NOTICE is hereby given, that during the progress of the above Bill through the House of Commons (in which Honourable House the Bill originated), provision has been made for an alteration of the line or situation of portions of Tramways Nos. 12 and 12A as originally proposed to be authorized by the Bill as introduced into Parliament.

Such alteration is as follows, namely:—

(1) The construction of a portion of the said Tramway No. 12 situate in Westminster Bridge-road, and on Westminster Bridge, and the approaches thereto, in such a position as to be two feet or thereabouts northward of the position in the carriageway of the said portion of tramway as shown on the plans deposited in the month of November last, in respect of the said Bill, with the Clerk of the Peace for the County of London (hereinafter referred to as "the November plans"), such alteration commencing in Westminster Bridge-road at a point two-and-a-half chains or thereabouts westward of the point of commencement of the said tramway as shown on the November plans, and terminating on the western approach to Westminster Bridge at or near the junction therewith of the Victoria Embankment, and being in the Parish and Metropolitan Borough of Lambeth, and the Parish of St. Margaret, Westminster, in the City of Westminster.

The Bill provides for a corresponding reduction of the width of (inter alia) so much of the footway on the northern side of Westminster Bridge as adjoins the said portion of tramway.
