(e) To cease to permit to be used any engine or carriage not proper and fit for use.

(j) To allow, between the hours of 12 at midnight and 5 o'clock in the morning, without payment, the user of the railway by the Council, or any district council or other local authority for any purpose (other than passenger or goods traffic for hire), for which such user ought to be allowed under the provisions of any Act relating to light railways, or any Order made or to be made under any such Act.

(k) Not to use (except as last mentioned or as required by the terms of the said Order) or allow any user of the railway, or any part thereof, otherwise than for the carriage of passengers, with their accompanying luggage and parcels, not exceeding 56 pounds in weight, and of goods.

(l) To continue in force the tolls and charges for the conveyance of passengers and parcels, as the same have been approved by the Council, until the same shall be altered with the consent of the Council.

(m) To keep the line of railway clear for the traffic of the railway, and free from snow or other deposit.

(n) To repair, maintain, and renew the railway and all buildings, plant, apparatus, rolling stock and other things whether fixed or moveable belonging thereto or used in connection therewith.

(o) To keep all buildings and all dynamos, engines, boilers and fixed machinery, and all

(r) To permit the Council and their engineer and surveyor and any other persons authorized by them or any of them to enter upon the railway and all buildings and places belonging thereto, or used in connection therewith, for the purpose of inspecting the state of repair and condition, and forthwith upon notice of any want of repair, maintenance or renewal, to make good every such want of repair, maintenance or renewal.

(s) Not to assign, underlet, or part with the possession of the railway or any part thereof or any of the rights, powers and privileges granted by the said proposed lease without the previous consent of the Council in writing under their seal.

(t) To take out all Inland Revenue Licences for any cars or carriages used on the railway with the words "County Council of Hertfordshire," upon them at such place as the Council shall from time to time direct, and until such direction at some Post Office in the administrative county of Hertford.

(4) For the payment of compensation to the Company at the expiration or sooner determination of the term for buildings plant and other things.

(5) A proviso that if the Company shall dissolve or be ordered to be wound up except for the purpose of reconstruction (but so that any such reconstruction shall not be or operate to the detriment of the Council) or if their assigns not being a Company shall become bankrupt or enter into any arrangement or composition whether under any Bankruptcy Act or otherwise with their creditors or if the rents firstly and secondly reserved or any part of such rents respectively should be in arrear or unpaid for 28 days, or if the Company should fail to fulfil or observe any of the covenants or stipulations in the said lease contained, or if the working of any part of the railway should be discontinued for 7 days or upwards, unless such discontinuance should be caused by necessary reconstruction or repair of the permanent way, buildings, or machinery, or by circumstances beyond the control of the Company or of any Corporation or person from whom the Company, with the consent of the Council, might for the time being be obtaining electrical energy for working the railway, then and in such cases it should be lawful for the Council at any time hereafter to re-enter upon and take possession of the railway as of their former estate, right, term, and interest therein.

C. E. LONGMORE,

Clerk of the County Council.

Clerk of the Peace Office, Hertford.
