

the Order), under the Electric Lighting Acts, 1882 and 1888, for all or some of the following amongst other purposes (that is to say):—

1. To authorise the Corporation to produce, store, supply, and distribute electricity for public and private purposes, as defined by the said Acts within the borough of Eastbourne (hereinafter called the area of supply).

2. To enable the Corporation to purchase, take on lease, and hold lands, or interests, or easements in or over lands, or to appropriate for the purposes of the Order any lands belonging to or held by them, and to erect, maintain, work, and use upon such lands all necessary or proper engines, dynamos, batteries, machinery, apparatus, works, buildings, and appliances for generating, producing, storing, supplying, and distributing electricity, or for other the purposes of the Undertaking, and to empower the Corporation to sell or dispose of any lands not required for the purposes of the Undertaking.

3. To authorise the Corporation to open, break up, and interfere with all streets, roads, public places, ways, footpaths, railways, canals, navigable rivers, towing paths, bridges, culverts, sewers, drains, and gas and water mains and pipes, and telegraph, and telephone and other wires within the area of supply, and to lay down, erect, maintain, renew, and remove either above or under ground, or otherwise, electric lines, conductors, mains, pipes, tubes, wires, posts, street or distributing boxes, meters, apparatus, and other works or things required for the purpose of enabling the Corporation to supply, produce, store, convey, transmit, or distribute electricity within the area of supply, and to confer all such other powers upon the Corporation as may be necessary for effecting the objects of the proposed Undertaking.

4. To authorise the Corporation to manufacture, purchase, hire, sell, and let meters, lamps, accumulators, dynamos, fittings, plant, machinery, and other matters or things required for the purposes of the Order, and to acquire, work, and use patent rights for the producing, storing, controlling, distributing, measuring, and using, or otherwise relating to the supply of electricity.

5. To authorise the Corporation to take, collect, and recover rates, rents, and charges for the supply of electricity and the use of any machines, lamps, meters, fittings, or apparatus connected therewith.

6. To make provision for the inspection and testing of mains, conductors, and works, for the appointment and remuneration of electric inspectors, and for the supply, use, inspection, testing, and certifying of meters, fittings, and instruments.

7. To authorise the Corporation to enter upon any houses, buildings, or lands supplied, or proposed to be supplied, with electricity for any purposes relating to such supply.

8. To authorise the Corporation to enter into contracts with companies or persons for the execution and maintenance of works, and the supply of electricity, and to relieve the Corporation from the consequences of any acts or defaults of any such contractors, and to empower the Corporation to transfer to companies or persons all or some of their powers, duties, liabilities, and works for such period and upon such terms and conditions as may be agreed upon.

9. To confer upon the Corporation all or some of the powers of the Electric Lighting Acts, 1882 and 1888, and enactments incorporated therewith, and to alter, vary, or extinguish all rights and privileges which would or might interfere with any of the objects of the Order, and to confer

all other rights and privileges necessary for carrying such objects into effect.

10. To empower the Corporation to borrow money for all or any of the purposes of the Order, and to charge the moneys so borrowed and interest upon the district fund and general district rate of the borough, and to empower the Corporation to apply any of their corporate funds to any of the purposes of the Order, and to provide for the disposal or application of the revenue arising from the undertaking.

11. To incorporate with the Order section 265 of the Public Health Act, 1875 (relating to the protection of local authorities and their officers from personal liability), and to extend that section to matters arising under the Order.

12. To make provision for empowering the Corporation to enter into and carry into effect agreements for the purchase by the Corporation of the undertaking and works of the Eastbourne Electric Light Company, Limited, and for repealing all or some of the provisions of the Eastbourne Electric Supply Order, 1890.

The following are the streets not repairable by the local authority which the Corporation propose to take powers to break up:—
