TUESDAY, DECEMBER 19, 1899.

[In substitution for the Order in Council which was published in the London Gazette of the 17th October, 1899.]

AT the Court at *Balmoral*, the 7th day of *October*, 1899.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by "The Coroners Act 1814" it is (amongst other things) enacted that when and so often as it shall seem expedient to the Justices of any County that such County should be divided into two or more districts for the purposes of that Act, or that any alteration should be made of any division theretofore made under that Act it shall be lawful for the said Justices in General or Quarter Sessions assembled to resolve that a petition shall be presented to Her Majesty praying that such division or alteration be made and thereupon to adjourn the further consideration of such petition until notice thereof shall be given to the Coroner or Coroners of such County as in that Act thereafter provided, and further that the Clerk of the Peace shall give notice of any such resolution to every Coroner for such county and of the time when the petition will be taken by the said Justices into consideration, and the Justices shall confer with every such Coroner who shall attend the meeting of the Justices for that purpose touching such petition having due regard to the size and nature of each proposed district the number of inhabitants the nature of their employments and such other circumstances as shall appear to the Justices fit to be considered in carrying into execution the provisions of that Act, and that such petition with a description of the several proposed districts and of the boundaries thereof with the reasons upon which the petition is founded shall be certified to Her Majesty under the hands and seals of two or more of the Justices present when such petition shall be agreed to, and the Clerk of the Peace for such county shall forthwith give or send a true copy of such petition certified under his hand to every Coroner for such county, and that it shall be lawful for Her Majesty if She shall think fit with the advice of Her Privy Council after taking into consideration any such petition and also any petition which may be presented to Her by any Coroner of the same county concerning such proposed division or alteration, or whenever it shall seem fit to Her Majesty to direct the issue of a Writ de Coronatore Eligendo for the purpose of authorizing the election of an additional Coroner above the number of

those who have been theretofore customarily elected in such county to order that such county shall be divided into such and so many districts for the purposes of that Act as to Her Majesty with the advice aforesaid shall seem expedient, and to give a name to each of such districts and that every such Order shall be published in the London Gazette.

And whereas it was further provided by the said recited Act that in the county of Lincoln all things by the said Act directed to be done by and with respect to the Justices in General or Quarter Sessions assembled and by their Clerk should be done by and with respect to the Justices of the said county of Lincoln in General Gaol Sessions and by their Clerk.

And whereas by "The Local Government Act 1888" it was provided that in the case of the county of Lincoln the administrative business which would, if the said Act had not passed, have been transacted by the Justices of all the divisions at their Gaol Sessions should be transacted by a Joint Committee of the County Councils of the three divisions appointed in manner provided by the said Act, and that the said Joint Committee should be a body corporate for the purposes of such administrative business and should be called by the name of the County Committee with the prefix of the name of the county.

And whereas by an Order in Council made on the thirtieth day of June one thousand eight hundred and forty-five under the provisions of the hereinbefore first recited Act, such parts of the county of Lincoln as were not excepted by the operation of section twenty-seven of the said herein first recited Act were divided into seven districts for the purposes of the said Act called respectively the "Lincoln District," the "Kirton District," the "Caistor District," the "Louth District," the "Boston District," the "Grantham District," and the "Spalding District."

And whereas the "Lincoln District" the "Boston District" and the "Spalding District" as constituted by the aforesaid Order in Council are respectively situate partly in one and partly in another Administrative County (or Division) forming part of the entire county of Lincoln.

And whereas in addition to the above-named districts the borough of Stamford formed a district of itself and appointed its own Coroner.

And whereas the Kesteven County Council did not exercise their power, in pursuance of section thirty-eight of the "Local Government Act, 1888," of annexing the said borough to any County

Coroner's District, but continued it as a separate County Coroner's District, and resolved that the then existing Coroner should be continued in office as County Coroner within the district of the borough of Stamford.

And whereas the Lincolnshire County Committee have presented a petition to Her Majesty praying for an alteration of the several Coroners Districts situated partly in one and partly in another Division of the county of Lincoln in the manner therein set forth, so that from and after the thirtieth day of June one thousand eight hundred and ninety-nine no Coroner's District should be situate in more than one Administrative County, which said petition with a description of the said proposed districts and of the boundaries thereof with the reasons upon which the petition is founded were duly certified to Her Majesty.

