TUESDAY, MARCH 6, 1906.

At the Court at *Buckingham Palace*, the 27th day of *February*, 1906.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven, of the Act of the third and fourth years of Her late Majesty Queen Victoria, chapter one hundred and thirteen, and of the Act of the thirty-seventh and thirty-eighth years of Her said late Majesty, chapter sixty-three, duly prepared and laid before His Majesty in Council a scheme bearing date the fifteenth day of February, in the year one thousand nine hundred and six, in the words following, that is to say:—

“We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven, of the Act of the third and fourth years of Her late Majesty Queen Victoria, chapter one hundred and thirteen, and of the Act of the thirty-seventh and thirty-eighth years of Her said late Majesty, chapter sixty-three, have prepared and now humbly lay before Your Majesty in Council the following scheme for constituting a new Archdeaconry within the diocese of Southwark, for endowing such new Archdeaconry and for altering the boundaries of the two Archdeaconries which already exist in the same diocese.

“Whereas the said diocese of Southwark has heretofore comprised two Archdeaconries and no more, namely, the Archdeaconry of Southwark and the Archdeaconry of Kingston-upon-Thames.

“And whereas the Right Reverend Edward Stuart, Bishop of Southwark, has represented to us and it appears to us to be expedient that a new Archdeaconry should be constituted within

the said diocese of Southwark and should comprise the rural deaneries of Greenwich, Lewisham, and Woolwich which are in the said diocese of Southwark but are not at present in any Archdeaconry and the rural deaneries of Camberwell and Dulwich which are at present within the said Archdeaconry of Southwark and within the said diocese of Southwark, that such new Archdeaconry should be endowed in the manner which is hereinafter recommended and proposed, and that the rural deaneries of Streatham and Wandsworth which are at present in the said Archdeaconry of Kingston-upon-Thames and within the said diocese of Southwark should be transferred to the said Archdeaconry of Southwark.

“And whereas it appears to us to be undesirable that procurations, synodals, visitation fees and induction fees should be received by the Archdeacon of the said proposed new Archdeaconry.

“And whereas it has been made to appear to us that by reason of the discontinuance of the collection of the said fees there will be no annual income available for the said proposed Archdeaconry from fees, dues and emoluments, and that the grant hereinafter recommended and proposed will not be such as to raise the annual income of the said proposed Archdeaconry to an amount exceeding two hundred pounds.

“Now therefore we, the said Ecclesiastical Commissioners for England, with the consent of the said Edward Stuart, Bishop of Southwark (testified by his having signed and sealed this scheme), humbly recommend and propose that upon and from the day upon which any Order of Your Majesty in Council ratifying this scheme shall be published in the London Gazette and without any assurance in the law other than such duly gazetted Order one new Archdeaconry shall be created within the said diocese of

Southwark, that such Archdeaconry shall be named 'The Archdeaconry of Lewisham' and shall comprise and consist of the said rural deaneries of Greenwich, Lewisham, Woolwich, Camberwell and Dulwich and that the said rural deaneries of Streatham and Wandsworth shall be severed from the said Archdeaconry of Kingston-upon-Thames and shall be annexed to the said Archdeaconry of Southwark.

"And we further recommend and propose that the rural deans and other the clergy and the inhabitants generally of the said proposed Archdeaconry of Lewisham and the said Archdeaconries of Southwark and Kingston-upon-Thames shall be under and subject to the archidiaconal jurisdiction authority and control of the respective Archdeacons of such Archdeaconries for the time being and that such Archdeacons shall have and exercise all the rights powers and duties of an Archdeacon within the limits of his Archdeaconry.

"And we further recommend and propose that we be authorized to pay by half-yearly instalments on the first day of January and the first day of July in every year out of the common fund created by the secondly hereinbefore mentioned Act to the Archdeacon of the said proposed Archdeaconry of Lewisham and to his successors in the same Archdeaconry the yearly sum of two hundred pounds, the instalment so first becoming due being an apportioned part only of the said sum of two hundred pounds in respect of the period between the date of the institution of the first Archdeacon of the said proposed Archdeaconry of Lewisham and the first half-yearly day of payment next ensuing: provided always that every payment in respect of the said yearly sum of two hundred pounds shall be made by us only after we shall have been satisfied that the Archdeacon who applies for the same has during the previous twelve calendar months complied with the conditions as to residence which for the time being are required by law and that he has not collected procurations, synodals, visitation fees or induction fees during the same period.

