All sheep in Scotland during any part of a prescribed dipping period (except those exempted by later provisions of this Article) shall be caused to be dipped by the owner or person in charge thereof during that period. The first prescribed dipping period shall commence on the first day of January and terminate on the thirty-first day of August, and the second prescribed dipping period shall commence on the first day of September and terminate on the twelfth day of November.

(2.) This Article shall not apply to the following sheep:—

(i.) Sheep which on account of their being intended for exhibition, or which, for any other special circumstances, the Local Authority of the District where the sheep are kept may exempt from these dipping requirements, but so that every exemption shall be signed by the Clerk of the Local Authority and shall be subject to such conditions as may be specified in the exemption. The exemption may be granted subject to conditions as to subsequent dipping or otherwise. A copy of every exemption shall be sent to the Board. The exemption shall be in the Form A set forth in the Schedule hereto, or to the like effect.

4.—(1.) For the purposes of enabling the Local Authority to be represented at the dipping whenever they think such a course desirable, the owner or person in charge of any sheep required to be dipped under the preceding Article, shall

(i.) The notice shall be delivered, or sent by post, to such person as the Local Authority of the District may appoint to receive such notices in respect of sheep in their District.

(ii.) The notice shall be sent or delivered at such time as to be received by the appointed person three clear days, at least, before the intended time of dipping.

(iii.) The notice shall state the time and place of the intended dipping; and the approximate number of sheep intended to be dipped.

(2.) If from any cause the dipping of the sheep on the date specified in a notice becomes impracticable, no further notice shall be required if the sheep are dipped as soon after such date as is practicable.

(3.) A return in the Form B set forth in the Schedule hereto, or to the like effect, shall be sent immediately after each dipping by the owner or person in charge of the sheep dipped to the person appointed to receive such returns by the Local Authority of the District in which the sheep are dipped.

Clipping before Dipping.

5. During the second prescribed dipping period a sheep shall not be deemed to have been dipped in accordance with the requirements of this Order, unless it has been previously clipped, but this provision shall not apply to lambs less than nine months old.

Isolation of Sheep after Dipping.

6. All sheep after having been dipped during the second prescribed dipping period, shall during the remainder of the period be kept isolated, as far as practicable, from sheep which have not been so dipped.

Declaration after Dipping Period.

7. The occupier of a farm or holding on which sheep are kept shall personally, or by his agent authorised in that behalf, on or after the thirty-first day of August, but not later than the fourteenth day of September, and on or after the twelfth day of November, but not later than the twenty-sixth day of November, in each year, send a declaration as to the dipping of the sheep, in the Form C set forth in the Schedule hereto, or to the like effect, to the person appointed to receive such declarations by the Local Authority of the District in which the farm or holding is situate.

Where any sheep shall not have been dipped as required by this Order an Inspector of the Local Authority may, without prejudice to any proceedings for the offence, serve the owner or person in charge of the sheep and the owner or person in charge of any sheep then in contact with the undipped sheep with a notice, in the Form D set forth in the Schedule hereto, or to the like effect, and thereupon it shall be unlawful to move the sheep referred to in the

notice from the farm, holding, or other place where they are at the time the notice is served unless and until all the sheep shall have been dipped after the service of the notice in the presence of an Inspector of the Local Authority.

Cleansing of Dipping Places.

10. The place on any farm or premises which has been used for the dipping shall, without unnecessary delay, be thoroughly cleansed by the occupier, and all tufts of wool gathered and disinfected or destroyed.

Samples of Dip may be taken.

11. Every owner or person in charge of sheep being dipped under this Order shall permit and give every facility to an Inspector of the Local Authority or of the Board to take samples of dip or material which is being or has been used for the dipping of sheep.

Power to provide Dipping Places.

12. The Local Authority may provide and fit up and maintain dipping places, but subject to the approval in writing by the Board of the site of each dipping place; provided that no dipping place shall be used under this provision if its use would injuriously affect the water in any stream, reservoir, aqueduct, well, pond, or place constructed or used for the supply of water for drinking or other domestic purposes.

