TUESDAY, MARCH 28, 1905.

At the Court at *Buckingham Palace*, the 27th day of *March*, 1905.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by the Sugar Convention Act, 1903, after reciting that by Article VII of the Convention, signed on the fifth day of March, nineteen hundred and two, in relation to sugar, provision was made for the establishment of a Permanent Commission (in the Act referred to as the Permanent Commission) charged with watching the execution of the provisions of the Convention, it is enacted that where it is reported by the Permanent Commission that any direct or indirect bounty is granted in any foreign country on the production or export of sugars, His Majesty may, by Order in Council, make a prohibition Order, that is to say, an Order prohibiting sugar from that foreign country to be imported or brought into the United Kingdom, subject to any provision which might be made by Parliament in lieu of such prohibition to impose a special duty on such sugar in accordance with the Convention; and that while a prohibition Order is in force the laws relating to the Customs shall apply as if the sugar in respect of which the Order is made was specified, with exception as to transit, in the table of prohibitions and restrictions inwards contained in section forty-two of the Customs Consolidation Act, 1876. And it was also enacted that His Majesty might, similarly, make such regulations as should appear to Him necessary in relation to any such Order, and in particular require the origin of all sugar imported or brought into the United Kingdom, whether in transit or otherwise, to be proved by such certificate or other evidence as might be provided in the Order, but no Order made was to apply to molasses.

And whereas it appears from a Report of the said Permanent Commission that a bounty on the production or export of sugars is granted in Spain.

Now, therefore, His Majesty, in exercise of the powers vested in Him by the said recited Act, by and with the advice of His Privy Council, is pleased to order, and it is hereby ordered that, from and after the third day of April, nineteen hundred and five, and subject to any such provision by Parliament as hereinbefore stated, all sugar from Spain (not including molasses and sugar-sweetened products) shall (except in transit) be prohibited to be imported or brought into the United Kingdom: and that in relation to this Order the Regulations in the Schedule to the Order in Council under the said Act, dated the eleventh day of August, nineteen hundred and three, shall be deemed as made and prescribed, and Regulation IV in the said Schedule shall be construed and read as referring to Spain as well as to the other countries named therein.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by section one hundred and four of the Explosives Act, 1875, it is enacted that His Majesty may, by Order in Council, declare that any substance which appears to His Majesty to be specially dangerous to life and property, shall be deemed to be an explosive within the meaning of the said Act.

And whereas, by section fifty of the said Act, it is enacted that His Majesty may exempt from any provision of the said Act, any explosive prescribed by Order in Council:

And whereas picric acid and picrates, when used or manufactured with a view to produce a practical effect by explosion or a pyrotechnic

effect, fall within the definition of explosive contained in section three of the said Act; but when used or manufactured for any other purpose, do not fall within the said definition:

And whereas the provisions of section one of the Rules Publication Act, 1893, have been complied with:

Now, therefore His Majesty is pleased, by and with the advice of His Privy Council, to order and declare, and be it ordered and declared as follows:—

I. Picric acid when in process of manufacture shall (for whatever purpose used or manufactured) be deemed to be an explosive within the meaning of the said Act, subject to the following exception:—

(a.) When the picric acid is mixed with not less than half its own weight of moisture in every process of manufacture, it shall be exempt from being deemed to be an explosive within the meaning of the said Act.

II. Picric acid when kept, conveyed, imported or sold, shall (for whatever purpose used or manufactured) be deemed to be an explosive within the meaning of the said Act, subject to the following exceptions:—

(a.) Picric acid mixed with not less than half its own weight of water shall be exempt from being deemed to be an explosive within the meaning of the said Act.

(b.) Picric acid which does not fall within the exemption (a), when the quantity does not exceed two thousand pounds in any one ship, boat, carriage, building or place, shall be exempt from being deemed to be an explosive within the meaning of the said Act; provided that such picric acid is so kept and conveyed as not to be liable, whether under the action of fire or otherwise, to come in contact with any substance specified in the schedule hereto, or with any fire or light capable of igniting such picric acid.

