#### TRANSVAAL.

Northern Railway of the late South African Republic (Selati Railway).

£1,500,000 4 per cent. Bonds.

The Crown Agents for the Colonies notified in the London Gazette of the 22nd of April, 1904, for the information of all concerned, that they had been instructed by His Majesty's Government to pay the arrears of interest on the above Loan from the date of annexation of the Transvaal, viz., 1st September, 1900, but that before payment would be effected, a memorandum in the following words would have to be stamped upon each Bond, viz. :—

"The payment by His Majesty's Government of any coupon on this Bond is without prejudice, both as regards His Majesty's Government and the Bondholders, to the question as to whether, and if so how far, His Majesty's Government will ultimately assume liability for the Bond."

The Crown Agents for the Colonies have now received instructions from His Majesty's Government to announce that without admitting any liability His Majesty's Government have decided to redeem the Bonds of the above Loan at £96 per Bond of £100. At present, however, the funds available for the purpose of redemption amount only to the sum of £410,000. Redemption of Bonds to that extent will, therefore, be effected by means of a drawing which will be held on the 16th of July, at 11 o'clock A.M., at the office of the Crown Agents for the Colonies in the presence of such Bondholders as may attend.

The Bonds so drawn together with the accrued interest will be paid off on the 1st October next, on and after which date interest will cease and determine whether payment is claimed or not.

The numbers of the Debentures drawn will be published in the Times newspaper for the information of those concerned, as soon as possible after the drawing has taken place.

No decision has at present been arrived at

with regard to the manner in which the remaining Bonds of the Loan will be redeemed, but if it is decided that they shall be redeemed by means of drawings, full notice of such drawings will be given.
