2. To authorize the Undertakers to purchase, hold or acquire or take on lease any lands or easements in lands for the purposes of the said Order, and with power to sell or dispose of the same.

3. To authorize the Undertakers to construct, provide, lay down, renew, alter and maintain on land belonging to or leased by the Undertakers within the area of supply, such central and other stations, buildings and works for the generation, storage, supply and distribution of electricity as may from time to time be necessary for supplying electricity within the said area, or for other the purposes of the Order, together with the engines, machinery and other apparatus necessary or convenient for the purposes aforesaid, and to lay down, place, maintain, alter or renew electric lines, wires, conductors, mains, pipes and other apparatus and works for the supply and distribution of electricity in, through, under, over, along or across all streets, bridges, highways, lanes, roads, thoroughfares, railways, tramways, waterways, public passages and places within the said area of supply.

4. To authorize the Undertakers to open and break up for the purposes of the said Order the soil and pavement of the several streets and thoroughfares within the area of supply, and to take up, re-lay, divert and alter sewers, drains, mains and all pipes and works therein within the said area of supply, and to do all such other works and acts as may be necessary to carry into effect the objects of the Order.

5. To authorize the Undertakers to acquire and hold patent rights and licenses in relation to the manufacture and distribution of electricity, and to manufacture, purchase, hire, sell and supply meters, lamps, appliances, machinery and apparatus in relation thereto.

6. To authorize the Undertakers and any Local or other Public Authority, Company or person to make and carry into effect agreements for the production and distribution of electricity, and for the performing of all acts incidental to public and private lighting.

7. To empower the Undertakers to make charges and levy rates, and recover rents and charges for the supply of electricity, and for the use of any machines or apparatus in connection therewith, and to define and limit the prices to be charged for such supply.

8. To confer upon the Undertakers and incorporate in the Order all or any of the powers of the Electric Lighting Acts, 1882 and 1888, and enactments incorporated therewith, to incorporate in the Order all or some of the provisions contained in the schedule to the Electric Lighting (Clauses) Act, 1899, and such other powers, rights and privileges as may be necessary or expedient for carrying out the purposes of the Order, and to vary or extinguish any rights and privileges which may be inconsistent therewith.
