The KING's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have in pursuance of the Act of the eighth and ninth years of Her late Majesty Queen Victoria, chapter seventy; of the Act of the fourteenth and fifteenth years of Her said late Majesty, chapter ninety-seven; and of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter fifty-five; duly prepared and laid before His Majesty in Council a representation, bearing date the twenty-first day of November, in the year one thousand nine hundred and seven, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the eighth and ninth years of Her late Majesty Queen Victoria, chapter seventy, of the Act of the fourteenth and fifteenth years of Her said late Majesty, chapter ninety-seven, and of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter fifty-five, have prepared and now humbly lay before Your Majesty in Council the following representation as to the assignment of a consolidated chapelry to the consecrated church of Saint Margaret, situate at Olton, within the parish of Bickenhill, in the county of Warwick, and in the diocese of Birmingham.

"Whereas at certain extremities of the said parish of Bickenhill, and of the parish of Solihull, in the said county and diocese, which said extremities lie contiguous one to another, and are described in the schedule hereunder written, there is collected together a population which is situate at a distance from the several churches of such parishes.

"And whereas it appears to us to be expedient that certain contiguous portions (being the

portions containing the population aforesaid) of the said parish of Bickenhill and of the said parish of Solihull should be formed into a consolidated chapelry for all ecclesiastical purposes, and that the same should be assigned to the said church of Saint Margaret, situate at Olton as aforesaid.

"Now, therefore, with the consent of the Right Reverend Charles, Bishop of Birmingham, as such Bishop, with the consent of the Right Honourable Charles Wightwick, Earl of Aylesford, as the patron of the vicarage of the said parish of Bickenhill, and with the consent of the Reverend Thomas Beedle Harvey Brooks, of the Rectory, Solihull, Clerk in Holy Orders, as the patron of the rectory of the said parish of Solihull (in testimony whereof they, the said consenting parties, have respectively signed and sealed this representation), we, the said Ecclesiastical Commissioners for England, humbly represent, that it would, in our opinion be expedient that all those contiguous portions of the said parish of Bickenhill and of the said parish of Solihull, which are described in the schedule hereunder written, all which portions, together with the boundaries thereof, are delineated and set forth on the map or plan hereunto annexed, should be united and formed into one consolidated chapelry for the said church of Saint Margaret, situate at Olton as aforesaid, and that the same should be named 'The Consolidated Chapelry of Saint Margaret, Olton.'

"We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal consideration, and to make such Order in respect thereto as to Your Majesty in Your Royal wisdom shall seem meet.

"The SCHEDULE to which the foregoing Representation has reference.

"The Consolidated Chapelry of Saint Margaret, Olton, comprising:—

"I. All that detached portion of the parish of Bickenhill, in the county of Warwick, and in

the diocese of Birmingham, which is bounded upon all sides as follows, that is to say :—Upon the west partly by the parish of Hall Green, partly by the new parish of Saint Mary the Virgin, Acock's-green, and partly by the parish of Yardley, all in the county of Worcester, and in the said diocese of Birmingham, upon the north by the said parish of Yardley, upon the north-east and upon the east by the parish of Sheldon, in the said county of Warwick, and in the said diocese of Birmingham, and upon the south-east by the parish of Solihull, in the said county of Warwick, and in the said diocese of Birmingham, and upon the south partly by the said parish of Solihull, and partly by the new parish of Saint James, Shirley, in the said county of Warwick, and in the said diocese of Birmingham.

"II. And also all that contiguous portion of the said parish of Solihull which is bounded upon the west by the said detached portion of the parish of Bickenhill, and upon the remaining sides, that is to say, upon the north-east and upon the south-east, by an imaginary line commencing at the point where the boundary which divides the said detached portion of the parish of Bickenhill from the said parish of Solihull crosses the middle of the Warwick and Birmingham Canal, and extending thence south-eastward along the middle of the said canal for a distance of fifty-five chains or thereabouts to the centre of the bridge which carries the road called Dove House-lane, across such canal, and extending thence south-westward along the middle of Dove House-lane for a distance of forty-eight chains or thereabouts to its junction with the road leading from Birmingham to Warwick, and extending thence southward along the middle of such last mentioned road for a distance of three chains and a half or thereabouts to its junction with the road called Grange-lane, and extending thence south-westward along the middle of Grange-lane, for a distance of nineteen chains and a half or thereabouts to the centre of the bridge which carries such road across the stream flowing into the southern end of the Olton Reservoir, upon the boundary which divides the said parish of Solihull from the said detached portion of the parish of Bickenhill."

