ORDER OF THE BOARD OF AGRICULTURE AND FISHERIES.

(DATED 25TH AUGUST 1909.)

NEWPORT ALLOTMENT GARDENS (SWINE-FEVER) ORDER OF 1909.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1903, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

Premises to which this Order applies.

1.—(1.) This Order shall apply to the premises described in the Schedule hereto, and also to any other premises in the county borough of Newport, to which the Order may be applied by a Notice to that effect signed by an Inspector of the Board or of the Local Authority of the said county borough and served upon the occupier of the premises described in such Notice.

(2.) This Order shall cease to apply to any premises upon service on the occupier thereof of a Notice to that effect signed by an Inspector of the Board.

(3.) A copy of every Notice served under this Article shall forthwith be sent to the Board by the Inspector signing the same.

Restriction on Movement of Swine from or to Premises to which this Order applies.

2. Swine shall not, except as expressly authorised by this Order, be moved from or to any premises to which this Order applies.

Movement of Swine for Immediate Slaughter.

3.—(1.) Swine (not being in a Swine-Fever Infected Place and their movement not being prohibited by Notice of an Inspector of the Local Authority or of the Board given under any Order of the Board) may be moved from any premises to which this Order applies in a float, cart or van to a slaughter-house situate in the county borough of Newport, for the purpose of immediate slaughter if accompanied by a licence in the Form D set forth in the First Schedule to the Swine-Fever (Regulation of Movement) Order of 1908 authorising such movement, granted by an Inspector of the Local Authority of that county borough, which licence shall be in force for not more than six days inclusive of the day of issue.

(2.) Before a licence is granted by an Inspector under this Article the owner of the swine, or his agent authorised in writing for this purpose, shall sign, and deliver or send by post to the Inspector, a declaration in the Form E set forth in the First Schedule to the Swine-Fever (Regulation of Movement) Order of 1908, which shall be retained by the Inspector.

(8.) The swine shall, before the movement is commenced, be marked by and at the expense of

the owner by the painting with an indelible composition of red colour of a broad line down the back and another broad line across the loins of each of the swine thus +, each line being not less than nine inches long.

(4.) The swine moved under this Article shall be moved by the nearest available route and without unnecessary delay, and shall, after their arrival at the slaughter-house, be there detained until they are slaughtered.

Cleansing and Disinfection of Vehicles used for Conveyance of Swine.

4.—(1.) Any float, cart or van which has been used for the conveyance of swine under the preceding Article, shall immediately after each occasion of such use be cleansed and disinfected by and at the expense of the owner of the float, cart or van as follows :

- (i.) The floor of the float, cart or van and all other parts thereof with which the swine, or their droppings, have come in contact shall be scraped and swept, and the scrapings and sweepings, and all dung, sawdust, litter, and other matter shall be effectually removed therefrom ; then
- (ii.) The same parts of the float, cart or van shall be thoroughly washed or scrubbed or scoured with water ; then
- (iii.) The same parts of the float, cart or van shall be disinfected in one of the modes prescribed by the Diseases of Animals (Disinfection) Order of 1906.

(2.) The scrapings and sweepings, and the dung, sawdust, litter, and other matter removed under this Article shall forthwith be well mixed with quicklime, and be effectually removed from contact with swine.

Movement of Swine to Premises to which this Order applies.

5.—(1.) Swine may be moved to any premises to which this Order applies if accompanied by a licence in the Form A set forth in the First Schedule to the Swine-Fever (Regulation of Movement) Order of 1908 authorising such movement, granted by an Inspector of the Local Authority of the county borough of Newport, which licence shall be in force for not more than six days inclusive of the day of issue.

(2.) Swine may also be moved to any premises to which this Order applies if such movement is authorised by a licence (Form A) granted under and in accordance with the Swine-Fever (Regulation of Movement) Order of 1908.

(3.) Before a licence is granted by an Inspector under this Article, the owner of the swine, or his agent authorised in writing for this purpose, shall sign, and deliver or send by post to the Inspector, a declaration in the Form B set forth in the First Schedule to the Swine-Fever (Regulation of Movement) Order of 1908, countersigned as hereinafter provided.