Provided also that such picric acid when dry is so packed in a substantial barrel or case that the contents cannot escape; and that no metal other than aluminium or an alloy containing not less than ninety per centum of aluminium, is used in the construction of any package containing such picric acid, and that each barrel or case is legibly marked "Picric Acid."

Picric acid when not subject to the above exemptions must be packed and marked as required by the Order of Secretary of State relating to the packing of explosives.

III. Picrates and mixtures of picric acid with any other substance (for whatever purpose used or manufactured), shall be deemed to be explosives within the meaning of the said Act, subject to the following exceptions:—

(a.) A picrate mixed with not less than half its own weight of water, shall be exempt from being deemed to be an explosive within the meaning of the said Act.

IV. This Order shall come into force on the first April, one thousand nine hundred and five, and shall be deemed to be in lieu of the Order in Council relating to picric acid and picrates dated the twenty-ninth December, one thousand eight hundred and eighty-seven, which is hereby repealed.

A. W. FitzRoy.

SCHEDULE.

Any of the following metals or metallic oxides, namely, lead, oxide of lead, oxide of iron, potash, baryta, lime, soda, oxide of zinc, oxide of copper;

and any compound of such metal or oxide (other than a metallic sulphate); or any chlorate, nitrate, or other oxidizing agent; or any other substance declared by an Order of the Secretary of State to be capable of forming with picric acid a dangerous compound.

Provided that this schedule shall not be deemed to include any metal, or oxide unavoidably formed on any metal, used in the construction of any ship, boat or carriage, or contained in any paint, where the packages containing picric acid are protected from direct contact with such metal or paint.

At the Court at *Buckingham Palace*, the 27th day of *March*, 1905.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by section two hundred and fourteen of the Merchant Shipping Act, 1894, it is provided that a local authority, whose district includes a seaport may with the approval of the Board of Trade, make bye-laws relating to seamen's lodging-houses in their district, and those bye-laws shall be binding upon all persons keeping houses in which seamen are lodged, and upon the owners thereof and persons employed therein, and further that such bye-laws should amongst other things provide for the licensing inspection and sanitary conditions of seamen's lodging-houses, for the publication of the fact of a house being licensed for the due execution of the bye-laws for preventing the obstruction of persons engaged in securing that execution, for the preventing of persons not duly licensed holding themselves out as keeping or purporting to keep licensed houses, and for the exclusion from licensed houses of persons of improper character, and should impose sufficient fines, not exceeding fifty pounds, for the breach of any bye-law, and further that whenever His Majesty in Council orders that in any district or any part thereof, none but persons duly licensed in pursuance of bye-laws under the said section should keep seamen's lodging-houses or let lodgings to seamen from a date therein named, a person acting in contravention of that order should for each offence be liable to a fine not exceeding one hundred pounds:

And whereas the Council of the County Borough of Salford is the Local Authority under the Public Health Acts and a Local Authority within the meaning of the said section:

And whereas the said Council of the County Borough of Salford have with the approval of the Board of Trade made the bye-laws and regulations set out in the Schedule hereto:

Now, therefore, His Majesty in Council, by virtue of the powers vested in Him by the said Act, doth order that, from and after the first day of May, one thousand nine hundred and five, none but persons duly licensed in pursuance of the said bye-laws and regulations shall keep seamen's lodging-houses or let lodgings to seamen in the district of the County Borough of Salford, or in any part thereof.

A. W. FitzRoy.

3. The Council shall cause a register to be kept of all licences granted under these bye-laws, and the suspension or revocation of any licence shall be noted in such register.

4. A person who, not being entered in the Council's register as a licensed keeper, shall himself or by means of any agent or servant hold himself out as keeping or purporting to keep a licensed house, shall be liable to a penalty not exceeding *twenty* pounds, and to a further penalty of ten pounds for every day during which he shall continue to do so after conviction for so doing.

