The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the fifth and sixth years of Her late Majesty Queen Victoria, chapter one hundred and eight, and of the Act of the twenty-first and twenty-second years of Her said late Majesty, chapter fifty-seven, which Acts are known as "The Ecclesiastical Leasing Acts," duly prepared and laid before His Majesty in Council a Scheme bearing date the twelfth day of July, in the year one thousand nine hundred and six, in the words following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the fifth and sixth years of Her late Majesty Queen Victoria, chapter one hundred and eight, and of the Act of the twenty-first and twenty-second years of Her said late Majesty, chapter fifty-seven, which Acts are known as 'The Ecclesiastical Leasing Acts,' have prepared and now humbly lay before Your Majesty in Council the following scheme relating to the vicarage and parish of Bedlington, situate in the diocese of Newcastle, and also to the provision for the cure of souls within the new parish of Saint John, Sleekburn, situate in the same diocese.

"Whereas the annual value of the benefice of Bedlington, that is to say, of the vicarage of the parish of Bedlington aforesaid, has been improved under and by virtue of certain sales and leases of glebe lands and minerals belonging to the said vicarage, which sales and leases were made under the authority of the said Acts, with the concurrence of us, the said Ecclesiastical Commissioners, by the Reverend Robert John Pearce, Clerk in Holy Orders, an Honorary Canon of the cathedral church of Newcastle, and the present Vicar or Incumbent of the said benefice of Bedlington.

"And whereas the moneys being the net proceeds of the said sales and leases have been, in accordance with the provisions in that behalf contained in the said Acts, invested by us, the said Ecclesiastical Commissioners, and are now represented by a sum of eight thousand five hundred and seventy-five pounds fourteen shillings and three pence India Three pounds per centum Stock, which is held by us in trust to pay over to the Vicar for the time being of the said parish of Bedlington the annual interest or dividends from time to time arising or accruing therefrom or thereupon, but subject nevertheless to the provisions contained in the said Acts with

respect to making a certain portion of the improved value arising to the vicarage of Bedlington aforesaid from the said sales and leases payable to us for the benefit of our common fund or for the purpose of making better provision than now exists for the cure of souls within the original limits of the said parish of Bedlington.

"And whereas, after making payable to us for the benefit of our common fund for the purposes hereinafter mentioned such portions as are hereinafter mentioned of the improved value which has arisen as aforesaid to the said vicarage of Bedlington from the said sales and leases, the average annual income of the said vicarage of Bedlington will not be left at a less sum than six hundred pounds.

"And whereas the said Robert John Pearce, the present Vicar or Incumbent of the said vicarage of Bedlington, is desirous that we should submit to Your Majesty in Council the recommendation and proposal hereinafter set forth, and has signified his consent thereto by signing and sealing this scheme.

"Now, therefore, we, the said Ecclesiastical Commissioners, humbly recommend and propose that as from the date of the licence of the first Incumbent of the said new parish of Saint John, Sleekburn, which has recently been formed out of the original parish of Bedlington aforesaid, the sum of one thousand six hundred and sixty-six pounds thirteen shillings and four pence India Three pounds per centum Stock, forming part of the stock hereinbefore mentioned, shall cease to be held by us for the benefit of the Vicar or Incumbent of the parish of Bedlington aforesaid, and shall be held by us for the benefit of our common fund, nevertheless to the intent that the said sum of one thousand six hundred and sixty-six pounds thirteen shillings and four pence India Three pounds per centum Stock shall be applied by us for the benefit of the Vicar or Incumbent of the said new parish of Saint John, Sleekburn, and that the annual interest or dividends arising therefrom shall be payable and paid by us to or for the benefit of the Vicar or Incumbent for the time being of such new parish of Saint John, Sleekburn, and his successors for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament."

And whereas the notice of the foregoing scheme, which is required by the hereinbefore mentioned Acts, has been given by the said Commissioners to the patrons of the said benefice of Bedlington, and the said patrons have not made any objection to the said scheme.

And whereas the said scheme has been approved by His Majesty in Council: now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Newcastle.

At the Court at *Buckingham Palace*, the 28th day of *July*, 1906.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her late Majesty Queen Victoria, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter one hundred and four, duly prepared and laid before His Majesty in Council a scheme, bearing date the twelfth day of July, in the year one thousand nine hundred and six, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, acting in pursuance of the Act of the sixth and seventh years of Her late Majesty Queen Victoria, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter one hundred and four, have prepared and now humbly lay before Your Majesty in Council the following scheme for constituting a separate district for spiritual purposes to be taken partly out of the parish of Chiswick and partly out of the new parish (sometime chapelry district) of Christ Church, Turnham Green, both situate in the county of Middlesex and in the diocese of London, and both being benefices in the Metropolis or in the vicinity thereof as those terms are defined by the Union of Benefices Acts, 1860 and 1898, that is to say, the Act of the twenty-third and twenty-fourth years of Her said late Majesty, chapter one hundred and forty-two, and the Act of the sixty-first and sixty-second years of Her said late Majesty, chapter twenty-three.

"Whereas we are satisfied that the said parish of Chiswick and the said new parish of Christ Church, Turnham Green, are parishes wherein or in parts whereof the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof and it appears to us that it would promote the interests of religion that the particular portions of the said parish of Chiswick and of the said new parish of Christ Church, Turnham Green, which are mentioned and described in the schedule to this scheme and are delineated on the map or plan annexed to this scheme should be constituted a separate district for ecclesiastical purposes in the manner which is hereinafter set forth.

"And whereas there is not at present within the limits of the said proposed district any consecrated church or chapel in use for the purposes of Divine worship.

"And whereas under the provisions of an Order of Your Majesty in Council bearing date the seventh day of August in the year one thousand nine hundred and five and published in the London Gazette on the eighth day of the same month the benefice of Saint Paul, Covent Garden, and the benefice of Saint Michael, Burleigh-street, in the city of Westminster and in the diocese of London, were united into one benefice, and it was by the same Order provided amongst other things that an ecclesiastical district within the limits of the Metropolis or its vicinity should be selected by the Bishop of London as the district for which a church should be built out of the proceeds of the sale or sales which have been effected of the materials and site of the Church of Saint Michael, Burleigh-street.

"And whereas the district hereinafter proposed to be constituted has been selected by the Bishop of London as the district for which a church shall be built as provided by the said Order in Council.

"And whereas certain endowments which produce an income exceeding two hundred pounds per annum and which prior to the said union of benefices belonged to the said benefice of Saint Michael, Burleigh-street, will under the provisions of the said Order in Council form the initial endowment of the said proposed church and district.

"And whereas it is provided by the said Order in Council that the whole right of patronage of the said proposed district shall be vested in the Vicar or Incumbent for the time being of the benefice of Saint Martin-in-the-Fields, in the said city of Westminster.

