ORDER OF THE BOARD OF
AGRICULTURE AND FISHERIES.

(DATED 9TH SEPTEMBER 1907.)

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1903, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

1. Article 15 of the Sheep-Dipping (Scotland and North of England) Order of 1907, so far as it regulates the exposure of sheep in markets, fairs, and saleyards, shall not apply in the present year to the exposure of rams at the sale mentioned in the Schedule to this Order.

2. A ram exposed for sale in a market, fair, or saleyard at which the show and sale mentioned in the Schedule to this Order is to be held may be moved therefrom to any premises out of the Dipping Area to which the said Order relates if accompanied by a licence granted by an Inspector of the Local Authority of the District in which the market, fair, or sale is held, which licence shall be granted only upon production of a certificate of a veterinary surgeon stating that he has thoroughly examined the ram and found it to be free from sheep-scab.

In witness whereof the Board of Agriculture and Fisheries have hereunto set their Official Seal this ninth day of September, nineteen hundred and seven.

A. W. Anstruther,
Assistant-Secretary.

SCHEDULE.

Ram Show and Sale to be held in the saleyard of Messrs. Macdonald, Fraser, and Company

Limited, in the city of Perth, on the eleventh day of September, nineteen hundred and seven.

ORDER OF THE BOARD OF
AGRICULTURE AND FISHERIES.

(DATED 12TH SEPTEMBER 1907.)

LONDON (NOTIFICATION OF
GLANDERS) ORDER OF 1907.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1903, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

Application of Order.

1. This Order applies to the administrative county of London and to the city of London.

Notice of Disease.

2.—(1.) Every person having or having had in his possession or under his charge any diseased or suspected horse, ass, or mule shall with all practicable speed give notice of the fact of the horse, ass, or mule being or having been so diseased or suspected, either to an Inspector of the Local Authority, or to a constable of the police force for the police area wherein the diseased or suspected horse, ass, or mule is or was.

(2.) Every person licensed to slaughter horses who has in his possession a carcase of any diseased or suspected horse, ass, or mule shall with all practicable speed give notice of that fact, either to an Inspector of the Local Authority, or to a constable of the police force for the police area wherein the carcase is.

(3.) A constable receiving a notice shall forthwith give information of the receipt by him of the notice to an Inspector of the Local Authority.

(4.) A veterinary surgeon employed to examine any horse, ass, or mule, or the carcase of any such animal, on becoming aware that the animal is diseased, or was diseased when it died or was slaughtered, shall with all practicable speed give notice of the fact to an Inspector of the Local Authority.

(5.) An Inspector of the Local Authority who receives information of the existence or suspected existence of disease shall forthwith report the fact to the Local Authority, and also to the Medical Officer of Health of the Sanitary District in which the animal died or was slaughtered or in which the carcase was at the time of the notice.
