ORDER OF THE BOARD OF  
AGRICULTURE AND FISHERIES.

(DATED 17TH NOVEMBER 1908.)

HERTFORDSHIRE (CONTROL OF DOGS)  
ORDER OF 1908.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1903, the Dogs Act, 1906, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

*Power to make Regulations.*

1.—(1.) The Local Authority of either of the Districts specified in the Schedule to this Order may, in accordance with the provisions of this Order, make Regulations, with a view to the prevention of worrying of cattle (including sheep), for requiring that dogs or any class of dogs shall, during all or any of the hours between sunset and sunrise, be kept by the owners thereof under control in manner prescribed by the Regulations.

(2.) The Regulations may apply to the whole or any part of the District, and may exempt any class of dogs either generally or under prescribed conditions.

*Confirmation of Regulations.*

2.—(1.) Regulations made under this Order shall not take effect unless and until they have been submitted to and confirmed by the Board of Agriculture and Fisheries.

(2.) Unless the Board otherwise direct, the following provisions shall apply—

(i.) Notice of intention to apply for confirmation of any Regulations shall be given in one or more of the local newspapers circulating within the District in two successive issues two weeks at least before the making of the application.

(ii.) For two weeks at least before an application, a copy of the Regulations proposed to be confirmed shall be kept at the office of the Local Authority of the District, and be open during office hours thereat to the inspection of ratepayers of the District without fee or reward.

(iii.) The Clerk of the Local Authority shall on the application of any such ratepayer furnish him with a copy of the proposed Regulations on payment of sixpence.

(3.) A copy of any Regulations made by a Local Authority under this Order, signed and certified by the Clerk of that Local Authority to be a true copy and to have been duly confirmed, shall be evidence, until the contrary is proved, in all legal proceedings, of the due making, confirmation, and existence of the Regulations, without further or other proof.

*Seizure of Dogs where Regulations are Contravened.*

3. Any dog in respect of which an offence is being committed against a Regulation made under this Order may be seized and treated as a stray dog under the powers conferred by section three of the Dogs Act, 1906.

*Extension of Definition in Diseases of Animals Act, 1894.*

4. Dogs shall be animals for the purposes of the following sections of the Diseases of Animals Act, 1894 (namely):—

Section forty-three (powers of police);  
Section forty-four (powers of inspectors);  
and also for the purposes of all other sections of

the said Act containing provisions relative to or consequent on the provisions of those sections and this Order, including such sections as relate to offences and legal proceedings.

*Local Authority to enforce Order.*

5. The provisions of this Order shall be executed and enforced by the Local Authority.

*Short Title.*

6. This Order may be cited as the HERTFORDSHIRE (CONTROL OF DOGS) ORDER OF 1908.

In witness whereof the Board of Agriculture and Fisheries have hereunto set their Official Seal this seventeenth day of November, nineteen hundred and eight.

ORDER OF THE BOARD OF  
AGRICULTURE AND FISHERIES.

(DATED 17TH NOVEMBER 1908.)

TILBURY ALLOTMENT GARDENS  
(SWINE-FEVER) ORDER OF 1908.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1903, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

*Premises to which this Order applies.*

1.—(1.) This Order shall apply to the premises described in the Schedule hereto, and also to any other premises in the parish of Chadwell, in the administrative county of Essex, to which the Order may be applied by a Notice to that effect signed by an Inspector of the Board or of the Local Authority of the county of Essex, and served upon the occupier of the premises described in such Notice.

(2.) This Order shall cease to apply to any premises upon service on the occupier thereof of a Notice to that effect signed by an Inspector of the Board or of the said Local Authority.

(3.) A copy of every Notice served under this Article shall forthwith be sent to the Board by the Inspector signing the same.

*Restriction on Movement of Swine from or to Premises to which this Order applies.*

2. Swine shall not, except as expressly authorised by this Order, be moved from or to any premises to which this Order applies.

*Movement of Swine for Immediate Slaughter.*

3.—(1.) Swine (not being in a Swine-Fever Infected Place and their movement not being prohibited by Notice of an Inspector of the Local Authority or of the Board given under any Order of the Board) may be moved from any premises to which this Order applies in a float, cart or van to a slaughter-house situate in the parish of Chadwell, in the administrative county of Essex, for the purpose of immediate slaughter if accompanied by a licence in the Form D set forth in the First Schedule to the Swine Fever (Regulation of Movement) Order of 1908 authorising such movement, granted by an Inspector of the said Local Authority, which licence shall be in force for not more than six days inclusive of the day of issue.

(2.) Before a licence is granted by an Inspector under this Article the owner of the swine, or his agent authorised in writing for this purpose, shall sign, and deliver or send by post to the Inspector, a declaration in the Form E set forth in the First Schedule to the Swine-Fever (Regulation of Movement) Order of 1908, which shall be retained by the Inspector.

(3.) The swine shall, before the movement is commenced, be marked by and at the expense of the owner by the painting with an indelible composition of red colour of a broad line down the back and another broad line across the loins of each of the swine thus +, each line being not less than nine inches long.

(4.) The swine moved under this Article shall be moved by the nearest available route and without unnecessary delay, and shall, after their arrival at the slaughter-house, be there detained until they are slaughtered.

*Cleansing and Disinfection of Vehicle used for Conveyance of Swine.*

4.—(1.) Any float, cart or van which has been used for the conveyance of swine under the preceding Article, shall immediately after each occasion of such use be cleansed and disinfected by and at the expense of the owner of the float, cart or van as follows:

(i.) The floor of the float, cart or van and all other parts thereof with which the swine, or their droppings, have come in contact shall be scraped and swept, and the scrapings and sweepings, and all dung, sawdust, litter, and other matter shall be effectually removed therefrom; then

(ii.) The same parts of the float, cart or van shall be thoroughly washed or scrubbed or scoured with water; then

(iii.) The same parts of the float, cart or van shall be disinfected in one of the modes prescribed by the Diseases of Animals (Disinfection) Order of 1906.

(2.) The scrapings and sweepings, and the dung, sawdust, litter, and other matter removed under this Article shall forthwith be well mixed with quicklime, and be effectually removed from contact with swine.

*Movement of Swine to Premises to which this Order applies.*

5.—(1.) Swine may be moved to any premises to which this Order applies if accompanied by a licence in the Form A set forth in the First Schedule to the Swine-Fever (Regulation of Movement) Order of 1908 authorising such movement, granted by an Inspector of the Local Authority of the county of Essex, which licence shall be in force for not more than six days inclusive of the day of issue.

(2.) Swine may also be moved to any premises to which this Order applies if such movement is authorised by a licence (Form A) granted under and in accordance with the Swine-Fever (Regulation of Movement) Order of 1908.

(3.) Before a licence is granted by an Inspector under this Article, the owner of the swine, or his agent authorised in writing for this purpose, shall sign, and deliver or send by post to the Inspector, a declaration in the Form B set forth in the First Schedule to the Swine-Fever (Regulation of Movement) Order of 1908, countersigned as hereinafter provided.

(4.) The declaration shall not be effective until it is countersigned by a police officer of the district where the swine are, who, before countersigning the declaration, shall, so far as is practicable, satisfy himself as to the correctness of the statements contained therein.

(5.) The declaration shall be retained by the Inspector granting the licence thereon.

(6.) The swine moved under this Article shall be moved by the nearest available route and without unnecessary delay.

(7.) Swine while detained on premises to which this Order applies need not be kept separate from other swine.

*Production of Licences, Names and Addresses.*

6.—(1.) Any person in charge of a pig being moved, where under this Order a licence is necessary, shall, on demand of a Justice, or of a constable, or of an Inspector or other officer of the Board or of a Local Authority, produce and show to him the licence, if any, necessary for the movement, and shall allow it to be read and a copy of or extract from it to be taken by the person to whom it is produced.

(2.) Any person so in charge shall, on demand as aforesaid, give his name and address to the Justice, or constable, or Inspector or other officer.

*Local Authority to enforce Order.*

7. The provisions of this Order shall be executed and enforced by the Local Authority.

*Offences.*

8.—(1.) If a pig is moved in contravention of this Order, the owner of the pig, and the person for the time being in charge thereof, and the person causing, directing, or permitting the movement, and the person moving or conveying the pig; and the consignee or other person receiving or keeping it, knowing it to have been moved in contravention as aforesaid, and the occupier of the place from which the pig is moved, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.

(2.) If a pig is not marked as required by this Order, the owner, consignee, or other person for the time being in charge thereof, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.

(3.) If anything is done or omitted to be done in contravention of this Order in respect of the cleansing and disinfection of any float, cart or van used for the conveyance of swine, the owner, or other person for the time being in charge of the float, cart or van shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.

(4.) If any person, with a view unlawfully to evade or defeat the operation of this Order, by washing, or in any other manner, takes out, effaces, or obliterates, or attempts to take out, efface, or obliterate, any mark painted on any pig as required by this Order, the person doing the same, and the person causing, directing, or permitting the same to be done, and the owner of the pig, and the person for the time being in charge thereof, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.

(5.) If a person in charge of a pig being moved, where under this Order a licence is necessary, on demand made under this Order, fails to give his true name and address, or gives a false name or address, he shall be deemed guilty of an offence against the Act of 1894.

*Interpretation.*

9. In this Order—

“The Act of 1894” means the Diseases of Animals Act, 1894 :

THE BURLEY-IN-WHARFEDALE URBAN DISTRICT COUNCIL.

PUBLIC HEALTH ACTS AMENDMENT ACT, 1907.

WHEREAS the Urban District Council of Burley-in-Wharfedale have applied to the Local Government Board to declare certain parts and certain sections of the said Act to be in force in the Urban District of Burley-in-Wharfedale.

And whereas proof having been given to the satisfaction of the Local Government Board of the advertisement required by sub-section (2) of section 3 of the said Act, the Local Government Board, in exercise of their powers in that behalf, have made an Order, bearing date the 8th day of October, 1908, whereby they declared specified and directed:—

That on and after the day on which the said Order comes into operation, sections 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 27, 28, 29, 30, 31, 32, and 33, comprised in Part II, Part III, sections 52, 53, 54, 55, 56, 57, 58, 59, 60, 62, 63, 64, 65, 66, 67, and 68, comprised in Part IV, and sections 92, 93, and 95, comprised in Part X, of the Act of 1907, shall be in force in the Urban District of Burley-in-Wharfedale, subject to the conditions and adaptations as in the said Order is contained.

And that the said Order shall come into operation on the 19th day of November, 1908.

GEO. WILKINSON,  
Clerk to the said Council.

Burley-in-Wharfedale,  
20th November, 1908.

URBAN DISTRICT OF RUISLIP-NORTHWOOD.

PUBLIC HEALTH ACTS AMENDMENT ACT, 1907.

NOTICE is hereby given that, by an Order of the Local Government Board, dated the 10th day of November, 1908, the said Board, in exercise of their powers in that behalf, declared, specified, and directed that on and after the 22nd day of December, 1908, Part II, Part III, and Part IV, of the above mentioned Act, should be in force in the Urban District of Ruislip-Northwood, but subject as to certain sections to the conditions and adaptations mentioned in the schedule as follows:—

SCHEDULE.

Parts and Sections. Conditions and Adaptations.

1. 2.

PART II.

Section twenty-five. "The power of making or enforcing bye-laws under section one hundred and fifty-seven of the Public Health Act, 1875, as extended by section twenty-three of the Public Health Acts, Amendment Act, 1890, with respect to the paving of yards and open spaces in connection with dwelling-houses, shall cease to be exercisable."

Section twenty-seven. "(7) Nothing in this section shall apply to any temporary building erected or set up for use by the Territorial Force."

PART III.

Section thirty-five. "This section, so far as it relates to the deposit of material, shall have effect subject to the first proviso to section ninety-one of the Public Health Act, 1875."

"Bye-laws made in pursuance of section sixteen of the Local Government Act, 1888, for the prevention and suppression of nuisances shall not, in relation to any subject-matter of this section, be of any force or effect within the district."

Section thirty-eight. "Nothing in this section shall prejudicially affect any power or right exercisable by or attaching to an owner or occupier of premises by virtue of section twenty-two of the Public Health Act, 1875, or of section eighteen of the Public Health Acts Amendment Act, 1890."

PART IV.

Section fifty-nine. "(6) Nothing in this section shall apply to a public or circulating library which is not within the district."

EDMUND R. ABBOTT,

Clerk to the Urban District Council of Ruislip-Northwood.

Council Offices, Northwood, Middlesex,  
18th November, 1908.

Board of Trade.—Session 1909.

## COMPSTALL GAS.

(Provisional Order.)

(Power to Calico Printers' Association Limited to continue existing Gasworks and Construct and Maintain Additional Gasworks and to Conduct Gas Undertaking in the Parish of Compstall, in the County of Chester, and part of the Parish of Ludworth, in the County of Derby; Acquisition of Lands; Laying down of Mains, Pipes and Works; Supplying of Fittings and Apparatus; Provisions as to Price, Quality, Pressure and Testing of Gas; Supply of Gas in Bulk; Erection of Dwelling Houses for Employees; Levying of Rates, Rents and Charges; Financial Provisions; Incorporation of Acts; General and Incidental Provisions.)

NOTICE is hereby given, that application is intended to be made to the Board of Trade on or before the 23rd day of December next by the Calico Printers' Association Limited (hereinafter referred to as "the Undertakers"), for a Provisional Order (hereinafter called "the Order") under and in pursuance of the Gas and Water Works Facilities Act, 1870, and the Gas and Water Works Facilities Act (1870) Amendment Act, 1873, for all or some of the following amongst other purposes (that is to say):—

To authorize the Undertakers on the lands hereinafter described to maintain, continue, alter, enlarge, improve, renew or discontinue their existing gasworks and works connected therewith and to construct, erect, make, maintain, alter, enlarge, improve or discontinue additional gasworks, retorts, retort-houses, gas holders, receivers, purifiers, meters, apparatus and works

for the manufacture, distribution, storage, conversion and sale of gas and of coke and other residual products arising in or resulting or producible from or used in the manufacture of gas and upon such lands or some part or parts thereof to make and store gas and to make, convert and store residual products and to sell and dispose of such products.

The lands hereinbefore mentioned are as follows (that is to say):—

(1) A piece or parcel of land belonging or reputed to belong to and in the occupation of the Undertakers and upon which their existing gasworks are erected, situate in the parish and urban district of Compstall, in the county of Chester, containing 5,180 superficial yards, or thereabouts, bounded on the south by the River Etherow, on the north by the reservoir at Compstall of the Undertakers, on the west by premises of the Undertakers known as the Compstall Mills and on the east by the land next hereinafter described.

(2) A piece or parcel of land belonging or reputed to belong to and in the occupation of the Undertakers, situate in the said parish and urban district, containing 5,506 superficial yards, or thereabouts, bounded on the south by the said river, on the north by the said reservoir, on the west by the land hereinbefore described and on the east by other land belonging or reputed to belong to the Undertakers.

To authorize the Undertakers to distribute, supply and sell gas within the parish and urban district of Compstall, in the county of Chester, and that part of the parish of Ludworth in the rural district of Glossop Dale, in the county of

Derby, in which the Marple Urban District Council are by virtue of section 6 of the Marple Local Board Act, 1886, prohibited from supplying gas without such consent as is specified in the said section or within such other limits as may be prescribed by the Order (hereinafter called "the limits of supply").

To empower the Undertakers to acquire additional lands for the purposes of the Undertaking.

To empower the Undertakers to maintain, extend and renew their existing mains, pipes and apparatus and to lay down additional mains, pipes and apparatus for the supply of gas and for disposing of oil and other materials and for other ancillary purposes and for those purposes to break up, open and, interfere with streets, roads, highways (whether dedicated to the public use or not), footways, railways, canals, tramways, bridges, passages, sewers, drains and electric, telegraphic, telephonic and other mains, pipes, wires, tubes and apparatus within the limits of supply.

To empower the Undertakers to provide, sell, let for hire or otherwise deal in and fix meters, stoves, ranges, engines, dynamos, motors, pipes and other fittings and apparatus in or in connection with which gas may be used for any purpose and to exempt all such fittings and apparatus as may be let on hire from liability to distress and from being taken in execution or in bankruptcy proceedings and to provide that the same shall remain the property of and be removable by the Undertakers although fixed on the consumers' premises.

To authorize the Undertakers to levy and recover rates, rents and charges for the supply of gas and residual products, and for the supply, hire or use of meters, stoves, ranges, engines, dynamos, motors, pipes and other fittings and apparatus supplied and for work done by the Undertakers, to empower the Undertakers to take and use licences for patent inventions and generally to confer all such further and other powers as may be deemed necessary or expedient for effecting the purposes aforesaid or any of them.

To make provision in regard to the price, quality, pressure and testing of gas, the size and material of the pipes and fittings to be used by consumers, the use of anti-fluctuators, for prescribing the period of error in the case of defective gas meters, as to notices by gas consumers of intention to quit premises supplied with gas or to discontinue any supply of gas, for relieving the Undertakers from the obligation to supply persons in debt to the Undertakers, for exempting the Undertakers in certain cases from penalties for failure to comply with certain enactments and to make other provisions in regard to the supply and consumption of gas and the payment and recovery of gas and meter rents and charges.

To empower the Undertakers to supply gas in bulk or otherwise to local authorities, companies and persons within or beyond the limits of supply.

To enable the Undertakers to purchase or take on lease or to erect on any lands for the time being belonging or leased to them dwelling-houses for persons in their employ and for the purposes of their undertaking.

To make provision in regard to the capital and borrowing powers of the Undertakers in relation to the undertaking to be authorized under the Order, the amount of dividend and interest on such capital and on moneys so borrowed

and the formation and application of reserve and renewal funds and funds for special purposes.

To incorporate with the Order, with or without modification, all or any of the provisions of the Lands Clauses Acts (except the provisions thereof relating to the acquisition of lands otherwise than by agreement); the Companies Clauses Consolidation Act, 1845; the Gasworks Clauses Act, 1847; and the Gasworks Clauses Act, 1871; and to make the provisions or some of them of those Acts applicable to the existing mains and pipes of the Undertakers as well as to any of their future mains and pipes.

To vary or extinguish all rights and privileges which would impede or interfere with the objects of the intended Order and to confer other rights and privileges.

On or before the 30th day of November, 1908, a copy of this Notice as published in the London Gazette and a map showing the lands to be used for the manufacture and storage of gas and the manufacture and conversion of residual products, and a plan showing the proposed new works, will be deposited for public inspection with the Clerk of the Peace for the county of Chester at his office at Chester, and with the Clerk of the Peace for the county of Derby at his office at Derby, and copies of such Notice, map and plan will on or before the same day be deposited in the office of the Clerk of the Parliaments, House of Lords, in the Private Bill Office of the House of Commons and at the office of the Board of Trade, Whitehall, London.

Printed copies of the draft Order will be deposited at the Board of Trade on or before the 23rd day of December next and copies thereof when deposited and of the Order when made may be obtained at the price of one shilling for each copy at the offices of the undersigned.

Every company, corporation or person desirous of making any representation to the Board of Trade or of bringing before them any objection respecting this application may do so by letter addressed to the Assistant Secretary of the Railway Department of the Board of Trade, Whitehall-gardens, London, S.W., on or before the 15th day of January, 1909, and copies of such objections must at the same time be sent to the offices of either of the undersigned.

In forwarding such objections to the Board of Trade the objectors or their agents should state that a copy of the same has been sent to the promoters or their agents.

Dated this 14th day of November, 1908.

MOUNTAIN ASH URBAN DISTRICT  
COUNCIL.

(Conferring Further Powers upon the Mountain Ash Urban District Council in Relation to their Gas, Water and Electric Lighting Undertakings; Powers in regard to Laying Pipes in Private Streets; Anti-fluctuators for Gas Engines; Drainage of Lands, &c.; Inspection of Gas and Water Fittings; Supply of Electric Fittings; Free Wiring; Supply of Energy in Bulk outside the District and for Traction

Purposes; Further Powers as to Streets, Buildings, Sewers and Drains; Provisions as to Infectious Disease, and Sanitary and other Provisions; Provisions as to Milk Supply—Tuberculosis; Advertising Vehicles; Firemen's Cottages; Payment of Councillors' Travelling Expenses; Additional Borrowing Powers; Form of Mortgage; Subscriptions; Incorporation; Amendment and Repeal of Acts; and other Provisions in connection with the Local Government of the District.)

**N**OTICE is hereby given, that the Urban District Council of the urban district of Mountain Ash, in the county of Glamorgan (hereinafter referred to as "the Council"), intend to apply to Parliament in the ensuing Session for leave to introduce a Bill for the following or some of the following amongst other purposes (that is to say):—

#### Gas Provisions.

1. To confer further powers upon the Council with regard to their gas undertaking and to make further provision in connection with the manufacture and supply of gas, to prescribe the charges to be made for gas supplied through prepayment meters, to fix the standard quality of gas and to make provision for the better testing of the quality of gas supplied.

2. To require any person who has a separate supply of gas for power or other purposes to pay a minimum charge for gas supplied by the Council and to impose other terms and conditions in connection with such supply.

3. To enable the Council to lay pipes in private streets, to require gas consumers to give notice before removing, and prescribing the form of notice to be given to Council by consumer of discontinuance of a supply of gas, to empower the Council to require the use of anti-fluctuators for gas-engines and to fix the period of error in defective meters.

#### Water Provisions.

4. To confer further powers upon the Council in reference to their water undertaking and to enable the Council to lay pipes in private streets, and to authorize entry into buildings to inspect fittings by any person duly appointed for the purpose by the Council.

#### Electricity.

5. To confer further powers on the Council in reference to their electricity undertaking and to empower them to supply electric fittings, motors and apparatus and to exempt the same from distress, to enable the Council to undertake the free wiring of houses for electric lighting and other purposes, and to make such charges therefor as may be fixed by the Council or prescribed by the Bill, to alter the date for making up the accounts relating to the electric lighting undertaking of the Council, to authorize the Council to allow discounts on payments for supplies of electric light or power, to exempt the Council from liability to supply electricity to persons who are in debt to the Council, to require any person who has a separate supply from any installation other than that of the Council to pay a minimum charge for any supply he may require from the Council, and to enable the Council to impose other terms and conditions in connection with such supply.

6. To require consumers to give notice to the Council before removing from any premises supplied with electric current by the Council, to enable the Council to enter into and fulfil agreements for the supply of electric energy in

bulk or otherwise to local authorities, companies or persons outside the district, to authorize the Council on the one hand and any local authority, company or person on the other hand to enter into and fulfil agreements for the supply of electric energy for traction purposes and to execute any necessary works for the carrying of any such agreement into effect, and to make further provisions for the better carrying on of the electric undertaking of the Council.

#### Streets, Buildings, Sewers and Drains.

7. To confer on the Council new and enlarged powers, and to make further provisions with reference to the laying out of new streets, the erection of new buildings and the construction of sewers, including among others the following (that is to say):—

To prevent the formation of culs-de-sac, to enable the Council to define future line of streets, and to provide that the continuation of existing streets shall be deemed to be new streets, that no building is to be allowed in any new street unless such street has been sufficiently defined, that all new streets shall have back lanes with access thereto from the dwelling-houses in such streets, further provisions in regard to widening of new streets by owners of property on either side, as to intersecting streets, for preventing soil, sand and other debris from being washed into streets and water flowing on footpaths, to prevent the choking or silting up of watercourses, and to provide for the removal of obstructions therefrom, for prevention and removal of projections over streets, to regulate the fencing of forecourts from streets, that the elevation of all buildings erected on land which by reason of any public improvement becomes front land shall be subject to the approval of the Council, to regulate and prescribe the level at which the ground floor shall be of any building to be connected with any sewer and intended to be erected on lands where by reason of mining operations subsidences may be reasonably expected to occur, to enable the Council to lay drains in private streets and adopt private streets where the majority in number or value of the frontagers request such adoption, to provide for the maintenance and improvement of roadside wastes, to provide for the lopping of trees and shrubs overhanging streets and footpaths, to regulate the erection and prescribe the height of advertising hoardings, &c., to require courts to be flagged, and to require means of escape from buildings in case of fire, regulations as to dustbins, to extend the provisions of section 112 of the Public Health Act, 1875, so as to include the frying of fish and chipped potatoes as offensive trades, penalties on owners of houses without water supply, power to Council to require enlarged sewers, as to separate sewers, amendment of section 19 of the Public Health Acts Amendment Act, 1890, and enabling the Council to require houses to be drained by a combined drain, and to make communications between private drains and their sewers, to require soil pipes to be ventilated, penalty on persons wilfully destroying or damaging drains, waterclosets, earthclosets, privies or ashpits so as to cause a nuisance, and imposing penalties on occupiers refusing execution of Act

#### Infectious Disease and Sanitary and other Provisions.

8. To confer on the Council further powers with regard to infectious disease and sanitary and other matters, and in particular to make provision for the cleansing of children attending school and their clothing in certain cases, to prohibit infected persons carrying on business, and to enable the Council to compensate dairymen and persons ceasing employment for the purpose of preventing the spread of infectious disease, for requiring persons engaged in washing or mangling clothes to furnish lists of owners of clothes in certain cases, to enable the Council to supply antidotes to prevent the spread of infectious disease, to impose penalties on persons withholding information from the medical officer, for regulating the manufacture and sale of ice cream, and to provide for the inspection of premises of dealers in ice cream, to prohibit the storage of fruit and vegetables in insanitary places, and to prohibit the blowing or stuffing of carcases.

9. To enable the Council to close polluted wells, and to require all existing and future dwelling-houses to be provided with separate water-closets, to impose penalties for the improper construction or repair of water-closets or drains, and for wilful damage to drains and sanitary apparatus, for the provision by contractors or builders engaged in the construction, reconstruction or alteration of any building in the district of sufficient water or other closets and urinals for workmen engaged on such buildings, and to require notice to be given to the Council by owners or occupiers before altering or repairing drains, soil pipes and sanitary appliances, to prohibit certain street cries and regulate others on Sunday, and to regulate street cries on week days, to prohibit the opening of ice cream bars and sweet shops on Sunday, and to prohibit slaughtering except in the Council's slaughter-houses when provided.

10. To enable the Council to impose, enforce and recover penalties for breach or non-observance of any of the provisions of the Bill and particularly in regard to those relating to streets, buildings, sewers and drains, infectious disease and sanitary matters.

#### Milk Provisions—Tuberculosis.

11. To make provision for protecting the public against the spread of disease by the sale within the district of the milk of cows with diseased or indurated udders or suffering from generalised tuberculosis, and for taking samples of milk within the district for the purpose of bacteriological examination, and for the entry of the medical officer of the district or a specially authorized inspector into any byres or cowsheds or other places within or beyond the district where cows are kept from which milk is sent for sale within the district, to examine the cows therein for the purpose of ascertaining whether such cows suffer from diseased or indurated udders or generalised tuberculosis, and for preventing the milk of cows so affected being sent for sale within the district, and for imposing penalties with reference to the matters aforesaid.

#### Financial Provisions.

12. To authorize the Council to borrow moneys for all or any of the purposes of the Bill and to charge the moneys so proposed to be borrowed and the interest thereon on the security of any of the revenues of the Council and the district fund and general district rate,

and to provide for the repayment of such moneys and grant mortgages or debenture or annuity certificates in respect thereof, and to extend the powers of the Council in regard to borrowing under the Public Health Act, 1875, and to re-borrow.

13. To enable the Council to charge all moneys borrowed by them indifferently upon all their undertakings or revenues and the district fund and general district rate, to prescribe the use of one form of mortgage and to empower the Council to consolidate their loans and equate the period for repaying them.

#### Miscellaneous.

14. To alter the date for making up the accounts relating to the cemeteries of the Council, to extend the definition of the word "street" in the Waterworks Clauses Act, 1847, so as to include public footpaths, to impose restrictions on advertising vehicles, to enable the Council to erect cottages for firemen, to authorize the Council to pay the travelling expenses incurred by members of the Council in attending the meetings of the Council and committees, to enable the Council to grant gratuities to their officers and servants in certain cases.

15. To enable the Council to subscribe money towards hospitals, charities and other benevolent objects not exceeding such sums as may be prescribed by the Bill, and to pay other expenses reasonably incurred in the administration of local affairs.

16. To exempt the Council from liability to damages when executing works in default of owners or occupiers save in cases of negligence, to provide that recreation grounds shall be deemed to be streets for police purposes, the laying of informations, the evidence of appointments, the authentication and service of notices, the recovery of penalties and demands, the settlement of damages, the application of penalties and the determination of compensation.

17. To vary, extend or repeal all or any of the provisions of the Mountain Ash Local Board Act, 1886; the Mountain Ash Water and Gas Act, 1900; and any other Act or Order relating to the Council.

