WHEREAS by the eleventh section of the Volunteer Act, 1863, it is, amongst other things, enacted that "Her Majesty in

"Council may, from time to time, declare what is requisite to entitle a Volunteer to be deemed an efficient Volunteer by an Order in Council defining for that purpose the extent of attendance at drill to be given by the Volunteer, and the course of instruction to be gone through by him, and the degree of proficiency in drill and instruction to be attained by him and his Corps, such proficiency to be judged of by the Inspecting Officer at the Annual Inspection of the Corps, or otherwise, as by Order in Council is from time to time directed"; and that the draft of any Scheme to be from time to time submitted to Her Majesty in Council for approval under the present section shall have been laid before both Houses of Parliament for one lunar month at least, either before or after, or partly before and partly after, the passing of this Act during the present or for the like period during any subsequent Session of Parliament, before such Scheme receives the approval of Her Majesty in Council":

And whereas it is deemed expedient that the Order in Council bearing date the fourth November, one thousand nine hundred and one, and likewise that portion of the Order in Council of the twentieth October, one thousand eight hundred and ninety-eight, unrepealed thereby, declaring what is requisite to entitle a Volunteer to be deemed an efficient Volunteer be cancelled, and that a fresh Order be made in the terms set forth in the Schedule to this Order annexed:

And whereas a draft of the Scheme to be attached to the proposed fresh Order was on the fifth and sixth days of June last laid before both Houses of Parliament in the words mentioned and set forth in the Schedule to this Order annexed, and, one lunar month having elapsed since that time, the proposed Scheme hath this day been submitted to His Majesty in Council for His approval thereof:

Now, therefore, His Majesty, having this day taken the said Scheme into consideration, doth, in pursuance and exercise of the power in His Majesty by the said Act of Parliament in that behalf vested, and by and with the advice of His Privy Council, hereby direct the substitution of the said draft Scheme, forming the Schedule to this Order, for the aforesaid Order in Council of the fourth November, one thousand nine hundred and one, and for that portion of the Order in Council of twentieth October, one thousand eight hundred and ninety-eight, unrepealed thereby; and doth also direct the cancellation of the Order in Council and the unrepealed portion of the Order in Council last named.

A. W. FitzRoy.

SCHEDULE referred to in the foregoing Order:—

To substitute the accompanying "Scheme relative to and Certificates of Efficiency" for the corresponding scheme and certificates now in force—

1. A Volunteer who is a member of a Corps on the first November in any year shall be entitled to be deemed an efficient Volunteer during the ensuing twelve months if, subject to the conditions hereinafter prescribed, he has during the preceding year fulfilled the requirements stated in the schedule hereto in accordance with regulations made by one of Our Principal Secretaries of State.

2. Where the situation and circumstances of any Volunteer Corps in any particular year are such as, in the opinion of the Secretary of State, to create serious obstacles to the fulfilment by any of the Volunteers belonging to that Corps of the requirements for efficiency, the Secretary of State shall have power to relax or dispense with one or more of the requirements from any of the Volunteers belonging to such Corps in such year, or to substitute equivalent conditions of efficiency.

3. Where any Corps shall have been precluded by an epidemic from complying with the requirements herein prescribed, or shall in the first year of its service have encountered exceptional difficulties in the completion of its organization and efficiency of its members, it shall be competent to the Secretary of State to modify or dispense with, so far as applies to such year of service, the stipulated conditions of efficiency of any members of such Corps.

4. No Corps, except as specified hereunder, will be exempted by the Commander-in-Chief from attending camp, unless for very special reasons, and exemption for two consecutive years will never be granted unless exceptional reasons justify the Secretary of State in specially exercising his power under Articles two and three hereof.

The following Corps are not obliged to attend camp, but are liable to the extra attendances in lieu:—

1st Orkney Royal Garrison Artillery Volunteers.

7th (Isle of Man) Volunteer Battalion, Liverpool Regiment.

7th Volunteer Battalion, Gordon Highlanders.

5. No Volunteer who is absent from the annual inspection of his corps, except in case of sickness duly certified, or by leave granted in writing for special cause by the commanding officer, shall be entitled to be deemed efficient.

6. Where a corps is by its own default not inspected during the year, or where the officer inspecting a Volunteer Corps at the annual inspection in any year reports that the Corps is not efficient in training and instruction to his satisfaction, or that irregularities have occurred in its training and administration, then notwithstanding anything hereinbefore provided, the Secretary of State shall have power to direct that none of the Volunteers belonging to the Corps shall be deemed efficient.

7. The commanding officer, or the inspecting officer, shall have power to direct that a Volunteer shall be deemed non-efficient if he considers it proper to do so, on account of the want of efficiency of that Volunteer, or on account of his arms or equipment being in bad order and condition.

8. Terms used in this Order, or in the schedule hereto, have the same meanings as they have when used in the Volunteer Act, 1863.

The term "recruit" used in the schedule shall not include a Volunteer who has served for two months in the Royal Navy, Regular Army, Army Reserve, Royal Marines, or Royal Irish Constabulary, or has attended the preliminary drill, or drill on enlistment, or annual training of a Militia unit, or has performed one year's efficient service in the Imperial Yeomanry, the Volunteers, or the permanent forces of a Colony, or in the year immediately preceding his enrolment has attended as a member of a cadet corps or cadet battalion, sanctioned by the Secretary of State, the number of drills prescribed for the arm of the service which he has joined.

Recruits who join too late in any year to become efficient therein, may be allowed to reckon attendances made before first November towards the number required for efficiency in the following year.

WHEREAS the Ecclesiastical Commissioners for England have in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth chapter seventy-seven, and of the Act of the fifth year of Her late Majesty Queen Victoria (session two) chapter twenty-six, duly prepared and laid before His Majesty in Council a scheme bearing date the nineteenth day of June, in the year one thousand nine hundred and two, in the words following, that is to say :—

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven, and of the Act of the fifth year of Her late Majesty Queen Victoria (session two) chapter twenty-six have prepared and now humbly lay before Your Majesty in Council the following scheme for authorizing certain additions and improvements at the episcopal residence belonging to the See of Durham which is known as Auckland Castle.

"Whereas the Right Reverend Handley Carr Glyn now Bishop of the diocese of Durham is desirous that certain alterations and improvements should be made at the said episcopal residence and has submitted to us the particulars of such proposed alterations and improvements and we have approved the same.

"And whereas the said Bishop is also desirous and it appears to us to be expedient that towards the cost of effecting the said proposed alterations and improvements a sum of two thousand five hundred pounds (being a sum which does not exceed two years' income of the See) should be provided by borrowing such sum by way of mortgage upon the security of all and every part of the lands tenements and hereditaments endowments or emoluments which now belong or may hereafter belong to the Bishoprick of Durham.

"Now therefore with the consent of the said Handley Carr Glyn Bishop of the said diocese of Durham (testified by his having affixed his signature and episcopal seal to this scheme) we the said Ecclesiastical Commissioners for England humbly recommend and propose that the said Bishop be authorized to borrow from the Governors of the Bounty of Queen Anne and that the said Governors be empowered to lend under the provisions of the above-mentioned Acts any sum not exceeding two thousand five hundred pounds and that as a security for the same the said Bishop do mortgage all and every part of the lands tenements and hereditaments and endowments or emoluments which now belong or may hereafter belong to his said See to the said Governors by deed for the term of twenty-two years or until the said sum so to be borrowed as aforesaid with the interest for the same as hereinafter mentioned and all costs and charges which may attend the recovery thereof shall be fully paid and satisfied and that such principal sum shall be repaid with interest in manner following that is to say during and in respect of the first period of twelve months of the said term computed from the day of the date of the mortgage no part of the said principal sum shall be repayable but the said Bishop or his successors shall yearly at the end of the second period of twelve months so computed and at the end of every such like period of twelve months thereafter pay to the said Governors their successors or assigns one twentieth part

of the said principal sum until the whole thereof shall be repaid and shall also at the end of the first and each succeeding period of twelve months computed as aforesaid pay interest at the rate of four pounds per centum per annum on the said principal sum or on so much thereof as shall from time to time remain unpaid: and that if and when it shall happen that either the principal or the interest directed to be paid as hereinbefore mentioned shall be in arrear and unpaid for the space of forty days after the same shall become due, it shall and may be lawful for the said Governors their successors and assigns to recover the same and the costs and charges attending the recovery thereof by distress and sale in the like manner as rents may be recovered by landlords or lessors from their tenants by the laws in force at the time of such distress and sale and that such mortgage deed shall be in the form and to the effect to be approved by us the said Ecclesiastical Commissioners and shall bind as well the said Handley Carr Glyn now Bishop of the said diocese of Durham as every succeeding Bishop of the same diocese until the principal money and interest costs and charges shall have been paid off and discharged.

