

By the Lieutenant-Governor.

A PROCLAMATION.

Whereas by a Proclamation dated the 29th day of January, 1907, made by the Lieutenant-Governor, with the advice and consent of two members of the Council, under the powers conferred by "The Cattle Diseases Prevention Acts," certain Orders were made for regulating the importation of sheep into this Island:

And whereas it is desirable to modify the Order numbered one in such Proclamation, so far as the same relates to the importation into this Island of sheep intended for slaughter:

Now I, the said Lieutenant-Governor, by and with the advice and consent of two members of the Council, do hereby order as follows:—

1. Any person desiring to import into this Island from the United Kingdom sheep intended for slaughter, shall, before importing the same, give at least twelve hours' notice to the Chief Constable of this Isle, and to John Q. Cannell, C.P., of Ballacarnane, Michael, Isle of Man, the duly appointed inspector of scab, of the port at which it is intended to land the sheep, and of the boat by which it is proposed to import them.

2. A Certificate from either the Veterinary Inspector of the Cattle Market at which the sheep have been purchased, or the Government Veterinary Inspector at the port of embarkation, that such sheep are free from scab, shall accompany each consignment of sheep imported for slaughter, which Certificate shall be produced on landing to either the Inspector of scab or to any Officer of Police. No sheep shall be allowed to be landed unless such Certificate be first produced.

3. All sheep imported for slaughter shall, on being landed, be at once removed to ground in the occupation of the person importing them, contiguous to some slaughter-house.

4. All sheep imported for slaughter shall be slaughtered within ten days from the date of landing.

5. The Order numbered one in the Proclamation of 29th January, 1907, relating to applications for permission to import sheep, is modified to the extent in this Proclamation set forth.