5. A licence shall not be granted in respect of a house or part of a house until it has been inspected and approved as fit for the purpose of a licensed house by the Medical Officer of Health of the Borough, and any person who applies for a licence shall produce to the Council evidence to its satisfaction of his fitness to be licensed.

6. A licensed keeper shall not transfer or lend a licence to any other person.

8. A licence shall continue in force (subject to suspension or revocation as in these bye-laws provided) for one year from first January. The Council may at its discretion refuse to renew any licence,

9. A house or part of a house which is in connection with any public-house or beer-house shall not be licensed as a seamen's lodging-house.

10. A licence shall not be granted to a person who holds a licence for the sale of intoxicating liquor, or who is engaged or interested in the business of a clothier, outfitter, or slop-dealer; nor shall a licence be granted in respect of any house or part of a house where intoxicating liquor is sold, nor in respect of any house or part of a house occupied or used for the purpose of the business of a clothier, outfitter, or slop-dealer; nor shall any licensed keeper sell or be engaged or interested in the sale of intoxicating liquor, nor be engaged or interested in the business of a clothier, outfitter, or slop-dealer.

11. A licensed keeper shall affix and keep undefaced and legible a notice with the words "Licensed Seamen's Lodging-house" in the most conspicuous place on the outside of the main entrance from any street to the licensed house, and also the full name and address of the licensed keeper.

12. A keeper and any person employed in a house shall at all times, by day or night, when required by an officer appointed by the Council for the inspection of seamen's lodging-houses, or by an officer of the Board of Trade, or of the police, give him or them or any of them free access to all parts of such house and to the register of seamen lodgers hereinafter referred to.

13. A keeper shall not at any time receive, cause, or suffer to be received into a house, or permit to sleep in any room therein, any greater number of lodgers than shall be from time to time allowed by the certificate of the Town Clerk of the Borough. Such certificate shall state the total number of lodgers allowed to sleep in each room of such house, as well as the total number such house may receive, and shall be supplied by the Council to the keeper; and he shall produce such certificate whenever required by any officer appointed by the Council for the inspection of seamen's lodging-houses.

14. A keeper shall fix and keep fixed in a conspicuous place in each room a ticket signed by the Town Clerk of the Borough, stating the number of lodgers allowed to sleep in such room.

15. A keeper and any person employed in a house shall not at any time conceal, deface, alter, or obliterate, or permit, or suffer to be concealed, defaced, altered, or obliterated any such letter or figures.

16. Notwithstanding that the maximum number of lodgers to be received in a house or in any room therein may not have been fixed by the Council as hereinbefore provided, a keeper shall not cause or suffer a greater number of persons than will admit of the provision of four hundred cubic feet of free air space for each person to occupy at one time as a sleeping apartment a room which is used for that purpose.

17. Whenever the Council shall consider it necessary to reduce the number of lodgers to be received in any room in a house, the keeper shall, upon receiving notice in writing to that effect, under the hand of the Town Clerk of the Borough, cease to permit such room to be occupied by any greater number of lodgers than that specified in such notice.

18. A keeper shall not at any time cause or suffer any room which may be appointed for use as a kitchen, scullery, or sitting room, or any underground room which does not comply with the provisions of the Public Health Acts, to be used as a sleeping apartment.

19. A keeper shall cause all such means of ventilation as may be provided in, or in connection with, any room or passage in a house, and in,

or in connection with, any water-closet belonging to a house to be maintained at all times in good order.

20. A keeper shall cause the windows of every room and of the passages and water-closets in a house to be kept fully open for such time on each day as may be necessary for the purposes of ventilation, and shall cause the windows of every room which may be appointed for use and occupation as a sleeping apartment to be kept fully open from 9 A.M. to 4 P.M. in winter, and 9 A.M. to 6 P.M. in summer.

