PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by the Burial Act, 1853, as amended by the Burial Act, 1900, it was enacted that, in case it appeared to His Majesty in Council, upon the representation of the Local Government Board, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of the Local Government Board, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it should be lawful for His Majesty, by and with the advice of His Privy Council, to order that no new burial-ground should be opened in any city or town, or within such limits, without such previous approval, or (as the case might require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, should be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances might require; provided always, that notice of such representation, and of the time when it should please His Majesty to order that the same be taken into consideration by the Privy Council, should be published in the *London Gazette*, and should be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation was so considered; provided also that no such representation should be made in relation to the burial-ground of any parish until ten days' previous notice of the intention to make such representation should have been given to the Incumbent and vestry clerk or churchwardens of such parish:

And whereas the Local Government Board, after giving to the Incumbents and the churchwardens of the parishes of Saint Luke, Brislington, Saint George, Hatley, and Saint Margaret, Ockley, ten days' previous notice of their intention to make such representations, made representations stating that, for the protection of the public health, no new burial-grounds should be opened in the civil parishes of Brislington (Rural) Hatley Saint George and Ockley without the previous approval of the Local Government Board, and that burials should be discontinued in the said parishes as hereinafter directed:

And whereas, His Majesty was pleased by His Order in Council of the tenth day of August last, to give notice of such representations, and to order that the same should be taken into consideration by a Committee of the Lords of His Majesty's Most Honourable Privy Council, on the twenty-eighth day of September, one thousand nine hundred and three, and such Order has been published in the *London Gazette*, and copies thereof have been affixed, as required by the said Act:—

Now, therefore, His Majesty, by and with the advice of His Privy Council, is pleased to order, and it is hereby ordered, that no new burial-grounds shall be opened in the said civil parishes without the previous approval of the Local Government Board, and that burials in the said parishes shall be discontinued as follows, viz.:—

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by the Burial Act, 1853, it was, amongst other things, enacted that it should be lawful for His Majesty, by and with the advice of His Privy Council, from time to time to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, should or should not have arrived), as to His Majesty, with such advice as aforesaid, might seem fit:

And whereas an Order in Council was made on the twentieth day of October, one thousand nine hundred and two, affecting burials in, amongst other places, the parish church and churchyard of Saint George, Methwold, in the county of Norfolk:

And whereas under Article XIV of such Treaty it was provided that the stipulations therein contained for the recovery of deserters from the vessels of their respective countries should not apply to the subjects of the country where the desertion takes place:

And whereas it is desirable to repeal the said Order in Council of the nineteenth day of May, one thousand eight hundred and ninety-eight:

Now therefore His Majesty, by virtue of the power vested in Him by the hereinbefore recited subsection (one) of section two hundred and thirty-eight of the Merchant Shipping Act, 1894, and by and with the advice of His Privy Council, is pleased to order and declare, and it is hereby ordered and declared, that from and after the publication hereof in the London Gazette seamen not being slaves (and not being British subjects) who, within His Majesty's dominions, desert from ships belonging to subjects of His Majesty the Emperor of Japan shall be liable to be apprehended and carried on board their respective ships:

And His Majesty by virtue of the powers vested in Him by the provisions of section seven hundred and thirty-eight of the Merchant Shipping Act, 1894, and by and with the advice of His Privy Council, is further pleased to order and declare that upon and after the publication hereof in the London Gazette the Order in Council made on the nineteenth day of May, one thousand eight hundred and ninety-eight, and published in the London Gazette on the twentieth day of May, one thousand eight hundred and ninety-eight, shall be revoked and the same is hereby revoked accordingly:

And the Secretary of State for the Home Department the Secretary of State for the Colonies and the Secretary of State for India in Council, are to give the necessary directions herein accordingly.

And whereas it is expedient for the year one thousand nine hundred and three that the training of the Militia unit hereinafter mentioned should be extended beyond the period of twenty-eight days.