"And we further recommend and propose that whenever any Archdeacon who may be entitled to receive the said yearly sum of two hundred pounds shall resign or otherwise avoid his Archdeaconry such yearly sum shall be apportionable between such Archdeacon or his representatives (as the case may be) and the Archdeacon who shall next be collated to the same Archdeaconry.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending or proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any of them or of any other Act of Parliament."

And whereas a draft of the said scheme has been transmitted to the Archdeacons affected thereby and the said Archdeacons have signified their consent to such scheme.

And whereas the said scheme has been approved by His Majesty in Council: now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Southwark.

At the Court at *Buckingham Palace*, the 27th day of *February*, 1906.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her late Majesty Queen Victoria, chapter thirty-seven, duly prepared and laid before His Majesty in Council a scheme, bearing date the twenty-second day of February, in the year one thousand nine hundred and six, in the words following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of Her late Majesty Queen Victoria, chapter thirty-seven, have prepared and now humbly lay before Your Majesty in Council the following scheme for authorizing the sale and disposal of certain property situate in the parish of Tottenham, in the county of Middlesex..

"Whereas under and by virtue of an indenture bearing date the thirteenth day of July, one thousand nine hundred and five, and made or expressed to be made between us the Ecclesiastical Commissioners for England of the one part and the County Council of the Administrative County of London of the other part, the hereditaments described in the schedule hereto annexed became with their appurtenances and are now vested in us in fee simple for the purposes and subject to the provisions applicable to other hereditaments vested in us.

"And whereas the hereditaments aforesaid are not subject to any outstanding beneficial lease or grant but are now in our possession, but some portions thereof on account of their character or situation are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed.

"And whereas with a view to the advantageous appropriation of the same or of the proceeds thereof for the ultimate improvement of our common fund it is expedient that the said hereditaments or such part or parts thereof as we shall at any time and from time to time think fit should be sold or disposed of, and accordingly that we should be empowered to sell or dispose of our interest in such hereditaments or in any part or parts thereof in such manner as shall appear to us advisable.

"Now therefore we humbly recommend and propose that we may be authorized and empowered by instrument or instruments, in writing duly executed according to law, from time to time to sell or dispose of and duly to convey according to the provisions of the said Acts all or any of the said hereditaments so vested in us as aforesaid, with their appurtenances and all our estate, right, title and interest therein or in any part or parts thereof unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators or assigns or otherwise as he or they shall direct or appoint, and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale from time to time as occasion may arise in the purchase of other lands, tithes, rent charges, tenements or hereditaments, or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the

said proceeds in some Government or Parliamentary Stock or other public securities in England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Act or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"All that piece or parcel of land situate on the west side of Church-lane, in the parish of Tottenham, in the county of Middlesex, containing one acre and thirty-two perches or thereabouts, together with the messuages and building thereon known as The Priory, and which said piece or parcel of land is with the abutments more particularly delineated and coloured red on the plan A annexed to the deed, and all that other piece or parcel of land lying to the northward of the piece or parcel of land first described in the first witnessing part of the said deed and also coloured red on the said plan."

And whereas the said scheme has been approved by His Majesty in Council: now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of London.

"We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal consideration and to make such Order with respect thereto as to Your Majesty, in Your Royal wisdom, shall seem meet."

IN pursuance of the Spring Assizes Act, 1879, His Majesty is pleased, by and with the advice of His Most Honourable Privy Council, to order as follows:—

1. The Northern and Salford Divisions (as defined by the Order in Council of the 4th day of May, 1864) of the County of Lancaster shall, for the purpose of the next Spring Assizes, be united together under the name of the Spring Assize County, No. 2.

2. The said Spring Assizes for the said Spring Assize County shall be held at Manchester.

3. The Court at the said Spring Assizes at Manchester shall have jurisdiction to try any prisoner committed in the said Spring Assize County who may be brought before it, and shall have the same powers with respect to the trial of and passing sentence upon such prisoner as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Spring Assizes Act, 1879, such prisoner would have been tried.

4. The provision of Section three of the Spring Assizes Act, 1879, shall apply to the execution of any capital sentence passed at such Assizes as herein mentioned; provided that the expression in the said section "the Sheriff of the county for which such Assizes were held" shall mean the Sheriff of the county in which the prisoner so sentenced would have been tried if the Spring Assizes Act, 1879, had not been passed.

