THE Board of Trade have received, through the Secretary of State for Foreign Affairs, the following copy of a Notice respecting quarantine in Texas, viz. :—

QUARANTINE PROCLAMATION.

By the Governor of Texas.

Be it known, that I, Joseph D. Sayers, Governor of the State of Texas, by authority vested in me by the laws of this State, do hereby declare that quarantine shall be established on the Gulf Coast and Rio Grande border on and after April 1st, 1899; and it shall continue until closed by proclamation.

Said quarantine shall apply to all vessels, persons, or things coming from places infected by yellow fever, small-pox, or cholera, and all places south of 25 degrees north latitude shall be considered infected unless proof to the contrary be submitted to the State Health Officer, and special exemption be granted to said places, and persons from such places are prohibited from entering this State within a period of ten days.

I further declare quarantine against any person or persons infected or liable to be infected with yellow fever, small-pox, or cholera, either within or without the State, and direct the quarantine officers of the State and Health Officers of counties and towns to establish local quarantines around any and all such persons whenever discovered.

The coast quarantine stations shall be governed by the following rules :

Rule 1. Ten days must have elapsed from the day of sailing from an infected port before vessels will be allowed to enter the ports of Texas, except fruit vessels and such vessels as have been given written permits to do so.

Rule 2. Vessels arriving outside the bar of Texas ports, with sickness on board at the time of arrival, of either yellow fever or cholera, must not be brought inside of the bar by pilots, but must be at once reported to the local quarantine officer, who will at once report same to the State Health Officer, and he will endeavour to have such vessel ordered to the nearest U.S.M.H.S. for treatment.

Rule 3. Vessels from an infected place, having had sickness and deaths en route, but none at the time of arrival, will be fumigated and held five full days after fumigation, under observation before being released, and a longer time if considered necessary by the State Health Officer.

Rule 4. Vessels from places actually infected,

will be fumigated and held under observation five full days.

Rule 5. Vessels from places south of 25 degrees north latitude, with clean bills of health, and having had no sickness on board, will be fumigated, and held three days after fumigation.

Rule 6. Iron steamships arriving from ports south of 25 degrees north latitude, with no cargo or passengers, or laden with such articles as cannot possibly be carriers of infection, with clean bills of health from last clearance and the clearance preceding the last, and in good sanitary condition at the time of arrival, may be permitted to enter, after being fumigated, without further detention, if, in the judgment of the local quarantine officer, it is safe to do so.

Rule 7. Vessels wishing to engage in the fruit trade will be allowed to do so under special restrictions and regulations governing same.

All officials, military authorities, and citizens of Texas are solicited to assist the quarantine officers in the execution of the above rules, and are earnestly requested to notify the Governor of any dereliction of duty by officers or employes, or any other facts that will give greater efficiency to the quarantine service.

In testimony whereof, I have hereunto signed my name and have caused the seal of State to be affixed, at the city of Austin, this 1st day of March A.D. 1899.

JOSEPH D. SAYERS, Governor of Texas.
