(38 Vic., cap. 17.)

### CARDIFF.

Order of Secretary of State making Bye-laws as to the conveyance of Explosives within the jurisdiction of the Lord Mayor and Corporation of the city of Cardiff.

Whereas by Part I (section 37) of the Explosives Act, 1875, it is provided that the Secretary of State may from time to time make bye-laws for regulating the conveyance of gunpowder in any case in which bye-laws made under any other provision of the Act do not apply:—

And whereas by Part II (section 39) of the Act, it is declared that, subject to the provisions subsequently in Part II of the Act contained, Part I of the Act relating to gunpowder shall apply to every other description of explosive in like manner as if the provisions of Part I were re-enacted in Part II with the substitution of that description of explosive for gunpowder:

And whereas it has been represented to the Secretary of State that some special bye-laws are required for the regulation of the conveyance of explosives in the city and borough of Cardiff:

Now, therefore, I, one of His Majesty's Principal Secretaries of State, hereby order that the following bye-laws shall be observed with respect to the conveyance of gunpowder and other explosives within the jurisdiction of the Lord Mayor and Corporation of the said city of Cardiff:

#### BYE-LAWS.

1. A person shall not convey, or cause to be conveyed, gunpowder or any explosives on any road within the city of Cardiff, unless he has given at least eight hours notice in writing of such conveyance to the Officer duly appointed under the Act for the said city. Such notice shall state the name and quantity of the explosives which are proposed to be conveyed, and the name and address of the owner thereof.

Provided that this bye-law shall not apply to quantities of gunpowder or small-arm nitro-compound not exceeding 200 lbs. in weight; or to safety cartridges and other explosives of Class VI, Division I; or to manufactured fire-works.

Provided also that, if in the opinion of the said Officer, the time of notice may in case of emergency and with due regard to the public be safely reduced, he may at his discretion grant a reduction of such time to not less than four hours.

2. All carriages, harness and the animals attached thereto, used for the conveyance of explosives in the city of Cardiff, shall be in good condition, and sufficiently strong and capable of drawing and bearing the loads they are intended to convey.

3. In the event of any breach (by any act or default) of either of the foregoing bye-laws, or of any attempt to commit such breach:

(a) the explosive in respect of which, or being on the carriage in respect of which the offence is committed may be forfeited; and

(b) the person committing the offence shall be liable to a penalty not exceeding, in the case of the first offence, £10, and in the case of a second or subsequent offence, £20.

The following persons are liable to the said penalties, namely:—The owner of such carriage, the person in charge thereof, and the owner of the explosive, unless such person proves that he has supplied proper means, and has used due diligence to enforce the observance of these bye-laws.

4. Where in these bye-laws an explosive is described as belonging to a particular class and division, reference is made to the Classification of Explosives contained in an Order in Council (No. 1) made in pursuance of section 106 of the Act.

5. This order shall come into operation on the 1st of September, 1908.
