Skaw or Skagen Harbour—Intended Lights and Fog Signal, Signals Prohibiting Entry.

The Danish Government has given notice, dated 30th October, 1907, that it is intended to establish the undermentioned lights in Skaw or Skagen Harbour, and also signals prohibiting entry and exit:—

a. OUTER SOUTH-WEST MOLE. A red occulting dioptric light, eclipsed at short intervals, elevated 29 feet above high water, and visible from a distance of 5 miles, will be exhibited from a grey cylindrical tower, 23 feet high, erected on the mole head, the light being of the 6th order. A hand foghorn, giving during thick or foggy weather one long blast, followed by one short blast every minute, will also be established, but bad weather may prevent this signal from being given.

Approximate position, lat. $57^{\circ} 43'$ N., long. $10^{\circ} 35\frac{3}{4}'$ E.

b. OUTER NORTH-EAST MOLE. A green fixed dioptric light, elevated 29 feet above high water, and visible from a distance of 3 miles, will be exhibited from a grey cylindrical tower, 23 feet

high, erected on the mole head, the light being of the 6th order.

c. INNER WEST MOLE. A red fixed light, elevated 18 feet above high water, will be exhibited from a post erected on the mole head.

d. INNER EAST MOLE. A green fixed light, elevated 18 feet above high water, will be exhibited from a post erected on the mole head.

The above lights (c and d) will only be visible over the harbour.

e. SIGNALS PROHIBITING ENTRY AND EXIT. A black ball by day or two vertical green lights, 4 feet apart by night, denote that entry into the inner harbour is prohibited. Two black balls by day or one white light, 4 feet vertically above a green light, by night indicate that exit from the inner harbour is prohibited. These signals are made from eastern mole head of the inner harbour.

This Notice affects the following Admiralty Charts:—Baltic, No. 2482a; The Kattegat, No. 2114. Also, List of Lights, Part III, 1907, page 1, No. 1, Remarks; Baltic Pilot, Part I, 1904, page 98; and Supplement, 1907.

GOSPORT GAS.

(Lands for Gasworks; Dwelling Houses, Offices, Show Rooms, &c.; Additional Lands by Agreement; Definition of Limits of Supply; Differential Prices as between Urban District of Gosport and Other Parts of Limits of Supply; Conversion of Capital; New Capital and Provisions as to Sale by Auction; Renewal, Reserve, and other Funds; Pipes in Private Streets and for Ancillary Purposes; Prepayment Meters, &c.; Sale, Hire, &c., of Engines, Dynamos and Apparatus, and as to Company's Title Thereto; Apparatus; As to Defective Meters; Anti-fluctuators for Gas Engines; As to Notice to Discontinue Supply and Relief from Obligation to Supply in Certain Cases, &c.; Contracts on Special Terms; Repeal of Company's Acts as to Testing and New Provisions therefor; Amendment of Acts Relating to Supply of Gas for Public Lighting and as to Charge for Meters; Relief from Penalties in Certain Cases; Notice of Candidature for Directorship or Auditor; As to Remuneration of Secretary; Amendment and Incorporation of Acts; Miscellaneous and Incidental Provisions.)

NOTICE is hereby given, that the Gosport Gas and Coke Company (hereinafter referred to as "the Company") intend to apply to Parliament in the ensuing Session for leave to bring in a Bill for the following or some of the following purposes (that is to say):—

To empower the Company on the lands

hereinafter described to erect, maintain and use works for the manufacture, storage and supply of gas and the conversion, utilisation, storage or dealing with material used in or residual products arising from the manufacture of gas, and to empower the Company upon the said lands to manufacture and store gas, and to manufacture, convert, store and deal with residual products arising from the manufacture of gas.

The lands hereinbefore referred to comprise:—

Certain lands in the urban district of Gosport and Alverstoke, in the county of Southampton, belonging to the Company, and having an area of one rood and eight perches or thereabouts adjoining the western side of the existing gasworks of the Company, and bounded on the north partly by the southernmost premises in Joseph-street and partly by John-street, on the south-west and west by an arm of Haslar Lake.

To enable the Company to purchase, erect or take on lease and to furnish and equip dwelling houses for persons in their employ, and offices, show rooms and other buildings for the purposes of their undertaking.

To enable the Company to acquire by agreement and to hold lands for the purposes of their Undertaking and to empower the Company to sell and dispose of or let on lease any lands from time to time belonging to them and not required for the purposes of their Undertaking and to relieve the Company from the obligations imposed by the provisions of the Gasworks

Clauses Act, 1871, in respect of the sale or disposal of lands.

To define the boundaries of the present limits of supply of the Company

To enable the Company to charge for gas a higher price outside the urban district of Gosport than they charge within that urban district and to fix the relation between the prices so to be charged.

To provide for the conversion of the existing ordinary capital of the Company into one class of stock with a uniform rate of dividend, and for that purpose to increase the nominal amount of the capital of the Company, and to provide for apportioning the new stock among the holders of existing ordinary capital and to make provisions with respect to the transfer of ordinary stock and generally to make all such provisions as may be necessary or desirable with respect to such conversion.

To enable the Company to apply to the purposes of the intended Act any of their existing funds and any moneys they are still authorized to raise and for those purposes and the general purposes of their undertaking to raise additional capital by the creation and issue of stock or shares, and by borrowing on mortgage or by the issue of debenture stock and to attach to any shares or stock preferential rights to dividend.

To empower the Company to form and to make special provisions with respect to renewal, reserve and insurance funds.

To make special provisions in relation to the disposal of new shares or stock by auction or tender, and for the issue of shares or stock to the proprietors in the Company, to the consumers of gas supplied by the Company, and to persons in the employ of the Company, and the disposal by the directors of shares or stock not sold, and to make all necessary provisions for or in connection with such matters.

To make provision with respect to the supply of gas by the Company to premises abutting on any street or road laid out or made but not dedicated to public use and to empower the Company to lay gas mains, pipes and apparatus in any such street or road, and to lay down, maintain and remove pipes in highways and elsewhere for disposing of oil and liquids and for other ancillary purposes.

To fix and regulate the price to be charged for gas supplied through prepayment meters and the charge to be made for such meters and stoves, ranges and fittings supplied or used in connection therewith.

To empower the Company to provide, sell, let for hire or otherwise deal in engines, motors, dynamos, meters, stoves, ranges, pipes and any fittings, apparatus or appliances in or in connection with which gas may be used and to exempt the same from liability to distress and from being taken in execution or in bankruptcy proceedings, and to provide that meters, stoves, engines, motors, dynamos, fittings, apparatus and appliances let by the Company on hire to consumers shall not become the property of or be liable to be disposed of by the owner of or any mortgagee who may enter into possession under or foreclose any mortgage or charge on any premises or property to or in which the same may be fixed, but shall be and remain the property of and removable by the Company.

To prescribe the period of error in defective meters and to make provisions with reference to interest on money deposited with the Company

as security for meters or the payment of the price or rent of meters.

To make provision for the use of anti-fluctuators or other similar apparatus in connection with gas engines, and to enable the Company to refuse to supply or continue to supply gas to any engines not fitted with anti-fluctuators or such similar apparatus as may be prescribed by the Company.

To make provisions as to notice by consumers of intention to quit premises supplied with gas, and to discontinue a supply of gas, and for relieving the Company from obligation to supply persons in debt to the Company.

To empower the Company to supply gas by agreement and upon special terms to local authorities, companies and persons within or beyond the Company's limits for the supply of gas.

To amend or repeal the provisions of the Company's Acts with respect to the illuminating power of gas and the testing thereof, and to make other provisions with respect to the purity and testing of gas and the apparatus to be used therefor.

To provide that in cases of unavoidable cause or accident the Company shall not be liable to penalty for insufficiency of pressure or deficiency of illuminating power or purity of gas supplied by them.

To repeal so much of the provisions of section 60 of the Gosport Gas Act, 1865, as fixes the charge for the use of meters let on hire by the Company in relation to the gas supplied through such meter and to enable the Company to charge rents for the use of any meter supplied by them.

To amend section 57 of the Gosport Gas Act, 1865, and to make other provisions with respect to the supply of gas to public lamps.

To provide for the giving of notice of the nomination of directors or auditors and to make further provision with reference to the proceedings of the directors.

To make provisions with respect to the authentication of notices served by or on behalf of the Company, and with respect to the remuneration of the Secretary of the Company.

To confer upon the Company all such rights and privileges as may be deemed necessary for effecting the objects of the intended Act and all or any powers now usually conferred upon gas companies, and to vary and extinguish all rights and privileges which would interfere with any of those objects.

To repeal, alter or amend, or to re-enact with or without amendment all or some of the provisions of the Gosport Gas Act, 1865, and the Gosport Gas Act, 1873, and any other Act relating directly or indirectly to the Company.

To incorporate, with or without amendment, all or some of the provisions of the Companies Clauses Acts, 1845 to 1889; the Gasworks Clauses Act, 1847; the Gasworks Clauses Act, 1871; and the Lands Clauses Acts.

Printed copies of the proposed Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

Dated this 14th day of November, 1907.

TYNE IMPROVEMENT.

(Further Dredging Powers in Respect of River Tyne, &c.; Provision of Dredgers, &c.; Agreements with Owners, &c. of Wharves, &c.; Amendment and Repeal of Acts; Application of Funds, &c., &c.)

NOTICE is hereby given, that the Tyne Improvement Commissioners (hereinafter called "the Commissioners") intend to apply to Parliament in the ensuing session for leave to bring in a Bill for all or some of the following (amongst other) purposes (that is to say):—

1. To authorize the Commissioners in addition to the powers already conferred on them and to such depths and in such manner as they may from time to time think fit or as may be prescribed by the Bill to dredge, scour, deepen, excavate, cleanse and otherwise improve the bed channels, foreshore and banks of the River Tyne and the bed of the sea within the jurisdiction of the Commissioners under any of the Tyne Improvement Acts, 1850 to 1907, and any wharf berth or works therein or communicating therewith and to remove or lower any shoals, banks, impediments and obstruction therein and to appropriate and use any materials dredged or removed and to acquire lands by agreement for such purposes and for any of the purposes aforesaid to empower the Commissioners to build, purchase, hire or otherwise employ dredgers, vessels, machinery or apparatus worked or propelled by steam or otherwise and so far as may be necessary or expedient to amend, extend or repeal the provisions or some of the provisions of sections 12 and 13 of the Tyne Improvement Act, 1861.

2. To enable the Commissioners from time to time to enter into, vary or rescind agreements with any owner, lessee or occupier of any wharf or premises within or abutting upon the limits of their jurisdiction for or with respect to the execution of any dredging or other like work required to be effected by such owner, lessee or occupier, and to enable the Commissioners to effect any such work themselves or to let or allow the use of any dredger, vessel, machinery or apparatus belonging to them to such owner, lessee or occupier and to make and recover charges therefor.

3. To enable the Commissioners to license and regulate for boats and for boatmen.

4. To alter, amend, extend, enlarge or repeal so far as may be necessary or expedient for any of the purposes of the intended Act the provisions or some of the provisions of the Tyne Improvement Acts, 1850 to 1907, and any other Act or Acts incorporated therewith and any other Act or Acts relating to or affecting the Commissioners or the port or harbour of Newcastle-upon-Tyne.

5. To enable the Commissioners to apply to all or any of the purposes of the intended Act (including the costs and expenses of and incident to the obtaining of the Bill) any capital or rates, duties, rents, profits or other funds belonging to them and any moneys which they are already authorized to borrow.

6. To vary or extinguish any rights or privileges inconsistent with or which would in any way interfere with the objects of the Bill and to confer other rights and privileges.

SOUTH-WEST SUBURBAN WATER.

(Power to Consolidate and Convert existing Ordinary and Preference Shares into Stock and to raise Additional Capital for General Purposes of Undertaking and Re-arrangement of existing Capital; Application of Funds; Agreements with Local Authorities and others as to Supply of Water in Bulk; Incorporation of and Amendment of Act and Orders.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session of 1908 by the South-West Suburban Water Company (hereinafter called "the Company") for leave to bring in a Bill for effecting the purposes or some of the purposes following (that is to say):—

1. To give power to consolidate, convert and, if thought expedient, to re-arrange the existing preference and the original or ordinary capital of the Company or to enable them to raise additional capital for the general purposes of their Undertaking or of the Bill by the creation and issue of new stock in such manner as the Bill may prescribe, or by the creation and issue of new ordinary shares or stock or new preference shares or stock with or without a preference or guaranteed dividend or other rights or privileges attached thereto, and by borrowing and by the creation and issue of debenture stock, or by any of such means and otherwise, to define and prescribe by the Bill the ranking of any such shares, stocks or debenture stock.

2. The Bill will make all necessary provision for regulating the proceedings of the Company in respect of such capital and the holders of ordinary shares, preference shares and stocks therein, and the ranking of the new stock to be created under the powers of the Bill, and confer upon the Company all powers, rights, authorities and privileges which are or may be necessary for carrying the provisions of the Bill into execution.

3. To enable the Company to enter into and carry into effect contracts, agreements and arrangements with any county, urban or rural district, or parish council, or any other local or public authority, or any company, corporation, body, or persons, with respect to the supply of water by the Company to any such county, urban or rural district, or parish council, or any other local or public authority, company, corporation, body, or persons within the Company's limits of supply for a supply of water in bulk or otherwise, for any public, sanitary, trading, or other purposes, and to authorize and empower any such county, urban or rural district, or parish council, local or public authority, company, corporation, body, or persons respectively to supply the Company with water in bulk for use within the Company's own statutory district, and also to apply their respective funds and revenues for

the purpose of any such contract, agreement, or arrangement, and to sanction, confirm, and give effect to any such contract, agreement, or arrangement already made, or which prior to the passing of the Bill may be made with respect to the matters aforesaid.

4. To authorize the Company to apply their funds and revenues to any of the purposes of the Bill and to confer upon the Company all powers, rights, and privileges, which are or may be necessary to carry the provisions of the Bill into execution, to vary and extinguish all rights and privileges inconsistent with or which may in any manner interfere with the objects and provisions thereof, and to acquire other rights and privileges, and to provide by the Bill all such powers as may be necessary for giving full effect to the aforesaid objects.

5. To incorporate with the Bill, with or without modification, so far as may be necessary for the purposes of the Bill, all or some of the provisions of the Companies Clauses Consolidation Act, 1845, and the Companies Clauses Acts, 1863 and 1869, and all other Acts relating to or affecting the Company or their undertaking, and if necessary or expedient to amend, extend, or repeal all or some of the provisions of the South-West Suburban Water Act, 1883, the South-West Suburban Water Order, 1893, the South-West Suburban Water Order, 1900, and all other Acts and Orders relating to the Company and their Undertaking.

6. Printed copies of the Bill will be deposited at the Private Bill Office, House of Commons, on or before the 17th day of December next.

Dated this 13th day of November, 1907.

**ST. MARYLEBONE BOROUGH COUNCIL
(SUPERANNUATION).**

(Establishment of Superannuation Fund for Persons Employed by the Council of the Metropolitan Borough of St. Marylebone; Contributions to Fund by such Persons and by the Council; Payment of Gratuities; Incorporation, Exclusion and Amendment of Acts; and other Matters.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing session by the Mayor, Aldermen and Councillors of the metropolitan borough of Saint Marylebone (hereinafter referred to as "the Council") for an Act for all or some of the following objects and purposes (that is to say):—

1. To make provision for the payment of superannuation allowances to the officers and servants appointed by or in the employment of the Council, to prescribe the scale of such allowances and the ages at which and the circumstances under which the same shall be paid and to make provision for the retirement of such officers and servants upon attaining the prescribed age or under the circumstances mentioned in the intended Act.

2. To provide for the establishment and administration of a superannuation fund, for the payment of contributions thereto by the

said officers and servants (by deduction from their salaries or wages or otherwise) and by the Council, and for the investment and application thereof and to make provision for determining the amount of such contributions and for meeting deficiencies.

3. To enact all necessary provisions incidental or ancillary to the establishment of the said fund and the payment of the said allowances, including the forfeiture of claims to allowances in cases of fraud or misconduct, the return of contributions and the payment of gratuities in certain cases, the prohibition of the assignment of allowances, or the charging thereof with debts or liabilities, special provisions as to existing officers and servants and the determination of disputes, and to make provision for the payment out of the general rate of the expenses incurred by the Council in carrying the intended Act into execution.

4. To exclude or render inapplicable all or some of the provisions contained in the Superannuation (Metropolis) Act, 1866, and the Poor Law Officers Superannuation Act, 1896, and such other Acts as relate to the matters aforesaid with such exceptions and modifications as may be indicated in the intended Act.

5. To incorporate with or without amendment such provisions of public Acts as may be necessary for carrying into execution the provisions of the intended Act and to vary and extinguish any rights and privileges which would or might interfere with the objects thereof and to confer, vary and extinguish other rights and privileges.

Printed copies of the Bill for the intended Act will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

Dated this 14th day of November, 1907.

HUDDERSFIELD WATERWORKS.

(Amendment or Repeal of Huddersfield Water Act, 1869; Huddersfield Corporation Waterworks Act, 1890, and Huddersfield Corporation Act, 1902, as to Compensation Water; Variation of Provisions dealing with Discharge of Compensation Water; Meetings of Mill Occupiers; Ascertainment of Mill Occupiers' Requirements, Verification and Notification thereof; Penalties; Agreements with Mill Occupiers and others; Qualification of Mill Occupiers; Indemnity against Expenses; Payment of Costs; Incorporation, Amendment and Repeal of Acts, and other Purposes.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session by the Mayor, Aldermen and Burgesses of the county borough of Huddersfield (hereinafter called "the Corporation") for leave to bring in a Bill for effecting the objects, or some of the objects following (that is to say):—

To alter, amend, vary or repeal the provisions as to compensation water of the Huddersfield Water Act, 1869 (hereinafter referred to as "the Act of 1869") of the Huddersfield Corporation Waterworks Act, 1890 (hereinafter referred to

as "the Act of 1890") and of the Huddersfield Corporation Act, 1902 (hereinafter referred to as "the Act of 1902") and particularly section 29 of the Act of 1869, section 26 of the Act of 1890 and section 14 of the Act of 1902; so as to enable the Corporation to deliver from the Blackmoor-foot Reservoir and the Butterley Reservoir, the compensation waters respectively required to be discharged out of the said reservoirs under the said sections of the Act of 1869, the Act of 1890 and the Act of 1902 at such times and in such manner as the Bill may provide or as Parliament may prescribe, but so that the total aggregate quantities of compensation waters by the said sections respectively required to be discharged shall neither be increased nor reduced.

To enable the Corporation at the request of the occupiers of mills and works on (1) the Hoyle House Clough and (2) the Wessenden Brook and River Colne (from its junction with the Wessenden Brook to its junction with the River Calder) or the majority of them respectively, or as the Bill may provide, to vary or alter the times and method of discharge of the said compensation waters into the Hoyle House Clough or the Wessenden Brook, as the case may be.

To prescribe a procedure whereby the requirements of the said occupiers of mills and works or the majority of them respectively may be ascertained, verified and notified to the Corporation, to provide for the calling and holding of any meetings of such occupiers of mills and works necessary for such purposes, and to prescribe the qualification for and method of voting at such meetings and to provide for the expenses in connection therewith, and to confer powers and impose duties and obligations upon such occupiers of mills and works with respect to the matters aforesaid, and to make all such provisions incidental to such matters as may be thought expedient.

To enact that the provisions as to penalties with regard to the discharge of compensation water contained in the Act of 1869, the Act of 1890, and the Act of 1902 as amended by the Huddersfield Corporation Act, 1902, Amendment Act, 1904, shall apply to the provisions as to compensation water contained in the Act of 1869, the Act of 1890, and the Act of 1902 as amended by the Bill, and not further or otherwise.

To empower the Corporation and the occupiers of mills and works on the Hoyle House Clough, the Wessenden Brook and the River Colne affected by the discharge of the said compensation waters (all of whom are hereinafter referred to collectively as "the mill occupiers") and all other corporations, bodies and persons interested in such waters or any of them, either jointly or severally, to enter into and fulfil agreements for and in relation to the matters aforesaid or the objects of the Bill, and to authorize, confirm and give effect to any such agreement or agreements which may have been or which during the progress of the Bill may be so entered into.

To define or describe the corporations, bodies or persons entitled to benefit by or be subject to the provisions and obligations of the Bill, and to prescribe the qualifications necessary to entitle any corporations, bodies or persons to come within the definition or description of mill occupiers for the purposes of the Bill.

To indemnify the Corporation against all expenses that may be imposed upon or incurred by them incident to or by reason of any variations in the times and method of discharge of the said

compensation waters, and to provide that such expenses and the costs, charges and expenses incurred by the Corporation in the promotion of the Bill or incidental thereto or of or relating to the preparation, execution or carrying into effect of any agreement or agreements as aforesaid shall be borne and paid by the mill occupiers or some of them.

To empower the Corporation to charge the costs, charges and expenses incurred by them in connection with the Bill in the first instance upon the borough fund and borough rate, and to provide for the subsequent payment of such costs, charges and expenses by the mill occupiers or some of them.

The Bill will or may vary and extinguish all powers, rights, authorities and privileges inconsistent with or which would or might in any manner impede or interfere with the objects or provisions of the Bill and will confer other powers, rights, authorities and privileges, and will or may amend or repeal so far as may be necessary for the purposes of the Bill all or some of the provisions of the Act of 1869, the Act of 1890, the Act of 1902 and any other Act or Acts relating to the Corporation.

Printed copies of the Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December, 1907.

Dated this 14th day of November, 1907.

WATH-UPON-DEARNE URBAN DISTRICT COUNCIL GAS.

(Confirmation of Agreement of Purchase by the Urban District Council of Wath-upon-Dearne of the Undertaking of the Wath-upon-Dearne and District Gas Company Limited, and Dis-solution and Winding-up of that Company; Power to Urban District Council of Wath-upon-Dearne to supply Gas within the District of supply of the said Company; Power to Maintain, Extend and Construct Gasworks, &c.; Provisions as to supply of Gas, Gas Fittings, Supply of Gas in Bulk, Rates and Charges, Application of Funds, Borrowing of Money, Incorporation, Amendment and Repeal of Acts, &c.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session by the Urban District Council of Wath-upon-Dearne in the West Riding of the county of York (hereinafter called "the Council") for an Act for all or some of the following purposes (that is to say):—

To authorize and empower the Council to acquire and to provide for the sale and transfer to and vesting in the Council of the Undertaking, works, lands, mains, pipes, property, powers, rights, privileges and authorities of the Wath-upon-Dearne and District Gas Company Limited (hereinafter called "the Company") for such price or consideration, and upon and subject to such terms, conditions and stipulations as may have been or may be agreed between the Council and the Company or as may be settled by arbitration or expressed in, or provided for, by or under the provisions of the intended Act, and to

authorize and require the Company to sell and transfer their Undertaking, property and rights accordingly.

To confirm and give effect to any agreement between the Council and the Company with reference to any such purchase and sale which may have been or may be entered into prior to the passing of the intended Act.

To provide for the dissolution and winding up of the Company and for the distribution of the purchase money or other consideration amongst the shareholders and other persons entitled thereto, and for the discharge or taking over by the Council or otherwise dealing with any mortgage or other debts and any liabilities of the Company.

To provide that until the transfer to the Council the Undertaking of the Company shall be maintained and carried on by them in the ordinary course of business, but that the Company shall not, without the previous consent of the Council under the hand of the Clerk, make or enter into any contract, agreement or obligation except such as shall be in the ordinary course of the maintenance of the works and the proper conduct of the Undertaking.

To authorize the Council to carry on the Undertaking of the Company, to maintain, improve, alter, extend and enlarge the existing gasworks and to supply gas for public and private purposes in bulk or otherwise for lighting, heating and motive power, and for any other purpose for which gas now is or may hereafter be found applicable within the Company's existing limits of supply (hereinafter called "the limits of supply") as defined by section 5 of the Wath-upon-Dearne and District Gas Order, confirmed by the Gas Order Confirmation (No. 3) Act, 1900. (that is to say) —

The urban districts of Wath-upon-Dearne and Bolton-upon-Dearne and the parish of Thurnscoe in the West Riding of the county of York and so much of the parish or township of Brampton-Bierlow in the said West Riding as lies to the north or north-east of an imaginary line drawn from Smithy Bridge through the centre of Smithy Bridge-lane up to the central point where the four roads meet near the counting houses, and from that point so much of the said parish as lies to the east or south-east of an imaginary line drawn through the centre of Coaley-lane up to the junction therewith of Hooper Hall-lane, and from that point so much of the said parish as lies to the north or north-west of an imaginary line drawn through the centre of Hooper Hall-lane to the junction therewith of Packman-road, and from that point so much of the said parish as lies to the east of an imaginary line drawn through the centre of Packman-road until that road enters the parish of Rawmarsh.

To enable the Council to lay down and maintain, alter, repair and renew mains, pipes, apparatus and other works for the supply of gas within the limits of supply, and to exercise all or any of the powers of the Gasworks Clauses Act, 1847, with respect to the construction of gasworks and laying down of pipes, and otherwise as may be necessary or convenient for the purposes of supplying gas therein.

To authorize the Council upon the land hereinafter described to maintain and continue and from time to time to improve, extend, enlarge, alter, renew and repair the existing gasworks

of the Company, and to erect new gasworks and to manufacture and store gas and to convert, treat and manufacture and store all or any products arising in or resulting from the manufacture of gas. The land hereinbefore referred to is situate in the parish and urban district of Wath-upon-Dearne in the West Riding of the county of York, and is:—

A piece of land containing 12,365 square yards, or thereabouts, bounded on the west by Station-road, on the south by the Dearne and Dove Canal, and on the north and east by property belonging or reputed to belong to Philip Smelter Cadman Cadman.

