"And whereas after making payable to us for the benefit of our common fund for the purposes hereinafter mentioned, such portions as are hereinafter mentioned of the improved value which has arisen as aforesaid to the said rectory of Hornsey from the said sale, the average annual income of the said rectory of Hornsey will not be left at a less sum than six hundred pounds.

"And whereas the Reverend St. Clair George Alfred Donaldson, the rector or Incumbent as aforesaid of the said rectory of Hornsey, is desirous that we should submit to Your Majesty in Council the recommendation and proposal hereinafter set forth, and has signified his consent thereto by signing and sealing this scheme.

6. If by stress of weather, accident, or Captain's desire, any ship or vessel outward bound be compelled to put back and return from the westward, the Pilot in charge shall be paid the rate of pilotage for the distance he may have proceeded, and in addition to the rates fixed for such a distance outward, one-third of the Channel Pilotage on account of bringing such ship or vessel back again. If the vessel is brought into dock the Pilot shall be paid the full tariff rates from Penarth Roads.

7. If any master of a ship navigating in or upon the waters of the Bristol Channel within the jurisdiction of the Cardiff Pilotage Board, knowingly employs or continues to employ an unqualified Pilot after a qualified Pilot has offered to take charge of the ship, or has made a signal for that purpose, he shall in every case incur a penalty of double the amount of pilotage demandable for the conduct of the ship.

8. Any master or mate of a vessel who holds a certificate under this Board to enable him to pilot his vessel within any portion of the district under the jurisdiction of the Board, shall for every time he may navigate his vessel within the waters of the district over which he is licensed, pay into the Cardiff Pilotage Fund a sum not exceeding five per cent. of the amount of pilotage which the vessel of which he is in charge would have paid had the services of a licensed Pilot been engaged, and every such master or mate shall, within a month of the thirtieth June and thirty-first December in each year, make a return to the Clerk of the Board of such services rendered by him during the previous six months. But such payment shall not entitle any such master or

mate to a participation in any of the benefits of the said fund.

9. Except as provided by the twenty-fourth section of "The Bristol Channel Pilotage Act, 1861," and as hereafter mentioned, no person shall be appointed to act as a Pilot unless he shall have served a regular apprenticeship for five years to a Channel Pilot in the waters of the district aforesaid, and have afterwards served at sea at least two years, about twelve months of which to be in square-rigged sailing vessels in the oversea trade, and the remainder in steamers, and no person shall be deemed eligible if less than twenty-five years or more than forty-five years old. In case the Pilotage Board shall at any time be of opinion that an increased number of Pilots are required in the said district and there shall not be a sufficient number of duly qualified apprentices to supply the deficiency, the Board shall be at liberty to dispense with all or any part of the said apprenticeship or other requirement, and after examination to appoint any fit and proper person (having previously served five years as master or mate of a vessel) to act as a Pilot without having served such term of apprenticeship or complied with such other requirement.

10. Pilots shall be licensed for such areas and in such divisions as the Board may from time to time determine.

11. Every candidate for apprenticeship, before he can be considered eligible for the pilotage service, shall produce satisfactory testimonials as to character, and a surgeon's certificate that he is of sound health; he shall prove to the satisfaction of the Board that he is not less than fourteen nor more than eighteen years of age, and that he is able to read and write correctly, and that he has a competent knowledge of arithmetic. Having complied with these requirements he may, after a month's probation, if approved by the Board, be apprenticed to a pilot for five years.

12. The indenture of apprenticeship, which shall be in a form approved by the Board, shall be signed by the Pilot and the apprentice, and then be registered at the Pilotage Office.

The Board shall have full power to enquire into the conduct of Pilots towards their apprentices, and *vice versa*, and to investigate all complaints made by pilots against their apprentices, and also by apprentices against Pilots, whether they be masters to such apprentices or not, and into the general conduct of apprentices. And the Board shall have full power to make such orders or inflict fines in reference thereto, and also to direct any apprenticeship indenture to be cancelled upon such terms and conditions as shall be determined.

13. The Pilot to whom any apprentice is serving, shall endorse at the back of every indenture a statement of time lost by the apprentice, and of pecuniary losses which have been incurred by the Pilot by reason of the negligence or want of attention of the apprentice, and such statement shall be initialed by the Pilot and apprentice on the respective dates when such losses shall be charged against the apprentice.

14. At the expiration of five years from the date of the apprenticeship indentures the Pilot shall appear before the Board with the apprentice and his indentures and the Board shall thereupon decide as to the amount of time and money (if any) to be made good by the apprentice before the indenture shall be surrendered to him.