"Now therefore, with the consent of the Right Honourable and Right Reverend Arthur Foley, Bishop of London (in testimony whereof he has set his hand and affixed his episcopal seal to this scheme), we the said Ecclesiastical Commissioners humbly recommend and propose that all those portions of the said parish of Chiswick and of the said new parish of Christ Church, Turnham Green, which are described in the schedule hereunder written, and are delineated on the map or plan hereunto annexed, shall upon and from the day upon which any Order of Your Majesty in Council ratifying this scheme shall be published in the London Gazette become and be constituted a separate district for spiritual purposes by the name of 'The District of Saint Michael, Chiswick,' and that the said district shall be endowed as contemplated by the said Order of Your Majesty in Council dated the seventh day of August in the year one thousand nine hundred and five.

"And we further recommend and propose that the whole right of patronage of the said proposed district and when such district shall have become a new parish then of such new parish and the nomination of the Minister or Incumbent thereof shall as provided by the said lastly mentioned Order of Your Majesty in Council be for ever vested in and be exercised by the Vicar or Incumbent for the time being of the said benefice of Saint Martin-in-the-Fields.

"And we further recommend that nothing herein contained shall prevent us from recommending or proposing any other measures relating to the matters aforesaid or to any of them in accordance with the provisions of the said Acts or of any of them or of any other Act of Parliament.

"The SCHEDULE to which the foregoing scheme has reference.

"The District of Saint Michael, Chiswick, comprising:—

"All those contiguous portions of the parish of Chiswick and of the new parish (sometime chapelry district) of Christ Church, Turnham Green, both in the county of Middlesex, and in the diocese of London, which are comprised within and are bounded by an imaginary line commencing upon the boundary which divides the new parish of Saint Mary Magdalene, Chiswick, in the said county and diocese, from the said new parish of Christ Church, Turnham Green, at the junction of Duke's-avenue, the new road called Park-road, and Barrowgate-road, and extending thence westward along the middle of Barrowgate-road (thereby striking at several points the boundary which divides the said new parish of Christ Church, Turnham Green, from the said parish of Chiswick) for a distance of thirty-seven chains or thereabouts to the junction of Barrowgate-road with Little Sutton-lane upon the boundary which divides the said new parish of Christ Church, Turnham Green, from the said

parish of Chiswick, and extending thence first southward, then westward, then again southward, then south-eastward, and then south-westward along the last-mentioned boundary (thereby following the middle of Little Sutton-lane and of Grove Park-terrace) for a distance of thirty-two chains or thereabouts to the point where such boundary meets the boundary which divides the new parish of Saint Paul, Grove Park, Chiswick, in the said county and diocese, from the said parish of Chiswick, at the centre of the level-crossing where the loop line of the London and South Western Railway crosses Grove Park-terrace, and extending thence south-eastward along the last-mentioned boundary (thereby following the middle of the said line of railway) for a distance of seventeen chains or thereabouts to the centre of the bridge over the said line of railway which connects Grove Park-road with Sutton Court-road and extending thence northward along the middle of the roadway leading to Sutton Court-road for a distance of five chains or thereabouts to its junction with Sutton Court-road, and extending thence southward along the middle of Sutton Court-road for a distance of four chains or thereabouts to its junction with Burlington-lane, and extending thence south-eastward along the middle of Burlington-lane for a distance of ten chains or thereabouts to its junction with the proposed continuation of the new road called Park-road and extending thence first northward and then north-eastward along the middle of such proposed continuation of Park-road and along the middle of Park-road (thereby crossing the boundary which divides the said parish of Chiswick from the said new parish of Christ Church, Turnham Green), for a distance of fifty chains or thereabouts to the junction of Park-road, Duke's-avenue, and Barrowgate-road upon the boundary which divides the said new parish of Christ Church, Turnham Green, from the said new parish of Saint Mary Magdalene, Chiswick, at which point the said imaginary line commenced."

And whereas drafts of the said scheme have, in accordance with the provisions of the firstly hereinbefore mentioned Act been transmitted to the Patron and to the Incumbents of the cures out of which it is intended that the district recommended in such scheme to be constituted shall be taken, and such Patron and Incumbents have respectively signified their assent to such scheme.

And whereas the said scheme has been approved by His Majesty in Council: now therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of London.

"Whereas it appears to us to be expedient that a district chapelry should be assigned to the said church of Saint Martin, Knowle, situate as aforesaid.

"We, therefore, humbly pray that Your Majesty

will be graciously pleased to take the premises into Your Royal consideration and to make such Order with respect thereto as to Your Majesty, in Your Royal wisdom, shall seem meet."

"The SCHEDULE to which the foregoing Representation has reference.

And whereas the said representation has been approved by His Majesty in Council: now, therefore, His Majesty by and with the advice of His said Council, is pleased hereby to ratify the said representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Bristol.

A. W. FitzRoy.

At the Court at *Buckingham Palace*, the 28th day of *July*, 1906.

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have in pursuance of the Act of the eighth and ninth years of Her late

Majesty Queen Victoria, chapter seventy; of the Act of the fourteenth and fifteenth years of Her said late Majesty, chapter ninety-seven; and of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter fifty-five; duly prepared and laid before His Majesty in Council a representation, bearing date the twelfth day of July, in the year one thousand nine hundred and six, in the words following; that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the eighth and ninth years of Her late Majesty Queen Victoria, chapter seventy, of the Act of the fourteenth and fifteenth years of Her said late Majesty, chapter ninety-seven, and of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter fifty-five, have prepared, and now humbly lay before Your Majesty in Council the following representation as to the assignment of a consolidated chapelry to the consecrated church of Saint Peter, Peel Causeway, situate at Hale within the parish of Bowdon, in the county of Chester and in the diocese of Chester.

"Whereas at certain extremities of the said parish of Bowdon and of the new parish (sometime consolidated chapelry) of Saint John, Altrincham, which said extremities lie contiguous one to another, and are described in the schedule hereunder written, there is collected together a population which is situate at a distance from the several churches of such parish and new parish.

"And whereas it appears to us to be expedient that certain contiguous portions (being the portions containing the population aforesaid) of the said parish of Bowdon and of the said new parish of Saint John, Altrincham, should be formed into a consolidated chapelry for all ecclesiastical purposes, and that the same should be assigned to the said church of Saint Peter, situate at Hale as aforesaid.