Now, therefore, His Majesty, with the advice of His Privy Council, is pleased to order and direct that for the year one thousand nine hundred and three the period of training and exercise of the undermentioned Field Company of Militia shall be extended, under the provisions of the before cited Act, from twenty-eight days to forty-eight days, viz. :—

And whereas by the five hundred and eighty-third section of the said Act it is provided that Bye-laws so made shall not take effect until they are submitted to His Majesty in Council and confirmed by Order in Council :

And whereas the Gloucester Pilotage Board, as the Pilotage Authority for that Port, have made and submitted for the consent of His Majesty certain Bye-laws, which proposed Bye-laws are set forth in the Schedule hereto annexed :

And whereas it has been made to appear to His Majesty that the proposed Bye-laws are proper and reasonable :

SCHEDULE.

BYE-LAWS FOR THE REGULATION OF PILOTS AND PILOTAGE AT THE PORT OF GLOUCESTER.

1. Subject to the provisions contained in the twenty-fourth section of the Bristol Channel Pilotage Act 1861, no person shall be eligible, or shall be appointed to act as a Pilot unless he shall have served a regular apprenticeship for five years to a Bristol Channel Pilot of the Port of Gloucester, and being at least one year in the oversea trade in square rigged sailing vessels, or shall have been engaged as Master in the coasting trade in the waters of the District for not less than five years; and no person shall be eligible if less than twenty-three years or more than forty-five years of age.

2. Every candidate for Apprenticeship, before he can be considered eligible for the Pilot service, shall produce satisfactory testimonials as to character, and a surgeon's certificate that he is of sound health; he shall prove to the satisfaction of the Board that he is not less than fourteen or more than eighteen years of age, and that he has passed the standard of exemption for full time employment under the Elementary Education Acts. Having complied with these requirements, he may after a month's probation, on approval, be apprenticed to the Board for five years, and the Indenture of Apprenticeship, which shall be in a form approved by the Board, shall be signed by the Apprentice and his Guardian, and then be registered and kept at the Pilotage Office.

3. The Board shall cause to be endorsed on the back of every indenture a statement of time lost by the Apprentice, and of pecuniary losses which have been incurred by reason of the negligence or want of attention of the Apprentice, and such statement shall be signed by the Clerk of the Board and Apprentice on the respective dates,

when such losses shall be charged against the Apprentice.

4. At the expiration of the five years' apprenticeship, the Apprentice shall appear before the Board with the Indenture, and the Board shall, after hearing the Pilot and the Apprentice and such other evidence as may be produced, decide as to the amount of time and money (if any) to be made good by the Apprentice before the Indenture shall be given to him, and such decision shall be finally binding on all parties. Whenever an Apprentice shall for the first time appear before the Examining Committee for examination for a licence to act as Pilot, his Indenture of Apprenticeship and all papers which the Committee shall think necessary shall be submitted for their inspection.

5. The Board shall have full power to enquire into the conduct of Pilots towards the Apprentices and vice versa, and to investigate all complaints made by Pilots against Apprentices, and also into the general conduct of Apprentices and Pilots and the Board shall have full power to make orders in respect of such complaints and conduct and to inflict fines and penalties in reference thereto. Also to withhold or cancel any Licence or Indenture.

6. When, in the opinion of the Board, it becomes necessary to license a Pilot, the first Apprentice on the rota who is eligible for examination shall receive due notice to attend the Committee for examination. If such apprentice shall fail without reasonable cause to attend or shall fail in such examination he shall lose his first turn, and so on in rotation until all the Apprentices so eligible have been dealt with; but should any Apprentice fail in his examination he shall be allowed to take his turn when the next vacancy occurs, until he has had three chances, and after that the matter shall be left with the Board.

The Clerk shall keep a list of all Apprentices showing their respective service in the boats, together with a full record of their service, with a note when each Apprentice is out of his time, where he shall be subsequently engaged, and whether eligible for examination as Pilot.

7. No person shall be licensed to act as a Pilot in the District unless he shall have passed a creditable examination on the following subjects, viz.:

He must be able:—

- (1) To read and write.
- (2) To produce a Board of Trade Certificate as to colour-blindness.
- (3) To give the course and distance between any two places within the limits of the Channel.

- (7) To describe the sand banks, rocks, shoals, and other dangers.
- (8) To describe the landmarks, buoys, lights, their different bearings and distances.
- (9) To describe the appearance of the different headlands.
- (10) To explain the management of a vessel—to bring her to anchor—to keep her clear of her anchor in a tideway—to moor—unmoor—to get under weigh and to handle a vessel under any circumstances.

