*Chancery of the Order of
Saint Michael and Saint George.*

Downing Street, March 26, 1904.

The KING has been graciously pleased to give directions for the following appointment to the Most Distinguished Order of Saint Michael and Saint George:—

To be an Ordinary Member of the Second Class, or Knights Commanders of the said Most Distinguished Order:—

The Right Honourable Charles Hardinge, C.V.O., C.B., His Majesty's Ambassador-designate to His Majesty the Emperor of Russia.

At the Court at *Buckingham Palace*, the 28th day of *March*, 1904.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven, and of the Act of the fifth year of Her late Majesty Queen Victoria (Session Two), chapter twenty-six duly prepared and laid before His Majesty in Council a scheme bearing date the tenth day of March, in the year one thousand nine hundred and four, in the words following, that is to say:—

"We, the Ecclesiastical Commissioners for England, acting in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven, and of the Act of the fifth year of Her late Majesty Queen Victoria (Session Two) chapter twenty-six, have prepared, and now humbly lay before Your

Majesty in Council, the following scheme for rebuilding (with certain sanitary and other improvements) the episcopal house of residence belonging to the Bishoprick of Saint David's, and situate in the parish of Abergwili, in the county of Carmarthen.

"Whereas the said episcopal house of residence was destroyed by fire on the twenty-eighth day of April, in the year one thousand nine hundred and three, and in respect of the loss or damage so incurred, a sum of eight thousand four hundred pounds has been paid to us under the insurance whereby the said episcopal house of residence had been insured against loss or damage by fire.

"And whereas the Right Reverend John, Bishop of Saint David's, is desirous of rebuilding the said episcopal house of residence with certain sanitary and other improvements, and has submitted to us the particulars of such proposed rebuilding and improvements and we have approved the same.

"And whereas the moneys which will be available from the moneys paid to us under the said insurance and from the interest which has accrued in respect of such moneys will be insufficient for the purpose of defraying the cost of the said proposed rebuilding and improvements.

"And whereas the said Bishop is also desirous and it appears to us to be expedient that towards the cost of effecting the said proposed rebuilding and improvements a sum of two thousand pounds (being a sum which does not exceed two years' income of the See) should be provided by the borrowing of such sum by way of mortgage upon the security of all and every part of the lands tenements and hereditaments endowments or emoluments which now belong or may hereafter belong to the said Bishoprick of Saint David's.

Now therefore with the consent of the said John Bishop of Saint David's (testified by his having affixed his signature and episcopal seal to this scheme) we the said Ecclesiastical Commissioners for England humbly recommend and propose that

the said Bishop be authorized to borrow from the Governors of the Bounty of Queen Anne and that the said Governors be empowered to lend under the provisions of the above-mentioned Acts any sum not exceeding two thousand pounds and that as a security for the same the said Bishop do mortgage all and every part of the lands tenements and hereditaments and endowments or emoluments which now belong or may hereafter belong to his said See to the said Governors by deed for the term of thirty-five years or until the said sum to be borrowed as aforesaid with the interest for the same as hereinafter mentioned and all costs and charges which may attend the recovery thereof shall be fully paid and satisfied and that such principal sum shall be repaid with interest in the following manner that is to say during and in respect of the first period of twelve months of the said term computed from the day of the date of the mortgage, no part of the said principal sum shall be repayable, but the said Bishop or his successors shall yearly at the end of the second period of twelve months so computed and at the end of every such like period of twelve months thereafter pay to the said Governors their successors or assigns one thirtieth part of the said principal sum until the whole thereof shall be repaid and shall also at the end of the first and each succeeding period of twelve months computed as aforesaid pay interest at the rate of four pounds per centum per annum on the said principal sum or on so much thereof as shall from time to time remain unpaid and that if and when it shall happen that either the principal or the interest directed to be paid as hereinbefore mentioned shall be in arrear and unpaid for the space of forty days after the same shall have become due, it shall and may be lawful for the said Governors their successors and assigns to recover the same and the costs and charges attending the recovery thereof by distress and sale in the like manner as rents may be recovered by landlords or lessors from their tenants by the laws in force at the time of such distress and sale and that such mortgage deed shall be in the form and to the effect to be approved by us the said Ecclesiastical Commissioners and shall bind as well the said John now Bishop of Saint David's as every succeeding Bishop of Saint David's until the principal money and interest costs and charges shall have been paid off and discharged.

"And we further recommend and propose that the said sum so to be borrowed as aforesaid shall be paid to us the said Ecclesiastical Commissioners and that the receipt of our Joint Treasurers for the time being endorsed on the said mortgage deed shall be a good and sufficient discharge of the said Governors and their successors for the same who shall not be bound or required to see to the application thereof and that upon the receipt of the said sum so to be borrowed as aforesaid the whole or any part or parts thereof shall be applied by us at such times and in such manner as shall appear to us to be expedient towards effecting the said proposed rebuilding of the episcopal house of residence aforesaid and the said sanitary and other improvements thereto.

"And we further recommend and propose that the Bishop of Saint David's for the time being shall insure against loss or damage by fire and keep insured the said episcopal house of residence situate at Abergwili as aforesaid the said insurance to be for a sum of not less than ten thousand pounds and to be effected in one or more of the public offices of insurance in London or Westminster to be approved by us and that in case of loss or damage by fire to the same episcopal

house of residence the moneys receivable in respect of the said insurance shall be paid over to us by the said Bishop and shall with any interest or accumulations thereon be applied by us in rebuilding or repairing the same episcopal house of residence with the concurrence of the said Bishop.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in conformity with the provisions of the herein-named Acts or of either of them, or of any other Act of Parliament."

And whereas the said scheme has been approved by His Majesty in Council: now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Saint David's.

It must be shown, inter alia, what precautions the applicant has taken:

(a) To render the locality where the examination is to be performed secure against the entry of persons whose presence at the examination is not required and of animals which are not used in the examination;

(b) To prevent the escape of animals used for experimental purposes;

(c) To insure that the destruction of the animals used, &c., shall be properly carried out;

(d) To enable persons, clothing, and objects to be effectively disinfected.

Furthermore it must be stated what persons are to be present at the examination, and information must be given as to the capability, experience, precision, and trustworthiness of the persons who are to assist in the examination.

The Inspector shall forward the application to the Minister of Home Affairs as quickly as possible (if necessary, by telegraph), adding thereto his own advice.

§ 2. *The performance of autopsy of bodies of persons who have died from plague, or who are suspected to have been suffering from plague.*

Applications for permission to perform such autopsy may be made to the Inspector, charged under the Health Law with the supervision of the maintenance of the provisions of law concerning infectious diseases, in whose district of inspection it is desired to perform the autopsy.

Applications must be accompanied by all possible information concerning:

(a) The manner in which matter derived from the body will be kept out of reach of animals which may disseminate infectious matter;

(b) The manner in which the said matter will be collected and rendered innocuous;

(c) The precautions against dissemination of infection which are to be taken by those who perform the autopsy and by those who assist thereat.

The application shall be dealt with in the same way as that referred to in § 1.

§ 3. *Removal of matter which is known or suspected to be infectious.*

The removal of such matter without escort, by any means of transport, is not permitted.

(a) That the matter to be examined be placed in a well-stoppered bottle, which shall be so closed as to be water-tight, carefully enveloped in some absorbent packing and packed in a closely-shutting wooden box;

(b) The package bear a clear address, in which must appear also the word "smetstof" in clearly legible characters.