Provided that such keeper shall not be required in pursuance of this bye-law to cause any window in any room to be opened or to be kept open at any time when the state of the weather is such as to render it necessary that the window shall be closed, or when any bed in such room may be occupied by any lodger in consequence of sickness or of other sufficient cause.

21. A keeper shall, in the first week in the month of April, and, if required in writing by the Medical Officer of Health of the Borough, in the first week in the month of October, in every year, cause every part of a house to be cleansed, and shall, at the same time, except in such cases as are hereinafter specified, cause every area, the interior surface of every ceiling and wall of every water-closet belonging to the premises, and the interior surface of every ceiling and wall of every room, staircase, and passage in the house, to be thoroughly stopped, cleansed, and lime-washed or distempered. Provided that if any such interior surface is painted or covered with material which is such as to render the lime-washing thereof unsuitable or inexpedient, this bye-law shall be deemed to be satisfied, so long as such surface is thoroughly cleansed, and the paint or other covering thereon is renewed, if such cleansing or renewal be necessary for the purpose of keeping the house in a cleanly and wholesome condition.

22. A keeper shall as often as may be necessary to keep the same in a clean and wholesome state, cause all the rooms, passages, stairs, floors, windows, doors, and walls of a house to be thoroughly cleansed and freed from vermin, and shall also cause the floors of every room to be thoroughly swept daily, before the hour of ten in the forenoon, and to be well and sufficiently washed on Friday in each week before the hour of twelve noon.

23. A keeper shall cause all bed clothes and bedding and every bedstead used in a house to be thoroughly cleansed as often as shall be required for the purpose of keeping such bed clothes, bedding, and bedsteads in a clean and wholesome condition, and free from vermin.

24. A keeper shall, for the use of the lodgers received into a house, cause to be provided a sufficient number of chamber utensils, and a sufficient number of washing basins or other proper receptacles for water, of adequate capacity and suitably placed, and a sufficient supply of water, and a sufficient number of towels for use in connection with such washing basins and other receptacles, and shall cause such basins or receptacles to be kept clean and in good order, and the supply of towels to be renewed as often as may be requisite.

25. A keeper shall cause all solid or liquid filth or refuse to be removed once at least in every day before the hour of ten in the forenoon from every room in a house, and shall once at least in every day cause every vessel, utensil, or other receptacle for such filth or refuse to be thoroughly cleansed.

26. In the event of any inmate of a house, whether a lodger or otherwise, being attacked by

any infectious disorder, the keeper shall forthwith give intimation of the same to the Medical Officer of Health of the Borough.

27. A keeper, immediately after being informed or having ascertained that any inmate of a house, whether a lodger or otherwise, is ill of any infectious disease, shall adopt all such precautions as may be necessary to prevent the spread of such infectious disease. Such keeper shall not, at any time while such inmate is suffering from such infectious disease, cause or allow any other person, except a person voluntarily in attendance on such inmate, to use or occupy the same room as such inmate.

