The Locomotives Act, 1898.

NOTICE is hereby given that the County Council of the Administrative County of Surrey have made and adopted the following Bye-laws under section 6 of the Locomotives Act, 1898, for regulating the use of locomotives and of waggons drawn by locomotives upon any highway within the said Administrative County (exclusive of the boroughs of Guildford, Kingston, Reigate and Richmond).

1. Throughout these Bye-laws the expression "the Council," means the County Council of the Administrative County of Surrey; and the expression "the County," means the Administrative County of Surrey.

2. A person in charge of a locomotive on any highway shall not use the locomotive to draw more than three waggons, with or without any waggon solely used for carrying water for such locomotive.

Provided that this prohibition shall not apply in any case, where, on application to the Council or so far as regards any highway situated in a municipal borough, to the Council of that borough, for permission to use a locomotive on any specified journey to draw more than three waggons with or without any waggon solely used as aforesaid, such Council may grant such permission.

3. A person in charge of a locomotive shall not cause or suffer the locomotive to remain stationary on any part of a highway for more than twenty minutes at any one time.

Provided that this bye-law shall not be deemed to apply in any case where the stopping of the locomotive for a longer period than twenty minutes

(a.) is necessary in order to enable the person using the locomotive to comply with the requirements of any statutory provision or bye-law for the time being in force for the regulation of the use of locomotives: or

(b.) is rendered necessary by accident, or other unavoidable cause.

4. Where for a continuous length exceeding one hundred yards a highway comprises a carriage way or cart way of a width less than fifteen feet, a person in charge of a locomotive shall not cause or suffer the locomotive to enter upon the carriage way or cart way unless and until

(a.) he shall have ascertained that throughout

the length aforesaid the carriage way or cart way is clear of vehicles; and

(b.) a person accompanying the locomotive shall have preceded the locomotive to a sufficient distance to warn the drivers of vehicles of the approach of the locomotive.

5. A person in charge of a locomotive shall not cause or suffer the locomotive to remain stationary on any highway so that any wheel of the locomotive rests on any bridge, arch or culvert, or within ten feet from the face of the abutment of any bridge, arch or culvert.

Provided that this prohibition shall not be deemed to apply in any case

(a.) where, in pursuance of the statutory provision in that behalf, a locomotive may be required to be instantly stopped; or

(b.) where the stopping of a locomotive may be rendered necessary by accident, or other unavoidable cause.

6. A person in charge of a locomotive on any highway who may be required by any police constable, or by any officer of the Council duly authorized in that behalf, to stop the locomotive, for the purpose of enabling the constable or officer to ascertain by examination whether any provision of any statute or bye-law applicable to the locomotive has been or is duly complied with, shall forthwith cause the locomotive, if in motion, to stop, and shall not cause or suffer the locomotive to be again set in motion, until such time shall have elapsed as may be reasonably necessary for the purpose of such examination.

The person in charge of the locomotive shall, in connection with such examination, give all reasonable assistance that may be demanded by the constable or officer requiring the locomotive to be stopped.

7. From and after the date of the confirmation of these bye-laws the bye-laws with respect to locomotives which were made by the Council on the first day of June, in the year one thousand eight hundred and ninety-seven, and were confirmed by the Local Government Board on the thirty-first day of August, in the year one thousand eight hundred and ninety-seven, shall be repealed.