8. As well as the general power conferred upon the Commissioners to grant or suspend licences the Pilotage Board shall also have power to grant

the following licences to Pilots, according to experience and conduct, as follows:—

| | | |
|--|---|---|
| From the date of appointment and for 3 years ... | } | A licence to pilot vessels not exceeding 500 tons register. |

| To be called Senior Pilots | | |
| After 6 years ... | } | A full licence. |
| To be called First-class Pilots ... | | |

The Board shall have power to withhold or suspend any such licence if they should be of opinion that any Pilot is not fully entitled to receive the same.

9. The Pilotage service shall be maintained by such number of Pilots and boats as the Board shall from time to time license, direct, and order; and the Pilots shall serve in such boats and in such manner, and the boats and Pilots shall, if deemed advisable by the Board for the more efficient working of the pilotage service, be divided into divisions or sections, or both, and placed at and ordered to cruise to and from stations and places within the limits of the Board, "the said limits being that portion of the Bristol Channel which lies eastward of Lundy Island, including the River Severn to the city of Gloucester, and the River Wye to Chepstow Bridge."

The stations shall for the present be as follows:—

No. 1.—The Sharpness Station, comprising the River Severn between to and from and including Sharpness and Portishead and the River Wye to Chepstow Bridge;

No. 2.—The Portishead Station, comprising the Bristol Channel between to and from and including Portishead and the Holmes;

No. 3.—The Holmes Station, comprising the Bristol Channel between to and from and including the Holmes to the Nash;

No. 4.—The Nash Station, comprising the Bristol Channel between to and from and including the Nash and Lundy;

with full power to alter or vary the same or the turn of the Pilots or boats. No boat or vessel shall be used for the purposes of the Pilotage service unless it has been previously approved and licensed for that purpose by the Board. Care shall be taken that each Pilot shall have his regular and equal turn with the other Pilots for service, and shall take his turn in attending or being at the different stations within the limits aforesaid. No Pilot shall cruise outside the limits of the jurisdiction of the Board without the sanction of the Board in writing. For the convenience of the regulation of the service an Agent shall be appointed by the Board at Sharpness.

If a Pilot is prevented from joining the boat on the station selected for him, he shall join her as soon as possible, unless he has obtained leave of absence in writing from the Agent; and no Pilot on service whether on land or in a boat shall leave such service without permission from such Agent in writing, and if any Pilot shall refuse to work in the sections, or shall fail or neglect to take his place or turn for duty therein without reasonable excuse, he shall be liable to a penalty not exceeding two pounds for the first offence and for the second or any subsequent offence to a like penalty or the suspension or revocation of his licence at the discretion of the Board. On his return to Sharpness at any time he shall report himself to the Agent. No Pilot shall be

entitled to pursue his avocation as a Pilot without the sanction of the Board first obtained.

There shall be one indentured Apprentice on each boat.

10. Every Pilot shall, unless prevented by illness or unavoidable circumstance, carry on his duties as directed by the Agent acting under the authority of the Board, and shall also obey and execute all lawful orders given by the Board itself or through the Clerk of the Board, or the Agent at Sharpness, and shall also obey all lawful orders given by the Harbour Master at Sharpness relative to the docking, mooring or unmooring, towing, transporting, placing, or removing of vessels under his charge.

11. The Board may require each Pilot to provide himself with a good and efficient boat, which shall be approved and registered by the Board; and such boat shall be kept in good repair and fully equipped to the satisfaction of the Board and subject to periodical examinations by the Board. The Board may permit more than one Pilot to sail in the same boat upon such terms as the Board may order or approve. But such permission may at any time be withdrawn at the discretion of the Board. No Pilot shall be permitted to pursue his avocation of a Pilot without the sanction of the Board first obtained, unless he complies with the provisions of this Bye-law, and any Pilot acting in contravention hereof shall be subject to his licence being suspended or revoked, and to a penalty not exceeding five pounds, at the discretion of the Board.

There shall be one indentured apprentice on each boat.