"Now therefore, with the consent of the Right Reverend Francis John, Bishop of Chester, as such Bishop, and also as the patron in right of his See, as well of the vicarage of the said parish of Bowdon as of the vicarage of the said new parish of Saint John, Altrincham (in testimony whereof he the said Francis John, Bishop of Chester, has signed and sealed this representation), we, the said Ecclesiastical Commissioners for England, humbly represent that it would, in our opinion, be expedient that all those contiguous portions of the said parish of Bowdon, and of the said new parish of Saint John, Altrincham, which are described in the schedule hereunder written, all which portions, together with the boundaries thereof, are delineated and set forth on the map or plan hereunto annexed, should be united and formed into one consolidated chapelry for the said church of Saint Peter, situate at Hale as aforesaid, and that the same should be named 'The Consolidated Chapelry of Saint Peter, Hale.'

"We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal consideration, and to make such Order in respect thereto as to Your Majesty in Your Royal wisdom shall seem meet.

"The SCHEDULE to which the foregoing Representation has reference.

"The Consolidated Chapelry of Saint Peter, Hale, comprising:—

"All those contiguous portions of the parish of Bowdon and of the new parish (sometime consolidated chapelry) of Saint John, Altrincham,

both in the county of Chester and in the diocese of Chester, which taken together are bounded upon part of north and upon the north-east by the new parish of Christ Church, Timperley, upon the east by the new parish of Ringway, upon the south by the consolidated chapelry of Saint Elizabeth, Ashley, all in the said county and diocese, and upon the remaining sides, that is to say, upon the west and upon the remaining part of the north, by an imaginary line commencing upon the boundary which divides the said consolidated chapelry of Saint Elizabeth, Ashley, from the said parish of Bowdon, at the centre of the bridge which carries Bankhall-lane across the Cheshire Lines Railway, and extending thence north-westward along the middle of the line of the said railway (thereby crossing at Ashley-road the boundary which divides the said parish of Bowdon from the said new parish of Saint John, Altrincham, and passing through Hale Railway Station) for a distance of fifty-five chains and a half or thereabouts to a point opposite to the middle of Broomfield-lane, and extending thence north-eastward to and along the middle of Broomfield-lane for a distance of twenty-five chains or thereabouts to its junction with Hale-road upon the boundary which divides the said new parish of Saint John, Altrincham, from the said new parish of Christ Church, Timperley."

And whereas the said representation has been approved by His Majesty in Council: now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Chester.

2. The said Winter Assizes for the said Winter Assize County shall be held at Carlisle.

3. The Court at the said Winter Assizes at Carlisle shall have jurisdiction to try any prisoner committed in the said Winter Assize County who may be brought before it, and shall have the same powers with respect to the trial of and passing sentence upon such prisoner as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Winter Assizes Acts, such prisoner would have been tried.

The provisions of Section thirteen of the Sheriffs Act, 1887, shall apply to the execution of any capital sentence passed at such Assizes as herein mentioned ; provided that the expression in the said Section "the Sheriff of such County" shall mean the Sheriff of the County in which the prisoner so sentenced would have been tried if the Winter Assizes Acts, 1876 and 1877, had not been passed.

8. The said Sheriff shall, as to all matters in relation to such Winter Assizes for which no specific provision is made by this Order, have the same power, jurisdiction, and responsibility as if he were Sheriff for the whole of the said Winter Assize County, except that this provision shall not authorize the said Sheriff to carry sentences into execution outside the County of Cumberland, or to levy outside the said county fines imposed or recognizances estreated at the said Winter Assizes,

9. 15. The Clerk of Assize at the said Winter Assizes for the said Winter Assize County shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

IN pursuance of the Winter Assizes Acts, 1876 and 1877, His Majesty is pleased, by and with the advice of His Most Honourable Privy Council, to order as follows:—

1. The County of *Montgomery*, the County of

Merioneth, the County of Denbigh, and the County of Flint shall, for the purpose of the next Winter Assizes, be united together and form one County, under the name of the Winter Assize County, No. 4.

2. The said Winter Assizes for the said Winter Assize County shall be held at Ruthin.

3. The Court at the said Winter Assizes at Ruthin shall have jurisdiction to try any prisoner committed in the said Winter Assize County who may be brought before it, and shall have the same powers with respect to the trial of and passing sentence upon such prisoner as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Winter Assizes Acts, such prisoner would have been tried.

The provisions of Section thirteen of the Sheriffs Act, 1887, shall apply to the execution of any capital sentence passed at such Assizes as herein mentioned; provided that the expression in the said Section "the Sheriff of such County" shall mean the Sheriff of the County in which the prisoner so sentenced would have been tried if the Winter Assizes Acts, 1876 and 1877, had not been passed.

4. The Sheriff of the County of Denbigh shall alone act for the purpose of the said Winter Assizes for the said Winter Assize County, and subject to the provisions of this Order shall have jurisdiction for that purpose over the whole district constituting the said Winter Assize County, and precepts and other documents relating to the said Winter Assizes shall be addressed to him alone.

5. The Gaol Delivery precept of the Judges to the said Sheriff shall direct him to summon the Grand Jurors and Petty Jurors from the County of Denbigh, and the Jurors so summoned shall be deemed to be good and lawful men of the body of the several counties constituting the said Winter Assize County, and the Grand and Petty Jury formed out of those Jurors shall be deemed to be a Grand and Petty Jury respectively of the body of the said counties respectively, and shall have jurisdiction accordingly.

6. 7. In all matters not before specifically mentioned, the precepts to the said Sheriff shall direct him to issue, and he shall issue the like notices, precepts, warrants, and documents, and perform the same acts (*mutatis mutandis*) as if he were Sheriff for the whole of the said Winter Assize County, and all Under Sheriffs, Bailiffs, Constables, and Officers in the said Winter Assize County shall obey accordingly.

8. The said Sheriff shall, as to all matters in relation to such Winter Assizes for which no specific provision is made by this Order, have the same power, jurisdiction, and responsibility as if he were Sheriff for the whole of the said Winter Assize County, except that this provision shall not authorize the said Sheriff to carry sentences into execution outside the County of Denbigh, or to levy outside the said county fines imposed or recognizances estreated at the said Winter Assizes.

9. All Justices of the Peace, Mayors, Coroners, Escheators, Stewards, Bailiffs, Gaolers, Constables, Officers, and persons having authority and being under an obligation to attend the Assizes for any county comprised in the said Winter Assize County, or to certify, transmit, or deliver to the Court of Assize or the proper officer thereof any indictment, inquisition, recognizance, examination, deposition, or document, shall have the same authority, and be under the same obligation to attend at the said Winter Assizes held for the said Winter Assize County, and to certify, transmit, or deliver to the Court of Assize or the proper officer thereof such indictment, inquisition, recognizance, examination, deposition, or document. This provision shall not apply to the Sheriffs of any of the counties constituting the said Winter Assize County, other than the Sheriff of the County of Denbigh.

10. In all indictments and presentments at the said Winter Assizes, the venue laid in the margin thereof shall, in addition to the name of the county where the offence is charged to have been committed, contain the words "Winter Assize County, No. 4."

