REGULATIONS TO BE OBSERVED.

By Her Majesty's Command,

The Lady who proposes to present another must send in writing the name of such Lady to the Lord Chamberlain's Office, not later than *two days* previous to the Drawing Room, in order that the Lord Chamberlain may submit the name to Her Majesty, when, if it be approved, presentation cards will be forwarded.

Printed Forms for this purpose can be obtained at the Lord Chamberlain's Office.

It is particularly requested that the names of the Ladies to be presented be *very distinctly written* on the presentation cards to be delivered to the Lord Chamberlain at the Drawing Room, in

order that there may be no difficulty in announcing them to The Queen.

The number of Presentations at each Drawing Room is limited to 200.

It is not expected that Gentlemen will present themselves at the Drawing Room, except in attendance on the Ladies of their families.

Any Gentleman who under these circumstances should desire to be presented to The Queen will observe the same regulations as are in force for Her Majesty's Levées.

The cattle referred to in this paragraph shall not be allowed to be landed, unless the consignee shall have in each case and before shipment, made a written application, stating the approximate number of animals intended to be imported, and obtained the necessary permission after having agreed to abide by any regulations which may be

established. Such application shall imply that the consignee has bound himself to abide by any regulations which may be in force on the day of importation, or which may be issued during the time in which the cattle may have to remain in quarantine, and also to pay the entrance fees, fees for guards, and other fees for ordinary or extraordinary expenses usually levied on cattle at the lazaretto.

3. Swine.

Swine arriving from Albania and Greece may be imported, subject to 90 days' quarantine at the lazaretto.

4. General Provisions.

All cattle intended for importation into these Islands, must be accompanied by a certificate from the British Consular Authority, or, in default of the local Government Authority of the places of origin and embarkation, stating that cattle disease has not been officially reported in those places during the three months previous to the date of embarkation.
