The Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch, dated April 22, from His Majesty's Representative at Trieste, enclosing the following translation of a Circular which has been issued by the Imperial and Royal Marine Board at Trieste respecting sanitary measures to be imposed on arrivals from South Africa:—

According to official information bubonic plague has broken out in an epidemic form at Johannesburg. This is made known to the port and sanitary offices and officers recalling to their special attention the instructions on treatment of vessels in case of plague published by Government Circular of June 17th, 1897, No. 5,684, and, considering the importance of the subject, to be most careful in the sanitary line with reference to arrivals from South Africa.

Trieste, April 16, 1904.

The President,
EBNER.