12. Whenever a vessel inward bound shall take on board a Pilot whose class is below the registered tonnage of the vessel, the usual signal for a senior Pilot shall be kept flying, and as the vessel shall approach a Gloucester Pilot boat such signal shall be dipped twice and so on until answered, and if practicable the Pilot she has on board shall be exchanged for one of a class equal to the registered tonnage of such vessel from any boat she may meet with whilst proceeding on her voyage to her destination, and the Pilot so taken shall return as speedily as possible to the boat in which he has lately been cruising.

13. No Junior Pilot shall take charge of a vessel going to sea above the tonnage for which he is licensed unless a senior Pilot cannot be obtained, notwithstanding that such junior Pilot may have brought the ship into Port; and no Pilot shall take charge of any ship above the tonnage for which he is licensed unless a senior Pilot cannot be obtained; but if no senior Pilot can be obtained and a junior Pilot has taken charge of any vessel he may be superseded by a senior Pilot between Kingroad and Lundy unless the Master of any such vessel shall desire to retain his services. But no junior Pilot is on any account to take charge of vessels above five hundred tons between Kingroad and Sharpness and *vice versa* if the services of a senior Pilot can be obtained.

14. Any Pilot having charge of a vessel inward bound to the Port to which he is licensed shall not leave that vessel or be released from his duties or responsibilities until such vessel is securely moored in the Dock, Basin, or Harbour of such Port unless she is neaped, and the master does not require the Pilot's services, and it shall be his duty, if the vessel is bound to Sharpness, to communicate as soon possible with the Dock Master at Sharpness, and to give her draft and tonnage, and if any special orders are given him by such Harbour Master, to carry them out to the best of his power. But if in charge of a vessel bound to a

Port to which he is not licensed he shall be released from his duties and responsibilities when such vessel is securely anchored in the nearest roadstead to the Port to which she is bound, and if outward bound to such distance or stage for which he has been engaged.

15. Each Pilot shall be furnished with and keep in his possession a printed copy of these Bye-laws and Regulations, and he shall produce the same to the Master of any vessel or other person employing him when required to do so.

16. The Agent may appoint Pilots to attend the tide at Sharpness two hours before high water, (except in the case of night tides, when they shall have satisfied themselves that their services will not be required).

17. The last Pilot on turn in any section shall inform the first Pilot on turn in any other section when his services are likely to be required, and so on through the sections in rotation.

18. The Agent shall appoint such a number of Pilots as he may think best to the boats, and also regulate the working of the Pilots and boats of the sections and stations of the boats by the Pilots, and a discretionary power to vary the turn of the Pilots is given him, but the circumstances of the alteration shall be reported to the Board, who shall at all times have power to alter, vary or amend the same.

19. Should any Owner, or Master, or Agent apply for a Pilot to be sent over-land for the purpose of bringing a vessel to Sharpness, or any vessels in Bristol, Newport, Cardiff or any other Bristol Channel Port sending for a Pilot, he shall be served in such manner as the Agent may deem best. Any such person so applying shall give to such Agent the vessel's draft of water registered tonnage with such other information as may be required.

20. If any Pilot from the westward should be docking a vessel at Sharpness or Lydney, and it be considered necessary, such Pilot shall remain at Sharpness at the request of the Agent to take down any steamer or vessel towing to join his cutter to avoid expense of train fares, providing this will not seriously interfere with the arrangements made by the Pilot with his cutter (subject to Bye-law thirty-four). Pilots home from the westward shall, if necessary, supply Portishead, the Holmes boat drawing from Portishead when necessary.

21. Except as provided in Bye-laws twenty and thirty-four and the preceding Regulation, when a Pilot from the Holmes or Kingroad Stations docks a ship he shall, if possible, go back the same tide to his station.

22. Pilots having vessels neaped in Kingroad and coming home are to get a passage up to Sharpness if possible, provided that if there is no sign of a passage up, when the last railway train for Sharpness is due to leave, they shall be at liberty to return by train.

23. Pilots going down to Kingroad with vessels shall in all cases, if possible, get a passage up to Sharpness, provided that if there is no sign of a passage up when the last railway train for Sharpness is due to leave they shall be at liberty to return by train.