"And we further recommend and propose that the said sum so to be borrowed as aforesaid shall be paid to us the said Ecclesiastical Commissioners and that the receipt of our Joint Treasurers for the time being indorsed on the said mortgage deed shall be a good and sufficient discharge of the said Governors and their successors for the same who shall not be bound or required to see to the application thereof and that upon the receipt of the said sum so to be borrowed as aforesaid the whole or any part or parts thereof shall be applied by us at such times and in such manner as shall appear to us to be expedient towards effecting the said proposed additions and improvements at the episcopal residence aforesaid.

"And we further recommend and propose that the Bishop of Durham for the time being shall insure against loss or damage by fire and keep insured the said episcopal residence the said insurance to be for a sum of not less than thirty thousand pounds and to be effected in one or more of the public offices of insurance in London or Westminster to be approved by us and that in case of loss or damage by fire to the same episcopal residence the moneys receivable in respect of the said insurance shall be paid over to us by the said Bishop and shall with any interest or accumulations thereon be applied by us in rebuilding or repairing the same episcopal residence with the concurrence of the said Bishop.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in conformity with the provisions of the hereinbefore mentioned Acts or of either of them or of any other Act of Parliament."

And whereas the said scheme has been approved by His Majesty in Council: now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Durham.

A. W. FitzRoy.

At the Court at *Buckingham Palace*, the 11 day of *August*, 1902.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her late Majesty Queen Victoria, chapter thirty-seven, duly prepared and laid before His Majesty in Council a scheme, bearing date the nineteenth day of June, in the year one thousand nine hundred and two, in the words following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of Her late Majesty Queen Victoria chapter thirty-seven have prepared and now humbly lay before Your Majesty in Council the following scheme for constituting a separate district for spiritual purposes to be taken partly out of the chapelry of Holbeck partly out of the chapelry of Beeston and partly out of the new parish (sometime consolidated chapelry) of Saint Luke the Evangelist Beeston Hill all in the county of York and in the diocese of Ripon.

"Whereas we are satisfied that the said chapelry of Holbeck the said chapelry of Beeston and the said new parish of Saint Luke the Evangelist Beeston Hill are cures wherein or in parts whereof the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof and it has been made to appear to us that it would promote the interests of religion that the particular portions of the said chapelry of Holbeck the said chapelry of Beeston and the said new parish of Saint Luke the Evangelist Beeston Hill which are hereinafter mentioned and described should be constituted a separate district in the manner which is hereinafter set forth.

"And whereas there is not at present within the limits of the said proposed separate district any consecrated church or chapel in use for the purposes of Divine worship.

"And whereas for the purpose of providing an endowment for the said proposed district the Honourable Emily Charlotte Meynell Ingram of Temple Newsam in the said county of York, Widow has provided a sum of six thousand pounds Two pounds ten shillings per centum Preference Stock of the Midland Railway Company and has transferred the same into our name in the books of the same Company to be held in trust by us as and for a permanent endowment for the minister for the time being of the said proposed district and so soon as the said district shall have become a new parish under the provisions of the hereinbefore mentioned Act then for the Incumbent of the said new parish the amount of the annual interest and dividends to accrue due on account of the said sum of stock to be receivable by the said minister or Incumbent for the time being when he shall have been duly licensed according to the provisions of the said hereinbefore mentioned Act.

"And whereas the said annual interest and dividends to accrue due on account of the said sum of stock and to be receivable by the said minister or Incumbent for the time being will amount to not less than the sum of one hundred and fifty pounds.

"And, whereas the said sum of six thousand pounds Two pounds ten shillings per centum per annum Preference Stock of the said Midland Railway Company has been so provided as aforesaid upon the understanding that (such arrangement appearing to us to be expedient) we should recommend and propose to Your Majesty in Council that the whole right of patronage of the said proposed district or (as the case may be) of the said proposed new parish and of the nomination of the minister or Incumbent thereto should be assigned to the said Emily Charlotte Meynell Ingram and to her heirs and assigns for ever.

"Now therefore with the consent of the Right Reverend William Boyd, Bishop of the said diocese of Ripon (in testimony whereof he has signed and sealed this scheme) we the said Ecclesiastical Commissioners humbly recommend and propose that all those portions of the said chapelry of Holbeck the said chapelry of Beeston and the said new parish of Saint Luke the Evangelist, Beeston Hill which are described in the schedule hereunder written all which portions together with the boundaries thereof are delineated and set forth on the map or plan hereunto annexed shall upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme become and be constituted a separate district for spiritual purposes and that the same shall be named 'The District of Saint Edward King and Martyr Holbeck.'

"And we further recommend and propose that the whole right of patronage of the said proposed district and when the said district shall have become a new parish as aforesaid then of the said new parish and of the nomination of the minister or Incumbent thereto shall without any assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid be assigned to and be absolutely vested in and shall and may from time to time be exercised by the said Emily Charlotte Meynell Ingram and by her heirs and assigns for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Act or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The District of Saint Edward King and Martyr, Holbeck being:—

"All those contiguous portions of the chapelry of Holbeck, the chapelry of Beeston and the new parish (sometime consolidated chapelry) of Saint Luke the Evangelist Beeston Hill all in the county of York and in the diocese of Ripon which are comprised within and are bounded by an imaginary line commencing at the point where Elland-road is joined by the footpath which leads between the houses called Islington and the Brick and Tile Works belonging to the Leeds Fireclay Company Limited and extending thence north-westward along the middle of the last-mentioned footpath for a distance of sixteen chains or thereabouts to the point at or near its

WHEREAS the Ecclesiastical Commissioners for England have in pursuance of the Ecclesiastical Commission Act 1868 duly prepared and laid before His Majesty in Council a scheme bearing date the fifth day of June, in the year one thousand nine hundred and two, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of 'The Ecclesiastical Commission Act 1868' section three have prepared and now humbly lay before Your Majesty in Council the following scheme for effecting an exchange of certain property of the Dean and Chapter of the Cathedral Church of Canterbury for other property belonging to us.

"Whereas the lands tithes and hereditaments particularly described in the schedule hereunto annexed and marked A are a part of the property of the Dean and Chapter of Canterbury and the said Dean and Chapter have agreed that the said lands tithes and hereditaments shall be transferred to us in consideration of the transfer to them of certain tithe rent charges now belonging to us being the tithe rent charges particularly mentioned or referred to in the schedule hereunto annexed and marked B.

"And whereas the terms of such transfer are in our opinion fair and reasonable.

"Now therefore we humbly recommend and propose with the consent of the said Dean and Chapter of the Cathedral Church of Canterbury and with the consent of the Right Honourable and Most Reverend Frederick Archbishop of Canterbury as Visitor of the said Dean and Chapter certified by their having hereunto affixed their respective corporate seals that upon and from the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme and without any further conveyance or act in the law the lands tithes and hereditaments described in the schedule hereunto annexed marked A with their appurtenances together with the benefit of the perpetual land tax if any charged thereon which has been redeemed shall subject always to the liabilities and charges to which the said lands tithes and hereditaments are now specifically liable be transferred to us in the manner contemplated by the same Act and that we shall be entitled to the rents profits and proceeds thereof as from the eleventh day of October in the year one thousand nine hundred and one and that in consideration of such transfer to us as aforesaid the tithe rent charges particularly described in the schedule hereunto annexed and marked B with their appurtenances together with the benefit of the perpetual land tax if any charged thereon which has been redeemed shall subject always to the liabilities and charges to which the said tithe rent charges are now specifically liable be transferred to the said Dean and Chapter in the manner contemplated by the said Act and that the said Dean and Chapter shall become entitled to the rents profits and proceeds thereof as from the said eleventh day of October in the year one thousand nine hundred and one.

