

walls, embankments, subsidiary sewers, tanks, bridges, arches, drains, culverts, excavations, and other works and conveniences.

3. To authorize the Council to deviate in the construction of the intended sewers and works both vertically and laterally, to the extent shown on the deposited plans and sections or to be defined by the Bill or prescribed by Parliament.

4. To enable the Council for all or any of the purposes of the Bill to appropriate and use any lands for the time being belonging to them, and to purchase or otherwise acquire compulsorily or by agreement lands (including in that expression where used in this notice, easements and other property) for the purposes of the intended sewers and other works, and the Bill will or may seek power to enable the Council to purchase compulsorily such easements in, under or over lands and property, as may be requisite for the said works, without purchasing the land over the same, and to appropriate and use the subsoil and under-surface of any street, subject to such conditions as the Bill may prescribe, and to enable the Council, in addition to the lands to be acquired for, and in connection with the before-mentioned sewers and works, to acquire and take compulsorily, or by agreement, or take on lease the following lands for the before-mentioned pumping station, viz.:—

Certain lands in the said parish and township of Fleetwood, situate in the said field numbered 21 on the $\frac{1}{2500}$ inch Ordnance Map, and containing by admeasurement twelve hundred superficial yards or thereabouts, and belonging to or reputed to belong to the Fleetwood Estate Limited, and on such lands to construct the before-mentioned pumping station, with all necessary buildings, tanks, engines, and machinery therefor.

5. To empower the Council to deepen so much of the bed of the sea and foreshore as may be necessary for the purposes of the proposed works, and to appropriate and dispose of all substances so obtained.

6. To empower the Council to construct such improvements and extensions of and additions to the existing and proposed sewers and works as the Council may from time to time deem necessary, and to construct such subsidiary works as they may deem advisable.

7. To authorize the Council to make junctions or connections with roads, streets, sewers, and drains, and if necessary to alter the levels thereof, and to remove, alter, or interfere with sewers, drains, gas, water, and other mains and pipes, telegraph, telephone, or other electrical apparatus.

8. To empower the Council to make in any streets, roads, footways and thoroughfares, all such alterations of levels and width of roadway and footway as may be expedient for or in connection with the construction of the said works, and to use, break up, stop up, alter, divert and interfere with, either permanently or temporarily (and if permanently to appropriate the site and soil of and to extinguish all rights of way over), and to cross over, under, or upon such streets, highways, bridges, thoroughfares, railways, tramways, rivers, navigations, canals, streams, brooks, watercourses, sewers, drains, gas and water and other pipes, and telegraphic, telephonic, and electric apparatus as it may be necessary or convenient, to stop up, alter, divert, interfere with, or cross for any of the purposes of the Bill, and to extinguish all rights of way, manorial, and other rights in, over, or upon any lands to be acquired under or by virtue of the powers of the Bill.

9. To vest in the Council all sewers and works constructed by them under the powers of the intended Act.

10. To enable the Council for or in relation to all or any of the purposes of the Bill, and also for or in relation to the purposes of the Acts and Orders relating to the Council or the District to apply their rates, funds, and revenues, and any moneys which they are already authorized to borrow, and to make, assess, levy, and recover new and additional tolls, rates, and charges, and to borrow further moneys by mortgage, and to charge these moneys upon the general improvement rate, lands, tenements, hereditaments, undertakings, and property, and the rates, rents, tolls, and revenues of the Council, acting as an Urban Sanitary Authority, and to make provisions with respect to the repayment of any moneys to be borrowed under the powers of the Bill.

11. The Bill will or may enable the Council to carry the provisions of the Bill into effect with, under, and subject to the powers and provisions of the Public Health Acts, the Local Government Acts, the Lands Clauses Acts, the Local Loans Act, the Railways Clauses Consolidation Act, 1845, and other Acts (public or local) affecting urban sanitary authorities, with such modifications as may be contained in the Bill, and to enter into and fulfil agreements and contracts for all or any of the purposes of the Bill, and the Bill will or may confirm any such agreements and contracts which may have been or which may be entered into during the progress of the Bill.

12. The Bill will, so far as may be deemed necessary or expedient, alter, amend, and extend, or repeal all or any Acts and Orders (including Orders made by any public department) relating directly or indirectly to the Council or the District or interfering with any object of the Bill, and the Bill will or may incorporate with itself in extenso or by reference and with or without alteration the Railways Clauses Consolidation Act, 1845, and such of the provisions as may be deemed expedient of the hereinbefore mentioned Acts and Orders, and will or may vary and extinguish all rights and privileges which would interfere with any of its objects, and confer all such powers, authorities, rights, and privileges as may be necessary or expedient for effecting its objects.

13. Duplicate plans and sections describing the lines, situation, and levels of the proposed sewers and works, and the lands in or through which they will be made or pass, and showing the lands which may be taken compulsorily under the powers of the Bill, and also the additional lands for the pumping station, together with a book of reference to the plans, containing the names of the owners and lessees or reputed owners and lessees, and of the occupiers of such lands and other property, and a copy of this notice as published in the London Gazette, have been deposited for public inspection with the Clerk of the Peace for the county of Lancaster at his office at Preston, and a copy of the said plans, sections, and book of reference, together with a copy of this notice, published as aforesaid, have been deposited with the Clerk to the Urban District Council of Fleetwood, at his office, Townhall, Fleetwood.

14. Printed copies of the proposed Bill have been deposited in the Private Bill Office of the House of Commons.

Dated this 31st day of May, 1902.

JOSEPH TILDSLEY, Clerk to the Council,
Town Hall, Fleetwood.

J. C. BALL and Sons, 3, Victoria-street,
Westminster, Parliamentary Agents.