Power for Local Authority to regulate time and place of Dipping in particular cases.

13. The Local Authority may in any case where they think such procedure desirable serve a notice on the owner or person in charge of any sheep requiring that the sheep shall be dipped at such time and place as is stated in the notice and to the satisfaction of an Inspector of the Local Authority, and the sheep shall thereupon be dipped in accordance with the requirements of such notice. The notice may be in the Form E set forth in the Schedule hereto, or to the like effect.

15.—(1.) After the fifteenth day of July until the thirty-first day of August sheep shall not be moved out of Scotland unless they have been dipped on or since the fifteenth day of June then last past, and unless they are accompanied by a declaration stating that they have been so dipped, signed by the owner of the sheep or his agent authorised in that behalf.

(2.) On and after the first day of September until the twelfth day of November sheep shall not be exposed for sale in any market, fair, or saleyard in Scotland or be moved out of Scotland unless they have been dipped on or since the first day of August then last past, and unless they are accompanied by a declaration stating that they have been so dipped, signed by the owner of the sheep or his agent authorised in that behalf.

(3.) Declarations under this Article shall be in the Form F set forth in the Schedule hereto, or to the like effect.

(4.) Sheep intended for exhibition at agricultural shows may be exempted from the restrictions imposed by this Article by an exemption to that effect signed by the Clerk of the Local Authority of the District in which the sheep are when the exemption is granted upon production of a veterinary certificate showing freedom from sheep-scab. A copy of every exemption shall be sent to the Board. The exemption shall be in the Form A set forth in the Schedule hereto, or to the like effect.

Suez Canal—Signals Altered.

Information, dated January 23rd, 1906, has been received through the Foreign Office that the signals for vessels passing through the Suez Canal as given on pages 66, 67, 68, of the Red Sea Pilot, 1900, are no longer correct, a new set of signals having been compiled. As it is obligatory on the part of vessels proceeding through the canal to obtain the services of a pilot, who will be acquainted with the new signals, the Suez Canal Company have not thought it necessary to publish the new code in the latest edition of "Regulations for the Navigation of the Suez Maritime Canal," 1906; and in future only the signals between ships and Port authorities will be published.

This Notice affects the following Admiralty

Port Adelaide—Tidal Signals Amended.

The Government of the State of South Australia has given notice, that on and after 6th January, 1906, the tidal signals made at the Pilot signal station, Semaphore Jetty, Port Adelaide, would be altered to show the depth of water above, or below, the depths shown on the chart as follows:—

One ball at the south yardarm indicates	one foot.
" " north " " "	2 feet
Two balls at the south yardarm indicates	3 "
" " north " " "	4 "
One ball at the masthead indicates	5 "
One ball at the masthead and one ball at south yardarm indicates	6 "
One ball at the masthead and one ball at north yardarm indicates	7 "
One ball at the masthead and two balls at south yardarm indicates	8 "
One ball at the masthead and two balls at north yardarm indicates	9 "
Two balls at the masthead indicates	10 "
Two balls at the masthead and one ball at south yardarm indicates	11 "
Two balls at the masthead and one ball at north yardarm indicates	12 "
A cone point upwards at either yardarm indicates an additional	3 inches.
A diamond at either yardarm indicates an additional	6 "
A cone point downwards at either yardarm indicates an additional	9 "

At low water a drum will be hoisted at the masthead. Should the water be below the level of low water the above symbols are used, but the drum is kept up to show that the depth given must then be subtracted from the depths shown on the Chart.

Examples:—Two balls at the south yardarm, and a cone point upwards at the north yardarm, shows that 3 feet 3 inches will have to be added to the sounding on the Chart to give the depth at that time. One ball at the masthead under a drum indicates that 5 feet will have to be subtracted from the sounding on the Chart to give the required depth.

Approximate position, lat. 34° 51' S., long. 138° 29' E.

This Notice affects the following Admiralty Chart:—Australia, Vol. I, 1897, pages 334, 335.