A. W. FitzRoy.

At the Court at *Buckingham Palace*, the 11th day of *August*, 1902.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have in pursuance of the Act of the eighth and ninth years of Her late Majesty Queen Victoria, chapter seventy; of the Act of the fourteenth and fifteenth years of Her said late Majesty, chapter ninety-seven; and of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter fifty-five; duly prepared and laid before His Majesty in Council a representation, bearing date the twenty-ninth day of May in the year one thousand nine hundred and two in the words and figures following; that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the eighth and ninth years of Her late Majesty Queen Victoria, chapter seventy, of the Act of the fourteenth and fifteenth years of Her said late Majesty, chapter ninety-seven, and of the Act of the nineteenth and twentieth years of Her said late Majesty chapter fifty-five, have prepared, and now humbly lay before Your Majesty in Council the following representation as to the assignment of a consolidated chapelry to the consecrated church of All Saints Woodham situate within the new parish (sometime particular district) of Addlestone in the county of Surrey and in the diocese of Winchester.

"Whereas at certain extremities of the said new parish of Addlestone and the parish of Horsell, in the said county and diocese which said extremities lie contiguous one to another, and are described in the Schedule hereunder written there is collected together a population which is situate at a distance from the several churches of such new parish and parish respectively.

"And whereas it appears to us to be expedient that certain contiguous portions (being the portions containing the population aforesaid) of the said new parish of Addlestone and the said parish of Horsell should be formed into a consolidated chapelry for all ecclesiastical purposes and that the same should be assigned to the said church of All Saints Woodham situate as aforesaid.

"Now therefore with the consent of the Right Reverend Randall Thomas Bishop of Winchester as such Bishop and also as patron in right of his See of the vicarage of the said new parish of Addlestone and with the consent of Katharine Pares wife of John Pares of Westfield in the town of Southsea in the county of Southampton Esquire one of Your Majesty's Justices of the Peace, as the patron of the vicarage of the said parish of Horsell (in testimony whereof they the said consenting parties respectively signed and sealed this representation) we the said Ecclesiastical Commissioners for England humbly represent that it would in our opinion be expedient that all those contiguous portions of the said new parish of Addlestone and the said parish of Horsell which are described in the schedule hereunder written all which portions together with the boundaries thereof are delineated and set forth on the map or plan hereunto annexed should be united and formed into one consolidated chapelry for the said church of All Saints Woodham situate as aforesaid and that the same should be named 'The Consolidated Chapelry of All Saints Woodham.'

"We, therefore humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal consideration, and to

make such Order in respect thereto as to Your Majesty in Your Royal wisdom shall seem meet.

"The SCHEDULE to which the foregoing Representation has reference.

"The Consolidated Chapelry of All Saints Woodham comprising:—

"I. All that portion of the new parish (sometime particular district) of Addlestone in the county of Surrey and in the diocese of Winchester which is bounded upon the south-east partly by the parish of Byfleet and partly by the parish of Pyrford upon the west by the parish of Horsell upon the north by the new parish of Ottershaw all in the said county and diocese and upon the remaining side that is to say upon the north-east by an imaginary line commencing upon the boundary which divides the said new parish of Ottershaw from the new parish of Addlestone aforesaid at the point in the middle of the stream called the Bourne opposite to the north-western end of the fence forming the north-eastern boundary of the plantation lying on the south side of the said stream and belonging to Anningsley Park and extending thence south-eastward to and along the said fence for a distance of sixteen chains or thereabouts to its south-eastern end on the north-western side of the road leading to the Victoria public-house and to New Zealand Cottage and extending thence south-eastward to and then first north-eastward and then south-eastward along the middle of the last-mentioned road for a distance of twenty-eight chains or thereabouts to its junction with the road called Woodham-lane opposite to the said Victoria public-house and extending thence north-eastward along the middle of the last-named road for a distance of one chain or thereabouts to its junction with the road leading to Fari's Farm and Woodham Lock and extending thence south-eastward along the middle of the last-mentioned road for a distance of twenty-three chains or thereabouts to its south-eastern end on the north-western side of Basingstoke Canal and extending thence due south in a straight line (thereby crossing the said canal) for a distance of three chains and a half or thereabouts to a point in the middle of Rive Ditch upon the boundary which divides the said new parish of Addlestone from the parish of Byfleet aforesaid.

"II. And also all that portion of the said parish of Horsell which is bounded upon the south by the new parish of Christ Church Woking in the county and diocese aforesaid upon the east by the above described portion of the new parish of Addlestone upon the north by the new parish of Ottershaw aforesaid upon the north-west by the parish of Chobham in the county and diocese aforesaid and upon the remaining sides that is to say upon the west and upon the south-west by an imaginary line commencing upon the boundary which divides the said parish of Chobham from the parish of Horsell aforesaid at the centre of the bridge where the footpath leading from the house called Brooklands and from Youngstroat-lane across Horsell Common towards Woking crosses the stream called the Bourne and extending thence generally southward along the middle of the last-mentioned footpath for a distance of sixty-one chains or thereabouts to its junction with the road leading from Chobham and Cox Hill across Horsell Common to Woodham and extending thence eastward along the middle of the last-mentioned road for a distance of twenty-six chains or thereabouts to its junction with the road leading from Horsell Common to Crescent-road and extending thence south-eastward along the middle of the

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have in pursuance of the Act of the thirty-third and thirty-fourth years of Her late Majesty Queen Victoria chapter thirty-nine, and of the Acts therein mentioned, that is to say, the Act of the third and fourth years of Her said late Majesty, chapter one hundred and thirteen, the Act of the fourth and fifth years of Her said late Majesty, chapter thirty-nine, and the Act of the thirty-first and thirty-second years of Her said late Majesty, chapter one hundred and fourteen, duly prepared and laid before His Majesty in Council a scheme bearing date the fifth day of June, in the year one thousand nine hundred and two, in the words following, that is to say:—

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her late Majesty Queen Victoria, chapter one hundred and thirteen, and of the Act of the seventeenth and eighteenth years of Her said late Majesty, chapter eighty-four, duly prepared and laid before His Majesty in Council a scheme, bearing date the nineteenth day of June, in the year one thousand nine hundred and two, in the words following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Her late Majesty Queen Victoria, chapter one hundred and thirteen, and the Act of the seventeenth and eighteenth years of Her said late Majesty, chapter eighty-four have prepared and now humbly lay before Your Majesty in Council the following scheme for apportioning the income of the benefice (being a rectory) of Moor Monkton in the county of York and in the diocese of York between that benefice and a certain other benefice namely the benefice (being a vicarage) of the Epiphany Tockwith which said last-named benefice is situate in the said county of York and in the said diocese of York.

"Whereas the advowson or perpetual right of patronage of and presentation or collation to each of the said benefices of Moor Monkton and the Epiphany Tockwith is vested in the Archbishop of York for the time being

"And we further recommend and propose that the Incumbent for the time being of the said benefice of the Epiphany Tockwith shall have the following powers for recovering the said rent charge of fifty pounds per annum hereby proposed to be created in favour of the benefice of which he is Incumbent as aforesaid (that is to say) power if and whenever any part of the said rent charge shall at any time be unpaid for twenty-one days after any of the times appointed for the payment thereof (although there shall not have been any legal demand made thereof) to enter into the receipt of the Incumbent thereof or any part

"Provided always that if at any time the Incumbent for the time being of the said benefice of Moor Monkton shall by any deed duly executed by him under his hand and seal in accordance with the provisions of any Statute in that behalf enabling him grant convey and annex to the said benefice of the Epiphany Tockwith any part or parts of the rectorial endowments belonging to the said benefice of Moor Monkton which shall in the opinion of the Archbishop of York for the time being and of us the said Ecclesiastical Commissioners for England be a just and fair equivalent or not less than an equivalent for the said yearly charge of fifty pounds hereby proposed to be created as aforesaid then the same annual sum or yearly charge of fifty pounds shall thereupon and thenceforth cease and determine and be no longer payable as hereinbefore recommended and proposed.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament."

