And whereas by reason of the contiguity of the said territories and of the Colonies and possessions of His Majesty in West Africa known as the Gambia, Sierra Leone, the Gold Coast, Ashanti, and Lagos, and the frequent inter-communication between them, it seems expedient to His Majesty and conducive to the better administration of justice therein that Part II of the Fugitive Offenders Act 1881 should apply to the said Colonies, possessions and territories, and that subject to the provisions of this Order the Fugitive Offenders Act, 1881, should apply as if the said territories respectively were British possessions.

Now, therefore, His Majesty by virtue of the powers in this behalf by the Fugitive Offenders Act, 1881, the Foreign Jurisdiction Act, 1890, or otherwise in His Majesty vested, is pleased by and with the advice of His Privy Council to order, and it is hereby ordered as follows:—

3. In the Fugitive Offenders Act, 1881, as hereby applied to the territories named in Schedule I of this Order, and in this Order with reference to the said territories, unless the context otherwise requires the expression "Governor" means the officer for the time being exercising the functions:—

(a.) As regards the Gambia Protectorate, the Sierra Leone Protectorate, and the Lagos Protectorate, of Governor in the Gambia, Sierra Leone, and Lagos respectively.

(b.) As regards the Northern Territories of the Gold Coast, of Chief Commissioner.

(c.) As regards Northern Nigeria and Southern Nigeria, of High Commissioner of Northern Nigeria and Southern Nigeria respectively.

4. The jurisdiction under Part I of the Fugitive Offenders Act, 1881, to hear a case and commit a fugitive to prison to await his return may be exercised in the territories named in Schedule I of this Order, by any person having in the said territories authority to issue a

warrant for the apprehension of persons accused of crime, and to commit such persons for trial.

5. Part II of the Fugitive Offenders Act, 1881, shall apply to the Colonies, possessions, and territories mentioned in Schedules 1 and 2 of this Order.

6. The Governor or High Commissioner, as the case may be, of each of the Colonies, possessions, and territories, named in the Schedules to this Order shall cause this Order to be proclaimed therein, and this Order shall come into operation on a day to be fixed by such Proclamation.

7. His Majesty may from time to time revoke, alter, add to or amend this Order.

**W**HEREAS by treaty, grant, usage, sufferance, and other lawful means, His Majesty the King has powers and jurisdiction, exercised on his behalf by the Governor-General of India in Council, in India and in certain territories adjacent thereto;

Now, therefore, His Majesty, by virtue and in exercise of the powers by the Foreign Jurisdiction Act, 1890, or otherwise in His Majesty vested, is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered as follows:—

1. This Order may be cited as the Indian (Foreign Jurisdiction) Order in Council, 1902.

2. The limits of this Order are the territories of India outside British India, and any other territories which may be declared by His Majesty in Council to be territories in which jurisdiction is exercised by or on behalf of His Majesty through the Governor-General of India in Council, or some authority subordinate to him, including the territorial waters of any such territories.

3. The Governor-General of India in Council may, on His Majesty's behalf, exercise any power or jurisdiction which His Majesty or the Governor-General of India in Council for the time being has within the limits of this Order, and may delegate any such power or jurisdiction to any servant of the British Indian Government in such manner, and to such extent, as the Governor-General in Council from time to time thinks fit.

4. The Governor-General in Council may make such rules and orders as may seem expedient for carrying this Order into effect, and in particular—

(a) for determining the law and procedure to be observed, whether by applying with or

without modifications all or any of the provisions of any enactment in force elsewhere, or otherwise;

(b) for determining the persons who are to exercise jurisdiction, either generally or in particular classes of cases, and the powers to be exercised by them;

(c) for determining the courts, authorities, judges, and magistrates, by whom, and for regulating the manner in which, any jurisdiction, auxiliary or incidental to or consequential on the jurisdiction exercised under this Order, is to be exercised in British India;

The KING's Most Excellent Majesty in Council.

**WHEREAS** by the Burial Act, 1853, it was enacted that, in case it appeared to His Majesty in Council, upon the representation of one of His Majesty's Principal Secretaries of State, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of one of such Secretaries of State, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it should be lawful for His Majesty, by and with the advice of His Privy Council, to order that no new burial-ground should be opened in any city or town, or within such limits, without such previous approval, or (as the case might require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, should be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances might require; provided always that notice of such representation, and of the time when it should please His Majesty to order that the same be taken into consideration by the Privy Council, should be published in the London Gazette, and should be affixed on the doors of the churches or chapels of, or on some other

And whereas His Majesty was pleased, by His Order in Council of the twenty-fourth day of March last, to give notice of such representations, and to order that the same should be taken into consideration by a Committee of the Lords of His Majesty's Most Honourable Privy Council on the twenty-eighth day of April, one thousand nine hundred and two, and such Order has been published in the London Gazette, and copies thereof have been affixed, as required by the said Act:

Now, therefore, His Majesty, by and with the advice of His Privy Council, is pleased to order, and it is hereby ordered, that no new burial-grounds shall be opened in the said civil parishes without the previous approval of the Local Government Board, and that burials in the said parishes shall be discontinued as follows; viz.:—

**BEMBRIDGE.**—Forthwith and entirely in the Parish Church of the Holy Trinity, Bembridge, in the Isle of Wight; and also in that portion of the churchyard which existed prior to the year one thousand eight hundred and ninety-eight, except as follows:—

(a.) In any vault or walled grave now existing in the said portion of the churchyard burial may be allowed subject to the condition that every coffin buried in such vault or grave be separately enclosed by stonework or brickwork properly cemented.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS by the Burial Act, 1855, it was, amongst other things, enacted that it should be lawful for His Majesty, by and with the advice of His Privy Council, from time to time to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, should or should not have arrived), as to His Majesty, with such advice as aforesaid, might seem fit :

And whereas an Order in Council was made on the third day of October, one thousand eight hundred and ninety-five, directing the discontinuance of burials in, amongst other places, the Church of Holmes Chapel or Church Hulme, in the parish of Sandbach, in the county of Chester, and, with certain exceptions, in the churchyard; and whereas it seems fit to His Majesty, by and with the advice of His Privy Council, that the said Order of the third October, one thousand eight hundred and ninety-five, be varied :

Now, therefore, His Majesty, by and with the advice aforesaid, is pleased to order, and it is hereby ordered, that the said Order of the third day of October, one thousand eight hundred and ninety-five, be varied by the addition of the following clause to that part of the said Order which relates to the said church and churchyard, viz. :—

**HOLMES CHAPEL OR CHURCH HULME, SANDBACH.**—(c.) In the said churchyard in a family earthen grave in which the body of Mr. McLeod is buried, the burial may be allowed, at or below the depth of five feet from the surface of the ground, of the body of his widow at her decease.

**W**HEREAS by section twenty-six of the Pluralities Act, 1838, after reciting that "Whereas in some instances tithings, hamlets, chapelries, and other places or districts may be separated from the parishes or mother churches to which they belong, with great advantage, and places altogether extra-parochial may in some instances with advantage be annexed to parishes or districts to which they are contiguous, or be constituted separate parishes for ecclesiastical

"purposes," it is, amongst other things, enacted "That when with respect to his own diocese it shall appear to the Archbishop of the Province, or when the Bishop of any diocese shall represent to the said Archbishop that any such tithing, hamlet, chapelry, place or district within the diocese of such Archbishop, or the diocese of such Bishop, as the case may be, may be advantageously separated from any parish or mother church, and either be constituted a separate benefice by itself, or be united to any other parish to which it may be more conveniently annexed, or to any other adjoining tithing, hamlet, chapelry, place, or district, parochial, or extra-parochial, so as to form a separate parish or benefice, or that any extra-parochial place may with advantage be annexed to any parish to which it is contiguous, or be constituted a separate parish for ecclesiastical purposes; and the said Archbishop or Bishop shall draw up a scheme in writing (the scheme of such Bishop to be transmitted to the said Archbishop for his consideration) describing the mode in which it appears to him that the alteration may best be effected, and how the changes consequent on such alteration in respect to ecclesiastical jurisdiction, glebe lands, tithes, rent charges, and other ecclesiastical dues, rates, and payments, and in respect to patronage and rights to pews, may be made with justice to all parties interested; and if the patron or patrons of the benefice or benefices to be affected by such alteration shall consent in writing under his or their hands to such scheme, or to such modification thereof as the said Archbishop may approve, and the said Archbishop shall, on full consideration and inquiry, be satisfied with any such scheme, or modification thereof, and shall certify the same and such consent as aforesaid, by his report to His Majesty in Council, it shall be lawful for His Majesty in Council to make an Order for carrying such scheme, or modification thereof, as the case may be, into effect."

And whereas the Right Reverend Richard, Lord Bishop of Llandaff hath pursuant to the enactment aforesaid, represented in a writing dated the twelfth day of March, one thousand nine hundred and two to the Right Honourable and Most Reverend Frederick, Lord Archbishop of Canterbury, as follows:—

"That the said hamlet of Llangunnog immediately adjoins the said parish of Llanfihangel Tormynydd and is about two hundred acres in extent, contains one house only, that is to say a farmhouse having about six inhabitants.

"That the registers for the said parish of Llanfihangel Tormynydd, which date back to the reign of Queen Elizabeth, show that at regular intervals from that time to the present the inhabitants of the said hamlet or extra-parochial place of Llangunnog, who have for an indefinite period resorted to the parish church of Llanfihangel Tormynydd have been respectively christened married and buried in the parish church and churchyard of Llanfihangel Tormynydd.

"That the population of the said hamlet of Llangunnog according to the last census amounts to six persons only, and that of the parish of Llanfihangel Tormynydd to one hundred and fifty persons or thereabouts.

"That the annual value of the said rectory of Llanfihangel Tormynydd arising from all sources is £72 5s. or thereabouts.

"That it appears to us that the said hamlet or extra-parochial place of Llangunnog may under the provisions of 1 and 2 Vict. cap. 106 and 2 and 3 Vict. cap. 49 be advantageously annexed to the said parish of Llanfihangel Tormynydd.