18. To vary or extinguish all rights and privileges which would interfere with any of the objects of the Bill and to confer other rights and privileges.

Printed copies of the Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

Dated this 20th day of November, 1908.

#### Board of Trade.—Session 1909.

##### LANGLEY MILL AND HEANOR GAS.

(Extension of the Limits of Supply of the Langley Mill and Heanor Gas Light and Coke Company Limited; the Acquisition of additional Lands for the Storage of Gas and Residual Products; and the Raising of Additional Capital.)

NOTICE is hereby given, that application is intended to be made to the Board of Trade on or before the 23rd day of December, 1908, by the Langley Mill and Heanor Gas Light and Coke Company Limited (whose registered office is at North-street, Langley Mill, in the county of Derby, and who are herein,

after called "the Company") for a Provisional Order under and in pursuance of the Gas and Water Works Facilities Act, 1870, and the Gas and Water Works Facilities Act (1870) Amendment Act, 1873, for all or some of the following amongst other purposes (that is to say):—

1. To extend the limits of supply of the Company and to include within such limits such part of the parish of Codnor-cum-Loscoe, in the urban district of Heanor, in the county of Derby, as is not included in the limits of supply of the Riddings District Gas Company, the whole of the parishes or places of Horsley, Woodhouse, Smalley, Smalley Common and Mapperley, and such portions of the parishes or townships of Denby, Horsley or Kilbourne (Kilburn) as are situate on the eastern side of the Midland Railway Company's line from Ripley to Derby, all in the rural district of Belper, in the said county of Derby, and the parishes or places of Stanley, Stanley Common and West Hallam, in the rural district of Shardlow, in the same county (hereinafter referred to as "the extended limits of supply"), and to authorize the Company to distribute, supply and sell gas for all purposes within the extended limits of supply from the existing or any future works of the Company.

2. To authorize the Company to exercise throughout the extended limits of supply all and the like powers, privileges, rights and authorities for and in relation to the manufacture and supply of gas, the levying, charging and recovery of rents, rates and charges, the laying down of mains, pipes and other works, the breaking up of and interference with streets, public and private roads, highways, bridges, railways, canals, tramways, sewers, drains, streams and watercourses and otherwise, but subject to all and the like duties and obligations in respect thereof as they now have and are subject to under or by virtue of the Langley Mill and Heanor Gas Order, 1886, within the limits of supply thereby authorized, with such modifications as shall be indicated in the Order.

3. To authorize the Company to acquire by agreement the lands hereinafter described within the said parishes of Codnor-cum-Loscoe and Smalley, and to hold the same for the general purposes of their undertaking, and to erect and maintain upon the said lands gas holders, with all such additional buildings, machinery, apparatus and works as may be necessary or convenient for the better distribution of gas and for the maintenance of adequate pressure, and for and incidental to the manufacture and storing of gas and residual products obtained in and from the manufacture of gas. The lands hereinbefore referred to are as follows:—

(a) A piece of land situate at Cross Hill, Codnor, in the county of Derby, in the occupation of the Company, containing by survey 1 rood and 5 perches, or thereabouts, bounded on the north by the highway from Waingroves to Cross Hill and on all other sides by lands of the Midland Railway Company, and being part of the field marked 428A on the Ordnance Map for the parish of Codnor-cum-Loscoe.

(b) A piece of land situate partly in the parish of Smalley, in the county of Derby, and partly in the parish of Morley, in the same county, containing by survey 1 acre, or thereabouts, and bounded on or towards the north by the highway from Stanley Common to Heanor, on or towards the south and west by land of

Robert Sacheverel Wilmot Sitwell, Esquire, and on or towards the east by land of the Mapperley Colliery Company Limited, and being the eastern part of the field numbered 444 on the Ordnance Map for the parish of Smalley and 22 on the Ordnance Map for the parish of Morley.

4. To authorize the Company to purchase, erect or take on lease dwelling-houses for persons in their employment and for the purposes of their undertaking.

5. To empower the Company to raise additional capital for the general purposes of their undertaking and for such other purposes as may be authorized by the Order by the creation and issue of new shares or stock and by borrowing on mortgage or by the creation and issue of debenture stock, or partly in one mode and partly in another or others, and to make further provision in relation to the capital and dividends of the Company.

6. To repeal, alter or amend the Langley Mill and Heanor Gas Order, 1886, and to incorporate with the Order, with or without modification, all or some of the provisions of the Companies Clauses Consolidation Act, 1845; the Gas Works Clauses Act, 1847; the Gas Works Clauses Act, 1871; and the Acts amending those Acts respectively.

7. To vary or extinguish all rights and privileges which would or might impede or interfere with the objects of the intended Order and to confer other rights and privileges.

On or before the 30th day of November, 1908, a copy of this Notice as published in the London Gazette, a map showing the existing and proposed limits of supply and the land at present occupied by the existing gasworks of the Company and the lands proposed to be used for the manufacture and storage of gas and residual products and a plan of the proposed works will be deposited for public inspection with the Clerk of the Peace for the county of Derby at his office at Derby, and will on or before the same day be deposited in the office of the Clerk of the Parliaments, House of Lords, in the Private Bill Office of the House of Commons and at the Office of the Board of Trade, Whitehall, London.

Printed copies of the draft Order will be deposited at the Board of Trade, on or before the 23rd day of December next, and copies thereof, when deposited, and of the Order, when made, may be obtained at the price of one shilling for each copy, at the office of the undermentioned Solicitors and Parliamentary Agents.

Every company, corporation or person desirous of making any representation to the Board of Trade, or of bringing before them any objection respecting the application may do so by letter addressed to the Assistant Secretary of the Railway Department of the Board of Trade on or before the 15th day of January, 1909, and copies of such objections must at the same time be sent to the under-signed Solicitors or Parliamentary Agents. In forwarding such objections to the Board of Trade the objectors or their agents should state that a copy of the same has been sent to the promoters or their agents.

### MACCLESFIELD ELECTRIC LIGHTING.

(The Production, Storage and Supply of Electricity within the Borough of Macclesfield).

**N**OTICE is hereby given, that the Macclesfield Electric Lighting and Power Company Limited (who are hereinafter called "the Undertakers") and whose registered office and address is at 263, Oxford-road, in the city of Manchester in the County Palatine of Lancaster, intend to apply to the Board of Trade on or before the 21st day of December next for a Provisional Order (hereinafter called "the Order") under the Electric Lighting Acts, 1882 and 1888, and the Electric Lighting (Clauses) Act, 1899, for all or some of the following amongst other purposes (that is to say):—

1. To authorize the Undertakers to produce, store, supply, sell and distribute electrical energy for public and private purposes as defined by the said Acts within the parish and borough of Macclesfield in the county of Chester (hereinafter called "the area of supply.")

2. To incorporate with the Order such of the provisions contained in the schedule to the Electric Lighting (Clauses) Act, 1899, as are applicable to cases in which the undertakers are a company, and to apply such provisions to the undertaking to be authorized by the Order, subject to such variations and exceptions as may be contained therein.

3. To prescribe the maximum price to be charged for the supply of electrical energy.

4. To confer upon the Undertakers all or some of the powers of the Electric Lighting Acts, 1882 and 1888, and the enactments incorporated therewith, and to alter, vary or extinguish all rights and privileges which would or might interfere with any of the objects of the Order, and to confer all other rights and privileges necessary for carrying such objects into effect and if need be to extend the provisions of the said Acts of 1882, 1888 and 1899, so as to enable the Undertakers to put up standards or posts and wires within the said parish and borough for supplying electricity for working motor omnibuses or other vehicles or carriages not in the nature of tramways run upon rails.

The names of the streets in which it is proposed that electric lines shall be laid down within a specified time are as follows:—Hibel-road, Jordangate, Chestergate, Chester-road, Market-place, Mill-street, Park Green, Park-street, Old Mill-lane, Sunderland-street, Waters Green, Buxton-road and Hurdsfield-road.

The following are the streets not repairable by the local authority and railways which the Undertakers propose to take powers to break up: All the streets within the area of supply not so repairable; the bridge carrying Hibel-road over the London and North Western and North Staffordshire Railways and the bridges carrying Brook-street, Bank-street, Windmill-street, Byrons-lane and London-road over the North Staffordshire Railway, the level crossing on the North Staffordshire Railway, situate off Old Mill-lane.

And notice is hereby given, that the draft of the intended Order will be deposited at the office of the Board of Trade on or before the 21st day of December next and printed copies of the draft Order when deposited and of the Order

when made may be obtained (at the price of one shilling for each copy) at the offices of the Undertakers 263, Oxford-road, Manchester, and the "Macclesfield Courier" offices, Macclesfield, and also at the offices of the undermentioned Solicitors and Parliamentary Agents.

And notice is hereby further given, that a map showing the boundaries of the proposed area of supply and the streets in which it is proposed that electric lines shall be laid down within a specified time and a copy of this advertisement as published in the London Gazette will be deposited on or before the 30th day of November instant for public inspection at the office of the Clerk of the Peace for the county of Chester at Chester, in the said county, at the Town Hall, Market Place, in the borough of Macclesfield and at the "Macclesfield Courier" offices Macclesfield aforesaid.

And notice is hereby lastly given, that every local or other public authority, company or person desirous of bringing before the Board of Trade any objection respecting the application must do so by letter addressed to the Board of Trade marked on the outside of the cover enclosing it "Electric Lighting Acts" on or before the 15th day of January, 1909, and a copy of such objection must also be forwarded to the undermentioned Solicitors or Parliamentary Agents.

#### FAKENHAM WATER.

(Incorporation of Company with Power to Supply Water within the Parishes of Fakenham and Hempton, in the County of Norfolk; Construction of Works; Purchase of Lands; Provisions as to Supply of Water; Rates and Charges; Protection of Supply; Defining Capital Powers of Company; Incorporation, Amendment and Repeal of Acts.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session for leave to bring in a Bill for an Act for effecting the purposes or some of the purposes following (that is to say) :—

1. To incorporate a company (in this Notice, referred to as "the Company") with all usual powers and provisions, and to enable the Company to give a constant supply of water for domestic trade, public and private purposes to and within the parishes of Fakenham and Hempton, in the county of Norfolk and such other parishes and places adjacent thereto as may be prescribed by the Bill.

2. To empower the Company to construct and maintain all or some of the following works in the parish of Fakenham, in the county of Norfolk (that is to say) :—

Work No. 1.—A well and pumping station to be situate in the parish of Sculthorpe in the northern portion of a field lying on the west side of the road leading from Little Walsingham to Fakenham and being the enclosure numbered 174 on the Ordnance Map of the said parish (scale 1/2500, 2nd edition, 1905) at a point 69 yards, or thereabouts, measured in a south-westerly direction from the north-east corner of the said field.

Work No. 2.—A water tower or tank to be situate in the same field 37 yards, or thereabouts, measured in a south-westerly direction from the north-east corner of the said field.

Work No. 3.—A conduit or line of pipes commencing in the aforesaid Work No. 1 and terminating in the aforesaid Work No. 2.

Work No. 4.—A conduit or line of pipes commencing in the aforesaid Work No. 2 and passing through the parish of Sculthorpe into the parish of Fakenham and terminating in that parish in the road leading from Little Walsingham to Fakenham at a point 6 yards, or thereabouts, measured in a south-easterly direction from the south-east corner of the enclosure numbered 124 on the above-mentioned Ordnance Map.

3. To empower the Company to deviate from the lines and levels of the intended works as shown on the plans and sections thereof to be deposited as hereinafter mentioned to any extent which may be prescribed by the Bill.

4. To empower the Company to lay down, maintain, take up, alter, repair and renew mains, pipes, culverts and other works in any of the parishes and places referred to in this Notice and for that purpose to cross, break up, open, alter, divert or stop up and interfere with either temporarily or permanently any roads, highways, footpaths, streets, public places, bridges, canals, navigations, towing paths, railways, tramways, sewers, drains, pipes, rivers, streams, brooks and watercourses within the parishes and places aforesaid or any of them.

5. To enable the Company to purchase by compulsion or agreement and take on lease and hold any estate, right or interest in lands, houses, springs, streams, waters and easements in or near the several parishes and places before referred to for the purposes of the said waterworks or of the Bill, and to collect, take and use in and for the purposes of the intended works and for distribution all or any springs and waters on or under the site of any such works or in, on or under any lands for the time being of the Company, and the Bill will or may vary or extinguish any rights or privileges connected with any such lands, houses, springs, streams or waters.

6. To empower the Company to supply water for domestic, trade, public or other purposes by measure or otherwise and to sell or let or provide on hire cisterns, tanks, meters, fittings and other apparatus.

7. To enable the Company to demand and recover rents and charges, differential or otherwise, for or in respect of the supply of water and for the sale and letting for hire of meters, fittings, instruments, pipes and other apparatus, and to confer exemptions from the payment of rates, rents and charges.

8. To make provision for the protection of the waterworks and property of the Company and for preventing the waste, fouling, misuse and undue consumption thereof, and for imposing penalties in respect of all or any of such matters.

9. To enable the Company on the one hand, and any other company, local authority, public body or person on the other hand to enter into and carry into effect agreements with respect to the supply of water in bulk or otherwise whether within or without the Company's limits of supply.

10. To vary or extinguish all existing rights and privileges which would or might in any way prevent or interfere with any of the objects of the Bill, and to confer other rights and privileges.

11. To incorporate the provisions of the Lande Clauses Acts, the Waterworks Clauses Acts, 1847 and 1863, and any other public general statutes relating to water supply.

And notice is hereby given, that plans and sections of the works proposed to be authorized by the Bill showing the lines and levels thereof with a book of reference to such plans and a copy of this Notice as published in the London Gazette will on or before the 30th day of November, 1908, be deposited for public inspection with the Clerk of the Peace for the county of Norfolk at his office at Norwich, and with the

Clerk to the Rural District Council of Walsingham at his office at Fakenham and with the Clerks to the Parish Councils of Fakenham and Sculthorpe at their respective offices.

Printed copies of the intended Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th December, 1908.

### BRADFIELD WATER (PROVISIONAL ORDER).

(Extension of Limits of Supply; Construction of New and Maintenance of Existing Works; Additional Lands; Increase of Capital; Provision as to Supply to Bradfield College; Amendment of Bradfield Water Order, 1904.)

NOTICE is hereby given, that Herbert Watney of Buckhold, Pangbourne, Berks, his heirs, executors, administrators or assigns or other the undertakers for the time being under the Bradfield Water Order, 1904 (hereinafter called "the Promoters"), intend to apply to the Board of Trade on or before the 23rd day of December next under the Gas and Waterworks Facilities Act, 1870, for a Provisional Order to be confirmed by Parliament in the ensuing Session, for the following purposes or some of them (that is to say):—

1. To extend, alter and define the limits within which the Promoters may supply water so as to include therein the parish of Stanford Dingley and also the portions hereinafter described or referred to of the parishes of Yattendon, Frilsham and Ashampstead (that is to say):—

In the parish of Yattendon—

The enclosures or properties numbered 1 to 22 (inclusive), 27 to 31 (inclusive), 57 to 102 (inclusive), 107 to 111 (inclusive), 113 to 119 (inclusive) and 121 to 124 (inclusive) on the 25-inch Ordnance Map (2nd edition, 1899) of that parish.

In the parish of Frilsham—

The enclosures or properties numbered 1 to 19 (inclusive), 21 to 24 (inclusive), 29 to 42 (inclusive), 47 to 52 (inclusive), 54 to 62 (inclusive), 70, 100 and 102 to 106 (inclusive) on the said Ordnance Map of that parish.

In the parish of Ashampstead—

The enclosures or properties numbered 1 to 4 (inclusive), 16 to 20 (inclusive) and 22 on the said Ordnance Map of that parish.,

all in the rural district of Bradfield, in the county of Berks, the boundaries of which parish and portions of parishes so proposed to be supplied are more particularly defined and edged red upon the maps deposited as hereinafter mentioned, and to extend to and apply within the said limits with or without modification, the provisions of the Bradfield Water Order, 1904 (hereinafter referred to as "the Order of 1904").

2. To authorize the Promoters to maintain, continue, alter, enlarge, renew and improve as part of their water undertaking the wind-mill engine and machinery erected by them at and in connection with the well described under

the letter (d) in Section 11 of the Order of 1904 and also the following waterworks (that is to say):—

Work No. 1.—A well and well-house, as now existing, situated in the parish of Bradfield, in the field numbered 236 on the 25-inch Ordnance Map (2nd edition, 1899) of that parish.

Work No. 2.—A line of pipes, as now existing, situated in the parish of Bradfield, commencing at the well (Work No. 1) and terminating at the Corn Mill in the said parish.

Work No. 3.—A line of pipes, as now existing, situated in the parish of Bradfield commencing at the well described under the letter (d) in section 11 of the Order of 1904 and terminating in the north-west corner of the field numbered 111 on the said map.

Work No. 4.—A tank or reservoir, as now existing, situated in the parish of Bradfield, in the field numbered 166 on the 25-inch Ordnance Map (2nd edition, 1899) of that parish,

and to confirm the expenditure of capital for any of the purposes aforesaid.

3. To authorize the Promoters to construct, maintain, alter, enlarge, renew, deepen and improve in the county of Berks the following new waterworks:—

Work No. 5.—A line of pipes to be situated in the parishes of Yattendon, Ashampstead and Bradfield, commencing in the north-west corner of the field numbered 111 hereinbefore described and forming a junction with the line of pipes (Work No. 3) and terminating at the tank (Work No. 6) hereinafter described.

Work No. 6.—A tank to be situated wholly in the parish of Yattendon, in that portion of the field numbered 5 on the 25-inch Ordnance Map (2nd edition, 1899) of that parish which lies to the south of the public footpath crossing the said field,

together with all such cuts, channels, catchwaters, tunnels, adits, pipes, conduits, culverts, drains, sluices, bye-washes, shafts, wells, bores, water towers, overflows, waste water channels, gauges, filter beds, tanks, banks, walls, bridges, embankments, piers, approaches, engines, machinery and appliances as may be necessary or convenient in connection with or subsidiary to the before-mentioned works or any or either of them.

4. To constitute the hereinbefore described works for all purposes part of the undertaking of the Promoters.

5. To enable the Promoters to deviate from the lines and levels shown upon the deposited plans and sections to any extent defined by the intended Order.

6. To enable the Promoters to acquire by agreement or take on lease and to hold, sell and dispose of lands, easements, water and property for the purposes of the intended Order and of their undertaking.

7. To confer upon the Promoters and to enable them to exercise within the extended limits of supply all such powers, privileges and authorities for the supply and sale of water, including the levying of rents, rates and charges as they now have within their existing limits of supply, to make special provision as to the level to which and the pressure at which the Promoters shall

be required to supply water, and to exempt them from all or some of the provisions of section 35 of the Waterworks Clauses Act, 1847, and to confer, vary and extinguish exemptions from and to compound for the payment of such rents rates and charges.

8. To enable the Promoters to exercise within the extended limits of supply all such powers of executing works and acquiring by agreement or taking on lease and holding lands, property and easements for the purposes of their undertaking as they now have within their existing limits of supply.

9. To authorize the Promoters from time to time for the purpose of constructing the works hereinbefore described or for the purpose of laying down, repairing, and maintaining any mains, conduits, pipes, culverts and other works, to break up and interfere with streets, roads, highways, bridges, railways, lanes and other public and private passages and places and sewers, drains, pipes and wires in, over or under the same within the existing and extended limits of supply, and to sanction and authorize the maintenance and continuance of any such works which have been already constructed or laid down by the Promoters.

10. To authorize the Promoters to make and carry into effect contracts and agreements for the supply of water and to supply water in bulk or otherwise for any purpose whatsoever, with and to any local authority or other body or person within or beyond their existing or extended limits of supply.

11. To authorize the Promoters to increase their capital and to borrow moneys on mortgage for the purposes of their undertaking.

12. To amend, extend or alter so far as may be necessary for the purposes of the intended Order the provisions of the Order of 1904 and in particular the provisions of section 16 of that Order with reference to the method of charging for a supply of water to the buildings and premises known as Bradfield College and to make other provision with reference thereto.

13. On or before the 30th day of November, 1908, a copy of this Notice, as published in the London Gazette, with plans and sections showing the proposed new works and the lands to be used for the same, and a map showing the area proposed to be included within the limits of supply will be deposited for public inspection at the office of the Clerk of the Peace for the county of Berks at his office at Reading and at the Board of Trade Offices, Whitehall-gardens, London.

14. And notice is further given, that on or before the 23rd day of December next printed copies of the draft Provisional Order will be deposited at the office of the Board of Trade and printed copies of such draft Order when so deposited and of the Order when made can be obtained at the price of one shilling each at the office of Messrs. Sherwood and Co., 7, Great George-street, Westminster, Parliamentary Agents.

15. Every company, corporation or person desirous of making any representation to the Board of Trade or of bringing before them any objection respecting the application may do so by letter addressed to the Assistant Secretary of the Harbour Department of the Board of Trade on or before the 15th of January next, and copies of their objections must at the same time be sent to the undersigned agents of the Promoters,

and in forwarding to the Board of Trade such objections the objectors or their agents should state that a copy has been sent to the Parliamentary agents for the Promoters.

Dated this 10th day of November, 1908.

#### CLEVEDON WATER.

(Dissolution of Clevedon Waterworks Company Limited; Incorporation of New Company; Transfer of Undertaking of Limited Company to New Company; Power to Supply Water; Limits of Supply; Maintenance of Existing Waterworks; Subsidiary Works; Appropriation of Waters; Purchase of Lands and Easements; Provisions as to Supply and Fittings; Power to Levy Rates, Rents and Charges; Supply in Bulk; Agreements; Contingency Fund; By-laws; Incorporation of Acts; and other purposes.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session by the Clevedon Waterworks Company Limited (hereinafter called "the Limited Company") for an Act for all or some of the following amongst other purposes (that is to say):—

1. To dissolve the Limited Company and to incorporate into a company (hereinafter called "the Company") the members of the Limited Company and all other persons and corporations who shall hereafter become proprietors in the undertaking of the Company for the purpose of supplying water to and within the limits hereinafter mentioned and generally for carrying on the business usually carried on by water companies and for other the objects and purposes of the intended Act.

2. To vest in the Company all the undertaking, waterworks, lands, buildings, property, stock, plant, interests, rights, powers, privileges, easements and agreements, moneys, securities and other property whatsoever and the benefit of all contracts, licences, agreements and rights of action now belonging to, vested in or enjoyed by the Limited Company or any person on their behalf.

3. To declare void and cancel the memorandum and articles of association and regulations of the Limited Company and to make all necessary provisions consequent thereon.

4. To declare, define and regulate the capital and borrowing powers of the Company, and to provide for the vesting in and acceptance by the holders of shares in the Limited Company of shares in the Company in substitution for the shares held by them respectively, and to authorize the Company to raise further money by the creation and issue of shares and stock, with or without a preferential or guaranteed dividend or other rights or privileges attached thereto, and by borrowing and by the creation and issue of debenture stock or by any of such means, and to prescribe and regulate the dividends to be paid on the different classes of shares and stock in the capital of the Company.

5. To authorize the Company to supply water within all or some of the following parishes and places, viz. :—

The urban district of Clevedon and the parishes of Walton-in-Gordano, Tickenham, Nailsea, Kenn and Kingston Seymour, in the rural district of Long Ashton, all in the county of Somerset.

6. To empower the Company for the purposes of their undertaking to maintain, use, renew, alter, extend, repair and discontinue the reservoirs, mains, pipes, and other waterworks for the time being belonging to the Company, including the works of the Limited Company hereinafter described (that is to say) :—

Work No. 1.—A well and pumping station, situate in the parish and urban district of Clevedon and shown on the 1868 Ordnance Map of the said district (2nd edition, 1903) and marked thereon "Pumping Station (Clevedon Waterworks Company)" being upon land bounded on the north by Highdale-avenue, on the south and east by the road leading from Highdale-avenue to Old-street, and on the west by the National School and other lands lying between the said school and Highdale-avenue.

Work No. 2.—A well and pumping station, situate in the parish and urban district of Clevedon in the enclosure numbered 576 on the said Ordnance Map.

Work No. 3.—A reservoir, situate in the parish and urban district of Clevedon, in the enclosure numbered 408 and in part of the enclosure numbered 407 on the said Ordnance Map.

Work No. 4.—A reservoir and tank, situate in the parish and urban district of Clevedon in part of the enclosure numbered 469 on the said Ordnance Map.

Work No. 5.—An aqueduct, conduit or line of pipes (No. 1), commencing at the said well and pumping station (Work No. 2) and terminating at the said reservoir (Work No. 3).

Work No. 6.—An aqueduct, conduit or line of pipes (No. 2), commencing at the said well and pumping station (Work No. 1) and terminating at the said reservoir (Work No. 4),

and to sanction and confirm the acquisition of and to authorize the Company to retain hold and use for the purposes of the said works, and for the general purposes of the undertaking, any lands and property by this Act vested in the Company.

7. To enable the Company to make and maintain all such cuts, channels, catchwaters, tunnels, adits, pipes, conduits, culverts, drains, sluices, bye-washes, shafts, wells, bores, water towers, overflows, waste-water channels, gauges, filter beds, tanks, banks, walls, bridges, embankments, piers, approaches, engines, machinery and appliances and telegraphic, telephonic and other means of communication as may be necessary or convenient in connection with or subsidiary to the said waterworks or any of them, or for the purpose of conducting and managing the same or for the obtaining, raising, taking and distributing of water.

8. To enable the Company to maintain, use, renew, alter, extend, repair and discontinue all or any of the said works, and to collect, impound, take, use, divert and appropriate in and for the purposes of the said works and of the undertaking all such springs, streams and waters as will or may be taken or intercepted by the said works

or as may be found in or under any of the lands for the time being belonging to or which may from time to time belong to the Company or in or over which they may acquire easements.

9. To enable the Company to purchase and acquire by agreement and to hold lands in the before-mentioned parishes and places for the purposes of the said works, and also by agreement to purchase and acquire and to take on lease and to hold lands, buildings, waters, wells, springs, streams, easements and rights of water and other rights, easements and hereditaments for the purposes aforesaid and for the general purposes of their undertaking and of the intended Act (including the protection of the water supply), and to vary or extinguish all rights over any such lands and properties, and to lease, exchange, sell or dispose of lands and buildings, with or without reservation of the water or water rights or other easements belonging thereto, and to erect or acquire dwelling houses for persons in their employ, and to exempt the Company and such lands and buildings from the provisions of the Lands Clauses Acts with respect to superfluous lands.

10. To enable the Company to lay down, maintain, alter, repair, take up and renew mains, pipes, culverts, tubes, wires and other works and apparatus for the distribution and supply of water and for the detection of waste and for effecting telegraphic or telephonic communication between, to or from the Company's works and offices, and to open, break up, cross, divert, alter, stop up, whether temporarily or permanently, all such roads, highways, streets (including streets not dedicated to public use), dykes, pipes, sewers, canals, navigations, rivers, springs, streams, bridges, railways and tramways as it may be necessary or convenient to open, break up, cross, divert, alter or stop up for the purposes of the Company for or in connection with the supply of water or of the intended Act.

11. To empower the Company from time to time to discharge water from any of their works into any available stream, watercourse or drainage channel.

12. To make provision for or, with respect to the waste, misuse and undue consumption or contamination of the water to be supplied by the Company and as to the fittings to be used for the purposes of such supply, and for the protection of the works, fittings, property and water supply of the Company, and for defining and regulating such supply and for preventing frauds and abuses in the use of the water, to impose penalties on persons injuring meters, fittings and other works and to require notice to the Company of connecting or disconnecting meters and of the discontinuance of a water supply, and to require meters to be kept in repair, and to empower the Company and their officers to enter any premises for the time being supplied with water by the Company or in which any pipes or fittings for such supply are situate, and to alter, repair, replace or remove any pipes or fittings and to recover the cost thereof from the consumer, and to empower the Company to make, supply, sell and let on hire and repair water meters and fittings, pipes, valves, cocks, cisterns, baths, soil pans, water-closets and other fittings, apparatus and receptacles, and to exempt the same from liability to distress or other remedy for rent or to be taken in execution.

13. To empower the Company to make, demand, take and recover rates, rents and charges

in respect of the supply of water, water meters and fittings and to grant exemptions therefrom and to make provision with reference to the payment and collection thereof.

14. To empower the Company to enter into and carry into effect contracts for the supply of water in bulk or otherwise with any local or road authority, company, body or person, whether within or beyond the limits of supply, and to vary or rescind any such contracts and to confer all necessary powers in that behalf upon all such authorities, bodies and persons, and to enable them to raise and apply for the purposes of any such contract the necessary funds and rates.