And whereas the said representation has been approved by His Majesty in Council: now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Birmingham.

At the Court at *Buckingham Palace*, the 21st day of *December*, 1907.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by the Burial Act, 1853, as amended by the Burial Act, 1900, it was enacted that, in case it appeared to His Majesty in Council, upon the representation of the Local Government Board, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of the Local Government Board, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it should be lawful for His Majesty, by and with the advice of His Privy Council, to order that no new burial-ground should be opened in any city or town, or within such limits, without such previous approval, or (as the case might require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, should be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances might require; provided always that notice of such representation, and of the time when it should please His Majesty to order that the same be taken into consideration by the

Privy Council, should be published in the London Gazette, and should be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation was so considered; provided also that no such representation should be made in relation to the burial-ground of any parish until ten days' previous notice of the intention to make such representation should have been given to the Incumbent and vestry clerk or churchwardens of such parish:

And whereas the Local Government Board, after giving to the Incumbent and the Churchwardens of the parish of Sedgfield, in the county of Durham, and of the parish of Saint Margaret, Marton, in the Parts of Lindsey, ten days' previous notice of their intention to make such representations, made representations stating that, for the protection of the public health, no new burial grounds should be opened in the civil parishes of Sedgfield and Marton, without the previous approval of the Local Government Board, and that burials should be discontinued in the said parishes as hereinafter directed:

And whereas His Majesty was pleased, by His Order in Council of the second day of November last, to give notice of such representations, and to order that the same should be taken into consideration by a Committee of the Lords of His Majesty's Most Honourable Privy Council, on the sixteenth day of December, one thousand nine hundred and seven, and such Order has been published in the London Gazette, and copies thereof have been affixed, as required by the said Act:

Now, therefore, His Majesty, by and with the advice of His Privy Council, is pleased to order, as it is hereby ordered, that no new burial-ground shall be opened in the said civil parishes without the previous approval of the Local Government Board, and that burials in the said parishes shall be discontinued as follows, viz.:—

**SEDGFIELD.**—Forthwith and entirely in the burial ground known as the Sedgfield Church Cemetery, in the county of Durham, except as follows:—

(a.) In any vault or walled grave now existing in the said burial ground burial may be allowed subject to the condition that every coffin buried in such vault or grave be separately enclosed by stonework or brickwork properly cemented:

(b.) In any earthen grave now existing in the said burial ground the burial may be allowed, at or below the depth of five feet from the surface of the ground, of the body of any member of the family of the person or persons heretofore buried in such grave;

(c.) In the said burial ground, in grave spaces in which no interment has heretofore taken place, the burial may be allowed, at or below the depth of five feet from the surface of the ground, of the bodies of John Burdon, Simon Locke, James Hughes, Aaron Brass, Richard Smith, and Thomas Maughan at their decease.

**MARTON.**—Forthwith and entirely in the parish church of Saint Margaret, Marton, in the Parts of Lindsey, and in the adjoining churchyard.

*A. W. FitzRoy.*

At the Court at *Buckingham Palace*, the 21st day of *December*, 1907.

PRESENT,

The KING's Most Excellent Majesty in Council.

**WHEREAS** the Local Government Board, after giving to the Incumbent and the Churchwardens of the parish of All Saints, Stoke Ferry, in the county of Norfolk, ten days' previous notice of their intention to make such representation, have, under the provisions of the Burial Act, 1853, made a representation stating that, for the protection of the public health, no new burial grounds should be opened in the civil parish of Stoke Ferry, without the previous approval of the Local Government Board, and that burials should be discontinued therein, as follows, viz.:—

**STOKE FERRY.**—Forthwith and entirely in the Parish Church of All Saints, Stoke Ferry, and in the churchyard; and in the burial ground known as the church cemetery, except as follows:—

(a.) In any vault or walled grave now existing in the said churchyard or church cemetery, burial may be allowed subject to the condition that every coffin buried in such vault or grave be separately enclosed by stonework or brickwork properly cemented:

(b.) In any earthen grave now existing in the said church cemetery the burial may be allowed of the body of any member of the family of the person or persons heretofore buried in such grave, subject to the condition that no part of the coffin containing the body shall be at a depth less than three feet below the level of the surface of the ground adjoining the grave.