"That pursuant to the direction contained in the twenty-sixth section of the said first-mentioned Act of Parliament we the said Bishop have drawn up a scheme in writing appended to this representation describing the mode in which it appears to us that the said annexation may be best effected and how the changes consequent on such annexation in respect to ecclesiastical jurisdiction glebe lands, tithes, rent charges and other ecclesiastical dues, rates, and payments and in respect to patronage and rights to pews may be made with justice to all parties interested, and we do submit the same to your Grace, together with the consent in writing of the Venerable Frederic William Edmondes, Clerk, M.A., Archdeacon of Llandaff, and as such the patron of the said parish of Llanfihangel Tormynydd, to the intent that your Grace may, if on full consideration and enquiry you shall be satisfied with the said scheme, certify the same and such consent to His Majesty King Edward the Seventh in Council.

"Given under our hand this twelfth day of March in the year of our Lord one thousand nine hundred and two.

*"R. Llandaff."*

And whereas the said scheme drawn up by the said Bishop, and the consents referred to in the said representation are as follows:—

"The SCHEME referred to in the foregoing Representation.

"It is proposed to annex the said extra-parochial place of Llangunnog to the said parish of Llanfihangel Tormynydd so as to constitute the same into one parish for all ecclesiastical purposes, the said hamlet lying immediately contiguous to the said parish and the small population thereof residing within a short distance of the church of the same parish.

"That the inhabitants of the said extra-parochial place of Llangunnog shall be entitled to accommodation and to the performance of baptisms, churchings, marriages and burials in the said parish church and churchyard respectively of Llanfihangel Tormynydd, and that the fees for all such offices (performed within the limits of the said benefice) and all ecclesiastical dues offerings and other emoluments arising from or in respect of the same extra-parochial place, and of the cure of souls therein shall belong to the Incumbent of the said rectory of Llanfihangel Tormynydd.

"That the right of nominating a minister to the said rectory of Llanfihangel Tormynydd with the extra-parochial place of Llangunnog annexed shall be for ever vested and be in the Archdeacon of Llandaff for the time being and his successors.

"CONSENT of Patron and Incumbent.

"I, the Venerable Frederic William Edmondes, Clerk, M.A., Archdeacon of Llandaff, and as such the patron of the person entitled to present to the rectory of Llanfihangel Tormynydd and also the reputed patron of the said extra-parochial place of Llangunnog in the county of Monmouth and diocese of Llandaff in case the same were now vacant, and I, the Reverend Charles Carne Williams, Clerk, M.A., the rector of the said rectory, do hereby respectively signify to your Grace our consent to the scheme above proposed

for annexing the said extra-parochial place of Llangunnog to the said parish of Llanfihangel Tormynydd so as to constitute the said parish and extra-parochial place into one benefice for all ecclesiastical purposes.

*A. W. FitzRoy*

At the Court at *Buckingham Palace*, the 11th day of *June*, 1902.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her late Majesty Queen Victoria, chapter one hundred and thirteen, and the Act of the sixth and seventh years of Her said late Majesty, chapter thirty-seven, duly prepared and laid before His Majesty in Council a scheme, bearing date the twenty-ninth day of May, in the year one thousand nine hundred and two, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Her late Majesty Queen Victoria, chapter one hundred and thirteen, and the Act of the sixth and seventh years of Her said late Majesty, chapter thirty-seven, have prepared and now humbly lay before Your Majesty in Council the following scheme for constituting a separate district for spiritual purposes to be taken partly out of the new parish (sometime district chapelry) of Saint John's Common and partly out of the parish of Ditchling, both in the county of Sussex and in the diocese of Chichester.

"Whereas we are satisfied that the said new parish of Saint John's Common, and the said parish of Ditchling are cures wherein or in parts whereof the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof and it has been made to appear to us that it would promote the interests of religion that the particular portions of the said new parish of Saint John's Common and the said parish of Ditchling, which are hereinafter mentioned and described, should be constituted a separate district in the manner which is hereinafter set forth.

"And whereas there is not at present within the limits of the said proposed separate district any consecrated church or chapel in use for the purposes of Divine worship.

"And whereas Sampson Copestake, of Number one, Adelaide-crescent, Brighton, in the said county of Sussex, Esquire, has contributed and paid to the credit of our account at the Bank of England a sum of four thousand three hundred pounds sterling towards the endowment of the district hereinafter recommended to be constituted, and as soon as the said district shall have become a new parish under the provisions of the secondly hereinbefore mentioned Act then of the said new parish and towards the maintenance of the minister or incumbent thereof for the time being and we have in respect of such sum agreed and have undertaken to provide and pay by equal quarterly payments on the first day of February the first day of May the first day of August and the first day of November in each and every year to such minister or incumbent as aforesaid when duly licensed in accordance with the provisions of the lastly-mentioned Act the sum of one hundred and twenty-nine pounds per annum so long as the said capital sum shall remain in our hands.

"And whereas the said capital sum of four thousand three hundred pounds sterling has been so contributed and paid as aforesaid upon the understanding and condition that we should grant out of the common fund created by the firstly hereinbefore-mentioned Act a capital sum of seven hundred pounds sterling in respect of which there shall be paid by us to the minister

or incumbent for the time being of the said proposed district or new parish when duly licensed as before-mentioned a yearly sum of twenty-one pounds, and upon the further understanding and condition that (such arrangement appearing to us to be expedient) we should recommend and propose to Your Majesty in Council that the whole right of patronage of the said district or new parish and the nomination of the minister or incumbent thereof should be assigned in the manner hereinafter set forth.

"And whereas the said grant of seven hundred pounds sterling will after the publication in the London Gazette of an Order of Your Majesty in Council ratifying this scheme be made and secured by an instrument to be executed by us the said Commissioners under our common seal in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of Her said late Majesty chapter one hundred and eleven.

"Now therefore with the consent of the Right Reverend Ernest Roland, Bishop of Chichester (in testimony whereof he has signed and sealed this scheme) we the said Ecclesiastical Commissioners humbly recommend and propose that all those portions of the said new parish of Saint John's Common and the said parish of Ditchling which are described in the schedule hereunder written all which portions together with the boundaries thereof are delineated and set forth on the map or plan hereunto annexed shall upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme as aforesaid become and be constituted a separate district for spiritual purposes and that the same shall be named 'The District of Saint Andrew Burgess Hill.'

"And we further recommend and propose that the whole right of patronage of the said district so recommended to be constituted, and when such district shall have become a new parish as aforesaid then of the said new parish and the nomination of the minister or incumbent thereof shall without any assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid be assigned to and be absolutely vested in and shall and may be exercised by the said Sampson Copestake his heirs and assigns for the first turn of presentation and that the whole remainder of such right of patronage that is to say the second and all succeeding turns of nomination and presentation shall be absolutely vested in and shall and may be exercised by the said Ernest Roland Bishop of Chichester and his successors Bishop of Chichester for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or any of them or any other Act of Parliament. "The SCHEDULE to which the foregoing Scheme has reference.

"The District of Saint Andrew Burgess Hill, comprising:—

"I. All that portion of the new parish (sometime district chapelry) of Saint John's Common in the county of Sussex and in the diocese of Chichester which is bounded upon the east partly by the hereinafter described portion of the parish of Ditchling and partly by the parish of Wivelsfield both in the said county and diocese upon the north by the new parish of Saint Wilfred Cuckfield in the said county and diocese and upon the remaining sides that is to

say upon the north-west upon the south-west and upon the south by an imaginary line commencing upon the boundary which divides the said new parish of Saint Wilfred Cuckfield from the new parish of Saint John's Common aforesaid at the centre of the bridge called or known as High-bridge which carries Rookery-lane over the main line of the London Brighton and South Coast Railway and extending thence south-westward along the middle of the said line of railway for a distance of two miles and twenty-six chains or thereabouts to the centre of Burgess Hill Bridge which carries Keymer-road over the said line of railway and extending thence south-eastward along the middle of the last-mentioned road for a distance of seven chains and a half or thereabouts to its junction with Silverdale-road and extending thence eastward along the middle of the last-named road for a distance of thirty-one chains or thereabouts to the boundary which divides the said new parish of Saint John's Common from the parish of Ditchling aforesaid.

"II. And also all that portion of the said parish of Ditchling which is bounded upon part of the north-east and upon the north by the said parish of Wivelsfield upon the west by the said new parish of Saint John's Common and upon the remaining sides that is to say upon the south upon the east and upon the remaining part of the north-east by an imaginary line commencing at the point where the boundary which divides the said new parish of Saint John's Common from the parish of Ditchling aforesaid is crossed by the middle of Folder's-lane and extending thence eastward along the middle of the last-named lane for a distance of forty-seven chains or thereabouts to its junction on Ditchling Common with the road leading from Ditchling to Wivelsfield and extending thence north-eastward along the middle of the last-mentioned road over Ditchling Common aforesaid for a distance of seventy chains or thereabouts to the junction of such road with Old Jane's-lane opposite to the Private Lunatic Asylum called Saint George's Retreat and extending thence north-westward along the middle of the last-named lane for a distance of thirteen chains or thereabouts to the point where it meets the boundary which divides the said parish of Ditchling from the parish of Wivelsfield aforesaid."

And whereas drafts of the said scheme have, in accordance with the provisions of the secondly hereinbefore mentioned Act, been transmitted to the patrons and to the Incumbents of the cures out of which it is intended that the district recommended in such scheme to be constituted shall be taken, and such patron and Incumbent have respectively signified their assent to such scheme:

And whereas the said scheme has been approved by His Majesty in Council: now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Chichester.

"Whereas the advowson of the rectory and parish church (hereinafter called the said benefice) of Saint Peter upon Cornhill in the city and diocese of London is vested in the Mayor and Commonalty and Citizens of the city of London hereinafter referred to as the said Corporation.

"And whereas the advowson of the said benefice of Saint Oswald Fulham is vested in the Right Honourable and Right Reverend Arthur Foley Bishop of London in right of his See.

"Now therefore with the consent of the said Corporation (in testimony of which consent they the said Corporation have sealed this scheme with their common seal) and with the consent of the said Arthur Foley Bishop of London (in testimony of which consent he the said Bishop has signed this scheme and sealed the same with his episcopal seal) and also with the consent of the Right Honourable and Most Reverend Frederick Archbishop of Canterbury (in testimony of which consent he the said Archbishop has signed this scheme and sealed the same with his archiepiscopal seal) we the said Ecclesiastical Commissioners for England humbly recommend and propose that upon and from the day of the publication in the London Gazette of any Order of Your

Majesty in Council ratifying this scheme and without any conveyance or assurance in the law other than such duly gazetted Order the whole advowson or perpetual right of patronage of and presentation to the said benefice of Saint Oswald Fulham shall be transferred from the said Arthur Foley Bishop of London in whom as such Bishop the same advowson or perpetual right of patronage and presentation is now vested as aforesaid and from his successors in the same See and shall thereupon become and be absolutely vested in and shall and may from time to time be fully and freely exercised by the said Corporation and their successors for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any of them or of any other Act of Parliament."