(4.) The declaration shall not be effective until it is countersigned by a police officer of the district where the swine are, who, before countersigning the declaration, shall, so far as is

practicable, satisfy himself as to the correctness of the statements contained therein.

(5.) The declaration shall be retained by the Inspector granting the licence thereon.

(6.) The swine moved under this Article shall be moved by the nearest available route and without unnecessary delay.

(7.) Swine while detained on premises to which this Order applies need not be kept separate from other swine.

Production of Licences ; Names and Addresses.

6.—(1.) Any person in charge of a pig being moved, where under this Order a licence is necessary, shall, on demand of a Justice, or of a constable, or of an Inspector or other officer of the Board or of a Local Authority, produce and show to him the licence, if any, necessary for the movement, and shall allow it to be read and a copy of or extract from it to be taken by the person to whom it is produced.

(2.) Any person so in charge shall, on demand as aforesaid, give his name and address to the Justice, or constable, or Inspector or other officer.

Local Authority to enforce Order.

7. The provisions of this Order shall be executed and enforced by the Local Authority.

Offences.

8.—(1.) If a pig is moved in contravention of this Order, the owner of the pig, and the person for the time being in charge thereof, and the person causing, directing, or permitting the movement, and the person moving or conveying the pig, and the consignee or other person receiving or keeping it, knowing it to have been moved in contravention as aforesaid, and the occupier of the place from which the pig is moved, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.

(2.) If a pig is not marked as required by this Order, the owner, consignee, or other person for the time being in charge thereof, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.

(3.) If anything is done or omitted to be done in contravention of this Order in respect of the cleansing and disinfection of any float, cart or van used for the conveyance of swine, the owner, or other person for the time being in charge of the float, cart or van shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.

(4.) If any person, with a view unlawfully to evade or defeat the operation of this Order, by washing, or in any other manner, takes out, effaces, or obliterates, or attempts to take out, efface, or obliterate, any mark painted on any pig as required by this Order, the person doing the same, and the person causing, directing, or permitting the same to be done, and the owner of the pig, and the person for the time being in charge thereof, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.

(5.) If a person in charge of a pig being moved, where under this Order a licence is necessary, on demand made under this Order, fails to give his true name and address, or gives a false name or address, he shall be deemed guilty of an offence against the Act of 1894.

Vessels inward bound should, after having passed the Wusung Inner Bar Signal Station, keep 1½ cables from the embankment on the left bank of the river and pass No. 1 Buoy, moored off Limit Beacon, on the starboard hand and at a distance of half a cable; continuing up river, pass No. 2 Buoy on the same hand and at the same distance. When abreast No. 2 Buoy, follow up the line of leading marks until abreast No. 3

Buoy, where divert from the line and keep about half a cable from the Conservancy Works on Gough Island until having passed the upper end of such works, which is marked by a pile beacon, surmounted by a ball, painted black. The difference between the depth of water in the Astraea Channel and that on the Wusung Inner Bar, as indicated by the signals at the Inner Bar Signal Station, will be shown at the Wusung Lighthouse and from the higher of the two leading marks on Gough Island, as under:

| Difference, in feet. | Symbols. |
|----------------------|---|
| 1 |  |
| 2 |  |
| 3 |  |
| 4 |  |
| 5 |  |
| 6 |  |

When the depth of water in the Astraea Channel is more than on the Wusung Inner Bar, symbols as above will be shown on the southern yard-arm, and when less, on the northern yard-arm; if the depth be the same as on the Wusung Inner Bar, no symbols will be shown. In order to avoid accidents, vessels intending to pass through the Astraea Channel must hoist a black ball at the fore truck when abreast the Wusung Lighthouse on vessels inward bound, and when abreast Black Point, or as soon as the signals at the Wusung Inner Bar Signal Station can be seen, on board vessels outward bound.

Caution.—Mariners are cautioned that they must go dead slow when passing the barges engaged in dropping "zinkstuks" in the Ship Channel, and when passing any other Conservancy works in course of construction. When dredgers are at work in the Astraea Channel, steam vessels should, when approaching them, sound their whistles and slow down, to give the dredgers time to slacken their moorings.
