Copy

To Vice-Admiral Sir G. S. Nares, K.C.B., F.R.S., &c., Acting Conservator of the Mersey.

In pursuance of an Act for better preserving the Navigation of the River Mersey (5 and 6 Vic.,

cap. 110), I, Miles Kirk Burton, General Manager and Secretary of the Mersey Docks and Harbour Board, hereby give notice that the said Board propose to alter and extend the Liverpool Landing Stage in accordance with plans deposited at the office of the Mersey Conservancy.

The work in question, which is to provide additional berthage accommodation for passenger ferry steamers, consists of continuing the western face of the stage, a distance of 15 feet to a point opposite the present south end of the stage, and extending it beyond that point a further distance of 15 feet. This extension will be supported on pontoons, which will rise and fall with the tide in the same way as the existing stage, and have similar draught—about 3 feet.

The work will be commenced in two months time, and will not project beyond the western face line of the existing structure, nor further impede or interrupt the tidal or other waters of the River Mersey.

Extension of certain Sections of Diseases of Animals Act, 1894.

1. Horses, asses, and mules shall be animals, and strangles of horses, asses, and mules (in this Order called strangles) shall be a disease for the purposes of this Order and of the following sections of the Act of 1894 (namely):

Sections nineteen and twenty (slaughter and compensation);

Section forty-three (powers of police);

Section forty-four (powers of inspectors);

and also for the purposes of all other sections of the said Act containing provisions relative to or consequent on the provisions of those sections and this Order, including such sections as relate to offences or procedure.

Separation of Diseased and Suspected Animals and Notice of Disease.

2. Every person having in his possession or under his charge a horse, ass, or mule affected with or suspected of strangles shall (a) as far as practicable keep that animal separate from animals not so affected or suspected; and (b) with all practicable speed give notice of the fact of the horse, ass, or mule being so affected or suspected to an Inspector of the Local Authority or to one of his Assistants who shall forthwith report the same to the Local Authority.

Duty of Inspector to act immediately.

3. An Inspector of the Local Authority on receiving in any manner whatsoever information of the supposed existence of strangles, or having reasonable ground to suspect the existence of strangles, shall proceed with all practicable speed to the place where such disease, according to the information received by him, exists, or is suspected to exist, and shall there and elsewhere put in force and discharge the powers and duties conferred and imposed on him as Inspector by or under the Act of 1894 and this Order.

Public Warning as to Existence of Strangles.

4.—(1.) The Local Authority may, if they think fit, give public warning by placards, advertisement, or otherwise, of the existence of strangles in any stable, building, field, or other place, with or without any particular description thereof, as they think fit, and may continue to do so during the existence of the disease, and in case of a stable, building, or other like place, until the same has been cleansed and disinfected.

(2.) It shall not be lawful for any person (without authority or excuse) to remove or deface any such placard.

Slaughter.

5.—(1.) The Local Authority may, if they think fit, cause to be slaughtered—

(2.) Provided that if the owner of the horse, ass, or mule gives notice in writing to the Local Authority, or their Inspector or other officer, that he objects to the horse, ass, or mule being slaughtered, it shall not be lawful for the Local Authority to cause that horse, ass, or mule to be slaughtered except with the further special authority of the Board first obtained.

Compensation.

6. The Local Authority shall, except as hereinafter provided, pay out of the local rate as compensation for any horse, ass, or mule slaughtered under this Order, the value of the horse, ass, or mule immediately before it was slaughtered.

(e.) For regulating the taking out of any stable, building, field, or other place of any fodder, litter, or other thing that has been in contact with or used for or about a horse, ass, or mule affected with or suspected of strangles; but nothing in any such Regulation shall authorize movement in contravention of any provision of any Order of the Board for the time being in force; and a Regulation under paragraph (d) of this Article shall operate so long only as any horse, ass, or mule which in the judgment of the Local Authority is affected with strangles, remains in the stable, building, field, or other place to which the Regulation refers, and in case of a stable, building, or other like place, until the Regulations of the Local Authority as to cleansing and disinfection have been complied with.

to the jurisdiction of any such Authority as is
mentioned in Paragraph (4) of Article I of this
Order.

ARTICLE IV.—Any Order in force assigning a
District to the District Auditor for the discharge
of his duties or prescribing his duties shall, from
and after the date upon which this Order shall
come into operation, be rescinded, but nothing in