And whereas the said scheme has been approved by His Majesty in Council: now, therefore, His

Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Exeter.

A. W. FitzRoy.

At the Court at *Buckingham Palace*, the 11th day of *June*, 1902.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her late Majesty Queen Victoria, chapter one hundred and thirteen, of the Act of the sixth and seventh years of Her said late Majesty, chapter thirty-seven, and of the Act of the twenty-third and twenty-fourth years of Her said late Majesty, chapter one hundred and twenty-four, duly prepared and laid before His Majesty in Council a scheme, bearing date the first day of May, in the year one thousand nine hundred and two, in the words and figures following; that is to say:—

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the third and fourth years of Her late Majesty Queen Victoria chapter one hundred and thirteen the Act of the sixth and seventh years of Her said late Majesty chapter thirty-seven and the Act of the twenty-third and twenty-fourth years of Her said late Majesty chapter one hundred and twenty-four have prepared and now humbly lay before Your Majesty in Council the following scheme for constituting a separate district for spiritual purposes to be taken out of the parish of Felkirk in the county of York and in the diocese of York.

"Whereas we are satisfied that the said parish of Felkirk is a parish wherein or in parts whereof the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof and it has been made to appear to us that it would promote the interests of religion that the particular part of the said parish of Felkirk which is hereinafter mentioned and described should be constituted a separate district in the manner which is hereinafter set forth.

"And whereas there is not at present within the limits of the said proposed separate district any consecrated church or chapel in use for the purposes of Divine worship.

"And whereas by a certain indenture bearing date the first day of May in the year one thousand nine hundred and two and expressed to be made under the authority of the New Parishes Acts 1843 1844, and 1856 and being under the hands and seals of the Right Honourable Francis John Savile Foljambe of Osberton in the county of Nottingham a member of Your Majesty's Most Honourable Privy Council and George Savile Foljambe of Cockglode near Ollerton in the said county of Nottingham Esquire and being also under our common seal (which indenture is intended to be enrolled in the Chancery Division of Your Majesty's High Court of Justice) the said Francis John Savile Foljambe and George Savile Foljambe did for the purpose of providing an endowment for the said proposed district appoint grant and confirm unto the minister of such proposed district (so soon as a minister shall have been licensed) and unto his successors and when such proposed district shall have become a new parish under the provisions of the said Act of the sixth and seventh years of Her said late Majesty chapter thirty-seven then unto the vicar or Incumbent of the vicarage of such new parish and his successors one perpetual clear yearly rent charge or net annual sum of two hundred and fifty pounds charged upon certain hereditaments situate in or near the parishes of Wadworth and Tickhill in the West Riding of the said county of York.

"And whereas certain hereditaments situate in the said parish of Felkirk have become vested in us under the provisions and for the purposes of the hereinbefore mentioned Acts or some or one of them and we have in respect of such hereditaments agreed to pay out of our common fund created by the firstly hereinbefore mentioned Act unto the minister of the said proposed district (so soon as a minister shall have been licensed) and unto his successors and when such district shall have become a new parish as aforesaid then unto the vicar or Incumbent of the vicarage of such new parish and unto his successors a grant of fifty pounds per annum and such grant will be made by an instrument to be executed by us under our common seal in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of Her said late Majesty chapter one hundred and eleven.

"And whereas the said perpetual clear yearly rent charge or net annual sum of two hundred and fifty pounds has been so appointed granted and confirmed as aforesaid upon the understanding that (such arrangement appearing to us to be expedient) we should recommend and propose to Your Majesty in Council that the whole right of patronage of the said proposed district or (as the case may be) of the said proposed new parish and of the nomination of the minister or Incumbent thereto should be assigned to the said Francis John Savile Foljambe his heirs and assigns for ever.

"Now therefore with the consent of the Right Honourable and Most Reverend William Dalrymple Archbishop of York (in testimony whereof he has signed and sealed this scheme) we the said Ecclesiastical Commissioners humbly recommend and propose that all that part of the said parish of Felkirk which is described in the Schedule hereunder written all which part together with the boundaries thereof is delineated and set forth on the map or plan hereunto annexed shall upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme become and be constituted a separate district for spiritual purposes and that the same shall be named 'The District of Grimethorpe.'

"And we further recommend and propose that the whole right of patronage of the said proposed district and when the said district shall have become a new parish as aforesaid then of the said new parish and of the nomination of the minister or Incumbent thereto shall without any assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid be assigned to and be absolutely vested in and shall and may from time to time be exercised by the said Francis John Savile Foljambe his heirs and assigns for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or any of them or any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The District of Grimethorpe being:—

"All that part of the parish of Felkirk in the county of York and in the diocese of York which is bounded upon the west and upon the south-west by the new parish of Saint John the Baptist Cudworth in the said county and diocese upon

the south-east by the parish of Darfield in the said county and diocese and upon the remaining sides that is to say upon the north-east and upon the north by an imaginary line commencing upon the boundary which divides the said parish of Darfield from the said parish of Felkirk or in other words upon the boundary which divides the civil parish of Great Houghton from the civil parish of Brierley at the point where the hedge or fence forming the north-western boundary of West Haigh Wood is met by the fence which divides the close belonging to Mr. T. Dymond and numbered 108 upon the Ordnance map of the said civil parish of Brierley published in the year one thousand eight hundred and ninety-two upon the scale of twenty-five inches to the mile and also upon the map or plan which is annexed to this scheme from the close belonging to George Savile Foljambe Esquire and numbered 106 upon the said maps and extending thence first north-westward and then westward along the fences which divide the said close numbered 108 and the closes numbered 115, 116, 118, 119, and 95 upon the said maps from the said close numbered 106 and the closes numbered 107, 98, 117, 96, and 97 upon the said maps for a distance of forty chains and a half or thereabouts (thereby passing to the north of the site of the Hall Steads and the Old Moat) to the point upon the western side of the bridle path leading from Common-lane to the house called Brierley Manor where the fence which divides the said close numbered 95 from the said close numbered 97 meets the fence which divides the said close numbered 95 from the close numbered 94 upon the said maps, and extending thence first north-westward and then westward along the fences which divide the said close numbered 95 and the closes numbered 412 and 410 upon the said maps from the said close numbered 94 and the closes numbered 93 and 411 for a distance of thirty-two chains and a half or thereabouts (thereby passing to the south of Tom Bank Wood) to the point where the fence which divides the said close numbered 410 from the said close numbered 411 meets the fence which divides the said close numbered 410 from the close numbered 409 upon the said maps and known as Addey Bottoms and extending thence south-westward and in a straight line across the said close numbered 409 for a distance of three chains and a half or thereabouts to the point where the fence which divides the said close numbered 409 from the close belonging to Mr. John Hoyland and numbered 408 upon the said maps meets the fence which divides the said close numbered 408 from the close numbered 407 upon the said maps and extending thence first south-westward then north-westward then westward and then north-westward along the fences which divide the said close numbered 408 and the closes numbered 404, 378 and 380 upon the said maps from the said close numbered 407 and the closes numbered 406, 405, 403 and 402 for a distance of forty chains and a half or thereabouts (thereby passing to the south of the summit of Windmill Hill) to the point where the fence which divides the said close numbered 380 from the said close numbered 402 reaches the eastern side of Grimethorpe-lane and extending thence first north-westward to and then northward along the middle of the said lane for a distance of nineteen chains and a half or thereabouts to a point opposite to the south-eastern end of the fence which divides the close numbered 357 upon the said maps from the close numbered 384 upon the same maps and extending thence first north-westward then generally southward and then generally south-westward to and along the fences which divide the said close numbered 357 and

the closes numbered 356, 387, 388, 389, and 392 upon the said maps from the said close numbered 384 and from the closes numbered 386, 390, 391, 395 and 393 upon the said maps for a distance of one mile and thirteen chains or thereabouts to the point where the fence which divides the said close numbered 392 from the said close numbered 393 reaches the left bank of the stream called Grimethorpe Dyke and extending thence first westward to and then southward along the middle of the said stream (thereby following the boundary which divides the said civil parish of Brierley from the civil parish of Shafton within the said parish of Felkirk) for a distance of twelve chains and a quarter or thereabouts to the point where the said stream reaches the fence which divides the close numbered 15 upon the Ordnance map of the said civil parish of Shafton published in the year one thousand eight hundred and ninety-three upon the scale of 25 inches to a mile and upon the said map or plan which is annexed to this scheme from the close which is called Ferry Moor, is numbered 1 upon the said maps, and includes a strip of territory on the north-eastern side of Engine-lane and extending thence westward to and along the last-mentioned fence for a distance of half a chain or thereabouts to the point where such fence meets the fence or gate which divides the strips of territory on both sides of the last-named lane which are numbered 14 upon the said maps from the said close numbered 1 as aforesaid and extending thence south-westward along the last-mentioned fence or gate (thereby crossing the last-named lane) for a distance of one chain and a half or thereabouts to the point where the last-mentioned fence meets the fence which divides the close numbered 12 on the said maps from the said close numbered 1 and extending thence first south-eastward and then south-westward along the fences which divide the said close numbered 12 and the close numbered 11 upon the said maps from the said close numbered 1 and the close numbered 3 upon the said maps for a distance of twenty-two chains and a half or thereabouts to the eastern side of the line of the Dearne Valley Railway and extending thence south-westward and in a straight line for a distance of one chain or thereabouts across the said line of railway to the point where the western side of such line of railway is joined by the fence which divides the said close numbered 11 from the said close numbered 3 and extending thence first south-westward then generally northward or north-westward and then south-westward along the fences which divide the said close numbered 11 and the closes numbered 16 and 19 upon the said maps from the said close numbered 3 and the closes numbered 8, 10, 17 and 18, upon the said maps for a distance of forty-three chains or thereabouts to the boundary which divides the said parish of Felkirk from the said new parish of Saint John the Baptist Cudworth."