To empower the Council to manufacture, supply and deal in meters, stoves, ranges, motors, dynamos, apparatus and fittings for heating, cooking, ventilating or motive power or for any of the purposes for which gas may be utilized and automatic meters and apparatus for the automatic supply of and payment for gas, and to fix, remove and alter the same and other fittings and apparatus and to do any work or service in connection therewith, to exempt any articles supplied by the Council from distress and to make provision for their security and return to the Council, and to authorize the Council to sell and deal in coal, coke, culm, tar, oil, ammoniacal liquor and other residual products, and to acquire and hold patent rights and licenses relative to the manufacture, conversion, utilization and distribution of gas and residuals.

To make provision with respect to the construction and placing of pipes between mains and meters and to the inspection by the Council of any pipes or fittings intended to be used for the distribution or supply of gas and with regard to the prohibition and removal of improper or insufficient fittings, and the entry by the Council on property for those purposes, and to authorize the Council to prescribe the material, size and strength of pipes and fittings, and to make and enforce bye-laws with reference to pipes and fittings.

To enable the Council to refuse to supply gas to persons in debt to them in respect of other premises, and to make provisions with reference to notices to be given to the Council by consumers, especially in cases of removal or discontinuance of a supply of gas, and also for securing gas rates and for prepayment thereof in certain cases and for the regulation and measurement of gas and the testing of meters, and to provide for the protection of the gasworks and gas supply of the Council and to confer upon the Council powers to lay down and maintain mains, pipes and apparatus in streets and roads not dedicated to the public.

To empower the Council to make, levy and recover rates, rents and charges for the supply of gas and for the hire and use of meters, stoves, engines and fittings and for other purposes of their Gas Undertaking, and to vary existing gas rates, rents and charges, and to confer, vary or extinguish exemptions from the payment thereof.

To make provision with respect to the supply of gas by the Council, and the pressure, quality and illuminating power and testing of gas.

To authorize the Council and any other authority or company, bodies or persons to enter into and carry into effect contracts and agreements with respect to the supply by the Council, in bulk or otherwise, of gas beyond the limits of supply, and to confer upon the Council special

powers with reference thereto, and to the laying down and maintaining pipes and apparatus in and breaking up of streets and roads adjoining or near to the limits of supply, and to confer all necessary powers for such purposes upon all such other authorities, bodies, companies or persons and to enable them to raise or apply money for any such purpose.

To empower the Council for the purposes of the Undertaking within the limits of supply to open, break up, alter and interfere with roads, highways, streets, bridges, tramways, railways, canals, sewers, mains, pipes, tubes, wires and other apparatus and to enable them on any lands now or hereafter belonging to them or acquired by them under the powers of the intended Act, to erect and maintain and to let on lease or otherwise dwelling-houses for persons employed by them for the purposes of their Gas Undertaking.

To authorize the Council for the purposes of their Gas Undertaking, and any other purposes, as defined by the intended Act, to purchase by agreement, take on lease and hold lands, tenements and hereditaments and easements or other rights in, over or affecting the same, and to appropriate and use for all or any of the purposes of the intended Act lands for the time being belonging to them, and to sell, lease and dispose of lands not required by them for the purposes of their Gas Undertaking, and to exempt the Council from the provisions of the Lands Clauses Consolidation Act, 1845, with respect to the sale of superfluous lands.

To empower the Council for all or any of the purposes of the intended Act to apply their funds, rates and revenues and to borrow money on the security of the district fund and general district rate the Gas Undertaking of the Council, the estates, rates, rents, revenues and other property of the Council or on any such securities, and to execute, grant and issue mortgages, stock and annuities in respect thereof, and to apply any of their funds or revenues to all or any of the purposes of the intended Act, and to levy rates, and confer, vary and extinguish exemptions from the payment thereof, and to make provisions with respect to the application of the revenue of the Gas Undertaking of the Council and their accounts, and for the formation of insurance, renewal, sinking and reserve funds for the purposes of such Undertaking.

To incorporate with the intended Act, and to extend and apply to the said Undertaking, with or without variation, all or some of the provisions of the Gasworks Clauses Acts, 1847 and 1871, the Lands Clauses Acts, the Public Health Acts, and any Acts amending or extending the same, and any Acts or portions of Acts incorporated therewith respectively, and (if thought fit) to exempt the Council from any of the provisions of such Acts or any of them.

To alter, amend, extend or repeal all or some of the provisions of the following Orders (that is to say) :—

The Wath-upon-Dearne and District Gas Order, 1900; the Wath-upon-Dearne and District Gas Order, 1906, and any other Act or Order relating to or affecting the Council and the Company or either of them.

To vary or extinguish all existing rights and privileges which would or might in any way prevent or interfere with any of the objects of the intended Act, and to confer other rights and privileges.

Printed copies of the intended Act will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

Dated this 15th day of November, 1907.

PADIHAM URBAN DISTRICT COUNCIL.
(Extending and Defining Limits of Supply for Gas and Water, Purposes of the Padiham Urban District Council; Prohibiting the Accrington District Gas and Water Board Supplying therein; Construction of New Gas Works; Purchase of Mains and Pipes of Read Parish and Burnley Rural District Councils; Prescribing Quality and Pressure of Gas; Additional Powers Relating to Gas and Water Supply; Supply of Gas and Water in Bulk; Rates and Charges; Increased Rates Outside District; Extension of Time for Completion of Works previously Authorized; Construction of Street Works; Compulsory Purchase of Lands and Powers in connection therewith; Stopping Up of Inskip-street and Shakespeare-street Bridge; Milk Provisions; Additional Borrowing Powers; Compulsory Redemption of Gas and Water Annuities; Lands for Cemetery and Refuse Destructor; Application of Public Health Acts Amendment Act, 1907, to District; Common Lodging-houses and Slaughter-houses; General Provisions; Incorporation, Amendment and Repeal of Acts.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session by the urban district council (in this Notice referred to as "the Council") of the urban district of Padiham, in the County Palatine of Lancaster (in this Notice referred to as "the District"), for an Act for all or some of the following purposes, that is to say :—

Gas.

1. To define the limits of supply within which the Council may supply gas for public and private purposes, and to include in such limits the townships of Sabden, Read and Simonstone, and part of the township of Altham, and to provide that the Accrington District Gas and Water Board shall not supply gas within any part of the area of supply of the Council, and to repeal the powers of that Board with reference thereto.

2. To authorize the Council to carry on their gas undertaking, and to construct, erect, lay down, provide, maintain and from time to time enlarge, extend, improve, alter, renew or discontinue gasworks upon the lands hereinafter described, and upon such lands to manufacture and store gas and materials employed in or about the manufacture of gas, and to convert and manufacture and store all or any products resulting or arising from the manufacture of gas. The lands referred to are as follows :—

All that plot of land situate in the township of Padiham, in the County Palatine of Lancaster, containing 16,560 square yards, or thereabouts, and bounded on the north by the Lancashire and Yorkshire Railway, on

the south by an intended street to be called Briery-street, on the east by land belonging to or reputed to belong to Edmund Arthur Le Gendre Starkie, and on the west by Mare Park-road, being the plot of land firstly described in an indenture of lease dated the 15th day of December, 1887, and made between Le Gendre Nicholas Starkie of the one part, and the Padiham and Hapton Local Board of the other part, and being bordered red on the plan thereon endorsed, which said plot of land is now in the occupation of the Council.

3. To enable the Parish Council of Read to sell and the Council to purchase the gas mains and pipes belonging to the Parish Council, together with all fittings, rights, easements and privileges, and to provide for the ascertainment of the price to be paid and the application of the purchase money and other incidental provisions.

4. To make provision in regard to matters incidental to the gas undertaking of the Council (including the following):—The price of gas, supply by prepayment meters, the pressure, quality and testing of gas; the regulation of pipes and fittings on consumers' premises; the provision of anti-fluctuators; the period of error in defective meters; the laying down of pipes in streets not dedicated to the public; the exemption of the Council from liability to supply gas to persons in debt to them in respect of other property, and from liability to penalties in cases of unavoidable accidents; the construction and placing of pipes and fittings between mains and meters; the payment of interest on deposits; the service of notices; the acquisition and holding of patent rights; the allowance of discounts; the imposition, recovery and application of penalties; and to require gas consumers to give notice before removing.

5. To empower the Council to sell and let on hire or otherwise deal in, fix and repair meters, pipes, fittings, slot-meters, engines, dynamos, lamps, electric lines, motors and other apparatus incidental to the supply, use or consumption of gas, and to exclude the same from liability to distress or to be taken in proceedings in bankruptcy.

6. To authorize the Council to make an additional charge or charges for gas supplied outside the district of the Council to levy and recover rates, rents, and charges for the supply of gas, and for the sale and hire of meters, stoves and fittings, and to alter existing rates, rents and charges.

7. To empower the Council and any local authority, company, or person within or beyond the limits of the intended Act, to enter into and fulfil contracts and agreements in relation to the supply of gas by the Council in bulk or otherwise.

8. To make such further provisions with regard to the gas undertaking of the Council as may be necessary in connection with the matters above referred to, or as may be required by Parliament.

Water.

9. To define the limits of supply within which the Council may supply water for public and private purposes, and to include in such limits the townships of Sabden and Simonstone and part of the township of Altham, and to provide that the Accrington District Gas and Water Board shall not supply water within any part of the area of supply of the Council, and to

repeal the powers of that Board in reference thereto.

10. To provide for the sale by the Burnley Rural District Council to the Council of the water mains and pipes and fittings and apparatus connected therewith belonging to the Rural District Council, and to prescribe the terms and conditions of such purchase and the application of the purchase money.

11. To alter, amend or annul the agreement made between the Burnley Rural District Council and the Council dated the 11th day of July, 1901.

12. To prescribe the rates and charges which the Council may levy and recover for the supply of water for domestic, trade, or other purposes, to define what are domestic purposes, to provide that the charges shall be levied on the gross estimated rental of the premises supplied, to authorize the levying of additional charges for baths and water closets, and to repeal or alter any existing Statutory provisions relating to the charges for water supplied in the limits of supply of the Council.

13. To authorize the Council to make an additional charge or charges for water supplied outside the district of the Council, and to allow discounts or rebates to consumers for prompt payment or for taking water in large quantities and to owners of dwelling houses who contract to pay for water supplied to such dwelling houses, whether the same are occupied or unoccupied.

14. To extend or revise the period for completion of the works authorized by the Padiham Local Board Act, 1889, on such terms and conditions and with such further powers as may be prescribed by the Bill.

15. To extend the time wherein the powers granted by an indenture dated the 1st November 1892, made between Arthur Townley Parker and the Local Board for the district of Padiham and Hapton may be exercised.

16. To authorize the Council to make and enforce bye-laws for securing the proper cleansing of cisterns, and to prohibit the occupation of houses which are not provided with a proper and sufficient water supply.

17. To provide that the Council shall not be bound to supply several houses by one pipe, to prevent injury to meters and fittings, to provide that the owners of small houses may be required to pay the water rates, that consumers shall give notice of discontinuance of supply, that the Council may lay pipes in streets not dedicated to public use, that the Council may make agreements with owners of lands and others for drainage purposes or for collecting, conveying and preserving the purity of any waters which the Council are authorized to take or intercept, and to empower the Council to sell meters and fittings.

18. To make such further provision with regard to the water undertaking of the Council as may be necessary in connection with the matters above referred to, or as may be required by Parliament.

Street Works.

19. To empower the Council to construct and maintain the following street works in the urban district of Padiham, in the County Palatine of Lancaster, that is to say:—

A widening (No. 1A) of Station-road on the north-west side thereof, commencing at its junction with Burnley-road, and extending in a westerly direction and terminating at the west side of the bridge over the River

Calder, and a widening (No. 1B) on the south-east side of the said street, commencing at a point 89 feet west of Burnley-road, extending in a westerly direction for a distance of 364 feet, or thereabouts, and terminating at that point in Station-road, where on the south-east side thereof it turns at right angles, or thereabouts, in a south-easterly direction.

A widening (No. 2) of Mill-street, on the south side thereof, commencing at the western end of No. 44, Mill-street, and extending in a westerly and north-westerly direction for a distance of 141 feet, or thereabouts, and terminating at the eastern gable of the building occupied as a shoeing-smith's shop in connection with No. 26, Mill-street.

A widening (No. 3) of Church-street, on the south side thereof, commencing at the eastern side of the George and Dragon Inn, and extending in a westerly direction to and terminating at the western end of No. 43, Church-street.

20. To empower the Council for the purpose of the proposed works, and other purposes of the Bill, including the provision of sites for the erection of suitable houses and buildings adjoining the street works, to purchase or acquire by compulsion or agreement, or to take on lease and hold any lands or houses or other buildings in the urban district and county aforesaid, and in particular Smithygate Mill and the adjoining premises, and to acquire by compulsion or agreement rights or easements in, under, over or connected with any lands, and to empower the Council to appropriate to all or any of the purposes of the Bill any lands for the time being vested in them.

21. To enact that in estimating the price to be paid for any lands or houses regard shall be had to the benefits accruing to the person from whom the lands or houses are purchased.

22. To authorize the Council to purchase and take by compulsion, notwithstanding section 92 of the Lands Clauses Consolidation Act, 1845, a part or parts of any house, building or manufactory without being required or compelled to purchase the whole thereof.

23. To authorize the Council to hold any lands which they may acquire under the authority of the Bill or any other Act or which are already vested in them free from the provisions of the Lands Clauses Consolidation Act, 1845, with respect to superfluous lands, and to sell, lease and dispose of any lands acquired by them, and provide for the application of the proceeds of sale of such lands.

24. To empower the Council to deviate laterally from the lines and vertically from the levels of the intended works to such an extent as may be defined upon the plans and sections to be deposited as hereinafter mentioned, or as may be specified in the Bill.

25. To empower the Council to construct such improvements and extensions of and additions to the works constructed under the powers of the Bill as they may from time to time deem necessary and to construct such subsidiary works as they may deem advisable, including the diversion or alteration of the streets, drains, gas and water mains and pipes affected by the proposed works.

26. To empower the Council to extinguish, vary or modify all public rights of way and other rights which would impede, interfere with or be inconsistent with the purposes of

the Bill, and to declare that the lands on which the street works are constructed shall be parts of public streets.

27. To enable the Council to close Inskip-street and the passage therefrom into Station-road and to vest the soil thereof in the Council, and to prohibit the use of the roadway under the railway bridge in Shakespeare-street for any traffic except foot passengers.

Tuberculosis Provisions.

28. To make provision for protecting the public against the spread of disease by the sale within the district of the milk of cows with diseased or indurated udders, and for taking samples of milk for the purpose of bacteriological examination, and for the entry of the medical officer or a specially authorized inspector into any byres or cowsheds or other places within or beyond the district where cows are kept, from which milk is sent for sale within the district, to examine the cows therein for the purpose of ascertaining whether such cows suffer from tuberculosis or diseased or indurated udders, and for preventing the milk of cows so affected being sent for sale within the district, and for imposing penalties with reference to the matters aforesaid.

Cemetery.

29. To authorize the Council to purchase by compulsion or agreement the following lands or any part thereof and take and use the same for the enlargement of their cemetery and for burial purposes, and to lay out the same for those purposes and construct and maintain mortuary chapels thereon:—

A piece of freehold land containing four statute acres, or thereabouts, situate in the township of Padiham, in the County Palatine of Lancaster, and situate immediately behind the existing cemetery of the Council, and bounded on the east by land belonging or reputed to belong to and occupied by the Council, and used as a cemetery, on the north by land belonging to or reputed to belong to Edmund Arthur Le Gendre Starkie, and on the west and south by land belonging or reputed to belong to the Earl of Abingdon.

30. To provide that section 60 of the Cemeteries Clauses Act, 1847, shall not apply to the Council.

Refuse Destructor, &c.

31. To empower the Council to erect, maintain, and use upon the following lands or parts thereof, a refuse destructor with all necessary furnaces, fittings, and appliances, slaughter-houses, town's yard, stables and dwelling-houses for persons employed by them in connection with any of such purposes, together with all necessary approaches, walls, offices, wharves, works and conveniences:—

All that plot of land situate in the township of Padiham aforesaid containing 8,676 square yards, or thereabouts, and bounded on the north by the Lancashire and Yorkshire Railway, on the south by Briery-street aforesaid, on the east by Mare Park-road, and on the west by the River Calder, being the plot of land secondly described in the said indenture of lease, dated the 15th day of December, 1887, and made between Le Gendre Nicholas Starkie of the one part and the Padiham and Hapton Local Board of the other part, and being bordered red on the plan thereon endorsed, which said plot of land is now in the occupation of the Council.

Sanitary and other Provisions.

32. To make all or some of the provisions

of the Public Health Acts Amendment Act, 1907, with such modifications or amendments as may be prescribed by the Bill or by Parliament applicable to the district as if the Local Government Board or the Secretary of State, as the case might require, had made an Order or Orders to that effect and such Order or Orders had been duly published in manner and form by that Act required. (The provisions of this Act relate to streets and buildings, sanitary matters, infectious diseases, common lodging houses, recreation grounds, police provisions, fire brigade, sky signs and other matters. It is a Public Act, and copies can be obtained from the King's Printers, Messrs. Eyre and Spottiswoode, East Harding-street, London.)

33. To enforce the provision of adequate air space in rooms let for sleeping purposes, to define what is a "common lodging house" "keeper" and "lodger," and to empower the Council to make and enforce bye-laws with respect to the provision, situation, construction, and use of hot-water boilers and cylinders and cisterns in any house, whether existing at the passing of the Act or hereafter constructed, and to empower the Council to make and enforce bye-laws or regulations with regard to street cries and the inspection of furnished rooms, and to prescribe the distance for which a street may be laid out without an intersecting street.

Slaughter-houses.

34. To prohibit the slaughtering of cattle in any slaughter-houses other than public slaughter-houses when the same have been provided by the Council; to pay compensation to any owner, lessee, or occupier injuriously affected by this provision; and to make and enforce bye-laws for the regulation of slaughter-houses and slaughtering.

Financial Provisions.

35. To authorize the Council to borrow money for all or any of the purposes of the Bill and for other purposes, and to charge the moneys so proposed to be borrowed and the interest thereon on the revenues of the undertakings of the Council and on the district fund and general district rate, or other local rates, and the estates, undertakings, tolls, rates, rents, revenue and other property of the Council, or any of such securities, and to execute and to grant mortgages, debentures, debenture stock and annuities in respect thereof, and to authorize the Council to apply any of their funds and rates, or any money borrowed or authorized to be borrowed under former Acts, or any sinking fund, to all or any of the purposes of the Bill, and to extend the powers of the Council in regard to borrowing under the Public Health Act, 1875, and to provide for the application of the revenues from the undertakings of the Council, and to provide for any deficiency being made good out of the general district rate, and to provide for the formation and application of a reserve fund.

36. To enable the Council to use moneys standing to the credit of any of their sinking funds instead of borrowing and to prescribe the use of one form of mortgage for all purposes.

37. To make provision for the redemption from time to time by agreement or compulsion of the annuities granted under the powers of the Padiham Water Act, 1874, and the Padiham Local Board Act, 1876, and then outstanding and to prescribe the terms and conditions upon which such annuities shall be redeemed.

38. To confer further powers upon the Council for the recovery of all rates, rents and charges which the Council may be entitled to levy and raise under the Bill, and particularly to empower the Council to enforce payment as if the same were poor rates.

Miscellaneous Provisions.

39. To authorize the Council to purchase additional lands by agreement, to provide that persons under disability may grant easements, to give a right of appeal to any aggrieved person, to make provision for the authentication and service of notices, the evidence of the appointment or authority of officers of the Council to take proceedings, to provide for the recovery of demands under one hundred pounds, the confirmation and enforcing of bye-laws, the recovery and application of penalties, and to make other general provisions in connection with the objects and purposes of the Bill.

40. To incorporate, with alterations and amendments, and to apply, amend, alter or repeal all or some of the provisions of the Lands Clauses Acts; the Gasworks Clauses Acts, 1847 and 1871; the Waterworks Clauses Acts, 1847 and 1863; the Markets and Fairs Clauses Act, 1847; the Cemeteries Clauses Act, 1847; the Towns Improvement Clauses Act, 1847; the Town Police Clauses Acts, 1847 and 1889; the Local Loans Act, 1875; the Public Health Acts, and all Acts amending the said Acts respectively or any of them.

41. To alter, amend, extend or repeal the provisions of the Padiham Waterworks Act, 1854; the Padiham Water Act, 1874; the Padiham Local Board Act, 1876; the Padiham Local Board Acts, 1882 and 1889; the Padiham Urban District Council (Water) Act, 1896, and any other Acts and Orders confirmed by Parliament relating to the Council; the Accrington District Gas and Water Board Acts, 1894, 1905 and 1906, and any other Act or Order relating to the Board or to the subject matter of the Bill so far as may be necessary for effecting any of the purposes of the Bill, and to vary or extinguish all rights, privileges and exemptions inconsistent with or which would or might in any way interfere with the objects of the Bill, and to confer other rights and privileges and exemptions.

And Notice is hereby further given, that plans of the intended works and describing the lands and other property which may be taken under the powers of the Bill, together with a book of reference to such plans, containing the names of the owners and lessees or reputed owners and lessees and of the occupiers of such lands and other property, and also a copy of this Notice, as published in the London Gazette, will, on or before the 30th day of November instant, be deposited for public inspection with the Clerk of the Peace for the County Palatine of Lancaster at his office at Preston, and on or before the same date a copy of the said plans, book of reference and Gazette Notice will be deposited with the Clerk of the Council at his office at Padiham.

Printed copies of the Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

Dated this 7th day of November, 1907.

(Incorporation of Company; Supply of Gas to and within Parishes and Parts of certain Parishes and Places in the Counties of Glamorgan and Brecknock; Vesting of Undertaking under Ystalyfera Gas Order, 1905, in New Company and also Private Gasworks at Pontardawe and Confirmation of Lands upon which Gasworks Constructed; Power to Acquire Lands Compulsorily and by Agreement; Rates, Rents and Charges; Defining Limits of Supply; Capital Powers; Meter Rents; Gas Fittings; Slot Meters; Powers as to Maintenance and Extension of Gasworks and Supply, &c., of Gas; Breaking up of Streets; Laying of Pipes; Illuminating Power; Provisions for Regulating Supply of Gas and otherwise; Agreements with Local Authorities and others; Supply in Bulk beyond Limits; Agreements with Owners of Private Gasworks at Clydach as to Supply; Incorporation and Amendment of Acts; and other Purposes.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session of 1908 for leave to bring in a Bill for effecting the purposes or some of the purposes following (that is to say):—

1. To incorporate a Company and to authorize the Company so incorporated (hereinafter called "the Company") to acquire, construct and maintain gasworks, and to manufacture gas and residual products arising therefrom, and to supply gas for lighting, heating and other purposes, and to confer on the Company all necessary powers and authorities for the manufacture and supply of gas for lighting, heating, motive power and other purposes.

2. To define the limits of supply of the Company and particularly to authorize the Company to supply gas within the parishes or parts of parishes or places following in the counties of Glamorgan and Brecon, and more particularly defined upon the map deposited as hereinafter mentioned. The boundaries of the limits of supply as shown upon the said deposited map are as follows:—

(1) So much of the hamlet of Clase, in the parish of Llangyfelach, as lies to the north of the limits of supply of the Swansea Gas Company and to the east of the western boundary of the public road leading from Pant Lasau to Rhyd-y-gwin.

(2) So much of the parish of Rhyndwyglydach as lies to the south and south-east of the western boundary of the highway leading from Pant Lasau to where the brook crosses the road at Rhyd-y-gwin, thence in a south-easterly direction along the said brook to the Lower Clydach River, thence in a north-easterly direction along the said Lower Clydach River to its junction with the Nant Llwydyn Brook and continuing along the said Nant Llwydyn Brook to the occupation road leading to Hoelddu Farm, thence in a northerly direction to a point on the Upper Clydach River 8 chains, or thereabouts, immediately to the south of the house known as Garth-Eithin.

(3) So much of the parish of Llangiwig (otherwise Llangwicke) as lies to the east of a straight line drawn from the last-mentioned point in the before-mentioned paragraph (2) to the farmhouse known as Garth, thence in a

northerly direction to the point of junction of the River Amman and the brook at Rhyd-y-gwyn.

(4) So much of the parish of Llansamlet Higher as lies to the north-east of the boundary of the statutory limits of supply of the Swansea Gas Company and to the north of an imaginary line drawn due west from the point where the eastern boundary of the said parish crosses Drumau-road.

(5) The parish of Ynys-y-mond.

(6) The parish of Cilybebyll (otherwise Killybebill).

(7) So much of the parish of Ystradgynlais Lower, in the county of Brecknock, as lies north of the northern boundary of the parish of Cilybebyll (otherwise Killybebill), commencing at the point where the boundary of the said parish of Cilybebyll (otherwise Killybebill) intersects the Neath and Brecon Railway and thence along the Neath and Brecon Railway in an easterly direction to the Abercraf Railway Station, thence in a northerly direction along the boundary of the parish of Ystradgynlais Higher to Dunfant, thence along an imaginary line drawn in a westerly direction to the Lamb Bridge, Upper Cwmtwrch, thence in a south-easterly direction along the boundary of the said parish of Ystradgynlais Lower to and terminating at the new bridge over the River Twrch, near the Swan Hotel.