5. The precepts of the Judges to the said Sheriff shall direct him to summon the Grand Jurors and Petty Jurors from the County of Lancaster.

6. The Gaol Delivery precept of the Judges to the said Sheriff shall direct him to cause the prisoners from all the prisons in the said Spring

Assize County who under the provisions of this Order will have to be tried at Manchester, to be brought there, and the Sheriff shall cause such prisoners to be brought accordingly without any Writ of Habeas Corpus.

7. All Justices of the Peace, Mayors, Coroners, Escheators, Stewards, Bailiffs, Gaolers, Constables, Officers, and persons having authority and being under an obligation to attend the Assizes for either Division comprised in the said Spring Assize County, or to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, any indictment, inquisition, recognizance, examination, deposition, or document, shall have the same authority, and be under the same obligation to attend at the said Spring Assizes held for the said Spring Assize County, and to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, such indictment, inquisition, recognizance, examination, deposition, or document.

8. In all indictments and presentments at the said Spring Assizes the venue laid in the margin thereof shall, in addition to the name of the county where the offence is charged to have been committed, contain the words "Spring Assize County, No. 2."

9. Any person who after the date of this Order, and before the said Spring Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery, to be holden for either of the Divisions constituting the said Spring Assize County, shall be bound to attend at the said Spring Assizes for the said Spring Assize County.

10. In all cases in which the like recognizances have been entered into in respect of any offence committed in either of the Divisions constituting the said Spring Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the said Spring Assizes for the said Spring Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Spring Assizes or forfeit his recognizance.

11. Ten days before the day fixed for the opening of the Commission at Manchester, a list of the prisoners to be removed for trial at the said Spring Assizes for the said Spring Assize County so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the county of Lancaster, and the said Sheriff shall cause to be inserted in one or more newspapers in the Spring Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Manchester.

12. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the said Spring Assizes for the said Spring Assize County shall be in custody, three days before the day upon which the said Spring Assizes for the said Spring Assize County are appointed to be held, to send, without any writ of Habeas Corpus, such prisoners to His Majesty's Gaol at Strangeways, Manchester, in the county of Lancaster, for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance, by the way, and the Gaoler of the said Gaol shall receive such

prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial, or sent to any other prison which has been duly appointed as an alternative for such prison. If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

18. The Clerk of Assize at the said Spring Assizes for the said Spring Assize County, shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial, or is bound by any recognizance to appear and answer, in the said Spring Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed or admitted to bail, may, upon the application of such person, direct the Treasurer of the county or place where such person was committed, or entered into any recognizance to appear and answer as aforesaid, to advance to such person a sum not exceeding 20*l.* to enable him to defray the travelling expenses of such of his witnesses as may have been bound by recognizances to appear on his behalf, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

14. In any case where money is ordered by the Court at the said Spring Assizes for the said Spring Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Spring Assizes Act, 1879, and this Order; and every such Treasurer, or some known agent on his behalf, shall attend the said Spring Assizes during the sitting of the Court to pay all such orders.

15. Where the Court at the said Spring Assizes for the said Spring Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly, without any Writ of Habeas Corpus.

16. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Spring Assizes Act, 1879.

17. This Order, unless earlier revoked, shall be in force during the continuance of the Spring Assizes, 1906.

A. W. FitzRoy.

At the Court at *Buckingham Palace*, the 27th day of *February*, 1906.

PRESENT,

The KING's Most Excellent Majesty in Council.

IN pursuance of the Spring Assizes Act, 1879, His Majesty is pleased, by and with the advice of His Most Honourable Privy Council, to order as follows:—

1. The North and East Riding Division and the West Riding Division (as defined by the Order in Council of the 10th day of June, 1864) of the County of York and the County of the City of York, shall, for the purpose of the next Spring Assizes, be united together under the name of the Spring Assize County, No. 3.

2. The said Spring Assizes for the said Spring Assize County shall be held at Leeds.

3. The Court at the said Spring Assizes at Leeds shall have jurisdiction to try any prisoner committed in the said Spring Assize County who may be brought before it, and shall have the same powers with respect to the trial of and passing sentence upon such prisoner as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Spring Assizes Act, such prisoner would have been tried.

The provision of Section three of the Spring Assizes Act, 1879, shall apply to the execution of any capital sentence passed at such Assizes as herein mentioned; provided that the expression in the said Section "the Sheriff of the County for which such Assizes were held" shall mean the Sheriff of the County in which the prisoner so sentenced would have been tried if the Spring Assizes Act, 1879, had not been passed.

