CITY OF BATH.

THE BATH ELECTRIC LIGHTING ORDER, 1896.

Notice of intention to transfer Undertaking.

The Mayor, Aldermen, and Citizens of the city of Bath, acting by the Council as the Undertakers for the purposes of the Bath Electric Lighting Order, 1896, hereby give notice, pursuant to s. 59 of such Order, that it is their intention to transfer with the consent of the Board of Trade, by deed to be approved by the Board, to the Bath and District Electric Supply Company Limited, their powers, duties, liabilities and works under the said Order, but not any sinking fund or reserve funds or balance at any bank on capital account relating to the Undertaking.

The following are the particulars of the proposed transfer required to be given by the said section 59 of the Order:—

1. The area affected will be the area of supply under the said Order, namely, the whole of the city of Bath.

2. The transfer is proposed to be in perpetuity and to be carried into effect by way of a lease for the term of 30 years from the 31st March, 1908, after which period the Undertaking is to be transferred to the Company absolutely provided that there has been no breach of covenant.

3. The consideration will be the sum of £162,939, of which the sum of £22,500 has been paid as a deposit on the signing of the agreement for such lease, and the remainder will be paid by 30 annual instalments, covering principal and interest at $3\frac{1}{2}$ per cent. per annum on the balance remaining unpaid reserved as rent during the period of the lease. The Company will also supply to the Corporation a certain amount of energy free of cost.

4. It is proposed that the following sections of the Order shall not apply to the Company, other provisions more appropriate to a company being inserted in the transfer, viz.:—

Section 18 as to failure to lay mains, etc.

Section 28 as to remuneration of electric inspectors.

Section 32 as to testing stations.

Section 52 as to applications of revenue.

Section 53 as to application of capital moneys.

Section 54 so far as relates to the authentication of any notice, order, or document by the Corporation.

Section 59 as to transfer of powers.

Section 68 incorporating sections 264 and 265 of the Public Health Act, 1875.

Section 72 relating to the purchase by the Corporation of the lands, buildings, and property of the City of Bath Electric Lighting and Engineering Co. Limited.

It is also proposed that the transfer shall contain the usual covenants and provisions contained in leases, also provisions that the price to be charged by the Company for public lighting shall be settled by agreement between the Corporation and the Company; that the present scale of charges for energy shall be the maximum charged to private consumers; that all surplus profits of the Company, after the payment of a 4 per cent. dividend on their ordinary shares, shall be applied in reducing such charges until the price has been reduced from 5d. to 4d. per unit; that the consumers of the city of Bath shall receive from the Company as favourable terms as any other area within the areas of supply of the Company, excluding Bristol and Kingswood; that the Company shall not transfer to or join any other company supplying light in the city of Bath; that the Company will spend at least £30,000 in extensions within 18 months from the execution of the lease, £20,000 of which is to be spent on works within the city of Bath; that the undertaking shall be efficiently managed, and a generating station or sub-station maintained in Bath capable of generating energy equal to the maximum demand of the previous year; and that the Company may, on giving not less than three months' notice, pay any sum not less than £5,000 in advance in permanent reduction of the rent.

A draft of the above mentioned deed will be kept deposited for inspection, and printed copies of the same will be kept for sale at the price of 6d. each, at the office of me, the undersigned, at the Guildhall, Bath, during the usual office hours, for the period of one month from the date hereof.