11. Any person who after the date of this Order, and before the said Winter Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery, to be holden for any of the counties constituting the said Winter Assize County, shall be bound to attend at the said Winter Assizes for the said Winter Assize County.

12. In all cases in which the like recognizances have been entered into in respect of any offence committed in any of the counties constituting the said Winter Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the said Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes, or forfeit his recognizance.

13. Ten days before the day fixed for the opening of the Commission at Ruthin, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Denbigh, and the said Sheriff shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Ruthin.

14. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the said Winter Assizes for the said Winter Assize County shall be in custody, three days before the day upon which the said Winter Assizes for the said Winter Assize County are appointed to be held, to send, without any writ of Habeas Corpus, such prisoners to His Majesty's Gaol at Ruthin for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered

If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

15. The Clerk of Assize at the said Winter Assizes for the said Winter Assize County shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial, or is bound by any recognizance to appear and answer, in the said Winter Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed, or admitted to bail, may, upon the application of such person, direct the Treasurer of the county or place where such person was committed, or entered into any recognizance to appear and answer as aforesaid, to advance to such person a sum not exceeding 20*l.* to enable him to defray the travelling expenses of such of his witnesses as may have been bound by recognizances to appear on his behalf, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

16. In any case where money is ordered by the Court at the said Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Winter Assizes Acts, and this Order; and every such Treasurer, or some known agent on his behalf, shall attend the said Winter Assizes during the sitting of the Court to pay all such orders.

17. Where the Court at the said Winter Assizes for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly, without any writ of Habeas Corpus.

18. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Acts, 1876 and 1877.

19. This Order, unless earlier revoked, shall be in force during the continuance of the Winter Assizes, 1906.

Any person who, after the date of this Order and before the said Winter Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery to be holden for either of the counties constituting the said Winter Assize County, shall be bound to attend at the said Winter Assizes for the said Winter Assize County.

12. In all cases in which the like recognizances have been entered into in respect of any offence committed in either of the counties constituting the said Winter Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the said Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes or forfeit his recognizance.

13. Ten days before the day fixed for the opening of the Commission at Brecon, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Brecknock, and the said Sheriff shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Brecon.

14. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the said Winter Assizes for the said Winter Assize County shall be in custody, three days before the day upon which the said Winter Assizes for the said Winter Assize County are appointed to be held, to send, without any Writ of Habeas Corpus, such prisoners to His Majesty's Gaol at Brecon for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial, or sent to any other prison which has been duly appointed as an alternative for such prison. If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

15. The Clerk of Assize at the said Winter Assizes for the said Winter Assize County shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying

17. Where the Court at the said Winter Assizes for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly, without any Writ of Habeas Corpus.

18. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Acts, 1876 and 1877.

The Lords Commissioners of His Majesty's Treasury hereby give notice, that at a Trial of the Pyx, begun at Goldsmiths' Hall, in the City of London, on the 12th June, and concluded on the 5th July, 1906, the following Verdicts of the Pyx Jury were delivered to the King's Remembrancer, viz. :—

TRIAL OF THE PYX OF THE LONDON MINT.

VERDICT.

WE, whose names are hereunder written, having been sworn this twelfth day of June, one thousand nine hundred and six, before the King's Remembrancer, at Goldsmiths' Hall, in the City of London, have made the Assays and Trials of His Majesty's Gold and Silver Coins in the Pyx of the Royal Mint, in London, which, according to accounts produced by the Officers of the Mint, were coined in the said Mint from the first day of July, one thousand nine hundred and five, to the thirtieth day of June, one thousand nine hundred and six, both days inclusive. We ascertained that the number of coins, both of gold and silver, in each packet produced to us, corresponded with the number which the Officers of the Mint represented it to contain; and we took three coins from each of such packets of Gold coins, making altogether fifty-four Sovereigns or Twenty-shilling pieces, and sixty Half-Sovereigns or Ten-shilling pieces, and we weighed each of the said coins separately, so as to ascertain whether they were within the remedy as to weight prescribed in the First Schedule to the Coinage Act, 1870, as amended by the Coinage Act, 1891. We found that the amount of variation from the Standard of Weight specified in the said First Schedule to the said Act was minus two-thousandths of an ounce ($-\cdot002$ oz.) on the whole of such coins. We then melted the said Gold coins so taken out and weighed, into an ingot, and assayed such ingot, comparing it with the standard Gold Trial Plate produced by the Board of Trade, so as to ascertain whether the metal was within the remedy as to fineness prescribed in the said First Schedule to the said Act, and we found that the amount of variation thereof from the Standard of Fineness specified in the said First Schedule to the said Act was plus seven hundred-thousandths (or $+\cdot00007$), and that, therefore, the said metal was within the prescribed remedy as to fineness. We weighed the residue of the said Gold coins in bulk, and we ascertained that they were within the remedy as to Weight. We then took from such residue six Sovereigns, and four Half-Sovereigns, and weighed and assayed them separately, and we found that such Sovereigns weighed respectively,—the first, 123·365 grains, the second, 123·217 grains, the third, 123·405 grains, the fourth, 123·423 grains, the fifth, 123·139 grains, the sixth, 123·126 grains, and that such Half-Sovereigns weighed respectively,—the first, 61·581 grains, the second, 61·575 grains, the third, 61·580 grains, and the fourth, 61·645 grains. We then assayed the said six Sovereigns and four Half-Sovereigns separately, and we found the millesimal fineness of such Sovereigns to be,—the first, 916·66, the second, 916·86, the third, 916·66, the fourth, 916·84, the fifth, 916·87, the sixth, 916·61 respectively, and the millesimal fineness of such Half-Sovereigns to be,—the first, 916·66, the second, 916·72, the third, 916·73, and the fourth, 916·86 respectively. We also took a coin from each of such packets of Silver coins, making

altogether twelve Half-Crowns, twenty-three Florins, twenty-four Shillings, seventeen Sixpences, one Fourpence, eleven Threepences, one Twopence, and one Penny, and weighed each of the said Silver coins separately, so as to ascertain whether they were within the remedy prescribed in the said First Schedule to the said Coinage Act, 1870, as amended by the said Coinage Act, 1891. We found that the amount of variation from the Standard of Weight specified in the said First Schedule to the said Act was plus one-thousandth of an ounce ($+\cdot001$ oz.) on the whole of such coins. We then melted the said Silver coins; so taken out and weighed, into an ingot, and assayed such ingot, comparing it with the standard Silver Trial Plate produced by the Board of Trade, so as to ascertain whether the metal was within the remedy as to fineness prescribed in the said First Schedule to the said Act, and we found that the amount of variation from the Standard of Fineness specified in the said First Schedule to the said Act was nil, and that, therefore, the said metal was within the prescribed remedy as to fineness. We weighed the residue of the said Silver coins in bulk, and we ascertained that they were within the remedy as to Weight. We then took from such residue one Half-Crown, one Florin, one Shilling, one Sixpence, and one Threepence, and weighed and assayed them separately, and we found that such Half-Crown weighed 218·137 grains, that such Florin weighed 174·488 grains, that such Shilling weighed 87·055 grains, that such Sixpence weighed 43·593 grains, and that such Threepence weighed 21·935 grains. We then assayed the said Half-Crown, the said Florin, the said Shilling, the said Sixpence, and the said Threepence separately, and we found the millesimal fineness of such Half-Crown to be 924·1, of such Florin to be 925, of such Shilling to be 924·9, of such Sixpence to be 924·9, and of such Threepence to be 924·8. —Dated the 5th day of July, 1906.

