Where a special application is made to the Guardians, directly or otherwise, and the case is not one of sudden and urgent necessity, they shall take steps to ascertain whether the allowance of relief to the child to whom the special application relates, is or is not rendered necessary by the habitual neglect of the father to provide adequate food for the child.

(2.) Any relief or the cost price of any relief given in any such case in accordance with this Order shall be given or considered as given by way of loan, if the Guardians are satisfied that

the case is one of such habitual neglect as aforesaid, and, if the Guardians are not so satisfied, may be given or considered as given by way of loan, where the Guardians determine that the relief shall be so given or shall be considered as so given.

(3.) Where the Guardians determine to give relief in accordance with this Order, and where, by virtue of any provision of this Order, or of any determination in pursuance of this Order, the relief will be given or considered as given by way of loan, the Guardians shall, after making their order upon the special application, and before relief is given in compliance with their order, cause all such steps as are practicable to be taken for the purpose of notifying to the father of the child to whom the special application relates, the fact that the relief will be given or will be considered as given by way of loan.

(4.) Where the Guardians determine to give relief in accordance with this Order, but the relief will not by virtue of any provision of this Order, or of any determination in pursuance of this Order, be given or considered as given by way of loan, the Guardians shall, after making their order upon the special application, and before relief is given in compliance with their order, cause all such steps as are practicable to be taken for the purpose of notifying to the father of the child to whom the special application relates, the fact that the relief given to or on account of the child will be considered as given to the father.

(5.) The Guardians shall not, without a fresh application, allow any relief in pursuance of this Article for a longer period than one month.

ARTICLE III.—Where a special application is made to the Guardians, directly or otherwise, and the case is one of sudden and urgent necessity, any relief or the cost price of any relief given in any such case in accordance with this Order shall be given or considered as given by way of loan, and the Guardians, at the time of making their order upon the special application, or as soon as possible after the relief is given, shall cause all such steps as are practicable to be taken for the purpose of notifying to the father of the child to whom the special application relates, the fact that the relief is given or will be considered as given by way of loan.

ARTICLE IV.—Where a special application is made to a Relieving Officer, and the case is one of sudden or urgent necessity, any relief or the cost price of any relief given in any such case in accordance with this Order shall be given or considered as given by way of loan, and the Relieving Officer shall, at the time of giving the relief, or as soon as possible after the relief is given, take all such steps as are practicable for the purpose of notifying to the father of the child to whom the special application relates the fact that the relief is given or will be considered as given by way of loan.

ARTICLE V.—Where by virtue of any provision of this Order, or of any determination in pursuance of this Order, any relief or the cost price of any relief given upon a special application will be given, is given or will be considered as given by way of loan, nothing in the Orders and Regulations shall apply or have effect so as to require that, as a condition of the giving of the relief, the able-bodied father of the child to whom the special application relates shall be relieved only in the Workhouse, or shall be set to work by the Guardians and be kept employed under their direction and superintendence so long as he continues to receive relief.

ARTICLE VI.—The Guardians shall take proceedings for the recovery of any relief or the

cost price of any relief which, by virtue of any provision of this Order, or of any determination in pursuance of this Order, is given or is considered as given by way of loan, except in any case in which the Guardians report the circumstances to Us, and We approve of their abstaining from any such proceedings.

ARTICLE VII.—Nothing in this Order shall apply or have effect in relation to any case, other than that of a child who is not blind, or deaf and dumb, who resides with his father, and whose father is not in receipt of relief, other than relief given in accordance with this Order.

ARTICLE VIII.—This Order may be cited as "The Relief (School Children) Order, 1905."
