

Board of Trade.—Session 1902.

Leadgate Electric Lighting.

(Application to the Board of Trade under the Electric Lighting Acts, 1882 and 1888, and the Electric Lighting (Clauses) Act, 1899, for a Provisional Order to enable the Northern Counties Electricity Supply Company, Limited, to Produce and Supply Electricity for Motive Power and all Public and Private Purposes within the Urban District of Leadgate, in the County of Durham; Power to construct Works; to make Charges; to acquire Lands; to make Arrangements with Local Authorities; to open Streets; to erect and lay Electric Lines; and other purposes.)

NOTICE is hereby given, that application will be made to the Board of Trade, on or before the 21st day of December next, by the Northern Counties Electricity Supply Company, Limited, the address of which Company is at 13, Mosley-street, in the city and county of Newcastle-on-Tyne, and who are hereinafter called "the Undertakers," for a Provisional Order under the Electric Lighting Acts, 1882, and 1888, and the Electric Lighting (Clauses) Act, 1899, for all or some of the following purposes (that is to say):—

To authorise the Undertakers for such period as may be prescribed to produce, store, supply, sell, and distribute electricity for motive power and all public and private purposes, as defined by the said Acts within the area of supply hereinafter mentioned, or some part or parts thereof (that is to say):—

The urban district of Leadgate, in the county of Durham.

To authorise the Undertakers to place, lay down, erect, maintain, alter, and renew electric lines, mains, and other works in, under, over, and along all public and private streets, roads, and other places within the area of supply.

The following are the streets and places within which the Undertakers propose to lay electric lines within a specified time:—

Front-street, Durham-road from Watling-street to Methodist Chapel, Saint Ives-road from Durham-road to Saint Ives Church.

To authorise the Undertakers to purchase, hold, and acquire or take on lease any lands or easements in lands which they may require for the purposes of the intended Order.

To authorise the Undertakers to construct, provide, lay down, alter, renew, and maintain, on lands belonging to, or leased by, or to be acquired or leased by, the Undertakers within the said area of supply, such central and other stations, buildings, and other works for the generation, storage, supply and distribution of electricity and electric currents as may from time to time be necessary for supplying electricity within the said area, or for other purposes of the intended Order, together with all engines, machinery, and apparatus necessary or convenient for the purposes aforesaid.

To authorise the Undertakers to enter upon, open, and break up, or interfere with, for the purposes of the intended Order, the soil and pavement of all roads, streets, and thoroughfares, places, ways, footpaths, railways, tramways, canals, rivers, towing paths, and bridges within the area of supply, together with the private streets and thoroughfares hereinafter set out, and to take up, relay, divert, or alter sewers, drains, mains, and all pipes, telegraphic and telephonic wires and apparatus, and other works of any description therein, and do all such other works as may be necessary to carry into effect the objects of the intended Order.

The following is a list of the streets not re-