3. To transfer to and vest in the Company the undertaking, works, land, property, stock, plant, interests, rights, powers, privileges, easements, licences and agreements and benefits of licences and agreements under the Ystalyfera Gas Order, 1905, as confirmed by the Gas and Water Orders Confirmation (No. 2) Act, 1905, assigned to certain persons connected with the Company with the approval of the Board of Trade in pursuance of section 6 of that Order, and also the private works, lands and property, agreements, rights and privileges at Pontardawe belonging to and now in the possession of certain persons connected with the Company, and to sanction and confirm any agreement that has been made relating to the transfer of the aforesaid works.

4. To make all necessary provisions in the Bill with respect to the capital shares and borrowing powers of the Company.

5. To enable the Company to acquire, by compulsion or agreement, the lands hereinafter mentioned and all estates, rights and interests therein and thereover, and to enable the Company in and upon such lands marked (a) to maintain and continue the existing gasworks and works connected therewith, and also on such lands and upon the further lands marked (b) and (c) to construct and maintain, alter, enlarge, extend, improve and renew or discontinue gasworks and works for the conversion, manufacture, utilization and distribution of materials used in and about the manufacture of gas and of residual and manufactured products, matters and things, and to manufacture, produce, store, supply and sell gas for domestic trading and other purposes, and to manufacture, store, convert, utilize, buy, sell and dispose of coke, coal, patent fuels, tar, lime, pitch, asphaltum, ammoniacal liquor, oil and all other residual and manufactured products, matters and things within the aforesaid limits of supply. The lands hereinbefore referred to marked (a) to be transferred to the Company by the intended Bill are those upon

which the works authorized by the Ystalyfera Gas Order, 1905, are constructed for the manufacture and storage of gas and the manufacture and conversion and storage of residual and manufactured products. Such lands and the further lands marked (b) and (c) as aforesaid to be used by the Company for like purposes are as follows (that is to say):—

(a) A piece or parcel of land situate in the parish of Llangwicke, in the county of Glamorgan, containing by admeasurement 2 roods 35 perches, or thereabouts, bounded on the north by property belonging to or reputed to belong to Fleming Gough and in the occupation of the Ystalyfera Iron and Tin Plate Company Limited, on the south by property belonging to or reputed to belong to Fleming Gough and in the occupation of Ioan Davies, on the west by the stream belonging to the Great Western Railway Company and running from the River Tawe to the Swansea Canal, and on the north and east by an occupation road leading to the gasworks and land in the occupation of Ioan Davies and also by property belonging to or reputed to belong to Fleming Gough.

(b) A piece or parcel of land upon which the private gasworks at Pontardawe are constructed, held on lease from Herbert Lloyd of Plas Kelybehyll, in the county of Glamorgan, for a term of 99 years from the 25th day of March, 1872, containing by admeasurement 1 rood 15 perches, or thereabouts, situate in the parish of Llangwig (otherwise Llangwicke), in the county of Glamorgan, and bounded on the north by the Great Western Railway Canal, on the south by gardens of Holly-street, on the east by gardens of Holly-street, and on the west by gardens of Chapel-row.

(c) A piece or parcel of land, situate in the parish of Rhyndwyglydach, in the county of Glamorgan, containing by admeasurement 2 acres, or thereabouts, and bounded on the north and east by property belonging to or reputed to belong to Henry Nathaniel Miers, on the south by the River Tawe, and on the west by the Ynyspenllwch Tin Plate Works.

6. To confer on the Company all necessary powers and authorities for the manufacture, production, storage and supply of gas for all domestic, trading, public and other purposes within the aforesaid limits of supply.

7. To authorize the Company to maintain, alter, repair, improve and renew or to take up and discontinue any existing mains, pipes, pillars and other works and to lay down, make and maintain and from time to time alter, repair, improve, renew or discontinue new or additional mains, pipes, pillars and other works in, along, through, over and under streets, roads, highways, footways, canals, rivers, bridges, railways and tramways and for those purposes and for any other purposes in connection with their undertaking to open and break up, cross, alter, divert or stop up all roads, footpaths, highways, streets, pipes, sewers, canals, navigations, rivers, streams, bridges, railways and tramways within the limits above defined for the supply of gas.

8. To enable the Company to manufacture, purchase, hire, let or sell and deal in, fit up or repair meters, fittings and other apparatus for supplying or measuring gas, and engines, dynamos, motors, stoves, pipes and for warming, lighting, cooking, and for motive power and other purposes,

and to provide materials and execute and do any work or services in connection therewith, and to exempt any such fittings and apparatus from distress and make special provisions for securing the safety and return thereof to the Company.

9. To authorize the Company to demand, take and recover rates, rents and charges, differential or otherwise, for the supply of gas, and for the sale or hire of meters, slot meters, fittings, stoves, engines, lamps, burners and other apparatus, and for services performed by the Company, and if deemed expedient to alter the rates, rents and charges under the said Order of 1905, and to confer, vary or extinguish exemptions from the payment of any such rates, rents and charges, and to confer, vary and extinguish other rights and privileges.

10. To authorize the Company to take, purchase, hold and use patent rights or licences or authorities under letters patent for the use of inventions relative to the manufacture, conversion, utilisation or distribution of gas and of such material and residual products as aforesaid.

11. The Bill will contain powers to enable the Company to acquire by agreement the supply of gas to the district now supplied by the existing private gasworks belonging to Messieurs Player situated at Clydach, in the county of Glamorgan, on such terms as may be mutually agreed between the Company and the said Messieurs Player, and the Bill will sanction and confirm any agreement which has been or may be made relating to the matters aforesaid pending the passing of the said Bill, and will also contain provisions prohibiting the Company from competing within the area now served by the said private gasworks.

12. To empower the Company to enter into and carry into effect contracts and arrangements for the supply of gas in bulk or otherwise for any purpose whatsoever with any corporation, county council or sanitary authority, railway company or any other company, body, or person within or beyond the limits of supply of the Company and from time to time to vary, suspend or rescind any such contracts or arrangements and make others in lieu thereof or in addition thereto, and the Bill will confer all necessary powers in that behalf upon all such Corporations, authorities, companies, bodies and persons and will or may enable all parties to any such contracts or arrangements to apply for the purposes thereof any funds or moneys and raise additional funds by rates or otherwise, and the Bill will sanction and confirm any agreements already made or which prior to the passing of the Bill may be made touching the aforesaid matters or any of them.

13. To define the illuminating power of the gas to be supplied by the Company, and to exempt the Company from any penalty for insufficiency of pressure, defect of illuminating power or excess of impurity in gas supplied by them when caused by unavoidable cause or accident.

14. To enable the Company to acquire further lands by agreement in addition to the lands before described for the general purposes of their undertaking, and to purchase, erect or take on lease dwelling-houses for persons in their employ and offices, showrooms and other buildings for the purposes of their undertaking.

15. To make such provisions as may have been or may be agreed upon or as may be prescribed or authorized by the Bill for the protection and

benefit of the landowners and any other persons and bodies whose property, rights, powers or interests will or might be affected by the execution of the powers of the Bill, and of their property, rights and interests, and to confirm and give effect to any arrangements or agreements which may have been or may be entered into between the Company and such landowners and other persons and bodies touching any of the matters aforesaid, including any agreement between the Company and the owners for the time being of the private gasworks situated at Pontardawe constructed upon the before-mentioned lands (b), and to provide by the Bill that those works and lands shall, on the passing thereof, become part of the undertaking of the Company.

16. To make special provision with reference to the following matters :—

The supply of gas for power or manufacturing purposes, the notice to be given to the Company concerning the discontinuance of a supply of gas, for securing the payment of gas rates and for the prepayment thereof in certain cases and with respect to the quality, pressure, registration and measurement of gas and the testing of meters, the refusal to supply gas to persons in debt to the Company and deposits made with the Company and the interest thereon, for exempting the Company in certain cases from penalties for failure to comply with the enactments relating to the Company, and for prescribing the period of error in the case of defective meters, the inspection of fittings, service pipes and other apparatus, and the prohibition of the use of improper or insufficient fittings, and with respect to the use of antifluctuators and to confer upon the Company the same powers of laying down and maintaining mains, pipes and apparatus in streets and roads not dedicated to the public as they may from time to time possess in respect to public streets and roads.

17. To empower the Company to make and enforce regulations as to the sale and price of gas supplied by means of slot meters and as to the price, terms and conditions of sale or hire of such meters and the fittings connected therewith.

18. To provide that money placed in slot meters shall not be deemed to have been paid to the Company until the Company shall have actually received the same.

19. To authorize the Company out of revenue to provide a fund for the renewal and repair of their works, mains and pipes and to make provision for the creation of reserve and insurance funds.

20. To make provision as to the liability of owners and occupiers of premises which have been let or sub-let as to the payment by them of sums due to the Company in respect of such premises.

21. To provide for the recovery of demands in a court of summary jurisdiction.

22. To provide that justices of the peace being directors of or shareholders in the Company shall not be debarred from acting as justices in any cases before a court of summary jurisdiction in which the Company may be interested.

23. To make provision as to the number, qualification and quorum of directors of the

Company, the calling of meetings and the quorum to be present thereat, and to enable directors to hold offices under the Company and to enter into contracts for the supply of goods and otherwise to the Company, and generally to make such provisions as may be deemed expedient with regard to the regulation and management of the affairs and proceedings of the Company.

24. To vary or extinguish all or any rights and privileges which would interfere with the purposes of the Bill and to confer other rights and privileges, and to incorporate therewith and extend and apply as well to any mains, pipes and works laid down or constructed before the passing of the Bill as to all mains, pipes and works which may be laid down or constructed under the authority of the Bill, the powers and provisions of the Gasworks Clauses Act, 1847, and the Gasworks Clauses Act, 1871, also to incorporate all or some of the provisions of the Companies Clauses Consolidation Act, 1845; the Companies Clauses Act, 1863; the Companies Clauses Act, 1869, and the Lands Clauses Acts and as far as may be necessary or expedient to alter, amend, repeal or extend all or some of the provisions of those Acts or any of them; and if need be to repeal all or some of the provisions of the Ystalyfera Gas Order, 1905.

25. And notice is hereby further given, that on or before the 30th day of November instant duplicate plans showing the lands intended to be confirmed or taken compulsorily under the powers of the Bill with a book of reference thereto containing the names of the owners or reputed owners, lessees or reputed lessees and of the occupiers of those lands with an Ordnance or published map showing the boundaries of the intended limits of supply and a copy of this Notice as published in the London Gazette will be deposited for public inspection with the Clerk of the Peace for the county of Glamorgan at the County Council Offices, Westgate-street, Cardiff, and with the Clerk of the Peace for the county of Brecknock at the Shire Hall, Brecon, and on or before the same day a copy of such plan, book of reference and Notice will also be deposited with the officers of the areas respectively hereinafter mentioned as follows :—

As regards the rural district of Pontardawe, with the Clerk to the Rural District Council at his office at Pontardawe.

As regards the parish of Llanguicke within the rural district of Pontardawe, with the Clerk to the Llanguicke Parish Council at his office at Ystalyfera.

As regards the parish of Rhyndwyglydach within the rural district of Pontardawe, with the Clerk to the Parish Council at his office at Trebanos.

26. Printed copies of the Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

SKEGNESS URBAN DISTRICT COUNCIL.

(Transfer of Undertaking of the Skegness Water Company to the Urban District Council of Skegness; Winding-up and Dissolution of Company; Maintenance of Existing Works; Supply of Water; Provisions and Regulations as to Supply; Limits of Supply; Provisions as to Protection of Waterworks, and Prevention of Pollution and Waste; Rates and Charges; Agreements; Supply of Water in Bulk; Bye-laws; Borrowing of Money; Sinking Funds; Issue of Stock; Settlements of Disputes; Provisions as to the Regulations of Streets and Buildings; Sanitary Provisions; Provisions for the Prevention of the Spread of Infectious Diseases; Provisions as to Milk Supply; Provisions as to Manufacture, &c., of Ice-creams, &c.; Advertisements and Hoardings; Police and Street Traffic; Seashore; Bathing and Boating; Bands and Chairs; Power to Advertise the Town; and other Provisions for the better Management and good Government of the District; Application of Funds; Rates; Repeal, Alteration and Incorporation of Acts, &c.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session by the Urban District Council (hereinafter referred to as "the Council") for the urban district of Skegness, in the Parts of Lindsey, in the county of Lincoln (hereinafter referred to as "the district"), for an Act for all or some of the following amongst other purposes and objects (that is to say):—

To authorize and empower the Council to purchase by compulsion or agreement and the Skegness Water Company (hereinafter referred to as "the Company") to sell and transfer to the Council the Undertaking, rights, powers and properties of the Company, including all or some part or parts of the works, lands, mains, culverts, drains, wells, tanks, filter beds, reservoirs, engines, pumps, machinery, buildings, appliances, apparatus and conveniences and other property of what nature or kind soever, and all or some of the interests, rights, liabilities, powers, privileges, easements, contracts, licences and agreements now vested in or belonging or attaching to or enjoyed by or which may at any time hereafter be or become vested in or belong or attach to the Company in connection with their Undertaking, and to empower the Council and the Company and any other person or persons to enter into and carry into effect, vary, alter or amend contracts and agreements with reference to the said Undertaking or any of the purposes of the intended Act upon such terms and conditions and for such consideration or price as may be agreed on or as the intended Act may prescribe or authorize, and to confirm and give effect to any such contract or agreement which has been or may be entered into prior to the passing of the intended Act; to provide for the transfer to and vesting in the Council of the said Undertaking, rights, powers and properties; the application of the purchase money; the payments of the debts of the Company; the redemption, cancellation or extinction of all mortgages, debentures, ordinary and preference stock and shares of the Company; the winding up and dissolution of the Company.

To give effect to and carry into effect all or

some of the provisions of section 70 of the Skegness Water Act, 1905, with reference to the purchase by the Council of the Undertaking of the Company.

To define the limits for the supply of water by the Council.

To empower the Council to complete, maintain, alter, improve, renew and enlarge the existing and authorized waterworks of the Company or some of them, and to acquire additional lands by agreement; and to acquire easements in, through, under and over public and private lands, roads, streets, footways and highways, and to vest in the Council the benefit of all agreements or contracts for the purchase of lands or of easements or interests in lands entered into by or on behalf of the Company, and to empower the Council to cross, stop up, alter and divert temporarily or permanently, and to lay down, maintain and renew mains, pipes, apparatus and works in, through, over and under streets (public or private), roads, footways, highways, thoroughfares, railways, tramways, bridges, canals, rivers, streams, watercourses, sewers, drains, pipes and telegraphic and telephonic apparatus within the limits for the supply of water as prescribed by the intended Act, and to break up and interfere with the same; and to supply water for public, domestic, trade, shipping and other purposes within the limits of supply as prescribed by the intended Act, and to empower the Council to supply water for domestic and other purposes by measure.

To make further and better provision in regard to the supply of water, and amongst other things with reference to the following matters, namely:—The prevention of waste; undue consumption; misuse and contamination of water; as to fittings to be used and the testing and stamping of fittings; the entry on premises supplied with water; the protection of the works, property, fittings and water supply of the Council; the execution of works in connection with the supply of water; prevention of frauds and abuses in the use of water; the pressure at which water is to be supplied; definition of domestic supply; water rates and charges; the payment and recovery of water rates and charges; payment of rates and charges by owners of small houses; trade supply; supply of houses partly used for trade; power to provide, sell and let on hire meters and fittings; connections, disconnections with and injury to meters; service pipes; misuser of water; and bye-laws and regulations; and the enforcement and recovery of penalties for breach or non-observance thereof.

To confer upon and make applicable to the Council all or some of the powers and provisions contained in the Skegness Water Act, 1905, relating to or connected with the Company's Undertaking, and to exempt the Council from the enactments limiting the profits of the Undertaking.

To empower the Council to prevent the fouling, contaminating or discolouring of any stream or spring from which the Council may derive their water supply, and to hold lands for the purpose of protecting, securing and preserving their waterworks or water supply, and to sell, lease or exchange lands vested in them, and to exempt such lands and the Council in respect thereof from the provisions of some of the provisions of the Lands Clauses Consolidation

Act, 1845, with respect to the sale of superfluous lands.

To authorize the Council temporarily to discharge water from any of their aqueducts, conduits or overflows into any available stream or water course with which any of the aqueducts, conduits or overflows may communicate, or into any stream or watercourse crossed by any aqueduct or conduit, and to make provision for compensating all riparian owners and other persons for any damage which may be caused by the exercise of such power.

To authorize the Council and any other council, company or person to enter into and carry into effect agreements or contracts for the supply of water in bulk or otherwise within or beyond the limits of supply, and to enable the Council or any such council, company or person to lay down the necessary mains, pipes and apparatus, to break up streets and highways and to raise the necessary moneys.

To empower the Council to erect, put up, continue, remove or discontinue drinking fountains and cattle troughs for gratuitous supply of water for human consumption and for watering cattle, dogs and horses.

To empower the Council to levy and recover rates, rents and charges for the supply of water and for the hire of meters and fittings, to allow discounts or rebates to consumers, and to increase, alter or reduce the rates, rents and charges now charged or chargeable by the Company.

To provide for the application of the revenue and profits arising from the Water Undertaking of the Council, and for meeting any deficiency in such revenue out of the general district rate of the district, and to empower the Council to impose, levy and collect rates, rents, assessments and charges within the district and to increase, alter, repeal or extinguish existing rates, rents, assessments and charges, and to make new or increased rates, rents, assessments and charges in lieu thereof, and to grant exemptions from rates, rents, assessments and charges, and to compound with the owners and occupiers of houses and premises for the payment of such rates, rents, assessments and charges, and to provide for the formation and application of a reserve fund in respect of the said Undertaking.

To vary, repeal or amend the Skegness Water Act, 1905, and to amend, vary or extinguish all existing rights, powers and privileges which would in any manner interfere with or prevent the carrying into effect of any of the objects of the intended Act, and to confer other rights, powers and privileges.

To extend and apply to the Council all or some of the provisions of the Public Health Acts relating to the construction of waterworks and supply of water, the purchase of lands, the repeal, alteration or amendment of Acts, the borrowing of money and the granting of Provisional Orders, to authorize the Council to create and issue stock in the manner provided by Part V of the Public Health Acts Amendment Act, 1890, or any modification of that Act, to enable the Council to issue to the Company or to the stock and shareholders of the Company, and for the Company or their stock or shareholders to accept stock of the Council as consideration or part of the consideration for the purchase by the Council of the Undertaking of the Company, to dispense with the consent of

the Local Government Board in regard to stock created and issued for or in respect of the said purchase and to alter and amend such last mentioned Act; and to empower trustees to invest trust funds in such stock or in any of the mortgages of the Council.

To make further and better provision with respect to the following, amongst other matters,—The approval by the Council of plans and sections of streets and buildings; the prevention of the formation of culs de sac or dead ends; the laying out regulation and defining of new streets, and intersecting streets; the erection of buildings in new streets; the defining of the length and future line of frontage for streets; alteration of line of frontage in narrow or inconvenient roads or streets or where no sufficient or regular line of frontage exists; the erection of buildings and alteration or conversion of existing buildings either by structural alterations; raising the height or elevation, or by user or otherwise; the lopping of trees, hedges and shrubs overhanging streets; dangerous buildings or places; the fencing or regulation of forecourts, vacant lands and grass plots in and adjoining streets; the height of buildings and chimneys; the provision of means of escape in case of fire; to extend and apply to unfenced land, parks, recreation grounds, the greensward, the sea shore and promenades and other places the provisions of the statutes relating to vagrancy and of the Towns Police Clauses Act, 1847; with respect to obstructions and nuisances in streets.

To provide for the making of bye-laws by the Council with respect to water closets; the conversion of existing closet accommodation into water closets or waste water closets; the provision, construction and repair, reconstruction, testing, protection and cleansing of cisterns, drains, closets, waterclosets, ashpits, dustbins, sinks and other sanitary or water apparatus, and the discovery and remedy of nuisances and for enforcing the proper drainage of and supply of water to properties; the prevention of and penalties for damage to, construction, or user of drains, water closets, earth closets, privies or ashpits in such manner as to be a nuisance or injurious to health; the drainage of houses by combined drains; the making of communications between drains and Council sewers; the provision of separate sewage and surface-water sewers; and generally for enlarging the powers of the Council as to the sewers or drains to be provided; bye-laws as to the cleanliness of tanks, cisterns and other receptacles for holding or storing water; the entry on and user of lands for any of these purposes; nuisances; the filling up of cesspools and other receptacles; sinks, wells and cisterns; water supply to houses and premises; the provision of ambulances; the purification or destruction of infected or filthy articles; extending the definition of drains under Section 41 of the Public Health Act, 1875; and the exemption of the district from the provisions of section 19 of the Public Health Acts Amendment Act, 1890.

To make provision for the notification of infectious or contagious disease and the prevention of the spread of infectious or contagious disease through milk or food supply, clothes, books, attendants at schools, public conveyances or public vehicles, or the carrying on of any trade or business by infected persons, and the furnishing of information by dairymen, suppliers of milk, persons engaged in washing or mangling clothes,

principals of schools, drivers of public vehicles, heads of families and other persons; the entry on and examination of schools and scholars by the officers of the Council and the exclusion therefrom of scholars; the regulation of hospitals and payments and recovery of expenses of patients in hospitals by the Council; the provision of nurses; the payment of compensation to persons stopping employment at request of Council; the removal of sick persons to hospitals; the entry on premises where any infectious disease exists, and disinfection of premises and removal of persons therefrom; extension of provisions of section 34 of the Contagious Diseases (Animals) Act, 1878; the removal of bodies of persons dying from infectious disease; and to apply all or any of all the above provisions as well beyond as within the district.

To make provision for the prevention of the sale or supply of milk from diseased or tuberculous cows or from dairies whether within or without the district in which diseased or tuberculous cows are kept; the isolation and notification of diseased or tuberculous cows; the obligation to notify cases of tuberculosis; empowering the medical officer of health or other authorized person to enter and inspect dairies, byres and cowsheds within or beyond the district to take samples of milk and to examine the cows and to prohibit the supply of milk within the district from any such dairy, byre or cowshed; compensation to dairymen; advertisement of notice of this part of the Act; procedure, expenses and execution of this part of the Act.

To make provision for the regulation of the manufacture, storage and sale of ice creams and other similar commodities within the district and the prevention of the spread of disease by persons engaged in the manufacture or sale of ice creams or other similar commodities and the furnishing of information by such persons and entry by officers of the Council on the premises of such persons.

To make provision for the regulation of advertisements and hoardings; the regulation of traffic, betting in streets; the regulation and licensing of hackney carriages and public vehicles; the inspection of hackney carriages and public vehicles and penalties for obstruction or hindrance of such inspection; occasional licences; the extension of the Acts and bye-laws relating to public vehicles to vehicles conveying passengers to and from railway stations within the district and whether from or to places outside the district.

To make provision as to damage done by the Council in execution of works for the protection of the Council and their officers; to prohibit street crying on Sunday; to empower the Council to grant gratuities to their officers and servants; to make provision as to the appointment of officers for the purposes of the intended Act; and to impose penalties on persons interfering with the execution of the powers of the intended Act.

To enable the Council from time to time to extend the provisions of any existing bye-laws, including the matters or any of the matters mentioned in this Notice, and to make, enforce, vary or rescind bye-laws, penalties, rules or regulations for all or any of the matters mentioned in this Notice, and to confer upon the Council all necessary powers, rights, privileges and authorities for enabling them effectually to carry out the provisions of the intended Act. To provide for the authentication of licences,

notices and other documents granted, made or issued by the Council; as to service of notices; the assessment and recovery of compensation; as to penalties, and the laying of informations and complaints and appeals.

To make provision as to the regulation and use of unfenced ground abutting on any street; the foreshore and beach; bathing; mixed bathing; bathing machines and tents; the licensing of pleasure boats; the licence and pay of boatmen for the protection of persons whilst bathing; prevention of betting and wagering in public streets or open places; to regulate and if the Council think fit to prohibit the removal of beach and sand from the sea shore; to provide that the sea shore shall be deemed a street for the purposes of the Vagrant Acts; to authorize the Council to provide and let chairs on the foreshore and beach; to provide or contribute towards a public band of music for the district; and to expend money in advertising the town.

To provide for the payment of the costs, charges and expenses of and incidental to the promotion and passing of the intended Act, including all expenses incurred by the Council for and in connection with reports and advice by engineers, solicitors and others prior to the application for the intended Act and in connection with the proposed acquisition by the Council of the Undertaking of the Company, and the costs, charges and expenses incurred or that may be incurred by the Council of or in connection with the sale and purchase of the said Undertaking and of any arbitration under the Skegness Water Act, 1905, or the intended Act, and of the transfer to and vesting in the Council of the said Undertaking and the rights, powers and privileges of the Company.

To authorize the Council to make and enforce penalties for breach or non-observance of any bye-laws or regulations made under the intended Act.

To authorize the Council to borrow or raise money for the purchase of the Undertaking of the Skegness Water Company and for the improvement and extension of the Waterworks Undertaking of the Council and for all other purposes of the intended Act upon the security of the Water Undertaking and the revenue thereof and upon the district fund and general district and improvement rates, and to charge all moneys so borrowed on the whole or part of the revenues of the Council arising from the water Undertaking and other the property and undertakings of the Council and upon the general district fund, general district rate and improvement rate of the Council or any of those securities and to execute and grant mortgages, debentures or debenture stock or to create and issue Council stock in respect thereof, and to grant annuities chargeable upon the Water Undertaking, property, undertakings, fund, and rates aforesaid, and to reborrow upon the like securities and to provide for the transfer and redemption of such annuities, and to authorize the application of the existing funds or rates of the Council or of any money they are now authorized to borrow to the purposes of the intended Act or any of them.

To make provision in regard to the sinking funds to be set aside in connection with the moneys to be borrowed for the purposes of the intended Act and for the suspension of the same and to establish a reserve fund or reserve funds.

