Secondly.—It is ordained that the Decoration shall be suspended on the left breast from a silver Oak bar-brooch by a green riband of one inch and a half in width with a yellow stripe down the centre.

They shall also during the first 5 days after arrival in this country daily apply to the health committee or an officer of the same at any place where they stay over night or more than 12 hours. Such notice is to be given direct or indirect through the one who receives travellers as boarders.

4. Before the quarantine flag is allowed to be hoisted down on any vessel which is not put in quarantine, the quarantine commission or the examining doctor, custom house officer, or pilot foreman, shall fill in a card for each traveller who in accordance with above rules has to report himself. Provided the traveller intends, before 5 days, to leave the place of landing, the one who has issued the card has to inform the health committee at the place where the traveller intends to stay at night, or more than 12 hours.

A list of the persons who intend to stay ashore or leave the vessel, is to be sent with information regarding the destination of such persons to the civil medical director.

These measures are to be enforced immediately.