15. After completing the full period of five years' apprenticeship the apprentice shall serve two years at sea in sailing vessels and steamers

in manner required by Bye-law 9, after which on proof by proper certificates of such sea service being given to the satisfaction of the Board, and that such apprentice has attained the age of twenty-five years, his name shall be entered upon the rota of candidates eligible for examination.

16. Whenever an apprentice shall for the first time appear before the Examining Committee for examination his indenture of apprenticeship shall be produced for the inspection of the Committee.

17. No person shall be licensed to act as a Pilot in the district unless he produce satisfactory testimonials as to his character, and shall have passed a creditable examination in the following subjects:—

(1.) Produce a Board of Trade Certificate as to Colour Blindness.

(2.) He must be able to give the course and distance between any two places within the limits of the channel.

(3.) The rise, velocity, and set of the tides.

(4.) The depth and character of the soundings.

(5.) The best anchorages, and where to stop for a tide.

(6.) The sandbanks, rocks, shoals, and other dangers.

(7.) The landmarks, buoys, lights—their different bearings and distance.

(8.) The appearance of different headlands.

(9.) The management of a vessel—to bring her to anchor—to keep her clear of her anchor in a tideway—to moor, unmoor, and get under weigh—and to handle a vessel under any circumstances.

18. For every original licence which shall be granted to Pilots, there shall be paid to the Board the sum of £1 1s., and for every renewal thereof the sum of 10s. 6d. For every Pilotage Certificate granted to the master or mate of any vessel there shall be paid to the Board the sum of £1 1s., and for every renewal thereof the sum of 10s. 6d. All licences and certificates must be renewed annually, the first week in October, or at such other time as the Board may direct.

19. Each Pilot shall provide himself with a good and efficient pilot cutter which shall be approved and licensed by the Board, he paying two-shillings-and-sixpence for such licence, and such cutter shall be kept in good repair and fully equipped to the satisfaction of the Board, and be subject to periodical examinations by the Board. Two or more Pilots may by permission of the Board, certified under the hand of the Clerk, work in the same boat and act in conjunction, but such permission may at any time be withdrawn at the discretion of the Board, provided that such permission shall not be refused or withdrawn without sufficient reason. No Pilot shall be entitled to pursue his avocation as a pilot without the sanction of the Board first obtained unless he has complied with the provisions of this Bye-law, and any Pilot acting in contravention hereof shall be subject to a penalty of not exceeding ten pounds for the first offence, and for the second or any subsequent offence to a like penalty or the suspension or revocation of his licence at the discretion of the Board.

20. Each Pilot's cutter shall have her number painted on each bow and the name of the Pilot or Pilots, as well as her own name and the name of the port, painted in legible characters upon the stern, and shall have the letter C marked in black paint, of not less than four feet in length, and the letter F, eighteen inches in length, painted on a level with the top of the letter C, at a distance of three feet, on her mainsail, and shall by day carry at her mast-head a flag of not less than six by four feet, in two colours, the upper horizontal half *white*, and the lower part *red*. And at night each Pilot's cutter shall carry

a white light only at the mast-head, and shall exhibit a flare-up light, or flare-up lights, at short intervals, and such lights as are prescribed by the Board of Trade Regulations for the Prevention of Collisions at Sea, applicable to Pilot Boats. Every Pilot shall immediately on boarding a vessel and taking charge thereof, hoist a flag in some conspicuous place, and keep the same flying during the time he so remains in charge; the flag to be the regular pilot flag—red and white—for Channel Pilots, with the colours horizontal; and Port Pilots, in addition thereto, bearing in the centre of their flags the letter P in black, of not less than two feet in length. In case of default in any of the above requirements, the Pilot shall be liable to a penalty not exceeding twenty pounds for every breach thereof.

21.—(a.) The first Channel Pilot who arrives off Blacknore Point in his cutter shall be deemed to be first on turn, and entitled to have his choice of any vessel bound from Kingroad to Cardiff, and, having been engaged, his cutter must follow him down to Cardiff.

(b.) When two or more Channel Pilots are working together, the cutter may remain to the eastward of Blacknore Point until the last of the said Pilots shall have been engaged, after which the cutter must be brought to Cardiff, and neither of the said Pilots shall be entitled to a second turn until this Bye-law has been complied with.