15. To authorize and empower the Company on the one hand and any other bodies or persons on the other hand to make, enter into and execute contracts, agreements and other arrangements in relation to any of the subject matters of the intended Act, including the drainage of lands, and to sanction, confirm and provide for the carrying out and execution of or to give effect to all or any contracts or agreements which have been or may be entered into prior to the passing of the intended Act by or on behalf of the Company and any other body or person.

16. To make provision with reference to the appointment and qualification of the directors and auditors of the Company, and to provide that the depreciation account of the Limited Company shall be transferred to the contingency fund of the Company.

17. To empower the Company from time to time to make, vary and rescind bye-laws, rules or regulations for the purpose of carrying into effect any of the provisions of the intended Act, to prescribe penalties for securing compliance with any such bye-laws, rules and regulations and any of the provisions of the intended Act, and to make provision for imposing, demanding and recovering penalties and for the application thereof.

18. To incorporate with the intended Act, with or without modification, all or some of the provisions of the Companies Clauses Acts, 1845, 1863 and 1869 the Lands Clauses Acts the Waterworks Clauses Acts, 1847 and 1863 and any Acts amending any of the before mentioned Acts and, if thought fit, to exempt the Company and their undertaking from all or some of the provisions of the said Acts or some or one of them.

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session for leave to bring in a Bill for all or some of the following purposes (amongst others), that is to say:—

To alter, amend, extend, repeal or cancel all or any or some part or parts of the statutes and schemes regulating the charity or foundation called Jones's Almshouse and Grammar School Foundation (hereinafter referred to as "the Foundation"), which was created and endowed under the will of William Jones, deceased, dated the 26th day of December, 1614, for the ordaining and maintaining of a preacher and for the provision of a free school and almshouse in and for the benefit of poor and old distressed people of the town of Monmouth and for the maintaining of a preacher in and for the benefit of the poor in the parish of Newland, in the county of Gloucester; the said statutes and schemes include the following:—

Statutes for the regulation of the Almshouse and Free Grammar School of William Jones in Monmouth, in the county of Monmouth, made by the Worshipful Company of Haberdashers in the city of London, the Governors, and approved by the Order of the Court of Chancery dated July 26th, 1854.

Scheme of the Charity Commissioners dated 26th day of June, 1868, and made in the matter of the charity called the Almshouse and Free Grammar School of William Jones at Monmouth, in the county of Monmouth.

Scheme No. 957 of the Charity Commissioners dated the 23rd day of February, 1891, and made in the matter of the Foundation known as the Almshouse and Free Grammar School of William Jones, in the borough of Monmouth, in the county of Monmouth, and in the matter of the Endowed Schools Act, 1869, and amending Acts (which scheme is hereinafter referred to as "the Scheme of 1891.")

Scheme No. 444 of the Charity Commissioners dated the 24th day of February, 1893, and made in the matter of (1) the Charity consisting of the part applicable for purposes not educational of the endowment of Jones's Almshouse and Grammar School at Monmouth, in the county of Monmouth, regulated by a scheme made under the Endowed School Acts on the 23rd February, 1891. (2) The charity called the Almshouse of William Jones, in the parish of Newland, in the county of Gloucester, comprised in letters patent of 20th July, 17 James I (1620), and in the matter of "The Charitable Trusts Acts, 1853 to 1891."

Scheme No. 13 of the Charity Commissioners dated the 7th day of August, 1894, and made in the matter of the funds applicable out of the county rate and moneys provided by Parliament and out of the local taxation (customs and excise) duties to the intermediate and technical education of the inhabitants of the county of Monmouth, and in the matter of the Foundation (amongst others in the same county) called or known as Jones's Almshouse and Grammar School Foundation regulated by a scheme made under the Endowed Schools Acts on the 23rd February, 1891, and in the matter of the Welsh Intermediate Education Act, 1889, and in the matter of the Local Taxation (Customs and Excise) Act, 1890, and in the matter of the Endowed Schools Act, 1869, and amending Acts.

Scheme No. 2,650 of the Charity Commissioners, dated the 8th day of November, 1895, and made in the matter of the charity called Jones's Almshouse and Grammar School Foundation, in the county of Monmouth, regulated by a scheme made under the Endowed Schools Acts, 1869, 1873 and 1874, on the 23rd February, 1891, as amended by the scheme made under the said Acts, and under the Welsh Intermediate Education Act, 1889, on the 7th August, 1894, regulating the Monmouthshire and Technical Education Fund, and in the matter of the Charitable Trusts Acts, 1853 to 1894.

Scheme No. 140 of the Board of Education, dated the 9th day of June, 1903, and made in the matter of the Monmouthshire Intermediate and Technical Education Fund, regulated by a scheme made under the Welsh Intermediate Education Act, 1889, on 7th August, 1894; in the matter of the Charitable Trusts Acts, 1853 to 1894, and in the matter of the Board of Education Act, 1899, and the Board of Education (Powers) Orders in Council, 1900 to 1902.

Scheme No. 1,569 of the Charity Commissioners, dated the 19th day of May, 1904, and made in the matter of the charity or foundation called Jones's Almshouse and Grammar School Foundation in the borough of Monmouth in the county of Monmouth, regulated by a scheme made under the Endowed Schools Act, 1869, and amending Acts, on the 23rd February, 1891, as amended by a scheme made under the Endowed Schools Acts, 1869 to 1889, on the 7th August, 1894, regulating the Monmouthshire Intermediate and Technical Education Fund, and as altered by a scheme of the Charity Commissioners of the 8th November, 1895, and also regulated as to the part applicable for purposes not educational of the endowment of the charity or foundation by a scheme of the same Commissioners of the 24th February,

1893, in the matter of the Board of Education Act, 1899, and in the matter of the Charitable Trusts Acts, 1853 to 1894.

Scheme No. 4,069 of the Charity Commissioners, dated the 19th day of December, 1905, and made in the matter of William Jones's Almshouse Charity in the borough of Monmouth, in the county of Monmouth, and in the parish of Newland in the county of Gloucester, regulated by a scheme of the Charity Commissioners, of the 24th February, 1893, and in the matter of "the Charitable Trusts Acts, 1853 to 1894."

Scheme No. 475 of the Board of Education (Welsh Department) dated the 25th of July, 1907, and made in the matter of the Jones's Grammar School Foundation in the borough of Monmouth, in the county of Monmouth, which Foundation is now regulated by (1) a scheme made under the Endowed Schools Acts on 23rd February, 1891; (2) an amending scheme made under the said Acts on 7th August, 1894, regulating the Monmouthshire Intermediate and Technical Education Fund; and (3) an altering scheme of the Charity Commissioners of 8th November, 1895, and was determined by Order of the Charity Commissioners of 19th May, 1904, and in the matter of the Charitable Trusts Acts, 1853 to 1894, and in the matter of the Board of Education Act, 1899, and the Board of Education (Powers) Orders in Council, 1900 to 1902, and

Scheme No. 476 of the Board of Education (Welsh Department) dated the 25th day of July, 1907, and made in the matter of the Monmouthshire Intermediate and Technical Education Fund, which Foundation is now regulated by (1) a scheme made under the Welsh Intermediate Education Act, 1889, on 7th August, 1894; (2) an altering scheme of the Board of Education of 9th June, 1903, and (3) a scheme for the Monmouthshire Education Committee made under the Education Act, 1902, on 12th May, 1904, in the matter of the Charitable Trusts Acts, 1853 to 1894, and in the matter of the Board of Education Act, 1899, and the Board of Education (Powers) Orders in Council, 1900 to 1902.

To provide that the Foundation shall, as and from the date of the passing of the proposed Bill into an Act, be administered, carried on and conducted by, under and subject to the terms, conditions and provisions of the said schemes as proposed, to be amended or in part repealed or cancelled by the proposed Bill.

To reconstitute the governing body of the Foundation and particularly to provide for representation thereon of the county councils of the administrative counties of Gloucester and Hereford respectively, in addition to the existing members of the governing body, or in substitution for some of them, and to make such alterations as may be necessary in the number and qualification of the members of such governing body, and to give further and increased representation on the said governing body to the Worshipful Company of Haberdashers in the city of London, hereinafter referred to as "the Haberdashers Company."

To reconstitute the governing body of Jones's West Monmouthshire School (which school was established and has been and is maintained under the Scheme of 1891) and particularly to provide for representation thereon of the County Councils of the administrative counties of Gloucester and

Hereford respectively, in addition to the existing members of that governing body or in substitution for some of them, and to make such alterations as may be necessary in the number and qualification of the members of such governing body, and to give further and increased representation on the said governing body to the Haberdashers Company.

To make provisions respecting the time and manner of nomination, appointment or election and of the qualification of members on the said governing bodies and their period of office and the filling up of casual vacancies.

To provide for a re-apportionment or re-division of the funds, income or endowment of the Foundation to purposes or objects more in accord with the will of the testator, to confirm, alter or regulate the payments made to the governing bodies respectively of the Monmouth Grammar School, the Girls' School (which school was established and has been and is maintained under the Scheme of 1891), and Jones's West Monmouthshire School, and to prescribe the conditions under which such payments or any other payments shall be made to and received by the said governing bodies or any of them.

To provide for the re-apportionment or re-division of the residue of the funds, income and endowment of the Foundation after the payments prescribed by the said schemes as amended or in part repealed or cancelled by the proposed Bill have been made thereout, and to provide if need be that an additional sum or additional annual sums shall be allocated for the general purposes of the Monmouth Grammar School, and that the remainder of the funds, income and endowment shall be applied in maintaining scholarships at the said school or elsewhere for the children of bona fide poor or necessitous persons resident in the administrative counties of Monmouth, Gloucester and Hereford, with a preference, if thought fit, to the children of such persons residing in any particular part or parts of any of the said counties, or within a fixed radius of the said Grammar School.

To make rules, regulations and conditions respecting the award and holding of such scholarships, to prescribe the age and qualification of the candidates for the same and to provide for the examination of such candidates and to determine the terms and conditions under which such examinations shall be held and the subjects in which the candidates shall be examined.

To prescribe the schools, universities and other educational institutions (other than the said Grammar School) at which such scholarships shall be tenable, and to make provision for the deprivation or cancellation of any scholarship or exhibition which may have been awarded.

To fix and regulate the fees chargeable at any of the Schools of the Foundation, to make provision for the admission of scholars (whether exhibitors or not) and pupil teachers, and to sanction allowances or rebates from such fees, to grant assistance in the payment of fees and to sanction the payment of sums for or towards the maintenance or travelling expenses of scholars and pupil teachers, as well as education of scholars and pupil teachers thereat.

To provide that the whole or some part of the endowment of the Foundation shall be deemed to be an endowment, which is held for or ought to be applied to educational purposes within the meaning of sub-section 2 of section 2 of the Board of Education Act, 1899, and shall constitute a

separate foundation to be called "Jones's Grammar School Foundation," or such other name as may be thought advisable.

To save all actions, proceedings and things which may have been taken, done or suffered under the several schemes hereinbefore referred to; to empower the Board of Education and the Charity Commissioners or either of those bodies to make schemes modifying or varying the said several schemes, or any of them, or the provisions of the proposed Bill or dealing with the property of the Foundation.

To make provision for the payment of the costs of the proposed Bill and for carrying the same into effect out of the income, funds, capital and endowment of the Foundation or by or out of the funds and rates of the County Councils of the administrative counties of Monmouth, Gloucester and Hereford and the Corporation of Monmouth or by or out of the funds and property of the Haberdashers Company or some or one of them in such proportions as the Bill may prescribe or as Parliament may sanction, and to enable the governing body of the Foundation to borrow or raise money for the purpose and also for the purposes of the Foundation or the schools of the Foundation.

To empower the governing body of the Foundation, the County Councils of the administrative counties of Monmouth, Gloucester and Hereford, the Corporation of Monmouth and the Haberdashers Company or any two or more of them to enter into and carry into effect agreements and arrangements with regard to all or any of the objects of the Bill or with regard to the control, regulation, management and maintenance of the Foundation and the schools of the Foundation, and the property, rights, powers and privileges of the Foundation or with regard to the payment of the costs of the proposed Bill, and to confirm and give effect to any such agreements which may have been or may be made prior to the passing of the Bill.

To vary or extinguish all existing rights and privileges which would or might in any way prevent or interfere with the accomplishment of any of the objects of the Bill, and to confer other rights and privileges and so far as may be necessary or expedient to alter, amend, extend, repeal or cancel all or some of the schemes hereinbefore referred to and any other schemes, charters, letters patent, statutes or instruments relating to the Foundation or the governing body of the same or the property thereof which may be inconsistent with the provisions of the Bill.

To incorporate in the Bill with or without amendment all or some of the provisions of the Charitable Trusts Acts, 1853 to 1894; the Endowed Schools Acts, 1869 to 1889; the Elementary Education Acts, 1870 to 1900; the Welsh Intermediate Education Act, 1889; the Board of Education Act, 1899; the Education Act, 1902; the Board of Education (Powers) Orders in Council, 1900 to 1902; and any Acts or Orders amending the same respectively.

Printed copies of the Bill will on or before the 17th day of December next be deposited in the Private Bill Office of the House of Commons.

Dated this 10th day of November, 1908.

**NOTICE** is hereby given, that application is intended to be made to Parliament in the ensuing Session by or on behalf of the London and South Western Railway Company (in this Notice called "the Company") for leave to bring in a Bill for effecting the purposes or some of the purposes following (that is to say):—

1. To authorize the Company to make and maintain the works hereinafter mentioned or some or one of them or some part or parts thereof respectively.

(a) A Railway (No. 1), wholly in the county of Southampton, commencing in the parish of Eling in the rural district of New Forest, by a junction with the Southampton and Dorchester Railway of the Company at a point about  $3\frac{1}{2}$  chains measured in a north-easterly direction from the footbridge over that railway at Totton Station, and terminating in the parish of Millbrook, in the rural district of South Stoneham, by a junction with the Andover and Redbridge Railway of the Company at a point about 4 chains, measured in a northerly direction along that line, from the mile post indicating 23 miles from Andover Junction.

(b) A graving dock to be situate on the foreshore or mudlands of the River Itchen or Southampton Water, commencing at a point 22 chains or thereabouts southward from the bridge which carries the Victoria-road from Woolston to Netley over Jurd's Lake, thence extending in a south-westerly direction for a distance of 17

chains or thereabouts, and there terminating, and in connection therewith

(1) A sea wall or embankment commencing at a point on the Victoria-road aforesaid about 6 chains southward from the aforesaid Bridge and terminating at or about the termination hereinbefore described of the Graving Dock last above mentioned;

(2) A sea wall or embankment commencing at a point on the Victoria-road aforesaid 25 chains or thereabouts measured along that road in a southerly and south-easterly direction from the aforesaid bridge and terminating at or about the termination hereinbefore described of the Graving Dock above mentioned, and

(3) A channel commencing at the termination of the said Graving Dock and extending thence in a south-westerly direction for a distance of 32 chains or thereabouts.

The above works will be situate in the parish and urban district of Itchen in the county of Southampton and on the foreshore mudlands and bed of Southampton Water and River Itchen or one of them;

(c) A Railway (No. 2), wholly in the county of Southampton, commencing in the parish of Itchen, in the urban district of Itchen, at a point on the foreshore or mud-lands of the River Itchen or Southampton Water, 14 chains or thereabouts measured in a southerly direction from the bridge which carries the Victoria-road over Jurd's Lake, and terminating in the same parish by a junction with the Southampton and Netley Railway of the company at a point 19 chains or thereabouts measured in a south-easterly direction from the bridge carrying the road from the Itchen Urban District Council's Cemetery to Weston over the said railway.

The said intended railway will pass from, through or into the parish of Itchen aforesaid in the urban district of Itchen and the parish of Hound in the rural district of South Stoneham.

(d) A dock now in course of construction in the parish of St. Mary and county borough of Southampton, in the county of Southampton and on the foreshore mudlands and bed of Southampton Water and of the River Test, or one of them, and which commences at a point 18 chains or thereabouts south-eastward of the entrance to the Trafalgar Dock of the Company and extends in a north-easterly direction for a distance of 26 chains or thereabouts and is of a width of 6 chains or thereabouts, together with the quay or wing walls extending from the commencement of the said proposed dock in a north-westerly direction to the entrance to the Trafalgar Dock aforesaid, and a quay wall extending from the commencement of the said proposed dock in a south-easterly direction to the existing quay wall of the Company facing the River Test, and a jetty commencing at or about the commencement of the said proposed dock and extending in a south-easterly direction from such entrance for a distance of about 11 chains or thereabouts.

And to sanction and confirm the construction of all or any of the works for or in connection with the said dock, quays, jetty and other works already constructed, or which may before the passing of the Bill be constructed and to empower the Company to maintain, work and use the same.

2. To sanction and confirm the construction by the Company as the same has been constructed, and to enable the Company to maintain, work and use the following work (that is to say) :—

The graving dock (known as the Trafalgar Dock) in the said parish of St. Mary, in the county borough of Southampton and county of Southampton, adjoining and to the southward of Messrs. Harland and Wolff's works, together with the quay or wall extending for a distance of  $7\frac{1}{2}$  chains or thereabouts in a north-westerly direction from the entrance to the said dock, and thence in a north-easterly direction to Messrs. Harland and Wolff's works.

3. To sanction and confirm the expenditure of money by the Company for or in connection with the construction of any work or part of a work, the construction of which it is proposed by the Bill to sanction and confirm.

4. To authorize the Company in connection with or for the purposes of the works which by the Bill it is proposed to authorize them to make and maintain or the construction whereof it is proposed to sanction and confirm to make and maintain all proper and sufficient bridges, viaducts, rails, sidings, junctions, turntables, stations, banks, sluices, drains, culverts, dams, groynes, walls, approaches, roads, buildings, yards, shipping places, wharves, depôts, warehouses, sheds, watchhouses, staithees, jetties, stairs, landing places, stages, quays, gates, entrances, locks, slips, cranes, hydraulic lifts, dolphins, buoys, moorings, mooring chains, sewers, pumping stations and other works, buildings and conveniences connected therewith respectively.

5. To authorize the Company to deepen, dredge, scour, cleanse, alter and improve from time to time the bed shores and channel of Southampton Water and of the Rivers Itchen and Test, and to use and appropriate the soil and material thereof respectively.

6. To take, divert and impound from time to time water from Southampton Water and the Rivers Itchen and Test or any of them for the purpose of supplying the proposed docks and works, the construction of which it is proposed by the Bill to authorize or to sanction and confirm and the works connected therewith, with water.

7. To deviate laterally from the lines of the aforesaid works to the extent shown on the plans to be deposited as hereinafter mentioned or as may be provided by the Bill, and also to deviate vertically from the levels shown on the sections to be deposited as hereinafter mentioned to such an extent as may be provided by the Bill and in either case whether beyond the limits allowed by the Railways Clauses Consolidation Act, 1845, or otherwise.

8. To cross, break up, divert, alter, stop up or interfere with, whether temporarily or permanently, all such roads, streets, footways and other highways, canals, navigations, rivers, tramways, railways, streams, sewers, drains,

pipes, wires and other apparatus within the parishes and other places aforesaid or any of them as it may be necessary or convenient to cross or break up, divert, alter, stop up or interfere with for any of the purposes of the Bill.

9. To authorize the Company to demand, take and recover tolls, rents, rates, dues or other payments upon or in respect of persons, goods, wares, merchandise, cattle, fish, articles and things, ships, vessels, boats, carts, carriages and other vehicles using or passing over or carried upon or frequenting the proposed docks and the works the construction of which it is proposed by the Bill to authorize or to sanction and confirm and the proposed railways and the works connected therewith respectively and in respect of any railways or other works which may be transferred to or leased, worked or used by the Company under the powers of the Bill or any part or parts thereof respectively, to alter existing tolls, rents, rates, dues or other payments and to confer exemptions from and from time to time to enable the Company to compound for any such tolls, rents, rates, dues or other payments, and to confer on the Company, with reference to the docks and works proposed to be authorized or sanctioned, and confirmed by the Bill, the same powers as are already possessed by them in reference to their existing docks undertaking.

10. To provide and declare (if thought expedient so to do) that the provisions of the Harbours, Docks and Piers Clauses Act, 1847, with respect to lifeboats and with respect to keeping a tide and weather gauge shall not apply to the docks proposed to be authorized or sanctioned and confirmed by the Bill or to the Company.

11. To extend and define anew the limits within which the harbour, dock, pier and other masters, meters, weighers and other officers and servants of the Company may exercise the powers respectively conferred upon them.

12. To authorize the Company to purchase and take by compulsion or otherwise for the purposes of the intended works and of the Bill lands, houses, tenements and hereditaments or estates, rights, interests or easements in, over or affecting the same and to vary or extinguish all or any rights and privileges in, over or affecting any such lands, tenements or hereditaments, and the Bill will or may enable the Company for all or any such purposes to acquire compulsorily easements over any part of the foreshore, mudlands or bed of Southampton Water or the River Itchen in or adjoining the said parish and urban district of Itchen instead of purchasing such foreshore, mudlands or bed.

13. It is intended by the Bill to take for or in connection with the purposes of the proposed works and of the Bill, certain lands being or reputed to be common or commonable lands, of which the following are the particulars and the estimated quantities proposed to be taken (namely) :—

| Work.          | Name by which the Lands are known. | Parish in which the Lands are Situate. | Quantity within the limits of Deviation. |    |    | Estimated Quantity to be taken. |    |    |
|----------------|------------------------------------|--|--|----|----|---------------------------------|----|----|
|                |                                    |  | A.                                       | R. | P. | A.                              | R. | P. |
| Railway No. 1. | .. Eling Marsh                     | Great Eling .. ..                      | 2  | 2  | 0  | 0                               | 3  | 20 |

14. To authorize and empower the Company to abandon and relinquish the construction of the railway (No. 4) (Redbridge Curve) authorized by section 6 of the South Western Railway Act, 1906.

15. To sanction and confirm the acquisition by the Company of the two pieces of mudland in or adjoining or near to the parish of Saint Mary in the county borough of Southampton and on the foreshore or bed of the River Test or Southampton Water or one of them from the Mayor, Aldermen and Burgesses of the county borough of Southampton (hereinafter called "the Corporation") which lands are bounded on the east by other land of the Company forming portion of their dock property, and on the south and west by other land of the Corporation and the River Test and lie between the Company's Trafalgar Dock and the existing quay of the Company facing the River Test, hereinbefore referred to, and to sanction and confirm any agreement which may have been or may be entered into with respect to such acquisition, and especially the Agreement dated the 19th day of September, 1907, and made between the Corporation, the Southampton Harbour Board (hereinafter called "the Board") and the Company and to provide and declare that the said mudlands shall be deemed within and form part of the port of Southampton and of the parish of St. Mary and of the county borough of Southampton, and so far as may be necessary for that purpose to extend the boundaries of such port, parish and borough and the jurisdiction of the Board, and any other authorities having jurisdiction therein.

16. To empower the Company on the one hand and the Corporation and the Board, or either of them, on the other hand, to enter into and carry into effect agreements for or with respect to all or any of the subject matters of the Bill and to sanction and confirm any agreement which may have been or may be entered into in that behalf.

17. To empower the Company for the general purposes of their undertaking to purchase and acquire, by compulsion or otherwise, the lands, houses and buildings hereinafter mentioned, or some of them, or some part or parts thereof respectively, or estates, rights or interests in or easements over the same, and to confirm and sanction the purchase by the Company of any of such lands, houses or buildings which may have been or may be acquired by them and the expenditure of money for or in connection with any such purchase and the Bill will or may extinguish all public and other rights of way or other rights in, over or affecting any such lands and buildings (that is to say):—

In the County of Southampton.

(a) The lands, mud-lands and foreshore of the River Itchen and Southampton Water in the parish and urban district of Itchen lying between Victoria-road, and low-water mark and extending from an imaginary line drawn in a westerly direction to low-water mark from a point in Victoria-road aforesaid, about 5 chains south of the bridge carrying that road over Jurd's Lake to Weston Hard

In the County of Dorset.

(b) Land and buildings in the parish and borough of Poole, bounded on the east by an imaginary line drawn in a southerly direction from a point at the rear of the gardens of the houses on the south side of Gordon-road about  $6\frac{1}{2}$  chains eastward from

the eastern fence of the railway running from Bournemouth West to Bournemouth Central Stations, on the north by the rear of the gardens of the houses in Gordon-road and on the south and west by the said railway.

(c) Lands in the parish and urban district of Swanage, being the properties or enclosures numbered on the Ordnance Map (scale  $\frac{1}{2500}$ , second edition, 1902) 159, 218 and 220 in that parish;

and the Bill will authorize the Company to stop up and discontinue so much of the footpath leading from Godlingstone farm to Court Hill, Swanage, as lies between the northern boundary of the said property or enclosure numbered 220 on the said Ordnance Map in the said parish of Swanage and the southern side of the Company's Swanage railway.

18. To sanction and confirm the purchase by the Company of the following lands already acquired by them, and the expenditure of money by the Company for or in connection with such purchase, and to enable the Company to hold and use such lands for the general purposes of their undertaking.

The lands above referred to are:—

(a) In the County of Devon.

23. To make provision for the dissolution of the Stonehouse Company and the winding up of their affairs and for the vesting in and apportionment among the holders of shares, stocks and securities of the Stonehouse Company of stocks or securities of the Company and the acceptance of such substituted stocks and securities by such holders and the surrender and cancellation of the said existing shares, stocks and securities and the redemption by the Company of rent charges, mortgages and obligations affecting the undertaking transferred whether compulsorily or otherwise.

24. To enable the Company on the one hand, and the Lee-on-the-Solent Railway Company otherwise the Lee-on-the-Solent (Light) Railway Company, hereinafter called the Lee-on-the-Solent Railway Company, on the other hand, from time to time to enter into and carry into effect and rescind contracts, agreements and arrangements for or with respect to:—

(a) The purchase or lease by the Company and the sale or lease by the Lee-on-the-Solent Railway Company of the undertaking, railway, lands, works and property of the Lee-on-the-Solent Railway Company, or any part thereof, and all or any powers, rights, privileges and authorities of the Lee-on-the-Solent Railway Company connected therewith at such time or times, upon such terms and conditions and for such considerations and subject to such provisions as regards the debts, liabilities and obligations of the Lee-on-the-Solent Railway Company as may be agreed upon; and

(b) The construction, working, use, management and maintenance by the Company of the railway authorized by the Lee-on-the-Solent (Light) Railway Certificate, 1890, and of the works connected therewith, or any part or parts thereof respectively, and the management, regulation, interchange, collection, transmission and delivery of traffic upon or coming from or destined for the railways and works of the contracting parties, or either of them, the supply and maintenance of engines, stock and plant, the fixing, collection, payment, appropriation, apportionment and distribution of tolls, rates,

income and profits arising from the respective railways and works of the contracting parties, or any part thereof, and the employment of officers and servants.

To make all necessary provision for the dissolution and winding up of the affairs of the said Lee-on-the-Solent Railway Company on any such sale and for the apportionment and distribution of the consideration for such sale.

25. To enable the Company to hold, work and use any undertaking, railway or part of railway or other work which may be transferred to or leased by them under the powers of the Bill, and to confer all necessary powers in relation to any such transfer or lease upon the Company, and to authorize, sanction and give effect to agreements and arrangements between the Company and the Plymouth Company, the Stonehouse Company and the Lee-on-the-Solent Railway Company, or any of those companies, with respect to any such matters as aforesaid.

26. To extend and make applicable or make provision for the extension and application to the railways from time to time worked by or leased to the Company and to the stations, buildings and other premises belonging to or connected with any such railway the several bye-laws and regulations of the Company which may be in force with respect to the railways owned by the Company, and to provide for the substitution of such bye-laws and regulations for any bye-laws or regulations for the time being in force on such railways and for the cancellation of such last-mentioned bye-laws and regulations, and if and so far as may be thought expedient to make provision with respect to the publication of such bye-laws and regulations of the Company and the proof thereof.

27. To authorize the Company for all or any of the purposes of the Bill or of any agreement to be made thereunder to apply their funds and revenues, and to enable the Company for those purposes and the general purposes of the undertaking to raise further moneys by the creation and issue of new shares or stock with or without a preference or guaranteed dividend or other rights or privileges attached thereto, and by borrowing and by the creation or issue of debenture stock or by any of such means, and to define and prescribe the ranking of any such share, stock or debenture stock.

28. To vary or extinguish all or any other rights and privileges inconsistent with or which would or might interfere with the objects of the Bill, and to confer other rights and privileges.

