

to 1903, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows :

1. Notwithstanding the provisions of the Swine-Fever (Regulation of Movement) Order of 1903, or of any Order by which such provisions are applied to any scheduled area, swine may be moved from the exhibition mentioned in the Schedule hereto, to any place of destination in Great Britain situate in any scheduled area, if accompanied by a Licence authorising such movement, granted by an Inspector of the Local Authority of the District in which the place of destination is situate.

2. The swine shall be moved by the nearest available route and without unnecessary delay to the place of destination specified in the Licence and not elsewhere, and while being so moved shall not be subject to Regulations made by a Local Authority under any Order of the Board relating to Swine-Fever.

In witness whereof the Board of Agriculture and Fisheries have hereunto set their Official Seal this twenty-second day of August, nineteen hundred and six.

Wm. Somerville,
Assistant-Secretary.

SCHEDULE.

ORDER OF THE BOARD OF AGRICULTURE AND FISHERIES.

(DATED 23RD AUGUST 1906.)

SALFORD (PARASITIC MANGE) ORDER OF 1906.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1903, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows :

Séparation of Diseased and Suspected Animals and Notice of Disease.

1.—(1.) Every person having in his possession or under his charge a horse, ass, or mule affected with or suspected of parasitic mange shall (a) as far as practicable keep that animal separate from

animals not so affected or suspected; and (b) with all practicable speed give notice of the fact of the horse, ass, or mule being so affected or suspected to a constable of the police force for the police area in which the horse, ass, or mule so affected or suspected is.

(2.) The constable receiving such notice shall forthwith give information of the receipt by him of the notice to an Inspector of the Local Authority, who shall forthwith report the same to the Local Authority.

Veterinary Inquiry by Local Authority as to existence of Parasitic Mange.

2.—(1.) The Local Authority on receiving information of the existence, or supposed existence, of parasitic mange shall forthwith cause inquiry to be instituted as to the correctness of such information with the assistance and advice of a Veterinary Inspector, or of a veterinary practitioner qualified according to the Act of 1894 to be a Veterinary Inspector.

(2.) The owner and occupier of any premises on which there is a horse affected with, or suspected of, parasitic mange, shall give all reasonable facilities for the inquiry by the Local Authority under this Article, and any person failing to give such facilities shall be deemed guilty of an offence against the Act of 1894.

Detention of Animals.

3.—(1.) A Veterinary Inspector of the Local Authority may serve a Notice (in the Form A set forth in the First Schedule to this Order, or to the like effect) on the occupier of any stable, shed, field or other premises in which there is a horse, ass, or mule, which in his opinion is affected with parasitic mange, and thereupon the following restrictions shall take effect:—

(i.) The horse, ass, or mule so affected shall not be moved out of the stable, shed, field or other premises specified in the Notice, except with the written authority, and under the supervision, of an Inspector of the Local Authority, and only to some other place of detention; and during the detention it shall from time to time, as often as may be necessary, be treated by the owner thereof with some dressing or other remedy for parasitic mange approved for that purpose by a Veterinary Inspector of the Local Authority;

(ii.) No other horse, ass, or mule shall be moved out of the stable, shed, field, or other premises, unless on each occasion immediately before the movement it is treated with some dressing or other remedy for parasitic mange approved for that purpose by a Veterinary Inspector of the Local Authority.

(2.) A Notice under this Order shall remain in force until it is withdrawn by a Notice in writing served on the occupier of the premises by an Inspector of the Local Authority.

Regulations of Local Authority as to Cleansing and Disinfection.

4.—(1.) The Local Authority may, for the purpose of preventing the spreading of parasitic mange, make Regulations for the following purposes, or any of them:

(i.) For providing for the cleansing and disinfection of any place used by, and of utensils, mangers, feeding troughs, pens, hurdles, harness, or other things used for or about,
