USK STOCK FAIRS.

The Secretary of State for the Home Department hereby gives notice that a representation has been duly made to him by the Usk Urban District Council, to the effect that it would be for the convenience and advantage of the public that the Stock Fairs which, commencing with the year 1905, have been held annually at Usk on the third Monday in the months of April and October respectively, should in future be held on the 20th day of April and the 29th day of October in each year—the old dates for the holding of the Fairs—or on the following Monday when the 20th April or the 29th October is a Sunday.

On the 26th day of February, 1909, the Secretary of State will take such representation into consideration, and any person who may desire to object to the alteration of the dates for the holding of the said Fairs should intimate his objections to the Secretary of State before that day.