And it is intended so far as may be requisite or desirable for any of the purposes of the Bill to amend or repeal the provisions or some of the provisions of the several local and personal Acts of Parliament and Board of Trade Certificate following (that is to say):—

The Acts 4 and 5 Wm. IV, cap. 88; 2 Vict., cap. 28, and all other Acts relating to or affecting the Company or their undertaking; the Acts 28 Vict., cap. 131; 38 and 39 Vict., cap. 154, and 45 and 46 Vict., cap. 187, and any other Act or Acts relating to or affecting the Plymouth Company; the Acts 39 and 40 Vict., cap. 138, and any other Act or Acts relating to or affecting the Stonehouse Company; the Lee-on-the-Solent

Board of Trade.—Session 1909.

HAYFIELD GAS.

(Provisional Order.)

(Application to Board of Trade by the Hayfield Gas Company Limited for a Provisional Order for Power to Maintain and Continue the existing Gasworks at Hayfield and to Construct further Works and to Manufacture and Supply Gas to and within the Parish of Hayfield, in the Rural District of Hayfield, in the County of Derby; Supply of Gas in Bulk; Breaking up Streets, &c.; Patent Rights; Rates and Charges; Regulation of Existing and Increase of Capital; and other purposes.

NOTICE is hereby given, that the Hayfield Gas Company Limited (hereinafter called "the Company") intend, on or before the 23rd day of December, 1908, to make application to the Board of Trade for a Provisional Order (to be confirmed by Parliament in the next Session) under the Gas and Water Works Facilities Act, 1870, for all or some of the following purposes (that is to say):—

To authorize the Company to maintain and continue and from time to time to alter, improve, enlarge and renew their existing gasworks at Hayfield, with the retort houses, gas holders, receivers, purifiers, meters, buildings, machinery, apparatus and works for the manufacture, storage and supply of gas and of coke and of other residual products obtained in the manufacture of gas and matters producible from such products upon the lands following, belonging to or held on lease by the Company, viz.:—

(1) A piece or parcel of land held on lease by the Company from John White, situate in the village of Hayfield, and upon which the existing gasworks of the Company are constructed, containing by admeasurement 1,220 superficial square yards, or thereabouts, being part of a field called "Fishers Croft" on the Hazelhurst Estate, in the parish of Hayfield, in the county of Derby, bounded on the north by land belonging to the trustees of Francis John Sumner, deceased, and in lease to the trustees of John Waterhouse, deceased, on the south by freehold land belonging to the trustees of Mary Wagstaff, deceased, on the east partly by freehold land belonging to the Company recently purchased from the Calico Printers Association Limited and partly by the Phoside Brook, and on the west partly by Ridge Top-lane and partly by land belonging to the trustees of Francis John Sumner, deceased, in lease to William Howard and now held by John and Henry Taylor.

(2) A piece or parcel of freehold land formerly belonging to or reputed to belong to the Calico Printers Association Limited but now belonging to the Company and upon which to construct further works, containing by admeasurement 532 superficial square yards, or thereabouts, situate in the parish of Hayfield aforesaid, bounded on the north by the before-mentioned leasehold plot of land held by the Company, on the south by land belonging to the Calico Printers Association Limited, on the east by the Phoside Brook and on the west by the before-mentioned leasehold land held by the Company.

To enable the Company to hold the before-mentioned lands and hereditaments and any easements or rights in or over any such lands and hereditaments.

To authorize the Company to manufacture and store gas in and upon the before-mentioned lands and to supply and sell gas for public, private, trade and for other purposes from their gasworks to and within the said parish of Hayfield, in the rural district of Hayfield, in the county of Derby, and to manufacture, convert, utilize, sell and dispose of coal, tar, coke, pitch, asphaltum, ammoniacal liquor, oil and all other residual products obtained in the manufacture of gas and matters producible therefrom and to sell and dispose of the same at the works of the Company and to carry on there the business usually carried on by gas companies.

To authorize the Company to acquire and hold patent rights and licences in relation to the manufacture or distribution of gas and the utilization of the residual products obtained therefrom or the production of artificial light.

To empower the Company for the general purposes of their undertaking to acquire and hold other lands by agreement in addition to the lands before described and upon such lands to make and store gas and to supply and sell gas within the parish of Hayfield aforesaid.

To authorize the Company on the one hand, and any Company, urban authority or rural district council or parish council, or any authority, person or persons, on the other hand, to make and carry into effect contracts and agreements for the supply of gas, in bulk or otherwise, and for lighting and supplying all fittings and other things, and for performing all acts incidental to lighting any streets, places or buildings (including the lighting and extinguishing of lamps), and the Order will preserve and confirm existing contracts and agreements relating to any of the matters aforesaid.

To authorize the Company from time to time to extend, repair and renew their mains, pipes and works within the proposed limits of supply and for that purpose to open and break up the soil and pavement of any streets, roads, highways, lanes and railways, tramways, bridges and other passages and places within the limits of supply, and therein and thereunder to lay down, extend, repair and maintain any mains, service pipes, valves, syphons and other works connected with or incident to the supply of gas.

To enable the Company to apply their funds to the purposes of the Provisional Order and to define and regulate the capital invested in the existing gasworks and for the general purposes of the undertaking and the lands acquired by the Company for the further works to be constructed under the authority of the said Order, to raise additional capital by the creation and issue of ordinary or preference shares or stock, and by borrowing or by some or one of these modes.

To enable the Company to manufacture, purchase or hire and supply gas meters, gas columns and lamps, fittings, gas stoves and cooking and other apparatus, and also to manufacture, purchase, repair, let or deal in and contract for doing work in connection with fitting tubes, meters, pipes and apparatus, stoves, ranges and apparatus for heating, and also engines and machines for the production of motive power, for domestic, agricultural, manufacturing and other purposes by means of gas and all articles and things in any way connected with gasworks or with the supply of gas.

To levy and recover rates and charges for the supply of gas and residual products and for the

supply, hire or use of meters, fittings, columns, lamps, engines and other articles, apparatus and things supplied by the Company, and generally to confer all such further or other powers as may be deemed necessary or expedient for effecting the purposes aforesaid or any of them.

To vary or extinguish all existing rights and privileges which would interfere with the objects or purposes of the Provisional Order and to confer other rights and privileges, and to incorporate with the intended Order all or some of the provisions of the Gasworks Clauses Acts, 1847 and 1871; the Companies Clauses Acts, 1845, 1863 and 1869; the Lands Clauses Acts, except the provisions thereof relating to the purchase and taking of land otherwise than by agreement.

To purchase by agreement or take on lease or otherwise acquire for the general purposes of the undertaking other than the manufacture and storing of gas such other lands as may hereafter be required subject to such regulations and conditions as may be defined by the Order.

On or before the 30th day of November instant a plan of the existing and proposed works prepared in accordance with the regulations of the Board of Trade and also a map of the district with the boundary of the limits of supply and the lands or site of the existing and proposed works shown thereon and showing the lands proposed to be used for the manufacture and storage of gas, and of residual products arising in the manufacture of gas, together with a copy of this advertisement as published in the London Gazette will be deposited for public inspection at the office of the Clerk of the Peace for the county of Derby, at his office at the County Offices, St. Mary's Gate, Derby, and a similar deposit will also be made at the Office of the Board of Trade, Whitehall-gardens, London.

The draft of the proposed Provisional Order will be deposited at the Office of the Board of Trade aforesaid, on or before the 23rd day of December next, and printed copies of the said draft Provisional Order when deposited, and of the Provisional Order when made, may be obtained by all persons applying for the same at the registered office of the Company, the Gasworks, Hayfield, or at the office of Messrs. Boddington, Jordan and Bowden, 1, Princess-street, Manchester, Solicitors, or of Messrs. W. and W. M. Bell, 3A, Deans-yard, Westminster, London, Parliamentary Agents, at the price of one shilling each.

And notice is hereby further given, that every company, corporation or persons desirous of making any representation to the Board of Trade or of bringing before them any objection respecting this application may do so by letter addressed to the Assistant Secretary of the Railway Department of the Board of Trade, Whitehall-gardens, London, on or before the 15th day of January, 1909, and that copies of the objections must at the same time be sent to the undersigned Solicitors or Parliamentary Agents for the Company, and in forwarding to the Board of Trade such objections the objectors or their agents must state that a copy of the same has been forwarded to the Company or to their Solicitors or Agents.

Dated this 5th day of November, 1908.

Work No. 7.—A footpath wholly situate in the said parish and urban district of Saddleworth, commencing in the public road leading from Uppermill to New Delph at the south-westerly corner of the enclosure numbered 1622 on the 1850 Ordnance Map of the said parish and urban district of Saddleworth, published in 1906, and skirting the westerly bank of the River Tame, and terminating in the said public road at the northerly corner of the enclosure numbered 1621 on the said Ordnance Map.

Work No. 8.—A well, borehole and pumping station (hereinafter referred to as "the Linfitts Pumping Station"), situate wholly in the said parish and urban district of Saddleworth, in the enclosure numbered 2064 on the 1850 Ordnance Map of the said parish and urban district of Saddleworth, published in 1906.

Work No. 9.—A new road situate wholly in the said parish and urban district of Saddleworth, commencing at the Linfitts Pumping Station at a point 286 yards, or thereabouts, measured in a straight line in a westerly direction from the most northerly corner of the mill known as Pingle Mill, and terminating in the occupation-road leading from Carroote to Pingle Mill at a point 110 yards, or thereabouts, measured in a straight line in a south-easterly direction from the said most northerly corner of the mill known as Pingle Mill.

Work No. 10.—An aqueduct, conduit or line of pipes, situate wholly in the said parish and urban district of Saddleworth, commencing at or in the Linfitts Pumping Station and terminating by a junction with the existing conduit or line of pipes belonging to the Corporation at or near Stubbing, at a point in the enclosure numbered 2140 on the 1850 Ordnance Map of the said parish and urban district of Saddleworth, published in 1906, 56 yards, measured in a straight line in a north-westerly direction from the most southerly corner of that enclosure.

Together with all proper dams, walls, embankments, filters, filter beds, overflows, shafts, tunnels, adits, aqueducts, culverts, cuts, sluices, watercourses, weirs, wash-outs, meters, gauges, manholes, rails, sidings, bridges, engines, machinery, channels, conduits, mains, pipes, stand-pipes, junctions, valves, drains, hydraulic, electric, telegraphic and telephonic apparatus, roadways, approaches, fences, buildings, works and conveniences connected with the hereinbefore described works or any of them or incidental thereto, or necessary or convenient for constructing, conducting, controlling, inspecting, cleansing, repairing or managing the waterworks, and together with full power and right at all times of approach and access to the works aforesaid or any of them.

To authorize the Corporation to discharge water from any of the intended works into any rivers, streams or watercourses on the line thereof or near thereto or with which such works may be made to communicate.

To empower the Corporation to divert, collect, impound, take, use and appropriate for the purposes of the intended Act or other the purposes of their water undertaking all such streams, springs and waters as can or may be intercepted or taken by the intended works or under the agreement dated the 12th day of August, 1908, hereinafter mentioned, or as may be found on, in or under any of the lands for the time being belonging to or which may be acquired by the Corporation or over or in respect of which they have or may acquire easements.

To empower the Corporation from time to time to alter, extend, enlarge or improve all or any of their waterworks and to lay down, maintain, alter and renew mains, pipes, culverts, discharge pipes, telephone and telegraph conductors, wires and posts and other works in, through, along, under, across and over highways, streets, roads, bridges, streams, canals, paths and railways and for those purposes to extend to such works all or any of the provisions of the Waterworks Clauses Acts, 1847 and 1863.

To confer upon the Corporation the powers of the Public Health Acts in regard to the construction of waterworks both within and without their limits of supply and to provide that for that purpose the limits of supply of the Corporation shall be deemed to be the district of the Corporation as the local authority within the meaning of the said Acts.

To confirm and make binding on the parties thereto an agreement bearing date the 12th day of August, 1908, between Platt Brothers and Company Limited and the Corporation with respect to the acquisition by the Corporation of an additional source of water supply from the Butterworth Hall Colliery at Milnrow, in the county of Lancaster.

To empower the Corporation to purchase or acquire by agreement and hold any lands which they may deem necessary for the purposes of the protection of their waterworks and water supply against nuisances and pollution and to enable the Corporation to make and carry into effect agreements with any owners, lessees or occupiers of any lands within the drainage area of the new and existing waterworks of the Corporation with reference to the execution by the Corporation or any such owners, lessees or occupiers of such works as may be necessary for the purpose of draining such lands or any of them, or for more effectually collecting, conveying and preserving

the purity of the waters flowing to, upon or from such lands directly or derivately into such works, and otherwise to make provision for the protection of the waters and waterworks proposed to be taken and authorized and for preventing such waters from being polluted, discoloured, diverted or taken, and to enable the Corporation to make bye-laws for any of such purposes.

To provide that the proposed works shall form part of the water undertaking of the Corporation, and to extend and apply thereto all or some of the enactments relating to that undertaking, and to extend and apply all or some of the provisions of the intended Act to all or some of the existing works of the Corporation.

To enable the Corporation to form, lay down, work, use and maintain wholly within the county borough of Oldham (hereinafter called "the borough") all or some of the tramways hereinafter described (hereinafter referred to as "the proposed tramways"), and for that purpose and for the purpose of any tramways over which they have running powers to form, lay down and maintain all necessary and proper rails, plates, sleepers, channels (including in that word where used in this Notice channels, passages and tubes for ropes, cables, wires and electric lines), junctions, turntables, turnouts, crossings, passing places, triangles, posts, poles, brackets, wires, stables, carriage houses, engine boiler and dynamo houses, waiting rooms, sheds, buildings, engines, dynamos, works and conveniences connected therewith.

The proposed tramways are the following (that is to say):—

Tramway No. 1, a double line, 1 furlong 6.48 chains in length, commencing in King-street by a junction with the existing tramway of the Corporation, at a point about 12 yards measured in a westerly direction from the north-west corner of No. 79, King-street, proceeding thence in a north-easterly direction across Union-street and along George-street and terminating in the Market Place by a junction with the existing tramway of the Corporation at a point about 10 yards measured in a north-easterly direction from the north-west corner of No. 28, Market Place.

Tramway No. 1A, 1.45 chains in length of which 0.54 chain is single line and 0.91 chain is double line, commencing in George-street by a junction with Tramway No. 1 at a point about 10 yards measured in a north-westerly direction from the north-east corner of the White Bear Hotel and terminating in the Market Place by a junction with the existing tramway of the Corporation at a point about 12 yards measured in a south-westerly direction from the south corner of No. 27, Market Place.

Tramway No. 2, 1 furlong 2.68 chains in length, of which 5.39 chains is single line and 7.29 chains is double line, commencing in Middleton-road by a junction with the existing tramway of the Corporation at a point about 17 yards measured in a south-westerly direction from the south-east corner of No. 1, Rochdale-road, proceeding thence in an easterly direction crossing Rochdale-road thence along West-street and the Market Place, and terminating in the Market Place by a junction with the existing tramway of the Corporation at a point about 17 yards measured in a westerly direction from the south corner of No. 27, Market Place.

Tramway No. 3, 7 furlongs 6.11 chains in length, of which 5 furlongs 0.11 chain is single line and 2 furlongs 6 chains is double line, commencing in Ripponden-road by a junction with the termination of the existing tramway of the Corporation in that road, proceeding thence in a north-easterly direction along Ripponden-road and terminating at the borough boundary.

Tramway No. 4, 2 furlongs 7.84 chains in length, of which 1 furlong 4.79 chains is single line and 1 furlong 3.05 chains is double line, commencing in Oxford-street at the borough boundary and proceeding thence in a north-easterly direction along Oxford-street and terminating in Manchester-road by a junction with the existing tramway of the Corporation at a point about 10 yards measured in a north-westerly direction from the north corner of the Werneth Fire Station.

In the following instances the proposed tramways will be so laid that for a distance of 30 feet or upwards a less space than 9 feet 6 inches will intervene between the outside of the footpath on the side or sides of the street or roads, herein-after mentioned, and the nearest rail of the tramway, namely :—

Tramway No. 1.—In George-street, on both sides, from the junction of George-street with Union-street, for a distance of 116 yards measured in a north-easterly direction and from a point 5 yards north-east of the north-east side of Charlotte-street for a distance of 130 yards measured in a north-easterly direction.

Tramway No. 2.—In West-street, on both sides, from a point 6 yards east of the east side of Rochdale-road for a distance of 125 yards measured in an easterly direction and in West-street and Market Place, on both sides, from a point opposite the east side of Hopwood-street for a distance of 75 yards measured in an easterly direction.

Tramway No. 4.—In Oxford-street, on both sides, for the whole length thereof.

All the proposed tramways will be constructed on a gauge of 4 feet 8½ inches, and it is not intended to run on such tramways carriages or trucks adapted for use on railways.

The motive power to be used on the proposed tramways will be animal or mechanical power (including electricity or any other motive power not being animal power) or partly one such power and partly another.

To provide that the proposed tramways and works shall form part of the tramway undertaking of the Corporation and to extend and apply the provisions of the Oldham Corporation Act, 1899, and the Oldham Corporation Act, 1900, and the enactments incorporated with those Acts to the proposed tramways as if they had been authorized by either or both of those Acts, and to extend and apply all or some of the provisions of the intended Act to all or some of the existing tramways and tramway works of the Corporation.

To enable the Corporation to make bye-laws with regard to any of the proposed tramways.

To make all other provisions which may be necessary or convenient for all or any of the purposes of the constructing, maintaining and working of the proposed tramways or any of the works connected therewith and particularly to erect and maintain waiting rooms in streets, to enable the Corporation to lop trees overhanging streets, to authorize the stopping up of roads during the execution of works and to inflict

penalties for malicious damage to the Corporation tramways.

To empower the Corporation on the one hand and any other corporation, company, body or person on the other hand to enter into and fulfil working agreements and agreements for or in relation to the working, running over, management and maintenance of and interchange of traffic on and the supply of rolling-stock or motive power for and the fixing, collection, payment, appropriation and distribution of tolls on their respective tramway undertakings.

To authorize the Corporation to provide, maintain and run omnibuses and motor cars, including motor cars on the trolley system without rails, within and beyond the borough, in connection with or in extension of their tramways or any tramways over which the Corporation have running powers.

To empower the Corporation to make and maintain the following street widenings and other works in the borough, together with all necessary and proper works, improvements, junctions, connections and conveniences connected therewith or incidental thereto (that is to say) :—

Work No. 1.—A widening of High-street, on the south side thereof, commencing at the west side of Clegg-street and terminating at the east side of School Croft.

Work No. 1A.—A widening of Market Place, on the south side thereof, commencing at the west side of School Croft and terminating at the east side of Peter-street.

Work No. 2.—A widening of Market Place, on the north-east side thereof, for a distance of 22 yards, commencing at the west side of White Lion-yard and terminating at the junction of Henshaw-street with Market Place.

Work No. 2A.—A widening of Henshaw-street, on the east side thereof, commencing at its junction with Market Place and terminating at the south side of the Central Temperance Hall.

Work No. 3.—A widening of King-street and Union-street, on the east side of King-street and on the south side of Union-street, commencing at the north side of the passage adjoining the new Grand Theatre and terminating on the west side of Chaucer-street.

Work No. 4.—A widening of King-street, on the south-west side thereof, commencing on the north-west side of Foundry-street and terminating at a point about 44 yards from the north-west side of Knott's-yard, measured in a north-westerly direction.

Work No. 5.—A widening of Featherstall-road North, on the south-east side thereof, commencing at the south-west side of Chadderton-road and terminating at a point about 24 yards distant measured in a south-westerly direction.

Work No. 6.—A widening of Mumps, on the north side thereof, commencing on the east side of the Manchester and County Bank and terminating at a point about 33 yards distant measured in an easterly direction.

Work No. 7.—A widening of Shaw-road, on the west side thereof, commencing at the south side of the Junction Inn and terminating at the borough boundary at the junction of Shaw-road with Higginshaw-road.

Work No. 7A.—A widening of Shaw-road, on the east side thereof, commencing at a point 6 yards measured in a southerly direction from

the north-west corner of No. 72, Shaw-road and terminating at the north side of No. 322, Shaw-road.

To empower the Corporation for the purpose of the construction of the proposed waterworks, tramways and street works to deviate laterally and vertically from the lines and levels of the intended works shown on the deposited plans hereinafter mentioned to the extent shown on the said plans or to be defined in the intended Act.

To authorize the Corporation in connection with the proposed tramways and street works to make and maintain all necessary approaches, retaining walls, piers, abutments, embankments, girders, cantilevers, bridges arches, sewers, drains, culverts, excavations and other works and conveniences.

To authorize and provide for the underpinning or otherwise securing or strengthening of any houses or buildings which may be rendered insecure or affected by the said intended works and which houses and buildings may not be required to be taken for the purposes thereof.

To enable the Corporation to make in any streets, roads, footways and thoroughfares all such alterations in levels and widths of roadways and footways as may be expedient for or in connection with the said works and for making convenient accesses from or junctions with other streets or roads, to alter the position of any steps, areas and cellars and to stop up, alter, divert and interfere with either permanently or temporarily (and if permanently to appropriate the site and soil of and to extinguish all rights of way over) and to cross over, under or upon all such footpaths, streets, highways, bridges, thoroughfares, railways, tramways, rivers, navigations, canals, streams, brooks, watercourses, sewers, drains, gas and water and other pipes and telegraphic and telephonic and electric and other apparatus as it may be necessary or convenient to do for any of the purposes of the intended Act.

To empower the Corporation for the purposes of the intended works and of the intended Act to purchase and take by compulsion or agreement all or any of the lands shown upon the deposited plans and described in the books of reference thereto hereinafter referred to and also any rights and easements in or over any such lands, and to empower the Corporation to appropriate and use for the purposes of the intended works any lands belonging to or vested in them, and to make exchanges of land with other bodies and persons and upon any such exchanges to pay or receive money for equality of exchange and to empower the Corporation to retain and hold any lands acquired by them under the intended Act and not required for the purposes of the intended works and to erect buildings thereon and to grant leases of such lands and buildings.

To authorize the Corporation to hold any lands which they may acquire under the authority of the intended Act, freed from the provisions of the Lands Clauses Consolidation Act, 1845, with respect to superfluous lands, and in other respects to modify the provisions of the Lands Clauses Acts in their application to the Corporation, and to confer further powers upon the Corporation with reference to the acquisition, appropriation, retention and disposal of lands, and to acquire by compulsion or agreement any mines or minerals upon or under any such lands, notwithstanding the provisions of the Waterworks Clauses Act, 1847, with respect to mines.

To exempt the Corporation from the operation

of section 92 of the Lands Clauses Consolidation Act, 1845, so as to enable them to purchase compulsorily parts only of certain properties.

To enact special provisions for determining the purchase money and compensation payable in respect of lands and property required for the purposes of the intended Act and amongst other things for taking into account the increased value of any lands retained by the claimants by reason of the proposed works.

To empower the Corporation to supply electrical energy to premises situate outside their area of supply, and to enable the Corporation to accept transfers from other authorities, companies and persons of authorized electrical undertakings.

To make further provisions with respect to the electric lighting undertaking of the Corporation, and particularly with regard to the supply of electricity in bulk to neighbouring authorities, the supply of electricity where a consumer has a separate supply, the giving of notice by consumers before removing power to refuse to supply electrical energy in certain cases and to authorize the Corporation to sell and let for hire and fix meters, fittings, and apparatus for lighting and motive power, to make and enforce bye-laws with respect to such fittings, &c., to provide for the alteration of the date for filling up the annual accounts of the electrical undertaking, and to confer power on the Corporation to construct electrical sub-stations under streets.

To empower the Corporation to appropriate and utilize for the purposes of the storage of gas the lands hereinafter described and to construct, erect and lay down thereon all necessary and proper gasometers, gasholders, receivers and all other necessary buildings, engines and works for or in connection with such purposes. The lands to be appropriated and utilized as aforesaid are the following:—

A plot of land situate at Hollinwood, in the borough, belonging or reputed to belong to the Corporation and containing by admeasurement 11,155½ superficial square yards, or thereabouts, bounded on the easterly side by a road or intended road 14 yards wide called or intended to be called Hawthorn-road, on the southerly side by an intended street 12 yards wide, on the westerly side by a street or intended street 14 yards wide called or intended to be called Gee-street, and on the northerly side by a passage or intended passage 10 feet wide.

To empower the Corporation upon the lands hereinafter described to erect and maintain works, machinery, apparatus and conveniences for the manufacture, conversion, utilization, storage and distribution of materials used in or residual products resulting from the manufacture of gas and to manufacture, sell, provide, supply, and deal in lime, coke, chemicals, tar, pitch, asphaltum, ammoniacal liquor, oil and all other products or residuals of any materials employed in or resulting from the manufacture of gas. The lands above referred to are the following:—

A plot of land situate at or near Salmon Fields at Higginsshaw, in the township and urban district of Royton, in the county of Lancaster, belonging or reputed to belong to the Corporation and containing by admeasurement 7,218 superficial square yards, or thereabouts, bounded on the north and north-westerly sides in a curved line by a private railway siding belonging or reputed to belong

to the Corporation, on the south-easterly side by other land belonging or reputed to belong to the Corporation and forming part of their Higginshaw Gasworks, and on the south-westerly side by land belonging or reputed to belong to Sir Joseph Edward Radcliffe, Baronet.

To make further provisions with respect to the gas undertaking of the Corporation and particularly with regard to the use of anti-fluctuators for gas engines, the specification of internal fittings and the construction and placing of pipes, &c., between mains and consumers' premises, the inspection of gas fittings in new buildings, the laying down and use of pipes for ancillary purposes, the supply of gas to persons in debt for other premises, and as to the testing of the illuminating power of gas supplied by the Corporation and to make and enforce bye-laws with respect to gas fittings.

To make provision with respect to public and private streets, present and future, and buildings and especially with reference to the following matters:—

Intersecting streets, the width of new streets in certain cases, power to the Corporation to convey portions of streets to adjoining owners; prevention and removal of projections over streets; the granting of licences for bridges over streets; prevention of soil and sand from being washed into streets; prevention of water flowing on footpaths; means of escape from buildings in case of fire; minimum floor area for habitable rooms and restrictions as to covering over streams and watercourses; to make and enforce bye-laws relative to the structure of buildings, for, among other purposes, the securing of stability, the prevention of fires and purposes of health.

To make better provision with regard to the health and sanitary condition of the borough, and particularly in regard to the following matters:—

The amendment of section 19 of the Public Health Acts Amendment Act, 1890, in reference to the drainage of two or more houses by a single private drain; inspection and reconstruction of drains; improper construction or repair of water-closets or drains; wilful damage to drains, water-closets, &c.; street orderly bins; regulation dust bins; appointment of inspectors of nuisance; apportionment of expenses of works done for common benefit of two or more properties; the entry into and cleansing of houses infested with vermin; the cleansing of children attending school and their clothing; the ejection of steam or gas from engines, boilers, &c., not to be an annoyance to the public; the provision of public drinking fountains; the inspection of vehicles and the opening of cases, &c., suspected of containing unsound meat or other articles of food; and the prohibition of blowing or inflating carcasses.

To provide for the cleansing and disinfection of any premises in which a case of tuberculosis of the lung has occurred by the owner or occupier thereof with power to the Corporation in default to carry out such cleansing and disinfection and to require the removal from such premises of anything exposed to infection, and to provide for the disinfection and return of the same.

To provide for the prevention or spread of infectious or contagious diseases within the borough, and particularly to provide for the

furnishing of information respecting persons suffering from such diseases and the medical examination of the inmates of common lodging-houses where infectious disease is supposed to exist.

To empower the Corporation to establish a fire insurance fund to be available for the purpose of reconstructing, rebuilding, repairing, restoring, replacing and making good any loss or damage by or in consequence of fire to any buildings, works and property belonging to or under the control of the Corporation.

To empower the Corporation to create an accident fund to meet claims made upon them by any of their employees under the Common Law and the Employers' Liability and Workmen's Compensation Acts.

To constitute the Corporation the overseers within the borough, to appoint and remunerate persons to assist them in carrying out the duties of overseers, and to provide that all precepts, orders or notices required to be served on the Corporation as overseers shall be served upon the Town Clerk.

To amend the provisions of section 76 of the Public Health Acts Amendment Act, 1907, in its application to the borough, to enable the Corporation to close to the public and reserve the exclusive use of swimming baths belonging to them for exhibitions and entertainments and to make provision for the prevention of the holding of unauthorized markets and fairs on private lands in the borough.

To give power to the Corporation to lay mains and pipes in streets not dedicated to public use, to fix and maintain fire alarms in the public streets and roads, and to manufacture slabs, &c., from destructor refuse.

To make further provisions and confer powers upon the Corporation for the control, regulation and registration of common lodging-houses and the keepers thereof.

To empower the Corporation to impose penalties for the breach of or non-compliance with the provisions of the intended Act and to make and enforce bye-laws in respect to all or some of the matters and things mentioned or referred to in this Notice, and to impose penalties for the breach of such bye-laws, and to extend the powers of the Corporation in regard to bye-laws under the Public Health Acts.