And whereas drafts of the said scheme have, in accordance with the provisions of the secondly hereinbefore mentioned Act, been transmitted to the patron and to the Incumbent of the parish out of which it is intended that the district recommended in such scheme to be constituted shall be taken, and such patron and Incumbent have respectively signified their assent to such scheme:

And whereas the said scheme has been approved by His Majesty in Council: now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be

effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of York.

*A. W. FitzRoy.*

At the Court at *Buckingham Palace*, the 11th day of *June*, 1902.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have in pursuance of the Act of the third and fourth years of Her late Majesty Queen Victoria chapter one hundred and thirteen, and of the Act of the forty-eighth and forty-ninth years of Her said late Majesty, chapter fifty-five duly prepared and laid before His Majesty in Council a scheme bearing date the fifteenth day of May, in the year one thousand nine hundred and two, in the words following, that is to say:—

"We the Ecclesiastical Commissioners for England acting in pursuance of the Act of the third and fourth years of Her late Majesty Queen Victoria chapter one hundred and thirteen and of the Act of the forty-eighth and forty-ninth years of Her said late Majesty chapter fifty-five have prepared and now humbly lay before Your Majesty in Council the following scheme for augmenting the incomes of the Archdeaconry of Salop the Archdeaconry of Stafford and the Archdeaconry of Stoke-upon-Trent all in the diocese of Lichfield.

"Whereas part of the income of each of the said Archdeacons of Salop Stafford and Stoke-upon-Trent has hitherto been derived from procurations synodals, visitation fees and induction fees, or some or one of these sources, and it appears to us the said Ecclesiastical Commissioners that it is undesirable that fees derived from any of these sources should continue to be received by such Archdeacons as aforesaid and such Archdeacons have discontinued to collect such fees.

"And whereas by reason of such discontinuance the income of each of such Archdeacons as aforesaid has been diminished and reduced below the yearly sum of two hundred pounds.

"And whereas it has been made to appear to us that the augmentation hereinafter recommended and proposed is required in order to raise the annual income of each of the said Archdeacons to two hundred pounds.

"Now therefore we the said Ecclesiastical Commissioners with the consent of the Honourable and Right Reverend Augustus Bishop of Lichfield (testified by his having signed and sealed this scheme) and with the consents of the Venerable Charles Bulmer Maude now Archdeacon of the said Archdeaconry of Salop the Venerable Robert Hodgson now Archdeacon of the said Archdeaconry of Stafford and the Venerable Ernald Lane now Archdeacon of the said Archdeaconry of Stoke-upon-Trent (in testimony whereof they the said Archdeacons have respectively signed and sealed this scheme) humbly recommend and propose that subject as is hereinafter mentioned, we the said Ecclesiastical Commissioners be authorized to pay by half-yearly payments on the first day of January and

the first day of July in every year out of the common fund created by the said Act of the third and fourth years of Her late Majesty Queen Victoria chapter one hundred and thirteen (firstly) to the Archdeacon of the said Archdeaconry of Salop and to his successors in the same Archdeaconry the yearly sum of thirty-four pounds in addition to the yearly sum of one hundred and sixty-six pounds now payable by us to the Archdeacon for the time being of the same Archdeaconry (secondly) to the Archdeacon of the said Archdeaconry of Stafford and to his successors in the same Archdeaconry the yearly sum of forty-three pounds in addition to the yearly sum of one hundred and fifty-seven pounds now payable by us to the Archdeacon for the time being of the same Archdeaconry and (thirdly) to the Archdeacon of the said Archdeaconry of Stoke-upon-Trent and to his successors in the same Archdeaconry the yearly sum of thirty pounds in addition to the yearly sum of one hundred and seventy pounds now payable by us to the Archdeacon for the time being of the same Archdeaconry.

At the Court at *Buckingham Palace*, the 11th day of June, 1902.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have in pursuance of the Act of the third and fourth years of Her late Majesty Queen Victoria, chapter one hundred and thirteen, and of the Act of the forty-eighth and forty-ninth years of Her said late Majesty, chapter fifty-five, duly prepared and laid before His Majesty in Council a scheme, bearing date the fifteenth day of May, in the year one thousand

nine hundred and two, in the words following, that is to say:—

"We, the Ecclesiastical Commissioners for England acting in pursuance of the Act of the third and fourth years of Her late Majesty Queen Victoria, chapter one hundred and thirteen, and of the Act of the forty-eighth and forty-ninth years of Her said late Majesty chapter fifty-five have prepared and now humbly lay before Your Majesty in Council the following scheme for augmenting the income of the Archdeaconry of Bodmin, in the diocese of Truro.

"Whereas part of the income of the said Archdeaconry of Bodmin has hitherto been derived from procurations synodals visitation fees and induction fees or some or one of these sources, and it appears to us the said Ecclesiastical Commissioners that it is undesirable that fees derived from any of these sources should continue to be received by such Archdeacon as aforesaid and such Archdeacon has discontinued to collect such fees.

"And whereas by reason of such discontinuance the income of such Archdeacon as aforesaid has been diminished and reduced below the yearly sum of two hundred pounds.

"And whereas it has been made to appear to us that the augmentation hereinafter recommended and proposed is required in order to raise the annual income of the said Archdeacon to two hundred pounds.

"Now therefore we the said Ecclesiastical Commissioners for England with the consent of the Right Reverend John Bishop of Truro (testified by his having signed and sealed this scheme) and with the consent of the Venerable Henry Houssemayne Du Boulay now Archdeacon of the said Archdeaconry of Bodmin (in testimony whereof he the said Archdeacon has signed and sealed this scheme) humbly recommend and propose that subject as is hereinafter mentioned we the said Ecclesiastical Commissioners be authorized to pay by half-yearly payments, on the first day of January, and the first day of July in every year out of the common fund created by the said Act of the third and fourth years of Her said late Majesty Queen Victoria chapter one hundred and thirteen to the Archdeacon of the said Archdeaconry of Bodmin and to his successors in the same Archdeaconry the yearly sum of twenty-eight pounds in addition to the yearly sum of one hundred and seventy-two pounds now payable by us to the Archdeacon for the time being of the same Archdeaconry.

thousand nine hundred and two, in the words and figures following, that is to say:—

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the sixth and seventh years of Her late Majesty Queen Victoria chapter thirty-seven and of the Act of the nineteenth and twentieth years of Her said late Majesty chapter one hundred and four have prepared and now humbly lay before Your Majesty in Council the following scheme for constituting a separate district for spiritual purposes to be taken partly out of the parish (sometime district under the 'Parish of Manchester Division Act 1850') of Saint Matthew, Stretford, partly out of the new parish (sometime district chapelry) of Saint Catherine Barton upon Irwell, partly out of the parish (sometime district under the said 'Parish of Manchester Division Act 1850') of Stowell Memorial Church Salford, partly out of the new parish (sometime district chapelry) of Saint Luke Weaste, and partly out of the parish of Eccles all in the county of Lancaster and in the diocese of Manchester.

"And whereas we are satisfied that an adequate and permanent maintenance for the support of the minister of the said proposed district and when the said district shall have become a new parish then for the support of the incumbent thereof will be secured as from the date of the licensing or appointment of such minister or incumbent by the payment of a sum of not less than one hundred and fifty pounds which will be annually provided out of the moneys received by us the said Ecclesiastical Commissioners under the provisions of the said 'Parish of Manchester Division Act 1850.'

Now therefore with the consent of the Right Reverend James Bishop of the said diocese of Manchester (in testimony whereof he has signed and sealed this scheme) we the said Ecclesiastical Commissioners humbly recommend and propose that all those portions of the said parish of Saint Matthew Stretford the said new parish of Saint Catherine Barton upon Irwell the said parish of Stowell Memorial Church Salford the said new parish of Saint Luke Weaste and the said parish of Eccles which are more particularly described in the schedule hereunder written and are delineated and set forth on the map or plan hereunto annexed shall upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme become and be constituted a separate district for spiritual purposes and that the same shall be named 'The District of Saint Cuthbert Old Trafford.'

"The SCHEDULE to which the foregoing Scheme has reference.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her late Majesty Queen Victoria, chapter thirty-seven, duly prepared and laid before His Majesty in Council a scheme, bearing date the twenty-ninth day of May, in the year one thousand nine hundred and two, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of Her late Majesty Queen Victoria, chapter thirty-seven, have prepared and now humbly lay before Your Majesty in Council the following scheme for constituting a separate district for spiritual purposes, to be taken partly out of the parish of Ovingham, and partly out of the new parish (sometime district chapelry) of Saint Mary Magdalene, Prudhoe, both in the county of Northumberland, and in the diocese of Newcastle.

"Whereas we are satisfied that the said parish of Ovingham and the said new parish of Saint Mary Magdalene Prudhoe are cures wherein or in parts whereof the provision for public worship and pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, and it has been made to appear to us that it would promote the interests of religion that the particular portions of the said parish of Ovingham and the said new parish of Saint Mary Magdalene Prudhoe, which are hereinafter mentioned and described, should be constituted a separate district in the manner which is hereinafter set forth.

"And whereas there is not at present within the limits of the said proposed separate district any consecrated church or chapel in use for the purposes of Divine worship.

"And whereas, for the purpose of providing an endowment for the said proposed district, Mark Archer, of Farnacres, Gateshead-on-Tyne, Colliery Owner, Richard Clayton, of Newcastle-upon-Tyne, Banker, and Robert Watson Cooper, of Newcastle-upon-Tyne, Solicitor, as the Trustees of the Charity of William Hedley, for a church parsonage and churchyard in the township of Wylam, in the parish of Ovingham, in the county of Northumberland, founded by indenture dated the twentieth day of October, in the year one thousand eight hundred and eighty-seven, acting under the authority of an Order of the Charity Commissioners for England and Wales, dated the twenty-sixth day of November, in the year one thousand nine hundred and one, have transferred to us the said Ecclesiastical Commissioners firstly a sum of eight hundred pounds Newcastle-upon-Tyne Corporation three Pounds Ten Shillings per centum per annum Stock, and secondly a sum of one thousand two hundred and eighty-five pounds fourteen shillings Liverpool Corporation Three Pounds Ten Shillings per centum per annum Stock, and thirdly a sum of three thousand eight hundred and eighty-two pounds North Eastern Railway Four pounds per centum per annum Preference Stock to be used exclusively as an endowment

fund for the said proposed district, that is to say as and for a permanent endowment for the minister for the time being of the said proposed district and so soon as the said district shall have become a new parish under the provisions of the hereinbefore mentioned Act then for the incumbent of the said new parish the amount of the annual interest and dividends to accrue due on account of the said sums of stock to be receivable by the said minister or incumbent for the time being when he shall have been duly licensed according to the provisions of the said hereinbefore mentioned Act.

