(DATED 5TH APRIL 1904.)

## EPIZOOTIC LYMPHANGITIS ORDER OF 1904.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers in them vested under the Diseases of Animals Acts, 1894 to 1903, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

### *Separation of Diseased and Suspected Animals; Notice of Disease.*

1.—(1.) Every person having or having had in his possession or under his charge a horse affected with, or suspected of, epizootic lymphangitis shall (a) as far as practicable keep that horse separate from horses not so affected or suspected; and (b) with all practicable speed give notice of the fact of the horse being so affected or suspected to a constable of the police force for the police area wherein the horse so affected, or suspected, is or was.

(2.) Every person licensed to slaughter horses who has in his possession a carcass of any horse affected with epizootic lymphangitis shall with all practicable speed give notice of that fact to a constable of the police force for the police area wherein the carcass is.

(3.) The constable receiving such notice shall forthwith give information of the receipt by him of the notice to an Inspector of the Local Authority, who shall forthwith report the same to the Local Authority.

(4.) Where the notice of disease relates to a carcass of a horse that has died or been slaughtered in the district of a Local Authority other than the Local Authority which received the notice, the latter shall forthwith inform the other Local Authority of the receipt of the notice.

### *Duty of Inspector to act immediately.*

2. An Inspector of a Local Authority on receiving in any manner whatsoever information of the supposed existence of epizootic lymphangitis, or having reasonable ground to suspect the existence of such disease, shall proceed with all practicable speed to the place where such disease, according to the information received by him, exists, or is suspected to exist, and shall there and elsewhere put in force and discharge the powers and duties conferred and imposed on him as Inspector by or under the Act of 1894 and this Order.

### *Veterinary Inquiry by Local Authority as to existence of Epizootic Lymphangitis.*

3.—(1.) A Local Authority on receiving information of the existence, or supposed existence, of epizootic lymphangitis shall forthwith cause inquiry to be instituted as to the correctness of such information with the assistance and advice of a Veterinary Inspector, or of a veterinary practitioner qualified according to the Act of 1894 to be a Veterinary Inspector.

(2.) The owner and occupier of any premises on which there is a horse affected with, or suspected of, epizootic lymphangitis, or the carcass of any such horse, shall give all reasonable facilities for the inquiry by the Local Authority under this Article, and any person failing to give such facilities shall be deemed guilty of an offence against the Act of 1894.

### *Prohibition of Movement by Inspector of Local Authority.*

4.—(1.) A Local Authority, on being satisfied by an inquiry under the preceding Article of the existence of epizootic lymphangitis, shall forthwith take such steps as may be practicable to secure the isolation of any horse affected with, or suspected of, that disease, and for that purpose an Inspector of a Local Authority may serve a Notice in writing (in the Form A set forth in the Schedule to this Order or to the like effect) on the owner or person in charge of any horse requiring that such horse be detained on or in any field, yard, stable, shed, or other place specified in the Notice, and after the service of such Notice it shall not be lawful for any person, while such Notice is in force—

(a.) to move such horse from or out of such place of detention; or

(b.) to permit any other horse to come in contact with any horse to which the Notice applies; or

(c.) to remove from or out of such place any carcass of a horse, or any dung, fodder, litter, or other thing that has been in contact with any horse to which the Notice applies, without the written permission of an Inspector of the Local Authority.

(2.) An Inspector of the Local Authority, if satisfied that the movement of any horse to which a Notice applies to some other place of detention is expedient for purposes of isolation or other necessary purpose, may serve a further similar Notice on the owner or person in charge of the horse requiring that the horse be detained on or in such other place, and thereupon such horse may be moved, subject to the directions of the Inspector, by the nearest available route and without unnecessary delay, to such place of detention, and, when so moved, shall be there detained and isolated in accordance with such further Notice.

(3.) A Notice under this Article shall remain in force until it is withdrawn by a further Notice in writing (in the Form B set forth in the Schedule to this Order or to the like effect) signed by an Inspector of the Local Authority.
