FRIDAY, SEPTEMBER 11, 1903.

War Office, September 11, 1903.

The KING has been graciously pleased to signify His intention to confer the decoration of the Victoria Cross on the undermentioned Officer, whose claims have been submitted for His Majesty's approval, for conspicuous bravery during the Kano-Sokoto Expedition in West Africa, as stated against his name:—

Corps.	Name.	Act of Courage for which recommended.
The Queen's (Royal West Surrey Regiment) Northern Nigeria Regiment	Lieutenant (now Captain) Wallace Duffield Wright	On the 24th March, 1903, Lieutenant Wright, with only one Officer and 44 men, took up a position in the path of the advancing enemy, and sustained the determined charges of 1,000 Horse and 2,000 Foot for two hours, and when the enemy, after heavy losses, fell back in good order, Lieutenant Wright continued to follow them up till they were in full retreat. The personal example of this Officer, as well as his skilful leadership, contributed largely to the brilliant success of this affair. He in no way infringed his orders by his daring initiative, as, though warned of the possibility of meeting large bodies of the enemy, he had purposely been left a free hand.

And to all others whom it may concern.

Whereas by certain General and other Orders (hereinafter referred to as "the Orders for Accounts") the Poor Law Board, and We, the Local Government Board, have made Rules and Regulations with regard to the Accounts of the Overseers of the Poor of Parishes in England and Wales, and with regard to the Accounts of Collectors of Rates;

And whereas it is expedient that further provision should be made as hereinafter mentioned:

Now therefore, We, the Local Government Board, in pursuance of the powers given to Us by the Statutes in that behalf, do hereby Order and Prescribe as follows, with respect to every Parish in England and Wales, excluding the Parishes in the several Metropolitan Boroughs, the Parishes in the Isles of Scilly, the Parish of Holy Trinity and Saint Mary in the County Borough of Kingston-upon-Hull, and the Parish of Norwich, but subject to any departure to which We may hereafter assent:—

ARTICLE I.—This Order shall have effect from and after the date hereof, and any provision of any of the Orders for Accounts which requires the Overseers of the Poor of the Parish to make out a Balance Sheet of their Receipts and Payments, and prescribes the Form thereof, and any other provision of any of the Orders for Accounts which is inconsistent with any provision of this Order, shall be rescinded as from the date hereof:

Provided that nothing in this Order shall apply to the books or accounts of the Overseers of the Poor or of any Collector to be prepared in respect of any half-year completed before the date hereof, or to any Audit of those Accounts, or to any other matter relating to the said Accounts.

ARTICLE II.—(1.) The Overseers of the Poor of the Parish and every Collector shall make up and balance to the thirty-first day of March and the thirtieth day of September in each year all such books and accounts as they are required to submit to the Auditor at the half-yearly audit of Accounts.

(2.) Any provision of any of the Orders for Accounts which specifies the twenty-fifth day of March and the twenty-ninth day of September as dates for any purpose therein mentioned shall, in relation to the Accounts of the Overseers of the Poor or of any Collector, have effect as if there were substituted for the said dates the dates mentioned in subdivision (1.) of this Article.

(3.) Any provision of any of the Orders for Accounts which specifies the twenty-sixth day of March as the date on which the year shall for the purposes of such Order commence shall, in relation to the Accounts of the Overseers of the Poor or of any Collector, have effect as if the first day of April were substituted for such first-mentioned date.

ARTICLE III.—(1.) The Overseers of the Poor of the Parish shall make out in duplicate and in the Form in the Schedule to this Order, and in accordance with the instructions in that Form, a Balance Sheet of the Overseers' Receipts and Payments for every half-year in respect of the Poor Rates and in respect of any other Rates levied by them, and shall insert at the foot of each duplicate of the Balance Sheet a Memorandum containing the particulars required by the memorandum at the foot of the said Form.

(2.) The Overseers of the Poor shall sign each duplicate of the Balance Sheet in the place prescribed in the said Form, and shall deliver the same to the District Auditor at the audit of their accounts.

(3.) The District Auditor shall at the audit certify by his signature at the foot of each duplicate of the Balance Sheet that it is correct, and shall deliver one duplicate of the Balance Sheet to the Clerk to the Guardians, who shall preserve it, together with the other Balance Sheets of the corresponding half-year, with the books and papers of the Guardians.

(4.) The District Auditor shall deliver the other duplicate of the Balance Sheet to the Overseers of the Poor. In the case of a Rural Parish having a Parish Council, the Overseers of the Poor shall lay such Balance Sheet before the next meeting of the Parish Council, in the case of any other Rural Parish, before the next assembly of the Parish Meeting, and in the case of an Urban Parish before the next meeting of the Vestry, unless the general powers of the Vestry as regards poor law matters are exercisable by the Council of the Borough or Urban District in which the Parish is situated, in which case the Overseers of the Poor shall forthwith deliver a copy of the said Balance Sheet to that Council. The said Balance Sheet shall be preserved among the other parochial documents, and be open to the inspection of the ratepayers of the Parish.

When the river is low it is recommended that all vessels should reduce speed to 5 knots, especially in the upper portion of the Sulina branch and in the cuttings.