"And whereas the said annual interest and dividends to accrue due on account of the said sums of stock and to be receivable by the said minister or incumbent for the time being will amount to the sum of two hundred and twenty-eight pounds.

"And whereas the authority given by the said Order of the Charity Commissioners for the transfer to us of the said sums of stock is subject to the proviso that the right of presentation to the said proposed district shall be reserved to the trustees for the time being of the said charity.

"And whereas the said sums of stock have been transferred to us the said Ecclesiastical Commissioners as aforesaid upon the understanding that (such arrangement appearing to us to be expedient) we should recommend and propose to Your Majesty in Council that the whole right of patronage of the said proposed district or (as the case may be) new parish and of the nomination of the minister or incumbent thereto should be assigned to the trustees for the time being of the said charity.

"Now therefore with the consent of the Right Reverend Edgar Bishop of the said diocese of Newcastle (in testimony whereof he has signed and sealed this scheme), we the said Ecclesiastical Commissioners humbly recommend and propose that all those portions of the said parish of Ovingham and the said new parish of Saint Mary Magdalene Prudhoe which are described in the schedule hereunder written all which portions together with the boundaries thereof are delineated and set forth on the map or plan hereunto annexed shall upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme become and be constituted a separate district for spiritual purposes and that the same shall be named 'The District of Wylam.'

"And we further recommend and propose that the whole right of patronage of the said proposed district and when the said district shall have become a new parish as aforesaid then of the said new parish and of the nomination of the minister or incumbent thereto shall without any assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid be assigned to and be absolutely vested in and shall and may from time to time be exercised by the said Mark Archer, Richard Clayton and Robert Watson Cooper as trustees of the said charity of William Hedley and by their successors trustees of the same charity for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Act or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The District of Wylam comprising:—

"I. All that portion of the parish of Ovingham in the county of Northumberland and in the diocese of Newcastle which is comprised within and is coextensive with the township or civil parish of Horsley and that portion of the township or civil parish of Wylam within which the present incumbent of the said parish of Ovingham still possesses the exclusive cure of souls.

"II. And also all that portion of the new parish (sometime district chapelry) of Saint Mary Magdalene Prudhoe in the said county and diocese which is comprised within and is co-extensive with that portion of the said township or civil parish of Wylam within which the present incumbent of the said new parish of Saint Mary Magdalene Prudhoe has the exclusive cure of souls."

And whereas drafts of the said scheme have, in accordance with the provisions of the hereinbefore mentioned Act, been transmitted to the patrons and to the incumbents of the cures out of which it is intended that the district recommended in such scheme to be constituted shall be taken, and such patrons and incumbents have respectively signified their assent to such scheme:

And whereas the said scheme has been approved by His Majesty in Council: now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Newcastle.

Parte Oficial.

Gobierno Militar de la Isla de Cuba.

No. 122.

Headquarters Department of Cuba.

*Havana, April 29, 1902.*

I, Leonard Wood, Military Governor of Cuba by virtue of the authority vested in me, direct the publication of, and hereby re-enact in such form as to enable their continued enforcement pending such action as the Congress of Cuba may take thereon, the following provisions of law relating to Quarantine which have been in force in Cuba since January 17, 1899, by authority of the President's order of that date making them applicable to Cuba.

Quarantine Laws and Regulations of Cuba.

Section I. It shall be unlawful for any merchant ship or other vessel from any foreign port or place to enter any port of Cuba except in accordance with the provisions of this order and with such rules and regulations of State and Municipal health authorities as may be made in pursuance of, or consistent with, this order; and any such vessel which shall enter, or attempt to enter, a port of Cuba in violation thereof shall forfeit to Cuba a sum, to be awarded in the discretion of the court, not exceeding five thousand dollars, which shall be a lien upon said vessel, to be recovered by proceedings in the proper court of Cuba. In all such proceedings the Public Prosecutor for such district shall appear on behalf of Cuba; and all such proceedings shall be conducted in accordance with the rules and laws governing cases of seizure of vessels for violation of the revenue laws of Cuba.

Section II. Any vessel at any foreign port clearing for any port or place in Cuba shall be required to obtain from the consul of Cuba or acting for Cuba, vice-consul, or other consular officer of Cuba at the port of departure, or from the medical officer where such officer has been detailed by the Chief Executive of Cuba, for that purpose, a bill of health, in duplicate, in the form prescribed by the Secretary of Finance, setting forth the sanitary history and condition of said vessel, and that it has in all respects complied with the rules and regulations in such cases prescribed for securing the best sanitary condition of the said vessel, its cargo, passengers, and crew; and said consular or medical officer is required, before granting such duplicate bill of health, to be satisfied that the matters and things therein stated are

true; and for his services in that behalf he shall be entitled to demand and receive such fees as shall by lawful regulation be allowed, to be accounted for as is required in other cases.

The Chief Executive of Cuba, in his discretion, is authorized to detail any medical officer of the Government to serve in the office of the consul at any foreign port for the purpose of furnishing information and making the inspection and giving the bills of health hereinbefore mentioned. Any vessel clearing and sailing from any such port without such bill of health, and entering any port of Cuba, shall forfeit to Cuba not more than five thousand dollars, the amount to be determined by the court, which shall be a lien on the same, to be recovered by proceedings in the proper court of Cuba. In all such proceedings the Public Prosecutor for such district shall appear on behalf of Cuba; and all such proceedings shall be conducted in accordance with the rules and laws governing cases of seizure of vessels for violation of the revenue laws of Cuba.

Section III. The Secretary of Finance shall, upon the recommendation of the Chief Quarantine Officer, make such additional rules and regulations as are necessary to be observed by vessels at the port of departure and on the voyage, where such vessels sail from any foreign port or place to any port or place in Cuba, to secure the best sanitary condition of such vessel, her cargo, passengers, and crew; which shall be published and communicated to and enforced by the consular officers of Cuba. None of the penalties herein imposed shall attach to any vessel or owner or officer thereof until a copy of this order, with the rules and regulations made in pursuance thereof, has been posted up in the office of the consul or other consular officer of Cuba for ten days, in the port from which said vessel sailed; and the certificate of such consul or consular officer over his official signature shall be competent evidence of such posting, in any court of Cuba.

Section IV. It shall be the duty of the Chief Quarantine Officer, under the direction of the Secretary of Finance, to perform all the duties in respect to quarantine and quarantine regulations which are provided for by this order, and to obtain information of the sanitary condition of foreign ports and places from which contagious and infectious diseases are or may be imported into Cuba, and to this end the consular officer of Cuba at such ports and places as shall be designated by the Secretary of Finance shall make to the Secretary of Finance weekly reports of the sanitary condition of the ports and places at which they are respectively stationed, according to such forms as the Secretary of Finance shall prescribe; and the Secretary of Finance shall also obtain, through all sources accessible, including State and Municipal sanitary authorities throughout Cuba, weekly reports of the sanitary condition of ports and places within Cuba, and shall prepare, publish and transmit to collectors of customs and to State and Municipal health officers and other sanitarians weekly abstracts of the consular sanitary reports and other pertinent information received by him, and shall also, as far as he may be able, by means of the voluntary co-operation of State and Municipal authorities, of public associations, and private persons, procure information relating to the climatic and other conditions affecting the public health, and shall make an annual report of his operations to Congress, with such recommendations as he may deem important to the public interest.

Section V. The Secretary of Finance shall from time to time issue to the consular officers of

Cuba and to the medical officers serving at any foreign port, and otherwise make publicly known, the rules and regulations made by him, to be used and complied with by vessels in foreign ports, for securing the best sanitary condition of such vessels, their cargoes, passengers and crew, before their departure for any port in Cuba, and in the course of the voyage; and all such other rules and regulations as shall be observed in the inspection of the same on the arrival thereof at any quarantine station at the port of destination, and for the disinfection and isolation of the same, and the treatment of cargo and persons on board, so as to prevent the introduction of cholera, yellow fever, or other contagious or infectious diseases; and it shall not be lawful for any vessel to enter said port to discharge its cargo, or land its passengers, except upon a certificate of the health officer at such quarantine station, certifying that said rules and regulations have in all respects been observed and complied with, as well on his part as on the part of the said vessel and its master, in respect to the same and to its cargo, passengers, and crew; and the master of every such vessel shall produce and deliver to the collector of customs at said port of entry, together with the other papers of the vessel, the said bills of health required to be obtained at the port of departure and the certificate herein required to be obtained from the health officer at the port of entry; and that the bills of health herein prescribed shall be considered as part of the ship's papers, and when duly certified to by the proper consular officer or other officer of Cuba, over his official signature and seal, shall be accepted as evidence of the statements therein contained in any court of Cuba.

Section VI. On the arrival of any infected vessel at any port not provided with proper facilities for the treatment of the same, the Secretary of Finance may remand said vessel, at its own expense, to the nearest national or other quarantine station, where accommodations and appliances are provided for the necessary disinfection and treatment of the vessel, passengers, and cargo; and after treatment of any infected vessel at a national quarantine station, and after certificate shall have been given by the Cuban quarantine officer at said station that the vessel, cargo, and passengers are each and all free from infectious diseases, or danger of conveying the same, said vessel shall be admitted to entry to any port of Cuba named within the certificate.

Section VII. Whenever it shall be shown to the satisfaction of the Chief Executive of Cuba that by reason of the existence of cholera or other infectious or contagious diseases in a foreign country there is serious danger of the introduction of the same into Cuba, and that notwithstanding the quarantine defence this danger is so increased by the introduction of persons or property from such country that a suspension of the right to introduce the same is demanded in the interest of the public health, the Chief Executive of Cuba shall have power to prohibit, in whole or in part, the introduction of persons and property from such countries or places as he shall designate and for such period of time as he may deem necessary.

Section VIII. There shall be purchased or erected as required, under the orders of the Chief Executive, suitable warehouses, with wharves and inclosures, where merchandise may be unladen and deposited, from any vessel which shall be subject to a quarantine or other restraint, pursuant to the health laws of the State, at such convenient places therein as the safety of the public revenue and the observance of such health laws may require.