Now, therefore, His Majesty in Council is pleased hereby to give notice of such representation, and to order that the same be taken into consideration by a Committee of the Lords of His Majesty's Most Honourable Privy Council on the tenth day of February next.

And His Majesty is further pleased to direct that this Order be forthwith published in the London Gazette, and that copies thereof be affixed on the doors of the churches or chapels of, or on some conspicuous places within, the parish affected by such representation one month before the said tenth day of February.

*A. W. FitzRoy.*

At the Court at *Buckingham Palace*, the 21st day of *December*, 1907.

PRESENT,

The KING's Most Excellent Majesty in Council.

**WHEREAS** there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the twenty-first day of November, one thousand nine hundred and seven, in the words following, viz.:—

"Whereas by section three of the Naval and Marine Pay and Pensions Act, 1865, it is enacted *inter alia* that all pay, pensions or other allowances in the nature thereof payable in respect of services in Your Majesty's Naval or Royal Marine Forces to a person being or having been an Officer, seaman, or marine therein shall be paid in such manner and subject to such

restrictions, conditions, and provisions, as are from time to time directed by Order in Council.

"And whereas by Your Majesty's Order in Council of the eleventh day of August, one thousand nine hundred and three, we are authorized to pay an allowance of two shillings and six pence a day to officers of Your Majesty's Royal Marine Forces who may be employed as Instructors of Wireless Telegraphy on the Staffs of Your Majesty's Torpedo Schools.

"And whereas we are of opinion that payment of this allowance should be extended to Officers of the Royal Marines when employed as Instructors of Wireless Telegraphy elsewhere than on the Staffs of the Torpedo Schools.

"And whereas we also find it necessary to employ Officers of the Royal Marines as Assistants for Wireless Telegraphy duties in Your Majesty's Fleet: and we are of opinion that the extra responsibility thus imposed upon these Officers merits additional remuneration.

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the following proposals:—

"(1.) That we be authorized to grant the allowance of two shillings and six pence a day to officers of the Royal Marines employed as Instructors of Wireless Telegraphy in such appointments as we may see fit, and in such numbers as may from time to time be determined by us with the concurrence of the Lords Commissioners of Your Majesty's Treasury.

"(2.) That in the case of an officer of the Royal Marines who has been employed as Instructor of Wireless Telegraphy in an appointment other than on the Staff of a Torpedo School, payment of this allowance may take effect from the twenty-second day of July, one thousand nine hundred and six, the date on which the Officer in question actually commenced the duties.

"(3.) That an allowance of one shilling a day be granted to every Officer of the Royal Marines actually employed as Assistant for Wireless Telegraphy duties in Your Majesty's Fleet.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

A. W. FitzRoy.

At the Court at *Buckingham Palace*, the 21st day of *December*, 1907.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the thirteenth day of December, one thousand nine hundred and seven, in the words following, viz.:—

"Whereas by Section three of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions, or other allowances in the nature thereof payable in respect of

services in Your Majesty's Naval or Royal Marine Forces to a person being or having been an Officer, seaman or marine therein, shall be paid in such manner, and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

"And whereas we have had under our consideration the duties performed by the Engineer Commander borne for Fleet duties on the China station:

"And whereas we are of opinion that the nature and responsibility of those duties merit recognition by the grant of extra remuneration:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction an allowance of five shillings a day in addition to full pay being granted to the Officer in question so long as no Engineer Captain is borne for Fleet duties on the China station, such allowance to take effect from the first day of April, one thousand nine hundred and seven.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal:—"

His Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

A. W. FitzRoy.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the seventeenth day of December, one thousand nine hundred and seven, in the words following, viz.:—

"Whereas by section three of the Naval and Marine Pay and Pensions Act, 1865, it is enacted *inter alia* that all pay, pensions, and other allowances in the nature thereof, payable in respect of services in Your Majesty's Naval and Marine Forces to a person being or having been an Officer, seaman, or marine therein, shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

"And whereas by Your Orders in Council of the ninth day of October, one thousand nine hundred and three, and the twenty-second day of October, one thousand nine hundred and six, Your Majesty was graciously pleased to sanction the payment of certain allowances to the Engineer Officers appointed for the supervision of the Mechanical Training Establishments for Boy Artificers and Mechanicians.