To incorporate with the intended Act and make applicable to the district with or without modification or render inapplicable, alter, vary, extend or repeal all or some of the provisions of the following Acts (that is to say):—The Skegness Water Act, 1905; the Public Health Acts, and in particular the provisions of the Public Health Acts Amendment Act, 1907; the Companies Clauses Act; the Waterworks Clauses Acts, 1847 and 1863; the Local Loans Act, 1875; the Arbitration Act, 1889; the Trustee Act, 1893; the Towns Improvements Clauses Act, 1847; the Town Police Clauses Acts, 1847 and 1889; the Infectious Diseases Notification Act, 1889; and the Infectious Diseases Prevention Act, 1890, and all Acts amending those Acts respectively and any other public Act or Acts that may be deemed necessary for carrying into effect the purposes of the intended Act.

Printed copies of the Bill for the intended Act will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

Dated this 15th day of November, 1907.

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session for leave to bring in a Bill for effecting the purposes or some of the purposes following (that is to say):—

To define and prescribe the limits of the Port of London to which the Bill will relate so as to include all or any portion of the River Thames between Teddington Lock and a line drawn from the pilot mark at the entrance of Havengore Creek, in the county of Essex, to the land's end at Warden Point, in the Isle of Sheppey, in the county of Kent, and all islands, rivers, streams, creeks, waters, watercourses, channels, harbours, docks and places within the before-mentioned limits, and the whole or any part of any area which for the time being is under any Act to be deemed to form part of the Port of London, and to extend the limits of the Port of London for the purposes of the Thames Conservancy Act, 1894, and the Thames Conservancy Act, 1905, and if thought fit to alter and amend the definition of "the Thames" in section 3 of the Thames Conservancy Act, 1894, and extend the limits of the jurisdiction of the Conservators of the River Thames (hereinafter called "the Conservators") for all or such purposes as the Bill may define over the River Thames so as to embrace all or any portion of the area of the Port of London as so defined (hereinafter referred to as "the Port of London").

To impose rates, dues and charges (hereinafter referred to as "goods rates") upon animals, goods, articles, merchandise and things (hereinafter referred to as and included in the expression "goods") imported into the Port of London from parts beyond the seas and there unshipped (including goods from such parts transhipped at any other port in the United Kingdom and thence imported into the Port of London) other than (1) goods to be transhipped directly from one ship to another for immediate conveyance by the latter ship to some other port and which are the subject of a through bill of lading to such other port; (2) and such other descriptions of goods as may be specially exempted under the provisions of the Bill, and to make provision for the collection and recovery of such rates, dues and charges by the Conservators or by such other body or persons as the Bill may prescribe, and to confer upon the Conservators or other the body or persons so prescribed and their officers and servants (hereinafter referred to as and included in the expression "the Collecting Authority") all necessary powers in that behalf and to make provisions for securing the payment of such goods rates and the giving of information by masters and owners of vessels and owners and consignees of goods and others, and to impose penalties on persons evading or aiding or abetting in the evasion of payment of

goods rates or otherwise failing to comply with the provisions of the Bill.

To make provision for the payment of the cost of the collection of the goods rates to be imposed as aforesaid, and for the payment out of such goods rates to the London and India Docks Company, the Surrey Commercial Dock Company and the Millwall Dock Company (hereinafter called "the Dock Companies") respectively of such respective fixed or varying sums and at such time or times, whether annually, quarterly, monthly or otherwise, as may be prescribed by the Bill, and for the retention and application by the Conservators or other application of the surplus of the amount paid or payable in respect of goods rates or any portion of such surplus or otherwise to provide for the application of the sums paid or payable in respect of such goods rates, and for the allocation and apportionment thereof to and between the respective Dock Companies and the Conservators or otherwise and to enable the Board of Trade or such other authority as the Bill may define to require the payment by the Collecting Authority to the Dock Companies or any of them of such increased or further sum or sums as may be prescribed or provided for by the Bill, and make all necessary orders with respect to such increased or further payments, and if thought fit to confer powers upon the Dock Companies or any of them of themselves collecting and recovering goods rates or any of them.

To prescribe or provide for the fixing and regulation of the amount of the goods rates to be imposed as aforesaid from time to time and for the increase and reduction of such goods rates or any of them and to enable the Dock Companies or any of them and the payers of goods rates or other persons or bodies to make representations and complaints with respect to the amount of such goods rates and the increase or reduction thereof, and to require or enable the Board of Trade and the Railway and Canal Commission or either of them or such other body as the Bill may define to hear such representations and complaints, and to require the increase or reduction of such goods rates or any of them or the levying of additional goods rates, and to make all necessary provisions with respect thereto and otherwise to provide for the settlement of such representations and complaints as aforesaid, and altering and fixing from time to time the amount of such goods rates.

To make all necessary provision for the publication of the amount of the goods rates and the keeping of books and accounts of goods rates by the Collecting Authority, and for the rendering to the Dock Companies of copies of such accounts and for the audit of such accounts and the inspection thereof.

To empower the Dock Companies or any of them, notwithstanding any provisions contained in any Act or Acts relating to them or to their undertakings respectively, and especially the provisions of the following local and personal Acts (that is to say):—9 Geo. IV, cap. 95; 1 and 2 Wm. IV, cap. 52; 27 Vict., cap. 31; 27 and 28 Vict., caps. 178 and 255; and 45 and 46 Vict., cap. 90, conferring any exemption, whether absolute, partial or conditional, from payment of rates, tolls or charges in respect of lighters, barges or other craft (hereinafter called "craft") entering into or being in any dock, canal, basin, lock, cut or entrance of any of the Dock Companies, or conferring any exemption from the payment of rates or charges in respect of ballast or goods

discharged or received into or from or being upon such craft, to demand, take and recover in respect of any craft entering such dock, canal, basin, lock, cut or entrance such rates, tolls and charges as the Company think fit or as may be prescribed or provided for by the Bill, and to make all necessary provision for the ascertainment of the rates, tolls or charges payable in respect of any such craft, and for the recovery of such rates, tolls and charges, and, if thought fit, to confer exemptions from the payment of such rates, tolls and charges, and to make provision with respect to the services to be performed and facilities to be afforded by the Dock Companies to craft entering or leaving their respective docks, canals, basins, locks, cuts or entrances, and to impose upon such Companies or any of them such obligations with respect thereto as the Bill may define, or, if thought fit, to make provision for the registration of such craft by the Conservators or such other body as the Bill may define, and for the payment and recovery of fees on such registration and for prohibiting any unregistered craft from entering into or being in or using any such dock, canal, basin, lock, cut or entrance, and to provide for the payment to the Dock Companies or any of them out of such fees or by the owners of the craft entering into, being in or using any dock, canal, basin, lock, cut or entrance of such fixed or variable sum or sums as the Bill may prescribe in respect of any services to be performed or facilities to be afforded by the Dock Companies aforesaid or otherwise.

To alter, assimilate and fix the maximum tonnage rates or rents or any of such rates or rents on vessels entering, leaving or using the docks, canals, basins, locks, cuts or entrances of the Dock Companies or any of them, or lying therein or departing therefrom or docked or undocked therein, and so far as may be necessary in that behalf to increase or reduce any of such rates or rents, and to provide so far as may be necessary for the fixing and regulation, subject to such control or authority (if any) as may be provided by the Bill, of any rates and charges not now subject to any fixed statutory maximum and which such companies may respectively demand and take on goods brought into, shipped, unshipped, transhipped, landed, received or delivered at, from or on or deposited within their docks, canals, basins, locks, cuts, entrances, quays, piers, jetties or works, and especially those leviable by the London and India Docks Company at the East India Docks and the West India Docks (including the South West India Dock), and the works connected therewith respectively, and those leviable by the Millwall Dock Company, and to make provision, if thought fit, for the settlement by the Railway and Canal Commission or such other authority as the Bill may prescribe of any dispute as to the charges to be made in respect of services performed by the Dock Companies or any of them.

To alter existing tolls, rates, dues and charges, and to confer, vary and extinguish exemptions from the payment thereof and of the goods rates and other rates, tolls and charges proposed to be authorized by the Bill.

To impose upon the Dock Companies or any of them (and especially upon the London and India Docks Company) such obligations with respect to the improvement of their respective docks and dock accommodation, and the obtaining of further powers for increasing their respec-

tive revenues or otherwise as the Bill may prescribe, and, if thought fit, to confer upon the Board of Trade or such other authority as the Bill may define powers to require the execution of and to control expenditure on such improvements, and to veto and control the expenditure of money by any of the Dock Companies on or for the purposes of their respective undertakings, subject to such exceptions, conditions and stipulations as may be provided for under or prescribed by the Bill.

To limit the dividends to be paid upon the ordinary shares and stocks in the capital of the Dock Companies or any of them, and the maximum dividends to be paid in respect of any further capital to be issued by such Companies or any of them, and to provide, if thought fit, that any such further capital shall be offered to the public by auction or tender or otherwise disposed of in such manner as the Bill may prescribe or provide for, and to cancel the rights of the holders of "B" preference stock of the London and India Docks Company to any augmentation of dividends, and to make provision for the formation of reserve funds by such Companies or any of them for the equalization of dividends and for providing for dock extensions and equipment or for such other purposes as the Bill may prescribe, and to regulate the application of the income of the Dock Companies or any of them, and to prescribe the purposes for which and the manner in which any surplus income (after payment of the dividends limited as aforesaid) shall be applied, and, if thought fit, to provide for the application thereof or any part thereof in forming such reserve funds and in the improvement of the docks and works of the said Companies respectively, and the reduction and extinguishment of any moneys borrowed by or debenture stocks of such Companies and in such other manner as may be thought fit.

To empower the Conservators to acquire lands for the purpose of carrying out any of their powers and duties.

To authorize the Board of Trade by Order and after inquiry to increase the number of Conservators of the River Thames and to make all necessary ancillary provisions for carrying such Order into effect.

To extend and enlarge the powers of the Conservators with regard to the borrowing and re-borrowing of money, and to authorize and if need be require them to borrow further moneys and to create and issue debenture stock and debentures and grant mortgages and annuities upon the security of the lower navigation fund, and any sums retainable by them in respect of goods rates or either of them and any other funds, rates, property and revenue of the Conservators as may be prescribed by the Bill, and to make provision for the payment of interest on and repayment of moneys borrowed or the redemption and extinguishment of stock or annuities issued or granted by them, and for the keeping of separate accounts of any moneys retained by the Conservators in respect of goods rate and to provide for the application of such moneys and if thought fit for the appropriation of any surplus of such moneys in or towards the improvement and maintenance of the navigation of the River Thames and of the estuary thereof, whether within or beyond the Port of London, and the reduction of the duties of tonnage which by the Thames Conservancy Act, 1894, is amended by the Thames Conservancy Act, 1905, the Conservators

are authorized to levy in respect of vessels or in such other manner as the Bill may prescribe.

To make provision for the payment of the costs of preparing, applying for and obtaining the Bill and the carrying the same into execution by the Dock Companies and the Conservators or any of them or out of the goods rates to be levied under the Bill, and to authorize and require the Dock Companies and the Conservators to apply their funds and any money from time to time belonging to them or which they have or may obtain power to raise to or for such purposes or any of the purposes of the Bill or of any agreement made thereunder, and if and so far as may be thought expedient to require the Collecting Authority to reimburse any sums so paid out of the sums payable to the Dock Companies or any of them under the Bill and out of the surplus of such goods rates.

To empower the Conservators and the Dock Companies or any one or more of them to enter into agreements for the improvement or otherwise in relation to the undertakings respectively belonging to or under their control, and the execution of all or any of the powers of the Bill, and to authorize the Conservators to apply any money from time to time belonging to them or which they have or may obtain power to raise or any of their funds rates or revenues to or for the purposes of any such agreements, and to sanction and confirm any agreements which may have been or may be entered into in that behalf.

To repeal, vary and amend the provisions or some of the provisions of the following local and personal Acts (that is to say):—

9 Geo. IV, cap. 95; 1 and 2 Wm. IV, cap. 52; 27 Vict., cap. 31; 27 and 28 Vict., caps. 178 and 255; 45 and 46 Vict., cap. 90, or any other Act or Acts relating to the Dock Companies or any of them or the undertakings respectively belonging to them; the Thames Conservancy Act, 1894; the Thames Conservancy Act, 1905, and any other Act or Acts relating to the Conservators.

The Bill will vary and extinguish all rights and privileges which may interfere with or may be inconsistent with any of its objects, and will confer such other rights and privileges as may be expedient for the purpose of carrying those objects into effect.

Printed copies of the Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

Dated this 15th day of November, 1907.

POST OFFICE SITES.

(Power to the Postmaster-General to Acquire, for the Service of the Post Office, Lands, Houses, Buildings and Premises in the Royal Metropolitan Borough of Kensington, the County Borough of Bolton, the County Borough of Devonport, the Borough of Dover, the Urban District of Ilford in the County of Essex, and the Urban District of Stroud in the County of Gloucester;

Stopping up Highways; Acquisition of and Interference with Rights, Lights and other Privileges; Agreements with Local Authorities and others; Incorporation, Variation and Amendment of Acts; and other Purposes.)

NOTICE is hereby given, that application is intended to be made to Parliament in the next Session for an Act for the following purposes, or some of them (that is to say):—

To empower His Majesty's Postmaster-General (hereinafter called "the Postmaster-General") to acquire for the service of the Post Office, by compulsory purchase or otherwise, the lands, houses, buildings and premises hereinafter described (that is to say):—

Kensington (New Telephone Exchange).—

Land, houses, buildings and premises situate in or near Portobello-road, in the parish of St. Mary Abbots, in the Royal metropolitan borough of Kensington, in the county of London.

Bolton (New Head Post Office).—Land, houses, buildings and premises situate in King-street and Deansgate, in the parish of Great Bolton, in the county borough of Bolton, in the County Palatine of Lancaster.

Devonport (Head Post Office).—Land, houses, buildings and premises situate in Fore-street, Chapel-street and York-street, in the parish and county borough of Devonport, in the county of Devon.

Dover (New Head Post Office).—Land, houses, buildings and premises situate in Biggin-street, Priory-street and Priory-road, in the parish and borough of Dover, in the county of Kent.

Ilford (Extension of Head Post Office).—Land, houses, buildings and premises situate in or near Cleveland-road, in the parish and urban district of Ilford, in the county of Essex.

Stroud (Extension of Head Post Office).—Land, houses, buildings and premises situate in or near Russell-street, in the parish and urban district of Stroud, in the county of Gloucester.

To provide for the stopping up and extinguishment of, and to empower the Postmaster-General to stop up and extinguish, all public and private rights of way in, through or over Bamber's-court, in the parish of Great Bolton aforesaid, and to vest in the Postmaster-General the site and soil thereof and any rights and easements relating thereto.

To provide for the extinguishment of all rights of way and light, public and private rights, easements and restrictions in, over, under or affecting or relating to the lands, houses, buildings and premises proposed to be acquired.

To empower the Postmaster-General to pull down, alter and remove buildings and houses or parts thereof, and to sell the materials and appropriate the sites thereof, and to erect and maintain offices and buildings and other conveniences on any of the lands in this Notice mentioned.

To empower the Postmaster-General to stop up, divert, alter, remove or appropriate temporarily or permanently streets, roads, ways, paths or passages over, by the side of, or adjoining the premises so intended to be acquired by him as aforesaid, and, if need be, to stop up, appropriate or divert any sewers or drains in or under or connected therewith respectively, and also

to throw land into or add to any streets, roads, ways, paths, places or passages.

To empower the Postmaster-General and any corporation, council, body or person to enter into and carry into effect contracts and agreements with reference to the formation, diversion or alteration of streets or highways, and with reference to any sale, lease or exchange of land, or any matters aforesaid, and to make money payments in respect thereof.

To alter a provision of the Post Office (Sites) Act, 1906, embodying an arrangement with the Corporation of Bromley for the widening of East-street, Bromley, and to make other arrangements with the said Corporation on the same subject.

To enable the Postmaster-General, if he thinks fit, to purchase so much of any house, building or manufactory or other hereditaments as he may require for any of the purposes of the intended Act, without being subjected to the liability imposed by the 92nd section of the Lands Clauses Consolidation Act, 1845, or of any other Act or Acts.

To confer all such other rights, powers and privileges as may be necessary or convenient for the purposes aforesaid, and to vary and extinguish all powers, rights and privileges which exist in or over the lands intended to be taken under the powers of the intended Act or mentioned in this Notice, or which would in any manner impede or interfere with any of the objects of the intended Act, and to confer, vary or extinguish other rights and privileges.

To incorporate with the intended Act the Lands Clauses Acts, with or without amendment, and to alter or repeal any local or general Act which may interfere with the objects of the intended Act.

On or before the 30th day of November instant a plan and duplicate thereof, describing the situation of the said lands, houses, buildings and premises proposed to be taken under the power of the said intended Act, and a book of reference to the plan will be deposited as follows:—As regards lands in the county of London, with the Clerk of the Peace for the county of London at his office at the Sessions House, Clerkenwell; as regards lands in the County Palatine of Lancaster, with the Clerk of the Peace for that county at his office at Preston; as regards lands in the county of Devon, with the Clerk of the Peace for that county at his office at Exeter; as regards lands in the county of Kent, with the Clerk of the Peace for that county at his office at Maidstone; as regards lands in the county of Essex, with the Clerk of the Peace for that county at his office at Chelmsford; as regards lands in the county of Gloucester, with the Clerk of the Peace for that county at his office at Gloucester; and a copy of so much of the said plan and book of reference as relates to lands in the several undermentioned metropolitan borough, county boroughs, borough and urban districts respectively, will be deposited as follows, viz.:—

In the case of the Royal metropolitan borough of Kensington, with the Town Clerk at the Town Hall, High-street, Kensington.

In the case of the county borough of Bolton, with the Town Clerk at his office in Bolton.

In the case of the county borough of Devonport, with the Town Clerk at his office in Devonport.

In the case of the borough of Dover, with the Town Clerk at his office in Dover.

DRAYCOTT GAS.

(Amendment of Long Eaton Gas Act, 1901; Acquisition or Removal of Mains; Extension of Limits of Supply; Purchase of Undertaking of Castle Donington Gas and Coke Company Limited; Lands for the Manufacture and Storage of Gas, &c.; Diversion of Footpaths; Consolidation and Conversion of Capital; Additional Capital; Borrowing Powers; Reserve and Renewal Funds; Interim Dividends; Closing of Transfer Books; Supply of Gas on Special Terms in certain cases; Laying Pipes, &c., in Private Streets; Pipes for Oil, Liquids and other purposes; further Provisions as to Supply of Gas Engines, Stoves, Meters and Fittings; Supply in Bulk beyond Limits; Purchase and Holding of Lands; Dwelling-Houses for Workmen; Power to Directors to Engage and Determine Remuneration of Secretary and other Officers; Holding of Patent Rights; Regulation of Internal Fittings; Power to Apply for Provisional Order to Supply Electrical Energy; Authentication of Notices; Amendment and Incorporation of Acts; Miscellaneous and Incidental Provisions.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session by the Draycott Gas Company (hereinafter referred to as "the Company") for an Act for all or some of the following purposes (that is to say):—

1. To vary, amend or repeal so much of the Long Eaton Gas Act, 1901, as relates to the supply of gas by the Long Eaton Gas Company within the limits of supply of the Draycott Gas Company, as defined by section 4 of the Draycott Gas Act, 1888, namely so much of the townships of Draycott, Breaston and Little Wilne, and adjoining places all in the county of Derby, as lie within an imaginary line commencing at the extreme southern point of Wilne Mills, running thence north-west to Shacklecross, on the High-road leading from Derby to Risley, thence north-east along the said High-road to the point where the road from Draycott leads into such High-road, thence south-east to a point 150 yards east beyond the four cross roads at Wilsthorpe, thence south to a point 750 yards south of the High-road leading from Breaston to Long Eaton, and thence south-west to the extreme southern point of Wilne Mills aforesaid, and also so much of the parish of Draycott aforesaid as lies to the south of the River Derwent at Wilne Mills, in the rural district of Shardlow, in the county of Derby;

and in other respects to amend the Long Eaton Gas Act, 1901, and to provide for the removal, purchase, acquisition or transfer of the mains of the Long Eaton Gas Company within the above described district.

2. To alter and extend the limits within which the Company may supply gas so as to include in addition to their existing limits the parishes of Castle Donington and Lockington, in the rural district of Castle Donington, in the county of Leicester, and the parishes of Shardlow and Great Wilne, and such portion of the parish of Draycott as lies south of the River Derwent at Wilne Mills, in the rural district of Shardlow, all in the county of Derby, and to enable the Company within such extended limits to break up and interfere with the streets and roads, bridges and highways, railways and tramways, sewers, drains and pipes, and to lay mains, and to have and exercise all or some of the powers and authorities which they now have or may exercise or may acquire under the intended Act within their existing limits or any parts thereof, and to demand, take and levy rates, rents and charges for or in respect of the supply of gas within such extended limits.

3. To transfer to and vest in the Company or to authorize and provide for the transfer to and vesting in the Company of the Undertaking of the Castle Donington Gas and Coke Company Limited (hereinafter called the "Limited Company") including all lands, works and easements and all real and personal property, rights, powers, privileges and authorities of the Limited Company as from such date and for such consideration and upon such terms and conditions as may have been or may be agreed upon between the Company and the Limited Company or their representatives or as may be prescribed or authorized by the intended Act, and to authorize the Company and the Limited Company or their representatives to enter into and carry into effect agreements in relation to the matters aforesaid or otherwise and to confirm any agreements entered into before the passing of the intended Act.

4. To empower the Company to maintain, extend or discontinue the mains and pipes of the Limited Company and to continue the existing gasworks upon the lands (a) hereinafter described, and from time to time to maintain, alter, improve, enlarge, extend and renew or discontinue the same together with additional and other gasworks, retorts, gasometers, receivers, drains, sewers, mains, pipes, machinery and other works and apparatus and conveniences, and on the lands (a), (b) and (c) hereinafter described to make, store and supply gas, and to manufacture, sell, provide, supply and deal in lime, coke, chemicals, tar, pitch, asphaltum, ammoniacal liquor and all other products or residuum of any materials employed in or resulting from the manufacture of gas and also meters, engines, stoves, fittings, tubes, pipes and other articles and things. The lands hereinbefore referred to are:—

(a) A piece of land containing 1 acre and 25 perches, or thereabouts, upon which or upon part of which the existing gasworks of the Limited Company are constructed, situate in the Spital in the parish of Castle Donington in the rural district of Castle Donington, forming part of the piece of land numbered 153 and 154 on the Ordnance Map, second edition, 1903, for the parish of Castle Donington, bounded, on the north by the

Spital, on the east by lands belonging or reputed to belong to the Misses Chapman, on the west by lands belonging to or reputed to belong to the Long Eaton Club, and on the south by lands belonging or reputed to belong to Edward Sutton, having a width on the northerly side of 381 feet, and on the southerly side of 344 feet, and a depth on the easterly side of 163 feet, and on the westerly side of 115 feet, or thereabouts, respectively.

(b) A triangular piece of land belonging or reputed to belong to the Company situate in the parish of Draycott in the county of Derby, containing 1,370 square yards, or thereabouts, forming part of the piece of land numbered 64 on the ~~1888~~ Ordnance Map, second edition, 1900, for the parish of Draycott, and bounded on the north by the property (c) hereinafter described, on the south and east by property of the Company and on the west partly by an occupation lane and partly by property of Henry Thompson.

(c) A piece of land belonging or reputed to belong to Ernest Jardine situate in the parish of Draycott in the county of Derby, containing 4 acres, or thereabouts, being the enclosure numbered 63 on the ~~1888~~ Ordnance Map, second edition 1900, and bounded on the north and east by property of Ernest Jardine, on the south partly by property of the Company, partly by the property (b) hereinbefore described and partly by the line of the Midland Railway Company and on the west partly by property of the Company and partly by property of Henry Thompson.

5. To empower the Company to purchase or acquire the lands (c) hereinbefore referred to compulsorily or by agreement, and to empower the Company to divert or stop up and extinguish all rights of way (if any) shown upon the plans to be deposited as hereinafter mentioned.

6. To provide for the consolidation and conversion of the existing ordinary capital of the Company into one class of stock with a uniform rate of maximum dividend, and for that purpose to increase the nominal amount of the capital of the Company, and to provide for apportioning the new stock among the holders of the existing ordinary capital.

7. To enable the Company to raise additional capital by the creation and issue of ordinary or preference stock or shares and by borrowing on mortgage or by the issue of debenture stock.

8. To make further provision in regard to the capital and borrowing powers of the Company and the application of their revenue, and to provide for the payment of half-yearly dividends, the closing of the transfer books of the Company provisions as to the declaration of half-yearly dividends, the increase of the Company's reserve fund and to provide for the formation and application of a renewal fund and other funds.

9. To authorize the Company in the case of sale of any new shares or stock by tender to give preference to existing holders of shares or stock or to employees of the Company or consumers of gas where the amounts offered by them and other persons are the same.

10. To empower the Company to lay down and maintain mains, pipes and apparatus in streets not dedicated to the public use and on highways and elsewhere for ancillary purposes.

11. To alter the prescribed illuminating power

of gas supplied by the Company and the prescribed apparatus and burner for testing the same, and to make further provision in regard to the quality and testing of the gas, the price to be charged by the Company for gas, and the discounts allowed by the Company for prompt payment for and large consumption of gas, and to repeal, alter and vary the provisions of the Draycott Gas Act, 1888, with respect to all or any of such matters.

12. To empower the Company to sell, let for hire, deal in, fix, repair and remove meters, engines, stoves, ranges, dynamos, motors, pipes and other apparatus, appliances and fittings, and to exempt the same from liability to distress and from being taken in execution or in bankruptcy or liquidation proceedings, and to provide that the same shall remain the property of the Company although fixed to the consumer's premises.

