officers, and to regulate and authorize the sums to be paid out of the funds of the Council for such purposes.

22. To impose penalties on occupiers of property refusing to disclose to the Council the name and address of the owner of the premises occupied.

23. To provide that in executing works for an owner the Council are to be indemnified against damages so long as there is no neglect on their part.

24. To incorporate, with alterations and amendments, and to apply, amend alter or repeal all or some of the provisions of the several Acts of Parliament following, or some of them (that is to say):—The Lytham Improvement Act, 1847, and all other Acts or Orders relating to the Council, The Lands Clauses Acts, The Harbours Docks and Piers Clauses Act, 1847; The Towns Improvement Clauses Act, 1847; The Town Police Clauses Acts, 1847 and 1889; The Local Loans Act, 1875; The Public Health Acts; The Infectious Diseases Notification Act, 1889; and The Infectious Diseases Prevention Act, 1890, and all Acts amending the said Acts respectively or any of them.

25. To vary, repeal or extinguish all existing rights, powers and privileges which would in any manner interfere with or prevent the carrying into effect of the intended Act, and to confer other rights, powers and privileges.

Printed copies of the intended Act will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

Dated this 12th day of November, 1903.

CHARLES A. MYERS, Clerk to the Council, Lytham.

FORSHAW and PARKER, Preston, Solicitors for the Bill.

In Parliament.—Session 1904.

NORTH WALES ELECTRIC POWER.

(Powers to North Wales Power and Traction Company Limited, or to Company to be Incorporated for the Establishment, &c., of Generating Stations and Works in the Counties of Carnarvon, Denbigh, Merioneth, and Anglesey, and Part of Flint; Dissolution of Limited Company and Transfer of Undertaking, &c., to New Company; Purchase and User of Lands for Generating Station, &c.; Easements, &c.; Supply of Electricity; Breaking up of Streets, Roads, Bridges, &c.; Laying down of Wires, Pipes, &c.; Abstraction of Water and Exercise of other Powers; Rates, &c.; Provisions as to Supply and Capital; Agreements with and Powers to Local Authorities, Companies, and bodies; Provisions as to Transfer to Company of certain Powers of Portmadoc, Beddgelert and South Snowdon Railway Company; Construction of Embankments, Lines of Pipes, &c., in connection therewith; Capital Powers; Incorporation and Amendment of, and Exemption from, Acts, &c.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session for an Act for effecting all or some of the following purposes (that is to say):—

1. To incorporate a Company either by the dissolution and reincorporation of the North Wales Power and Traction Company Limited (hereinafter called "the Limited Company") or otherwise, and to confer upon that Company or upon the Limited Company (any such Company as aforesaid being hereinafter referred to as "the Company") powers for the purpose of establishing electric works and generating, producing, using, and supplying electric energy or power, and obtaining powers for and carrying on electrical Undertakings, and doing all things necessary for, or ancillary to, those purposes, or any of them, and generally for the purposes of the intended Act.

2. To vest in any Company incorporated or reincorporated by the intended Act all the Undertaking, works, lands, buildings, stock, plant, moneys, securities, and other property, rights, interests, powers, privileges, contracts, and agreements now vested in, belonging to, or enjoyed by, the Limited Company or any person on their behalf, and to declare void and cancel the memorandum and articles of association of the Limited Company, and to make all necessary provisions consequent thereon.

3. To empower the Company to purchase, take on lease or otherwise acquire by agreement, and to hold any lands and any estates, rights, or interests in, or any easements over the same, and to empower the Company upon all or any of such lands, to erect, maintain, work, and use a station or stations for producing, generating, using, transforming, transmitting, conveying and distributing electrical energy or power, and any material, product, matter, or thing arising or used in the process of such generation or transformation, with all necessary dynamos, batteries, accumulators, storage motors, generators, engines, turbines, plant, machinery, works, buildings, appliances, apparatus and conveniences for that purpose, and to produce, generate, transform, transmit, convey, store, use, and distribute such energy, power, materials, products, matters, and things, and to supply and distribute the same to and within the counties of Carnarvon, Denbigh (exclusive of the borough of Wrexham and the rural district of Wrexham), Merioneth, and Anglesey, and the urban districts of Prestatyn and Rhyl, and the rural districts of Overton and St. Asaph, in the county of Flint, or some part or parts thereof (hereinafter referred to as "the area of supply").

4. To empower the Company for the purposes aforesaid, or any of them, to acquire by compulsion or agreement, and to hold and use the lands hereinafter described, or some part or parts thereof (that is to say):—

Certain lands in the parish of Beddgelert, in the county of Carnarvon, bounded on the west and south by the Afon Glaslyn, and on the east by the Nant Cynnyd, and on the north by a foot-path between the foot-bridges over the before-mentioned rivers, which are respectively 150 yards or thereabouts north of the junction of the two rivers.

5. To empower the Company within the area of supply to purchase, sell, let, and dispose of lands or interests, or easements in or over lands, and to purchase, erect, maintain, manufacture, work, use, produce, store, supply, sell, let, and dispose of stations, buildings, dynamos, accumulators, engines, batteries, machinery, vessels, apparatus, works, plant, stock, electric energy, or power, and any materials, products, matters, or things arising or used in the process of producing, generating, using, or transforming such energy or power, and accumulators, meters, fittings, lamps, storage motors, apparatus, matters, and things, and to exercise such powers and to do such works and supply such materials, and use such power as may be necessary or convenient in and for the production, storage, transmission,