24. The Pilot in charge of the Holmes boat shall be responsible for keeping her to the westward of Portishead.

25. Any Pilot docking a vessel, and not returning to his Station, must report himself to the Agent as soon as possible.

26. The first first-class Pilot on duty at Sharpness, and disengaged, shall attend on the pier when vessels are docking to see that arrangements are

made when necessary for Pilots docking to return to their respective Stations, and to secure the return of such Pilots whenever possible; such first-class Pilot to act in consultation with the Agent.

27. If any Pilot shall work out of his section or Station, or being one of the section off duty, shall seek to obtain employment out of his turn, he shall not be entitled to any advantage gained thereby, but any pilotage monies, both inwards or outwards, thus improperly earned shall be forfeited, and the Board shall award such pilotage monies to the Pilots who, in their judgment, would in the ordinary course have been entitled thereto, or in case no other Pilot has any claim to such pilotage monies, the Board may, if they think fit, direct that the whole or some part of such pilotage monies shall be added to the monies received for pilotage during that time.

28. Every Master, Owner or Agent of a vessel navigating within the limits of this pilotage district, who shall knowingly employ or continue to employ an unqualified Pilot after a qualified Pilot has offered to take charge of a vessel or has made a signal for that purpose, shall for every case incur a penalty of double the amount of the pilotage demandable for the piloting of the vessel to her port of destination or the limits of the pilotage district.

29. If any vessel whilst in charge of a Pilot does or receives damage, the Pilot shall immediately report the same to the Board's Agent at Sharpness, who shall at once report the same to the Clerk of the Board, who shall submit the same to the Board at their next meeting or any special meeting that may be called. The circumstances of the accident shall be investigated by the Board, if deemed necessary, and the Board may fine the pilot or suspend or revoke his licence, or deal with the same in such a way as they may deem best.

30. A survey of the low water channel of the River Severn between Kingroad and Sharpness shall be made at low water once a month at least, by one or more Pilots as directed by the Board, who shall report to the Board any changes which may have taken place in the navigable channel.

31. No Pilot shall have or hold directly or indirectly any share or interest in any steam tug Company, or in any steam vessel used regularly or occasionally for towing vessels.

32. The Board shall be paid for the services of any Pilot taking charge of a vessel not bound to the Port to which he is licensed, and the Pilot shall be governed by the laws established at the Port to which the vessel is bound.

33. The fee on granting a licence to a Pilot shall be two pounds two shillings, for a Gloucester Pilot, and one pound one shilling for a Lydney Pilot; and the licences of Pilots shall be renewed at the discretion of the Board annually in January. The renewal fee for a Gloucester licence being one pound one shilling, and for a Lydney licence ten shillings and six pence.

34. Pilots bringing up colliers and other vessels which are expected to leave the next tide or next tide but one shall remain to take them down.

35. Should a Pilot be sick and unable to follow his calling he shall at once report the same in writing to the Agent, and if the illness shall continue beyond seven days he shall obtain a medical certificate, and the matter shall be reported to the Board, who shall deal with the same in such a manner as they may deem best.

36. The first first-class Pilot in any boat on turn for boarding vessels shall be responsible for the proper working and navigating of the same,

and shall maintain order and discipline and keep the log and forward same to Agent. In the absence of a first-class Pilot the next class of Pilot shall be responsible for this duty.

37. Each boat and each Pilot shall return to Sharpness and shall have a week at home in rotation, as may be directed by the Board from time to time.

38. PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by section one hundred and three of the Patents, Designs, and Trade Marks Act, 1883, as amended by section six of the Patents, Designs, and Trade Marks (Amendment) Act, 1885, it is enacted as follows:—

(1.) If Her Majesty is pleased to make any arrangement with the Government or Governments of any foreign state or states for mutual protection of inventions, designs, and trade marks, or any of them, then any person who has applied for protection for any invention, design, or trade mark in any such state, shall be entitled to a patent for his invention or to registration of his design or trade mark (as the case may be) under this Act, in priority to other applicants; and such patent or registration shall have the same date as the date of the application in such foreign state.

Provided that his application is made, in the case of a patent within seven months and in the case of a design or trade mark within four months, from his applying for protection in the foreign state with which the arrangement is in force.