And whereas the said scheme has been approved by His Majesty in Council: now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of York.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her late Majesty Queen Victoria, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter one hundred and four, duly prepared and laid before His Majesty in Council a scheme, bearing date the third day of July, in the year one thousand nine hundred and two, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of Her late Majesty Queen Victoria, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter one hundred and four have prepared and now humbly lay before Your Majesty in Council the following scheme for constituting a separate district for spiritual purposes, to be taken partly out of the parish (sometime district under the Parish of Manchester Division Act, 1850) of Saint Margaret, Whalley Range, partly out of the parish (also sometime district under the Parish of Manchester Division Act 1850) of Saint Matthew, Stretford, and partly out of the district of Saint Hilda, Old Trafford, all in the county of Lancaster and in the diocese of Manchester.

"Whereas we are satisfied that the said parish of Saint Margaret Whalley Range the said parish of Saint Matthew, Stretford, and the said district of Saint Hilda, Old Trafford are cures wherein or in parts whereof the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof and it has been made to appear to us that it would promote the interests of religion that the particular portions of the said parish of Saint Margaret Whalley Range the said parish of Saint Matthew Stretford and the

said district of Saint Hilda Old Trafford which are hereinafter mentioned and described, should be constituted a separate district in the manner which is hereinafter set forth.

"And whereas there is not at present within the limits of the said proposed district any consecrated church or chapel in use for the purposes of Divine worship.

"And whereas we are satisfied that an adequate and permanent maintenance for the support of the Minister of the said proposed district and when the said district shall have become a new parish then for the support of the Incumbent thereof will be secured as from the date of the licensing or appointment of such Minister or Incumbent by the payment of a sum of not less than one hundred and fifty pounds which will be annually provided out of the moneys received by us the said Ecclesiastical Commissioners under the provisions of the said 'Parish of Manchester Division Act 1850.'

"Now therefore with the consent of the Right Reverend James Bishop of the said diocese of Manchester (in testimony whereof he has signed and sealed this scheme), we the said Ecclesiastical Commissioners humbly recommend and propose that all those portions of the said parish of Saint Margaret, Whalley Range, the said parish of Saint Matthew Stretford and the said district of Saint Hilda, Old Trafford, which are more particularly described in the schedule hereunder written and are delineated and set forth on the map or plan hereunto annexed shall upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme become and be constituted a separate district for spiritual purposes and that the same shall be named 'The District of Saint John, Old Trafford.'

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The District of Saint John, Old Trafford, comprising:—

"3. That representations having been made to us by the respective Incumbents of Llandaff and Whitchurch we the said Bishop did enquire into the expediency of altering the boundaries of the said parishes and are of opinion that by reason of its geographical position the portion of the said parish of Whitchurch immediately contiguous to the said parish of Llandaff containing a population of nine hundred and eighty or thereabouts, and edged red on the plan annexed hereto might with great advantage be more conveniently served by the Incumbent of Llandaff, and that consequently it would be to the religious interests of the population there situate that the portion of the said parish of Whitchurch so edged red upon the plan should be separated therefrom and annexed to the said parish of Llandaff for ecclesiastical purposes.

"4. It appears to us the said Bishop of Llandaff and we do hereby represent that under the provisions of the Pluralities Act's 1838 and 1887 the portion of the parish of Whitchurch hereinbefore referred to may be advantageously separated therefrom and annexed to the said parish of Llandaff, and the following is the detailed description thereof:—

"5. The patronage of the respective benefices of Llandaff and Whitchurch belongs to us the said Bishop of Llandaff in full right of our Bishopric. The Reverend James Rice Buckley, Clerk, B.D., is the vicar of Llandaff, and the Reverend John Thomas Clarke, Clerk, M.A., is the perpetual curate of Whitchurch.

"Pursuant to the directions contained in the twenty-sixth section of the Pluralities Act 1838 we the said Bishop of Llandaff have drawn up the scheme in writing annexed to this representation describing the portion of the said parish of Whitchurch proposed to be annexed to the said parish of Llandaff and the mode in which it appears to us that the alterations may be best effected and how the changes consequent thereon

13. Ten days before the day fixed for the opening of the Commission at Carlisle, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Cumberland, and the said Sheriff shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Carlisle.

14. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the said Winter Assizes for the said Winter Assize County shall be in custody, three days before the day upon which the said Winter Assizes for the said Winter Assize County are appointed to be held, to send, without any writ of Habeas Corpus, such prisoners to His Majesty's Gaol at Carlisle for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial, or sent to any other prison which has been duly appointed as an alternative for such prison. 16. In any case where money is ordered by the Court at the said Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Winter Assizes Acts, and this Order; and every such Treasurer, or some known agent on his behalf, shall attend the said Winter Assizes during the sitting of the Court to pay all such orders.

17. Where the Court at the said Winter Assizes for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly, without any Writ of Habeas Corpus.

2. The said Winter Assizes for the said Winter Assize County shall be held at Leicester.

3. The Court at the Winter Assizes at Leicester shall have jurisdiction to try any prisoner committed in the said Winter Assize County who may be brought before it, and shall have the same powers with respect to the trial of and passing sentence upon such prisoner as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Winter Assizes Acts, such prisoner would have been tried.

8. The said Sheriff shall, as to all matters in relation to such Winter Assizes for which no specific provision is made by this Order, have the same power, jurisdiction, and responsibility as if he were Sheriff for the whole of the said Winter Assize County, except that this provision shall not authorize the said Sheriff to carry sentences into execution outside the County of Leicester, or to levy outside the said county fines imposed or recognizances estreated at the said Winter Assizes.

PRESENT,

The KING's Most Excellent Majesty in Council.

IN pursuance of the Winter Assizes Acts, 1876 and 1877, His Majesty is pleased, by and with the advice of His Most Honourable Privy Council, to order as follows:—

1. The County of Carnarvon, and the County of Anglesea shall, for the purpose of the next Winter Assizes, be united together and form one County, under the name of the Winter Assize County, No. 5.

2. The said Winter Assizes for the said Winter Assize County shall be held at Carnarvon.

3. The Court at the said Winter Assizes at Carnarvon shall have jurisdiction to try any prisoner committed in the said Winter Assize County who may be brought before it, and shall have the same powers with respect to the trial of and passing sentence upon such prisoner as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Winter Assizes Acts, such prisoner would have been tried.

The provisions of Section thirteen of the Sheriffs Act, 1887, shall apply to the execution of any capital sentence passed at such Assizes as herein mentioned; provided that the expression in the said Section "the Sheriff of such County" shall mean the Sheriff of the County in which the prisoner so sentenced would have been tried if the Winter Assizes Acts, 1876 and 1877, had not been passed.

4. The Sheriff of the County of Carnarvon shall alone act for the purpose of the said Winter Assizes for the said Winter Assize County, and subject to the provisions of this Order shall have jurisdiction for that purpose over the whole district constituting the said Winter Assize County, and precepts and other documents relating to the said Winter Assizes shall be addressed to him alone.

5. The Gaol Delivery precepts of the Judges to the said Sheriff shall direct him to summon the Grand Jurors and Petty Jurors from the County of Carnarvon, and the Jurors so summoned shall be deemed to be good and lawful men of the body of the several counties constituting the said Winter Assize County, and the Grand and Petty Jury formed out of those Jurors shall be deemed to be a Grand and Petty Jury respectively of the body of the said counties respectively, and shall have jurisdiction accordingly.

6. The precepts of the Judges to the said Sheriff shall direct him to cause the prisoners from all the prisons in the said Winter Assize County who under the provisions of this Order will have to be tried at Carnarvon, to be brought there, and the Sheriff shall cause such prisoners to be brought accordingly without any writ of Habeas Corpus.

7. In all matters not before specifically mentioned the precepts to the said Sheriff shall direct him to issue, and he shall issue the like notices, precepts, warrants, and documents, and perform the same acts (*mutatis mutandis*) as if he were Sheriff for the whole of the said Winter Assize County, and all Under Sheriffs, Bailiffs, Constables, and Officers in the said Winter Assize County shall obey accordingly.