"And whereas we are of opinion that the increase of work in these Establishments now necessitates the grant of extra remuneration also to the junior Engineer Officers appointed thereto for instructional duties:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the payment

of special allowances at the rate of two shillings a day; in compensation for loss of charge pay, to each of the junior Engineer Officers appointed for instructional duties in these Establishments.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the eighteenth day of December, one thousand nine hundred and seven, in the words following, viz:—

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted *inter alia* that all pay, pensions, or other allowances in the nature thereof payable in respect of services in Your Majesty's Naval or Royal Marine Forces to a person being or having been an officer, seaman, or marine therein shall be paid in such manner, and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

"And whereas we have had under our consideration the rule in the Regulations for the Government of Your Majesty's Naval Service which provides for the time served as petty officer to be doubled for pension purposes subject to certain conditions being fulfilled, one of these being that the petty officer's character must have been 'very good' for the last year of his service, or, if invalided, in his last ship:

"And whereas we are of opinion that this character stipulation tends to be unfair in its incidence and may entail excessive punishment for an offence affecting the assessment of character:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction an amendment of the rule so that petty officer time may be doubled for pension purposes with the exception of any such service for which the petty officer's character is assessed below 'very good,' this amendment to be applied at our discretion to men now serving and to any who have been pensioned as petty officers since thirtieth June, one thousand nine hundred and seven.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

"And whereas Your Majesty, by Your Order in Council of the twenty-eighth day of March, one thousand nine hundred and three, was graciously pleased to sanction the establishment of the rating of Boy Artificer and to lay down regulations for their advancement:

"And whereas we are of opinion that it is desirable to modify the regulations of advancement shown therein:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the following rules being substituted for those laid down in section one, clauses one to four, of the above-mentioned Order in Council, viz:—

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the thirtieth day of November, one thousand nine hundred and seven, in the words following, viz. :—

"Whereas by section three of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, wages, pensions or other allowances in the nature thereof payable in respect of services in Your Majesty's Naval and Marine Forces to a person being or having been an Officer, seaman or marine, shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council :

"And whereas under the Regulations governing Your Majesty's Naval Service a Long Service and Good Conduct Medal, entitling the holder to an addition to pension, may be awarded to men in certain ratings who have served for fifteen years with continuous 'Very Good' character, and have been recommended for the award for the three years immediately preceding application :

"And whereas Third Class Domestics are ineligible for recommendation for this award :

"And whereas, owing to the exigencies of the Service, cases arise in which men with previous service as First and Second Class Domestic have to be employed in the rating of Third Class Domestic, and, consequently, may lose the benefit of any former recommendations for the award of the medal to them :

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the introduction of a rule allowing Third Class Domestics who can show five years' service as First or Second Class Domestics, or the two combined, and who are otherwise eligible, to be recommended for the Long Service and Good Conduct Medal, provided they are not holding the lower rating on account of misconduct, thus admitting of the award of the medal on re-employment in one of the higher ratings :

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal."

His Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

A. W. FitzRoy.

# METROPOLITAN AND CITY POLICE DISTRICTS.

## HACKNEY AND STAGE CARRIAGES.

Order, dated 30th December, 1907, made by the Secretary of State in pursuance of the Metropolitan Public Carriage Act, 1869 (32 and 33 Vict. c. 115), and the London Cab and Stage Carriage Act, 1907 (7 Edwd. VII, c. 55).

### Part I.

#### Licensing of Cabs and Stage Carriages.

In pursuance of sections 6 and 11 of the Metropolitan Public Carriage Act, 1869, I hereby prescribe as follows:—

1. A Licence for a Cab or a Stage Carriage may be granted to any person by the Commissioner of Police of the Metropolis, hereinafter referred to as the Commissioner, subject to the following exceptions:—

(a) A Licence shall not be granted to any person under the age of 21 years, and any Licence so granted shall be void.

(b) The Commissioner may at his discretion refuse a Licence to any person who has been convicted of a felony, misdemeanour, or of cruelty to animals, or who, having previously held a Licence for a Cab or a Stage Carriage, has had such previous Licence revoked or suspended.

2. A person desirous of obtaining a Licence for a Cab or a Stage Carriage, shall make application at the office of the Commissioner.

Such application, if for a Cab Licence, shall be in the form contained in Schedule A, hereto; or, if for a Stage Carriage Licence, shall be in the form contained in Schedule B, hereto.