Victoria, which, according to accounts produced by the Officers of the Mint, were coined in the said Branch Mint from the first day of April, one thousand nine hundred and five, to the thirty-first day of March, one thousand nine hundred and six, both days inclusive. We ascertained that the number of coins in each packet produced to us corresponded with the number which the Officers of the Mint represented it to contain, and we took one coin from each of such packets of Gold coins, amounting altogether to ninety-seven Sovereigns or Twenty-shilling pieces, and two Half-sovereigns or Ten-shilling pieces, and we weighed each of the said coins separately, and ascertained that they were within the remedy as to weight prescribed in the First Schedule to the Coinage Act, 1870, as amended by the Coinage Act, 1891. We found that the amount of variation from the Standard of Weight specified in the said First Schedule to the said Act was plus one-thousandth of an ounce (+001 oz.) on the whole of such coins. We then melted the said Gold coins so taken out and weighed, into an ingot, and assayed such ingot, comparing it with the standard Gold Trial Plate produced by the Board of Trade, so as to ascertain whether the metal was within the remedy as to fineness prescribed in the said First Schedule to the said Act, and we found that the amount of variation thereof from the Standard of Fineness specified in the said First Schedule to the said Act was plus thirteen hundred-thousandths (or +00013), and that, therefore, the said metal was within the prescribed remedy as to fineness. Every person whose name is entered as a member in the register of members shall, without payment, be entitled to a certificate under the common seal of the company specifying the share or shares held by him and the amount paid up thereon, provided that in respect of a share or shares held jointly by several persons the company shall not be bound to issue more than one certificate, and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all.

7. If a share certificate is defaced, lost, or destroyed, it may be renewed on payment of such fee, if any, not exceeding one shilling, and on such terms, if any, as to evidence and indemnity as the directors think fit.

8. No part of the funds of the company shall be employed in the purchase of, or in loans upon the security of, the company's shares.

Lien.

9. The company shall have a lien on every share (not being a fully-paid share) for all moneys (whether presently payable or not) called or payable at a fixed time in respect of such share, and the company shall also have a lien on all shares (other than fully-paid shares) standing registered in the name of a single person, for all moneys presently payable by him or his estate to the company; but the directors may at any time declare any share to be wholly or in part exempt from the provisions of this clause. The company's lien, if any, on a share shall extend to all dividends payable thereon.

10. The company may sell, in such manner as the directors think fit, any shares on which the company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable, nor until the expiration of fourteen days after a notice in writing, stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share, or the person entitled by reason of his death or bankruptcy to the share.

11. The proceeds of the sale shall be applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue shall (subject to a like lien for sums not presently payable as existed upon the shares prior to the sale) be paid to the person entitled to the shares at the date of the sale. The purchaser shall be registered as the holder of the shares, and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

Calls on Shares.

12. The directors may from time to time make calls upon the members in respect of any moneys unpaid on their shares, provided that no call shall exceed one-fourth of the nominal amount of the share, or be payable at less than one month from the last call; and each member shall (subject to receiving at least fourteen days' notice specifying the time or times of payment) pay to the company at the time or times so specified the amount called on his shares.

13. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

14. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest upon the sum at the rate of £5 per cent. per annum from the day appointed for the payment thereof to the time of the actual payment, but the directors shall be at liberty to waive payment of such interest wholly or in part.

15. The provisions of these regulations as to payment of interest shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the amount of the share, or by way of premium, as if the same had become payable by virtue of a call duly made and notified.

16. The directors may make arrangements on the issue of shares for a difference between the holders in the amount of calls to be paid and in the times of payment.

17. The directors may, if they think fit, receive from any member willing to advance the same all or any part of the moneys uncalled and unpaid upon any shares held by him; and upon all or any of the moneys so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding, without the sanction of the company in general meeting, six per cent.) as may be agreed upon between the member paying the sum in advance and the directors.

Transfer and Transmission of Shares.

18. The instrument of transfer of any share in the Company shall be executed both by the transferor and transferee, and the transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof.

19. Shares in the company shall be transferred in the following form, or in any usual or common form which the directors shall approve:—

I, A.B. of _____ in consideration of the sum of £ _____ paid to me by C.D. of _____ (hereinafter called "the said transferee") do hereby transfer to the said transferee the share [or shares] numbered _____ in the undertaking called the _____ Company Limited, to hold unto the said transferee, his executors, administrators and assigns, subject to the several conditions on which I held the same at the time of the execution hereof: and I, the said transferee, do hereby agree to take the said share [or shares] subject to the conditions aforesaid. As witness our hands the day of _____

Witness to the signatures of, etc.

20. The directors may decline to register any transfer of shares, not being fully-paid shares, to a person of whom they do not approve, and may also decline to register any transfer of shares on which the company has a lien. The directors may also suspend the registration of transfers during the fourteen days immediately preceding the ordinary general meeting in each year. The directors may decline to recognise any instrument of transfer unless (a) a fee not exceeding two shillings and sixpence is paid to the company in respect thereof, and (b) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the directors may reasonably require to show the right of the transferor to make the transfer.

21. The executors or administrators of a deceased sole holder of a share shall be the only persons recognised by the company as having

any title to the share. In the case of a share registered in the names of two or more holders, the survivors or survivor, or the executors or administrators of the deceased survivor, shall be the only persons recognised by the company as having any title to the share.

22. Any person becoming entitled to a share in consequence of the death or bankruptcy of a member shall, upon such evidence being produced as may from time to time be required by the directors, have the right, either to be registered as a member in respect of the share, or, instead of being registered himself, to make such transfer of the share as the deceased or bankrupt person could have made; but the directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the share by the deceased or bankrupt person before the death or bankruptcy.

23. A person becoming entitled to a share by reason of the death or bankruptcy of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the company.

Forfeiture of Shares.