To provide that persons acting in execution of the intended Act under the direction of the Corporation shall not be personally liable and for the authentication and service of notices, to prescribe by whom informations are to be laid, to make provision as to recovery, apportionment, payment and application of penalties and as to settlement of amounts to be paid in respect of damages, charges and compensation, to provide for appeal, to empower the Corporation to make compensation in land, works or money to any person by agreement with such person, to provide that the Corporation shall not be liable for damage done in executing works for owners and to provide for evidence of the appointment and authority of the officers and servants of the Corporation, the qualification of justices and the recovery of demands.

To authorize the Corporation from time to time to make and levy additional or increased rates for all or any of the purposes of the intended Act and to confer, vary and extinguish exemptions from the payment of any existing or future rates.

To authorize the Corporation to borrow

money for the execution of the works proposed to be authorized and for other the purposes of the intended Act and for any other purpose of the Corporation for which capital moneys may be properly expended and to charge the same on the borough fund and borough rate and the undertakings, estates, rates, revenues and other property of the Corporation or any of such securities and to execute and grant mortgages or to create and issue stock in respect thereof and to authorize the Corporation to apply any of their corporate funds or other moneys authorized to be raised to all or any of the purposes of the intended Act.

To empower the Corporation to increase the existing reserve funds in connection with any of their undertakings.

To authorize the Corporation and any local authorities, bodies, companies and persons for all or any of the purposes of or incidental to the objects of the intended Act to enter into and fulfil agreements and contracts and the intended Act will or may confirm any such agreements and contracts which may have been or may be entered into and to enable any such local authorities, bodies, companies and persons for the purposes aforesaid to expend their funds, rates and revenues and to borrow money for any such purpose.

The Bill will, so far as it may be deemed necessary or expedient, vary and extend, repeal or alter all or some of the provisions of the following Acts:—The Oldham Borough Improvement Act, 1865; the Oldham Corporation Waterworks, &c., Act, 1870; the Oldham Corporation Water Act, 1875; the Oldham Borough Tramways Order, 1878, confirmed by the Tramways Orders Confirmation Act, 1878, No. 2; the Oldham Improvement Act, 1880; the Oldham Borough Tramways (Extensions) Order, 1882, confirmed by the Tramways Orders Confirmation (No. 1) Act, 1882; the Oldham Corporation Act, 1886; the Oldham Electric Lighting Order, 1890, confirmed by the Electric Lighting Orders Confirmation (No. 3) Act, 1890; the Oldham Corporation Act, 1899; the Oldham Corporation Act, 1900; and all other Acts, Orders, regulations and resolutions directly or indirectly relating to or affecting the Corporation or the borough and will, or may so far as may be deemed expedient, incorporate with itself, with or without alteration, the provisions or some of the provisions of the various Acts in this Notice referred to; the Lands Clauses Acts; the Railway Clauses Consolidation Act, 1845; the Waterworks Clauses Acts, 1847 and 1863; the Tramways Act, 1870; the Electric Lighting Acts, 1882 and 1888; the Electric Lighting (Clauses) Act, 1899; and the Public Health Acts; and the Bill will vary and extinguish all rights and privileges which would or might interfere with any of its objects and confer other rights and privileges.

And notice is hereby further given, that plans and sections in duplicate describing the lines, situation and levels of the proposed works and the lands, houses and other property in or through which they will be made and also showing the lands and property to be compulsorily taken under the powers of the intended Act, together with a book of reference to such plans containing the names of the owners and lessees or reputed owners or lessees and of the occupiers of such lands, houses and other property and a copy of this Notice will on or before the 30th day of November instant be deposited for public inspection as regards the waterworks, tramways, street

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session for leave to bring in a Bill for all or some of the following purposes (that is to say):—

1. To incorporate a company and to confer upon that company or upon a company to be incorporated under the Companies Acts, 1862 to 1907 (in this Notice referred to collectively and severally as "the Company") the powers, rights, duties and obligations in this Notice referred to.

2. To enable the Company to acquire, by compulsion or agreement, the undertaking of the Plymouth Promenade Pier and Pavilion Company Limited (in this Notice referred to as "the Pier Company"), and to provide for the transfer to and vesting in the Company of such undertaking and all other the lands, properties, rights, powers and privileges now vested in the Pier Company on such terms and conditions as may be prescribed or provided for by the Bill.

3. To provide for the distribution and apportionment of the purchase money on such sale among the mortgagees, debenture holders, creditors and preference and ordinary shareholders of the Pier Company, and if need be to

prescribe, alter and regulate the rights and priorities of such mortgagees, debenture holders, creditors and shareholders, and to cancel or limit, any such rights.

4. To provide for and require the acceptance by any such mortgagee, debenture holder, creditor or shareholder of shares, stock or securities forming the whole or part of the purchase money for the said undertaking, and the vesting and apportionment thereof among such persons, and the acceptance thereof in exchange for their existing securities, and the surrender and cancellation of such securities and to provide for the winding up and dissolution of the Pier Company.

5. To authorize the Company to maintain the pier and other works at Plymouth so to be transferred and from time to time to strengthen, alter and improve the same, and to enlarge, alter or reconstruct the pavilion thereon.

6. To empower the Company to take, acquire and enter upon by compulsion or agreement the lands shown upon the plans deposited as hereinafter mentioned, being certain lands in the parish of St. Andrew, in the borough of Plymouth, and lying on the north-west side of the Grand-parade.

7. To authorize the Company to construct, provide and maintain on the said pier or the approaches thereto, or on the lands acquired under the provisions of the Bill, or on any lands held by the Company in connection with the pier undertaking, winter gardens, skating rinks, baths, pavilions, assembly rooms, concert rooms, reading and refreshment rooms and other rooms, kiosks, shops, shelters, shooting galleries, bowling saloons, water chutes, automatic machines, gymnasias, theatres and other buildings for recreation or entertainment, lavatories and conveniences, toll houses, gates, sewers, drains and other works requisite or expedient in connection therewith, and to authorize the Company to provide refreshments and to carry on the business of licensed victuallers and for that purpose to obtain and hold the necessary licences.

8. To empower the Company to demand, receive and recover tolls, rates, charges and other payments on vessels using the pier, and in respect of passengers embarking or disembarking at the pier, and in respect of animals, fish, goods, minerals or merchandise shipped or unshipped thereat, and in respect of the use of any buildings, cranes, buoys, weighing machines and other conveniences, and to demand, receive and recover charges and payments for admission to the pier or to any particular part thereof or the winter gardens, swimming or other baths and for admission to or for the use of any building (permanent or temporary) provided by the Company, and for admission to any concert, lecture, theatrical performance or other entertainment of any description or for the use of any buildings or apparatus provided by the Company.

9. To empower the Company to close the said pier or winter gardens or baths or any part thereof on special occasions and to make such special and increased charges on those occasions as they may think fit.

10. To enable the Company to provide and pay for or contribute towards the payment of bands of music, exhibitions or other performances or entertainments on the said pier or in the winter gardens, skating rink, baths or pavilion, room or place belonging to the Company, or towards the funds of any regatta or fete held in the vicinity.

11. To enable the Company to obtain a supply of sea water for the baths aforesaid and to erect and maintain any buildings, machinery and apparatus, and to break up such public or private streets in the borough or the foreshore of the sea as may be necessary for such purpose or in connection therewith.

12. To empower the Company to make, alter, vary and rescind bye-laws, rules and regulations for the control of vessels, persons, animals, goods and vehicles, using, frequenting or resorting to the pier or winter gardens, skating rink, baths or other property of the Company, and for the prevention of nuisance or annoyance by smoke or noise or from any other cause whatsoever and generally for the management, regulation and use of the pier or other property aforesaid, and of the conduct of persons using the same, and for the exclusion or removal of undesirable persons therefrom, and to impose penalties for the breach or non-observance of any of the bye-laws, rules and regulations, and to appoint and remove pier masters, constables and other officers and servants, and to provide for the apprehension of offenders against any such bye-laws, rules and regulations as may be for the time being in force.

13. To empower the Company to lease from time to time the tolls, rates, duties, charges, property, works, buildings, rooms and conveniences or any or either of them or any part or parts thereof to such company, body or person upon such terms and conditions, pecuniary or otherwise, and under and subject to such restrictions and regulations as they may think fit, and to vest in any lessee or lessees or tenant during the continuance of any lease or tenancy all or any of the powers, rights, privileges and authorities of the Company, whether with reference to the carrying on of the pier undertaking or the winter gardens, skating rink or baths undertaking, or the levying, recovery and enforcing of rents, tolls, rates, duties, charges, damages and penalties or otherwise.

14. To enable the Company and the Corporation of Plymouth to enter into and fulfil agreements with reference to the supply of water or electricity for the purposes of the Company on special terms and with reference to any other matters in connection with the Company's undertaking.

15. To alter, vary or repeal all or some of the provisions of the Plymouth Pier Order, 1878, and any other Acts or Orders relating to the Pier Company, and to incorporate all or some of the provisions of the Lands Clauses Acts, the Companies Clauses Acts, the Harbours, Docks and Piers Clauses Act, 1847, and other public general Acts.

Plans, showing the lands proposed to be acquired under the powers of the Bill, and a book of reference thereto will, on or before the 30th day of November, 1908, be deposited with the Clerk of the Peace for the county of Devon (in duplicate) at his office at Exeter and with the Town Clerk of Plymouth at his office at the Guildhall, Plymouth, together with a copy of this Notice as published in the London Gazette.

Printed copies of the Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December, 1908.

Dated this 12th day of November, 1908.

5. To confer further powers upon the Council with respect to their promenades and the lands acquired or held in connection therewith, including powers in respect of the following matters:—The removal of any buildings upon lands acquired for the purposes of Part III of the Wallasey Tramways and Improvements Act, 1906, and the erection and equipment on such lands, of concert halls, pavilions, conservatories, winter gardens, bandstands, refreshment, assembly or reading rooms, shops, stalls and other buildings; the enclosure of parts of the said lands, the letting of the said buildings and lands, the provision and carrying on by the Council of entertainments therein and thereat, to charge for admission thereto, the sale of programmes, the making of bye-laws, the application of moneys received and the payment of expenses.

6. To make provision in regard to the piece of land known as Flynn's Piece, in the township of Wallasey, in the district, and to provide that the same shall be deemed to be a pleasure ground and recreation ground, with power for the Council to use part thereof for the purposes of a highway and to sell, dispose of and exchange parts thereof and to prohibit the getting of marl therefrom.

7. To extend the powers of the Council in regard to the retention and letting of the houses belonging to them in Vale Park.

8. To extend and apply to the intended works all or some of the provisions of the Wallasey Urban District Council (Promenade) Act, 1896; the Wallasey Tramways and Improvements Act, 1899; the Wallasey Tramways and Improvements Act, 1901; and the Wallasey Tramways and Improvements Act, 1906.

9. To empower the Council to deviate laterally and vertically from the lines and levels of the intended works shown on the deposited plans hereinafter mentioned, to the extent to be shown on the said plans, or to be defined in the intended Act.

10. To authorize the Council to break up, cross, alter, widen, narrow, divert, stop up (either temporarily or permanently) and interfere with streets, roads, highways, footpaths, water-courses, sewers, drains, pavements, mains, pipes, telegraphs, telephones and apparatus within the townships, district, and county aforesaid, for the purposes of constructing and maintaining the proposed works or any of them or otherwise for the purposes of the intended Act.

11. To empower the Council for the purposes of the proposed works, for the purpose of providing frontage to the streets and roads intended to be widened or made and for other the purposes of the intended Act to purchase or acquire by compulsion or agreement or to take on lease any lands, houses or buildings, in the townships, district and county aforesaid, and to acquire by compulsion or agreement rights or easements in, over or connected with any lands, houses, or buildings.

12. To exempt the Council from the operation of section 92 of the Lands Clauses Consolidation Act, 1845 (so as to enable them to acquire parts only of certain properties) and the provisions of that Act relating to superfluous lands, and to make other amendments in the Lands Clauses Acts in their application to the intended Act.

13. To make special provision with regard to the amount of compensation to be paid in respect of the lands to be acquired under the intended Act, and to provide that in determining the amount of such compensation regard shall be had to the increase in value of other lands of the persons claiming compensation resulting from or caused by the construction of the intended works and the exercise of the other provisions of the intended Act, and to other circumstances to be mentioned or referred to in such Act, and that any buildings erected, alterations made or interest created after the date hereof or such other date as may be mentioned in the intended Act shall not be taken into consideration.

14. To render persons claiming compensation liable to costs in certain events, and to make provision for enabling them to amend their claims.

15. To make provision relative to the removal and re-interment of the remains of deceased persons in so much of the burial ground attached to the St. Alban's Roman Catholic Church, in the township of Liscard; in the district, as may

be acquired by the Council under the provisions of the intended Act.

16. To make provision for imposing an improvement charge upon certain lands situate in the said township of Wallasey, in the district fronting upon or in the neighbourhood of Works Nos. 23 to 29 inclusive, hereinbefore referred to and upon the owners, lessees and occupiers of and other persons interested in such lands in respect of all or any part of the increase in the value of such lands by reason of or in consequence of the execution of such works, and to enact all necessary provisions for determining and ascertaining by arbitration or otherwise the amount of such increase in value and the amount of such charge, and for the recovery, application, apportionment and redemption of such charge, and to apply thereto all or some of the provisions of the Public Health Acts relating to private improvement expenses. The lands hereinbefore referred to are situate on the east and west sides of St. George's-road, for its whole length, and Sandy Lane on the north and south sides from St. George's-road to Wallasey Village-road.

17. To extinguish all public and private rights of way and other rights over the lands acquired under the intended Act, and to vary and extinguish all other existing rights and privileges which would or might in any way prevent, interfere with or delay the accomplishment of any of the objects of the intended Act, and to confer other rights and privileges.

18. To authorize the Council to borrow money for the purchase of the lands and the execution of the works proposed to be authorized, and for other the purposes of the intended Act, and to charge the same on the district fund and general district rate, and the undertakings, estates, rates, revenue and other property of the Council or any of such securities, and to execute, grant and issue mortgages and other securities and to authorize the Council to apply any of their corporate funds or other moneys authorized to be raised to any of the purposes of the intended Act.

19. To repeal, amend or incorporate with the intended Act all or some of the provisions of the several local Acts (including Orders relating to the district confirmed by Acts) following or some of them, viz. :—

The Wallasey Improvements Acts, 1845, 1858, 1861, 1864, 1867, 1872; the Wallasey Local Board Act, 1890; the Wallasey Urban District Council (Promenade) Act, 1896; the Local Government Supplemental Act, 1863 (No. 2); the Local Government Supplemental Act, 1870; the Local Government Board's Provisional Orders Confirmation (Birmingham, &c.) (Dissolution and Re-incorporation of the Littlehampton Gas Company Limited; Vesting of Undertaking in New Company; Declaration, Regulation, Confirmation and Conversion of Capital; Additional Capital and Borrowing Powers; Confirmation of Sites of Existing Gasworks; Powers as to Maintenance and Extension of Existing Gasworks; Purchase, &c., of Lands; Supply, &c., of Gas; Defining Existing and Extended Limits of Supply; Breaking up of Streets; Laying of Pipes; Rates and Charges; Illuminating Power; Provisions for Regulating Supply of Gas and Otherwise; Application of Funds and Otherwise; Agreements with Local Authorities and Others; Supply in Bulk Beyond Limits; Confirmation of Agreement of 1908 between Company and the London, Brighton and South Coast Railway Company as to Gas Main over the Railway at Rustington; Confirmation of Grant or Easement of 1908 between Company and Reginald Augustus Warren as to laying Pipes; Incorporation and Amendment of Acts and Orders; and other Purposes.)

**N**OTICE is hereby given, that application is intended to be made to Parliament in the Session of 1909 by the Littlehampton Gas Company Limited for leave to bring in a Bill for effecting the purposes or some of the purposes following (that is to say):—

1. To dissolve the Littlehampton Gas Company Limited (hereinafter called "the Limited Company") and to cancel or annul their memorandum and articles of association or regulations and any special or other resolution under which they are now acting, and to provide for the winding up, dissolution and re-incorporation into a new company (hereinafter called "the Company") of the proprietors of the Limited Company or some of them, with or without other persons and corporations.

2. To vest in the new Company all the undertaking, works, land, property, stock, plant, interests, rights, powers, privileges, easements, licenses and agreements and benefits of licenses and agreements of or held or enjoyed by the Limited Company under their Provisional Orders made by the Board of Trade and confirmed by Parliament in 1875, 1888 and 1900.

3. To make all necessary provisions with respect to the capital, shares and borrowing powers of the Limited Company, and to provide, if need be by the intended Bill, for the conversion of such capital and shares into new shares or stock, and to define the rate of dividend and the vesting thereof among the shareholders of the Company. To increase the nominal amount of the capital of the Company from that of the Limited Company. To provide for the issue to the holders of securities of the Limited Company of mortgages, bonds, debentures or debenture stock or shares or stock of the new Company in lieu thereof, and to authorize the Company to raise further capital by ordinary or preference shares or stock and by borrowing on mortgage or by the creation and issue of debenture stock or by any such means. To authorize the Company, if need be, when raising additional capital, to sell shares or stock at a discount.

4. To enable the Company in and upon the lands belonging to them and upon which the existing gasworks are constructed and herein-

after described to maintain and continue the existing gasworks and works connected therewith on such lands and to maintain, alter, enlarge, extend, improve and renew or discontinue gasworks and works for the conversion, manufacture, utilization and distribution of materials used in and about the manufacture of gas and of residual and manufactured products, matters and things, and to manufacture, produce, store, supply and sell gas and to manufacture, store, convert, utilize, buy, sell and dispose of coke, coal, patent fuels, tar, lime, pitch, asphaltum, ammoniacal liquor, sulphate of ammonia, oil and all other residual and manufactured products, matters and things.

5. The lands hereinbefore referred to and now owned, leased and used by the Limited Company for the manufacture and storage of gas and the manufacture and conversion and storage of residual and manufactured products and upon which the existing gas works are constructed, are the following (that is to say):—

(1) Land situated in the parish of Littlehampton, in the county of Sussex, containing by admeasurement 1 acre 2 roods and 7 perches or thereabouts, being part of a field or meadow known as Lincee or Linseed Brook, No. 64 in the tithe commutation apportionment for the said parish of Littlehampton and bounded on the south-west by land belonging or reputed to belong to the London, Brighton and South Coast Railway Company, on the north-west and north-east by land belonging or reputed to belong to his Grace the Duke of Norfolk, and on the south-east by a private or occupation road.

(2) All that piece or parcel of land situated in the parish of Littlehampton, in the county of Sussex, containing by admeasurement 1 acre 0 roods 11 perches, or thereabouts, being part of a field or a meadow numbered 141 on the Ordnance survey map (2nd edition, 1898), for the said parish of Littlehampton, bounded on the north west partly by the said private or occupation road and partly by land belonging or reputed to belong to His Grace the Duke of Norfolk, on the south-west by land of the Limited Company upon which several messuages and buildings are erected and on the other sides by land belonging or reputed to belong to His Grace the Duke of Norfolk.

6. To confer on the Company all necessary powers and authorities for the manufacture, production, storage and supply of gas for all domestic, trading, public and other purposes within the existing limits of the Limited Company and also within the extended limits proposed by the intended Bill, all of which limits of supply are more particularly defined upon the deposited map hereinafter mentioned and are as follows:—

The town and urban district of Littlehampton and also the parishes and places of Ford, Climping, such part of the parish of Poling as lies south of the Arundel and Worthing road and also such part of the parish of Tortington as lies south of the London, Brighton and South Coast Railway, including such railway and Ford station and buildings, and the Arundel Arms Inn near the said Station, and also the parishes and places of Rustington, East Preston, Kingston, and part of Angmering and part of Ferring, in the rural district of East Preston, all in the county of Sussex. Where roads and railways form the boundary

the entire width of such roads and railways is included in the limits of supply.

7. To authorize the Company to maintain, alter and renew or to take up and discontinue any existing mains, pipes, pillars and other works of the Limited Company, and to lay down, make and maintain and from time to time renew or discontinue new or additional mains, pipes, pillars and other works in, along, through, over and under, and for those purposes and for any other purposes in connection with their undertaking to open and break up, cross, alter, divert or stop up all roads, footpaths, highways, streets, pipes, sewers, canals, navigations, rivers, streams, bridges, railways and tramways within the limits above defined for the supply of gas.

8. To enable the Company to manufacture, hire, let or sell and deal in, fit up or repair meters, fittings and other apparatus for supplying or measuring gas and engines, dynamos, motors, stoves, pipes and other apparatus for warming, lighting, cooking and for motive power and other purposes, and to provide materials and execute and do any work or services in connection therewith, and to exempt any such fittings and apparatus from distress and make special provision for securing the safety and return thereof to the Company.

9. To authorize the Company to demand and take and recover rates, rents and charges, differential or otherwise, for the supply of gas and for the sale or hire of gas meters, fittings, stoves, engines and other apparatus, and for services performed by the Company, and if need be to alter the rates, rents and charges now authorized to be taken by the Limited Company, and to confer, vary or extinguish exemptions from the payment of any such rates, rents and charges, and to confer, vary and extinguish other rights and privileges.

10. To authorize the Company to take, purchase, hold and use patent rights or licenses or authorities under letters patent for the use of inventions relative to the manufacture, conversion, utilisation or distribution of gas and of such material and residual products as aforesaid.

11. To empower the Company to enter into and carry into effect contracts and arrangements for the supply of gas in bulk or otherwise for any purpose whatsoever with any corporation, county or district council or sanitary authority, railway company or any other company, body or person within or beyond the limits of supply of the Company, and from time to time to vary, suspend or rescind any such contracts or arrangements and make others in lieu thereof or in addition thereto, and the Bill will confer all necessary powers in that behalf upon all such corporations, authorities, companies, bodies and persons, and will or may enable all parties to any such contracts or arrangements to apply for the purposes thereof any funds or moneys and raise additional funds by rates or otherwise, and the Bill will sanction and confirm any agreements already made or which prior to the passing of the Bill may be made touching the aforesaid matters or any of them.

12. To confirm if need be by the Bill an Agreement dated 30th September, 1908, made between the Limited Company and the London, Brighton and South Coast Railway Company as to the conveying of a gas main over the railway at Rustington, in the county of Sussex, and also a grant dated 13th August, 1908, made between the Limited Company and Reginald Augustus

Warren as to an easement for laying pipes, &c., under certain lands mentioned in the said grant.

13. To define the illuminating power of the gas to be supplied by the Company.

14. To enable the Company to acquire or take on lease further lands by agreement for the general purposes of their undertaking, to purchase, erect or take on lease dwelling houses for persons in their employ, and offices, show rooms and other buildings for the purposes of their undertaking.

15. To make such provisions as may have been or may be agreed upon or as may be prescribed or authorized by the Bill for the protection and benefit of the landowners and any other persons and bodies whose property, rights, powers or interests will or might be affected by the execution of the powers of the Bill, and to confirm and give effect to any arrangements or agreements which may have been or may be entered into between the Company and such landowners and other persons and bodies touching any of the matters aforesaid.

16. To make special provision with reference to the following matters:—

To notices of discontinuance of a supply of gas and for securing the payment of gas rates and for the prepayment thereof in certain cases, and with respect to the quality, pressure, registration and measurement of gas and the testing of meters, the refusal to supply gas to persons in debt to the Company and deposits made with the Company and the interests thereon, for exempting the Company in certain cases from penalties for failure to comply with the enactments relating to the Company and for prescribing the period of error in the case of defective meters, the inspection of fittings, service pipes and other apparatus and the prohibition of the use of improper or insufficient fittings and with respect to the use of anti-fluctuators, and to confer upon the Company the same powers of laying down and maintaining mains, pipes and apparatus in roads not dedicated to the public as are conferred by the Gasworks Clauses Act, 1847, in respect of public roads.

17. To empower the Company to make and enforce regulations as to the sale and price of gas supplied by means of slot meters and as to the price, terms and conditions of such meters and the fittings connected therewith.

18. To provide that money placed in slot meters shall not be deemed to have been paid to the Company until the Company shall have actually received the same.

19. To authorize the Company out of revenue to provide a fund for the renewal and repair of their works, mains and pipes, and to make provision for the creation of reserve and insurance funds and for pensions to officers and servants of the Company and of the Limited Company.

20. To make provision as to the liability of owners and occupiers of premises which have been let or sub-let as to the payment by them of sums due to the Company in respect of such premises.

21. To provide for the recovery of demands in a court of summary jurisdiction.

22. To provide that justices of the peace being directors of or shareholders in the Company shall not be debarred from acting as justices in any cases before a court of summary jurisdiction in which the Company may be interested.

23. To make provision as to the number, qualification and quorum of directors of the Com-

pany, the calling of meetings and the quorum to be present thereat, and to enable directors to hold offices under the Company and to enter into contracts for the supply of goods and otherwise to the Company and generally to make such provisions as may be deemed expedient with regard to the regulation and management of the affairs and proceedings of the Company.

24. To vary or extinguish all or any rights and privileges which would interfere with the purposes of the Bill, and to confer other rights and privileges and to incorporate therewith and extend and apply as well to the mains, pipes and works of the Limited Company laid down or constructed before the passing of the Bill as to all mains, pipes and works which may be laid down or constructed under the authority of the Bill the powers and provisions of the Gasworks Clauses Act, 1847, and the Gasworks Clauses Act, 1871, also to incorporate all or some of the provisions of the Companies Clauses Consolidation Act, 1845; the Companies Clauses Act, 1863; and the Companies Clauses Act, 1869; and the Lands Clauses Acts; and as far as may be necessary, or expedient for the purposes of the Bill to alter, amend, repeal or extend all or some of the provisions of those Acts and the Littlehampton Gas Orders of 1875, 1888 and 1900.

25. And notice is hereby further given, that an Ordinance or published map showing the sites of the lands upon which the existing gasworks of the Company have been constructed and also showing the boundaries of the existing and proposed extended limits of supply, with a copy of this Notice as published in the London Gazette, will, on or before the 30th day of November instant, be deposited for public inspection with the Clerk of the Peace for the western division of the county of Sussex at his office at Lewes, and also with the Clerk of the Littlehampton Urban District Council at his office at Littlehampton, and on or before the same date a copy of the said map with a copy of this Notice published as aforesaid will be deposited with the officers of the undermentioned areas, viz. :—

As regards the Rural District Council of East Preston with the Clerk of the District Council at his office at Littlehampton:

As regards the parishes of Rustington, East Preston and Angmering, situated within the rural district of East Preston, with the Clerk to the Parish Councils of such parishes at their respective offices or residences as the case may be.

As regards the parishes of Ford, Climping, Poling, Kingston and Ferring, situated within the rural district of East Preston, for which no parish councils have been constituted, with the Chairmen of the parish meetings at their respective residences.

26. Printed copies of the Bill will, on or before the 17th day of December next, be deposited in the Private Bill Office of the House of Commons.

Dated the 12th day of November, 1908.

**N**OTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session by or on behalf of the Grantham Waterworks Company (hereinafter called "the Company") for leave to bring in a Bill for effecting the following objects or some of them (that is to say):—

To empower the Company to make and maintain in the rural district of Grantham, in the county of Lincoln (parts of Kesteven) all or some of the waterworks and other works hereinafter described, viz. :—

**Work No. 1.**—A dam or weir with a catchpit or intake and other works in connection therewith in the parish of Great Ponton, across the brook known as Cringle Brook, commencing on the right bank and terminating on the left bank of that brook at points situate at distances of 15 chains, or thereabouts, measured in straight lines and a south-westerly direction from the centre of the bridge known as Stoke Bridge carrying the Great North-road over the said Brook.

**Work No. 2.**—An aqueduct, conduit or line or lines of pipes wholly in the parish of Great Ponton, commencing at or in the intended dam, Work No. 1, hereinbefore described, at or about the point of commencement thereof and terminating in the field numbered on the Ordnance Map (2nd edition, 1904), 89, in the said parish, by a junction with the existing aqueduct of the Company in that field, at a point situate at a distance of 1 chain, or thereabouts, measured in a north-easterly direction from the centre of the aforesaid Stoke Bridge.

**Work No. 3.**—A reservoir in the parish of Little Ponton, to be situate partly in and upon lands forming parts of the fields numbered on the said Ordnance Map, 27 and 92 in the said parish of Little Ponton, and partly in and upon lands forming a portion of the bed and banks of that river, lying between the field No. 27 and the fields respectively Nos. 87 and 92 on the said Ordnance Map in that parish. The centre of such reservoir being situate at a distance of 10 chains, or thereabouts, measured in a southerly direction from the north-western corner of the said field numbered 27, and 2 chains, or thereabouts, measured in a north-

easterly direction from the south-eastern corner of the said field numbered 92.