13. To make further provision in regard to the supply and consumption of gas and matters incidental to the Company's business, including the use of antifluators for gas engines, the giving of notices by consumers of their intention to leave premises supplied with gas, the exemption of the Company from penalties in certain cases and from liability to supply gas to any person in debt to them, the period for which allowances or surcharges shall be made in the case of meters found to be defective, the interest on money deposited with the Company on security, and to make other provisions for the supply of gas and the payment and recovery of gas and meter rents and charges, and to provide for the recovery of demands in the County Court.

14. To empower the Company to supply gas in bulk or otherwise to local authorities companies and persons beyond the Company's authorized limits of supply.

15. To confer further powers on the Company in regard to the purchase, holding and disposal of lands, and to authorize the Company to erect and maintain dwelling-houses for their employees and other buildings for the purposes of their undertaking.

16. To empower the Directors of the Company, without the sanction or direction of a general meeting, to engage secretaries, managers and other officers, and to determine the remuneration of such officers.

17. To make provision for enabling the Directors to hold offices under the Company, and to enter into contracts for the supply of goods to the Company or otherwise, and generally to make such provision as may be deemed necessary or expedient for the regulation and management of the affairs of the Company.

18. To authorize the Company to take, purchase, hold and use patent rights or licences or authorities under letters patent for the use of inventions relative to the manufacture, conversion, utilization or distribution of gas and residual products arising therefrom.

19. To make provision for prescribing and regulating the position, size and material of pipes and fittings to be laid between the Company's mains and the meter on consumers' premises, the position of meters, pipes and fittings in buildings and the inspection of meters, pipes and fittings and to prevent the use of pipes or fittings which do not comply with the Company's specifications.

20. To authorize the Company to make

application for a Provisional Order or licence to supply electrical energy under the Electric Lighting Acts.

21. To make provision with respect to the authentication of notices served by or on behalf of the Company.

22. The proposed Bill will confer upon the Company all such rights and privileges as may be deemed necessary for effecting the objects of the intended Act and all or any powers now usually conferred upon gas companies and will vary and extinguish all rights and privileges which would interfere with any of these objects.

23. To repeal, alter or amend so far as may be necessary or expedient for giving due effect to the several purposes and objects aforesaid or some of them or other the purposes of the Bill the provisions of the Long Eaton Gas Act, 1901, and the Draycott Gas Act, 1888, and to incorporate with the Bill or to re-enact with such variation, modifications and exceptions as may be expedient or to amend or repeal so far as may be necessary all or some of the provisions of the Companies Clauses Consolidation Act, 1845, the Companies Clauses Act, 1863, the Companies Clauses Act, 1869, the Lands Clauses Acts, the Gasworks Clauses Act, 1847, and the Gasworks Clauses Act, 1871.

24. Plans showing the lands and other property which may be taken under the powers of the intended Act, together with a book of reference to such plans containing the names of the owners and lessees or reputed owners and lessees and occupiers of such lands and other property, and a copy of this Notice as published in the London Gazette will, on or before the 30th day of November instant, be deposited with the Clerk of the Peace for the county of Derby at his office at Derby, and with the Clerk of the Shardlow Rural District Council at his office at Derby, and with the Clerk to the Draycott Parish Council at his office at Draycott.

Printed copies of the proposed Bill will on or before the 17th day of December next be deposited in the Private Bill Office of the House of Commons.

Dated this 12th day of November, 1907.

FISHGUARD AND ROSSLARE RAILWAYS AND HARBOURS.

(Additional Powers to Company as to Construction of Harbour Works and Railways and Acquisition of Lands and Stopping up of Footpaths at Goodwick; Common Lands; Abandonment of certain Existing and Authorized Harbour Works; Alteration and Extension of Limits of Harbour and Harbour Master's Authority; Application of Funds; Repeal of Fishguard Harbour Order, 1873; Amendment of Acts.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing session by the Fishguard and Rosslare

Railways and Harbours Company (hereinafter called "the Company") for an Act for the following purposes or some of them (that is to say):—

1. To empower the Company to make and maintain in the parish of Llanwnda, in the rural district of Haverfordwest, in the county of Pembroke, and in and on the foreshore and bed of Fishguard Bay adjacent thereto, the harbour and other works hereinafter described (that is to say):—

In substitution for the pier or breakwater authorized by the Fishguard and Rosslare Railways and Harbours Act, 1899, hereinafter referred to as "the Act of 1899"—

(1) A pier or breakwater commencing at a point on the seaward side of the road leading from Fishguard to Goodwick 18 chains or thereabouts south-east of the bridge carrying that road over the railway of the Great Western Railway Company and extending into the sea for a distance of 1 mile $1\frac{1}{2}$ chains or thereabouts in a north-easterly direction, and thence for a distance of 7 chains or thereabouts in a northerly direction and there terminating.

(2) An embankment for reclaiming portions of the foreshore and bed of the sea, commencing at a point in the south-eastern boundary of the Company's property 3 chains or thereabouts south-west of the boat-slip in the Harbour of the Company, and extending seawards in an easterly direction for a distance of 3 furlongs 1 chain or thereabouts, terminating at a point in the said intended pier or breakwater 38 chains or thereabouts from its commencement as hereinbefore described.

The following jetties or landing stages in substitution for the jetty or landing stage authorized by the Act of 1899 (that is to say):—

(3) A jetty or landing stage (No. 1) commencing at a point in the said intended embankment 10 chains or thereabouts from its commencement as hereinbefore described, and extending into the sea for a distance of 5 chains or thereabouts in a north-easterly direction and there terminating.

(4) A jetty or landing stage (No. 2) commencing at a point in the said intended embankment 21 chains or thereabouts from its commencement as hereinbefore described, and extending into the sea for a distance of 5 chains or thereabouts in a north-easterly direction and there terminating.

The following boatslip in substitution for the existing boatslip hereinbefore referred to (that is to say):—

(5) A boat-slip, commencing at a point in the said intended pier or breakwater 20 chains or thereabouts from its commencement as hereinbefore described, and extending into the sea for a distance of 2 chains or thereabouts in a south-easterly direction.

Together with all necessary approaches, roads, jetties, piers, wharves, quays, rails, sidings, sheds, buildings, warehouses, cranes, tips, machinery, mooring and other buoys, beacons, electric and other lights, water pipes, works and conveniences, all which piers or breakwaters, embankment, jetties or landing places, and works are hereinafter referred to as "the intended harbour works."

2. To authorize and empower the Company to

exercise all or some of the following powers (that is to say):—

To dredge, scour, cleanse, deepen and remove any rocks, banks, sand, mud or shingle within or adjoining the intended harbour works or the approaches thereto.

To deviate laterally or vertically from the lines and levels shown on the deposited plans and sections in constructing the intended harbour works and other works to such extent as may be authorized or prescribed by the intended Act, and whether within or beyond the limits prescribed by the Harbours, Docks and Piers Clauses Act, 1847.

To enclose and reclaim the portions of the foreshore and bed of the sea which will be bounded by (1) the said intended embankment, (2) the said intended pier or breakwater, (3) the public road leading from Fishguard to Goodwick, and (4) the south-eastern boundary of the Company's property, and to vest or provide for the vesting of the same in the Company.

3. To empower the Company to abandon and relinquish the construction of the pier or breakwater and the jetty or landing place authorized by the Act of 1899, and to abandon and discontinue and to remove the said existing boat-slip within the said harbour, and to extend and make applicable to the boat-slip to be authorized by the intended Act, with or without modification or amendment, all or some of the provisions, rights and powers of the Company now in force with respect to the existing boat-slip for which it is to be substituted.

In connection with the intended harbour works—

4. To empower the Company to make and maintain the railways and works hereinafter described with all proper and necessary stations, sidings, bridges, roads, works and conveniences connected therewith, all in the said parish of Llanwnda (that is to say):—

A Railway (No. 1) commencing by a junction with Railway No. 7, authorized by the Great Western Railway Act, 1903, at a point in the property of the Great Western Railway Company acquired for the construction of the said authorized railway, 5 chains or thereabouts east of the north-eastern corner of the field or enclosure numbered 372 on the 25-inch Ordnance Map (1st edition, 1889) of the said parish of Llanwnda, and terminating at a point 1 chain or thereabouts south-west of a point in the said road leading from Fishguard to Goodwick, 18 chains or thereabouts south-east of the bridge carrying that road over the railway of the Company.

A Railway (No. 2) commencing at the termination of the said intended Railway No. 1 as hereinbefore described and terminating at or near the termination of the said intended jetty or landing stage (No. 1) as hereinbefore described.

A Railway (No. 3) commencing at the termination of the said intended Railway No. 1 as hereinbefore described and terminating at or near the termination of the said intended jetty or landing stage (No. 2) as hereinbefore described.

For the purposes of the said intended railways or one or more of them it is proposed to purchase and take portions of certain lands in the said parish of Llanwnda which are or are reputed to be common or commonable lands and known

as Goodwick Moor and the area within the limits of deviation and estimated to be required to be taken amounts to 6 acres 3 roods and 20 perches or thereabouts.

5. To empower the Company to purchase and acquire by compulsion or agreement, and to hold lands (in which term, in this Notice, houses and buildings are included) or any estates or interests or easements in, over or under lands for the purposes of the said intended harbour works, railways and other works, and also to empower the Company to purchase and acquire by compulsion or agreement and to hold for those purposes and for the general purposes of their Undertaking the lands following or some of them, or any estate or interest in the same (that is to say):—

Certain lands in the said parish of Llanwnda, bounded by the eastern boundary fence of the lands acquired by the Great Western Railway Company for the construction of Railway No. 7, authorised by the Great Western Railway Act 1903, the said road leading from Fishguard to Goodwick and the road leading from Drim to Fishguard.

Certain other lands in the same parish lying between the said road and the foreshore and between points respectively about 2 chains and 23 chains southeast of the railway of the Company.

A portion of the said lands forms part of Goodwick Moor and is estimated to contain 16 acres and 3 roods or thereabouts, and to empower the Company in the said parish of Llanwnda to stop up and discontinue (1) the footpath leading from the road between Fishguard and Goodwick to the boat-slip in the Harbour of the Company between a point 7 chains or thereabouts from its junction with the said road and the said boat-slip and (2) the footpath leading from the said footpath to the road leading to Fishguard Bay Hotel and which crosses the Company's Railway by means of a footbridge, and in lieu of the said footpaths to make and maintain a new footpath along the south-eastern side of the said intended pier or breakwater between the said road and the said intended boat-slip.

6. To authorize the purchase and acquisition of part only of or of an easement in, over or under any property which may be required to be taken for the purposes or in the exercise of the powers of the intended Act without the Company becoming subject to the liability imposed by Section 92 of the Lands Clauses Consolidation Act, 1845.

7. To authorize the alteration, diversion, widening, crossing or stopping up of all roads, bridges, footpaths, railways, tramways, aqueducts, canals, ferries, watercourses, streams and rivers within or adjoining the before mentioned parish and place, and which it may be necessary or convenient to interfere with in the execution of the powers of the intended Act, and to provide that the Company shall not be liable under Section 46 of the Railways Clauses Consolidation Act, 1845, to repair or maintain the surface of any road which shall be carried over the intended railway by a bridge or bridges, or the immediate approaches thereto, except so far as the level of such road or approaches shall be permanently altered.

8. To extend and make applicable to the intended harbour works, with or without modification, all or some of the provisions of the

Fishguard Bay Railway and Pier Act, 1893, and any other Act or Acts relating to the Undertaking of the Company at Fishguard, or if thought fit to provide that some of such provisions shall not extend or apply to the intended harbour works, or to repeal all or some of such provisions, including the provisions relating to tolls, rates, dues and charges.

9. To empower the Company to levy tolls, rates, dues and charges on ships, vessels, boats and persons using the intended harbour works and the existing or authorised works of the Company at Fishguard (including the existing boatslip), or any part thereof, and upon goods or merchandise in such ships, vessels or boats, and to make provision for fixing, regulating, collecting and enforcing payment of the same, and to alter existing and, if deemed expedient, to levy fresh tolls, and to increase tolls, rates, dues and charges, and to confer, vary or extinguish exemptions from such tolls, rates, dues and charges and other rights and privileges, and to alter, extend and define the limits of the harbour of the Company at Fishguard so as to include within those limits, for the purposes of tolls, rates, dues and charges and all other purposes whatsoever, the existing harbour and harbour works of the Company and the intended harbour works and the area below high-water mark included within the line of high-water mark and three imaginary lines drawn as follows (that is to say):—

(1) An imaginary straight line drawn through Saddle Point from the junction at Fishguard Gate of the roads leading respectively from Haverfordwest and Manor Owen to Fishguard Village and extending seawards for a distance of 1,600 yards from Saddle Point.

(2) An imaginary straight line drawn from the termination of the first mentioned straight line in a north-westerly direction to the northernmost of the rocks known as the Cow and Calf.

(3) An imaginary straight line drawn from the said northernmost rock in a south-westerly direction to the nearest point of the mainland at Pen Cw.

10. To empower the Company to levy tolls, rates and charges in respect of the said intended railways and other works and the traffic thereon and to alter existing tolls, rates and charges, and to confer, vary or extinguish exemptions from the payment of tolls, rates and charges.

11. To make provision for the management, use, regulation and protection of the intended harbour works and the said existing or authorized works, the regulation and control of vessels resorting thereto, and the lying of vessels, ships and craft in, along, at or near to the intended harbour works and the said existing or authorized works, and for appointing and dismissing and regulating the powers and duties of harbour masters, meters, weighers and other officers, and to extend and define the limits within which such provisions shall be in force, and the powers of such harbour masters and other officers shall be exercised so as to include the existing harbour and harbour works of the Company at Fishguard and the intended harbour works, and also the area below high water mark included within the line of high water mark and two imaginary lines drawn as follows (that is to say):—

(1) An imaginary straight line drawn true east from the coastguard lookout at Carn coed, and

(2) An imaginary straight line drawn true north from the centre of Parc-y-Morfa beacon or rock:

and to empower the Company to make and enforce bye-laws in relation to all or any of the matters aforesaid and to exercise all such powers as are usual in the case of harbour or dock companies, and to incorporate with the intended Act and make applicable to the Company and to the said intended harbour works the provisions of the Harbours Docks and Piers Clauses Act, 1847, with such exceptions and modifications as may be provided by the intended Act.

12. To authorize the Company to provide, manage and regulate warehouses and to undertake the warehousing of goods, the discharging of goods and ballast from vessels, the supply of water, gas and electric light for ships' use and for other purposes, and to make and recover charges, to issue dock warrants and freight warrants, and to build, purchase, hire, let and charge for steamers, tug boats and lighters.

13. To empower the Company to apply to the purposes of the intended Act or some of them such portion of their corporate funds as they shall deem expedient.

14. To repeal the Fishguard Harbour Order, 1873, confirmed by the Pier and Harbour Orders Confirmation Act, 1873.

15. To vary or extinguish all existing rights and privileges which would in any manner impede or interfere with any of the purposes or objects of the intended Act, and to confer other rights and privileges.

16. To alter, amend and extend or repeal all or some of the powers and provisions of the several Acts hereinbefore mentioned in this Notice, and also of the several Acts (local and personal) following or some of them (that is to say):—

The Acts 56 & 57 Vict., c. 97, and 57 & 58 Vict., c. 137, and any other Act or Acts relating to the Company.

And notice is hereby given, that maps plans and sections relating to the objects of the intended Act, together with books of reference to such plans, and also a copy of the Notice of the intended application to Parliament as published in the London Gazette, will, on or before the 30th day of November in the present year, be deposited with the Clerk of the Peace for the county of Pembroke at his office at Haverfordwest, and with the Clerk to the Rural District Council of Haverfordwest at his office at Haverfordwest, and with the Clerk of the Parish Council of the parish of Llanwnda at his residence.

And notice is hereby also given, that on or before the 17th day of December next printed copies of the intended Act will be deposited in the Private Bill Office of the House of Commons.

17. To make further provision in regard to slaughter-houses in the borough, and with reference to the following, amongst other matters :—the prohibition of the use of slaughter-houses other than those of the Corporation, and the payment of compensation; the construction and maintenance of refrigerators and cold-air stores by the Corporation; the taking of charges for the use thereof, the making of bye-laws with respect thereto, and the leasing thereof.

18. To empower the Corporation to deviate

laterally and vertically from the lines and levels of the intended works shown on the deposited plans hereinafter mentioned to the extent to be shown on the said plans or to be defined in the intended Act.

19. To authorize the Corporation to break up, cross, alter, widen, narrow, divert, stop up (either temporarily or permanently) and interfere with streets, roads, highways, carriageways, footpaths, watercourses, sewers, drains, pavements, mains, pipes, telegraphs, telephones and apparatus within the parishes and borough aforesaid for the purpose of constructing and maintaining the proposed works, or any of them, or otherwise for the purposes of the intended Act.

20. To empower the Corporation for the purposes of the proposed works and for the purpose of providing space for the erection of buildings adjoining or near to any street and other purposes of the intended Act or of or connected with the water undertaking of the Corporation to appropriate or to purchase or acquire by compulsion or agreement or to take on lease lands, houses or buildings in the parishes and borough aforesaid, and to acquire by compulsion or agreement rights or easements in, over or connected with any lands, houses and buildings.

21. To exempt the Corporation from the operation of section 92 of the Lands Clauses Consolidation Act, 1845, so as to enable them to purchase compulsorily part only of certain properties without being compellable to take the whole.

22. To enact special provisions for determining the purchase money and compensation payable in respect of lands and property required for the purposes of the intended Act, and amongst other things in the following respects:—For taking into account the increased value of any lands retained by the claimants by reason of the proposed works, for limiting the amount of purchase money or compensation in the case of recent buildings or alterations or recently created interests therein, and as to the payment of costs in certain cases of disputed compensation by persons failing to send in sufficient particulars of their claims.

23. To authorize the Corporation to hold any lands which they may acquire under the authority of the intended Act free from the provisions of the Lands Clauses Consolidation Act, 1845, with respect to superfluous lands, and in other respects to modify the provisions of the Lands Clauses Acts in their application to the Corporation, and to confer powers upon the Corporation with reference to the acquisition, retention and disposal of lands and with reference to entering into agreements and the execution of works for preserving the purity of the water taken by the Corporation.

24. To provide for the stopping up and discontinuance as public highways of and for the extinction of all public and private rights of way over any streets, roads or footpaths situate on any of the lands to be acquired by the Corporation, and particularly so much of the existing road in the parish of Llanddetty leading between Pontsticill Bridge and the farm buildings known as Aber-Criban, and of the existing road between Garn Pontsticill and Pentwyn Inn in the parishes of Vaynor and Llanddetty and of the existing road in the parish of Llanddetty leading between the last aforesaid existing road and the under bridge of the Brecon and Merthyr Railway immediately south-east of Dol-y-Gaer station as will be rendered unnecessary by the construction of the intended Works Nos. 2, 3 and 4.

25. To make provision with regard to the

road diversions to be constructed under the powers of the intended Act and the repair and maintenance thereof by and at the expense of the authorities or persons by whom the existing roads are repairable, and to make provision with regard to the bridges and roads to be constructed under the powers of the intended Act, and to enable the Corporation and the Breconshire County Council to enter into and carry into effect agreements with regard to any of the matters aforesaid, and to confirm any such agreements entered into before the passing of the intended Act.

26. To make provision relative to the removal of the remains of deceased persons in the St. Tydfil's churchyard.

27. To vary and extinguish all existing rights and privileges which would or might in any way prevent, interfere with or delay the accomplishment of any of the objects of the intended Act, and to confer other rights and privileges.

28. To authorise the Corporation to borrow money for the construction of the intended waterworks, street works, recreation grounds, library, destructor and other works and buildings, and the purchase of lands and interests therein, and for such other purposes as may be indicated in the intended Act, and to charge the moneys so borrowed on the borough fund and borough rate, the district fund and general district rate, or other local rates, and the estates, undertakings, tolls, rates, rents, revenues and other property of the Corporation, or any of such securities, and to execute, grant and issue mortgages, stock, debentures and annuities in respect thereof.

29. To make further provision in regard to the borrowing and repayment of money by the Corporation, to empower them to invest all or any of their sinking funds in statutory securities including securities of local authorities; to use one form of mortgage for all purposes, charging the loans upon all revenues, rates and property of the Corporation; and to give them power to use any sinking fund instead of borrowing, and to make provision for equating the periods for the repayment of loans.

30. To alter, amend, repeal, re-enact or extend, with or without modification, all or some of the provisions of the following local Acts and Orders or public Acts of a local character:—The Merthyr Tydfil Waterworks Act, 1852; the Merthyr Tydfil Water Act, 1858; the Merthyr Tydfil Water Act, 1855; the Merthyr Tydfil District Council Waterworks Act, 1895; the Merthyr Tydfil Urban District Council Act, 1903; and all other Acts and Orders relating to the Corporation or the borough.

31. To incorporate and apply, with or without modification, or to render inapplicable, all or some of the provisions of the following public Acts:—The Municipal Corporations Acts; the Public Health Acts; the Lands Clauses Acts; the Waterworks Clauses Acts, 1847 and 1863; the Arbitration Act, 1889; the Railways Clauses Consolidation Act, 1845; the Local Loans Act, 1875; and all Acts amending those Acts respectively.

Plans and sections of the intended works, and plans of the lands intended to be taken for the purposes of the Act, together with books of reference to the plans, and copies of this Notice as published in the London Gazette, will, on or before the 30th day of November instant, be deposited for public inspection with the Clerk of the Peace for the county of Glamorgan, at his office in Cardiff, and with the Clerk of the Peace for the county of Brecknock, at his office in

Brecon, and on or before the same date so much of the said plans, sections and book of reference as relates to each of the several areas hereinafter mentioned, together with a copy of the said Notice, will be deposited as follows:—

TENTERDEN CORPORATION GAS.

(Authorizing the Corporation of Tenterden to Supply Gas; Purchase by Compulsion or Agreement of the Undertaking of the Tenterden and District Gas Company Limited; Vesting of same in the Corporation; Additional Powers relating to Gas Supply; Maintenance and Improvement of Works; Supply in Bulk; Meters, Fittings and Apparatus; Winding up and Dissolution of Company; Borrowing Powers; Incorporation, Amendment and Repeal of Acts.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session by the Mayor, Aldermen and Burgesses of the borough of Tenterden, in the county of Kent (hereinafter referred to as "the Corporation") for an Act for all or some of the following purposes (that is to say):—

1. To authorize the Corporation to supply gas for all public and private purposes within the borough of Tenterden and the rural district of Tenterden in the county of Kent, or such other limits as may be prescribed by the intended Act.

2. To empower the Corporation to purchase by compulsion or agreement the undertaking, rights, powers and properties of the Tenterden Gas Company recently re-incorporated as the Tenterden and District Gas Company Limited (hereinafter called "the Company"), to provide for the transfer to and vesting in the Corporation of the said undertaking, rights, powers and properties, for the application of the purchase money and the payment of the Company's debts, for the redemption or extinction of any mortgages, debentures and debenture stock of the Company and for the winding up and dissolution of the Company, and to confirm

and make all necessary provision for carrying into effect any agreement between the Company and the Corporation entered into prior to the passing of the intended Act for the sale and purchase of the undertaking or otherwise in relation to the matters aforesaid.

3. To provide for the settlement by arbitration (in default of agreement) of the amount of purchase money or compensation for and the terms and conditions of the transfer to the Corporation of the Company's undertaking, rights, powers and properties and for the settlement of all other questions in relation to or connected with the transfer.

4. To provide for the maintenance and carrying on of the Undertaking until the transfer thereof to the Corporation to limit the powers of the Company in regard to the entering into contracts and raising of capital and in other respects to define and limit their powers.

5. To authorize the Corporation to carry on the gas undertaking acquired by them and to construct, erect, lay down, provide, maintain and from time to time enlarge, improve, alter, renew or discontinue gasworks upon the lands hereinafter described and upon such lands to manufacture and store gas and materials employed in or about the manufacture of gas, and to convert and manufacture and store all or any products resulting or arising from the manufacture of gas. The lands hereinafter referred to are as follows:—All the lands, tenements and hereditaments situate in Gas-lane, Tenterden, now used and occupied by the Company for the purposes of their works and being the enclosures numbered 352 and 353 on the Ordnance Map (scale 1:2500, second edition 1898) of the parish of Tenterden.

6. To make provision in regard to matters incidental to the gas undertaking of the Corporation (including the following):—The price, pressure, quality and testing of gas; the regulation of pipes and fittings on consumers' premises; the provision of anti-fluctuators; the period of error in defective meters; the laying down of pipes in streets not dedicated to the public; the exemption of the Corporation from liability to supply gas to persons in debt to them in respect of other property, and from liability to penalties in cases of unavoidable accidents; the payment of interest on deposits; the service of notices; the acquisition of patent rights; the allowance of discounts; the imposition, recovery and application of penalties, and to require gas consumers to give notice before removing.

7. To empower the Corporation to sell and let on hire or otherwise deal in, fix and repair meters, pipes, fittings, engines, dynamos, lamps, electric lines, motors and other apparatus incidental to the supply, use or consumption of gas and to exempt the same from liability to distress or to be taken in proceedings in bankruptcy.

8. To authorize the Corporation to purchase and take on lease, lands, houses and buildings and to hold, sell and dispose of same, notwithstanding the provisions of the Lands Clauses Acts, and to erect and maintain dwelling-houses for persons in their employ.

9. To empower the Corporation to levy and recover rates, rents and charges for the supply of gas and for the sale and hire of meters, stoves and fittings and to alter the existing rates, rents and charges.