(c.) Should the Pilot send his cutter down to Cardiff the tide before the vessel for which he shall have been engaged leaves Kingroad, he shall not go seeking again until the tide following that upon which the said vessel docks. This condition also to apply to vessels from Newport, according to Bye-law 22.

22.—(a.) The first Channel Pilot who shall arrive in his cutter inside Newport River Buoy shall be deemed to be first on turn, and entitled to the choice of any vessel bound from Newport to Cardiff.

(b.) Should he, after arriving at Newport, desire to come himself to Cardiff, he will forfeit his right to a choice, and must notify at the Pilotage Office the particular vessel he desires to claim.

(c.) Should any vessel bound to Cardiff, and brought from the westward, or followed up by a Cardiff Channel Pilot receive orders to proceed to Newport to Dry Dock and thence to Cardiff, the Channel Pilot who brought or followed her up shall be entitled to the right of piloting that vessel into Cardiff when she leaves Newport, provided he remains on shore for that purpose, and notifies at the Pilotage Office his intention to do so.

23.—(a.) The Channel Pilot who shall first speak to a vessel to the westward, whether within the limits of his licence or not, shall be entitled to pilot that vessel into Port, provided he gives his number to the vessel and follows her up and arrives alongside the vessel before the Docking Signal is up. In the event of the vessel receiving orders to dock early on tide, the Pilot must be alongside before the anchor is weighed.

(b.) Should he speak to the vessel so far away that it will be impossible for him to be up in his cutter in time to dock, he shall be at liberty to follow the vessel up in any manner he chooses. Should he fail to arrive in time to take the vessel into dock, he shall still be entitled to take the vessel out.

(c.) When a Channel Pilot is following a vessel in accordance with the preceding rule, he shall not board any other vessel for the purpose

of piloting her, unless his services are demanded by signal within the limits of his licence, in which case he must give up the vessel of which he is in charge to the first Pilot who may speak to him. The Channel Pilotage payable by such vessel to be proportionately divided between the two; the first Pilot retaining his right to the vessel which he is following up.

24. Should any Channel Pilot be absent when a vessel for which he has been engaged is ready to come into dock, the Pilot who docks her will be entitled to the inward pilotage, but he shall have no claim to the vessel outwards.

25.—(a.) No Channel Pilot shall be entitled to more than one inward-bound vessel, from the time he leaves either the Cardiff or Penarth Pier-heads, until his cutter returns to Cardiff or Penarth, except under the following conditions:—Should he, after boarding a vessel to the westward, desire to send his cutter into any harbour situate within the Bristol Channel, he shall not leave that harbour to go seeking for another vessel until such time shall have elapsed after his departure from Cardiff as is hereinafter provided.

(b.) Any harbour situate within the limits to the westward of Lavernock, and the eastward of an imaginary line drawn from the Nash Point to Minehead; twelve hours:

(c.) Any harbour situate within the limits of an imaginary line drawn from the Nash to Minehead and to the eastward of an imaginary line drawn from Ilfracombe to the Mumbles, if as a passenger, twenty-four hours; if engaged piloting a vessel to the Nash, twelve hours:

(d.) Any harbour situate to the westward of Ilfracombe, and the eastward of an imaginary line drawn from Hartland to Lundy and thence to Caldy, if a passenger, thirty-six hours; if engaged piloting a vessel to Ilfracombe, twenty-four hours:

(e.) The time of departure from Cardiff to be notified in writing to the Clerk of the Board, who shall keep a record of the time so notified.

(f.) No Pilot shall join his cutter outside the limits of his licence for the purpose of seeking employment.

26. When two or more Pilots working in the same cutter may be down Channel together seeking, if one of them wishes to claim a vessel, he must give her his number, and follow her up to Cardiff.

27. Pilot cutters leaving Cardiff to go seeking shall not under any circumstances be towed further than the buoy which marks the outer limit of the Bute Entrance Channel, and at the same time shall not be towed past another cutter also going seeking. No Pilot shall tow his cutter with a vessel further than the distance for which he shall have been engaged to pilot such vessel, nor shall he join his cutter beyond the limits for which he is engaged and thereafter go seeking, except under the conditions laid down in Bye-law 29. No Pilot shall join his cutter in the open Channel under any circumstances, unless he is *bona fide* engaged in piloting a vessel.

28. Every Pilot shall before leaving any vessel piloted by him, obtain from the Master or Officer in command of such vessel a certificate of pilotage services rendered, in the form provided by the Board for that purpose, and signed by such Master or Officer, and shall, without any delay, deliver to the Clerk of the Pilotage Board all such certificates of pilotage.