Provided that nothing in this section contained shall entitle the patentee or proprietor of the design or trade mark to recover damages for infringements happening prior to the date of the actual acceptance of his complete specification or the actual registration of his design or trade mark in this country, as the case may be:

(2.) The publication in the United Kingdom, or the Isle of Man, during the respective periods aforesaid of any description of the invention, or the use therein during such periods of the invention, or the exhibition or use therein during such periods of the design, or the publication thereof during such periods of a description or representation of the design, or the use therein during such periods of the trade mark, shall not invalidate the patent which may be granted for the invention, or the registration of the design or trade mark:

(3.) The application for the grant of a patent, or the registration of a design, or the registration of a trade mark under this section must be made in the same manner as an ordinary application under this Act; provided that, in the case of trade marks, any trade mark the registration of which has been duly applied for in the country of origin may be registered under this Act:

(4.) The provisions of this section shall apply only in the case of those foreign states with respect to which Her Majesty shall from time to time by Order in Council declare them to be applicable, and so long only in the case of each state as the Order in Council shall continue in force with respect to that state:

And whereas it pleased Her late Majesty Queen Victoria to make an arrangement of the nature contemplated by the said enactment by and in virtue of a declaration signed and sealed by Her Majesty's Ambassador at Paris on the seventeenth day of March, one thousand eight hundred and eighty-four, duly conveying the accession of Great Britain and Ireland to the International Convention and Protocol for the Protection of Industrial Property, signed by representatives of certain Powers on the twentieth day of March, one thousand eight hundred and eighty-three, and duly ratified on the sixth day of June, one thousand eight hundred and eighty-four, power

being reserved to Her Majesty to accede thereafter to the provisions of the said Convention and Protocol on behalf of the Isle of Man, the Channel Islands and any of Her Majesty's possessions, which Declaration of Accession was duly accepted by the French Government on behalf of the signatory Powers by and in virtue of a Declaration dated the second day of April, one thousand eight hundred and eighty-four:

And whereas by various Orders in Council Her late Majesty Queen Victoria was pleased to declare that the hereinbefore recited provisions of the said Act should apply to the several foreign countries named in the said orders parties to the said Convention and Protocol:

And whereas on the fourteenth day of December, one thousand nine hundred, an Additional Act was agreed upon between Her late Majesty Queen Victoria and the Government of the Foreign Countries parties thereto for the purpose of modifying certain of the provisions of the said International Convention and the Protocol annexed thereto, the ratifications of which Additional Act were duly effected except as regards the Dominican Republic and Servia.

And whereas by section one of the Patents Act, 1901, it is enacted as follows:—

1.—(1) In the first proviso to sub-section one of section one hundred and three of the Patents, Designs and Trade Marks Act, 1883 (which section relates to the time for making applications for protection under international arrangements) the words "twelve months" shall be substituted for the words "seven months."

(2) An application under that section shall be accompanied by a complete specification which, if it be not accepted within the period of twelve months, shall, with the drawings (if any), be open to public inspection at the expiration of that period.

And whereas on the first day of May, one thousand nine hundred and three, the German Empire duly acceded to the said International Convention Protocol and Additional Act.

Now therefore His Majesty, by and with the advice of His Privy Council, and by virtue of the authority committed to Him by the above enactments doth declare and it is hereby declared as follows:—

1. The provisions of section one hundred and three of the Patents, Designs and Trade Marks Act 1883 as amended by section six of the Patents, Designs and Trade Marks (Amendment) Act 1885 and by section one of the Patents Act 1901 shall apply to Germany.

2. This Order shall take effect from the first day of May, one thousand nine hundred and three.

A. W. FitzRoy.

At the Court at *Buckingham Palace*, the 9th day of *October* 1903.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have in pursuance of the Act of the seventh and eighth years of Her late Majesty Queen Victoria, chapter ninety-four; of the Act of the thirteenth and fourteenth years of Her said late Majesty, chapter ninety-four; and of the Act of the thirty-second and thirty-third years of Her said late Majesty, chapter ninety-four; duly prepared and laid before His Majesty in Council a scheme or representation, bearing date the thirtieth day of July, in the year

one thousand nine hundred and three, in the words and figures following; that is to say:—

“We, the Ecclesiastical Commissioners for England acting under the provisos of the Act of the seventh and eighth years of Her late Majesty Queen Victoria chapter ninety-four, of the Act of the thirteenth and fourteenth years of Her said late Majesty, chapter ninety-four, and of the Act of the thirty-second and thirty-third years of Her said late Majesty chapter ninety-four, have prepared and now humbly lay before Your Majesty in Council the following scheme or representation for altering the boundaries of the new parish of Christ Church, North End, Finchley, and of the new parish of Saint Paul, Long-lane, Finchley, both in the county of Middlesex, and in the diocese of London.