24. If a member fails to pay any call or instalment of a call on the day appointed for payment thereof, the directors may, at any time thereafter during such time as any part of such call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.

25. The notice shall name a further day (not earlier than the expiration of fourteen days from the date of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed the shares in respect of which the call was made will be liable to be forfeited.

26. If the requisitions of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the directors to that effect.

27. A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the directors think fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the directors think fit.

28. A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding, remain liable to pay to the company all moneys which, at the date of forfeiture, were presently payable by him to the company in respect of the shares, but his liability shall cease if and when the company shall have received payment in full of the nominal amount of the shares.

29. A statutory declaration in writing that the declarant is a director of the company, and that a share in the company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and such declaration, and the receipt of the company for the consideration, if any, given for the share on the sale or disposition thereof, shall constitute a good title to such share, and the

person to whom the share is sold or disposed of shall be registered as the holder of the share and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale, or disposal of the share.

30. The provisions of these regulations as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the amount of the share, or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

Conversion of Shares into Stock.

31. The directors may, with the sanction of the company previously given in general meeting, convert any paid-up shares into stock, and may with the like sanction reconvert any stock into paid-up shares of any denomination.

32. The holders of stock may transfer the same, or any part thereof, in the same manner, and subject to the same regulations as, and subject to which, the shares from which the stock arose might previously to conversion have been transferred, or as near thereto as circumstances admit; but the directors may from time to time fix the minimum amount of stock transferable, and restrict or forbid the transfer of fractions of such minimum, but the minimum shall not exceed the nominal amount of the shares from which the stock arose.

33. The holders of stock shall, according to the amount of the stock held by them, have the same rights, privileges, and advantages as regards dividends, voting at meetings of the company, and other matters as if they held the shares from which the stock arose, but no such privilege or advantage (except participation in the dividends and profits of the company) shall be conferred by any such aliquot part of stock as would not, if existing in shares, have conferred such privilege or advantage.

34. Such of the regulations of the company (other than those relating to share warrants) as are applicable to paid-up shares shall apply to stock, and the words "share" and "shareholder" therein shall include "stock" and "stock-holder."

Share Warrants.

35. The company may issue share warrants, and accordingly the directors may in their discretion, with respect to any share which is fully paid up, on application in writing signed by the person registered as holder of the share, and authenticated by such evidence, if any, as the directors may from time to time require as to the identity of the person signing the request, and on receiving the certificate, if any, of the share, and the amount of the stamp duty on the warrant and such fee as the directors may from time to time require, issue under the company's seal a warrant, duly stamped, stating that the bearer of the warrant is entitled to the shares therein specified, and may provide by coupons, or otherwise, for the payment of dividends, or other moneys, on the shares included in the warrant.

36. A share warrant shall entitle the bearer to the shares included in it, and the shares shall be transferred by the delivery of the share warrant, and the provisions of the regulations of the company with respect to transfer and transmission of shares shall not apply thereto.

37. The bearer of a share warrant shall, on surrender of the warrant to the company for cancellation, and on payment of such sum as the directors may from time to time prescribe, be entitled to have his name entered as a member

in the register of members in respect of the shares included in the warrant.

38. The bearer of a share warrant may at any time deposit the warrant at the office of the company, and so long as the warrant remains so deposited the depositor shall have the same right of signing a requisition for calling a meeting of the company, and of attending and voting and exercising the other privileges of a member at any meeting held after the expiration of two clear days from the time of deposit, as if his name were inserted in the register of members as the holder of the shares included in the deposited warrant. Not more than one person shall be recognised as depositor of the share warrant. The company shall on two days' written notice return the deposited share warrant to the depositor.

39. Subject as herein otherwise expressly provided no person shall, as bearer of a share warrant, sign a requisition for calling a meeting of the company, or attend, or vote, or exercise any other privilege of a member at a meeting of the company, or be entitled to receive any notices from the company; but the bearer of a share warrant shall be entitled in all other respects to the same privileges and advantages as if he were named in the register of members as the holder of the shares included in the warrant, and he shall be a member of the company.

40. The directors may from time to time make rules as to the terms on which (if they shall think fit) a new share warrant or coupon may be issued by way of renewal in case of defacement, loss, or destruction.

Alteration of Capital.

41. The directors may, with the sanction of an extraordinary resolution of the company, increase the capital by such sum, to be divided into shares of such amount, as the resolution shall prescribe.

42. Subject to any direction to the contrary that may be given by the resolution sanctioning the increase of capital, all new shares shall, before issue, be offered to such persons as at the date of the offer are entitled to receive notices from the company of general meetings in proportion, as nearly as the circumstances admit, to the amount of the existing shares to which they are entitled. Such offer shall be made by notice specifying the number of shares offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the directors may dispose of the same in such manner as they think most beneficial to the company. The directors may likewise so dispose of any new shares which (by reason of the ratio which the new shares bear to shares held by persons entitled to an offer of new shares) cannot, in the opinion of the directors, be conveniently offered under this article.

43. The new shares shall be subject to the same provisions with reference to the payment of calls, lien, transfer, transmission, forfeiture and otherwise as the shares in the original capital.

44. The company may, by special resolution:—

(a) Consolidate and divide its capital into shares of larger amount than its existing shares.

(b) By sub-division of its existing shares, or any of them, divide the whole, or any part, of its capital into shares of smaller amount than is fixed by the Memorandum of Association, subject, nevertheless, to the proviso

contained in the Companies Act, 1867, section 21.

- (c) Cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person.
- (d) Reduce its capital in any manner and with, and subject to, any incident authorized, and consent required, by law.

General Meetings.

45. The statutory general meeting of the company shall be held within the period required by the Companies Act, 1900, section 12.

46. A general meeting shall be held once in every year at such time and place as may be prescribed by the company in general meeting, or, in default, at such time in the month following that in which the anniversary of the company's incorporation occurs, and at such place, as the directors shall appoint. In default of a general meeting being so held, a general meeting shall be held in the month next following, and may be convened by any two members in the same manner as nearly as possible as that in which meetings are to be convened by the directors.

47. The above-mentioned general meetings shall be called ordinary meetings; all other general meetings shall be called extraordinary.

48. The directors may, whenever they think fit, convene an extraordinary general meeting, and extraordinary general meetings shall also be convened on such requisition, or, in default, may be convened by such requisitionists as provided by the Companies Act, 1900, section 13. If at any time there shall not be within the United Kingdom sufficient directors capable of acting to form a quorum, any director or any two members of the company may convene an extraordinary general meeting in the same manner as nearly as possible as that in which meetings may be convened by the directors.

Proceedings at General Meetings.