29. Each Pilot shall, within twenty-four hours after his return from a cruise, report himself to the Clerk, and make a full and proper return, giving the number of his boat, the day of his last

sailing for sea, the distance he proceeded, the date of his return, the name, flag, and captain's name of the ship he may have taken in charge or brought to port, together with the port from which the ship may have come, if in ballast or with cargo, with the name of consignee, the draught of water of the ship, and registered tonnage. Non-compliance with this Bye-law shall subject the offender to a penalty of five pounds for the first offence, and the loss of his licence for any subsequent offence, or such other punishment as the Pilotage Board may think necessary.

30. Each Pilot shall account for all money received by him for pilotage to the Clerk on the day following that on which it is received, or in case of such money being received at sea, then the Pilot shall deliver an account for the same to the Clerk as soon as he returns to port; and all claims for extra days shall be inserted in the certificate of pilotage, and signed for by the master of the vessel. Any Pilot violating this rule shall be subject to a penalty not exceeding ten pounds for the first offence, and for the second offence to the forfeiture of his licence, or such other punishment as the Pilotage Board may think necessary.

31. Any Pilot who shall refuse or neglect to proceed to either of the Pilot stations in the District fixed by the Board, when ordered to do so by the Clerk, unless prevented by illness or the loss of his boat, or other good and sufficient reason, or who shall be guilty of drunkenness or of insolent or abusive language, or unwarrantable conduct towards any member of the Pilotage Board, or the Clerk, or other officer of such Board, shall be liable to a penalty not exceeding ten pounds for the first offence, and for the second, or any subsequent offence, to a like penalty, or the suspension or revocation of his licence at the discretion of the Board.

32. Should any Owner or Captain apply for a Pilot to be sent overland for the purpose of bringing a vessel to Cardiff, such application must be made to the Pilotage Office, and a Channel Pilot shall be sent according to the rotation of the printed Pilotage List. Should the Pilot first on turn be absent, then the Pilot next on turn shall be sent. The absent Pilot to lose his turn.

33. Any Pilot who may absent himself from duty or go overland to take charge of any ship or vessel, or seek employment otherwise than in his own boat, without the written consent of the Clerk, shall be liable to a penalty not exceeding ten pounds for the first offence, and for the second, or any subsequent offence, to a like penalty, or the suspension or revocation of his licence at the discretion of the Board.

34. Any Captain, Master, or Agent of any ship or vessel bound to sea, who may make application at the office of the Board for a Pilot, shall give the ship's draught of water and registered tonnage, with such other information as may be required; and upon payment of the pilotage fees shall have a Pilot named and appointed to take charge of his ship or vessel, preference in all cases to be given to the Pilot who piloted the ship inwards. Such application to be made during office hours, and at least twelve hours before the Pilot shall be wanted. Any Pilot attending after being ordered, and the Captain declining to go to sea (except the weather be such as to prevent his going), shall receive the sum of ten shillings for each attendance.

35. Any Pilot taking charge of a vessel not bound to the port to which he is licensed shall be paid the rates, and be governed by the laws established at the port to which the vessel is bound.

36. Each Pilot shall strictly conform to the directions of the harbour or dock master touching the docking or undocking, mooring or unmooring, placing or removing, any ship or vessel which such Pilot may have under his charge, so long as such vessel shall be within the limits of the authority of such harbour or dock master. Any Pilot violating this rule shall be subject to a penalty not exceeding ten pounds, or such other punishment as the Pilotage Board may think fit.

37. Any Pilot having charge of a vessel inward bound shall not be released from his duties or responsibilities until such vessel is securely moored in the dock, basin, or harbour of the port; but if in charge of a vessel bound to a port for which he is not licensed, he shall be released from his duties and responsibilities when such vessel is anchored in the nearest roadstead to the port to which she is bound, and if outward bound, to such a distance or stage for which he has been engaged. Any Pilot violating this rule shall be subject to a penalty not exceeding ten pounds or the loss of his licence, or such other punishment as the Pilotage Board may think necessary.

38. If any vessel, whilst in charge of a Pilot, does or receive damage, he shall immediately report such damage done or received to the Clerk of the Board, as per form adopted by the Board, under a penalty not exceeding ten pounds and such report shall be read to the Board at their next meeting. The circumstances of the accident shall be investigated by the Board, if deemed necessary, and the Board may, if they see fit, require the licence of the Pilot to be given up to the Board, until the case has been disposed of.