**Work No. 4.**—A cut or diversion of the River Witham in connection with the intended reservoir, Work No. 3, hereinbefore described, wholly in the parish of Little Ponton, commencing at or about a point in the channel of that river opposite the south-western corner of the sedimentation reservoir of the Company near Saltersford, hereinafter mentioned and terminating at a point in the said channel 22·5 chains, or thereabouts, measured in a straight line and southerly direction from the said corner of the said sedimentation reservoir.

Together with all necessary or proper cuts, channels, catchwaters, tunnels, adits, pipes, conduits, culverts, drains, sluices, byewashes, shafts, wells, bores, water-towers, overflows, waste water channels, gauges, filter beds, tanks, banks, dams, retaining and other walls, bridges, embankments, piers, approaches, fences, engines, machinery and appliances as may be necessary or convenient in connection with or subsidiary to the before-mentioned works or any of them, or necessary or proper or expedient for inspecting, maintaining, repairing, cleansing, managing, working and using the same or for the obtaining, raising, collecting, filtering or otherwise treating, storing and distributing water.

To empower the Company to continue, maintain and use as part of their undertaking and to authorize and if and so far as may be necessary to sanction and confirm the acquisition of lands for and the construction of the reservoir next hereafter referred to, and to authorize the Company to retain, hold and use for the purposes of their undertaking all or any lands or easements or interests in lands acquired by them for the purposes of or in connection with such reservoir, and from time to time to alter, improve, enlarge, extend, renew, reconstruct and discontinue such reservoir (that is to say):—

The sedimentation reservoir now in course of completion by the Company in the aforesaid parish of Little Ponton, and situate in and upon lands adjoining and on the east side of the River Witham, and consisting of the field No. 12 and part of the field No. 13, on the aforesaid Ordnance Map in the said parish of Little Ponton.

To empower the Company to purchase or acquire, compulsorily or otherwise, and to take leases or grants of or easements in, under or over lands, houses, tenements and hereditaments in the parishes mentioned in this Notice for the purposes of the intended works above described and of the Bill and also within or beyond the limits for the time being for the supply of water by the Company for the purposes of their undertaking generally and also to acquire compulsorily easements, wayleaves or rights in, through, under or over lands, houses, tenements and hereditaments (including the Great North-road) in the said parishes in lieu of purchasing the same for the purposes of the said intended works and also to purchase by compulsion or agreement for the general purposes of their undertaking the lands in the county of Lincoln (parts of Kesteven) hereinafter described or referred to or some of them or some part or parts thereof respectively and any rights or easements or outstanding estates or interests in, over, under or affecting any of such lands, (that is to say):—

(a) Lands situate partly in the parish of

Spitalgate Within, in the borough of Grantham, and partly in the parish of Spitalgate Without, in the rural district of Grantham, adjoining and on the west side of the Great North-road and consisting of the field numbered on the said Ordnance Map 3 in the said parish of Spitalgate Within and 56 in the said parish of Spitalgate Without.

(b) Lands in the aforesaid parish of Little Ponton, forming the northern portion of the field numbered on the aforesaid Ordnance Map 13 in that parish and lying between the northerly boundary of that field and a line drawn across that field at an average distance of 100 yards, or thereabouts, from the said northerly boundary.

And to sanction and confirm the purchase or acquisition by the Company and the expenditure of money for or in connection with the purchase or acquisition of the plot of land now in the occupation of the Company situate in the said parish of Spitalgate Without adjoining and on the northerly or north-westerly side of the pumping station of the Company near Saltersford and forming part of the property numbered on the aforesaid Ordnance Map 112 in the said parish of Spitalgate Without, and to vary or extinguish all or any rights, easements and privileges in any manner connected with any such lands, houses, tenements or hereditaments hereinbefore referred to and to enable the Company on any lands for the time being belonging or leased to them to exercise and do all or any of such works, matters and things as are mentioned or referred to in section 12 of the Waterworks Clauses Act, 1847, and to erect fit up, maintain and let houses for persons in their employ, offices and buildings.

To extend the powers conferred upon the Company by the Grantham Waterworks Act, 1873 (hereinafter referred to as "the Act of 1873") of taking, using, getting and appropriating springs, streams and waters, and to provide that such powers shall enable the Company to take, use, get and appropriate, by means of the intended dam, Work No. 1, and aqueduct, Work No. 2, hereinbefore referred to, the waters of the Cringle Brook (in the Act of 1873 called the Stoke River) which waters now flow into the River Witham, and to empower the Company to collect, impound, take, use, divert and appropriate for the purposes of their undertaking the waters of that brook and all other springs, streams and waters as may be intercepted by any of the intended works or as may be found in, on or under any lands or property for the time being belonging or leased to the Company or in, through, under or over which they have acquired or may acquire rights, or easements, and to vary or extinguish all or any rights, easements and privileges in any manner connected with such Brook or any such springs, streams and waters.

To authorize the Company to make lateral and vertical deviations from the lines and levels of the intended works, as shown on the plans and sections hereinafter mentioned, to any extent defined by the Bill or prescribed by Parliament.

To empower the Company to stop up the flow of water in the portion of the River Witham lying between the points of commencement and termination of the intended cut or diversion of that river, Work No. 4, hereinbefore described, and to divert such flow of water into such cut, and to make provision for or with respect to the

cesser of the jurisdiction of the Grantham District Court of Sewers over the portion of the bed and banks of the River Witham lying between the points of commencement and termination respectively of the said cut and for the transfer of such jurisdiction to and over such cut.

To empower the Company from time to time to discharge water from any of their existing or future wells, aqueducts and works into any available stream or watercourse and in other respects to make provision for the discharge of water.

To empower the Company to hold lands for the purpose of protecting, securing and preserving their waterworks or water supply, and to exempt such lands and the Company in respect thereof from the provisions or some of the provisions of the Lands Clauses Consolidation Act, 1845, with respect to the sale of superfluous lands, and to empower the Company to enter into and carry into effect agreements with respect to the drainage of lands in the drainage area of any of their existing works or the works proposed to be authorized by the Bill, and the more effectual collecting, conveyance and preservation of the purity of the waters to be supplied by the Company and otherwise to provide for the prevention of pollution, fouling and contamination of the water so supplied.

To empower the Company to open, break up, cross, divert, alter, raise, lower or stop up, whether temporarily or permanently, all such roads, footpaths, bridges, pipes, sewers, drains, tunnels, rivers and streams within the parishes and places mentioned in this Notice or any of them as it may be necessary or convenient to break up, cross, divert, alter, raise, lower or stop up for the purposes of the Company or for the purposes of the works above described, or otherwise for or in connection with the objects of the Bill, and to confer upon the Company the same powers of laying down and maintaining pipes and apparatus in streets not dedicated to the public as they may from time to time possess in respect of public streets and roads.

To make provision for or with respect to the waste, misuse and undue consumption or contamination of the water supplied or to be supplied by the Company, and as to the pipes, meters and fittings to be used for the purposes of such supply and for the protection of the works, fittings, property and water supply of the Company, and for defining and regulating such supply and for relieving the Company from the obligation to supply more than one house by means of the same pipe, and for preventing frauds and abuses in the use of the water and imposing penalties on persons injuring pipes, meters or fittings, for requiring notice to the Company of connecting or disconnecting meters and empowering the Company and their officers to enter any premises for the time being supplied with water by the Company or in which any pipes or fittings for such supply are situate, for the purpose of repairing any pipes, meters, fittings and other works and the recovering of the cost thereof from the consumer.

To empower the Company to supply and let on hire and repair water meters, pipes, valves, cocks, cisterns, baths, soil pans, water-closets and other apparatus and fittings, and to exempt any such fittings and apparatus from distress and to make special provision for securing the safety and return thereof to the Company.

To empower the Company from time to time to make, vary and rescind bye-laws or regulations with respect to any of the provisions of the Bill, and to prescribe penalties for securing compliance with any such bye-laws or regulations, and to make provision for the recovery and application of such penalties.

To alter any existing rates and charges now authorized to be levied by the Company and to authorize the Company to make and levy additional rates and charges for any water meters or fittings supplied by them and to confer, vary and extinguish exemptions from the payment of any existing or future rates and charges and to make provision with respect to the payment of all or any such rates and charges and the persons from whom the same are recoverable.

To empower the Company and any local authority, company or person to enter into and carry into effect contracts for the supply of water in bulk or otherwise whether within or beyond the Company's limits of supply and to confer all necessary powers in that behalf upon all such authorities, bodies and persons and to enable them to raise or apply for the purposes of such contracts the necessary funds and rates.

To make provision with reference to the qualification of Directors and to amend section 36 of the Act of 1873 in that respect.

To incorporate with the Bill and apply to the intended works proposed to be authorized by the Bill and to the Company in respect thereof and whether with or without modification all or some of the provisions of amongst other Acts the Railways Clauses Consolidation Act, 1845, with respect to the temporary occupation of lands near the works during the construction thereof.

To consolidate or convert or provide for the consolidation or conversion of all or any of the shares in the existing capital of the Company into one or more class or classes of shares or stock of such nominal amount as the Bill may define, and, if and so far as may be necessary, to provide for the redemption or extinction of any existing shares of the Company and to fix and define or provide for the fixing and defining of the rates of dividends on such consolidated or converted shares or stock or any class thereof and to increase, alter, define and regulate the capital of the Company and the rights of the holders thereof.

To enable the Company to apply their corporate funds and revenues for all or any of the purposes of the Bill and to empower the Company to raise additional capital either by increase of any class or classes of consolidated or converted shares or stock or by the creation of new shares or stock either ordinary or preferential or by any one or more of those methods and to attach to any such new shares or stock such preference or priority of dividends or other advantages or rights as the Bill may define and to make special provision with regard to the issue of such capital and the rights of shareholders and consumers of water and employes of the Company on such issue.

To define, alter and increase the borrowing powers of the Company and to enable the Company to raise further sums of money by loans or debenture stock, either ranking *pari passu* with the existing debenture stock of the Company or otherwise, and to authorize and provide for the redemption and cancellation of the existing debenture stock on such terms and conditions, whether by the payment of a sum in cash or by

the issue of new debenture stock or otherwise as may be defined in the Bill or prescribed by Parliament, and to declare and define the respective rights, privileges and priorities of the holders of any existing or future debenture stock of the Company, and to cancel and annul or to vary the existing rights, privileges and priorities of the holders of any existing debenture stock.

To make provision for and with respect to the repayment of any sums of money which the Company have expended upon purposes to which capital is properly applicable in excess of their issued share and loan capital, and to authorize the Company to apply moneys to be raised by them under the intended Act for the purposes of such repayment, and to make provision with respect to the application of sums of money received by the Company by way of premiums on the issue of the existing shares in the capital of the Company.

To vary or extinguish all or any rights or privileges inconsistent with or which would interfere with any of the objects or purposes or provisions of the Bill, and to confer other rights and privileges and to amend or repeal all or some of the provisions of the Act of 1873 and any other Act or Acts relating to the Company or their undertaking.

The Bill will or may incorporate with or without modification all or some of the provisions of the Lands Clauses Acts, the Waterworks Clauses Acts, 1847 and 1863, and the Companies Clauses Acts, 1845, 1863 and 1869, and will or may exempt the Company from all or some of the provisions of those Acts.

Plans and sections showing the lines, situations and levels of the works proposed to be authorized by the Bill and of the reservoir the construction whereof is proposed to be confirmed and the lands and other property in or through which such works and reservoir will be made or pass or be situate and plans showing the lands and property intended to be compulsorily taken or used under the powers of the Bill, together with a book of reference to such plans containing the names of the owners and lessees, or reputed owners and lessees, and of the occupiers of such lands and other property, together with, in the case of each deposit, a copy of this Notice as published in the London Gazette will, on or before the 30th day of November instant, be deposited for public inspection with the Clerk of the Peace for the parts of Kesteven, in the county of Lincoln, at his office at Sleaford, in the said parts of Kesteven, and on or before the same date a copy of so much of the said plans, sections and book of reference as relates to each of the areas hereinafter mentioned in or through which the works to be authorized by the Bill will be made or in which the reservoir the construction whereof is proposed to be confirmed is situate, or in which any lands intended to be taken or used compulsorily under the powers of the Bill, are situate, together with a copy of this Notice as published in the London Gazette, will be deposited for public inspection as follows (that is to say):—

In the case of the borough of Grantham, with the Town Clerk of such borough, at his office at Grantham.

(Extension of Time for Compulsory Purchase of Lands and Completion of Works Authorized by the South Eastern Railway Act, 1898, the London, Chatham and Dover Railway Acts, 1879, 1892, 1898, and the South Eastern and London, Chatham and Dover Railway Companies Acts, 1900, 1902 and 1906; Stopping up of Footpath and Level Crossings at Sevenoaks and Belvedere Stations; Cancelling Agreement between Charing Cross, Euston and Hampstead Railway Company, the South Eastern Railway Company and the Midland Railway Company, and Confirmation of other Agreements between those Companies; Extension of Time for Sale of Superfluous and other Lands of South Eastern Railway Company and London, Chatham and Dover Railway Company; Defining South Eastern Railway Company's Powers of Leasing; Valuation of separate Estates of South Eastern and London, Chatham and Dover Railway Companies; New or Increased Tolls, Rates and Charges for User of Carriage Road Bridge over River Swale; Confirmation of Agreements with Local Authorities with Reference to Road Bridge; Provisions as to Joint General Meetings of the Stockholders of the South Eastern and London, Chatham and Dover Railway Companies; Constitution of Committees or Companies for Management, &c., of Surplus Lands of the South Eastern and London, Chatham and Dover Railway Companies; Amendment of Acts and other Purposes.)

**N**OTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session by the South Eastern Railway Company and the London, Chatham and Dover Railway Company (hereinafter respectively referred to as "the South Eastern Company" and "the Chatham Company," and jointly as "the two Companies") and the South Eastern and Chatham Railway Companies' Managing Committee (hereinafter referred to as "the Managing Committee"), or any one or more of them, for an Act (hereinafter called "the intended Act") for the following purposes or some of them (that is to say):—

1. To extend the time limited by the South Eastern and London, Chatham and Dover Railways Act, 1907, for the exercise of the following powers (that is to say):—

(1) For the completion of the widenings described in and authorized by section 4 of the London, Chatham and Dover Railway Act, 1879.

(2) For the completion of the bridge widening described in and authorized by section 12 of the London, Chatham and Dover Railway Act, 1892.

(3) For the compulsory purchase of lands required for the Railway No. 5, described in and authorized by section 4 of the South Eastern Railway Act, 1898, and for the completion of the said railway.

(4) For the compulsory purchase of lands for and the completion of the works described in and authorized by section 4 of the London, Chatham and Dover Railway Act, 1898.

(5) For the compulsory purchase of lands for and the completion of the widenings Nos. 1 to 9 described in and authorized by section 4 of the South Eastern and London, Chatham and Dover Railway Companies' Act, 1900, and for the compulsory purchase of certain portions of the additional lands described in and authorized by section 34 of the said Act of 1900.

(6) For the compulsory purchase of certain portions of the additional lands described in and authorized by section 15 of the South Eastern and London, Chatham and Dover Railways Act, 1902.

2. To extend the time limited by the South Eastern and London, Chatham and Dover Railways Act, 1906, for the compulsory purchase of lands required for the railway, and widenings described in and authorized by section 4 of that Act, and for certain portions of the additional lands described in and authorized by section 16 of the same Act.

3. (a) To stop up the occupation footpath level crossing in the parish and urban district of Sevenoaks over the Chatham Company's railway, situated at a point about 18 chains from the London side of the Bat and Ball Station, Sevenoaks.

(b) To stop up the occupation level crossing in the parish and urban district of Erith leading to Railway Farm, Abbey-road, Belvedere, over the railway of the South Eastern Company, situated at a point about 50 chains from the west end of Belvedere Station.

4. To rescind the agreement made between the Charing Cross, Euston and Hampstead Railway Company, the South Eastern Railway Company and the Midland Railway Company, and confirmed by the Charing Cross, Euston and Hampstead Railway Act, 1899, with respect to the interchange and transmission of traffic, and, if deemed expedient, to confirm any other agreement that may have been, or may be made, between the said companies with respect to the traffic on their respective railways.

5. To extend the time limited for the sale of superfluous and any other lands belonging to the South Eastern Company and the Chatham Company or of any company, whose undertaking is leased to either of those companies, and to confer upon those companies and such other company further and enlarged powers with respect to the retention, sale or disposal of such lands, and to alter, amend or extend the provisions of the Lands Clauses Consolidation Act, 1845, with reference thereto.

6. To remove doubts as to the power of the South Eastern Company of granting leases of and otherwise dealing with superfluous and other lands belonging to them and not immediately required for the purposes of their undertaking and, if deemed expedient, to enlarge the powers granted

by section 45 of the South Eastern Railway Act, 1870, and any subsequent Act, and if need be to confirm any existing leases of any of such lands.

7. To authorize the Managing Committee, the Kent County Council and the Sheppey and Milton Rural District Councils, or any of them, or any other local authorities, companies, bodies or persons to enter into or carry into effect agreements with respect to the strengthening and maintenance, repair and renewal of the road or carriage bridge being part of the King's Ferry Bridge over the River Swale, in the county of Kent, and the approaches thereof, the costs of such strengthening, maintenance, repair and renewal, and the user of such bridge when strengthened, and the approaches thereof, by motors, traction engines, agricultural machines and other heavy traffic not exceeding such maximum weight as the intended Act may prescribe, and to confer on the said local authorities all powers necessary for giving effect to such agreements. To authorize the Managing Committee to levy tolls, new rates and charges in respect of such extended user, or to alter or increase the tolls, rates and charges authorized by the Sheerness and Sittingbourne Railway Act, 1856; to confirm, alter or vary any agreement or agreements that have been or may be entered into in relation to such matters and to make any other provision necessary or expedient for giving effect thereto.

8. To amend the South Eastern and London, Chatham and Dover Railway Companies Act, 1899, relating to the working union of the two Companies, and to empower the two Companies, if they think expedient, to vest in the Managing Committee or to bring into joint account between the two Companies all or any properties and sources of income belonging to each of the two Companies, the revenues from which are, in pursuance of the said Act, excluded from the joint account between the two Companies upon such terms and conditions as may be agreed upon between the two Companies, and to provide for the determination by arbitration of all questions now or hereafter arising between the two Companies or either of them and the Managing Committee as to the respective rights and interests of the two Companies in any land or property of either of the two Companies used by the Managing Committee.

9. To provide for joint meetings of the stockholders of the two Companies by empowering the Managing Committee or the two Companies to convene from time to time and at such times as the Managing Committee may determine half-yearly meetings of the stockholders of the two Companies in a single joint general meeting for the purpose of receiving any reports or statements of account as may be submitted to them at such meetings, and of transacting any business whether arising out of such reports or statements of account or otherwise in which the stockholders of the two Companies may be jointly interested and of which notice shall have been given in the notice convening the meeting.

To empower the Managing Committee or the two Companies to make, publish, carry into effect and enforce all necessary regulations for the summoning of such meetings and the adjournment of the same and the conduct of business thereat.

10. To provide for the incorporation of a surplus land committee or committees, company or companies for the purpose of acquiring,

managing and developing lands belonging to the South Eastern Company and the Chatham Company or either of them, and not required by the Managing Committee for the purposes of their undertaking, to transfer to and vest in such surplus land committees or companies all or any of such lands, to confer upon such surplus land committees or companies all or some of the powers of the two Companies or either of them with respect to such lands, and to enable such surplus land committees or companies to raise money by the issue of shares, stock or debenture stock on the security of such lands.

11. To make all necessary provisions for the purposes aforesaid, or any of them, and to confer, vary or extinguish all rights and privileges which it may be requisite to confer, vary or extinguish for the purposes of the intended Act, or any of them, and to confer other rights and privileges.

12. The intended Act will or may, so far as may be deemed expedient for the purposes aforesaid, repeal, alter and enlarge the powers and provisions of the following Acts (that is to say):—The Act 6 Wm. IV, cap. 75, and any other Act relating to or affecting the South Eastern Company; the Act 16 and 17 Vict., cap. 132, and any other Act relating to or affecting the Chatham Company; the South Eastern and London, Chatham and Dover Railway Companies Act, 1899, and any other Act relating to or affecting the Managing Committee.

Printed copies of the Bill for the intended Act will, on or before the 17th day of December, 1908, be deposited in the Private Bill Office of the House of Commons.

Dated this 16th day of November, 1908.

#### LEYLAND AND FARINGTON GAS.

(Extension of Limits of Supply; Purchase, Sale and Disposal of Lands; Additional Capital; Reserve and Special Purposes Funds; Change of Name of Company; Pressure and Testing of Gas supplied; Provisions incidental to Supply of Gas and Regulation of Pipes and Fittings; Supply in Bulk and for Power; Price of Gas; Repeal and Amendment of Acts.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session by the Leyland and Farington Gas Company (hereinafter called "the Company") for an Act for all or some of the following and other purposes (that is to say):—

1. To extend the limits within which the Company are authorized to supply gas, and to authorize them to supply gas in the parishes of Eccleston and Heskin, both in the rural district of Chorley, in the county of Lancaster, and to enable the Company within such extended limits of supply to have and exercise all or some of the rights, powers and privileges which they now have or may exercise within their existing limits of supply, and to extend and make applicable to such extended limits of supply the provisions or some of the provisions of any Act or Acts

relating to or affecting the Company and of the intended Act, and to authorize the Company to make, demand, collect, levy and recover rates, rents and charges for the supply of gas within such extended limits of supply.

2. To sanction and confirm the construction of and to empower the Company for the purposes of their undertaking to maintain, use, alter and repair the mains, pipes and other works laid down by them in the said parishes or either of them prior to the passing of the intended Act, and to sanction and confirm the acquisition of and to authorize the Company to hold and use any lands, easements or property which may have been or may be acquired by them for the purposes of the said works or any of them, and to sanction and confirm the expenditure of capital by the Company for any of the purposes aforesaid.

3. To authorize the Company to lay down, maintain and renew mains, pipes, tubes, wires and other apparatus for the purpose of supplying gas and of carrying or conveying oil, tar, pitch, asphaltum, sulphate of ammonia, ammoniacal liquor and all other products or residuum of any materials employed in or resulting from the manufacture of gas and for effecting telegraphic or telephonic communication between, to or from the Company's works, offices and showrooms, and to open, break up, cross, divert, alter or stop up and interfere with, whether temporarily or permanently, all such roads, highways, foot-paths, streets (including streets and places not dedicated to public use), pipes, sewers, streams, bridges, railways and tramways as it may be necessary or convenient to pass along, cross, divert, alter, or stop up and interfere with for the purposes of the Company for or in connection with the supply of gas or of the intended Act.

4. To empower the Company to purchase by agreement and to hold any lands for or in connection with their undertaking, and to make provision whereby the Company may purchase, erect or take on lease dwelling houses for persons in their employ and offices, showrooms and other buildings for the purposes of their undertaking.

5. To empower the Company to sell, let on lease or retain, and hold or otherwise deal with or dispose of any lands or interest in or reversion to any lands for the time being belonging to them upon such terms and conditions as they may think fit or as may be prescribed or authorized by the intended Act, and to exempt the Company in respect of such lands from all or some of the provisions of the Gasworks Clauses Act, 1871, and the Lands Clauses Acts, and to authorize the Company on any such lands to erect and maintain and let houses, cottages and buildings for the use of their employees.

6. To empower the Company for the purposes aforesaid or any of them and for other the general purposes of their undertaking to raise further capital and to create and issue new shares and stock and debenture stock and to borrow further money and to attach to such new shares and stock such priorities, rights, privileges or advantages as may be found desirable or as the intended Act may authorize, and to apply to all or any purposes of the intended Act any capital or funds belonging to the Company, and to provide that any further capital to be raised by borrowing or by the creation and issue of debenture stock shall rank *pari passu* with and form part of the existing loan capital of the Company.

7. To provide for the issue of the further capital and of any authorized capital of the

Company not already issued in accordance with such provisions as the intended Act may prescribe, and to repeal all or some of the provisions of the Leyland and Farington Gas Act, 1902, with reference to the issue of capital.

8. To empower the Company to form and to make special provisions with respect to reserve and special purposes funds, and to provide for the application of the funds so formed and for the investment of the moneys forming such funds and of the interest to arise therefrom, and, if thought fit, to make provision for the fixing of dividends in accordance with the price charged for gas and for the payment of the dividends on the capital of the Company and the payments to the said funds being made yearly or half-yearly.

9. To change the name of the Company.

10. To make further and other provisions as regards the quality of gas supplied by the Company and as to the means and method of testing the same, and to amend or repeal sections 32 to 35 of the Leyland and Farington Gas Act, 1863, relating thereto.

11. To make further provision for securing the payment of rates, rents and charges made by or owing to the Company, and for the prepayment thereof in certain cases, and to empower the Company to refuse to supply persons in debt to the Company, and to require consumers to give notice in writing to the Company before connecting or disconnecting any gas meter or before quitting premises supplied with gas or discontinuing the consumption of gas, for exempting the Company in certain cases from penalties for failure to comply with the enactments relating to the supply of gas by the Company, and to limit the period within which claims may be made in respect of defective measurement of gas.

12. To make provision for prescribing and regulating the position in which consumers' meters and pipes and fittings connected therewith shall be placed, and to empower the Company to inspect, prescribe and regulate such pipes and fittings, and to prohibit improper or insufficient pipes and fittings, and to enforce the user of antifluators or other apparatus in connection with gas engines, and to make provision for inspecting and testing the same.

13. To confer on the Company powers for and in relation to the laying down and maintaining mains, pipes and apparatus in connection with their undertaking in, along, across and under streets, roads, footways and places not dedicated to public use.

14. To empower the Company to provide, sell, let and deal in gas fittings, engines, stoves and other appliances for heating and lighting purposes, and to exempt such fittings from liability to distress and from being taken in execution or in bankruptcy proceedings, and to empower the Company to take, hold and use licences and patents for any purposes connected with their undertaking.

15. To empower the Company to supply gas in bulk or otherwise to local authorities, companies and persons within or beyond the Company's limits for the supply of gas as proposed to be extended by the intended Act, and to enter into and carry into effect contracts and arrangements with reference to such supply.

16. To empower the Company to supply gas for power purposes at such rates and subject to such conditions as the intended Act may prescribe and to enter into and carry into effect contracts and arrangements with reference to any such

supply, and, if thought fit, to exempt the Company in respect of gas supplied by them for power purposes from all or some of the provisions of the Leyland and Farington Gas Acts, 1863 and 1902, and the intended Act and the Acts incorporated or to be incorporated therewith respectively.

17. To alter, vary, fix and define the price of gas and to make other provisions with respect to the supply of gas and the fixing, levying and recovery of gas meter and other rents and charges and for discounts or rebates thereon and for the price to be charged for gas supplied for power and in bulk.

18. To empower the Company from time to time to make, vary and rescind bye-laws, rules or regulations for the purpose of carrying into effect any of the provisions of the intended Act, to prescribe penalties for securing compliance with any such bye-laws, rules and regulations and any of the provisions of the intended Act, and to make provision for imposing, demanding and recovering penalties and for the application thereof.

19. To vary and extinguish all rights and privileges which would in any manner impede or interfere with the objects of the intended Act, and to confer, vary or extinguish other rights and privileges.

20. To incorporate, with such variations and modifications as may be deemed expedient, all or some of the provisions of the Companies Clauses Consolidation Act, 1845; the Companies Clauses Act, 1863; the Lands Clauses Acts; the Gasworks Clauses Act, 1847; the Gasworks Clauses Act, 1871; and the Waterworks Clauses Act, 1847; and the Acts amending the same respectively.

21. To alter, amend, extend or repeal all or some of the provisions of the several Acts hereinbefore mentioned or referred to and of the Leyland and Farington Gas Act, 1863, and of any other Act or Order relating to the Company.

And notice is hereby further given, that on or before the 17th day of December next printed copies of the intended Act will be deposited in the Private Bill Office of the House of Commons.

Dated this 10th day of November, 1908.

NOTICE is hereby given, that it is intended to introduce in the next Session of Parliament a Bill for the following, or some of the following, purposes (that is to say):—

To make provision for the more effectual preservation and increase of salmon and trout, and for regulating and improving the fisheries in the River Tweed and the rivers and streams running into the same and also within the mouth or entrance of the said river.

To define the district in which the powers proposed to be conferred by the Bill shall be operative so as to include the River Tweed and all its tributaries and every lake and water in the drainage area and of the Tweed and all watercourses, artificial or otherwise, appurtenant to or connected with the said river or any of its tributaries and all natural lochs in the said area or having an outlet flowing into the said river or any of its tributaries and also the mouth or entrance of the said river and the sea in the proximity of the mouth or entrance of the said river to such an extent as may be defined in the Bill.

