, public passages, and places within the said area of supply.

4. To authorise the undertakers to open and break up for the purposes of the said Order the soil and pavement of the several streets and thoroughfares within the area of supply, and to take up, re-lay, divert and alter sewers, drains, mains, and all pipes and works therein within the said area of supply, and to do all such other works and acts as may be necessary to carry into effect the objects of the Order.

5. To authorise the undertakers to acquire and hold patent rights and licences in relation to the manufacture and distribution of electricity, and to manufacture, purchase, hire, sell and supply meters, lamps, appliances, machinery and apparatus in relation thereto.

6. To authorise the undertakers and any local or other public authority, company, or person, to make and carry into effect agreements for the production and distribution of electricity, and for the performing of all acts incidental to public and private lighting.

7. To empower the undertakers to make charges and levy rates and recover rents and charges for the supply of electricity, and for the use of any machines or apparatus in connection therewith, and to define and limit the prices to be charged for such supply.

8. To confer upon the Corporation all or some of the powers of the Electric Lighting Acts, 1882 and 1888, and enactments incorporated therewith, and to alter, vary, or extinguish all rights and privileges which would or might interfere with any of the objects of the Order, and to confer all other rights and privileges necessary for carrying such objects into effect.

And notice is hereby further given, that a map showing the boundaries of the proposed area of supply, and a copy of this advertisement as published in the London Gazette will be deposited, on or before the 30th day of November next, for public inspection, at the office of the Clerk of the Peace for the County of Devon, at his offices at Exeter, in the said county, and at the office of the Town Clerk to the Borough of Barnstaple.

On and after the 21st day of December next, printed copies of the draft Order as applied for may be obtained (at the price of one shilling for each copy) at the office of the North Devon Journal newspaper, in High-street, Barnstaple aforesaid; and also at the offices of the under-mentioned Solicitor and Agents; and if and when the Order shall have been made by the Board of Trade, printed copies thereof may be obtained at the same offices, on payment of the same price.

And notice is hereby further given that every

local or public authority, company, or persons desirous of making any representation to the Board of Trade, or bringing before them any objection respecting this application may do so by letter addressed to the Board of Trade, and marked on the outside of the cover enclosing it "Electric Lighting Acts," on or before the 15th day of January, 1899, and a copy of such objection must at the same time be sent to the under-signed Solicitor or Agents.

Dated this 15th day of November, 1898.