3. The price of a Licence for a Cab or a Stage Carriage is £2.

4. If the application is approved by the Commissioner, the applicant shall pay the said sum of £2 to the Receiver for the Metropolitan Police District, or to some person whom such Receiver shall appoint, who shall issue to the applicant a receipt for the amount paid.

5. The applicant shall then bring the carriage, to which he desires the Licence shall attach, to the Police Station of the district for examination by the Inspector of Public Carriages, or to such other place as the Commissioner may direct, and shall, at the same time, deliver to the said Inspector the said application and receipt. The said Inspector, if he shall find such carriage fit for public use, shall cause a metal plate, bearing the number which is to distinguish such carriage, and hereinafter called the number plate, to be affixed thereto in his presence, together with such approval mark as the Commissioner may from time to time direct, and shall sign a certificate in the form contained in Schedule C hereto.

Such number plate shall be fixed, in the case of a four-wheeled Cab, on the back thereof; in the case of a hansom Cab, on the spring-block on the back, under the driver's seat. A number plate shall also be fixed to be visible from the inside of every such carriage. In the case of a Stage Carriage the number plate shall be affixed on the back thereof.

6. In the case of a Cab, the said Inspector shall at the same time cause to be affixed to the carriage a plate (hereinafter called the fare plate) setting forth the particulars of fares which may be demanded by the driver from the hirer.

Such fare plate shall be affixed in a convenient and conspicuous place to be approved by the Commissioner.

7. A Licence (subject to the conditions hereinafter specified) shall thereupon be issued to the applicant.

8. A Licence for a Cab shall be in the form contained in Schedule D hereto; and for a Stage Carriage shall be in the form contained in Schedule E hereto.

9. An application for a Licence on behalf of any Co-partnership or Company shall be made by, and such Licence shall be issued to, the Senior Partner, or to the Secretary or Manager of the Company, as the case may be; and the person to whom a Licence shall be so issued shall be responsible for the observance of the conditions under which the Licence is granted, and shall be liable to all penalties for breaches of such conditions as if he were the person solely interested in the Licence.

10. In the case of the death of any Proprietor during the currency of his Licence, the Licence shall be brought to the Office of the Commissioner, and the Commissioner may by endorsement thereon transfer the Licence to the personal representatives of the deceased proprietor, or to his widow or child, if such child is of age. In like manner in the case of the marriage of a female proprietor during the currency of her Licence, her Licence may be transferred to her husband. In the case of a Company, the Licence may be transferred from the Secretary or Manager to his successor.

11. A Licence granted in respect of any Public Carriage under this part of the Order shall be subject to the following conditions:—

(a) The proprietor thereof shall not permit or suffer the carriage to be sub-let; provided that this condition shall not prevent a proprietor who has been registered with, and specially approved by the Commissioner, from lending or letting a licensed vehicle to another proprietor for a period not exceeding twenty-one days, if notice in writing of such lending or letting be sent to the Commissioner one clear day before the loan or letting, giving the name of the proprietor to whom the carriage is proposed to be lent or let.

The Commissioner may in his discretion refuse such special approval, and may also in his discretion withdraw the approval which authorised a proprietor to sub-let.

(b) The Proprietor shall, if during the currency of the Licence he changes his address, within seven days from such change, bring his Licence to the Office of the Commissioner, and the Commissioner shall thereupon endorse the Licence with the new address. The address mentioned in or last endorsed upon the Licence shall, for all purposes connected with the Licence, be deemed to be the address of the Proprietor of the Public Carriage to which such Licence refers.

(c) The Proprietor—

(1) Shall not knowingly permit his Carriage to be used for an illegal purpose.

(2) Shall not deface his Licence by erasure or otherwise.

(3) Shall at all times, when required, produce his Licence and the Licence of the Drivers or Conductors in his employ to the Commissioner, or to such persons as he may appoint.

(4) Shall at all reasonable times allow to all persons appointed by the Commissioner to be Inspectors of Public Carriages free access

to his premises and stables for the purpose of inspecting the Public Carriage to which the Licence relates, the horses, if any, used for drawing the same and their harness.

(5) Shall within three days after a notice shall have been delivered to him personally or left at the address mentioned in or last endorsed upon his Licence, deliver up his Licence to the Inspector of Public Carriages at the Police Station of the District within which the place of his address so mentioned or endorsed is situate, and shall bring the Public Carriage to the same Police Station in order that the plates may be unfixed and delivered up to the Inspector of Public Carriages.

