(DATED 8TH MAY 1909.)

THE AMERICAN GOOSEBERRY MILDEW
ORDER OF 1909.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Destructive Insects and Pests

Precautions to be Adopted in case of an Outbreak of Disease or Supposed Outbreak.

- 4.—(1.) The occupier of any garden in which disease exists or appears to exist shall as soon as is practicable spray all the diseased or suspected bushes, and all gooseberry and currant bushes in the garden to which the disease is likely to spread or to have already spread, with a solution of liver of sulphur (containing not less than one pound of liver of sulphur to thirty-two gallons of water); provided that this provision shall not apply to bushes which have shed their leaves.

(2.) No bush shall be moved from the garden until after the investigation required by the next Article.

Investigation by Local Authority.

- 5.—(1.) The Local Authority on receiving in any manner notice of the existence or apparent existence of disease shall forthwith take such steps as may be necessary to determine in what gardens the disease exists, and shall cause notice of such determination to be served on the occupier of each of such gardens which shall thereupon become "infected premises" and continue to be infected premises until the notice is altered or withdrawn in accordance with Article 10.

(2.) The notice shall as far as practicable include in the infected premises only those parts of the garden in which there are or recently have been diseased bushes.

Action to be taken by Local Authority after Preliminary Investigation.

6.—(1.) The Local Authority may at any time and from time to time by a notice served on an occupier of infected premises require him to adopt such measures for prevention of the spread of the disease as are authorised by this Article and specified in the notice.

(2.) A notice under this Article may require the occupier of the premises as regards all or any of the bushes on the premises to adopt any one or more of the following measures:—

- (a) to destroy on the infected premises the fruit (if any) on each diseased bush;
- (b) to prune the bushes in such manner as may be directed by an Inspector of the Local Authority and to his satisfaction;
- (c) at such time or times as may be specified, to spray the bushes thoroughly with a solution of liver of sulphur (containing not less than one pound of liver of sulphur to thirty-two gallons of water), or with Bordeaux mixture, or with a solution of sulphate of copper, as may be directed by the notice.
- (d) to spray in like manner the ground beneath each diseased bush and the site of each bush which has been destroyed on account of disease.

Provided that nothing in this Order shall prevent the destruction by the owner thereof, by fire or other effective method, of any bush if such destruction takes place on the infected premises.

(3.) Where a Local Authority have consented to pay compensation for the destruction of bushes directed by notice served by them, the Local Authority may by a notice under this Article require the occupier of infected premises to destroy by burning or other effective method all or any of the bushes on the premises, and the Local Authority shall pay compensation for such destruction subject and according to the provisions in that behalf of the Destructive Insects and Pests Acts, 1877 and 1907.

Precautions against Spread of Disease by Fruit Picking.

8. Where the Local Authority are satisfied that the extent of the disease in any garden is such that the picking of any gooseberry, currant, or other fruit crop in the garden would be likely to spread the disease to other premises, the Local Authority may by a notice served on the occupier of the garden prohibit the picking of fruit except upon such conditions as they think necessary for the prevention of the spread of disease.

Precautions against Spread of Disease by Bushes.

9.—(1.) No bush shall be removed from infected premises except with, and subject to the

conditions (if any) inserted in, a licence granted by the Board, or an officer of the Board.

ORDER OF THE BOARD OF
AGRICULTURE AND FISHERIES.

(DATED 8TH MAY 1909.)

AYRSHIRE (CARRICK DISTRICT) (MOVE-
MENT OF SHEEP) ORDER OF 1909.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1903, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

Application of Order.

1. This Order shall apply to the areas described in the Schedule hereto, each of which is hereinafter referred to as "a Scheduled Area."

Restriction of Movement of Sheep out of Scheduled Areas.

2.—(1.) Sheep shall not (except as hereinafter provided) be moved out of a Scheduled Area between the fifteenth day of May and the thirteenth day of November in any year during which this Order is in operation, unless—

(i.) they are accompanied by a licence authorising such movement granted by an Inspector of the Local Authority of the District in which the sheep are when the licence is granted; or

(ii.) they are moved direct to a slaughter-house having previous to such movement been marked by the painting or stamping with an indelible composition of red colour of a broad line down the back and another broad line across the loins of each sheep, thus +, each line being not less than nine inches long.

(2.) A licence for movement under this Article shall be granted only

(i.) upon production to the Inspector granting the licence of

(b) a declaration signed by the owner of the sheep, or his agent authorised in writing for this purpose, in the Form B set forth in the First Schedule to the Sheep-Scab (Compulsory Dipping Areas) Order of 1906 or to the like effect, to the effect that the sheep to be moved are sheep referred to in the certificate and that since the dipping the sheep have been kept separate from other sheep not so dipped; or

(ii.) upon production to the Inspector of

(a) a certificate by a duly qualified veterinary surgeon to the effect that he has within ten days before the application for a licence is made examined each of the sheep to be moved, and found it to be free from sheep-scab; and

(b) a declaration signed by the owner of the sheep, or his agent authorised in writing for this purpose, to the effect that since such examination the sheep have been kept

separate from other sheep, and have not been exposed in any market, fairground, saleyard or exhibition.

A licence under paragraph (ii.) shall only be granted where, in the opinion of the Inspector granting it, compliance with paragraph (i.) is impracticable or inexpedient.

(3.) A declaration shall be retained by the Inspector granting a licence thereon. A certificate shall also be so retained unless it refers to more sheep than are proposed to be moved, in which case a note shall be made thereon and initialled by the Inspector who grants the licence, stating the number of sheep for which the licence is granted.

(4.) The licence shall be in force for six days, inclusive of the day of issue, and shall be in the Form C set forth in the First Schedule to the Sheep-Scab (Compulsory Dipping Areas) Order of 1906 or to the like effect.

(5.) A copy of a licence under this Article shall be sent by the Inspector granting the same to the Local Authority of the District in which is situate the place of destination specified in the licence.

(6.) Sheep moved under this Article to a slaughter-house shall after their arrival thereat be there detained until they are slaughtered.

Movement of Lambs out of Scheduled Areas.

3. Where an Inspector of a Local Authority is satisfied that any lambs in a Scheduled Area are intended for immediate slaughter and that it is impracticable or inexpedient that the same should in accordance with this Order be dipped before movement for such purpose, or that the lambs are to be moved direct to a slaughter-house, he may, subject to any directions by the Local Authority appointing him, by licence authorise the movement of the lambs to any premises outside the Area subject to such conditions (if any) as are inserted in the licence, and thereupon the lambs may be moved in accordance with such licence and conditions. Provided that an Inspector of a Local Authority shall not issue any such licence for movement to premises in the District of another Local Authority unless the consent of such Local Authority, either generally or in the particular instance, has been previously obtained. This Article does not apply to lambs more than nine months old.

4. Where any farm or holding is situate partly within and partly without a Scheduled Area the provisions of this Order shall apply to the farm or holding and the sheep thereon as if the whole farm or holding were in the Area.

Certificates of Dipping.

5. Where sheep are dipped in the presence, and to the satisfaction, of an Inspector of the Local Authority, he shall give the owner or person in charge of the sheep a certificate in the Form A set forth in the First Schedule to the Sheep-Scab (Compulsory Dipping Areas) Order of 1906 or to the like effect.

Licences after Completion of Movement.