8. The said Sheriff shall, as to all matters in relation to such Winter Assizes for which no specific provision is made by this Order, have the same power, jurisdiction, and responsibility as if

he were Sheriff for the whole of the said Winter Assize County, except that this provision shall not authorize the said Sheriff to carry sentences into execution outside the county of Carnarvon, or to levy outside the said county fines imposed or recognizances estreated at the said Winter Assizes.

9. All Justices of the Peace, Mayors, Coroners, Escheators, Stewards, Bailiffs, Gaolers, Constables, Officers, and persons having authority, and being under an obligation to attend the Assizes for either county comprised in the said Winter Assize County, or to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, any indictment, inquisition, recognizance, examination, deposition, or document, shall have the same authority and be under the same obligation to attend at the said Winter Assizes held for the said Winter Assize County, and to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, such indictment, inquisition, recognizance, examination, deposition, or document. This provision shall not apply to the Sheriff of the County of Anglesea.

10. In all indictments and presentments at the said Winter Assizes the venue laid in the margin thereof shall, in addition to the name of the county where the offence is charged to have been committed, contain the words "Winter Assize County, No. 5."

11. Any person who, after the date of this Order, and before the said Winter Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery, to be holden for either of the counties constituting the said Winter Assize County, shall be bound to attend at the said Winter Assizes for the said Winter Assize County.

12. In all cases in which the like recognizances have been entered into in respect of any offence committed in either of the counties constituting the said Winter Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the said Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes or forfeit his recognizance.

13. Ten days before the day fixed for the opening of the Commission at Carnarvon, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Carnarvon, and the said Sheriff shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Carnarvon.

14. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the said Winter Assizes for the said Winter Assize County shall be in custody, three days before the day upon which the said Winter Assizes for the said Winter Assize County are appointed to be held, to send, without any writ of Habeas Corpus, such prisoners to His Majesty's Gaol at Carnarvon for the purposes of their trial, and to take all proper steps for their transmission to

the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial, or sent to any other prison which has been duly appointed as an alternative for such prison. If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

15. The Clerk of Assize at the said Winter Assizes for the said Winter Assize County shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial, or is bound by any recognizance to appear and answer, in the said Winter Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed or admitted to bail, may, upon the application of such person, direct the Treasurer of the county or place where such person was committed or entered into any recognizance to appear and answer as aforesaid, to advance to such person a sum not exceeding 20*l.* to enable him to defray the travelling expenses of such of his witnesses as may have been bound by recognizances to appear on his behalf, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

16. In any case where money is ordered by the Court at the said Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Winter Assizes Acts, and this Order; and every such Treasurer, or some known agent on his behalf, shall attend the said Winter Assizes during the sitting of the Court to pay all such orders.

17. Where the Court at the said Winter Assizes for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly without any writ of Habeas Corpus.

18. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Acts 1876 and 1877.

19. This Order, unless earlier revoked, shall be in force during the continuance of the Winter Assizes, 1902.

8. The said Sheriff shall, as to all matters in relation to such Winter Assizes for which no specific provision is made by this Order, have the

13. Ten days before the day fixed for the opening of the Commission at Carmarthen, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Carmarthen, and the said Sheriff shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Carmarthen.

Channel Pilots shall be entitled to conduct vessels within the Cardiff Pilotage Districts, Port Pilots shall be entitled to pilot vessels within the Port of Cardiff as defined in Bye-law No. 4, and thence to and from any point in Penarth Roads as defined in Bye-law No. 3. Second class Port Pilots to be limited to vessels under 1,250 tons register.

Having complied with these requirements he may, after a month's probation, if approved by the Board, be apprenticed to a pilot for five years.

12. The indenture of apprenticeship, which shall be in a form approved by the Board, shall be signed by Pilot and the apprentice, and then be registered by the Pilotage Office.

The Board shall have full power to enquire into the conduct of Pilots towards their appren-

13. The Pilot to whom any apprentice is serving, shall endorse at the back of every indenture a statement of time lost by the apprentice, and of pecuniary losses which have been incurred by the Pilot by reason of the negligence or want of attention of the apprentice, and such statement shall be initialed by the Pilot and apprentice on the respective dates when such losses shall be charged against the apprentice.

14. At the expiration of five years from the date of the Apprenticeship Indentures the Pilot shall appear before the Board with the apprentice and his indentures and the Board shall thereupon decide as to the amount of time and money (if any) to be made good by the apprentice before the indenture shall be surrendered to him.

15. After completing the full period of five years' apprenticeship the apprentice shall serve two years at sea in sailing vessels and steamers in manner required by Bye-law 9, after which on proof by proper certificates of such sea service being given to the satisfaction of the Board, and that such apprentice has attained the age of twenty-five years, his name shall be entered upon the rota of candidates eligible for examination as Port Pilot of the Second Class.

16. When a vacancy occurs in the body of Port Pilots, the first apprentice on the rota eligible for examination shall receive due notice to attend for examination before the Examining Committee appointed by the Board, and such apprentice shall attend accordingly at the time and place appointed. If such apprentice shall fail without reasonable cause to attend, for examination he shall lose his turn.

17. Whenever an apprentice shall for the first time appear before the Examining Committee for such examination his indenture of apprenticeship be produced for the inspection of the Committee.

18. If the Examining Committee report that such apprentice has passed a satisfactory examination as required by these Bye-laws, such apprentice shall be entitled to a licence as a Port Pilot of the Second Class.

19. After serving two years in the division of Port Pilots of the Second Class, such Pilot shall be entitled without examination to a licence as a Port Pilot of the First Class.

20. After serving two years in the division of First Class Port Pilots, such Pilot shall be eligible for examination as a Channel Pilot, and shall be placed on the rota of candidates for Channel Pilot Licences. When a vacancy occurs in the body of Channel Pilots, the first candidate on the rota for a Channel Pilot's Licence shall receive due notice to attend before the Examining Committee for examination, and such Pilot shall attend accordingly.

21. No person shall be licensed to act as a Pilot in the district unless he produce satisfactory testimonials as to his character, and shall have passed a creditable examination in the following subjects:—

(1.) Produce a Board of Trade Certificate as to Colour Blindness.

(2.) He must be able to give the course and distance between any two places within the limits of the channel.

(3.) The rise, velocity, and set of the tides.

(4.) The depth and character of the soundings.

(5.) The best anchorages, and where to stop for a tide.

(6.) The sandbanks, rocks, shoals, and other dangers.

(7.) The landmarks, buoys, lights—their different bearings and distance.

(8.) The appearance of different headlands.

(9.) The management of a vessel—to bring her to anchor—to keep her clear of her anchor in a tideway—to moor, unmoor, and get under weigh—and to handle a vessel under any circumstances.

22. For every original licence which shall be granted to Pilots, there shall be paid to the Board the sum of £1 1s., and for every renewal thereof the sum of 10s. 6d. For every Pilotage Certificate granted to the master or mate of any vessel there shall be paid to the Board the sum of £1 1s., and for every renewal thereof the sum of 10s. 6d. All licences and certificates must be renewed annually, the first week in October, or at such other time as the Board may direct.

23. Each Pilot shall provide himself with a good and efficient pilot cutter which shall be approved and licensed by the Board, he paying two-shillings-and-sixpence for such licence, and such cutter shall be kept in good repair and fully equipped to the satisfaction of the Board, and be subject to periodical examinations by the Board. Two or more Pilots may by permission of the Board, certified under the hand of the Clerk, work in the same boat and act in conjunction, but such permission may at any time be withdrawn at the discretion of the Board, provided that such permission shall not be refused or withdrawn without sufficient reason. No Pilot shall be entitled to pursue his avocation as a pilot without the sanction of the Board first obtained unless he has complied with the provisions of this Bye-law, and any Pilot acting in contravention hereof shall be subject to a penalty of not exceeding ten pounds for the first offence, and for the second or any subsequent offence to a like penalty or the suspension or revocation of his licence at the discretion of the Board.