(d) The Proprietor of any Cab or Stage Carriage shall not conceal or remove any plate affixed to such Carriage in pursuance of this Order, or alter or obliterate any number or mark thereupon, or any mark placed upon such Carriage by the authority of the Commissioner.

The Proprietor shall not permit or suffer any person, except such as are authorised by the Commissioner, to alter or remove any of the plates or marks required by this Order.

(e) The Proprietor shall keep the carriage and all its furniture and appointments, and the harness of the horse or horses, if any, drawing the same, in perfect order and repair, and shall not suffer any person, or object, or any printed, written, or other matter to appear on the outside or inside of the Carriage, or upon the harness or horses, by way of advertisement, except such, if any, as shall be approved by the Commissioner.

(f) The Proprietor of a Cab shall not employ as a driver of such carriage any person unless he be licensed in accordance with Schedule H of this Order, nor shall he employ such person to drive carriages of a type other than those mentioned in or endorsed upon the Licence.

(g) The Proprietor of a Stage Carriage shall not employ as a driver of such Carriage any person unless he be licensed in accordance with Schedule F of this Order, nor shall he employ such person to drive carriages of a type other than those mentioned in or endorsed upon the Licence.

12. Any Licence defaced or on which there is an erasure shall be void.

13. Licences granted under this part of the Order shall be liable to revocation or suspension by the Commissioner in the following events:—

(I) If the Proprietor fails to comply with the conditions on which the Licence is granted as prescribed in section 11 of this Order;

(II) In any of the events in which a Licence for a Cab or a Stage Carriage might have been revoked or suspended at the time of the passing of the Metropolitan Public Carriage Act, 1869;

(III) If the Proprietor commits a breach of the said Act or of this Order, or is convicted of felony or a misdemeanour.

14. In pursuance of section 3 of the London Cab and Stage Carriage Act, 1907, I hereby order that all Acts and Orders relating to Stage Carriages in London shall apply to:—

(I) Every carriage using a Tramway or Light Railway;

(II) and every carriage constructed in the form of an omnibus, char-a-bancs, wagonette, cab, or other vehicle which is intended or used for the conveyance of passengers and which plies for hire in any street, road, or place, and

in which the passengers or any of them are charged to pay separate and distinct or at the rate of separate and distinct fares for their respective places or seats therein, and which on every journey goes to or comes from some town or place beyond London.

Provided that nothing in this Order shall apply to a four-horse coach known as a stage coach or to any other vehicle or class of vehicle which shall from time to time be specially exempted from its provisions by order under my hand.

## Part II.

### Licensing of Drivers of Cabs and of Drivers and Conductors of Stage Carriages.

In pursuance of Section 8 of the Metropolitan Public Carriage Act, 1869, I hereby prescribe as follows:—

15. Licences to act as Driver or Conductor of a Stage Carriage, or as a Driver of a Cab may be granted by the Commissioner, provided that the applicant be not less than 21 years of age.

16. Licences so granted shall be respectively in the forms contained in the Schedules F, G, and H, to this Order, and shall, if not revoked or suspended, be in force for one year from the date thereof; and for every such Licence there shall be paid to the Receiver for the Metropolitan Police District, or to such person as he shall appoint, the sum of Five Shillings.

17. Every Licence granted to a Driver or Conductor shall be subject to revocation or suspension for any period of time by any Justice of the Peace in any of the events in which a Licence granted to a Driver of a Cab, or a Driver or Conductor of a Stage Carriage in pursuance of any Act of Parliament might, at the passing of the Metropolitan Public Carriage Act, 1869, be revoked or suspended, and also by any Justice of the Peace in the event of any breach of this Order or of any of the provisions of the said Metropolitan Public Carriage Act, 1869, or of the London Cab and Stage Carriage Act, 1907.

18. Any Licence granted under this part of the Order shall also be subject to revocation by the Commissioner should the Driver or Conductor become in the opinion of the Commissioner unable to exercise his calling without risk to the public.

19. A copy of the Licence shall be issued to every Driver and Conductor.

## Part III.

### Regulations as to Cabs and Stage Carriages.

In pursuance of section 9 of the Metropolitan Public Carriage Act, 1869, and of section 1 of the London Cab and Stage Carriage Act, 1907, I hereby make the following regulations:—

20. The Proprietor shall cause to be painted at the back of his Cab, on the outside, the number of persons which the Cab is licensed to carry.