Section IX. Whenever the cargo of a vessel is unladen at some other place than the port of entry or delivery under the foregoing provisions, all the articles of such cargo shall be deposited, at the risk of the parties concerned therein, in such public or other warehouses or inclosures as the collector shall designate, there to remain under the joint custody of such collector and of the owner, or master, or other person having charge of such vessel, until the same are entirely unladen or discharged, and until the articles so deposited may be safely removed without contravening such health laws. And when such removal is allowed, the collector having charge of such articles may grant permits to the respective owners or consignees, their factors or agents, to receive all merchandise which has been entered, and the duties accruing upon which have been paid, upon the payment by them of a reasonable rate of storage; which shall be fixed by the Secretary of Finance for all public warehouses and inclosures.

Section X. The Secretary of Finance is authorized, whenever a conformity to such quarantines and health laws requires it, and in respect to vessels subject thereto, to prolong the terms limited for the entry of the same and the report or entry of their cargoes, and to vary or dispense with any other regulations applicable to such reports or entries. No part of the cargo of any vessel shall, however, in any case, be taken out or unladen therefrom otherwise than is allowed by law, or according to the regulations hereinafter established.

Section XI. The master of any vessel employed in transporting passengers between Cuba and Europe is authorized to maintain good discipline, and such habits of cleanliness among the passengers as will tend to the preservation and promotion of health, and to that end he shall cause such regulations as he may adopt for this purpose to be posted up, before sailing, on board such vessel, in a place accessible to such passengers, and shall keep the same so posted up during the voyage. Such master shall cause the apartments occupied by such passengers to be kept at all times in a clean, healthy state; and the owners of every such vessel so employed are required to construct the decks and all parts of the apartments so that they can be thoroughly cleansed, and also to provide a safe, convenient privy or water-closet for the exclusive use of every one hundred such passengers. The master shall also, when the weather is such that the passengers can not be mustered on deck with their bedding, and at such other times as he may deem necessary, cause the deck occupied by such passengers to be cleansed with chloride of lime or some other equally efficient disinfecting agent. And for each neglect or violation of any of the provisions of this section the master and owner of any such vessel shall be severally liable to Cuba in a penalty of fifty dollars, to be recovered in any court within the jurisdiction of which such vessel may arrive or from which she is about to depart, or at any place where the owner or master may be found.

Section XII. Whenever any person shall trespass upon the grounds belonging to any quarantine reservation, such person, trespassing, shall, upon conviction thereof, pay a fine of not more than three hundred dollars, or be sentenced to imprisonment, for a period of not more than thirty days, or shall be punished by both fine and imprisonment, at the discretion of the court. And it shall be the duty of the Public Prosecutor in the district where the misdemeanour shall have been committed to take immediate cognizance of the offence, upon report made to him by any medical officer of the

Quarantine Service of Cuba, or by any officer of the customs service.

Section XIII. Any officer, or person acting as an officer, or agent of Cuba at any quarantine station, or other person employed to aid in preventing the spread of such disease, who shall wilfully violate any of the quarantine laws of Cuba, or any of the rules and regulations made and promulgated by the Secretary of Finance as provided for in Section V of this Act, or any lawful order of his superior officer or officers, shall be deemed guilty of a misdemeanor, and upon conviction shall be punished by a fine of not more than three hundred dollars or imprisonment for not more than one year, or both, in the discretion of the court.

Section XIV. When any common carrier or officer, agent, or employé of any common carrier shall wilfully violate any of the quarantine laws of Cuba, or the rules and regulations made and promulgated, as provided for in Section V of this Act, such common carrier, officer, agent, or employé shall be deemed guilty of a misdemeanour, and shall, on conviction, be punished by a fine of not more than five hundred dollars, or imprisonment for not more than two years, or both, in the discretion of the court.

Quarantine regulations to be observed at foreign ports and at sea.

The vessel should be inspected before the passengers go aboard, the passengers just before embarkation, and the crew on deck ; and no cargo or person should be allowed to come aboard after such inspection, except by permission of the officer issuing the bill of health.

Par. 2. An inspection of the vessel including the steerage, should be made by the ship's physician once each day.

Par. 3. Should cholera, (or cholerae), yellow fever, typhus fever or smallpox appear on board a ship while at sea, those who first show symptoms of these diseases will be immediately sent to the hospital; the ship's physician will then immediately notify the captain, and all of the effects liable to convey infection which have been in use will be destroyed or disinfected.

Par. 4. The compartments of those who fall sick with infectious diseases should be disinfected and, as far as possible, the compartments thus disinfected should be freely exposed to the air. If the vessel is an iron steamer and the compartments suitable, the entire compartment should be disinfected by steam. The articles liable to convey infection should remain in the compartments during the disinfection. After disinfection of the compartments, the bedding and clothing may be removed and dried.

Par. 5. Patients with infectious diseases should be isolated.

Par. 6. The hospital should be disinfected as soon as it becomes vacant.

Par. 7. The dead should be enveloped in a sheet saturated with one of the strong disinfecting solutions, without previous washing of the body, and at once placed in a coffin hermetically sealed, or buried at sea.

Par. 8. A clinical record should be kept on the prescribed form by the ship's surgeon, of all cases of sickness on board, and delivered to the quarantine officer at the port of arrival.

Par. 9. Under the foregoing paragraphs disinfecting solutions are limited to the following: Strong acid solutions of bichloride of mercury (1 to 500); a 1 to 20 solution of pure carbolic acid. Weak: acid solution of bichloride of mercury (1 to 1,000); pure carbolic acid, 1 to 40.

Par. 11. Sailing vessels leaving ports infected with yellow fever and destined for any port in Cuba, which is not provided with proper facilities for treatment, shall, during the quarantine period be directed by the consular or medical officer to proceed for disinfection and treatment to some quarantine station in Cuba provided with the required facilities.

#### ARTICLE VII.—Disinfection.

Par. 1. The disinfection of iron vessels shall be as follows:

(a) Holds.—After mechanical cleansing, the hold to be thoroughly washed with an acid solution of bichloride of mercury, 1 to 800 (mercury 1 part, hydrochloric acid 2 parts, water 800 parts), applied under pressure to all surface by means of a hose.

In case the Disinfection is required for Yellow Fever.

If the cargo is so stowed as to admit of disinfection, the hold and cargo may be disinfected without breaking bulk, by sulphur dioxide, 10 per cent. per volume strength, forty-eight hours exposure for iron and seventy-two hours for wooden vessels.

(b) Steerage and Forecastle.—The same treatment should be given the steerage and fore-castle as the hold, but when practicable, steam disinfection of these compartments should be practised. The temperature in all parts of the compartments is to be not less than 100° C.

(Temperature to be recorded.)

(c) Cabins, Officers' Quarters, Staterooms, &c.—The bedding, fabrics, and carpets should be removed and disinfected by steam. After thorough mechanical cleansing, the exposed surfaces of

fabrics, which cannot be removed, should be washed with a solution of bichloride of mercury, 1 to 1000 or 3 per cent. solution of carbolic acid, both of which should be removed, but not under two hours. Afterwards the apartments should be thoroughly dried and aired.

Par. 2. The disinfection of wooden vessels is to be accomplished as follows: After mechanical cleansing washing out the bilges until clean, etc. (first) by fumigation, by sulphur dioxide, 10 per cent. strength, twenty-four hours in the cabin and fore-castle and forty-eight hours in the hold; and (second) flushing or washing with acid solution of bichloride of mercury in large quantity (1 to 800). The bilges to be first flushed with sea water, pumped out, and then treated with the acid solution of bichloride of mercury in large quantity, allowed to remain in long contact. In addition to the sulphur fumigation of such apartments, the cabins, fore-castle and other apartments, and their contents to be treated as those on iron vessels.

#### Cargo.

Par. 3. Disinfection of rags and old jute, &c., shall be by one of the following methods:

(a) By boiling in water for not less than thirty minutes.

(b) By steam at the temperature of 100 C. for not less than thirty minutes after such temperature is reached.

(c) By exposure for not less than six hours in a closed compartment to a 4 per cent. strength (per volume) of sulphur dioxide gas, made by burning roll sulphur, or by the liberation of liquefied sulphur dioxide—allowance to be made for leakage by increasing the amount of sulphur.

Par. 4. In all the above methods the rags, old jute, etc., must be unbaled, and in the disinfection by steam or sulphur, the rags must be loosely spread on racks (preferably wire netting) in layers of not more than 6 inches in depth, and in such a manner as to insure the diffusion of the gas to all parts alike.

The articles must not at any time occupy more than 50 per cent. of the total cubic space, and the exposure to date from the complete combustion of the sulphur.

Par. 5. New feathers for bedding shall be disinfected by one of the following methods:

(a) By steam at a temperature of 100 C. for a period of thirty minutes after such temperature has been reached.

(b) By exposure to sulphur dioxide, 4 per cent. strength, per volume, for not less than six hours.

Par. 6. Human hair or other hair, unmanufactured, and bristles to be disinfected by sulphur dioxide, 4 per cent. strength, per volume, six hours, or if not clean, by a solution of pure carbolic acid, 4 per cent. strength, the articles to be thoroughly saturated.

Par. 7. Wool to be disinfected by sulphur dioxide, 4 per cent. strength, per volume, for not less than twenty hours, the wool to be unbaled and loosely spread on racks, as in the manner provided for the disinfection of rags.

Par. 8. Hides to be disinfected by sulphur dioxide, 4 per cent. strength, per volume, for not less than twenty hours, or by thorough saturation with a solution of pure carbolic acid, 4 per cent. strength; hides to be invariably unbaled for the purpose.

(Polished metal is injured by mercury and leather by steam.)

Par. 9. Articles mentioned in paragraph 10, Article 4, should be disinfected by being spread on racks and exposed to sulphur dioxide, 4 per cent. per volume; twenty hours.

Par. 10. Coverings should be disinfected:

(a) In the hold by exposure to sulphur dioxide 10 per cent. strength, per volume, for twelve hours: the cargo being so stowed as to allow access to all parts of such surfaces.

(b) By breaking bulk and exposure to sulphur dioxide, 4 per cent. strength, per volume, for twenty-four hours.

(c) By wetting thoroughly with solution of bichloride of mercury, 1 to 800.

Par. 11. The disinfection of personal effects prescribed by these regulations should be as follows:

(4) Clothing and bedding should be disinfected by:

(1) Exposure to steam from 100 to 102 C. for thirty minutes after such temperature is reached, or by boiling for thirty minutes.