24. Each Pilot's cutter shall have her number painted on each bow and the name of the Pilot or Pilots, as well as her own name and the name of the port, painted in legible characters upon the stern, and shall have the letter C marked in black paint, of not less than four feet in length, and the letter F, eighteen inches in length, painted on a level with the top of the letter C, at a distance of three feet, on her mainsail, and shall by day carry at her mast-head a flag of not less than six by four feet, in two colours, the upper horizontal half *white*, and the lower part *red*. And at night each Pilot's cutter shall carry a white light only at the mast-head, and shall exhibit a flare-up light, or flare-up lights, at short intervals, and such lights as are prescribed by the Board of Trade Regulations for the Prevention of Collisions at Sea, applicable to Pilot Boats. Every Pilot shall immediately on boarding any vessel and taking charge thereof, hoist a flag in some conspicuous place, and keep the same flying during the time he so remains in charge; the flag to be the regular pilot flag—red and white—for Channel Pilots, with the colours horizontal; and Port Pilots, in addition thereto, bearing in the centre of their flags the letter P in black, of not less than two feet in length. In case of default in any of the above requirements, the Pilot shall be liable to a

penalty not exceeding twenty pounds for every breach thereof.

25.—(a.) The first Channel Pilot who arrives off Blacknore Point in his cutter shall be deemed to be first on turn, and entitled to have his choice of any vessel bound from Kingroad to Cardiff, and, having been engaged, his cutter must follow him down to Cardiff.

(b.) When two or more Channel Pilots are working together, the cutter may remain to the eastward of Blacknore Point until the last of the said Pilots shall have been engaged, after which the cutter must be brought to Cardiff, and neither of the said Pilots shall be entitled to a second turn until this Bye-law has been complied with.

(c.) Should the Pilot send his cutter down to Cardiff the tide before the vessel for which he shall have been engaged leaves Kingroad, he shall not go seeking again until the tide following that upon which the said vessel docks. This condition also to apply to vessels from Newport, according to Bye-law 26.

26.—(a.) The first Channel Pilot who shall arrive in his cutter inside Newport River Buoy shall be deemed to be first on turn, and entitled to the choice of any vessel bound from Newport to Cardiff.

(b.) Should he, after arriving at Newport, desire to come himself to Cardiff, he will forfeit his right to a choice, and must notify at the Pilotage Office the particular vessel he desires to claim.

(c.) Should any vessel bound to Cardiff, and brought from the westward, or followed up by a Cardiff Channel Pilot receive orders to proceed to Newport to Dry Dock and thence to Cardiff, the Channel Pilot who brought or followed her up shall be entitled to the right of piloting that vessel into Cardiff when she leaves Newport, provided he remains on shore for that purpose, and notifies at the Pilotage Office his intention to do so.

27.—(a.) The Channel Pilot who shall first speak to a vessel to the westward, whether within the limits of his licence or not, shall be entitled to pilot that vessel into Port, provided he gives his number to the vessel and follows her up and arrives alongside the vessel before the Docking Signal is up. In the event of the vessel receiving orders to dock early on tide, the Pilot must be alongside before the anchor is weighed.

(b.) Should he speak to the vessel so far away that it will be impossible for him to be up in his cutter in time to dock, he shall be at liberty to follow the vessel up in any manner he chooses. Should he fail to arrive in time to take the vessel into dock, he shall still be entitled to take the vessel out.

(c.) When a Channel Pilot is following a vessel in accordance with the preceding rule, he shall not board any other vessel for the purpose of piloting her, unless his services are demanded by signal within the limits of his licence, in which case he must give up the vessel of which he is in charge to the first Pilot who may speak to him. The Channel Pilotage payable by such vessel to be proportionately divided between the two; the first Pilot retaining his right to the vessel which he is following up.

28. Should any Channel Pilot be absent when a vessel for which he has been engaged is ready to come into dock, the Pilot who docks her will be entitled to the inward pilotage, but he shall have no claim to the vessel outwards.

29.—(a.) No Channel Pilot shall be entitled to more than one inward-bound vessel, from the

time he leaves either the Cardiff or Penarth Pier-heads, until his cutter returns to Cardiff or Penarth, except under the following conditions:—Should he, after boarding a vessel to the westward, desire to send his cutter into any harbour situate within the Bristol Channel, he shall not leave that harbour to go seeking for another vessel until such time shall have elapsed after his departure from Cardiff as is hereinafter provided.

(b.) Any harbour situate within the limits to the westward of Lavernock, and eastward of an imaginary line drawn from the Nash Point to Minehead; twelve hours:

(c.) Any harbour situate within the limits of an imaginary line drawn from the Nash to Minehead and to the eastward of an imaginary line drawn from Ilfracombe to the Mumbles, if as a passenger, twenty-four hours; if engaged piloting a vessel to the Nash, twelve hours:

(d.) Any harbour situate to the westward of Ilfracombe, and the eastward of an imaginary line drawn from Hartland to Lundy and thence to Cady, if a passenger, thirty-six hours; if engaged piloting a vessel to Ilfracombe, twenty-four hours:

(e.) The time of departure from Cardiff to be notified in writing to the Clerk of the Board, who shall keep a record of the time so notified.

(f.) No Pilot shall join his cutter outside the limits of his licence for the purpose of seeking employment.

30. When two or more Pilots working in the same cutter may be down Channel together seeking, if one of them wishes to claim a vessel, he must give her his number, and follow her up to Cardiff.

31. Pilot cutters leaving Cardiff to go seeking shall not under any circumstances be towed further than the buoy which marks the outer limit of the Bute Entrance Channel, and at the same time shall not be towed past another cutter also going seeking. No Pilot shall tow his cutter with a vessel further than the distance for which he shall have been engaged to pilot such vessel, nor shall he join his cutter beyond the limits for which he is engaged and thereafter go seeking, except under the conditions laid down in Bye-law 29. No Pilot shall join his cutter in the open Channel under any circumstances, unless he is *bona fide* engaged in piloting a vessel.

32. Every Pilot shall before leaving any vessel piloted by him, obtain from the Master or Officer in command of such vessel a certificate of pilotage services rendered, in the form provided by the Board for that purpose, and signed by such Master or Officer, and shall, without any delay, deliver to the Clerk of the Pilotage Board all such certificates of pilotage.

33. Each Pilot shall, within twenty-four hours after his return from a cruise, report himself to the Clerk, and make a full and proper return, giving the number of his boat, the day of his last sailing for sea, the distance he proceeded, the date of his return, the name, flag, and captain's name of the ship he may have taken in charge or brought to port, together with the port from which the ship may have come, if in ballast or with cargo, with the name of consignee, the draught of water of the ship, and registered tonnage. Non-compliance with this Bye-law shall subject the offender to a penalty of five pounds for the first offence, and the loss of his licence for any subsequent offence, or such other punishment as the Pilotage Board may think necessary.

34. Each Pilot shall account for all money received by him for pilotage to the Clerk on the day following that on which it is received, or in

case of such money being received at sea, then the Pilot shall deliver an account for the same to the Clerk as soon as he returns to port; and all claims for extra days shall be inserted in the certificate of pilotage, and signed for by the master of the vessel. Any Pilot violating this rule shall be subject to a penalty not exceeding ten pounds for the first offence, and for the second offence to the forfeiture of his licence, or such other punishment as the Pilotage Board may think necessary.

35. Any Pilot who shall refuse or neglect to proceed to either of the Pilot stations in the District fixed by the Board, when ordered to do so by the Clerk, unless prevented by illness or the loss of his boat, or other good and sufficient reason, or who shall be guilty of drunkenness or of insolent or abusive language, or unwarrantable conduct towards any member of the Pilotage Board, or the Clerk, or other officer of such Board, shall be liable, to a penalty not exceeding ten pounds for the first offence, and for the second, or any subsequent offence, to a like penalty, or the suspension or revocation of his licence at the discretion of the Board.

36. Should any Owner or Captain apply for a Pilot to be sent overland for the purpose of bringing a vessel to Cardiff, such application must be made to the Pilotage Office, and a Channel Pilot shall be sent according to the rotation of the printed Pilotage List. Should the Pilot first on turn be absent, then the Pilot next on turn shall be sent. The absent Pilot to lose his turn.

37. Any Pilot who may absent himself from duty or go overland to take charge of any ship or vessel, or seek employment otherwise than in his own boat, without the written consent of the Clerk, shall be liable to a penalty not exceeding ten pounds for the first offence, and for the second, or any subsequent offence, to a like penalty, or the suspension or revocation of his licence at the discretion of the Board.