4. The Sheriff of the County of York shall alone act for the purpose of the said Spring Assizes for the said Spring Assize County, and subject to the provisions of this Order shall have jurisdiction for that purpose over the whole district constituting the said Spring Assize County, and precepts and other documents relating to the said Spring Assizes shall be addressed to him alone.

5. The Gaol Delivery precept of the Judges to the said Sheriff shall direct him to summon the Grand Jurors and Petty Jurors from the County of York; and the Jurors so summoned shall be deemed to be good and lawful men of the body of the several counties constituting the said Spring Assize County; and the Grand and Petty Jury formed out of those Jurors shall be deemed to be a Grand and Petty Jury respectively of the body of the said Counties respectively, and shall have jurisdiction accordingly.

6. The precepts of the Judges to the said Sheriff shall direct him to cause the prisoners from all the prisons in the said Spring Assize County who under the provisions of this Order will have to be tried at Leeds to be brought there, and the Sheriff shall cause such prisoners to be brought accordingly without any writ of Habeas Corpus.

7. In all matters not before specifically mentioned the precepts to the said Sheriff shall direct him to issue, and he shall issue the like notices, precepts, warrants, and documents, and perform the same acts (*mutatis mutandis*) as if he were Sheriff for the whole of the said Spring Assize County, and all Under Sheriffs, Bailiffs, Constables, and Officers in the said Spring Assize County shall obey accordingly.

8. The said Sheriff shall, as to all matters in relation to such Spring Assizes for which no specific provision is made by this Order, have the same power, jurisdiction, and responsibility as if

he were Sheriff for the whole of the said Spring Assize County, except that this provision shall not authorize the said Sheriff to carry sentences into execution outside the county of York, or to levy outside the said County fines imposed or recognizances estreated at the said Spring Assizes.

9. All Justices of the Peace, Mayors, Coroners, Escheators, Stewards, Bailiffs, Gaolers, Constables, Officers, and persons having authority and being under an obligation to attend the Assizes for either of the Counties comprised in the said Spring Assize County, or to certify, transmit, or deliver to the Court of Assize or the proper officer thereof any indictment, inquisition, recognizance, examination, deposition, or document, shall have the same authority, and be under the same obligation to attend at the said Spring Assizes held for the said Spring Assize County, and to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, such indictment, inquisition, recognizance, examination, deposition, or document. This provision shall not apply to the Sheriff of the County of the City of York.

10. In all indictments and presentments at the said Spring Assizes, the venue laid in the margin thereof shall, in addition to the name of the county where the offence is charged to have been committed, contain the words "Spring Assize County, No. 3."

11. Any person who after the date of this Order and before the said Spring Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery, to be holden for any of the Counties constituting the said Spring Assize County, shall be bound to attend at the said Spring Assizes for the said Spring Assize County.

12. In all cases in which the like recognizances have been entered into in respect of any offence committed in any of the Counties constituting the said Spring Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the said Spring Assizes for the said Spring Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Spring Assizes, or forfeit his recognizance.

13. Ten days before the day fixed for the opening of the Commission at Leeds, a list of the prisoners to be removed for trial at the said Spring Assizes for the said Spring Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of York, and the said Sheriff shall cause to be inserted in one or more newspapers in the Spring Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Leeds.

14. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the said Spring Assizes for the said Spring Assize County shall be in custody, three days before the day upon which the said Spring Assizes for the said Spring Assize County are appointed to be held, to send, without any Writ of Habeas Corpus, such prisoners to His Majesty's Gaol at Leeds for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their

arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial, or sent to any other prison which has been duly appointed as an alternative for such prison. If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

15. The Clerk of Assize at the said Spring Assizes for the said Spring Assize County shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial, or is bound by any recognizance to appear and answer, in the said Spring Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed or admitted to bail, may, upon the application of such person, direct the Treasurer of the county or place where such person was committed, or entered into any recognizance to appear and answer as aforesaid, to advance to such person a sum not exceeding 20*l.*, to enable him to defray the travelling expenses of such of his witnesses as may have been bound by recognizances to appear on his behalf, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

16. In any case where money is ordered by the Court at the said Spring Assizes for the said Spring Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Spring Assizes Act, 1879, and this Order; and every such Treasurer, or some known agent on his behalf, shall attend the said Spring Assizes during the sitting of the Court to pay all such orders.