(2) Immersion in bichloride solution, 1 to 800, or solution of pure carbolic acid 3 per cent. until thoroughly wetted and allowed to dry before washing. This last process (2) to be used only for articles that will be injured by steam or boiling.

(B) Cooking and eating utensils should be immersed in boiling water.

Note.—A 4 per cent. per volume strength of sulphur dioxide can be obtained by burning not less than 4 pounds 2 ounces of sulphur to each 1,000 cubic feet of space; the compartment to be air-tight.

A 10 per cent. per volume strength can only be obtained by one of the following methods: By the use of a special furnace, or by liquefied sulphur dioxide gas.

#### ARTICLE VIII.—Records, Reports, &c.

The officer making the inspection will preserve in his office a record of each inspection made. A copy of said record will be forwarded weekly to the Chief Officer of Quarantine Service at Havana, Cuba.

In addition to the duties already prescribed, the medical officer, when detailed in accordance with this Order shall furnish such reports to the Chief Officer of Quarantine as may be required by the latter.

Regulations at ports infected or suspected of being infected with plague.

At foreign ports and places infected or suspected of being infected with plague, the Cuban Quarantine Regulations relating to cholera shall be observed with regard to vessels and cargoes bound to Cuba. Passengers and crews of said vessels who have been exposed to the infection, or are liable to convey the disease, shall be detained a period of not less than fifteen days from the last possible exposure to infection, under the same regulations as those relating to cholera.

The use of these disinfecting solutions does not preclude the additional use of hypochlorite of lime.

**Quarantine Regulations to be observed at ports of Cuba.****Preamble.**

Par. 1. At or convenient to the principal ports of Cuba quarantine stations should be equipped with all appliances for the inspection and treatment of vessels, their passengers, crews and cargoes.

Par. 2. At all other ports where such provisions have not been made, inspection stations should be maintained.

Par. 3. An inspection service should be maintained at every port throughout the year.

Par. 4. At a fully equipped quarantine station there should be adequate provision for boarding and inspection, apparatus for mechanical cleaning of vessels, apparatus for steam disinfection, apparatus for disinfection with sulphur dioxide, apparatus for disinfecting solutions, hospitals for contagious and doubtful cases, detention barracks for suspects, bathing facilities, crematory, and sufficient supply of good water.

Par. 5. The personnel of quarantine stations should be immune against yellow fever.

Par. 6. Vessels having been treated at national quarantine stations that are located a considerable distance from the ports of entry of said vessels, may be inspected by the local quarantine officer, and if for any sanitary reason it is considered advisable to admit the vessel, he should report the facts immediately, by telegraph when possible, to the Chief Officer of Quarantine Service, detaining the vessel pending his action.

**ARTICLE I.—Inspection.**

Par. 1. Vessels arriving at ports of Cuba under the following conditions shall be inspected by a quarantine officer prior to entry:

A. Any vessel with sickness on board.

B. All vessels from foreign ports.

C. Vessels from domestic ports where cholera or yellow fever prevails, or where small-pox or typhus fever prevails in epidemic form.

D. Vessels from foreign ports carrying passengers having entered a port of Cuba without complete discharge of passengers and cargo. Such vessels shall be subject to a second inspection before entering any other port.

Par. 2. The inspections of vessels required by these regulations shall be made by daylight, except in case of vessels in distress.

Par. 3. In making the inspection of a vessel, the bill of health and clinical record of all cases treated during the voyage, crew and passengers' lists and manifests, and, when necessary, the ship's log shall be examined. The crew and passengers shall be mustered and examined and com-

pared with the lists and manifests, and any discrepancies investigated.

Par. 4. No person except the quarantine officer, his employes, Cuban customs officers or agents, of the vessel, shall be permitted to board the vessel subject to quarantine inspection until after the vessel has been inspected by the quarantine officer and given its discharge.

Par. 5. Tugboats or any other vessels having had communication with vessels subject to inspection shall be themselves subject to inspection.

**ARTICLE II.—Quarantine.**

Par. 1. For the purpose of these regulations, the quarantinable diseases are cholera (cholerae), yellow fever, small-pox, typhus fever, leprosy and plague.

Par. 2. Vessels arriving under the following conditions shall be placed in quarantine:

A. With quarantinable diseases on board.

B. Having had such on board during the voyage or within thirty days next preceding arrival; or, if arriving in the quarantine season, having had yellow fever on board after March 1 of the current year, unless satisfactorily disinfected thereafter.

C. From ports infected with cholera; or where typhus fever prevails in epidemic form, coming directly or via another foreign port, or via Cuban ports, unless they have complied with Cuban quarantine regulations for foreign ports; also vessels from non-infected ports, but bringing persons or cargo from places infected with cholera, yellow fever, or where typhus fever prevails in epidemic form, except as subsequently noted.

D. From ports where yellow fever prevails, unless disinfected in accordance with these regulations and not less than five days have elapsed since such disinfection.

E. Tugboats and other vessels having had communication with vessels subject to quarantine shall be quarantined if they have been exposed to infection.

**Exceptions.**—The following exception may be made to Rules C and D with regard to vessels from ports quarantined against on account of yellow fever.

Vessels bound for ports in Cuba with good sanitary condition and history, having had no sickness on board at ports of departure, en route or on arrival, provided they have been five days from last infected or suspected port, may be allowed entry at port of destination.

Par. 3. When a vessel arrives having had small-pox on board, all persons must submit to vaccination or show satisfactory evidence of recent vaccination or of having had smallpox; or be detained in quarantine not less than fourteen days.

**ARTICLE III.—General Requirements at Quarantines.**

Par. 1. Pilots bringing infected vessels will be detained in quarantine a sufficient time to cover the period of incubation of the disease for which the vessel is quarantined, if, in the opinion of the quarantine officer, such pilots have been exposed to infection. The dunnage of pilots shall be disinfected when necessary.

Par. 2. No direct communication shall be allowed between quarantine, or any vessel in quarantine, and any person or place outside, and no communication, except under the supervision of the quarantine officer.

Par. 3. No ballast shall be allowed to leave the quarantine station unless disinfected.

Par. 4. Where it is impossible to disinfect cargo *in situ*, it shall be removed and disinfected in the manner provided for articles of their class in these regulations; such articles to be unpacked and so arranged as to allow the disinfectant used to reach every part of all surfaces of said articles.

Par. 5. Vessels arriving at any port of Cuba having cholera or yellow fever aboard during the quarantine season shall be remanded to an anchorage set apart for infected vessels, and there to remain until after the discharge of the passengers and purification of the vessel.

Par. 6. All passenger baggage disinfected under the requirements of these regulations shall be labeled.

Par. 7. All bedding provided for steerage passengers must be destroyed or be disinfected before being landed. Bedticking or other covering of mattresses and pillows used by passengers or crew shall not be landed unless disinfected at the quarantine station in accordance with these regulations, and tagged with labels certifying to said disinfection.

#### ARTICLE IV.—Treatment in Quarantine of Cholera Infected Vessels.

Par. 1. Remove all passengers from the vessel and all of the crew (if cholera has occurred on board) save those necessary to care for her. Place the sick in hospital and carefully isolate those specially suspected. Segregate the remainder in small groups. No communication shall be held between these groups. Those believed to be especially capable of conveying infection must not enter the barracks until they are bathed and furnished with sterile clothing; nor shall any material capable of conveying infection be taken into the barracks, especially food.

Par. 2. If cholera has occurred in the steerage, all occupants thereof must be bathed and their clothing disinfected.

Par. 3. At once proceed with the disinfection of the hand baggage.

Par. 4. All baggage and effects accompanying steerage passengers, any other baggage or effects that may have been exposed to infection, must be disinfected.

Par. 5. Such articles of cargo as are liable to convey infection must be disinfected.

Par. 6. All living apartments and furniture and such other portions of a vessel as are liable to convey infection shall be disinfected.

Par. 7. On cholera-infected vessels the water supply must be changed without delay, the casks of tanks disinfected by steam or 10 per cent. solution of potassium permanganate, and after thoroughly rinsing from a source of undoubted purity, or the water supply refilled must have been recently boiled.

Par. 8. Nothing shall be thrown overboard from a cholera-infected vessel, not even deck sweepings. Such things shall be burned in the furnace or in a place specially designated, but not in the galley.

#### ARTICLE V.—Disinfection, etc.

Par. 1. Holds.—The disinfection of iron vessels shall be as follows:

(a) With cargo: If cargo is so stowed as to admit of disinfection, it and the hold must be disinfected without breaking bulk, except to such a degree as to make disinfection practicable, by sulphur dioxide, 10 per cent per volume strength, for not less than twenty-four hours exposure.

(b) Without cargo: After mechanical cleansing the hold (1) to be thoroughly washed with an acid solution of bichloride of mercury, 1 to 800 (mercury 1 part, hydrochloric acid 2 parts, water 800

parts), applied to all surfaces under pressure by means of a hose; (2) by sulphur dioxide, 10 per cent. per volume strength, for twenty-four hours.

Par. 2. Steerage and fore-castle. When possible to obtain it.

(a) The steerage and fore-castle shall be disinfected by steam; the temperature in all parts of these compartments to be not less than 100 degrees C. for not less than thirty minutes after such temperature has been reached.

(b) When steam cannot be obtained these compartments shall be treated in the same manner as required in the disinfection of the empty hold.

Par. 3. All beddings and furnishings of the steerage and fore-castle to be left in place during the disinfection by steam.

If steam disinfection of steerage is not used, such articles must be removed under the strictest sanitary precautions for disinfection, by steam or burning.

Par. 4. The bedding, fabrics, and carpets should be removed and disinfected by steam or by boiling. After thorough mechanical cleansing the woodwork and all other exposed surfaces shall be washed with an acid solution of bichloride of pure mercury, 1 to 1,000, or a 3 per cent solution of pure carbolic acid.

Par. 5. The water ballast of a vessel coming from a cholera-infected port should be discharged at sea, or, if discharged in fresh or brackish water, must be previously disinfected. The tanks to be flushed and refilled with sea water or disinfected.

6. For a wooden vessel the treatment is as above, except that exposure of the hold and living apartments to sulphur dioxide, 10 per cent volume, must precede the other treatment. This exposure must be, for the hold, forty-eight hours, and for living apartments twelve hours.

