

(6.) Where the notice of disease relates to a carcase of an animal that has died or been slaughtered in the district of a Local Authority other than the Local Authority which receives the notice, the latter shall forthwith inform the other Local Authority of the receipt of the notice.

(7.) This Article shall be substituted for Article 3 (*Notice of Disease*) of the Glanders or Farcy Order of 1907 in the application of that Order to the administrative county of London and to the city of London.

Definition of "Disease," "Diseased" and "Suspected."

3.—(1.) For the purposes of this Order disease means glanders, and includes that form of glanders which is commonly known as farcy.

(2.) A diseased horse, ass, or mule means for the purposes of this Order a horse, ass, or mule in which the clinical symptoms are definite evidence of disease, or in which the application of the mallein test has resulted in definite evidence of disease.

(3.) An animal shall be deemed to be "suspected" if it shows clinical symptoms of disease but such symptoms are insufficient to make the

animal a diseased animal within the definition in this Article.

Revocation of Order.

4. The Order described in the Schedule hereto is hereby revoked.

Commencement.

5. This Order shall come into operation on the first day of January, nineteen hundred and eight, and shall be read as one with the Glanders or Farcy Order of 1907.

Short Title.

6. This Order may be cited as the LONDON (NOTIFICATION OF GLANDERS) ORDER OF 1907.

In witness whereof the Board of Agriculture and Fisheries have hereunto set their Official Seal this twelfth day of September, nineteen hundred and seven.

A. W. Anstruther,
Assistant Secretary.