17. Where the Court at the said Spring Assizes for the said Spring Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly without any Writ of Habeas Corpus.

18. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Spring Assizes Act, 1879.

19. This Order, unless earlier revoked, shall be in force during the continuance of the Spring Assizes, 1906.

A. W. Fitz Roy.

Civil Service Commission,

March 6, 1906.

The Civil Service Commissioners hereby give notice that the following Regulations have been approved by the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS respecting Boy Clerks registered for Temporary Employment in Public Departments.

* * * Revised Regulations may at any time be issued.

1. Two Registers of Boy Clerks for temporary employment in Public Departments will be kept by the Civil Service Commissioners.*

* Boy Clerks who entered or may enter the Service by competitions earlier than May, 1906, will remain registered as heretofore on a single Register for Great Britain and Ireland.

2. These Registers will contain the names of boys who, being either natural-born or naturalized British subjects, have satisfied the Civil Service Commissioners that they are of good health and character, and that they are duly qualified under the following regulations (3 and 4). One register will contain the names of boys for service in London, Edinburgh, and provincial towns of England, Scotland and Wales. The other will contain the names of boys for service in Dublin and provincial towns of Ireland.

3. The limits of age are 15 to 17. Candidates must be of the prescribed age on the first day of the Examination.

4. The subjects for examination are:—

1. Handwriting and Orthography.
 2. Arithmetic, including Vulgar and Decimal Fractions.
 3. English Composition.
 4. Copying Manuscript.
- And any two of the following:—*
5. Geography.
 6. English History.
 7. Translation from Latin.
 8. Translation from French.
 9. Translation from German.
 10. Mathematics, the subject matter of Books I and II of Euclid's Geometry; and Algebra up to, and including, Simple Equations.
 11. The rudiments of Chemistry and Physics.

No subjects are obligatory, but no Candidate will be regarded as qualified who fails to obtain such an aggregate number of marks as may indicate in the judgment of the Civil Service Commissioners a competent amount of general proficiency.

5. Open Competitive Examinations for the purpose of testing the qualifications of Candidates in the above-mentioned subjects will be held by the Civil Service Commissioners from time to time as may be necessary, and a certain number, regulated by the probable demand from the Public Departments, of those who show sufficient proficiency will be placed upon the Registers kept by the Commissioners, and will be available for employment as their services are required. The competitions for the Irish service will, as a rule, be held at the same time as the competitions for service in Great Britain, and the list of successful candidates for Ireland will be separate from that of the successful candidates for service in Great Britain. Candidates can enter for both competitions, when they are held simultaneously, paying only one fee. If successful in both they will be entered on the Register for Great Britain only, or on that for Ireland only, or on both Registers according to their choice.

6. The fee payable for attending the Open Competitive Examinations will be 5s.

7. Boy Clerks placed on these Registers will be summoned for employment in any of the Public Departments as they are wanted. When not wanted, they will have no claim to employment. Refusing to serve when called upon, except for reasons satisfactory to the Civil Service Commissioners, they will be removed from the Registers. The order in which they may be employed, the Departments to which they may be assigned, and their retention generally on the Registers, will be determined by the Civil Service Commissioners; but they will be subject to the orders of the Departments in which they are serving during the time of their actual employment, and will be liable to dismissal from them by the authorities thereof, without notice, for inefficiency or misconduct.

Boy Clerks resigning, or procuring their own discharges from Departments, except for sufficient reasons proved to the satisfaction of the Civil Service Commissioners, will be removed from the Registers.

Their assignment for service will, as a general rule, be according to their order of merit in the examination; but exceptions to this general rule may be made when the engagement offered is very short or for other sufficient reasons.

8*. These Boy Clerks will usually be engaged and paid by the week of 39 hours, viz.:—7 hours a day on Mondays, Tuesdays, Wednesdays, Thursdays, and Fridays, and 4 hours on Saturdays; and they will be paid 15s. per week during the first year of their service. After a year of approved service, an increase of pay to 16s. a week may be allowed; after a second year, an increase of pay to 17s. a week; after a third year, an increase to 18s.; after a fourth year, an increase to 19s.

In any case of absence without pay a Boy Clerk's increment shall be postponed one day for every day of such absence—absence without pay equally with the interval between successive engagements not being reckoned as service for any purpose contemplated by the Regulations.