Par. 7. All solid ballast, on vessels infected with, or suspected of being infected with cholera, to be discharged or disinfected previous to disinfection of hold; all such ballast discharged in fresh water to be disinfected by saturation with, or immersion in, an acid solution of bichloride of mercury, 1 to 800.

Clear, hard, close-grained rock may be permitted to remain on board, but only after disinfection by immersion in an acid solution, 1 to 800 of bichloride of mercury. Ballast removed from vessels infected with, or suspected of being infected with cholera, must not be taken from the quarantine station.

Par. 8. Disinfection of steerage, fore-castle and cabin of vessels by formaldehyd gas. After the removal of the bedding, carpets, and furnishings, all apertures being tightly closed, the steerage, fore-castle, and cabin of a vessel may be disinfected by formaldehyd gas in a percentage of not less than two per cent. per volume strength, the time of exposure to be not less than twelve hours. The gas may be generated by one of the following methods:

(a) From a mixture containing formalin 100 parts, calcium chloride of sodium nitrate 20 parts, and glycerine 10 parts.

The gas is evolved from this solution by heating it in a special boiler, autoclave, or formaldehyd generator.

One liter of a 40 per cent. solution of formaldehyd gas will evolve about 1,425 liters (50, 1 cubic feet) of the gas at 20 degrees C. (68 degrees F.), and will be sufficient for 71 cubic meters (2,505 cubic feet) of space.

(b) From the substance known as trioxymethylene by means of a special lamp, not less than 2 grams (30 grains) to be used for each cubic meter (35.29) cubic feet of space.

After the disinfection of apartments (steerage, cabin and fore-castle) by formaldehyd gas, the latter may be neutralized by ammonia gas, evolved from water of ammonia by heat, or by evaporation from water of ammonia (1) sprinkled upon the floor.

Par. 9. Disinfection of clothing, bedding, upholstered furniture, articles of leather, etc., by formaldehyd gas. These may be disinfected by formaldehyd gas in the ordinary jacketed steam-disinfecting chamber, the latter to be provided with a vacuum apparatus and special apparatus for generating and applying the gas.

Raise and maintain the temperature of the chamber at 90 degrees C. by the use of steam in the jacket.

The number of cubic centimeters of the formalin mixture to be used may be found by dividing the capacity of the chamber in liters by 4; v.g. a chamber of 2,500 liters capacity would require 625 c. c. of the mixture. The time of exposure should not be less than thirty minutes. Clothing, bedding, etc., thus disinfected, should be exposed in situ to equal amount of ammonia gas generated by the special apparatus attached to the chamber, using one-half as much water of ammonia as formalin.

#### ARTICLE VI.—Detention of Passengers on Account of Cholera.

Par. 1. The people detained shall be inspected by the physician twice daily, and be under his constant surveillance, and no intercourse will be allowed between different groups while in quarantine.

Par. 2. No direct communication shall be allowed between any person detained in quarantine and anyone not in quarantine except through the quarantine officer, or by his order, through his agents.

Par. 3. The water and food supply will be strictly guarded to prevent contamination, and issued to each group separately.

Par. 4. Food of a simple character, sufficient in quantity, thoroughly cooked, shall be issued to those detained in quarantine. No fruit shall be permitted.

Par. 5. Cleanliness of quarters and of person shall be enjoined and enforced daily. Disinfectants shall be used where there is any possibility of infection.

Par. 6. Water-closets, urinals, privies, or troughs shall be provided, and their contents disinfected before officer, or they are discharged.

Par. 7. In any group in which cholera appears, the sick will be immediately isolated in hospital, and the remaining persons in the group shall be bathed and their effects be disinfected, then removed to other quarters, if possible, and the compartment disinfected.

Par. 8. No direct communication shall be allowed between the physician and attendants of the hospital and those detained in quarantine.

No person shall be discharged from quarantine until five days have elapsed since the last exposure to infection and a final disinfection of such effects as were taken to barracks.

No convalescent from cholera shall be discharged from quarantine until after a sufficient time has elapsed to insure his freedom from infection. To be determined by bacteriological examination.

Par. 9. The body of no person dead of cholera shall be allowed to pass through quarantine. The body should be cremated, if practicable. If not, it should be wrapped, without preliminary washing, in a sheet saturated with a solution of bichloride of mercury, 1 to 500, and buried, surrounded by caustic lime.

#### ARTICLE VII.—Disinfection of Personal Effects of Passengers and Crew and Cargo.

Par. 1. Clothing, bedding, and articles not injured by steam shall be disinfected:—

(a.) By exposure to steam at a temperature of 100 to 102 degrees C. for 30 minutes after such a temperature has been reached.

(b.) By boiling for fifteen minutes; all articles to be submerged.

(c.) By a thorough saturation in a solution of bichloride of mercury, 1 to 1000, and allowed to dry before washing.

Par. 2. Articles injured by steam (rubber, leather, etc.), and containers to the disinfection of which steam is inapplicable, shall be disinfected by thoroughly wetting all surfaces with a solution of bichloride of mercury, 1 to 800, or a 5 per cent. solution of carboic acid, and allowed to dry in open air.

Par. 3. Cooking and eating utensils, by immersing in boiling water or steam.

Par. 4. All rags and old textile fabrics, used in the manufacture of paper, and old gunny, old jute, etc., fit only for remanufacture, gathered, collected, packed, or handled in any port or place where cholera (cholera) or yellow fever exists, or where smallpox or typhus fever prevails in epidemic form, and for thirty days after the port or place shall be officially declared free from such diseases or epidemic, shall be denied entry into any port of Cuba.

(1) The quantity of water of ammonia required for neutralization after each of the above named methods is as follows: After method (a), one-half liter (0.52 quarts) of water of ammonia for each liter (1.04 quarts) of formalin; after method (b), one-half liter of water of ammonia for each 150 grams (5 ounces) of trioxymethylene.

Par. 5. No rags or old textile fabrics used in the manufacture of paper, or articles enumerated in the preceding paragraph, which have not been disinfected in accordance with Article VII, paragraph 3, of the Cuban Quarantine Regulations for foreign ports, shall be admitted into Cuba.

(Old jute bags, old cotton bags, old rope, new cotton and linen cuttings from fabrics not included.)

Par. 6. All unlabeled baggage of steerage passengers, including hand baggage, and all labeled baggage of said passengers, which in the opinion of the quarantine officer should be disinfected or re-disinfected, arriving from oriental ports shall be disinfected before being landed.

This regulation will also apply to any other baggage which the quarantine officer may suspect of being infected.

#### ARTICLE VIII.—Treatment of Vessels Infected or Suspected of Being Infected with Yellow Fever.

Par. 1. Where practicable, at once remove the sick to hospital; remove and isolate all persons not required for the care of the vessel.

Par. 2. If the hold is deemed infected, there shall be a preliminary disinfection as hereinafter provided.

Par. 3. The bilge should be cleansed with sea water, if possible, before disinfection, and the hold rendered mechanically clean.

Par. 4. All ballast, except close grained, hard rock, must be discharged. This may be retained aboard if disinfected by immersion in an acid solution of bichloride of mercury, 1 to 800.

Par. 5. After discharge or disinfection of ballast the vessel should be disinfected.

Par. 6. If it is so stowed as to admit the disinfection, the cargo and the hold may be disinfected without breaking bulk, except to such a degree as to render disinfection practicable.

It shall be as follows:

Holds to be treated with sulphur dioxide, 10 per cent. strength per volume, forty-eight hours exposure for iron vessels, seventy-two hours exposure for wooden vessels.

Para. 7. Empty holds to be disinfected as follows:

(a.) If of iron, by sulphur dioxide gas, 10 per cent. strength per volume, for twelve hours exposure, or by washing with a solution of bichloride of mercury, 1 to 800, applied under pressure to all surfaces by means of a hose.

(b.) If of wood, by both of the preceding methods, save that the exposure to sulphur dioxide gas shall be for twenty-four hours, air streaks to be open; the use of the gas to precede the use of the mercuric solution.

Par. 8. Cabin, fore-castle, etc., after mechanical cleansing, to be first treated with sulphur dioxide, not less than 6 per cent. strength per volume, twenty-four hours exposure. Then (after cleansing with water, if desired) wash all exposed surfaces with a solution of bichloride of mercury, 1 to 800, or pure carbolic acid, 3 per cent.

Par. 9. Clothing, bedding, and all fabrics which can be removed, not injured by steam, shall be disinfected.

(a.) By exposure to steam at a temperature of 100 to 102 degrees C. for thirty minutes after such temperature has been reached.

(b.) By boiling for fifteen minutes; all articles to be submerged.

(c.) By a thorough saturation in a solution of bichloride of mercury, 1 to 1,000, and allowed to dry before washing.

Par. 10. Articles injured by steam (rubber, leather, etc.), and containers, to the disinfection of which steam is inapplicable, shall be disinfected by (a) thoroughly wetting all surfaces with a solution of bichloride of mercury, 1 to 800, or a 5 per cent. solution of bichloride of pure carbolic acid, and allowed to dry in open air; or (b) by exposure to the sulphur fumigation, in cabin, fore-castle, or hold, or by method prescribed in Article V, paragraphs 8 and 9.

Par. 11. The personnel of the vessel shall be detained five days from the completion of the disinfection, or three days if all baggage, effects of passengers and crew, and the vessel are handled exclusively by quarantine employees.

Par. 12. If the vessel has been disinfected under the supervision of an accredited medical officer of Cuba at the port of departure, the period of quarantine may date from completion of such disinfection, and shall not be less than five days.

#### ARTICLE IX.

Passenger traffic may be allowed from any port infected with yellow fever to any port of Cuba under the following conditions:

(a) Vessels to be clean immediately prior to taking on passengers.

(b) The vessel must lie at moorings in the open harbour and not approach the wharves, nor must the crew be allowed ashore at the port of departure.

(c) All passengers and crew must be immune to yellow fever, and so certified by the Cuban Medical Officer.

The evidence of immunity which may be accepted by the sanitary inspector is: First, proof of continued residence in an endemic focus of yellow fever for ten years. Second, proof of previous attack of yellow fever.

(d) Non immune passengers arriving in Cuba from ports infected with yellow fever or other quarantinable disease will, at the discretion of the Chief Quarantine Officer of Cuba, be detained under observation in quarantine a sufficient length of time to cover the incubative period of the disease.

#### ARTICLE X.