- (a) Where in pursuance of the statutory provision in that behalf, the sanitary authority may order the removal of such inmate to a hospital or other place for the reception of the sick, such keeper, on being informed of such order, shall forthwith take all such steps as may be requisite on his part to secure the safe and prompt removal of such inmate in compliance with the order of the sanitary authority, and shall, in and about such removal, adopt all such precautions as, in accordance with any instructions which he may receive from the Medical Officer of Health of the Borough, may be most suitable for the circumstances of the case.
- (b) Where, in consequence of the illness of such inmate, there may be reasonable grounds for apprehending the spread of infection through the admission of a lodger to any room or rooms in a house or through the admission to such room or rooms of the maximum number of lodgers authorized to be received therein, such keeper, after being furnished with the necessary instructions from the Medical Officer of Health of the Borough, and until the grounds for apprehending the spread of infection shall have been removed, shall cease to receive any lodger into such room or rooms or shall receive therein such number of lodgers, being less than the maximum number, as the exigencies of the case may require.
- (c) Such keeper shall, immediately after the death, removal, or recovery of an inmate who may have been ill of any infectious disease, give written notice thereof to the Medical Officer of Health of the Borough.
- (d) When a registered medical practitioner has certified that any inmate of a house is suffering from any dangerous infectious disorder, and can be safely removed to hospital, such inmate shall not obstruct the sanitary authority in effecting his removal to any hospital or infirmary with the consent of the authorities thereof.
- (e) When the Medical Officer of Health of the Borough certifies that the cleansing and disinfecting of any house or part thereof, or of any articles therein likely to retain infection, or the destruction of such articles would tend to prevent or check any dangerous infectious disease, such keeper shall give the sanitary authority such facilities as may be necessary to enable such authority to carry out such works of cleansing disinfection or destruction as such Medical Officer of Health may deem to be necessary.
- (f) Unless and until by such cleansing and disinfection the necessary precautions for preventing the spread of disease shall have been duly taken, such keeper shall not cause or suffer any other lodger to be received into the room or rooms which, in the case hereinbefore specified, may have been exposed to infection.

28. A keeper shall provide, in a suitable and convenient situation for the use of lodgers, properly constructed water-closets in the proportion of one such water-closet for every twelve lodgers; and shall cause such water-closets and every part of the apparatus of such water-closets to be kept clean, and shall cause the same and every drain or means of drainage with which they or either of them may communicate, to be maintained in good order and efficient condition.

29. A keeper shall cause every part of the structure of a house to be maintained at all times in good order.

30. A keeper shall cause the yard, area, forecourt, or other open space within the curtilage of a house to be maintained at all times in good order and thoroughly clean, and free from any accumulation of filth or other refuse.

31. A keeper and every person employed in a house shall not receive any female lodger into such house.

32. A licensed keeper and every person employed in a licensed house shall not knowingly lodge, or knowingly harbour, any thief or reputed thief, any prostitute or reputed prostitute, or any other person of improper character.

33. A keeper shall keep a register and shall enter therein the name, age, and nationality of every seaman lodger received into a house, the name of the last vessel from which such seaman lodger was discharged, and the port of discharge, with the name and port of registry of any vessel he may join while resident in such house, and his declared destination on leaving.

34. A keeper shall put up or affix and keep up or affixed a copy of these bye-laws in a suitable and conspicuous position in the common sitting-room of a house in such a manner that the contents of such copy may be clearly and distinctly visible and legible, and shall enter upon the space left for the purpose at the foot of that copy, a scale of the charge per day for board, lodging, and necessities made in such house, and shall not make a higher charge than is provided by the scale on any pretence whatever.

35. Upon the Council being satisfied that any licensed keeper has been guilty of a breach of the Merchant Shipping Act, 1894, or the Acts amending the same, or that such keeper has kept, or is keeping, or is allowing to be kept, a house in which drunkenness, gambling, or immoral or fraudulent practices prevail, or is or has been a party to such proceedings, or neglects to remove from such house any person of improper or immoral character who may have entered therein, or has failed, or is failing to comply with these bye-laws or any of them, the Council may suspend or revoke all licences granted to such keeper.

36. No person shall obstruct any officer or person engaged in securing the execution of these bye-laws.

37. Every person offending against any of the foregoing bye-laws, except where otherwise expressly provided, shall be liable to a penalty not exceeding ten pounds for every such offence, and in the case of a continuing offence to a penalty of five pounds for every day during which the offence may be continued after conviction for the first offence.

38. These bye-laws shall come into force on the first day of March, one thousand nine hundred and two.

The Common Seal of the Mayor, Aldermen and Burgesses of the county borough of Salford was hereunto affixed, in pursuance of a resolution

of the Council, dated the eighth day of January, one thousand nine hundred and two, in that behalf, in the presence of—