39. Each Pilot shall keep in his possession his licence, together with a printed copy of the present rates, bye-laws, and regulations, and shall produce the same to the Captain or Commander of any ship or vessel, when required to do so, under a penalty not exceeding ten pounds.

40. Any Pilot missing his cutter when down Channel may get back the best way he can, but he must not board any vessel for the purpose of piloting her, unless such vessel has the usual signal flag for a Pilot within pilotage waters.

41. Should the Master of a vessel land without having been spoken to by a Pilot, the first Pilot who may speak to the Master on shore shall be entitled to bring the vessel into dock.

42. Any Channel Pilot being the owner of a pilot cutter who may desire to work in any other cutter than his own must give notice to the Clerk of the Board at least twenty-four hours before sailing of such desire, and name the particular cutter in which he desires to work, and he shall not be at liberty to work in his own or any other cutter until such notice has been withdrawn. Such notice in either case to be acknowledged by the Clerk in writing.

43. The first Port Pilot to the Rannie Buoy in his cutter shall have the first claim to a turn for the westward chance; vessels for Burnham or Bridgewater to be considered as if from the westward. And the first Port Pilot to the East Cardiff Buoy in his cutter shall have the first claim to a turn for the westward chance.

44. Any Port Pilot remaining on shore from his cutter more than twenty-four hours shall forfeit his turn.

45. Any Port Pilot wishing to retain his turn to the westward, must not bring his cutter above an imaginary line drawn from the middle Cardiff Buoy to the Penarth Pier, unless he may be following up a vessel thinking to have her, and a Channel Pilot comes up afterwards and claims

her. In case a vessel shows the usual signal for a Pilot in Cardiff Roads, the Pilot who is first on turn must board her. Port Pilots may bring their cutters for shelter under the Low Water Pier when blowing strong from the eastward or south-eastward on an ebb tide without losing their turn as above.

46. Any Pilot who may be found guilty by the Board of having taken charge of any vessel in violation of any of the Bye-laws of the Board shall forfeit his claim to any pilotage payable by such vessel in respect of the services rendered by him, and such pilotage shall be awarded by the Cardiff Pilotage Board to such other Pilot as shall in their judgment be entitled to it, or in case no other Pilot has any claim to the vessel, the Board may, if they think fit, direct that the whole or any part of the pilotage so earned shall be placed to the credit of the Cardiff Pilotage Fund. For any second or subsequent offence the Pilot so offending shall be subject, in addition to the forfeiture of the pilotage as above, to a penalty not exceeding five pounds for each offence.

47. All fines inflicted by the Board in respect of the breach of any or either of these Bye-laws shall be applied to the Pilotage Fund.

48. If any disputed claim shall arise between Pilots to any pilotage monies, such dispute shall be referred to the Board.

49. The preceding Bye-laws shall commence and take effect from the date of the Order of His Majesty in Council approving the same on which day all Bye-laws previously made by the Cardiff Pilotage Board for the Government of Pilots in the Cardiff Pilotage District approved by an Order in Council dated the eleventh day of August, one thousand nine hundred and two, so far as the same or any of them are now in force, shall be repealed.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS His Majesty, by and with the advice of His Privy Council, by Order dated the nineteenth day of November one thousand nine hundred and two (in this Order referred to as the principal Order), made provisions respecting the currency of coins in His Majesty's Protectorate of Southern Nigeria;

And whereas it appears to His Majesty to be desirable to make further and other provision respecting the currency of the Protectorate;

Now, therefore, His Majesty, in pursuance of the powers vested in him by the Foreign Jurisdiction Act, 1890, or otherwise, is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered as follows :—

To the King's Most Excellent Majesty.

May it please Your Majesty.

We, Your Majesty's Loyal and Dutiful Subjects of the Metropolitan Counties of Middlesex and Surrey, desire to express our hearty thanks to Your Majesty for so kindly consenting to our request that You would be pleased to mark the completion of the first great work undertaken by the two Counties jointly by visiting it in person accompanied by Your Beloved Consort.

We trust that You may long be spared to rule over a powerful, prosperous, and contented Empire, and that long life and happiness may equally attend Her Majesty Queen Alexandra.

Signed for Middlesex,

RALPH LITTLER,

Chairman of County Council and

Signed for Surrey,

"We welcome the spirit which has moved the two counties of Middlesex and Surrey to join in this undertaking. I am sure that the Bridge will be a marked benefit to residents on both sides of the River, and to visitors to the district."