10. To empower the Corporation and any local authority, company or person within or beyond

the limits of the intended Act to enter into and fulfil contracts and agreements in relation to the supply of gas by the Corporation in bulk or otherwise.

11. To authorize the Corporation to borrow money for all or any of the purposes of the intended Act and for other purposes, and to charge the moneys so proposed to be borrowed and the interest thereon on the revenue of the gas undertaking of the Corporation and on the borough fund and borough rate or on the district fund and general district rate or other local rates, and the estates and undertakings, tolls, rents, revenue and other property of the Corporation or any of such securities, and to execute and grant mortgages, debentures, debenture stock and annuities in respect thereof, and to authorize the Corporation to apply any of their funds and rates or any money borrowed or authorized to be borrowed under former Acts to all or any of the purposes of the intended Act and to extend the powers of the Corporation in regard to borrowing under the Public Health Act, 1875, and to provide for the application of the revenue from the gas undertaking, and to provide for any deficiency being made good out of the surplus of the revenue of the gas undertaking or out of the general district rate, and to provide for the formation and application of a reserve fund.

12. To incorporate with or without alterations and amendments and to apply, amend, alter or repeal all or some of the provisions of the several Acts of Parliament following or some of them (that is to say) :—

The Lands Clauses Acts; the Gas Works Clauses Act, 1847; the Gas Works Clauses Act, 1871; the Local Loans Act, 1875; the Arbitration Act, 1889 and all Acts amending the said Acts respectively or any of them.

13. To vary or extinguish all rights, privileges and exemptions inconsistent with or which would or might in any way interfere with the objects of the Bill and to confer other rights, privileges and exemptions.

Printed copies of the Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

Dated this 12th day of November, 1907.

2. To vest in the Company all the Undertaking, works, land, property, stock, plant, interests, rights, powers, privileges, easements, leases, licenses and agreements and benefits of licenses and agreements of or held in trust for the Limited Company.

3. To declare, define, classify and regulate the Undertaking, capital and borrowing powers of the Limited Company, and to provide for the conversion of such capital into new shares or stock (ordinary or preferential, or both) and to attach to any such preference stock or shares such rights, privileges and priorities as the Bill may authorize or prescribe, and the vesting thereof among the shareholders of the Limited Company, and to provide for the capitalisation of moneys expended by the Limited Company on capital account out of revenue, and to sanction, confirm and validate if and so far as may be deemed expedient the allotment, issue or granting of any shares, stock, mortgages or debenture stock of the Limited Company, and to authorize the application to the purposes of the Bill or any of the purposes of the Company of any money which the Company may be by the Bill authorized to raise, and to authorize the Company to raise further money by the creation and issue of shares and stock (ordinary or preferential, or both) and by borrowing on mortgage or otherwise, and to create and issue debenture stock and to provide for and require the acceptance by the holders of shares, stock and securities in and of the Limited Company of shares, stock

or securities in and of the Company in exchange for those now held by them, and to make provision for the regulation and management of the affairs and proceedings of the Company, and to prescribe the time for holding general meetings, the quorums for such meetings and for meetings of directors, the scale of voting at such general meetings and the number of directors and their qualification, and to make provision with respect to giving of notice of the candidature of persons to be directors, for the balancing of the Company's books, the making of interim dividends at limited rates or otherwise, the closing of the Company's transfer and other books and the appointment and qualification of auditors.

4. To enable the Company to hold and use for the purposes of their Undertaking and of the Bill the lands hereinafter described, and in and upon such lands to maintain and continue the existing gasworks and works connected therewith, and on such lands or some part thereof to construct, erect and maintain, alter, enlarge, extend, improve and renew or discontinue gasworks and works for the storing of gas and for the conversion or utilization and distribution of materials used in and about the manufacture of gas and of residual products resulting from such manufacture, and to manufacture, produce, store, supply and sell gas, and to manufacture, store, convert, utilize, buy, sell and dispose of coke, coal, patent fuels, tar, lime, pitch, asphaltum, ammoniacal liquor, oil and other residual and manufactured products, matters and things.

The lands now used by the Limited Company for the purposes of manufacture and storage of gas and residual products are the following (that is to say) :—

(a) That piece of land situate in the parish of Southwell, in the rural district of Southwell, in the county of Nottingham, containing 6,398 square yards, or thereabouts, belonging or reputed to belong to the Limited Company, and on which existing gasworks are erected, bounded on the north by property of Henry Sleight Hedderley, on the south by a footroad leading from Easthorpe-street to Crewe-lane, on the east by Crewe-lane and on the west by Easthorpe-street.

(b) The piece of land situate in the parish of Farnsfield, in the rural district of Southwell, in the county of Nottingham, containing 3,204 square yards, or thereabouts, belonging to or reputed to belong to the Limited Company and on which existing gasworks are erected, bounded on the north by a public passage or footway, on the east by property of Mrs. Jane Cook, and on the south and west by Quaker-lane.

5. To authorize the Company to purchase, hold, sell, let or dispose of lands, houses, tenements and hereditaments within the limits of supply, as hereinafter defined, for the purposes of their Undertaking, and easements, rights and privileges therein; thereover or thereunder, and to erect and take on lease dwelling-houses for persons in the employ of the Company and offices, show rooms and other buildings.

6. To empower the Company to supply gas for public and private purposes to and within the township and parish of Southwell and the parishes of Farnsfield, Halam, Edingley, Kirklington, Winkburn, Hockerton, Hal-longton, Bleasby, Fiskerton-cum-Morton, Upton, Staythorpe, Rolleston and parts of the parishes

of Rufford, Bilsthorpe, and Averham, in the rural district of Southwell and the parishes of Haywood Oaks and Blidworth, in the rural district of Skegby, all in the county of Nottingham, or to or within such parts of those limits as the Bill may define.

7. To authorize the Company to maintain, alter and renew or take up and discontinue any existing mains, pipes, pillars and other works of the Limited Company, and to lay down, make and maintain and from time to time renew or discontinue new or additional mains, pipes, pillars and other works in, along, through, over and under, and for those purposes and any other purposes in connection with their Undertaking to open and break up, cross, alter or stop up all roads, highways, streets, pipes, sewers, canals, navigations, rivers, streams, bridges, railways and tramways within the limits above defined for the supply of gas and all the powers that may be acquired by the Company under the intended Act.

8. To authorize the Company to manufacture, purchase, hire, let or sell and deal in, fit up or repair meters, fittings and other apparatus for supplying or measuring gas and engines, dynamos, motors, stoves, pipes and other apparatus for warming, lighting, cooking and for motive power and other purposes, and to provide materials and execute and do any work or services in connection therewith, and to exempt any such fittings and apparatus from distress and make special provision for securing the safety and return thereof to the Company.

9. To demand and take and recover rates, rents and charges, differential or otherwise, and to allow discounts or rebates thereon for or in respect of the supply of gas, and for the sale or hire of gas meters, fittings, stoves, engines and other apparatus and for services performed by the Company, and to confer, vary or extinguish exemptions from the payment of any such rates, rents and charges, and to confer, vary and extinguish other rights and privileges.

10. To take, purchase, hold and use patent rights or licenses or authorities under letters patent for the use of inventions relative to the manufacture, conversion, utilisation or distribution of gas and of such materials and residual products as aforesaid.

11. To enter into and carry into effect contracts and arrangements for the supply of gas in bulk or otherwise for any purpose whatsoever with any corporation, county council, local or sanitary authority, railway company or any other company, body or person within or beyond the limits of supply of the Company, and from time to time to vary, suspend or rescind any such contracts or arrangements and make others in lieu thereof or in addition thereto, and the Bill will confer all necessary powers in that behalf upon all such corporations, authorities, companies, bodies and persons, and will or may enable all parties to any such contracts or arrangements to apply for the purposes thereof any funds or moneys and raise additional funds by rates or otherwise, and the Bill will sanction and confirm any agreements already made or which prior to the passing of the Bill may be made touching the aforesaid matters or any of them.

12. To fix the illuminating power of the gas to be supplied by the Company and to provide for the testing of gas.

13. To confer powers on the Company with respect to the creation of reserve and insurance

funds and to make provision as to the rate of dividend to be paid on the various classes of shares or stock in the capital of the Company, and to provide that such rate may vary from time to time on a sliding scale in accordance with the price for the time being charged for gas, and to authorize the Company out of revenue to provide a fund for the renewal and repair of their works, mains and pipes.

14. To make special provision with reference to the supply of gas for manufacturing purposes, to notices of discontinuance of a supply of gas and for securing the payment of gas rates and for the prepayment thereof in certain cases and with respect to the quality, pressure, registration and measurement of gas and the testing of meters, the refusal to supply gas to persons in debt to the Company and deposits made with the Company and the interest thereon, the inspection of fittings, service pipes and other apparatus and the prohibition of the use of improper or insufficient fittings and with respect to the use of anti-fluctuating meters and to confer upon the Company the same powers of laying down and maintaining mains, pipes and apparatus in roads not dedicated to the public and on highways and elsewhere for ancillary purposes as are conferred by the Gasworks Clauses Act, 1847, in respect of public roads and the recovery of demands in the county court, and to empower the directors to determine the remuneration of the secretary of the Company.

15. To make provision for limiting the period at or during which errors in meters tested in manner provided by the Sale of Gas Act, 1859, shall be deemed to have arisen and for defining or ascertaining the amount and providing for the recovery of the allowances to be made to or by the Company in case of any such errors.

16. To empower the Company to make and enforce regulations as to the sale and price of gas supplied by means of slot meters and as to the price, terms and conditions of such meters and the fittings connected therewith.

17. To authorize the Company to make application for an Act of Parliament, Provisional Order or licence to supply electrical energy under the Electric Lighting Acts, 1882 and 1888.

18. To incorporate with the said Bill and apply as well to the mains, pipes and works of the Limited Company laid down or constructed before the passing of the Bill as to all mains, pipes and works which may be laid down or constructed under the authority of the Bill, with such variations and exceptions as may be found necessary, all or some of the provisions of the Companies Clauses Acts, 1845 to 1889; the Gasworks Clauses Acts, 1847 and 1871; and the Lands Clauses Acts, and the Bill will confer upon the Company all other powers, rights and privileges necessary for the carrying into effect the objects of the Bill, and will vary and extinguish all existing rights and privileges, and will or may amend the provisions of any Act now in force within the said limits so far as may be necessary or expedient for carrying into effect the purposes of the Bill.

19. To make provision with respect to the working of mines and minerals lying under any lands, pipes or works of the Company from time to time situate within the limits aforesaid for the supply of gas, and with respect to the inspection of such mines and minerals and prohibition of the working of the same and the payment of compensation in respect thereof, and the liability

of owners, lessees or occupiers of any such mines or minerals for damage to works, mains, electric lines and pipes of the Company, and if and so far as may be thought fit to extend and apply to the lands, works, mains and pipes of the Company and to the Company, and whether with or without modification or amendment, all or any of the provisions of the Waterworks Clauses Act, 1847, with respect to mines.

20. To vary or extinguish all existing rights and privileges which would or might in any way prevent or interfere with any of the objects of the Bill, and to confer other rights and privileges.

Printed copies of the Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December, 1907.

Dated this 12th day of November, 1907.

KNOTT END RAILWAY.

(Construction of New Railways in the County Palatine of Lancaster; Deviation and other Incidental Powers; Compulsory Acquisition of Lands; Amendment of Section 92 of the Lands Clauses Consolidation Act, 1845; Tolls, Rates and Charges; Provision as to Working Railways as Light Railways; Extension of Time for Completion of Railway and Works authorized by the Knott End Railway Act, 1898, and for Payment of Interest during Construction, and other Provisions as to said Interest; Acquisition and Vesting in the Knott End Railway Company of the Undertaking of the Garstang and Knot End Railway Company; Cancellation of Shares; Application of Purchase Money and Winding up and Dissolution of that Company; Working and other Agreements with the London and North Western Railway Company; Confirmation of Agreements; Additional Capital and Borrowing Powers; Interest out of Capital during Construction; Incorporation and Amendment of Acts; and other Purposes.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session for leave to bring in a Bill (hereinafter called "the Bill") for all or some of the following among other purposes (that is to say):—

To authorize the Knott End Railway Company (hereinafter called "the Company") to make and maintain the railways hereinafter described or one of them or some part or parts thereof, with all proper works, approaches, passages, stations, platforms, junctions, sidings, bridges, roads, buildings and conveniences connected therewith (that is to say):—

A Railway No. 1, commencing in Stakepool, in the parish or township of Pilling, in the County Palatine of Lancaster, by a junction with the railway authorized by the Knott End Railway Act, 1898, at a point on that railway distant 156 yards, or thereabouts, from the west end of the station-master's house of the Garstang and Knot End Railway at Pilling Station, measured along the said authorized railway in a westerly direction

from the said station-master's house and terminating at Galgate, in the parish or township of Ellel, in the County Palatine of Lancaster, at a point in the boundary fence on the south side of the approach road at Galgate Station on the London and North Western Railway, the said point being distant 40 yards, or thereabouts, from the centre of the public road leading from Preston to Lancaster, measured in an easterly direction along the south fence of the said approach road, which said intended Railway No. 1 will pass from, in, through or into the parishes, townships and places following or some or one of them (that is to say): The parishes or townships of Pilling, Cockerham, Thurnham and Ellel, all in the County Palatine of Lancaster.

A Railway No. 2, wholly in the parish or township of Ellel and County Palatine of Lancaster, commencing by a junction with Railway No. 1 hereinbefore described, at a point in Field No. 376 on the Ordnance Map (first edition 1891) for the parish or township of Ellel, distant 72 yards, or thereabouts, north-westwards from the level crossing of the London and North Western Railway, situated 410 yards, or thereabouts, to the south of the boundary fence on the south side of the approach road to Galgate Station and terminating by a junction with the main line of the London and North-Western Railway at a point distant 183 yards, or thereabouts, from the aforesaid boundary fence measured in a southerly direction along the said main line.

To authorize the Company to deviate laterally from the lines of the intended railways and works to the extent shown on the plans hereinafter mentioned or as may be provided by the Bill, and also to deviate vertically from the levels shown on the sections hereinafter mentioned.

To empower the Company to cross, stop up, alter, appropriate, divert or otherwise interfere with, temporarily or permanently, all such roads, streets, places, footpaths, highways, bridges, railways, sidings, tramways, canals, rivers and streams, pipes, sewers, drains, telegraphic or electric wires, posts and apparatus within the aforesaid parishes or townships as it may be necessary or expedient to cross, stop up, alter, divert or otherwise interfere with for the purposes of the said intended railways and works.

To authorize the Company to purchase, lease or otherwise acquire, either compulsorily or by agreement, and to enter upon, take and use, temporarily or permanently, lands, houses and other property for the purposes of the said intended railways and works and of the Bill, and also easements and rights in or over or upon lands and other property.

To authorize the Company to purchase and take by compulsion, notwithstanding section 92 of the Lands Clauses Consolidation Act, 1845, a part or parts of any house, building or manufactory without being required or compelled to purchase the whole thereof.

To enable the Company to levy, demand, take and recover tolls, rates, duties and charges upon or in respect of the said intended railways and works, and the conveyance of traffic thereon, and to alter existing tolls, rates, duties and charges, and to confer, vary or extinguish exemptions from tolls, rates, duties and charges.

To declare and enact that the said intended

railways and works shall form part of the undertaking of the Company for all intents and purposes, and to apply thereto all or some of the provisions of the Acts relating to the Company including the provisions of those Acts relating to tolls, rates, duties and charges.

To provide that the said railways may be constructed and worked as light railways, and to apply the provisions or such of the provisions of the Regulation of Railways Act, 1868, or the Light Railways Act, 1896, so far as may be necessary as to the crossing of roads on the level limiting the speed of engines and otherwise in such manner as the Bill may prescribe.

To extend the time limited by the Knott End Railway Act, 1898, as extended by the Knott End Railway (Extension of Time) Acts, 1903 and 1906, for the completion of the railway and works described in and authorized by the said Act of 1898 and for payment of interest out of capital during construction, and to make other provision as to the said interest.

To enable the Company to purchase the undertaking of the Garstang and Knot End Railway Company (hereinafter called "the Garstang Company") either compulsorily or upon such terms and conditions as may have been or may be agreed upon or as may be fixed by arbitration or as may be prescribed by the Bill, and to empower the said companies to enter into and carry into effect agreements with respect to such sale or purchase, and to confirm or give effect to any such agreements which may have been or may be entered into prior to the passing of the Bill and with or without modifications thereto.

To transfer or to provide for the transfer of the undertaking of the Garstang Company to the Company and the vesting thereof and all its property, rights, powers, authorities and privileges in the Company freed from its debts, obligations and liabilities, and to provide if deemed expedient for the exercise and fulfilment by the Company in their own name and under the hands of their directors, officers and servants of all the rights, powers, authorities, privileges and obligations of the Garstang Company whether with reference to the acquisition of lands, the construction and maintenance of works, the levying of tolls, rates and charges, the granting or issuing of mortgages or bonds, the raising of money or otherwise.

To provide if deemed expedient for the cancellation of the shares or stock of the Garstang Company and if thought fit the issue of shares or stock of the Company in lieu thereof.

To provide for the winding up of the Garstang Company under the Companies Acts or in such other manner as may be prescribed by the Bill and for the dissolution of that Company, and to provide that the shareholders or stockholders of the Garstang Company shall not be shareholders or stockholders of the Company or have any right or claim against the Company or the undertaking of the Garstang Company and that the officers of the Garstang Company shall not be or become officers of the Company.

To make further and other provisions with respect to the application and distribution of any moneys, shares, stocks or securities or other consideration to be paid or transferred to or received by the Garstang Company or to or by any person or persons on their behalf in the event of a sale to the Company and if deemed expedient to provide for the payment thereof of any mort-

gages, debenture stock, debts and other liabilities of the Garstang Company, and to provide for and to require the acceptance of the holders of the different classes of shares, stocks and debenture stocks and other securities of the Garstang Company of the moneys, shares or securities to be so paid and transferred or such part or parts thereof as may under the Bill be payable or transferable to such holders and in such proportions or otherwise as the Bill may prescribe, authorize or provide.

To empower the Company on the one hand and the London and North-Western Railway Company on the other hand from time to time to enter into and carry into effect contracts and agreements with respect to the working use, management and maintenance of the said railways and works of the Company and of the Garstang Company or any part or parts thereof and the collection, management, regulation, interchange, transmission and delivery of traffic upon or coming from or destined for the railways of the contracting companies and the supply of engines, rolling stock, wagons and plant and of officers and servants for the conveyance and conduct of traffic on the said railways and the fixing, collection, payment, division, appropriation and distribution of the tolls, rates, charges, income and profit arising from such traffic and the payments, allowances, drawbacks or rebates to be made, and to authorize the appointment of a joint committee or committees for the purposes of any such agreement or of the Bill, and to vest in and delegate to such committee or committees the necessary powers for the purposes aforesaid.

To sanction or confirm any contracts or agreements which previous to the passing of the Bill may be entered into touching any of the matters aforesaid, and if deemed expedient to embody such contracts or agreements in the provisions of the Bill.

To authorize the Company to apply for the purposes of the Bill any of their existing or authorized capital or funds, and for such purposes and the general purposes of their undertaking or other purposes to which they are empowered to apply their funds to raise additional capital by the creation of new shares or stocks, either with or without preference priority or guarantee in payment of interest or dividend or other special privileges and by borrowing on mortgage and the creation and issue of debenture stock and either wholly or partially as part of their general share and loan capital or a separate share and loan capital charged primarily or exclusively on the said intended railways and works, and the tolls, rates and charges received upon or in respect thereof.

To enable the Company, out of the moneys to be raised by them under the powers of the Bill, to pay interest to the shareholders of the Company during the construction of the said intended railways and works on the sums which may be from time to time paid on the shares allotted to them in the capital raised under the Bill, anything in the Companies Clauses Consolidation Act, 1845, or any other Act to the contrary notwithstanding.

To incorporate with and make applicable to the Bill all or some of the provisions of the Companies Clauses Acts, 1845 to 1889; the Lands Clauses Consolidation Acts, 1845, 1860, 1869 and 1883; the Railways Clauses Consolidation Act, 1845; the Railways Clauses Act,

1863; the Regulation of Railways Act, 1868; the Light Railways Act, 1896; or any Act amending any such Acts and other necessary Acts, with such variations, modifications and exceptions (if any) as may be deemed expedient or as may be contained in the Bill.

To alter, vary, amend, extend and enlarge and if need be to repeal so far as may be necessary for the purposes of the Bill all or some of the provisions of the following Acts (that is to say):—The Garstang and Knot End Railway Act, 1864, and all other Acts relating to the Garstang Company; the Knott End Railway Act, 1898, and all other Acts relating to the Company; the Act 9 and 10 Vict., cap. 204, and all other Acts relating to the London and North Western Railway Company; and all other Acts, Orders, deeds, charters and instruments which it may be necessary or expedient to alter, amend, extend or repeal for the purposes of the Bill.

The Bill will vary and extinguish all rights and privileges which would in any manner impede or interfere with its objects, will confer other exemptions, rights and privileges, and will contain all such provisions as may be necessary or incidental to its objects.

Duplicate plans and sections describing the lines, situation and levels of the intended railways and works, and the lands, houses and other property in or through which the same will be made or which may be taken for the purposes of the Bill, together with a book of reference to such plans containing the names of the owners and lessees or reputed owners and lessees and the occupiers of such lands, houses and other property, and an Ordnance Map with the lines of the intended railways delineated thereon so as to show their general course and direction and also a copy of this Notice as published in the London Gazette will, on or before the 30th day of November instant, be deposited for public inspection with the Clerk of the Peace for the County Palatine of Lancaster at his office at Preston, and on or before the same day copies of so much of the said plans, sections and book of reference as relates to any of the areas hereinafter mentioned and a copy of this Notice will be deposited as follows, namely:—

As regards the rural district of Lancaster, with the Clerk of the Rural District Council at his office at Dalton-square, Lancaster.

As regards the rural district of Garstang, with the Clerk of the Rural District Council at his office at the Town Hall, Garstang.

In the case of any parish or township comprised in a rural district and having a Parish Council, with the Clerk of such Council at his office if he has an office separate from his place of residence, or otherwise at his place of residence, or if there be no such Clerk with the Chairman of such Council at his residence.

In the case of any parish or township comprised in a rural district and not having a Parish Council, with the Chairman of the Parish Meeting at his residence.

Printed copies of the Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

Dated this 7th day of November, 1907.

(Construction of Additional Reservoirs and other Water Works and Tramroad in Connection therewith in the Counties of Brecon and Glamorgan; Special Provisions as to Construction and Character of Tramroad; Extension of Limits of Supply; Breaking Up of Public and Private Roads; Stopping Up or Diversion of Public and Private Roads and Footpaths and Extinguishment of Rights of Way; Power to Take, Collect and Divert Waters, Springs and Streams; Use of Streams and Waters Prior to Completion of Works; Power to Lay Pipes; Compulsory Purchase or Taking of Lands, Property, Water, Rights and Easements; Power to Acquire Certain Common or Commonable Lands; Superfluous Lands; Exemption from 92nd Section of Lands, Clauses Consolidation Act, 1845; Maintenance of Tramroad and Tolls therefor; Running Powers over Certain Railways or Tramroads of other Companies, Local Authorities and Persons; Laying of Water Mains and Pipes through Streets, Lands and Premises and Agreements with the Rhondda Urban District Council as to Use of Authorized Tunnel of the Rhondda Urban District Council; Agreements with Landowners and Others as to Water Rights and Protection of Drainage or Collecting Area from Pollution; Rates, Rents and Charges and Alteration and Increase of existing Water Rates, Rents and Charges under Pontypridd Waterworks Act, 1864; Bye-laws for Preventing Waste, &c., of Water and Approval and Certification of Fittings; Supply of Water in Bulk; Tolls and Charges for the Carriage of Passengers, Goods, Minerals, Stone and Merchandise on Tramroad; Agreements with Local Authorities, Public Bodies and Others for Supply of Water in Bulk; Application of Capital and Additional Capital; Incorporation, Amendment and Repeal of Acts; and other Powers.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session of 1908 by the Pontypridd Waterworks Company (hereinafter referred to as "the Company") for leave to bring in a Bill for an Act for effecting the purposes or some of the purposes following (that is to say):—

1. To enable the Company to make and maintain the following reservoirs, aqueducts or lines of pipes, tramroad and other works or some part or parts thereof and to stop up and divert such roads and footpaths as are shown on the deposited plans as intended to be stopped up or diverted or as are included within the limits of the land shown on such plans as intended to be taken compulsorily under the powers of the Bill and to supply water for all purposes within the existing and extended limits of supply hereinafter mentioned. The works before referred to will be situate in the counties of Brecknock and Glamorgan or one of them and are as follows:—

Work No. (1).—A reservoir ("Fan Fraith Reservoir") commencing at and to be formed by a dam across the River Neath at a point 1,037 yards, or thereabouts, measured in a straight line in a northerly direction from the point at which the centre line of the stream known as Nant-y-Moch intersects the centre line of the River Neath at the confluence thereof and extending from the said dam up the River Neath to and terminating at a point in

the centre of the River Neath 73 yards, or thereabouts, measured in a straight line in a northerly direction from the point at which the centre line of the stream known as Nedd-Fechan intersects the centre line of the River Neath at the confluence thereof which reservoir will be situated in the parishes of Cray Senny and Ystradfellte, in the county of Brecknock.

Work No. (2).—An intercepting weir 78 yards, or thereabouts, in length, across the stream known as Nant-y-Moch at a point 1,053 yards, or thereabouts, measured in a straight line in a westerly direction from the point at which the centre line of the said Nant-y-Moch intersects the centre line of the River Neath at the confluence thereof, commencing on the west side of the Nant-y-Moch and terminating on the east side of the said Nant-y-Moch, which intercepting weir will be situated in the parish of Ystradfellte, in the county of Brecknock.