And whereas all the provisions of the hereinbefore first recited Act in that behalf have been complied with in relation to the said petition.

And whereas the Coroners for the said county have not presented any petition to Her Majesty.

And whereas Her Majesty has with the advice of Her Privy Council taken into consideration the said petition and is minded to make such alteration and division as aforesaid as from the thirty-first day of December, one thousand eight hundred and ninety-nine.

Now therefore Her Majesty by and with the advice of Her Privy Council is pleased to order and it is hereby ordered directed and declared that from and after the thirty-first day of December one thousand eight hundred and ninety-nine:—

1. The county of Lincoln shall be divided into twelve districts for Coroners' purposes and for the purposes of the said first recited Act.

2. That the said twelve Districts shall be named:—

Board of Trade (Fisheries and Harbour Department), London, December 19, 1899.

THE Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch from Her Majesty's Representative at Sofia, enclosing the following Notices respecting quarantine in Bulgaria, viz. :—

(Traduction.)

Circulaire No. 5053.

de la Direction Sanitaire Civile de la Principauté du 23 Novembre '99.

A Messieurs les médecins de quarantaine à Varna, Bourgas, Hebitchévo et Silistra, les médecins d'arrondissement à Onhialo, Baltchik, Toutracan, Nicopol, Rahovo, Tzaribrod, Doubuitza et Harmanly.

Et A tous les préfets, médecins de district directeurs de douanes et chefs de postes douaniers.

Dans l'Ordonnance sub No. 224 du Ministère de l'Intérieur du 14 Juin a.c., communiquée par télégramme No. 2235 de la même date, il est dit, entre autres, que "les vieux sacs ayant servi venant de localités non contaminées, ne peuvent

entrer en Bulgarie qu'après une désinfection rigoureuse par la vapeur."

D'après le Conseil Médical Supérieur, la permission de laisser entrer de vieux sacs ayant servi comprend seulement les sacs qui ont été exportés de la Principauté avec de la marchandise et qui sont retournés pour être de nouveau remplis pour l'exportation, et cela en vue de la nécessité de faciliter les commerçants. Cependant, des informations parvenues à la Direction Sanitaire, il résulte que les vieux sacs venant de l'étranger ne sont pas ceux qui ont été exportés de Bulgarie, mais des sacs d'une toute autre provenance. Les commerçants—propriétaires mêmes de pareils sacs n'ont pas nié le fait qu'ils avaient acheté ces sacs par l'entremise de commissionnaire quelconques de Constantinople ou d'autres endroits, des boulangers et des magasins de la place. De sorte que les sacs achetés de cette façon ont contenu des farines ou d'autres marchandises comme riz, poivre, épices etc et, dans ce cas il n'y a pas de doute que leur provenance peut être assimilée à celle des marchandises mêmes, à savoir : des Indes de l'Égypte et d'autres pays contaminés. C'est pour cela que l'entrée de ces sacs par les points quaranténaires avait donné lieu à des malentendus entre les intéressés et les autorités de quarantaine.

Il est par suite évident que quelques uns de nos commerçants interprètent différemment la mesure concernant les sacs déclarée par l'Ordonnance sub No. 224.

En conséquence, et vu la possibilité que de pareils sacs importés introduisent la peste ainsi que d'autres maladies, le Conseil Médical Supérieur, par décision du 9 décembre, approuvée par le Ministre de l'Intérieur, et en complément de son télégramme No. 2235 du 14 Juin a.c. porte ce qui suit à la connaissance des autorités susmentionnées pour les fins requises et de droit :

1° Laisser entrer, après une désinfection rigoureuse par la vapeur, seulement les vieux sacs ayant servi qui ont été exportés de la Principauté avec de la marchandise et qui ont été retournés pour être de nouveau remplis :

2° Pour éviter tous malentendus, l'entrée sera permise seulement dans le cas où les sacs auraient le plomb ou autres signes certifiant que ces sacs sont les mêmes qui ont été exportés de Bulgarie et non pas des sacs achetés des marchés d'autres États, l'entrée de ces derniers sacs étant interdite.