If the Proprietor suffers his Cab to ply for hire without such number so painted, he shall be deemed to have committed a breach of this Order.

21. If a Cab carry a greater number of persons than the number which it is licensed to carry, the driver, and also the proprietor, if he be cognizant of the fact, shall be deemed to have committed a breach of this Order.

For the purpose of this Regulation, one child or two children under 10 years of age shall count as one person.

22. The Driver of a Motor Cab shall not permit or suffer any other person to be on the driving box.

23. The Proprietor shall supply a sufficient number of tickets in the following form, and no other, for the use of any person hiring the Cab, and the Driver shall, if so required, deliver one such ticket, and no other, to the hirer :—

CAB, No. \_\_\_\_\_

Proprietor's Name \_\_\_\_\_

Address \_\_\_\_\_

(The particulars required to complete above to be legibly written or printed.)

Magistrates are empowered to hear and determine complaints between hirers and drivers. Applications respecting property left in Cabs should be made personally or by letter to the Lost Property Office, New Scotland Yard, S.W.

24. The Proprietor of a Public Carriage shall within three days after the expiration of the period for which the Licence shall have been granted, deliver up his Licence to the Inspector of Public Carriages at the Police Station of the District within which the place of his address, mentioned in or last endorsed upon the Licence, is situate, and shall bring the Public Carriage to the same Police Station in order that the plates may be unfixed and delivered up to the Inspector of Public Carriages.

NOTE.—Nothing in this Clause shall exempt the Proprietor from any penalty to which he might be liable for using, or permitting the use of an unlicensed carriage.

25. Immediately after the termination of any hiring, the Driver of a Cab, and immediately after the termination of any journey, the Conductor of a Stage Carriage, or if there be no Conductor, the Driver, shall carefully search the Carriage for any property which may have been accidentally left therein, and shall within 24 hours, deposit such property, if not sooner claimed by the owner, in the state in which he finds it, at any Police Station.

26. Any passenger who finds property accidentally left in a Stage Carriage shall immediately hand the same to the Conductor, or if there be no Conductor, to the Driver, who shall within the period before stated, if not sooner claimed by the owner, deposit the property, in the state in which it was found, at any Police Station, and truly state the particulars of such finding.

27. During the period between one hour after sunset and one hour before sunrise no Driver of a Cab shall ply for hire unless the Carriage under his charge be provided with a lamp properly trimmed and lighted. Such lamp shall be fixed outside the Carriage in such a manner as to exhibit a white light to the front. If one lamp only be carried outside, it shall be fixed on the right or off side of the Carriage.

28. The Driver or Conductor of a Stage Carriage, or the driver of a Cab shall not conceal or remove any plate affixed to such Carriage in pursuance of this Order, or alter or obliterate any number or mark thereupon, or any mark placed on such Carriage by the authority of the Commissioner.

29. The Driver of a Cab or a Stage Carriage shall drive carriages of such type only as are specified in the Licence, or in the endorsements made thereon by direction of the Commissioner,

30. A Driver or Conductor shall at all times during his employment and when appearing before a Magistrate have in his possession a copy of the Licence issued to him in pursuance of Part II of this Order, and shall on demand by the Officer in charge for the time being of any Police Station, or by any Police Officer specially authorised by the Commissioner, produce the same, and allow the writing and photograph thereon to be inspected. If he neglects or fails to produce the copy as aforesaid he shall be deemed to have committed a breach of this Order.

31. In pursuance of section 10 of the Metropolitan Public Carriage Act, 1869, I hereby annex a penalty, not exceeding Forty Shillings, for the breach of any regulation or regulations made by Part III of this Order.

#### Part IV.

##### Cab Fares, Hiring, &c.

32. The Hiring of a Cab not fitted with a Taximeter recording the fare by a combination of time and distance, shall be by Distance or by Time as the Hirer may express at the commencement of the Hiring; but, unless expressed to be by Time shall be taken to be by Distance.

The fare for the Hiring of a Cab not fitted with such a Taximeter shall be in accordance with the scale set forth in Schedule I to this Order.

33. The fare for the Hiring of a Cab fitted with a Taximeter recording the same by a combination of Time and Distance, shall be in accordance with the scale set forth in Schedules K and L to this Order.