“Whereas by the authority of an Order of Her said late Majesty in Council bearing date the twenty-eighth day of May in the year one thousand eight hundred and seventy-two and published in the London Gazette on the thirty-first day of the same month certain contiguous portions of the parish of Finchley, of the new parish of Saint John Whetstone and of the new parish of the Holy Trinity, Finchley, in the said county of Middlesex and diocese of London were assigned as a consolidated chapelry to the consecrated church called Christ Church situate at North End in the said parish of Finchley and the said consolidated chapelry was named ‘The Consolidated Chapelry of Christ Church North End Finchley.’

“And whereas the said consolidated chapelry of Christ Church North End Finchley has under the provisions of the Act of the nineteenth and twentieth years of Her said late Majesty chapter one hundred and four become a new parish of the character contemplated by that Act by the Act of the sixth and seventh years of Her said late Majesty chapter thirty-seven and by the above-mentioned Act of the thirty-second and thirty-third years of Her said late Majesty chapter ninety-four.

“And whereas by the authority of another Order of Her said late Majesty in Council bearing date the twenty-fourth day of September in the year one thousand eight hundred and eighty-six and published in the London Gazette on the twenty-eighth day of the same month certain contiguous portions of the said parish of Finchley and of the said new parish of Christ Church North End Finchley were assigned as a consolidated chapelry to the consecrated church of Saint Paul situate in Long-lane in the said parish of Finchley and the said consolidated chapelry was named ‘The Consolidated Chapelry of Saint Paul Long-lane Finchley.’

“And whereas the said consolidated chapelry of Saint Paul Long-lane Finchley has under the provisions of the above-mentioned Act of the sixth and seventh years of Her said late Majesty chapter thirty-seven become a new parish of the character contemplated by that Act, by the above-mentioned Act of the nineteenth and twentieth years of Her said late Majesty, chapter one hundred and four and by the above-mentioned Act of the thirty-second and thirty-third years of Her said late Majesty chapter ninety-four.

“And whereas it has been represented to us and it appears to us to be expedient that the boundaries of the said new parish of Christ Church North End Finchley and of the said new parish of Saint Paul Long-lane Finchley should be altered in the manner which is hereinafter mentioned.

“Now therefore with the consent of the Right Honourable and Right Reverend Arthur Foley Bishop of the said diocese of London (in testimony

whereof he has signed and sealed this scheme or representation) we the said Ecclesiastical Commissioners humbly represent recommend and propose that from and after the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme or representation and without any assurance in the law other than such duly gazetted Order the boundaries of the said new parish of Christ Church North End Finchley and of the said new parish of Saint Paul Long-lane Finchley shall be altered so that all those portions of the said new parish of Christ Church North End Finchley which are described in the schedule hereunder written and are delineated and set forth upon the map or plan hereunto annexed and are thereon coloured pink shall be dissevered from such new parish and shall be annexed to and shall in future form part of the said new parish of Saint Paul Long-lane Finchley.

“And we further represent recommend and propose that nothing herein contained shall prevent us from representing recommending or proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the hereinbefore mentioned Acts or of any of them or of any other Act of Parliament.

“The SCHEDULE to which the foregoing Scheme or Representation has reference.

Provided always, that nothing herein contained shall be construed as expressing any intention on the part of us the said Commissioners to concur in or approve the taking of any fee for the performance of the said office of baptism or for the registration thereof.

"We therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal consideration and to make such Order with respect thereto as to Your Majesty, in Your Royal wisdom, shall seem meet.

"The SCHEDULE to which the foregoing Representation has reference.

"The District Chapelry of Saint Alban Upton Park being:—
