

Letters Patent to pay the renewal fee or renewal fees thereon notwithstanding that the time enlarged and limited by the Patents, Designs, and Trade Marks Act, 1883, for so doing has expired.

To enable the Comptroller General of Patents, Designs, and Trade Marks to grant a certificate that the said renewal fees have been paid.

To provide that upon the granting of such certificate the said Letters Patent shall be deemed to be as good, valid, and effectual to all intents and purposes as if all the payments prescribed by the Patents, Designs, and Trade Marks Act, 1883, to be made in respect of the said Letters Patent either before or after the passing of the intended Act, had been duly made or satisfied, and as if the said Letters Patent had been originally dated and sealed as of the said 2nd day of April, 1895.

Printed copies of the Bill for the intended Act will, on or before the 21st day of December next, be deposited in the Private Bill Office of the House of Commons.

Dated this 21st day of November, 1899.

In Parliament.—Session 1900.

**IMSCHENETZKY'S (URALITE) PATENT (NUMBER 5254 of 1895) RELATING TO THE MANUFACTURE OF FIRE-PROOF AND INSULATING COMPOUNDS (CONFIRMATION OF PATENT).**

NOTICE is hereby given that the British Uralite Company, Limited, intend to apply to Parliament in the ensuing session for an Act for the following purposes, or some of them, that is to say:—

To continue and confirm the following Letters Patent, that is to say, Letters Patent bearing date the 12th day of March, 1895, and numbered 5254, and granted to Alexander Imshenetzky, therein described as of New Arsenal, 3, Simbirskaya-street, St. Petersburg, in the Russian Empire, Captain of Artillery, for the term of 14 years for an invention "for manufacture of fireproof and insulating compounds" known as "Uralite."

To enable the holders or assignees of the said Letters Patent to pay the renewal fee or renewal fees thereon, notwithstanding that the time enlarged and limited by the Patents, Designs, and Trade Marks Act, 1883, for so doing has expired.

To enable the Comptroller-General of Patents, Designs, and Trade Marks to grant a certificate that the said fee or fees have been paid.

To provide that upon the granting of such certificates the said Letters Patent shall be deemed to be as good, valid, and effectual to all intents and purposes as if all the payments prescribed by the Patents, Designs, and Trade Marks Act, 1883, to be made in respect of the said Letters Patent, either before or after the passing of the intended Act had been duly made or satisfied.

Printed copies of the intended Act will, on or before the 21st day of December next, be

deposited in the Private Bill Office of the House of Commons.

Dated this 21st day of November, 1899.

Board of Trade.—Session 1900.

Sudbury Electric Lighting.

(Power for the Mayor, Aldermen, Burgesses of the borough of Sudbury, acting as the Town Council, to Produce, Store, and Supply Electricity within the borough of Sudbury; to Acquire and Appropriate Lands and to Construct Works; to Break Up or Interfere with Streets, Bridges, Railways, Tramways, Rivers and Canals, and to Lay Down or Erect Electric Mains, Lines, Pipes, Wires, and Apparatus; to Demand and Levy Rates and Charges; to enter into Houses, Buildings and Lands; to Make Contracts and Transfer Undertaking; to Borrow Money; and other Powers.)

NOTICE is hereby given, that the Mayor, Aldermen, and Burgesses of the borough of Sudbury, in the county of Suffolk (hereinafter called "the Corporation") and whose address is the Town Hall, Sudbury, Suffolk, intend on or before the 21st day of December next, to apply to the Board of Trade for a Provisional Order (hereinafter called "the Order") under the Electric Lighting Acts, 1882 and 1888, for all or some of the following amongst other purposes, (that is to say):—

1. To authorise the Corporation to produce, store, supply, and distribute electricity for public and private purposes, as defined by the said Acts, within the borough of Sudbury (hereinafter called "the area of supply").

2. To enable the Corporation to acquire, purchase, take on lease, and hold lands or interest or easements in or over lands, and to appropriate, for the purposes of the Order, any lands belonging to or held by them, and to erect, maintain, work, and use upon such lands all necessary or proper engines, dynamos, batteries, machinery, apparatus, works, buildings, and appliances for generating, producing, storing, supplying, and distributing electricity, or for other purposes of the Undertaking, and to empower the Corporation to sell or dispose of any land not required for the purposes of the Undertaking.

3. To authorise the Corporation to open, break up, and interfere with all streets, roads, public places, ways, footpaths, railways, tramways, canals, navigable rivers, towing paths, bridges, culverts, sewers, drains, and gas and water mains and pipes, and telegraph and telephone and other wires, within the area of supply, and to lay down, erect, maintain, renew and remove either above or underground or otherwise, electric lines, conductors, mains, pipes, tubes, wires, posts, street or distributing boxes, meters, apparatus, and other works or things required for the purpose of enabling the Corporation to supply, produce, store, convey, transmit, or distribute electricity within the area of supply, and to confer all such other powers upon the Corporation as may be necessary for effecting the objects of the proposed Undertaking.

4. To authorise the Corporation to manufacture, purchase, hire, sell and let lamps, accumulators, meters, dynamos, fittings, plant, machinery, and other matters or things required for the purposes of the Order, and to acquire,