Boy Clerks may also be engaged and paid by the hour at the rate of 4½d. per hour during their first year of service; at the rate of 5d. per hour during the second; 5½d. during the third year of service; and afterwards at the rate of 6d. per hour. Any who may be engaged by the week and who may be required to attend for more than 7½ hours on Monday, Tuesday, Wednesday, Thursday, or Friday, or more than 4½ hours on Saturday, will be paid at the hourly rate for such overtime attendance. But in no case must overtime attendance exceed 12 hours in any one week. They may also be paid by the piece at such rates as may be fixed by the Civil Service Commissioners, with the approval of the Lords Commissioners of the Treasury.

9. No service, however much it may happen to be prolonged, will confer any claim to superannuation or compensation allowance; and Boy Clerks will not be retained, as such, after they shall have reached the age of 20.

10. If a public holiday, on which the office is closed, fall within the period of a Boy Clerk's engagement, he may be paid in respect of it as for a working day. Boy Clerks may, with the consent of the Department in which they are serving, or if not at the time serving, with the consent of the Civil Service Commissioners, be allowed holidays, with pay at the rate for the official day in the proportion of one day for every 24 full days of actual and approved service previously rendered by them as Boy Clerks. But no Boy Clerk shall be allowed to take more than 12 days' leave under these conditions, between the 1st day of January and the 31st day of December, both days inclusive, in any one year, and in calculating the leave to be allowed in any given year, no service rendered before the 1st day of January of the preceding year shall be counted.

Holiday pay can only be allowed for holidays actually taken, not for days on which the Boy Clerk is drawing pay in respect of employment in any capacity in the Public Service.

11. Boy Clerks who may fall ill while serving in any Department, and whose illness may be attested by medical certificate to the

* Clause 8 applies to all Boy Clerks registered on the result of competitions held later than 1st April, 1902.

satisfaction of the authorities of such Department, may be allowed sick-leave, receiving three-fourths of the rate of pay for the official day; provided that no Boy Clerk shall be paid for holidays and sick-leave, taken together, for more than 28 days within any one year, exclusive of public holidays.

12. Except in conformity with Regulations 10, 11, 15, and 16, Boy Clerks will only receive pay for the hours, or parts of hours, during which they actually attend.

13. No person who has been trained, either wholly or partially, at the public expense, for the occupation of a teacher in schools in connection with the Board of Education in England, the Committee of Council on Education for Scotland, or the Commissioners of National Education, Ireland, is eligible for employment as a Boy Clerk until the consent of those Departments, given in conformity with rules sanctioned by the Lords of the Treasury, has been notified to the Civil Service Commissioners.

14. Boy Clerks are not intended to travel during an engagement, nor will they, as a rule, be required to accept engagements at a distance from their residence; but any Boy Clerk who may be ordered to travel will be allowed such reasonable and customary expenses as the Lords of the Treasury may in each case approve.

15. If any case of infectious disease should occur in the house where a Boy Clerk is living, he must immediately report the fact to the Officer under whom he is employed, and must, if required, at once discontinue his attendance. In cases of such enforced absence from his employment, it is in the discretion of the Head of the Department in which he has been serving to allow the Boy Clerk full pay at the usual rate for the period for which it is medically certified that his attendance at the office would be likely to be dangerous to his colleagues.

16. In any year in which an open Competition for situations as Assistant Clerk (Abstractor Class) in the Civil Service or for Clerkships of the Second Division is held, a Boy Clerk who obtains from the Head of the Department in which he is serving leave of absence to attend such Examination may also, at the discretion of the Head of the Department, be allowed pay, at the usual rate, for the days during which he is attending the Examination.

17. Service Marks for each full period of three calendar months of actual approved service, subject to a maximum of twelve such periods, will be allowed to Candidates attending Examinations for the following situations, viz.:—

Clerkships in the Second Division of the Civil Service,

Second Class Clerkships (Lower Section) for Port Service in the Department of His Majesty's Customs,

Assistantships of Excise,

Assistantships of Customs,

who are serving or have served as Boy Clerks; but the number of marks to be allowed for each period may be different at successive examinations.

18. In the promotions of permanent Civil Servants [Assistant Clerks (Abstractor Class) and others] under Clause 15 of the Order in Council of 29th November, 1898, not less than one and not more than two years' approved service as Boy Clerk or Boy Copyist may be allowed to reckon towards the six years' established service required by the said clause.