38. Any Captain, Master, or Agent of any ship or vessel bound to sea, who may make application at the office of the Board for a Pilot, shall give the ship's draught of water and registered tonnage, with such other information as may be required; and upon payment of the pilotage fees shall have a Pilot named and appointed to take charge of his ship or vessel, preference in all cases to be given to the Pilot who piloted the ship inwards, if such Pilot was a Channel Pilot. If however such inward Pilot was a Port Pilot the first Pilot on the rota of Port Pilots shall be appointed to take such vessel out. Such application to be made during office hours, and at least twelve hours before the Pilot shall be wanted. Any Pilot attending after being ordered, and the Captain declining to go to sea (except the weather be such as to prevent his going), shall receive the sum of ten shillings for each attendance.

39. Any Channel Pilot who may have brought into dock or followed up any vessel in accordance with the preceding Bye-laws shall be entitled to pilot such vessel outward. Should any such Channel Pilot be absent from any cause when a vessel of his is going to sea or is required to be removed to or from any dock or tidal harbour, or any other place, the vessel shall be taken out or removed by the first Port Pilot who may be on the rota for shore duty in accordance with the Bye-laws, such rota to be fixed from time to time by the Board. Should the services of a Channel Pilot be desired for any of the above duties, such Channel Pilot shall be appointed by the Clerk to the Board unless the inward Pilot has appointed a Channel Pilot for

that purpose, such appointment to be notified to the Clerk of the Board forthwith. In no case shall a Channel Pilot be permitted to appoint a Port Pilot for any or either of the duties above mentioned. Provided nevertheless that nothing in this Rule contained shall prevent a Channel Pilot without such appointment taking out a vessel for another absent Channel Pilot, provided the former makes no claim to the pilotage fee thereby earned, which shall belong to such absent Pilot.

40. If any Port Pilot in contravention of the last preceding Bye-law shall perform any or either of the duties mentioned in the said Bye-law, he shall not be entitled to the pilotage monies which may become payable in respect of the services so rendered, but the Board shall, if they think fit, award such pilotage monies to the Pilot who in their judgment would in the ordinary course have been entitled thereto, or in case no other Pilot has any right to such pilotage monies, the Board may, if they think fit, direct that the whole or some part of such pilotage monies shall be placed to the credit of the Cardiff Pilotage Fund.

41. Any Pilot taking charge of a vessel not bound to the port to which he is licensed shall be paid the rates, and be governed by the laws established at the port to which the vessel is bound.

42. Each Pilot shall strictly conform to the directions of the harbour or dock master touching the docking or undocking, mooring or unmooring, placing or removing, any ship or vessel which such Pilot may have under his charge, so long as such vessel shall be within the limits of the authority of any such harbour or dock master. Any Pilot violating this rule shall be subject to a penalty not exceeding ten pounds, or such other punishment as the Pilotage Board may think fit.

43. Any Pilot having charge of a vessel inward bound shall not be released from his duties or responsibilities until such vessel is securely moored in the dock, basin, or harbour of the port; but if in charge of a vessel bound to a port for which he is not licensed, he shall be released from his duties and responsibilities when such vessel is anchored in the nearest roadstead to the port to which she is bound, and if outward bound, to such a distance or stage for which he has been engaged. Any Pilot violating this rule shall be subject to a penalty not exceeding ten pounds or the loss of his licence, or such other punishment as the Pilotage Board may think necessary.

44. If any vessel, whilst in charge of a Pilot, does or receive damage, he shall immediately report such damage done or received to the Clerk of the Board, as per form adopted by the Board, under a penalty not exceeding ten pounds and such report shall be read to the Board at their next meeting. The circumstances of the accident shall be investigated by the Board, if deemed necessary, and the Board may, if they see fit, require the licence of the Pilot to be given up to the Board, until the case has been disposed of.

45. Each Pilot shall keep in his possession his licence, together with a printed copy of the present rates, bye-laws, and regulations, and shall produce the same to the Captain or Commander of any ship or vessel, when required to do so, under a penalty not exceeding ten pounds.

46. Any Pilot missing his cutter when down Channel may get back the best way he can, but he must not board any vessel for the purpose of piloting her, unless such vessel has the usual signal flag for a Pilot within pilotage waters.

47. Should the Master of a vessel land without having been spoken to by a Pilot, the first Pilot who may speak to the Master on shore shall be entitled to bring the vessel into dock.

48. Any Channel Pilot being the owner of a pilot cutter who may desire to work in any other cutter than his own must give notice to the Clerk of the Board at least twenty-four hours before sailing, of such desire, and name the particular cutter in which he desires to work, and he shall not be at liberty to work in his own or any other cutter until such notice has been withdrawn. Such notice in either case to be acknowledged by the Clerk in writing.

49. For the more efficient and equitable working of the pilotage service within the limits of the Port of Cardiff, the Port Pilots shall for the purpose of carrying out their duties be divided into three Sections as follows:—

One Section for duty on shore for a week.

One Section for duty in Penarth Roads for a week.

One Section to be off duty for a week.

50. That a Secretary shall be appointed by the Clerk to the Pilotage Board to each section whose duty it will be to see that each Member of his section goes on duty in his proper order, in accordance with the rota, which shall be framed by the Board from time to time. He shall also keep a record of all absentees and report the same to the Clerk of the Pilotage Board.

51. The Section off duty shall relieve the Section on duty on shore, and the Shore Section shall relieve those on duty in Penarth Roads. These changes to take place every week at 3 o'clock p.m. on Friday, or at such other time as may be prescribed by the Board. Every Member of the section on duty in the Roads shall remain on duty until the entire section is relieved.

52. The Shore Section shall come on duty every tide at half-flood, and shall remain in the vicinity of the Cardiff and/or Penarth pierheads until the work of the tide is over. They shall take charge of all such vessels as require Pilots for any of the purposes mentioned in Bye-law 39.

53. Should there be more work on any one tide than can be properly accomplished by the sections on duty, the section off duty shall be called upon by the Secretary of the Shore Section to supply such men as may be required.

54. The Pilots of the section for the time being on duty in the Penarth Roads shall work in as many pilot cutters or steam pilot boats and in such method as the Board may from time to time direct.

55. When a Pilot of the section which for the time being is on duty in the Penarth Roads shall conduct a vessel into port or elsewhere he shall, as soon as that service is completed, return at once to his section in the Roads and take his place for further duty.

56. The Pilots of the section in Penarth Roads shall board and take charge of all vessels requiring Pilots either inward or outward impartially and in regular rotation—provided that the Pilot who may be employed in taking off Pilots from vessels outward bound shall not whilst so employed be required to take charge of any vessel as a Pilot.

57. When a Pilot of the section which for the time being is on shore duty shall be employed to conduct a vessel anywhere within the Port of Cardiff or out to sea, he shall, as soon as that service is completed, return at once to his section on shore and take his place for further duty.

58. No Pilot shall take charge of any vessel exceeding in size the tonnage authorized by his licence, except in case of necessity arising.

59. If any Port Pilot shall work out of his section or being one of the section off duty shall seek to obtain employment out of his turn, he shall not be entitled to any advantage gained thereby, but any pilotage monies, both inward or outward, thus improperly earned shall be forfeited, and the Board shall award such pilotage monies to the Pilots who in their judgment would in the ordinary course have been entitled thereto; or in case no other Pilot has any claim to such pilotage monies, the Board may, if they think fit, direct that the whole or some part of such Pilotage monies shall be placed to the credit of the Cardiff Pilotage Fund.

60. If any Port Pilot shall object to work under any scheme or system of working which (with the sanction of the Board) may for the time being be in force amongst Port Pilots, having for its object the pooling of their earnings for division amongst themselves, such Port Pilot shall be at liberty to so object, but he shall nevertheless take his place and turn for duty with the other Port Pilots in the sections as provided by Bye-laws 49 to 59 and shall in all other respects conform to and abide by the Bye-laws of the Board. If any Port Pilot shall refuse to work in the sections or shall fail or neglect to take his place and turn for duty therein without reasonable excuse, he shall be liable to a penalty not exceeding two pounds for the first offence, and for the second or any subsequent offence to a like penalty or the suspension or revocation of his licence at the discretion of the Board.