Work No. (3).—A catchwater, aqueduct, conduit or one or more line or lines of pipes, commencing in the centre of the stream known as Nant-y-Moch at a point 1,010 yards, or thereabouts, measured in a straight line in a westerly direction from the point at which the centre line of the said Nant-y-Moch intersects the centre line of the River Neath at the confluence thereof and terminating in the intended Fan Fraith Reservoir (Work No. 1) at a point in the centre of the River Neath, 1,122 yards, or thereabouts, measured in a straight line in a northerly direction from the point at which the centre line of the said Nant-y-Moch intersects the centre line of the River Neath at the confluence thereof, which catchwater aqueduct, conduit or one or more line or lines of pipes will be situated in the parishes of Ystradfellte and Cray in the county of Brecknock.

Work No. (4).—A reservoir ("Llia Reservoir") commencing at and to be formed by a dam across the river known as Afon Llia at a point 1,153 yards, or thereabouts, measured in a straight line in a southerly direction from the point at which the centre line of the stream known as Nant-y-Groes intersects the centre line of the said river at the confluence thereof and extending from the said dam up the said river to and terminating at a point in the centre of the said river 1,470 yards, or thereabouts, measured in a straight line in a northerly direction from the point at which the centre line of the said Nant-y-Groes intersects the centre line of the said river at the confluence thereof, which reservoir will be situated in the parishes of Senny and Ystradfellte in the county of Brecknock.

Work No. (5).—A road being a diversion of the public road between Ystradfellte and Devynock, such intended diversion commencing in the aforesaid public road at a point 705 yards, or thereabouts, measured in a straight line in a southerly direction from the point at which the centre line of the said public road crosses and intersects the centre line of the stream known as Nant-y-Groes and terminating in the aforesaid public road at a point 1,498 yards, or thereabouts, measured in a straight line in a northerly direction from the point at which the centre line of the said public road intersects the centre line of the said Nant-y-Groes, which intended road will be situated in the parishes of Senny and Ystradfellte, in the county of Brecknock.

Work No. (6).—A tramroad 4 miles 5 furlongs and 5 chains, or thereabouts, in length, commencing by a junction with the existing tramroad of the Neath Rural District Council at a point 543 yards, or thereabouts, measured in a straight line in a southerly direction from the south-west corner of the house known as Pen-fathor-isaf and terminating at a point where an imaginary straight line 207 yards, or thereabouts, in length measured in a north-westerly direction from the north-east corner of the enclosure numbered 2140 on the Ordnance Map of the county of Brecknock (edition 1904), sheet XXXVIII-11, would meet another imaginary straight line 352 yards, or thereabouts, in length measured in a north-easterly direction from the north-west corner of the enclosure numbered 968 on the aforesaid Ordnance Map, such intended tramroad being wholly situated in the parish of Ystradfellte, in the county of Brecknock.

Work No. (7).—An aqueduct, conduit or one or more line or lines of pipes, commencing in the said intended Llia Reservoir (Work No. 4) hereinbefore described at a point in the centre of the river known as Afon Llia 24 yards, or thereabouts, measured in a straight line in a southerly direction from the point at which the centre line of the stream known as Nant-y-Groes intersects the centre line of the said river at the confluence thereof and terminating in the intended Bodwenarth Reservoir (Work No. 11) hereinafter described at a point in the field numbered 177 on the Ordnance Map of the county of Glamorgan (edition 1900), sheet XXVIII-7 440 yards, or thereabouts, measured in a straight line in a southerly direction from the centre of the existing Cilfynydd Reservoir belonging to the Company, such aqueduct, conduit or one or more line or lines of pipes being situated in the parishes of Ystradfellte Cantref and Penderyn, in the county of Brecknock, and in the parishes of Rhigos, Aberdare, Llanwonno and Pontypridd, in the county of Glamorgan.

Work No. (8).—An aqueduct, conduit or one or more line or lines of pipes, commencing by a junction with Work No. (7) hereinbefore described at a point in the centre of the public road between Penderyn and Ystradfellte 1,193 yards, or thereabouts, measured in a straight line in a north-westerly direction from the point at which the said public road crosses the River Hepste and terminating by a junction with the said Work No. (7) at a point in the aforesaid public road 17 yards, or thereabouts, measured in a straight line in a southerly direction from the first-named junction, which aqueduct, conduit or one or more line or lines of pipes will be situated in the parish of Ystradfellte, in the county of Brecknock.

10. To authorize the Company to hold or to sell or dispose of any lands which they have acquired or hereafter may acquire free from the provisions of the Lands Clauses Consolidation Act, 1845, or of the existing Acts of the Company with respect to superfluous lands, and to

acquire by compulsion or agreement any mines or minerals under any such lands notwithstanding the provisions of the Waterworks Clauses Act, 1847, with respect to mines.

11. To empower the Company to raise, take, collect, divert, impound, use and appropriate

for the purposes of their water undertaking and for all or any other purposes of the intended Act all or any of the waters of underground springs, streams or waters and all such brooks, streams, springs, leats and waters as can or may be intercepted or taken by the intended works or as may be found on, in or under any of the lands for the time being belonging to or which may be acquired by the Company under the powers of the intended Act and particularly the water of the brooks, streams, diversions and springs called or known as the River Neath, Nedd-Fechan, Nant-y-Cwm, Nant-y-Moch, Nant-y-Bryn-bach, Afon Llia, Nant-y-Groes and their tributaries and also all water found in, upon or under the lands on which the intended works are situate or which can or may be intercepted by the intended works, which said waters now flow or proceed directly or indirectly into or along the River Neath, Afon Mellte, the feeder or other supply to Messrs. Curtis and Harvey's works, the cut commencing near the confluence of the Afon Pyrdin with the River Neath leading to the Cwm Corrin Sand Works, the Tennant Canal, the Neath Canal and into the Bristol Channel.

12. To empower the Company by agreement in connection with the aforesaid works to construct or lay a line of pipes through the authorized tunnel in course of construction by the Rhondda Urban District Council and for this purpose to effect a junction of the intended Work No. (15) before described and the said tunnel of the said urban district council and the Bill will sanction or confirm any agreement that may be come to relating to the aforesaid matters.

13. To revive and if necessary to extend the powers of the Company to supply water under the authority of the Pontypridd Waterworks Acts, 1864 and 1875, and to authorize them to supply water for domestic and all other purposes to and within the whole of the parish of Llantrisant, in the county of Glamorgan.

14. To constitute the waterworks and other works and things proposed to be authorized by the intended Act a part of the water undertaking of the Company and to confer on the Company in respect of the area over which powers are proposed to be revived or extended for the authorization of the supply of water similar powers, rights, privileges and authorities and to impose upon the Company similar obligations and duties as the Company now have or are under in respect of the limits within which they are supplying water as defined by the Pontypridd Waterworks Acts, 1864 and 1875, so far as the same are applicable, and to extend all or any of the provisions of the before-mentioned Acts of the Company with or without modification and to make them applicable within the revived or extended area aforesaid and to enable the Company to make and recover rates, rents and charges as increased, varied or altered by the intended Act for water within such revived or extended area.

15. To empower the Company to make, supply and let on hire water meters and fittings.

16. To incorporate with the Bill and to apply to the aforesaid works or any of them such of the provisions of the Railways Clauses Consolidation Act, 1845, as relate to roads and the temporary occupation of lands in connection with the intended works.

17. To empower the Company to abstract and use the waters from the streams and waters

hereinbefore mentioned or some of them prior to the completion of the intended works.

18. To exempt the Company from the provisions of section 92 of the Lands Clauses Consolidation Act, 1845, with respect to the taking of the whole or part of any of the lands and property to be acquired by them under the powers of the intended Act for the purposes of the said reservoirs and other works or some of them.

19. To empower the Company to lay down, maintain, alter, repair or renew aqueducts, conduits, mains, pipes, culverts and other waterworks in, through, along, under, across or over public and private streets, roads, footpaths, highways, bridges, rivers, streams, canals, towing-paths, railways and tramways and property within the parishes and places aforesaid and within the present limits of supply of the Company as revived and extended by the intended Act and within the said parishes and places and limits aforesaid to empower the Company to break up, cross, alter, divert, stop up, raise, lower and interfere with (either temporarily or permanently) any public and private streets, roads, footways, highways, bridges, canals, towing-paths, railways and tramways, sewers, drains, streams, watercourses, pipes and telegraphic, telephonic and other electric wires, conductors and pipes and to appropriate and use the soil and surface of any public and private streets, roads, footpaths and highways stopped up, discontinued or diverted.

20. To empower the Company to discharge water from any of the intended works into any rivers, streams or watercourses on the line thereof or near thereto or with which such works may be made to communicate and the intended Act will contain such provisions as may be necessary for such purpose.

21. To make provisions with reference to the quantity or amount of compensation (if any) by water or otherwise to be given by the Company respecting the proposed taking, impounding and diverting of water and (in case of compensation by water) with reference to the time and manner of the delivery thereof and the mode of measuring or ascertaining the quantity to be delivered.

22. The intended Act will provide for the discontinuance of so much of the public road between Ystradfellte and Devynock as is proposed to be diverted in the construction of Work No. (4) before described and to vest in the local authority the site and soil of the new road (Work No. 5) as shown upon the plans deposited as hereinafter mentioned.

23. To extinguish all rights of way in or over any lands which may be taken under the powers of the Bill and to provide for the maintenance or repair of the new road (Work No. 5) by and at the expense of the local authority or other persons respectively who are for the time being liable for the repair and maintenance of the said portion of such diverted road and otherwise for the purposes of the intended Act.

24. To make such provisions as may have been or may be agreed upon or as may be prescribed or authorized by the intended Act for the protection and benefit of landowners and any other persons and bodies whose property, rights, powers or interests will or might be affected by the execution of the powers of the Act, and to confirm or give effect to any arrangements or agreements which may have been or may be

entered into between the Company and such landowners and other persons and bodies touching any of the matters aforesaid.

25. To empower the Company within the drainage or collecting area shown upon the plans deposited as hereinafter mentioned for the purposes of protecting from pollution, contamination, fouling or discoloration the waters which they are empowered to take for the purposes of their water undertaking to make special provisions in the intended Bill within such drainage or collecting area shown upon the said deposited plans and over the rivers, brooks, streams and tributaries before-mentioned, which said rivers, brooks, streams and tributaries are or may be impounded by the intended waterworks of the Company, and to make agreements with the owners of the property in the said drainage or collecting area for guarding against the pollution and contamination of water and nuisances.

26. To provide that water need not be supplied by the Company at a level above that at which water can be supplied by gravitation from the particular service reservoir from which the supply is taken notwithstanding anything contained in the Waterworks Clauses Acts, 1847 and 1863, and for this purpose to amend or repeal section 10, sub-section (e), of the Pontypridd Waterworks Act, 1892.

27. To empower the Company to enter into and carry into effect contracts and agreements for the supply of water in bulk or otherwise with any local authority, corporation, body or person whether within or beyond the authorized limits of supply, and to enable any such local authority, corporation, body or person to enter into and carry into effect contracts and agreements for the sale to the Company of water in bulk to supplement the existing supply, and to vary or rescind any such contracts and agreements, and the Bill will sanction and confirm any such contract, agreement or arrangement entered into before and after the passing of the intended Bill.

28. To empower the Company to make and enforce bye-laws and regulations for securing the purity of any water authorized to be taken by them and for prescribing the area over which such bye-laws and regulations shall be in force.

29. To make further provision in regard to the supply of water by the Company and particularly with respect to the following matters, viz:—The pressure at which the supply shall be afforded, the supply of water by measure, the supply of water in bulk to local authorities, companies and persons within and beyond the limits of supply of the Company, exempting the Company from supplying water in certain cases, the unlawful user of water and the entry of the Company and their officers upon houses and premises for inspecting and cutting off the supply, and to provide that the Company shall not be bound to supply with water more than one house by the same communication pipe, and if thought fit to require a separate pipe to be laid from the main into each house supplied with water.

30. To empower the Company to alter and increase the rates, rents and charges for the supply of water within the existing limits of supply of the Company, and in this respect to amend or repeal the provisions of sections 41 and 42 of the Pontypridd Waterworks Act, 1864, and to apply such water rates, rents and charges as altered and increased or varied under

the provisions of the intended Act to the revived or extended limits of supply before mentioned; and if need be to define the limits authorized by the Pontypridd Waterworks Acts, 1864 and 1875, as revived or extended by the intended Act within which the Company may supply water and charge therefor.

31. To make provision that the owners of all dwelling-houses or parts of dwelling-houses supplied with water by the Company and let to monthly or weekly tenants or tenants holding for any other period less than a quarter of a year instead of the occupiers shall, if the Company so determine, pay the rate for the supply, and that the rate may be recovered from the occupier and deducted by him from the rent due from time to time to such owner, and to provide for the alteration and amendment of the 72nd section of the Waterworks Clauses Act, 1847, incorporated in the Pontypridd Waterworks Acts, 1864, 1875 and 1892, in respect of such matters.

32. To empower the Company to make, rescind and enforce bye-laws, rules and regulations with reference to and to prescribe the nature, strength, pattern, size and materials of pipes, fittings and apparatus for or connected with the supply and use of water to and by the consumer and with reference to the fixing thereof, and for the approval and certification thereof by the Company by stamping or otherwise, and for preventing the waste, misuse and fouling of the water, and to impose penalties for the breach of any such bye-laws, rules and regulations.

33. To make such provisions (if any) as the Bill may prescribe or as Parliament may authorize or require with reference to the supply of water by the Company by means of their intended works or any of them to other local, sanitary and other authorities and bodies, person or persons, whether within or without the Company's limits of supply whose districts are situate within the neighbourhood of the said intended works or any of them, and the terms, conditions, limitations, rights and reservations under which any such supply is to be afforded by the Company.

34. To authorize and empower the Company on the one hand and any corporation, company, body or person on the other hand to make, enter into and execute contracts, agreements and arrangements in relation to any of the subject matters of the intended Bill, and also with the owners or lessees of any of the existing tramways, tramroads or railways over which running powers are proposed as hereinafter mentioned in connection with the intended tramroad proposed to be authorized by the Bill as regards the terms of such running, the tolls or charges to be demanded and taken for goods, minerals, stone and other traffic thereon, and to sanction, confirm and provide for the carrying out and execution of all or any contracts or agreements which have been or may hereafter at any time prior to the passing of the intended Bill be made or entered into by or on behalf of the Company and any such corporation, company, body or person respecting any of the matters aforesaid.

35. To constitute the proposed tramroad and works for all purposes a part of the undertaking of the Company.

36. To provide for the maintenance of the aforesaid tramroad and works and the regulation of the traffic thereon, and also as to the demanding and recovery of tolls and charges for the

conveyance of minerals, stone and merchandise thereon.

37. To enable the Company on the one hand and any other company, corporation, local authority or persons or any of them having respectively the control or management or the duty of directing the repairs of any streets, roads or places on the other hand to enter into contracts or agreements with respect to all or any purposes of the intended Act, or the laying down, altering, maintaining, renewing, repairing, working and using of the proposed tramroad and rails, plates, sleepers, ways and works connected therewith, and for facilitating the passage of carriages, wagons and traffic over or along the same, and to confirm any agreement entered into or to be entered into with any such company, corporation, local authority or persons with respect to any of the aforesaid matters.

38. To empower the Company to demise or lease the tramroad or any part thereof and the tolls, rates and charges authorized to be taken in respect thereof to any company or persons for any term of years or shorter period on such terms and conditions as may be agreed upon.

39. To empower the Company to make and carry into effect agreements with the Great Western Railway Company with reference to the construction, working, use and maintenance of the intended tramroad and the conveyance of the traffic thereon, and also in regard to the facilities to be afforded for the traffic of the Company at the Hirwain Station of the Great Western Company, and the tolls, rates and charges for the use of the intended tramroad and any incidental matters.

40. To empower the Company and any other Company for the time being working or using the tramroad of the Company or any part thereof on such terms and conditions and on payment of such tolls, rates and charges as may be agreed on or settled by arbitration or prescribed by the Bill to run over and use with their engines, carriages and wagons for the purposes of their traffic of every description the existing tramways, tramroads or railways hereinafter mentioned belonging to other companies, local authorities and persons, viz. :—

(a) That portion of the tramroad or railway of the Neath Rural District Council as lies between the point of junction therewith of the intended tramroad (Work No. 6) before described as the commencement of such work, and the junction therewith of the tramroad or railway belonging to the Company or Proprietors of the Aberdare Canal Navigation from Penderyn to Hirwain, near the Lamb Inn, Penderyn.

(b) So much of the tramroad or railway of the Company or Proprietors of the Aberdare Canal Navigation from Penderyn to Hirwain as lies between the said last-mentioned junction at Penderyn and the termination thereof at or near the Hirwain Station of the Great Western Railway Company.

(c) And the private railways of W. P. Powell and Company Limited and of N. B. Allen and Company Limited at the Hirwain Station of the Great Western Railway Company.

41. To enable the Company to apply their existing funds and any moneys which they have power to raise to the purposes or any of the purposes of the Bill and for such purposes and for the general purposes of their undertaking to raise additional capital by the creation and

issue of new ordinary or preference shares or stock or debenture stock and by borrowing. And the Bill will provide that such new shares or stock shall either rank *pari passu* with the existing shares or stock of the Company or that the Company may attach to such new shares or stock a preference or priority of dividend and any other advantage which the Bill may define, and to vary the existing powers of the Company as to the sale of shares or stock and if need be to consolidate, rearrange or provide for the consolidation, rearrangement or conversion into one stock the existing ordinary preference and debenture stock of the Company.

42. No. 28081.

I

way Company (hereinafter called "the Company") for an Act for all or some of the following purposes (that is to say) :—

1. To alter the provisions of the Great Western Railway Act, 1864, with respect to the Great Western Railway Superannuation Fund (hereinafter called "the Superannuation Fund") thereby authorized and provided for, and to amend and vary the rules of the said Fund made under or in pursuance of those provisions as the same have been from time to time modified and are now in force; and to authorize or confirm or provide for the making of a new scheme (hereinafter referred to as "the Superannuation Scheme") with reference to the payment of superannuation and other allowances to the salaried officers and servants of the Company in substitution for the rules of the Superannuation Fund now in force, and if thought fit to make provision for continuing in force all or some of the provisions of the said rules, or to alter, or vary, or cancel, or annul the same or some of them, and to make other rules and regulations in lieu thereof.

2. To make provision as to the admission of officers and servants of the Company and of such companies and joint committees as are mentioned or referred to in section 67 of the Great Western Railway Additional Powers Act, 1871, and section 73 of the Great Western Railway Act, 1876, to be members of the Superannuation Scheme, and the payments or contributions to be made by the members and the scale of allowances and other benefits and payments to members retiring or leaving the service of the Company and to representatives of deceased members; and to alter and increase the payments or contributions to be made by present and future members; and to alter the scale of allowances and other benefits and payments, and to make all such provision with regard to the control of the funds out of which such allowances, benefits and payments are to be provided, and for the management and carrying into effect of the provisions of the scheme as may be deemed necessary or desirable, and for those purposes to authorize and provide for the appointment of a committee or committees and the making, altering and rescinding of rules, regulations and bye-laws with respect to all or any of the purposes of the intended Act.

3. To authorize and provide for the transfer and payment to the Company, or as they may direct, of all or some part or parts of the moneys, investments and securities constituting or held for the purposes of the Superannuation Fund, and of all payments or contributions due or to become due to the Superannuation Fund or payable under the Superannuation Scheme, and to provide for the same being held by the Company, and if thought fit to provide that the said moneys, investments and securities shall be transferred to a separate account and may be held by the Company as trustees thereof or as a loan to the Company in such manner and upon and subject to such terms, conditions and obligations and to the payment of such interest, if any, as may be prescribed or authorized or provided for by the intended Act, and to confer upon the committee of management and the trustees of the Superannuation Fund all such powers as may be necessary for giving effect to the purposes aforesaid, and to dissolve the said committee and discharge the trustees and

release them from their duties and obligations in relation to the Superannuation Fund.

4. To authorize and if thought fit to require the Company to guarantee and make good the payment of allowances and other benefits and payments to be provided for by the Superannuation Scheme, and to provide that expenditure incurred by the Company in respect of such guarantee or in respect of interest on the moneys and funds held by them for the purposes of the intended Act shall be met as if such expenditure were part of the working expenses of the Company, and to relieve the Company from their liability to make contributions to the Superannuation Fund, and to provide that in lieu of such contributions the Company shall make such payments or contributions to the Superannuation Scheme as may be prescribed or provided for by the intended Act.

5. To make provision with regard to contributions payable by other companies and joint committees under or in pursuance of arrangements made under section 67 of the Great Western Railway Additional Powers Act, 1871, or section 73 of the Great Western Railway Act, 1876, and to authorize and require such companies and joint committees to make such payments to the Company as may be prescribed or provided for or authorized by the intended Act or the Superannuation Scheme in respect of any such officers and servants as are mentioned or referred to in those sections or either of them.

6. To enable the Company to appropriate and set aside sums of money out of their revenue as working expenses for the purposes of any payments to be made by them under the intended Act or to meet the future liability of the Company in respect of any such guarantee as hereinbefore referred to.

7. To vary and extinguish any existing rights or privileges which would interfere with the objects of the intended Act, and to confer other rights and privileges.

8. To alter, amend, extend or repeal all or some of the provisions of the Acts hereinbefore referred to and of the several Acts following or some of them (that is to say):—

The Act 5 and 6 Wm. IV, cap. 107, and all other Acts relating to the Company.

Printed copies of the intended Act will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

**WEST BRIDGFORD URBAN DISTRICT
COUNCIL WATER.**

(New Waterworks; Power to Pump, Collect and Distribute Water; Transfer of so much of the Water Undertaking of Corporation of Nottingham as is situate within District of West Bridgford Urban District Council; Agreements between Council and Corporation;

Power to Take and Recover Rates, Rents and Charges for Water Supply; Power to Borrow Money for purposes of Intended Act; Amendment or Repeal of Acts and Order, &c.)

NOTICE is hereby given, that application is intended to be made to Parliament in the next Session by the Urban District Council of West Bridgford in the County of Nottingham (hereinafter called "the Council") for an Act for the following purposes or some of them (that is to say):—

To authorize the Council to make and maintain the waterworks hereinafter described, together with all works which may be necessary in connection therewith or ancillary thereto (that is to say):—

In the county of Nottingham and in the parishes of Holme Pierrepont, Gamston, West Bridgford, Edwalton and South Wilford—

(1) A pumping station and well, with other works and conveniences connected therewith (hereinafter referred to as "Work No. 1"), wholly situate in the parish of Holme Pierrepont at or near the south-eastern end of a field numbered 149 on the 2500 Ordnance Map of Nottinghamshire (2nd edition, 1900), sheet No. XLII-8, and abutting on the north-west side of the road leading from Nottingham to Radcliffe-on-Trent;

(2) A conduit, pumping main or line of pipes (hereinafter referred to as "Conduit No. 1"), commencing in the parish of Holme Pierrepont at the intended pumping station (Work No. 1) hereinbefore described, and terminating in the parish of Edwalton at the intended reservoir (Work No. 2) hereinbefore described, in the southern end of the field numbered 1 on the 2500 Ordnance Map of Nottinghamshire (2nd edition, 1901), sheet No. XLII-14;

(3) A reservoir (hereinafter referred to as "Work No. 2"), situate in the parish of Edwalton, adjoining, and on the north side of Sharphill Wood at the southern end of the field numbered 1 on the 2500 Ordnance Map of Nottinghamshire (2nd edition, 1901), sheet No. XLII-14 at the termination of Conduit No. 1 aforesaid;

(4) An occupation road to be used for access to Work No. 2, situate wholly in the parishes of South Wilford and Edwalton, commencing in the parish of South Wilford at a point in the field numbered 257 on the 2500 Ordnance Map of Nottinghamshire (2nd edition, 1901), sheet No. XLII-14, near the Loughborough road, and terminating in the parish of Edwalton at or near Work No. 2 hereinbefore described;

(5) A conduit supply main or line of pipes (hereinafter referred to as "Conduit No. 2"), commencing in the parish of Edwalton at the reservoir (Work No. 2), and terminating in the parish of West Bridgford at or near the junction of Loughborough-road, Patrick-road and Wilford-lane.

(6) A conduit, washout, overflow or line of pipes (hereinafter referred to as "Conduit No. 3"), commencing in the parish of Edwalton at the reservoir (Work No. 2), hereinbefore described, and terminating in the parish of West Bridgford at the culvert crossing the junction of Wordsworth-road and Musters-road; together with all proper wells, bore-holes, sewers, dams, walls, embankments, piers, retaining walls,

arches, excavations, filters, filter beds, overflows, shafts, tunnels, adits, aqueducts, culverts, cuts, sluices, watercourses, weirs, wash-outs, meters, gauges, man-holes, engines, machinery, channels, conduits, mains, pipes, stand-pipes, junctions, valves, drains, hydro-electric apparatus, telegraphs, telephone apparatus, roadways, approaches, fences, buildings, works and conveniences connected with the hereinbefore described works or any of them, or incidental thereto or necessary or convenient for conducting, controlling, inspecting, cleansing, repairing or managing the waterworks, and together with full power and right at all times of approach and access to the works aforesaid or any of them.

To empower the Council to take, divert, impound, collect, store, pump, use and distribute the waters of any springs or any other waters on or under any lands for the time being of the Council.