49. Seven days' notice at the least (exclusive of the day on which the notice is served or deemed to be served, but inclusive of the day for which notice is given) specifying the place, the day, and the hour of meeting and, in case of special business, the general nature of such business shall be given in manner hereinafter mentioned, or in such other manner, if any, as may be prescribed by the company in general meeting, to such persons as are, under the regulations of the company, entitled to receive such notices from the company; but the non-receipt of such notice by any member shall not invalidate the proceedings at any general meeting.

50. All business shall be deemed special that is transacted at an extraordinary meeting, and all that is transacted at an ordinary meeting, with the exception of sanctioning a dividend, the consideration of the accounts, balance-sheets, and the ordinary report of the directors and auditors, the election of directors and other officers in the place of those retiring by rotation, and the fixing of the remuneration of the auditors.

51. No business shall be transacted at any general meeting unless a quorum of members is present at the time when the meeting proceeds to business; save as herein otherwise provided, three members personally present shall be a quorum.

52. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of members, shall be dissolved; in

any other case it shall stand adjourned to the same day in the next week, at the same time and place, and if at such adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting, the members present shall be a quorum.

53. The chairman, if any, of the board of directors shall preside as chairman at every general meeting of the company.

54. If there is no such chairman, or if at any meeting he is not present within fifteen minutes after the time appointed for holding the meeting, or is unwilling to act as chairman, the members present shall choose some one of their number to be chairman.

55. The chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned for ten days or more notice of the adjourned meeting shall be given as in the case of an original meeting. Save as aforesaid it shall not be necessary to give any notice of an adjournment, or of the business to be transacted at an adjourned meeting.

56. At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands, unless a poll is (before or on the declaration of the result of the show of hands) demanded in case the resolution be proposed as a special or extraordinary resolution by at least five members or in any other case by at least two members, and, unless a poll is so demanded, a declaration by the chairman that a resolution has, on a show of hands, been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book of proceedings of the company, shall be conclusive evidence of the fact, without proof of the number or proportion of the votes recorded in favour of, or against, such resolution.

57. If a poll is duly demanded it shall be taken in such manner as the chairman directs, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

58. In the case of an equality of votes, whether on a show of hands, or on a poll, the chairman of the meeting at which the show of hands takes place, or at which the poll is demanded, shall be entitled to a second or casting vote.

59. A poll demanded on the election of a chairman, or on a question of adjournment, shall be taken forthwith. A poll demanded on any other question shall be taken at such time as the chairman of the meeting directs.

Votes of Members.

60. On a show of hands every member present in person shall have one vote. On a poll every member shall have one vote for each share of which he is the holder.

61. In the case of joint holders the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders; and for this purpose seniority shall be determined by the order in which the names stand in the register of members.

62. A member of unsound mind, or in respect of whom an order has been made by any Court having jurisdiction in lunacy may vote, whether on a show of hands or on a poll, by his committee, curator bonis or other person in the nature of a committee or curator bonis appointed

by such Court, and such committee, curator bonis or other person may, on a poll, vote by proxy.

63. No member shall be entitled to vote at any general meeting unless all calls or other sums presently payable by him in respect of shares in the company have been paid.

64. On a poll votes may be given either personally or by proxy.

65. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorized in writing, or, if the appointor is a corporation, either under the common seal, or under the hand of an officer or attorney so authorized. No person shall act as a proxy unless either he is entitled on his own behalf to be present and vote at the meeting at which he acts as proxy, or he is appointed to act at that meeting as proxy for a corporation.

66. The instrument appointing a proxy and the power of attorney or other authority, if any, under which it is signed or a notarially certified copy of such power or authority shall be deposited at the registered office of the company not less than forty-eight hours before the time for holding the meeting at which the person named in the instrument proposes to vote, and in default the instrument of proxy shall not be treated as valid.

67. An instrument appointing a proxy may be in the following form, or in any other form which the directors shall approve:—

Company, Limited.

“I
of
in the County
being a member of the
Company, Limited, hereby appoint
of
as my proxy to vote for me and
on my behalf at the [ordinary or extraordinary,
as the case may be] general meeting of the
company to be held on the day of
and at any adjournment thereof.
Signed this day of

Directors.

68. The number of the directors and the names of the first directors, shall be determined in writing by a majority of the subscribers of the memorandum of association.

69. The remuneration of the directors shall from time to time be determined by the company in general meeting.

70. The qualification of a director shall be the holding of at least one share in the company, and it shall be his duty to comply with the provisions of the Companies Act, 1900, section 8.

Powers and Duties of Directors.

71. The business of the company shall be managed by the directors, who may pay all expenses incurred in getting up and registering the company, and may exercise all such powers of the company as are not, by the Companies Acts, 1862 to 1900, or any statutory modification thereof for the time being in force, or by these articles, required to be exercised by the company in general meeting, subject nevertheless to any regulations of these articles, to the provisions of the said Acts, and to such regulations, being not inconsistent with the aforesaid regulations or provisions, as may be prescribed by the company in general meeting; but no regulations made by the company in general meeting shall invalidate any prior act of the directors which would have been valid if such regulation had not been made.

72. The directors may from time to time appoint one or more of their body to the office of managing director or manager for such term, and at such remuneration (whether by way of

salary, or commission, or participation in profits, or partly in one way, and partly in another), as they may think fit, and a director so appointed shall not, while holding such office, be subject to retirement by rotation, or taken into account in determining the rotation of retirement of directors; but his appointment shall be subject to determination *ipso facto* if he shall cease from any cause to be a director, or if the company in general meeting shall resolve that his tenure of the office of managing director or manager be determined.

73. The amount for the time being remaining undischarged of moneys borrowed or raised by the directors for the purposes of the company (otherwise than by the issue of share capital) shall not at any time exceed the issued capital of the company without the sanction of the company in general meeting.

74. The directors shall duly comply with the provisions of the Companies Acts, 1862 to 1900, or any statutory modification thereof for the time being in force, and in particular the provisions in regard to the registration of mortgages and charges affecting the property of, or created by, the company, and to keeping a register of the directors, and in regard to sending to the Registrar of Joint Stock Companies an annual list of members, and a summary of particulars relating thereto, and notice of any consideration or increase of capital, or conversion of shares into stock, and copies of special resolutions, and a copy of the register of directors, and notifications of any changes therein.

75. The directors shall cause minutes to be made in books provided for the purpose—

(a) of all appointments of officers made by the directors;

(b) of the names of the directors present at each meeting of the directors and of any committee of the directors;

(c) of all resolutions and proceedings at all meetings of the company, and of the directors, and of committees of directors,

and every director present at any meeting of directors or committee of directors shall sign his name in a book to be kept for that purpose.

The Seal.

76. The seal of the company shall not be affixed to any instrument except by the authority of a resolution of the board of directors, and in the presence of at least two directors, and of the secretary or such other person as the directors may appoint for the purpose; and those two directors and secretary or other person as aforesaid shall sign every instrument to which the seal of the company is so affixed in their presence.