To repeal the Tweed Fisheries Act, 1857, and the Tweed Fisheries Amendment Act, 1859, and to provide for the application to the Tweed district of all or any of the Salmon Fisheries Acts or such part or parts of those Acts respectively as the Bill may define and with or without exception or amendment, and to provide for the enforcement of the appropriate Acts in that part of the Tweed District which is in Scotland and in that part of the Tweed district which is in England.

To dissolve the Commissioners appointed or nominated under the said Acts of 1857 and 1859 and to constitute and appoint a body (hereinafter referred to as "the District Board") for the carrying into effect of the provisions of the

intended Act and the Acts incorporated, therewith, and with jurisdiction for the purposes of the intended Act and the Acts incorporated therewith over the Tweed district and the fisheries thereof.

To provide for the appointment of representatives upon the District Board of the Town Councils of Biggar, Peebles, Inverleithen, Gala-shiels, Selkirk Jedburgh, Hawick, Lauder, Melrose, Kelso and Berwick, and for the election of persons thereto representative of the County Councils of Peebles, Selkirk Roxburgh, Berwick and Northumberland.

To make all such provisions as may be necessary or as may be prescribed by the intended Act for the nomination or election of members to the District Board, and to constitute the District Board a body corporate, and to provide for the procedure of the District Board.

To vest in the District Board all property of whatsoever nature now belonging to the said Commissioners or to which they may be entitled, and the benefit of all rates, assessments or rents due to and recoverable by the said Commissioners, and to substitute the District Board for the said Commissioners for all purposes or for such purposes and to such extent as the Bill may define.

To prescribe and define the powers and duties of the District Board under the intended Act, and to make all necessary or convenient provisions for regulating the procedure of the District Board, the appointment of officers and servants, and generally to make all provisions for enabling the District Board to carry out its duties and powers under the intended Act.

To make provisions with reference to the management and working of net fisheries owned by more than one person, and to enable any one or more of the owners thereof to require the other or others of them to fish the said fishery jointly with them, and to make provisions for that purpose, including provisions with respect to the provision of capital, labour and appliances, the division of proceeds, and as to the rights of the owners in regard to the holding and disposal of their shares, and for arbitration in the event of any disputes.

To prescribe penalties for fishing in any fishery by any person other than the owner thereof or other authorized persons, and for the forfeiture of any gear or appliance used by any unauthorized person.

To prescribe an annual and weekly close time for salmon in the Tweed district and to prohibit with such exceptions (if any) as the Bill may prescribe, the use of any nets or engines for taking fish during such close times and to provide a weekly close time for salmon trout and other freshwater fish, and to prohibit the angling with rod or line for or otherwise taking salmon trout or other fresh water fish within the time so prescribed.

To alter the periods now fixed during which fishing for salmon with rod and line is lawful.

To make such provisions as may be necessary to enable the District Board to acquire compulsorily or to require and compel the grant to them of a lease of any netting rights now exercised above the tideway of the River Tweed upon such terms as to payments as may be prescribed by the Bill, to cancel without compensation all unexercised rights of netting above the tideway and to provide for and require the cesser of all or any such rights of netting to the District Board, and to discontinue and prohibit and render

illegal the netting of salmon in any waters in which the District Board may acquire any such rights.

To enable the District Board to borrow moneys for the purposes of the intended Act and to prescribe the procedure to be adopted by the District Board in relation to the borrowing of moneys and the replacement thereof.

To enable the District Board to levy, impose and recover rates and assessments upon the annual value of all fishing rights and to provide for ascertaining such annual value and to institute machinery for levying, imposing and recovering such rates and assessments whether from the owner, or tenant or occupier of any fishing rights, or otherwise as the Bill may define.

To prohibit and make illegal the use within the Tweed district or any part thereof except to such extent and subject to such conditions as to license or otherwise as the Bill may define of any fixed net or fixed engine or other appliance or apparatus for taking or killing salmon, and the taking or killing of salmon thereby, and to impose penalties therefor, and to provide for the taking away and destruction of any unauthorized net, engine, apparatus or appliance.

To make it an offence punishable by penalties to do anything which may tend to prevent salmon from entering or from going up or down the river or any part thereof and to provide for the seizure, forfeiture and destruction of any net, object or apparatus used for that purpose.

To prescribe the methods for the working of wear, shot and draft nets, and to prevent the use of such nets in any other manner or in any other form than as may be prescribed, and to prohibit the use of bag nets in conjunction with stake nets, and to prevent the use of ferry boats for fishing purposes, and to prescribe appropriate marks or numbers for and to require the same to be displayed upon any boats used for fishing.

To confer upon the District Board powers of regulation of mill dams, dykes, wears, cauld and any other permanent obstructions to the run of salmon, and to enable the District Board to require in respect of any new mill dams and other works as aforesaid construction and maintenance by the owners thereof or of any necessary fish passes therein, and to empower the District Board to enter upon and alter at their own expense any existing mill dams and other works aforesaid.

To prescribe or to empower the District Board to make by-laws prescribing in each case the minimum size under which it shall not be lawful to take any fish of the salmon kind or any trout or fresh water fish.

To authorize the District Board, subject to such conditions and restrictions as the Bill may prescribe, to grant licences for drift nets in the sea, and to prevent fishing by drift nets by any persons other than the licensees of the District Board, and to make all necessary provisions for giving effect to such provisions of the intended Act.

To authorize the constitution of special sub-districts from the Tweed district and for the exercise of the powers of the District Board in those districts by committees or otherwise, and to define the duties, jurisdiction and powers of such committees and the extent to which the District Board may delegate their powers to such committees.

To make provisions with reference to and to require the taking out of licences for fishing in

the Tweed district, and to impose penalties for fishing in the Tweed district without a licence.

To provide that the District Board may issue licences which shall entitle the holders thereof to fish in all or any part or parts and whether private property or not, except such part or parts as may be defined in the Bill of the Tweed district as may be specified in such licences, and to provide that any person under the age of 16 years may fish for trout without a licence in any part of the Tweed district in which the holder of a licence shall be entitled to fish, and to prescribe the charges to be made by the District Board for such licences.

To provide that all leases of fishing rights in the Tweed district made after such date as may be defined in the Bill, whether before or after the date of the publication of this Notice, shall be entered into subject to the rights of the licensees of the District Board to fish therein in accordance with the terms of such licence.

To prescribe or to empower the District Board to prescribe rules and regulations with respect to the issuing and renewal of such licences and the rights to which the licensees shall be entitled.

To make provisions with reference to the suspension of licences and disqualification of licence holders and to prescribe the circumstances in which the licences shall be suspended and the holders thereof disqualified and the penalties to attach to offences against the conditions to be observed by licensees.

To make provision with respect to the production of licences when required by any authorized person and to specify the person or persons authorized to require the production of such licences.

To confer upon the public free right of access to the River Tweed and all streams and waters of whatsoever nature in the drainage area of the River Tweed, subject to such conditions and restrictions (if any) as the Bill may define.

To enable the District Board to appoint water bailiffs and other officers for such purposes as may be specified in the Bill and to enable the Board to authorize persons to take and remove from the River and destroy all diseased fish.

To confer upon the District Board power to make regulations for all or any of the purposes of the intended Act and to provide penalties for the breach or non-observance of such regulations.

To regulate the operations of the owners and occupiers of mill dams and as to the manner in which they shall deal with the water when not required for working the mills.

To prescribe the various methods whereby fish caught with rod and line may be landed and the instruments to be used therefor and the periods within which such instruments respectively may be used, and to enable the District Board to apply varying regulations to any part or parts of the district.

To provide for the apprehension of persons fishing illegally at night time and also fishing illegally in the day time on failure to give a correct name and address.

To make it an offence for any person to have in his possession or custody any net which may be used to take trout or fresh-water fish, or to use any such net for taking trout or fresh water fish from any of the waters in the Tweed district.

To prescribe the powers exercisable by water bailiffs, and to confer on such water bailiffs powers of police constables in regard to apprehension, seizure and search, and to confer upon such water bailiffs such further powers of apprehension, seizure and search as the Bill may prescribe, and to enable the District Board to prescribe the cases in which water bailiffs may apprehend, seize and search.

To prescribe the penalties and periods of imprisonment for offences against the intended Act.

To make provisions for the enforcement and recovery of penalties and for the application of moneys recovered by penalties.

To constitute and appoint or to provide for the constitution and incorporation of a body corporate, to be called "The Tweed Salmon Fisheries Commission" or by such other name or title as the Bill may prescribe, for the purpose of amongst other things hearing and determining any matters in regard to ownership of or title to any salmon fisheries in the Tweed district and enquiring and ascertaining the persons (if any) properly entitled to or having an interest in any salmon fisheries in the Tweed district, to enable the said Commission to settle any disputes as regards the title to any such fisheries or any interest therein, and to enable them of their own motion to investigate and to call for all documents necessary for investigation of the title of any person or persons to any salmon fishery or interest therein or any matters affecting the ownership of or title to any such fishery or interest, to constitute the said Commission a court of record, to confer upon them powers to call for documents and examine witnesses on oath and to give binding decisions capable of registration, and to provide for the enforcement of the decisions of the said Commission and that such decisions shall not be open to review by any other court.

To make such provisions as may be necessary or expedient for the purpose of effecting the purposes aforesaid or any of them or as may be incidental thereto.

To apply to the District Board and to make applicable to the Tweed district all or any of the provisions of the following Acts with or without modification or amendment, viz.:—The Salmon Fisheries (Scotland) Acts, 1823 to 1863; the Salmon Fisheries (Scotland) Act, 1863; the Salmon and Freshwater Fisheries Acts, 1861 to 1907; the Fishery Board (Scotland) Act, 1892; the Trout (Scotland) Acts, 1845 to 1902; the Fisheries (Dynamite) Act, 1877; the Sea Fisheries Acts, 1843 to 1893; the Sea Fisheries Regulation Acts, 1833 to 1894; and the Sea Fisheries Regulation (Scotland) Act, 1895; and any Act or Acts amending those Acts respectively or any of them or relating to or affecting the matters aforesaid.

**BIRKENHEAD CORPORATION GAS.**

(Storage of Gas upon Additional Lands; Sale of Surplus Lands; Incorporation and Amendment of Acts; and other Purposes.)

**N**OTICE is hereby given, that application is intended to be made to the Local Government Board on or before the 23rd day of December next by the Mayor, Aldermen and Burgesses of the county borough of Birkenhead, in the county of Chester (hereinafter called "the Corporation") for a Provisional Order for all or some of the following among other purposes:—

To enable the Corporation in and upon the lands hereinafter described now belonging to or provisionally contracted to be purchased by them or on some part or parts of such lands to construct, alter, enlarge or when necessary remove gasholders, buildings, apparatus and works for the storage of gas and residual products, and to store gas and residual products upon such lands and to use the said lands for any purposes of their gas undertaking other than the manufacture of gas or residual products.

The lands hereinbefore referred to are the following:—

A piece of land having an area of 12,214 square yards, or thereabouts, situate in the parish and county borough of Birkenhead, in the county of Chester (being portion of a parcel of land belonging to or provisionally contracted to be purchased by the Corporation and situate between the Wirral Railway and Brassey-street). The portion of such parcel of land to be used for the storage of gas and residual products is bounded on the north by the Wirral Railway, on the north-east by

a strip of land in rear of houses abutting on the west side of Patten-street, on the east and south-west by other portions of the said parcel of land, on the south by a strip of land in rear of houses abutting upon the north side of Brassey-street, and on the west by land belonging to the Corporation being the site of their tramway car sheds and by the remainder of the said parcel of land.

To enable the Corporation to sell, lease, exchange and dispose of any lands acquired by or vested in them for the purposes of their gas undertaking and not for the time being required for the purposes thereof.

To confer upon the Corporation all powers, rights, authorities and privileges which are or may be necessary for carrying the powers of the Order into execution and to vary and extinguish all rights and privileges which would in any manner impede or interfere therewith.

To alter, amend, extend and enlarge all or any of the provisions of the Birkenhead Corporation (Gas and Water) Act, 1881; the Birkenhead Corporation Act, 1881; the Birkenhead Improvement Act, 1884; the Birkenhead Corporation (Gas and Water) Act, 1890; the Birkenhead Corporation Act, 1891; the Birkenhead Corporation Act, 1897; the Birkenhead Corporation Act, 1899; the Birkenhead Corporation Act, 1902; and the Birkenhead Order, 1906, confirmed by the Local Government Board's Provisional Orders Confirmation (No. 4) Act, 1905; and any other Act or Order relating to the Corporation; and to incorporate with the Order and make available to the Corporation with such variations, modifications and exceptions as may be deemed expedient all or some of the provisions of the Public Health Act, 1875, the Gasworks Clauses Act, 1847, and the Gasworks Clauses Act, 1871.

On or before the 30th day of November instant a copy of this Notice as published in the London Gazette together with a map showing the lands proposed to be used for the storage of gas and residual products and a plan and section of the proposed works will be deposited for public inspection with the Clerk of the Peace for the county of Chester at his office at Chester, and also at the office of the Local Government Board, Whitehall, London.

And notice is hereby further given, that the draft of the Order will be deposited at the office of the Local Government Board on or before the 23rd day of December, 1908, and that printed copies of the draft Order when deposited and of the Order when made may be obtained (at the price of one shilling for each copy) at the offices of the undermentioned Town Clerk and Parliamentary Agents.

Every company, corporation or person desirous of bringing before the Local Government Board any objection respecting the before-mentioned application may do so by letter addressed to the Secretary of the Local Government Board to be lodged with the said Board on or before the 15th day of January, 1909, and a copy of such objections must at the same time be sent to the undersigned Town Clerk or Parliamentary Agents.

Dated this 13th day of November, 1908.

JAMES FEARNLEY, Town Clerk, Birkenhead.

**CITY OF BATH ELECTRIC SUPPLY.**

(Incorporation of Company; Supply of Electric Energy for all Purposes in the City of Bath and adjoining Places; Lease, Sale and Transfer of Electric Undertaking of Bath Corporation; Confirming Agreement between Bath Corporation and Mr. E. Schenk; Modification of Terms and Conditions; Further Powers; Wiring of Houses; Supply of Fittings; Motors and Electrically-driven Machinery; Stand-by Clause; Agreements for Supply in Bulk; Supply for Traction Purposes; Arrangements with Somerset and District Electric Power Company; Supply of Electricity to Corporation and Bath Electric Tramways Company Limited and other Companies; Incorporation, Amendment and Repeal of Acts.)

**N**OTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session for a Bill for all or some of the following purposes, namely:—

1. To incorporate a company with all usual powers and provisions and to confer upon such company (in this Notice referred to as the Company) power to generate and supply electric energy for lighting, heating, tramway, traction, power and other public and private purposes, and to carry on the business of an Electric Lighting Power and Supply Company with all the rights, powers and privileges usually given to such companies and such further and special powers as may be prescribed by the Bill.

2. To define the area of supply of the Company so as to include the City of Bath as constituted in 1896 or subsequently at any time extended by Act or Order and such additional area as may be prescribed by the Bill.

3. To confirm an agreement entered into between the Mayor, Aldermen and citizens of the City of Bath (in this Notice referred to as the Corporation) of the one part and Ernest Schenk (in this Notice referred to as the Purchaser) of the other part with such modifications as may be agreed upon or prescribed by Parliament, and to provide for the carrying out of the same by the Corporation, the Company or the Purchaser as the Bill may prescribe.

4. To authorize the Corporation to grant and the Company or Purchaser to accept and carry out a lease of their electricity undertaking for such period as may be prescribed by the Bill, to enable the Corporation to assign the reversion to such company or purchaser upon the terms and conditions set forth in the agreement hereinbefore referred to or such other terms and conditions as may be agreed to between the parties or prescribed by the Bill.

5. To provide for the payment of the purchase price or consideration for the said lease and assignment, for the reservation to the Corporation of all sinking funds, reserve funds and balances at the bank, to prescribe how the sinking funds and balances are to be applied and to make provision with regard to the deposit.

6. To empower the Corporation to sell and transfer to the Company or the Purchaser and the Company or the Purchaser to purchase and take over the electricity undertaking of the Corporation for a lump sum or annual instalments or deferred payments or any other consideration upon the terms and conditions set forth in the said agreement or on such terms and conditions as may be agreed or specified in the Bill.

7. To sanction and provide for the supply of electricity by the Company or the Purchaser to the Corporation and their tenants for all or any purposes either as part of the consideration for any sale, transfer or lease of the electricity undertaking of the Corporation or on such terms and conditions as may be agreed or specified in the Bill.

8. In connection with any such sale, transfer assignment or lease as aforesaid to provide for the reservation to the Corporation of mineral waters under any lands held for the purposes of the electricity undertaking and of any rights to or in respect of such waters.

9. To provide for the carrying on of the undertaking by the Corporation for the benefit of the Company or the Purchaser until the transfer and subsequently by the Company or the Purchaser to enable the Company or the Purchaser to exercise all the powers conferred upon the Corporation under the Bath Corporation Electric Lighting Order, 1896, and any other Act or Order relating to the Undertaking, and to confer other general powers of supply upon the Company or the Purchaser.

10. To enable the Company or the Purchaser to undertake on the hire-purchase system or otherwise the wiring of houses for electric lighting and other domestic purposes and to supply motors, dynamos, electrically-driven machinery and electrical fittings of all kinds for lighting, heating, traction power and other public and private purposes and all materials and work in connection therewith, and to make such charges therefor in addition to the charges authorized for current supplied as the Bill may prescribe, and to provide for the inspection, repair and upkeep of any electric or electrically-driven machinery, fittings or apparatus whether supplied by the Company or not.

11. To require any person who has a separate supply from any installation other than that of the Company or the Purchaser to pay a minimum charge for any supply he may require from the Company or the Purchaser, and to impose other terms and conditions in connection with such supply.

12. To require consumers to give notice to the Company or the Purchaser before removing from any premises supplied with electric current, to require a deposit in certain cases, to provide for the letting out for hire of prepayment meters, and to regulate the charge for the same, to allow rebates or discounts, and to adjust the charges for electric current supplied for power and other purposes.

13. To authorize the Company to purchase and maintain railways, light railways, tramways or other undertakings and the powers of any companies possessing such powers or their shares or debentures, or to take leases of all or any part of the works or undertakings of any such companies, and to enter into any arrangements for joint working or guaranteeing all or any of the obligations or dividends of any of such companies.

14. To authorize the Company to accept a transfer of any undertaking authorized by Parliament or otherwise works, rights, powers, privileges, duties and obligations in regard to any area and to empower any local authority or company authorized to supply electricity to transfer the whole or any part of their undertaking, works, rights, powers, privileges, duties and obligations to the Company.

15. To authorize the Company or the Purchaser on the one hand and any local authority, company or person on the other to enter into and fulfil agreements for the supply of electric energy for traction or other purposes (whether within or without the area of supply), and to utilize any existing electrical station for such purposes and to regulate the charges to be made therefor.

16. To enable the Company or the Purchaser to enter into and fulfil agreements with the Somerset and District Electric Power Company (in this Notice referred to as "the Somerset Company") or any other company authorized to supply electric energy, for the exercising by either Company of the powers conferred upon the other company, and to provide that the electricity station of the Company or the Purchaser shall be deemed to be a station as required to be provided under the Somerset Company's Acts.

17. To make further provision for the better carrying on of the undertaking.

18. To incorporate with or without amendment the Electric Lighting Acts, 1882 to 1888; the Electric Lighting (Clauses) Act, 1899; the Companies Clauses Acts; the Lands Clauses Acts; and to vary and repeal the whole or parts of the Bath Electric Lighting Order, 1896, and the Electric Lighting Orders Confirmation (No. 7) Act confirming the same, and any other Act or Order relating to the Corporation; the Somerset and District Electric Power Act, 1903, and any other Act or Order relating to the Somerset Company; the Bath and District Light Railways Order, 1901; and any other Act or Order relating to the Bath Electric Tramways Company Limited.

Printed copies of the Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th December next.

Dated this 12th day of November, 1908.

**EXMOUTH URBAN DISTRICT WATER.**  
(Construction of Additional Waterworks; Compulsory Purchase of Land and Easements; Acquisition of Commonable Lands; Protection of Water; Power to Borrow; Application of Existing Funds; Incorporation and Amendment of Acts; and other purposes.)

NOTICE is hereby given, that application is intended to be made to Parliament in the next Session by the Urban District Council of Exmouth in the county of Devon (hereinafter called "the Council") for an Act for the following purposes or some of them (that is to say):—

To authorize the Council to make and maintain the waterworks hereinafter described, all in the county of Devon, together with all works which may be necessary in connection therewith or ancillary thereto (that is to say):—

Work No. 1.—A well and pumping station, situated in the field or enclosure numbered 471 on the 2500 Ordnance Map for the county of Devon (2nd edition, 1905), sheet XCIV-1, in the parish of Colaton Raleigh.

Work No. 2.—An aqueduct, conduit or one or more line or lines of pipes, commencing at or in the well and pumping station (Work No. 1) before described and terminating in the River Otter numbered 171 on the aforesaid Ordnance Map at a point 477 yards, or thereabouts (measured along the centre of the course of the said river), south of the footbridge crossing the said river at the "Ford" on the

road named "Mill-lane" on the 2500 Ordnance Map (2nd edition, 1905) sheet LXXXII-13, which aqueduct, conduit or one or more line or lines of pipes will be situated in the parish of Colaton Raleigh.

Work No. 3.—An aqueduct, conduit or one or more line or lines of pipes, commencing in the parish of Colaton Raleigh, at or in the well and pumping station (Work No. 1) before described and terminating in the parish of East Budleigh, in the south-eastern corner of the Squabmoor Reservoir, numbered 66 on the 2500 Ordnance Map for the county of Devon (2nd edition, 1905), sheet XCIII-11, which aqueduct, conduit or one or more line or lines of pipes will be situated in the parishes of Colaton Raleigh, Bicton and East Budleigh.

Work No. 4.—An aqueduct, conduit or one or more line or lines of pipes commencing in the parish of East Budleigh, in and at the southern end of the aforesaid Squabmoor Reservoir and terminating in the parish of Littleham by a junction with the existing mains of the Council in the field or enclosure numbered 77 on the 2500 Ordnance Map of the county of Devon (2nd edition, 1905), sheet CIII-3, at a point 120 yards, or thereabouts, measured in a straight line in a north-easterly direction from the north-eastern corner of the building known as Quantance, which aqueduct, conduit or one or more line or lines of pipes will be situated in the parishes of East Budleigh, Budleigh Salterton and Littleham.

To authorize the Council to make and maintain all proper embankments, retaining walls, bridges, piers, roads, ways, wells, bore-holes, pumps, tanks, basins, gauges, filters and filter beds, dams, sluices, bye-washes, waste weirs, outfalls, discharge pipes, washouts, shafts, adits, tunnels, aqueducts, culverts, cuts, catchwaters, drifts, channels, conduits, mains, pipes, standpipes, junctions, valves, drains, telegraphs, telephones, engines, apparatus, roadway approaches, buildings, houses, works and conveniences connected with the hereinbefore described works or any of them or incidental thereto or necessary or proper for constructing, maintaining, inspecting, cleansing, repairing, working, using or managing the same, or for raising, collecting, filtering or otherwise treating, storing and distributing water, and to enable the Council to acquire full power and right at all times of approach and access to the works aforesaid or any of them.

To authorize the Council, either by compulsion or agreement, to purchase, enter upon, take or use or to acquire rights or easements upon, in, over and under the lands in the said parish of Colaton Raleigh numbered 373, 376, 429, 430, 431, 432, 469, 572 and 573 on the 2500 Ordnance Map for the county of Devon (2nd edition, 1905), sheet LXXXI-16; 431, 432, 454, 457, 467, 468 and 469 on the 2500 Ordnance Map for the county of Devon (2nd edition, 1905), sheet LXXXII-13; 429, 430, 469, 568, 569, 570, 571, 572, 573, 574, 575, 587, 666, 667, 668 and 670 on the 2500 Ordnance Map for the county of Devon (2nd edition, 1905), sheet XCIII-4; 467, 468, 469, 470, 471, 482, 483, 484, 487, 488, 489, 490, 491, 492, 493, 503, 568, 569 and 570 on the 2500 Ordnance Map for the county of Devon (2nd edition, 1905), sheet XCIV-1; or such part or parts thereof as are within the limits shown on the plans hereinafter mentioned as "limits of lands under which headings may be driven."

To authorize the Council to deviate in the

construction of the intended works, both laterally and vertically, to the extent shown upon the plans and sections to be deposited as hereinafter mentioned or to such extent as the intended Act may prescribe.

To empower the Council to purchase and take, acquire or use by compulsion or agreement or to take on lease and to hold within the parishes aforesaid and elsewhere within the limits for the time being of the Council for the supply of water, lands, springs, waters, houses and hereditaments and rights, wayleaves and easements in, over, under, through or connected with lands, streams, springs, waters, houses and hereditaments for

the purposes of the said intended works or for other purposes of the intended Act or of the waterworks undertaking of the Council, and to empower the Council to purchase so much only of any property as they may require for the purposes of the intended Act without being subject to the liability imposed by section 92 of the Lands Clauses Consolidation Act, 1845.

It is intended to take or use compulsorily for the purposes of the proposed waterworks or to acquire easements in, under or through certain lands being or reputed to be common or commonable lands, of which the following are the particulars :—

| Name of Common.         | County.  | Parish in which Lands are Situate. | Quantity Included in Limits of Deviation. |    |    | Estimated quantity to be acquired or in or over which easement is proposed to be taken. |    |    |
|-------------------------|----------|------------------------------------|---|----|----|---|----|----|
|                         |          |                                    | a.  | r. | p. | a.  | r. | p. |
| East Budleigh Common .. | Devon .. | East Budleigh ..                   | 17  | 3  | 0  | 1   | 0  | 5  |
| Dalditch Common ..      | Devon .. | East Budleigh ..                   | 4   | 2  | 0  | 0   | 0  | 32 |

To provide that the Council shall not be required to fence off or sever lands in respect of which they may acquire easements only under the provisions of the intended Act.

To enable the Council to take, intercept, collect, impound, use, divert and appropriate for the purposes of the waterworks and other purposes of the intended Act all such springs, streams or waters as may be found in or under any such lands and hereditaments or in or under any other lands for the time being belonging to or leased by the Council, or in, through or over which they have acquired or may acquire any rights or easements, including the lands within the "limits of lands under which headings may be driven," defined upon the plans hereinafter mentioned or which can or may be intercepted or abstracted by means of the waterworks hereinbefore described or any of them, and so far as may be necessary for any of the purposes aforesaid to amend or repeal the proviso contained in section 20 of the Exmouth Urban District Water Act, 1900.

To authorize the Council to hold any lands which they may acquire under the powers of the intended Act free from the provisions of the Lands Clauses Consolidation Act, 1845, with respect to superfluous lands, and if thought fit to acquire by compulsion or agreement any mines or minerals under any such lands, notwithstanding the provisions of the Waterworks Clauses Act, 1847, with respect to mines.

To empower the Council, so far as may be necessary for executing the purposes of the intended Act, to lay down, maintain and renew or remove mains, pipes, conduits and other works and apparatus for the supply of water along, through, over and across, and to break open, cross, alter, raise, lower, stop up, divert or interfere with (temporarily or permanently) highways, public and private streets and roads, bridges, railways, tramroads, tramways, canals, towing-paths, sewers, drains, culverts, rivers, streams, watercourses, footpaths, ways, passages and other places, and to alter the position of, remove and interfere with (temporarily or permanently) gas and water mains, pipes and works,

telegraphic, telephonic and electric pipes, lines, wires, posts and apparatus, and any other works laid or placed in, under, along or over any such highways, streets, roads, bridges, footpaths, ways, passages and places.

To constitute the intended works part of the water undertaking of the Council, and to extend and apply thereto all or some of the provisions of the Exmouth Urban District Water Act, 1900, and other the enactments relating to that undertaking, and to extend and apply all or some of the provisions of the intended Act to all or some of the existing works of the Council, and to extend and apply to the water undertaking of the Council all or some of the provisions of the Public Health Acts.

To make such provisions as may have been or may be agreed upon, or as may be thought proper by Parliament to be prescribed or authorized by the intended Act for the protection and benefit of the landowners and other bodies and persons whose property, rights and interests will or may be affected by the intended works, and to authorize, confirm or give effect to any agreements or arrangements which may be entered into between the Council and such landowners, bodies or persons or some or any of them.