61. Any Pilot who may be found guilty by the Board of having taken charge of any vessel in violation of any of the Bye-laws of the Board shall forfeit his claim to any pilotage payable to him by such vessel in respect of the services rendered by him, and such pilotage shall be awarded by the Cardiff Pilotage Board to such other Pilot as shall in their judgment be entitled to it, or in case no other Pilot has any claim to the vessel, the Board may, if they think fit, direct that the whole or any part of the pilotage so earned shall be placed to the credit of the Cardiff Pilotage Fund. For any second or subsequent offence the Pilot so offending shall be subject, in addition to the forfeiture of the pilotage as above, to a penalty not exceeding five pounds for each offence.

62. All fines inflicted by the Board in respect of the breach of any or either of these Bye-laws shall be applied to the Pilotage Fund.

63. If any disputes or difficulties shall arise as to the rotation of the Pilots in the Roads or on shore, the same shall be settled by the Clerk to the Board, subject to an appeal to the Board.

64. If any disputed claim shall arise between Pilots to any pilotage monies, such dispute shall be referred to the Board.

65. The foregoing Bye-laws shall continue in force for the period of six months from the seventh August, one thousand nine hundred and two.

At the Court at Buckingham Palace, the 11th day of August, 1902.

A. W. FitzRoy.

At the Court at *Buckingham Palace*, the 11th day of *August*, 1902.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Local Government Board, after giving to the Incumbent and the churchwardens of the church of Saint Michael Boroughbridge, in the parish of Othery in the county of Somerset, ten days' previous notice of their intention to make such representation, have, under the provisions of the Burial Act, 1853, made a representation stating that, for the protection of the public health, no new burial-ground should be opened in the civil parish of Othery, without the previous approval of the Local Government Board, and that burials should be discontinued therein, as follows:—

OTHERY.—Forthwith and entirely in the Church of Saint Michael, Boroughbridge, in the parish of Othery, in the county of Somerset; and in the churchyard after the thirty-first of March, one thousand nine hundred and three, except as follows:—

(a.) In any vault or walled grave now existing in the said churchyard burial may be allowed subject to the condition that every coffin buried in such vault or grave be separately enclosed by stonework or brickwork properly cemented.

Now, therefore, His Majesty in Council is pleased hereby to give notice of such representation, and to order that the same be taken into consideration by a Committee of the Lords of His Majesty's Most Honourable Privy Council on the twentieth day of September next.

And His Majesty is further pleased to direct that this Order be forthwith published in the *London Gazette*, and that copies thereof be affixed on the doors of the churches or chapels of, or on some conspicuous places within, the parish affected by such representation one month before the said twentieth day of September.

A. W. FitzRoy.

At the Court at *Buckingham Palace*, the 11th day of *August*, 1902.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by "The Burial Act, 1853," it was enacted that, in case it appeared to His Majesty in Council, upon the representation of one of His Majesty's Principal Secretaries of State, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of one of such Secretaries of State, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it should be lawful for His Majesty, by and with the advice of His Privy Council, to order that no new burial-ground should be opened in any city or town, or within such limits, without such previous approval, or (as the case might require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, should be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances might require; provided

always, that notice of such representation, and of the time when it should please His Majesty to order that the same be taken into consideration by the Privy Council, should be published in the *London Gazette*, and should be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation was so considered: provided also, that no such representation should be made in relation to the burial-ground of any parish until ten days' previous notice of the intention to make such representation should have been given to the Incumbent and Vestry Clerk or Churchwardens of such parish:

And whereas by the Burial Act, 1853, it was, amongst other things, enacted that it should be lawful for His Majesty, by and with the advice of His Privy Council, from time to time to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, should or should not have arrived), as to His Majesty, with such advice as aforesaid, might seem fit:

And whereas by "The Burial Act, 1900," it was enacted that the powers and duties of the Secretary of State under the Burial Acts should be transferred to the Local Government Board:

And whereas the Local Government Board, after giving to the Incumbent and the Churchwardens of the parish hereinafter mentioned ten days' previous notice of their intention to make such representation, have made a representation stating that they are of opinion that the Order in Council of the twenty-third day of October, one thousand eight hundred and seventy-seven, in so far as it affects burials in the parish of Osmotherley, in the North Riding of the county of York, should be varied, and that the following directions should be substituted for those contained in the said Order, with respect to burials in the said parish, viz:

OSMOTHERLEY.—That burials be discontinued forthwith and entirely in the Parish Church of Saint Peter, Osmotherley, in the North Riding of the county of York; and in the churchyard after the thirty-first of December, one thousand nine hundred and two, except as follows:—

In any vault or walled grave now existing in the said churchyard burial may be allowed subject to the condition that every coffin buried in such vault or grave be separately enclosed by stonework or brickwork properly cemented.

Now, therefore, His Majesty in Council is pleased hereby to give notice of such representation, and to order that the same be taken into consideration by a Committee of the Lords of His Majesty's Most Honourable Privy Council on the twentieth day of September next.

And His Majesty is further pleased to direct that this Order be forthwith published in the *London Gazette*, and that copies thereof be affixed on the doors of the churches or chapels of, or on some conspicuous places within, the parish affected by such representation one month before the said twentieth day of September.

A. W. FitzRoy.

At the Court at *Buckingham Palace*, the 11th day of *August*, 1902.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by the Burial Act, 1853, it was enacted that, in case it appeared to His Majesty in Council, upon the representation of one of His Majesty's Principal Secretaries of State, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of one of such Secretaries of State, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it should be lawful for His Majesty, by and with the advice of His Privy Council, to order that no new burial-ground should be opened in any city or town, or within such limits, without such previous approval, or (as the case might require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, should be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances might require; provided always that notice of such representation, and of the time when it should please His Majesty to order that the same be taken into consideration by the Privy Council, should be published in the *London Gazette*, and should be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation was so considered; provided also, that no such representation should be made in relation to the burial-ground of any parish until ten days' previous notice of the intention to make such representation should have been given to the Incumbent and vestry clerk or churchwardens of such parish:

And whereas by the Burial Act, 1900, it was enacted that the powers and duties of the Secretary of State under the Burial Acts should be transferred to the Local Government Board:

The KING's Most Excellent Majesty in Council.

WHEREAS by the Burial Act, 1855, it was, amongst other things, enacted that it should be lawful for His Majesty, by and with the advice of His Privy Council, from time to time to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, should or should not have arrived), as to His Majesty, with such advice as aforesaid, might seem fit:

And whereas an Order in Council has been made directing the discontinuance of burials in the churchyards hereinafter mentioned from the time specified in such Order; and whereas it seems fit to His Majesty, by and with the advice of His Privy Council, that the time for discontinuing burials in the said churchyards be postponed:

Firstly, that consignments of the above hides and skins should be accompanied by a Certificate from a Russian Consular Officer at Canea, that the skins in question have proceeded from places free from epidemic diseases; and, secondly, that they be imported at Black Sea ports, in accordance with the requirements of the following rules in existence for the carriage by rail of raw skins and hides:—

(1.) All raw skins and hides may be transported by rail if packed in cases, barrels, bales, bundles, &c.

(2.) The simplest method of packing may be adopted: (a) For dried and frozen hides and skins, in bales tied with a single rope crossways and with a lead seal affixed to the knot; and (b) For hides and skins, raw and dry and wet salted, in bales wrapped in a hide or skin with the hair outside and then sewn up in strong matting and tied with a rope with a lead seal affixed to the knot. (Note) Frozen hides and skins packed as specified in point (a) may be transported only in the months of November, December, January, and February.

(3.) In invoices of hides and skins only the number of packages need be specified, and not the number of hides contained in each parcel.

(4.) Hides and skins imported in packages not satisfying the conditions specified in paragraph 2 shall not be allowed to be transported by rail. On the discovery of any damage to packing the railway station authorities shall demand that the sender of the goods make an endorsement specifying such damage on the way-bill. In the event of the sender objecting to such endorsement on the way-bill, as also in the event of non-acceptance of the hides and skins for carriage by rail a protocol must be drawn up in the form specified in paragraph 64 of the General Code.

(5.) The present rules shall extend to the internal and foreign carriage of hides and skins by land and water-ways.