Disqualifications of Directors.

77. The office of director shall be vacated:—

If he ceases to be a director by virtue of the Companies Act, 1900, Section 3.

If he holds any other office of profit under the company except that of managing director or manager.

If he becomes bankrupt.

If he is found lunatic or becomes of unsound mind.

If he is concerned or participates in the profits of any contract with the company.

But the above rules shall be subject to the following exceptions:—That no director shall vacate his office by reason of his being a member of any company which has entered into contracts with or done any work for the company of which he is director: nevertheless, he shall not vote in respect of such contract or work: and if he does so vote his vote shall not be counted.

Rotation of Directors.

78. At the first ordinary meeting of the company the whole of the directors shall retire from office, and at the ordinary meeting in every subsequent year one-third of the directors for the time being, or if their number is not three or a multiple of three, then the number nearest to one-third, shall retire from office.

79. The directors to retire in every year shall be those who have been longest in office since their last election, but as between persons who became directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot.

80. A retiring director shall be eligible for re-election.

81. The company at the general meeting at which a director retires in manner aforesaid may fill up the vacated office by electing a person thereto.

82. If at any meeting at which an election of directors ought to take place the places of the vacating directors are not filled up, the meeting shall stand adjourned till the same day in the next week at the same time and place, and if at such adjourned meeting the places of the vacating directors are not filled up, the vacating directors, or such of them as have not had their places filled up, shall be deemed to have been re-elected at such adjourned meeting.

83. The company may from time to time in general meeting increase or reduce the number of directors, and may also determine in what rotation such increased or reduced number is to go out of office.

84. Any casual vacancy occurring in the board of directors may be filled up by the directors, but the person so chosen shall be subject to retirement at the same time as if he had become a director on the day on which the director in whose place he is appointed was last elected a director.

85. The directors shall have power at any time, and from time to time, to appoint a person as an additional director who shall retire from office at the next following ordinary general meeting, but shall be eligible for election by the company at that meeting as an additional director.

86. The company may by extraordinary resolution remove any director before the expiration of his period of office, and may by an ordinary resolution appoint another person in his stead; the person so appointed shall be subject to retirement at the same time as if he had become a director on the day on which the director in whose place he is appointed was last elected a director.

Proceedings of Directors.

87. The directors may meet together for the despatch of business, adjourn and otherwise regulate their meetings as they think fit. Questions arising at any meeting shall be decided by a majority of votes. In case of an equality of votes the chairman shall have a second or casting vote. A director may and the secretary on the requisition of a director shall at any time summon a meeting of the directors.

88. The quorum necessary for the transaction of the business of the directors may be fixed by the directors, and unless so fixed shall (when the number of directors exceeds three) be three.

89. The continuing directors may act notwithstanding any vacancy in their body, but, if and so long as their number is reduced below the number fixed by or pursuant to the regulations of the company as the necessary quorum of

directors, the continuing directors may act for the purpose of increasing the number of directors to that number, or of summoning a general meeting of the company, but for no other purpose.

90. The directors may elect a chairman of their meetings and determine the period for which he is to hold office; but if no such chairman is elected, or if at any meeting the chairman is not present within five minutes after the time appointed for holding the same, the directors present may choose one of their number to be chairman of the meeting.

91. The directors may delegate any of their powers to committees consisting of such member or members of their body as they think fit; any committee so formed shall in the exercise of the powers so delegated conform to any regulations that may be imposed on them by the directors.

92. A committee may elect a chairman of their meetings: if no such chairman is elected, or if at any meeting the chairman is not present within five minutes after the time appointed for holding the same, the members present may choose one of their number to be chairman of the meeting.

93. A committee may meet and adjourn as they think proper. Questions arising at any meeting shall be determined by a majority of votes of the members present, and in case of an equality of votes the chairman shall have a second or casting vote.

94. All acts done by any meeting of the directors or of a committee of directors, or by any person acting as a director shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such directors or persons acting as aforesaid, or that they or any of them were disqualified, be as valid as if every such person had been duly appointed and was qualified to be a director.

Dividends and Reserve.

95. The company in general meeting may declare dividends, but no dividend shall exceed the amount recommended by the directors.

96. The directors may from time to time pay to the members such interim dividends as appear to the directors to be justified by the profits of the company.

97. No dividend shall be paid otherwise than out of profits.

98. Subject to the rights of persons, if any, entitled to shares with special rights as to dividend, all dividends shall be declared and paid according to the amounts paid on the shares, but if and so long as nothing is paid up on any of the shares in the company dividends may be declared and paid according to the amounts of the shares. No amount paid on a share in advance of calls shall, while carrying interest, be treated for the purposes of this article as paid on the share.

99. The directors may, before recommending any dividend, set aside out of the profits of the company such sums as they think proper as a reserve or reserves which shall, at the discretion of the directors, be applicable for meeting contingencies, or for equalizing dividends, or for any other purpose to which the profits of the company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the company or be invested in such investments (other than shares of the company) as the directors may from time to time think fit.

100. If several persons are registered as joint holders of any share any one of them may give effectual receipts for any dividend payable on the share.

101. Notice of any dividend that may have

been declared shall be given in manner herein-after mentioned to the persons entitled to share therein.

102. No dividend shall bear interest against the company.

Accounts.

103. The directors shall cause true accounts to be kept:—

Of the sums of money received and expended by the company and the matter in respect of which such receipt and expenditure takes place; and

Of the assets and liabilities of the company.

And whereas the Scheme was accompanied by plans particulars and estimates and the Scheme particulars and estimates are in the following terms:—

"BOROUGH OF RICHMOND (SURREY).**"SCHEME FOR AN IMPROVEMENT UNDER PART I. OF THE HOUSING OF THE WORKING CLASSES ACT, 1890.**

"The area to which this Scheme relates is for convenience of description divided into two portions, which portions are together known as the Red Lion Street Area and which as to the Northern portion is bounded on the South by Red Lion Street on the North East by a way or passage leading from Red Lion Street to Church Cottages and by the way or passage known as Wellington Place on the North West partly by a way or passage leading to premises now in the occupation of Messrs. "It is also proposed before demolishing any dwellings occupied by persons of the working class to erect workmen's dwellings on a site partly vacant and partly covered with sheds and situate on the Western side of Downs Buildings within the said area and that the Northern portion of the area shall thereafter be cleared of buildings as soon as the Local Authority have acquired the same but that (unless the Local Government Board otherwise determine) no buildings now occupied as dwelling houses in the Southern portion of the area shall be demolished until such provision for the accommodation of persons of the working class shall have been made within the area or elsewhere as the Local Government Board shall deem sufficient.