To empower the Council for the purposes of the said intended reservoir and works connected therewith, to stop up and divert or alter roads, footpaths and bridges, and to construct and maintain any necessary or convenient subsidiary works in connection with the intended works hereinbefore described or any of them, or for taking, collecting, impounding and distributing the waters which they may be authorized to take under the powers of the intended Act.

To empower the Council to acquire by compulsion or agreement and to hold for the purposes of the intended works and for other purposes of the intended Act lands, houses and buildings in the several parishes and places aforesaid, and to acquire by compulsion or agreement rights or easements in, over or connected with any lands, houses or buildings.

To empower the Council to make in any streets, roads, footways and thoroughfares all such alterations of levels and width of roadway and footway as may be expedient for or in connection with the construction of the said works, and for making convenient accesses from or junctions with other streets or roads, and to stop up, alter, divert and interfere with, either permanently or temporarily, and to cross over, under or upon all such streets, highways, bridges, thoroughfares, railways, tramways, rivers, navigations, canals, streams, brooks, watercourses, sewers, drains, gas and water and other pipes, and telegraphic, telephonic and electric wires, tubes, pipes, boxes and other apparatus as it may be necessary or convenient to stop up, alter, divert, interfere with or cross for any of the purposes of the intended Act.

To authorize the Council to deviate in the construction of any of the said works, both vertically and laterally, to the extent shown on the deposited plans and sections or to be defined by the intended Act or as may be prescribed by Parliament.

To empower the Council from time to time to alter, extend, enlarge or improve all or any of their waterworks, and to lay down, maintain, alter and renew mains, pipes, culverts, discharge pipes, telephone or telegraph conductors, wires and posts, and other works in, through, along, under, across and over highways, streets, roads, streams, canals, paths and railways, and for those purposes to extend to such works all or any of the provisions of the Waterworks Clauses Acts, 1847 and 1863.

To authorize and empower the Council, in pursuance of the provisions of the Nottingham

Improvement Act, 1879, and the Nottingham and West Bridgford Order, 1892, confirmed by the Local Government Board's Provisional Orders Confirmation (No. 12) Act, 1892, and in accordance with an agreement between the then Local Board of West Bridgford (now the Council), and the Corporation, dated the 10th March, 1892, to acquire and to provide for the transfer to and vesting in the Council of such portion of the waterworks, mains, pipes, plant and other works for the distribution and supply of water as now belongs to the Mayor, Aldermen and Citizens of the city of Nottingham (hereinafter called "the Corporation") and as is contained and situate within the West Bridgford Urban District upon and subject to such terms, conditions and stipulations as may be expressed in or provided by or under the provisions of the intended Act or as may be agreed upon between the Council and the Corporation or as may be settled by arbitration or otherwise, and to authorize and to require the Corporation to transfer to the Council that portion of their waterworks, mains, pipes, plant and other works as aforesaid.

To authorize agreements between the Council and the Corporation and to confirm and give effect to any agreement or agreements with reference to any such transfer, purchase or sale which may have been entered into prior to the passing of the intended Act.

To authorize the Council to carry on the said portion of the waterworks undertaking of the Corporation and to maintain, improve, alter, extend, and enlarge the existing mains, pipes and other works, and to construct new waterworks as aforesaid and to supply water for public, domestic, trade and other purposes from the existing or other sources within and throughout the urban district of West Bridgford (hereinafter called "the area of supply").

To authorize the Council to hold any lands which they may acquire under the authority of the intended Act, free from the provisions of the Lands Clauses Acts, with respect to superfluous lands.

To make provision for the protection of the waters and waterworks proposed to be taken and authorized and for preventing such waters from being polluted, discoloured, diverted or taken.

To enable the Council to enter into and carry into effect contracts for the supply of water in bulk or otherwise with any urban or rural or sanitary authority.

To empower the Council to demand, take and recover rates, rents and charges differential or otherwise for the supply of water, to alter existing rates, rents and charges for such supply and to confer, vary and extinguish exemptions from the payment of any existing or future rates rents and charges.

To authorize the Council for the purposes of the intended Act to borrow money on mortgage or by the issue of stock (of one or more classes and at the same or at varying rates of interest) or annuities or by the issue of bills, promissory notes or deposit notes and to charge the same upon the revenues of their waterworks and upon the district fund and general district rate of their district or upon any or either of those securities as they may determine or as the intended Act may prescribe, and to make provision with respect to the repayment of any moneys owing by the Council.

To make provision with respect to the creation of renewal and reserve funds, to provide for additions to and the application of all or any of such funds to the water undertaking of the Council and to make all such other provisions in respect to the said funds or any of them as the intended Act may prescribe.

To provide that any sinking fund to be provided by the intended Act shall not be brought into operation until the completion of the works authorized by the intended Act or such other period as in the said Act may be prescribed.

To vary or extinguish all existing rights and privileges which would in any way interfere with the objects and purposes of the intended Act and to confer other rights and privileges.

To alter, amend, vary, extend or repeal some or any of the provisions of the Nottingham Improvement Act, 1879, the Nottingham Waterworks Act, 1879, and the Nottingham and West Bridgford Order, 1892, confirmed by the Local Government Board's Provisional Order, Confirmation (No. 12) Act, 1892, and any other Act or Order relating to the Council or the Corporation or either of them.

The intended Act will or may incorporate all or some of the provisions of the Lands Clauses Acts, the Waterworks Clauses Acts, 1847, and 1863, and such parts of the Railways Clauses Consolidation Act, 1845, as relate to the temporary occupation of lands, and will confer on the Council all necessary powers for carrying the purposes of the intended Act into effect.

Duplicate plans and sections describing the lines, situations and levels of the proposed works and the lands in on or through which they will be made and also duplicate plans showing the lands and property intended to be compulsorily taken for the purposes of the intended Act, together with a book of reference to such plans containing the names of the owners and lessees, or reputed owners and lessees, and the occupiers of such lands, houses and other property, and a copy of this Notice, as published in the London Gazette, will on or before the 30th day of November instant be deposited for public inspection with the Clerk of the Peace for the county of Nottingham at his office at Nottingham, and on or before the same day a copy of the said plans, sections, book of reference and Gazette Notice will also be deposited as follows (that is to say):—

(c) A plot or parcel of land, with seven houses erected thereon, situate and being Nos. 121, 123, 125, 127, 129, 131 and 133 Hythe-street, Dartford, aforesaid, belonging or reputed to belong to Betsy Thomson.

(d) A plot or parcel of land, with a house erected thereon, situate and being No. 119, Hythe-street, Dartford aforesaid, belonging or reputed to belong to Henry Manners and George Manners.

(e) A plot or parcel of land, with six houses erected thereon, situate and being Nos. 107, 109, 111, 113, 115 and 117, Hythe-street, Dartford aforesaid, belonging or reputed to belong to the trustees of the late Principal Robertson.

(f) A plot or parcel of land, with two houses erected thereon, situate and being Nos. 103 and 105 Hythe-street, Dartford aforesaid, belonging or reputed to belong to William John Alden.

To empower the Company to purchase by agreement and to hold any lands for or in connection with their undertaking, and to make provision whereby the Company may purchase, erect or take on lease dwelling houses for persons in their employ and offices, showrooms and other buildings for the purposes of their undertaking.

To empower the Company to sell, let on lease or retain and hold or otherwise deal with or dispose of any lands or interest in or reversion to any lands for the time being belonging to them upon such terms and conditions as they may think fit or as may be prescribed or authorized by the intended Act, and to exempt the Company in respect of such lands from all or some of the provisions of the Gasworks Clauses Act, 1871, and the Lands Clauses Consolidation Act, 1845, and to authorize the Company on any of such lands to erect, maintain and let houses, cottages and buildings for the use of their employees.

To enable the Company to convert and consolidate their existing Class A, Class B and new ordinary shares into consolidated stock, to provide that such consolidated stock shall be held on the same trusts as the shares for which they are substituted, to provide for the calling in of the existing share certificates and the issue of new certificates therefor, and to authorize and provide for the creation and issue of new stock for the purpose of such conversion and consolidation, for the surrender for cancellation of the certificates for existing shares, and to make such other provisions as may be necessary or expedient for carrying out the provisions of the intended Act.

To empower the Company for the purposes of the intended Act and other the general purposes of their undertaking to raise further capital by the creation and issue of new stock and debenture stock and to borrow further money, and to attach to such new stock such priorities, rights, privileges or advantages as may be found desirable or as the intended Act may authorize, and to apply to all or any purposes of the intended Act any capital or funds belonging to the Company and to provide that any further capital to be raised by borrowing or by the creation and issue of debenture stock shall rank *pari passu* with and form part of the existing loan capital of the Company.

To empower the Company to form and make special provisions with respect to renewal, reserve, insurance and pension funds and to provide for the application of the funds so formed and for the

investment of the moneys forming such funds and of the interest to arise therefrom, and to make provision for the fixing of dividends in accordance with the price charged for gas and for the payment of the dividends on the capital of the Company and the payments to the said funds being made yearly or half-yearly.

To repeal section 42 of the Dartford Gas Act, 1880, and to make further provisions with respect to the qualification and election of the directors of the Company.

To alter the period for the holding of general meetings of the Company.

To repeal section 47 of the Dartford Gas Act, 1880, and to provide that the standard price to be charged for gas supplied by meter on and after the passing of the Act shall be four shillings per 1,000 cubic feet or such other price as may be prescribed by the intended Act, and to enable the Company to increase or reduce such price subject to such reduction or increase in the standard rate of dividend payable on the consolidated stock as may be prescribed by the intended Act.

To make further and other provisions as regards the quality of gas supplied by the Company and as to the means of testing the same, and to amend or repeal section 50 of the Dartford Gas Act, 1880.

To authorize the Company to declare and pay a half yearly dividend not exceeding one half of the authorized rate of dividend for any half year without the sanction or direction of a general meeting.

To enforce the user of antifluctuators or other apparatus in connection with gas engines and to make provision for inspecting and testing the same, to require consumers to give notice in writing to the Company before connecting or disconnecting any gas meter or before quitting premises supplied with gas or discontinuing the consumption of gas, for exempting the Company in certain cases from penalties for failure to comply with the enactments relating to the supply of gas by the Company, and to limit the period within which claims may be made in respect of defective measurement of gas.

To empower the Company to supply, provide, sell, let and deal in gas fittings, engines, stoves, prepayment meters and other appliances for heating and lighting purposes or otherwise connected with or applicable to the supply and use of gas, and to make charges for the same and to provide for the demanding and recovering of such charges in the same manner as charges for the supply of gas or in such other manner as the intended Act may provide, and to exempt such articles from liability to distress and from being taken in execution or in bankruptcy proceedings.

To empower the Company to enter into and carry into effect contracts and arrangements with any company, local authority or person with reference to the supply of gas in bulk or otherwise to the Company for the purposes of their Undertaking.

To vary or extinguish all rights and privileges which would in any manner impede or interfere with the objects of the intended Act, and to confer, vary or extinguish other rights or privileges.

To incorporate with such variations and modifications as may be deemed expedient all or some of the provisions of the Companies Clauses Consolidation Act, 1845; the Companies Clauses Act, 1863; the Lands Clauses Acts;

and the Gasworks Clauses Acts, 1847 and 1871.

To alter, vary, amend, extend or repeal all or some of the provisions of the Dartford Gas Act, 1880.

And Notice is hereby given, that, on or before the 30th day of November, 1907, duplicate plans showing the lands, houses and property intended to be taken compulsorily for the purposes of and under the powers of the intended Act, and a book of reference to such plans, containing the names of the owners or reputed owners, lessees or reputed lessees and of the occupiers of such lands, houses and property, and a copy of this Notice as published in the London Gazette, will be deposited for public inspection with the Clerk of the Peace for the county of Kent at his office in Maidstone, and on or before the same day a copy of the said plans, book of reference and Gazette Notice will also be deposited with the Clerk of the Urban District Council of Dartford at his office in Dartford.

And Notice is further given, that, on or before the 17th day of December next, printed copies of the intended Act will be deposited in the Private Bill Office of the House of Commons.

Dated this 13th day of November, 1907.

To authorize the Company to make and maintain in the parish and urban district of Enfield, in the county of Middlesex, a bridge over the Company's Northern and Eastern Railway, commencing and terminating in and out of Ordnance-road, Enfield, at points respectively situate 50 yards, or thereabouts, westward and 85 yards, or thereabouts, eastward of the level crossing of the Company's said railway over that road at Enfield Lock Station, together with all

necessary and convenient approaches works and conveniences connected therewith.

2. To authorize the Company in the construction of the aforesaid bridge to deviate from the line and levels thereof shown on the plans and sections to be deposited as hereinafter mentioned, and to break up, stop up, alter or divert temporarily or permanently all or any highways, footpaths, watercourses, sewers, drains, pipes, telegraphic and other tubes, wires and apparatus and all other constructions or works of any description which it may be necessary or convenient to break up, stop up, alter or divert in or for the purposes of such construction.

3. To authorize the Company to regulate the traffic passing over the said bridge and, if thought fit, to prohibit wholly or in part the passage thereover of vehicles or any other particular class of traffic, and to authorize the stopping up and discontinuance for foot passengers either wholly or in part of the aforesaid level crossing.

4. To authorize the Company for the purposes of the intended bridge to purchase by compulsion or agreement lands and buildings and rights and easements in, over, under or affecting lands and buildings in the said parish and urban district of Enfield, and also to purchase by compulsion or agreement for the purposes of extending or affording access to their railways, stations, sidings, warehouses, buildings, wharves, depôts and other accommodation and for the general purposes of their undertaking the lands and buildings hereinafter described or referred to or some of them or some part or parts thereof respectively, and any rights or easements or outstanding estates or interests in, over, under or affecting any of such lands and buildings, and to confirm and sanction the purchase by the Company of any of such lands or buildings which may have been or may be acquired by them, and the expenditure of money for or in connection with any such purchase (that is to say):—

In the county of Hertford—

Lands in the parish of Broxbourne, in the rural district of Ware, situate to the south-westward of the Company's Broxbourne Station and forming part of the property, numbered on the Ordnance Map (scale 1:25000 2nd edition, 1898), 288 in the said parish which lands abut on the occupation road forming the easternmost boundary of that property.

In the county of Essex—

(a) Strips of land partly in the parish and urban district of Buckhurst Hill and partly in the parish of Chigwell, in the rural district of Epping, adjoining and on both sides of the Company's Woodford to Ilford Branch Railway extending from the junction of that railway with the Company's Loughton, Epping and Ongar Branch Railway to the point at which the first mentioned railway crosses New Barns-lane, Chigwell.

(b) Strips of land in the said parish of Chigwell adjoining and on the south side of the Company's said Woodford to Ilford Branch Railway and extending from Chigwell-road to the south-easternmost corner of the property numbered on the Ordnance Map (scale 1:25000, 2nd edition 1896) 375 in the said parish.

(c) A strip of land partly in the said parish of Chigwell and partly in the parish and urban district of Ilford adjoining and on the western side of the Company's said Woodford to Ilford Branch Railway and extending from the point

at which the said railway crosses the New North-road, Ilford, for a distance of 355 yards, or thereabouts, in a northerly direction.

5. To further extend the periods now respectively limited for the completion of the following works, namely:—

(a) The widening and improvement authorized by section 5, sub-section (F) of the Great Eastern Railway (General Powers) Act, 1897 (hereinafter called "the Act of 1897") of the Company's Ware and Hertford Branch Railway.

(b) The widening authorized by section 5, sub-section 3 (A), of the Great Eastern Railway (General Powers) Act, 1898 (hereinafter called "the Act of 1898") of the Company's siding or line of rails and of the bridge over the River Orwell mentioned respectively in that sub-section.

(c) The works (widening of bridge at Ipswich and additional line or lines of rails) authorized by section 5, sub-section 3 (C) of the Act of 1898.

(d) The widening and improvement (No. 2) of the Company's main line at West Ham, authorized by section 4, sub-section (D) of the Great Eastern Railway (General Powers) Act, 1900 (hereinafter called "the Act of 1900").

(e) The laying down of an additional line or lines of rails at Woodbridge, authorized by section 4, sub-section (D) of the Great Eastern Railway Act, 1902.

6. To further extend the periods now limited for the compulsory purchase of the following lands, viz.:—

(a) The lands required for or in connection with the covering over with a girder or girders or an arch or arches of (1) Vallance-road; (2) Hemming-street (formerly known as Arundel street); and (3) Brady-street, described in and authorized by section 31 of the Act of 1900.

(b) Lands, houses and buildings in the parish of St. Matthew, Bethnal Green, in the county of London, authorized to be acquired by section 31, sub-sections (A), (B), (C), (D) and (E) of the Act of 1900; and..

(c) Lands, houses and buildings in the parish of St. Mary Stoke, in the county borough of Ipswich, in the county of Suffolk, being the lands (a) and (b) in that parish described in and authorized to be acquired by section 10 of the Great Eastern Railway (General Powers) Act, 1901.

7. To empower the Company, from their works at Parkeston or elsewhere, to supply either in bulk or otherwise electrical energy not required for their own purposes to the tenants of the Company and the occupiers of premises connected by siding with or adjoining or in the vicinity of any railways of or leased to or worked by the Company and to any local or sanitary authority and to any company authorized to supply such energy, and to authorise such authority or Company to take such energy from the Company and to confer upon the Company and any such authority or other company all necessary powers in regard to such supply and to empower the Company and any such authority, company or person to enter into and carry into effect agreements with reference to such supply, and to empower the Company to recover the rents or sums of money from time to time payable in respect of any such supply.

8. To extend the provisions of section 48 of

the Great Eastern Railway (Metropolitan Railways) Act, 1870, and to empower the Company to grant leases of buildings erected and the right of erecting and maintaining buildings over any part of the Railways, stations or works of the Company and whether subject or not to any reservations or easements in, under or over the same and free from all or any liability in respect of the general mortgage debt or debenture stock of the Company or any other charges affecting their undertaking.

9. To extend or further extend the period or periods now respectively limited for and within which the Company or any other company whose undertaking is leased to or worked by the Company or the Great Northern Railway Company and the Company jointly or the Great Northern and Great Eastern Joint Committee or the Midland Railway Company and the Company jointly or the Tottenham and Hampstead Joint Committee or the Midland and Great Northern Railway Companies and the Company jointly or the Norfolk and Suffolk Joint Railways Committee may respectively hold, sell and dispose of any superfluous lands connected with the railways of or vested in or leased or worked or managed by them respectively and to empower the Company and such other companies and such joint Committees to retain and hold appropriate and use such lands notwithstanding the provisions of the Lands Clauses Consolidation Act, 1845.

10. To repeal section 143 of the Great Eastern Railway Act, 1862, and to relieve the Company from the restrictions thereby imposed with regard to Sunday passenger traffic at Cambridge Station.

11. To alter, amend, extend or repeal the provisions or some of the provisions of the several local and personal Acts following (that is to say):—

The Act 25 and 26 Vict., cap. 223; the Acts of 1897, 1898 and 1900; the Great Eastern Railway (General Powers) Act, 1901; and the Great Eastern Railway Act, 1902; and any other Act or Acts relating to the Company or their undertaking; 9 and 10 Vict., cap. 71; and any other Act or Acts relating to the Great Northern Railway Company or their undertaking; and 42 and 43 Vict., cap. 110; and 50 and 51 Vict., cap. 161; and any other Act or Acts relating to the Great Northern and Great Eastern Joint Committee or their undertaking; 7 and 8 Vict., cap. 18, and any other Act or Acts relating to the Midland Railway Company or their undertaking; 25 and 26 Vict., cap. 200; and 29 and 30 Vict., cap. 175; and any other Act or Acts relating to the Tottenham and Hampstead Junction Railway; and 61 and 62 Vict., cap. 120, and any other Act or Acts relating to the Norfolk and Suffolk Joint Railways Committee or their undertaking.

12. To authorize the Company or the Directors of the Company, without further authority, for all or any of the purposes of the Bill or other the purposes of the Company, to apply the funds of the Company and to raise or borrow and appropriate any capital which the Company may have power to raise or borrow.

13. To vary or extinguish all rights and privileges inconsistent with or which would in any way interfere with the purposes of the Bill and to confer other rights and privileges.

Plans and sections shewing the line, situation and levels of the bridge proposed to be authorized

by the Bill and the lands and other property in or through which the same will be made or pass or be situate and plans of the other lands and property intended to be compulsorily taken or used under the powers of the Bill, together with books of reference to such plans respectively, containing the names of the owners and lessees or reputed owners and lessees and of the occupiers of such lands and other property, together with, in the case of each deposit, a copy of this Notice as published in the London Gazette, will on or before the 30th day of November instant be deposited for public inspection as follows (that is to say) :—

BIRKENHEAD CORPORATION TRAMWAYS (PROVISIONAL ORDER).

(Construction of Tramway; Gauge; Motive Power; Power to Corporation to Work Tramway and Levy Tolls, Rates and Charges; Alteration, Amendment, Incorporation and Extension of Acts, &c.)

NOTICE is hereby given that application is intended to be made by the Mayor, Aldermen and Burgesses of the county borough of Birkenhead in the county of Chester (hereinafter called "the Corporation") to the Board of Trade, on or before the 23rd day of December,

1907, for a Provisional Order (hereinafter called "the Order"), to be confirmed by Parliament in the next Session, for all or some of the following purposes (that is to say):—

1. To authorize the Corporation to make, lay down, form, maintain, work and use the tramway hereinafter described, with all necessary and proper rails, plates, sleepers, channels, junctions, turntables, turnouts, crossings, passing places, sheds, buildings, works and conveniences connected therewith respectively.

2. The tramway proposed to be authorized by the Order will be wholly situate within the township, parish and county borough of Birkenhead, commencing in Bebington-road by a junction with the existing tramway of the Corporation in that road, at a point opposite the boundary wall between the shops Nos. 12 and 14, passing thence in a south-eastern direction along the said Bebington-road, and terminating at a point therein opposite the western side of Dacre-hill.

3. The tramway will be laid as a single line except between the points hereinafter specified where it will be laid as a double line (that is to say):—

In Bebington-road between points respectively 6·8 chains and 3·3 chains north of Albany-road.

In Bebington-road between points respectively 0·91 chain north of the north-westerly boundary of the garden of the house known as Coolronan, and 1·64 chains north-west of Cavendish-drive.

In Bebington-road between points 0·1 chain south-east of the boundary fence between the houses known as Springbank and Glencairn, and 1·4 chains north-west of Alexandra-drive.

In Bebington-road between points respectively 4·70 chains and 8·2 chains south-east of Alexandra-drive.

In Bebington-road between points respectively 0·18 chain north-west of the south-eastern side of the gateway to the house known as Dacre House, and 0·05 chain north-west of the north-western boundary of the Wirral College premises.

4. Portions of the tramway are proposed to be so laid that for a distance of 30 feet or upwards a less space than 9 feet 6 inches will intervene between the outside of the footpath on one side of the road and the nearest rail of tramway between the following points (that is to say):—

On the north-eastern side of Bebington-road between a point 0·15 chain south-east from the boundary fence between the houses known as Springbank and Glencairn and a point 1·5 chains south-east from the above-mentioned boundary.

On the south-western side of the road between a point 9·1 chains south-east from Alexandra-drive and a point opposite the north-western boundary of the Wirral College.

On the north-eastern side of the road between a point 0·7 chain south-east from the north-western boundary of the Wirral College and a point opposite the western side of Dacre-hill.

5. The tramway hereinbefore described is intended to be constructed of a gauge of 4 feet 8½ inches, and it is not proposed to run on the said tramway carriages or trucks adapted for use on railways.

6. The motive power to be used on the said tramway will be animal power or any mechanical power (including in that expression steam, electric

or, any, [other] motive, power [not being animal power] or partly one, such power and partly another.

7. To provide that the intended tramway shall in all things form part of the existing tramway Undertaking of the Corporation and to extend and apply thereto some or all of the powers and provisions of the Birkenhead Tramways Act, 1877, the Birkenhead Tramways Act, 1879, and the Birkenhead Corporation Acts, 1897 and 1899, or some or one of them with relation to the tramways of the Corporation.

8. To vary or extinguish all rights and privileges inconsistent with or which would or might in any way interfere with the objects of the intended Order, and to confer other rights and privileges.

9. To incorporate with the Order with or without amendments, or render inapplicable all or some of the provisions of the Tramways Act, 1870, and the Lands Clauses Acts.

And notice is hereby further given that on or before the 30th day of November, 1907, plans and sections of the proposed tramway and works, and copies of this advertisement as published in the London Gazette will be deposited for public inspection with the Clerk of the Peace for the county of Chester at his office at Chester, and in respect of the parish and county borough of Birkenhead with the Town Clerk of the county borough of Birkenhead at his office in the Town Hall, Birkenhead, and on or before the same day copies of the said plans and sections and of this advertisement will be deposited at the office of the Board of Trade, Whitehall, London, at the office of the Clerk of the Parliaments, House of Lords, and at the Private Bill Office of the House of Commons.

The draft of the Order will be deposited at the Office of the Board of Trade on or before the 23rd day of December, 1907, and printed copies of the draft Order, when deposited, and of the Order, when made, will be obtainable at the price of one shilling each at the respective offices of the undersigned Town Clerk and Parliamentary agents.

Every Company, Corporation or person desirous of making any representation to the Board of Trade or of bringing before them any objection respecting the application, may do so by letter addressed to the Assistant Secretary of the Railway Department of the Board of Trade on or before the 15th day of January, 1908, and copies of such objections must at the same time be sent to the Town Clerk or Parliamentary agents on behalf of the Corporation.

In forwarding to the Board of Trade such objections, the objectors or their agents should state that a copy of the same has been sent to the Corporation or their agents.

Dated this 8th day of November, 1907.

JAMES FEARNLEY, Town Clerk, Town Hall, Birkenhead.