To make such provision (if any) as the intended Act may prescribe or as Parliament may authorize or require with reference to the supply of water by the Council to other local, sanitary or other authorities and bodies, whether within or without the Council's limits of supply, whose districts are situate in the neighbourhood of the said intended works or any of them.

To empower the Council from time to time to discharge water from any of the intended or existing works of the Council into any river, stream or watercourse whether within or beyond the limits of supply of the Council.

To provide that any fittings let for hire by the Council shall not be subject to distress or be liable to be taken in execution.

To empower the Council to borrow money for the purposes of the intended Act and for other the purposes of their water undertaking,

and to charge the moneys borrowed and interest thereon on the district fund and general district rate and other local rates and on the waterworks undertaking and other property of the Council or any or some of such securities, and to grant mortgages, debentures, debenture stock, redeemable stock and annuities in respect thereof, and to extend or vary the powers of the Council in regard to borrowing under the Public Health Act, 1875, or any other Act or Acts relating to the Council and to apply any of their existing funds and borrowing powers to the purposes of the intended Act.

To provide that any sinking fund to be provided by the intended Act shall not be brought into operation until the completion of the intended works or such other period as the intended Act may prescribe.

To incorporate with the intended Act or make applicable thereto, with such alteration, modification or exemptions as may be deemed necessary or expedient, all or some of the provisions of the Lands Clauses Acts; the Waterworks Clauses Acts, 1847 and 1863; and the provisions of the Railways Clauses Consolidation Act, 1845, with respect to the temporary occupation of lands during the construction of the intended works; the Local Loans Act, 1875; the Public Health Acts, 1875 to 1907; the Arbitration Act, 1889; and of any Act amending or extending the same Acts respectively.

To alter, amend, extend incorporate or repeal the provisions of the Exmouth Urban District Water Act, 1900, and any other Act or Order relating to the Council so far as may be necessary for effecting any of the purposes of the intended Act, to vary or extinguish all rights and privileges inconsistent with or which would or might in any way interfere with the objects of the intended Act, and to confer other rights and privileges.

Duplicate plans and sections describing the lines, situation and levels of the proposed works and the lands in or through which they will be made and also duplicate plans showing the lands and property intended to be compulsorily taken or used for the purposes of the intended Act, together with a book of reference to such plans containing the names of the owners and lessees or reputed owners and lessees and the occupiers of such lands, houses and other property and a copy of this Notice as published in the London Gazette, will, on or before the 30th day of November instant, be deposited for public inspection with the Clerk of the Peace for the county of Devon at his office at the Castle of Exeter, in the said county, and on or before the same day a copy of so much of the said plans, sections and book of reference together with a copy of the said Notice will also be deposited as follows (that is to say) :—

So far as relates to the urban district of Exmouth, with the Clerk of the Exmouth Urban District Council at his office at No. 17, Public Hall Chambers, Exmouth; so far as relates to the urban district of Budleigh-Salterton, with the Clerk of the Budleigh Salterton Urban District Council at the Council offices at Budleigh Salterton; so far as relates to the rural district of St. Thomas, with the Clerk of the St. Thomas Rural District Council at his office at No. 9, Bedford-circus, Exeter; so far as relates to the parish of Colaton Raleigh, with the Clerk of the Parish Council of that parish at his residence; so far

as relates to the parish of Bicton, with the Chairman of the Parish Meeting at his residence; so far as relates to the parish of East Budleigh, with the Clerk of the Parish Council of that parish at his residence.

Printed copies of the intended Act will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

Dated this 10th day of November, 1908.

(Incorporation of New Company; Acquisition by New Company of Undertaking of Ravenglass and Eskdale Railway Company and Provisions incidental thereto; Agreements between New Company and the Receiver and Manager of the Ravenglass and Eskdale Railway Company; Provisions as to Payment and Application of Consideration for Purchase; Application to New Company of existing Acts; Power to New Company to Work and use Undertaking transferred; Provisions as to Electrical Traction; Agreements for Supply of Electricity; Tolls, Rates and Charges; Holders of Securities of Ravenglass and Eskdale Rail-

such sale and purchase vest in the new Company absolutely.

To provide for the application by the said receiver and manager of moneys so paid to him and for the distribution of such moneys or any part thereof among the persons absolutely entitled thereto.

To extend and apply to the new Company all or any of the provisions of the Acts of or relating to the existing Company.

To empower the new Company to hold, exercise and enjoy and to work, maintain, improve, repair and use or to discontinue and abandon the undertaking or any part thereof, and to exercise and enjoy all or any of the rights, powers, privileges and exemptions of the existing Company, whether in relation to their undertaking or otherwise.

To empower the new Company to work by electrical traction the traffic on any railways for the time being worked or used by them and for that purpose to lay down and maintain and use electric cables, mains, wires and apparatus necessary or convenient for such working.

To empower the new Company to make such alterations and adaptations of such railways and the stations and works connected therewith as may be necessary to adapt the same for working by electrical power and to execute all such works and do all such acts and things as may be necessary or expedient for placing and keeping the said undertaking and any such railways as aforesaid in an efficient condition.

To empower the new Company on the one hand and any other company or any authority, body or person on the other hand to enter into and fulfil contracts and agreements for the supply of electricity to the new Company by such other company, authority, body or person, and (so far as may be necessary) to enable any local authority who may enter into any such agreement to apply their funds and the rates leviable by them for the purposes of such agreement.

To enable the new Company to exercise all or any of the powers of the existing Company of demanding, taking and recovering tolls, rates and charges and to make such further or other provisions with reference to the tolls, rates and charges to be levied or made by the new Company as may be specified in the Bill.

To provide for the payment to and to require the acceptance by the creditors, mortgagees and holders of debentures, bonds, debenture stock, shares, stock or other securities of the existing Company or any of them of all or any sums of money or other consideration payable by the new Company for or in respect of the acquisition by or vesting in them of the undertaking of the existing Company.

The Bill may provide for the payment into the Bank of England to the account of the Paymaster-General for and on behalf of the Supreme Court of Judicature or otherwise of the purchase money or other consideration for or in respect of such sale and transfer as aforesaid and for the distribution thereof among the persons entitled thereto under the directions of the said Court.

The Bill will or may provide for the issue by the new Company of debentures, debenture stock, shares or stock of the new Company in lieu of the payment in money of any purchase money or consideration payable by the new Company

for or in respect of the acquisition of the undertaking of the existing Company and will or may provide that such issue shall be in full satisfaction and discharge of such purchase money or consideration.

To provide, if thought fit, that such issue may be made by the new Company to the said receiver and manager or to such other person or persons as may be specified in the Bill on behalf of the persons entitled to or lawfully claiming against such purchase money or consideration or any part thereof, and to make such provision as may be necessary or expedient for the transfer by the said receiver and manager or such other person or persons as aforesaid to the persons so entitled or claiming any debentures, debenture stock, shares or stock of the new Company so issued.

To provide that any such payment or issue as aforesaid by the new Company shall be in full satisfaction and discharge of all claims, demands, rights and interests of such creditors, mortgagees and holders of debentures, bonds, debenture stock, shares, stock and other securities as aforesaid, or any of them, against or in respect of the undertaking of the existing Company or against the new Company in respect thereof, and to require such creditors, mortgagees and holders of debentures, bonds, debenture stock, shares, stock and other securities to deliver up to the new Company, and to empower the new Company to cancel and annul or to provide for the cancellation and annulment of all mortgages, charges, assignments, debentures, bonds, certificates for debenture stock, shares or stock and other securities created or granted or issued by the existing Company or otherwise relating to or affecting the said undertaking.

To enable the new Company to raise money by the creation and issue of shares or stock with or without preference, priority or guarantee in payment of interest or dividend or other special privileges and by borrowing on mortgage of the undertaking of the existing Company and by the creation and issue of debenture stock or by any such means.

To confirm any agreement or agreements which may have been or may be entered into between the new Company or any persons on their behalf on the one hand and the existing Company and the said receiver and manager or either of them on the other hand with respect to the matters aforesaid or any of them or any matter incidental thereto, and to authorize the new Company to adopt and to provide for effect being given to any such agreement.

To provide for the winding up of the affairs of the existing Company and their ultimate dissolution.

To provide for the appointment of a liquidator or liquidators for the purpose of winding up the affairs of the existing Company and the distribution of the assets of that Company.

To confer all necessary powers upon such liquidator or liquidators and amongst other things to empower such liquidator or liquidators to require all claims against the existing Company to be sent in to him or them within a limited period and to make such distribution of assets as aforesaid without regard to claims not received within the prescribed period.

To enable the new Company, notwithstanding anything in the Companies Clauses Consolidation Act, 1845, contained to the contrary, to pay out

of the capital or any funds of the new Company from time to time interest or dividend on any shares or stocks of the new Company.

To confer upon the new Company all such powers, rights and privileges as are usually conferred upon railway companies.

To confer upon the new Company and the said receiver and manager and any other company, body or person all such powers and to make all such other provisions as may be necessary or expedient for giving effect to the objects of the Bill.

To repeal, alter or amend the provisions or some of the provisions of the Ravenglass and Eskdale Railway Act, 1873, and any other Act, certificate or Order affecting or relating to the existing Company; the 7 and 8 Vict., cap. 22, and any other Act or Order affecting or relating to the Furness Railway Company; the Whitehaven and Furness Junction Railway Act, 1845, and any other Act or Order affecting or relating to the Whitehaven and Furness Junction Railway Company.

The Bill will vary and extinguish all existing rights and privileges which would interfere with its objects and confer other rights and privileges, and it will or may incorporate, with or without exceptions and modifications, the provisions or some of the provisions of the Lands Clauses Acts; the Companies Clauses Consolidation Act, 1845; and the Companies Clauses Act, 1863 and 1869; the Railway Clauses Consolidation Act, 1845; the Railway Clauses Act, 1863; and the Light Railways Act, 1896.

Printed copies of the proposed Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

**N**OTICE is hereby given, that the Pontypridd Waterworks Company (hereinafter referred to as "the Company") intend to apply to Parliament in the ensuing Session of 1909 for leave to bring in a Bill for effecting the following or some of the following purposes (that is to say):—

1. To authorize the Company to make, maintain and work the railways, road widening, reservoir, aqueducts or lines of pipes and other works hereinafter described, together with all necessary and proper bridges, embankments, retaining walls, roads, ways, approaches, junctions, sidings, turntables, buildings, drains, telegraph and telephone posts, wires and apparatus, rails, plates, sleepers, works and conveniences connected therewith or incidental thereto (that is to say):—

Railway (Work No. 1).—A railway, 2 furlongs 2·4 chains, or thereabouts, in length, situate wholly in the parish of Penderyn, in the county of Brecknock, commencing by a junction with the railway or tramroad of the Company of Proprietors of the Aberdare Canal Navigation between Hirwain and Penderyn, at a point on the said railway or tramroad distant 43 yards, or thereabouts, measured in an easterly direction from the centre of the bridge carrying the said railway or tramroad over the brook known as Nant Cadlan and terminating at a point in the enclosure numbered 589 on the 2500 Ordnance Map of the county of Brecknock (2nd edition, 1904), sheet XLV-13, distant 87 yards, or thereabouts, from the north-east corner thereof and 78 yards, or

thereabouts, from the north-west corner thereof.

Railway (Work No. 2).—A railway, 1 furlong or thereabouts, in length, situate wholly in the parish of Penderyn, in the county of Brecknock, commencing by a junction with railway (Work No. 1) at the termination thereof hereinbefore described, and terminating at a point on the north-western boundary of the enclosure numbered 519 on the 2500 Ordnance Map of the county of Brecknock (2nd edition, 1904), sheet XLV-13, distant 102 yards, or thereabouts, measured along the said boundary from the northern corner of the said enclosure.

Railway (Work No. 3).—A railway 3·7 chains, or thereabouts, in length situate wholly in the parish of Penderyn, in the county of Brecknock, commencing by a junction with the private railway or tramroad in the occupation of W. P. Powell and Company Limited, leading from the high road to their Llwyn-on Quarries at a point on the said railway or tramroad distant 45 yards, or thereabouts, measured in a westerly direction from the centre of the bridge carrying the said railway or tramroad over the brook known as Nant Cadlan and terminating by a junction with Railway (Work No. 2) at its commencement hereinbefore described.

Railway (Work No. 4).—A railway 6 miles 0 furlongs 8·2 chains, or thereabouts, in length situate wholly in the county of Brecknock, commencing in the parish of Penderyn at a point on the south eastern boundary of the enclosure numbered 519 on the 2500 Ordnance Map of the county of Brecknock (2nd edition, 1904), sheet XLV-13, distant 77 yards, or thereabouts measured along that boundary from the eastern corner of the said enclosure and terminating in the parish of Ystradfellte at a point in the enclosure numbered 2020 on the 2500 Ordnance Map of the county of Brecknock (2nd edition, 1905), sheet XXXVIII-12, distant 360 yards, or thereabouts, from the most western corner of the enclosure numbered 2012 on the last-mentioned map and 152 yards, or thereabouts, from the northern corner of the said last-mentioned enclosure which said intended railway will be situate in the parishes of Penderyn and Ystradfellte, in the county of Brecknock.

Road Widening (Work No. 5).—A widening of a portion of the main road from Hirwain to Penderyn situate wholly in the parish of Penderyn, in the county of Brecknock, between the point where the railway or tramroad of the Company of Proprietors of the Aberdare Canal Navigation crosses the said road and the point where the branch tramroad or railway in the occupation of W. P. Powell and Company Limited crosses the said road.

Reservoir (Work No. 6).—A service reservoir (Lan Wood Reservoir No. 2), wholly in the parish and urban district of Pontypridd in the county of Glamorgan, situate in the enclosures numbered 340 and 526 on the 2500 Ordnance Map of the county of Glamorgan (2nd edition, 1900), sheet XXVIII-10, the centre of which reservoir is distant 307 yards, or thereabouts, north-west of the centre of the Company's existing Lan Wood Reservoir.

An aqueduct (Work No. 7), situate wholly in the parish and urban district of Pontypridd, in the county of Glamorgan, commencing by a junction with the Company's mains at a point in or under the centre of the roadway of the road leading from Tyfica-road to Lan Wood distant 90 yards, or thereabouts, measured in a northerly direction from the easternmost angle of the main buildings of the County Intermediate School and terminating in the reservoir (Work No. 6) hereinbefore described.

An aqueduct (Work No. 8), situate wholly in the parish and urban district of Pontypridd, in the county of Glamorgan, commencing in the reservoir (Work No. 6) hereinbefore described and terminating by a junction with the Company's mains at the point in or under the roadway of the road leading from Tyfica-road to Lan Wood hereinbefore described as the commencement of aqueduct (Work No. 7).

An approach road (Work No. 9), situate wholly in the parish and urban district of Pontypridd, in the county of Glamorgan, commencing by a junction with the public highway known as Graig-Wen-road at the point where the road leading from the building known as Gelli-fynaches Uchaf joins the said public highway and terminating at the reservoir (Work No. 6) hereinbefore described.

The before-mentioned railways, road widening, reservoir, aqueducts or lines of pipes and other works will be made in or pass from, in, through or into the following parishes, districts and places, viz. :—

The parish of Penderyn, in the rural district of Vaynor and Penderyn, and the parish of Ystradfellte, in the rural district of Neath, in the county of Brecknock, and the parish and urban district of Pontypridd, in the county of Glamorgan.

It is proposed that the intended railways (Works Nos. 1, 2 and 3) before described shall be constructed on the standard gauge of 4 feet 8½ inches and the intended railway (Work No. 4) also hereinbefore described on a gauge of 2 feet or of such other gauge as the Board of Trade and Parliament may approve or the intended Bill may prescribe, and it is also intended to run on the said railways carriages and trucks adapted for use on railways.

It is also intended to work and maintain the aforesaid railways as a light railway and to apply the provisions or such of the provisions of the Regulation of Railways Act, 1868, and the Light Railways Act, 1896, so far as may be necessary as to the crossing of roads on the level limiting the speed of engines and otherwise in such manner as the Bill may prescribe and with this view to amend or repeal such of the sections of the Railways Clauses Consolidation Act, 1845, relating to railways so as to exempt or make them applicable if need be to the railways proposed to be authorized by the Bill.

It is also intended by the Bill to make special provisions for the construction of the intended railways with all necessary works and conveniences connected therewith as a surface line with as little detriment as possible to the properties through which it may pass consistent with the purposes for which the same is intended to be constructed, and to relieve the Company from any responsibility with regard to the fencing of the

railway, the placing of gates at level crossings, the provision of signalling apparatus at level crossings and otherwise, and the providing of bridges or other accommodation works or for the drainage of severed lands notwithstanding anything contained in the Railways Clauses Consolidation Act, 1845, the Railways Clauses Acts, 1863 and 1869, and the Lands Clauses Acts to the contrary.

The Bill will provide for the abandonment of the Lan Wood Reservoir (Work No. 20) and also the aqueduct, conduit or lines of pipes (Work No. 21) described in and authorized by section 4 of the Pontypridd Waterworks and Tramroad Act, 1908, which will be rendered unnecessary, in consequence of the substituted reservoir, aqueducts and lines of pipes hereinbefore described and proposed to be authorized by the Bill, and the Bill will contain all necessary provisions for relieving the Company from any liabilities and obligations imposed by the said Act of 1908 for the construction and completion of the said reservoir and lines of pipes aforesaid.

The intended Act will provide for the vesting in the local authority of the site and soil of the widened road (Work No. 5) as shown upon the plans deposited as hereinafter mentioned, and for the maintenance or repair thereof by and at the expense of the local authority or other persons respectively for the time being liable for the repair and maintenance of the main road from Hirwain to Brecon.

The intended Act will also provide for the abandonment of the tramroad authorized by the Pontypridd Waterworks and Tramroad Act, 1908, and therein described as Work No. 6, and relieve the Company from all liability and obligation to construct such tramroad and for the release of the money deposited with the High Court as security for the construction thereof and for the application thereof to the railways and other works proposed to be authorized by the Bill, and if necessary to amend, extend or repeal sections 91 and 92 of the said Act of 1908.

To extend the period limited by section 28 of the Pontypridd Waterworks and Tramroad Act, 1908, for making a substantial commencement of the works connected with the construction of the Llia Reservoir authorized to be constructed by that Act so that the Company may in commencing the construction of that reservoir have the same length of time they are allowed for the compulsory purchase of lands under section 19 of the same Act, and if need be to alter or amend the said sections 19 and 28 of the said Act of 1908 in such manner as the Bill may prescribe.

To amend section 31 of the Pontypridd Waterworks and Tramroad Act, 1908, so that the increase of rates at which water is to be supplied for domestic purposes shall, notwithstanding anything contained in the said section 31, come into operation when the Company have substantially commenced the construction of the Llia Reservoir (Work No. 4) and the full increase when the Works numbered 4, 5, 7, 8, 9, 10, 11, 12, 13 and 19 described in section 4 of the said Act of 1908 or such of them as the Board of Trade may decide have been completed, so as to furnish an improved supply of water to the Company's statutory district as existing at the passing of the Act of 1908, instead of the Company being obliged, as provided by section 31 of the said Act of 1908, to construct the whole of the works

authorized by and described in the said section 4 of the said Act of 1908.

The Bill will also empower the Company to exercise the following powers, viz. —

To deviate laterally and vertically from the lines and levels of the intended railways and other works shown on the plans and sections, deposited as hereinafter mentioned, to the extent shown on the said plans or as may be defined by the Bill, and if deemed expedient to extend the limits of deviation prescribed by the Railways Clauses Consolidation Act, 1845, and the Waterworks Clauses Act, 1847.

To cross, stop up, alter or divert temporarily or permanently roads, highways, footpaths, pipes, tubes, sewers, drains, streams, water-courses, bridges, railways, tramroads or tramways, and telegraph and telephone apparatus with which it may be necessary to interfere in constructing, maintaining or using the intended railways and other works.

To purchase and take compulsorily or by agreement, or take on lease, lands, houses and other property and easements, rights of way and other rights in and over lands for the purposes of the intended railways and other works, and for or in connection therewith to take parts only of property, notwithstanding anything contained in section 92 of the Lands Clauses Consolidation Act, 1845.

To levy and recover tolls, rates, rents, dues and charges in respect of the use of the intended railways, and to grant exemptions therefrom, and if need be to vary or extinguish existing tolls, rates, rents, dues and charges.

To empower the Company to work the intended railways by mechanical or animal power.

To authorize the Company to carry workmen, servants and others upon the intended railways, and also to carry goods, merchandise, machinery, plant, minerals, clay, stone, timber and parcels over the same, to or from the works of the Company authorized as aforesaid or in connection therewith.

To authorize the Company to make use of any stone or other material obtained by them in construction of the works authorized as aforesaid or from any land belonging to them for the purpose of the construction of the intended railways or of the works authorized by the said Act of 1908 or in connection with any of those works.

To constitute the railways and other works proposed to be authorized by the intended Act part of the water undertaking of the Company, and to extend and apply all or some of the enactments now in force in relation to the existing waterworks of the Company with such modifications as may be indicated in the intended Act to the railways and other works so proposed to be authorized.

To confirm or otherwise give effect to any agreements which may be made before the passing of the Bill touching any of the matters mentioned or contained in this Notice.

To make provision for the removal if necessary of the intended railways after they shall have served their purpose or at such time or times as may be prescribed by the intended Act, and in such case to provide for the vesting or sale of the site of the intended railways and the terms and conditions of such vesting and sale.

To enable the Company on the one hand and any other company, corporation, road authority or person or any of them having respectively the control or management or the duty of directing the repairs of any streets, roads or places on the other hand, to enter into contracts or agreements with respect to all or any purposes of the intended Act, or the laying down, altering, maintaining, renewing, repairing, working and using of the proposed railways, and the rails, plates, sleepers, ways and works connected therewith, and for facilitating the passage of carriages and traffic over or along the same, and to confirm any agreement entered into or which may be entered into with any such company, corporation, road authority or persons during the progress of the Bill with respect to any of the aforesaid matters.

To demise or lease the railways or any part thereof and the tolls, rates, rents, dues and charges authorized to be taken in respect thereof to any local authority, company or person for any term of years or shorter period on such terms and conditions as may be agreed upon or as may be prescribed by the Bill.

To authorize and empower the Company on the one hand and any corporation, company, body or person on the other hand, to make, enter into and execute contracts, agreements and arrangements in relation to any of the subject matters of the intended Bill, and also with the Company of Proprietors of the Aberdare Canal Navigation and with the owners or lessees of any of the existing tramways, tramroads or railways over which running powers are proposed as hereinafter mentioned in connection with the railways proposed to be authorized by the Bill as regards the terms of such running, the tolls, rates, rents, dues or charges to be demanded and taken for goods, minerals, stone and all other traffic thereon, and to sanction, confirm and provide for the carrying out and execution of all or any contracts or agreements which have been or may hereafter at any time prior to the passing of the intended Bill be made or entered into by or on behalf of the Company and any such corporation, company, body or person respecting any of the matters aforesaid.

To provide for the maintenance of the intended railways and the regulation of the traffic thereon, and also as to the demanding and recovery of tolls, rates, rents, dues and charges for the conveyance of minerals, stone merchandise and all other traffic thereon.

To empower the Company to make and carry into effect agreements with any local authority within their statutory district of supply for a supply of water in bulk for redistribution in the whole or any part of the district of any such local authority within the Company's said statutory district of supply, and for the sale or hire of the Company's mains, services, stop-cocks and other distributing plant within such statutory area, and for the cesser of the Company's rights and obligations under their special statutory powers and under the Waterworks Clauses Act, 1847, to supply individual consumers during the continuance of any such agreements, and the Bill will or may sanction and confirm any such agreements as aforesaid and if need be will amend or repeal the Company's Acts and the said Act of 1847 accordingly.

To empower the Company and any other company for the time being working or using the railways of the Company or any part thereof on such terms and conditions and on payment of such tolls, rates and charges as may be agreed on or settled by arbitration or prescribed by the Bill to run over and use with their engines, carriages and wagons, officers and servants for the purposes of their traffic of every description, the existing tramways, tramroads or railways or portions thereof hereinafter mentioned belonging to other companies, corporations and persons, viz. :—

(a) That portion of the tramroad or railway belonging to the Company of Proprietors of the Aberdare Canal Navigation from Hirwain to Penderyn between its junction with the intended railway (Work No. 1) before described and the northern termination of the said tramroad or railway near the bridge carrying the branch tramroad or railway over the Nant Cadlan to the Llwyn-on Quarries of W. P. Powell and Company Limited.

(b) The private railway or tramroad of W. P. Powell and Company Limited from its junction with the railway or tramroad of the Aberdare Canal Navigation to the said Llwyn-on Quarries.

To enable the Company to apply their existing funds and any moneys which they have power to raise to the purposes or any of the purposes of the Bill, and for such purposes and for the general purposes of their undertaking to raise additional capital by the creation and issue of new, ordinary or preference shares or stock or debenture stock and by borrowing; and the Bill will provide that such new shares or stock shall either rank *pari passu* with the existing shares or stock of the Company or that the Company may attach to such new shares or stock a preference or priority of dividend and any other advantage which the Bill may define, and to vary the existing powers of the Company as to the sale of shares or stock.

The Bill will provide for the repeal of section 61 of the Pontypridd Waterworks and Tramroad Act, 1908, as to the conditional future purchase of the undertaking of the Company by the Glamorgan County Council or any combination of local authorities or so much of the said section 61 as relates to the costs of obtaining the said Act of 1908.

The Bill will repeal or amend so much of section 42 of the Pontypridd Waterworks and Tramroad Act, 1908, as relates to the construction of the Lan Wood Reservoir sought to be abandoned and relinquished by the intended Bill, and the Bill will also provide for the repeal of so much of section 90 of the said Act of 1908 as relates to the widening, fencing and the construction of a retaining wall by the Company in connection with that portion of the main road from Hirwain to Penderyn.

The Bill will vary and extinguish all existing rights and privileges which would interfere with any of its objects and will confer upon the Company all such rights and privileges as may be necessary for any of the purposes of the Bill and will enable the Company and any local authorities, bodies, companies or persons to enter into and fulfil contracts and agreements for and in relation to any of the purposes of the Bill and will so far as may be deemed necessary amend, enlarge and repeal the powers and provisions of the Pontypridd Waterworks Act, 1864; the Pontypridd

Waterworks Act, 1875; the Pontypridd Waterworks Order, 1883; the Pontypridd Waterworks Act, 1892; the Pontypridd Waterworks (Tramroad) Act, 1894; the Pontypridd Waterworks and Tramroad Act, 1908, and any other Act or Order relating directly or indirectly to the Company and the Aberdare Canal Act, 1793, and any other Act relating to or affecting the Company of Proprietors of the Aberdare Canal Navigation.

The Bill will incorporate with itself, with or without variation, such of the provisions as may be thought expedient of the Companies Clauses Consolidation Act, 1845; the Companies Clauses Acts, 1863 and 1869; the Lands Clauses Acts; the Railways Clauses Consolidation Act, 1845; the Railways Clauses Acts, 1863 and 1869; the Regulation of Railways Act, 1868; the Light Railways Act, 1896, and the Waterworks Clauses Act, 1847.

Duplicate plans and sections showing the lines, situations and levels of the railways, reservoir, aqueducts or lines of pipes and other works proposed to be authorized by the Bill and also the lands, houses and other property proposed to be acquired by compulsion for the purposes thereof or under the powers of the Bill, with a book of reference to such plans containing the names of the owners or reputed owners, lessees or reputed lessees and of the occupiers of such lands, houses and other property, also an Ordnance Map with the line of the intended railways delineated thereon so as to show their general course and direction and a copy of this Notice as published in the London Gazette will be deposited for public inspection on or before the 30th day of November instant with the Clerk of the Peace for the county of Brecknock at his office in the Shire Hall, Brecon, and with the Clerk of the Peace for the county of Glamorgan at the County Council Office, Westgate street, Cardiff, and on or before the same day a copy of so much of the said plans, sections and book of reference as relates to each of the areas hereinafter mentioned in or through which the intended railways and works or any part thereof will be made or pass or in which any lands or property intended to be taken are situate with a copy of this Notice published as aforesaid will be deposited for public inspection with the officers respectively hereinafter mentioned (that is to say) :—

As regards the rural district of Neath, with the joint clerks to the Rural District Council at their offices in Neath; as regards the rural district of Vaynor and Penderyn, with the Clerk to the Rural District Council at his office at Merthyr Tydfil; as regards the urban district of Pontypridd, with the Clerk to the Urban District Council at his office at Pontypridd; as regards the parishes of Ystradfellte and Penderyn having a parish council, with the Clerk to the Parish Council of each such parish at his office or residence respectively as the case may be.

Printed copies of the intended Bill will be deposited in the Private Bill Office of the House of Commons on or before the 17th day of December next.

Dated this 16th day of November, 1908. 1111
