

lands, buildings, and premises and to confer all such other rights and privileges as may be necessary, proper or convenient for carrying into effect the objects of the intended Act.

And notice is hereby further given, that on or before the 30th day of November instant a plan in duplicate describing the situation of the said lands, buildings and premises so proposed to be taken as aforesaid, together with a book of reference to such plan and a copy of this Notice as published in the London Gazette will be deposited for public inspection with the Clerk of the Peace for the county of London at his office at the Sessions House, Newington Causeway, and that a copy of the said plan, book of reference and Gazette Notice will also, on or before the same day, be deposited with the Town Clerk of the city of Westminster at his office at the City Hall, Charing Cross-road.

Dated this 16th day of November, 1909.

By order of the Commissioners of His Majesty's Works and Public Buildings,

HENRY LOVETT CAMERON, 7, Great George-street, Westminster, Parliamentary Agent.

In Parliament.—Session 1910.

EAST GRINSTEAD GAS AND WATER.
(Confirmation of Works; Additional Works; Compulsory Acquisition of and other Powers as to Lands, Easements, Springs and Waters; Confirmation of Purchase of Lands; Acquisition by Agreement of Well and Works at Place Land; Breaking up, Stopping up, &c., of Roads, &c.; Detection of Waste; Discharge of Water into Streams, &c.; Provisions with respect to Protection of Waterworks and Water Supply, Conditions of Supply and Payment of Rates; Agreements for Supply of Water to or by adjoining Authorities, Companies and others; Application of Funds; Additional Capital and Borrowing Powers; Incorporation and Amendment of Acts, &c.)

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing Session by or on behalf of the East Grinstead Gas and Water Company (in this Notice called "the Company") for leave to bring in a Bill for effecting the purposes or some of the purposes following (that is to say):—

1. To sanction and confirm the construction by the Company of the works in this paragraph described (which works are herein referred to as "the Hackenden Works"), together with all incidental and ancillary pipes, filters, works and apparatus now connected with or which may be made in connection with the Hackenden Works, or any of them, and to empower the Company to continue, maintain and use the same as part of their water undertaking.

The works herein referred to as the Hackenden Works are situate in the counties of Sussex and Surrey and are:—

Work No. 1.—Wells, adit and pumping station (No. 1), situate partly in the parish and urban district of East Grinstead, in the county of Sussex, and partly in the parish of Lingfield, in the rural district of Godstone, in the county of Surrey, upon the plot of land now in the occupation of the Company near Hackenden, which plot of land contains, by admeasurement, 4 acres 0 roods and 29 perches, or thereabouts, and abuts on the south-easterly

side of the London, Brighton and South Coast Railway Company's Croydon, Oxted and East Grinstead line, and comprises the northern portion of the enclosure numbered 1121 on the Ordnance Map (scale $\frac{1}{25000}$, 2nd edition, 1899) in the said parish of East Grinstead and the enclosure numbered 1637 and the south-westerly portion of the enclosure numbered 1638 on the Ordnance Map (scale $\frac{1}{25000}$, 2nd edition, 1897) in the said parish of Lingfield.

Work No. 2.—An aqueduct or line of pipes (No. 1), wholly in the said parish and urban district of East Grinstead, commencing at the said pumping station (No. 1) and terminating at the existing water tower of the Company near London-road, East Grinstead.

Work No. 3.—An aqueduct or line of pipes (No. 2), wholly in the said parish and urban district of East Grinstead, commencing at the said pumping station (No. 1) and terminating in and under High-street, East Grinstead, at the junction with that street of Church-street.
2. To authorize the Company to make and maintain in the county of Sussex the works in this paragraph described, or some or one of them, or some part or parts thereof respectively (which works are herein referred to as "the new works") (that is to say):—

Work No. 4.—A well and pumping station (No. 2), in the parish of Forest Row, in the rural district of East Grinstead, to be situate on lands comprising the enclosure numbered 767 and the northern portion of the enclosure numbered 768 on the Ordnance Map (scale $\frac{1}{25000}$, 2nd edition, 1899) in that parish.

Work No. 5.—An aqueduct or line of pipes (No. 3), commencing in the said parish of Forest Row, at the said pumping station (No. 2) and terminating in the parish and urban district of East Grinstead in the service reservoir hereinafter described.

Work No. 6.—A service reservoir, in the said parish of East Grinstead, to be situate in the south-easterly corner of the enclosure numbered on the Ordnance Map (scale $\frac{1}{25000}$, 2nd edition, 1899) 610 in that parish.

Work No. 7.—An aqueduct or line of pipes (No. 4), wholly in the said parish of East Grinstead, commencing by a junction with the said aqueduct or line of pipes (No. 3) in and under the main road leading from East Grinstead to Forest Row, at a point 42 yards, or thereabouts, south-east of the junction with that road of Windmill-lane and terminating at the water tower hereinafter described.

Work No. 8.—A water tower, in the said parish of East Grinstead, to be situate at or near the south-easternmost corner of the property numbered on the Ordnance Map (scale $\frac{1}{25000}$, 2nd edition, 1899) 934 in that parish and known as the Playfield.

Work No. 9.—An aqueduct or line of pipes (No. 5), wholly in the said parish of East Grinstead, commencing by a junction with the before-mentioned aqueduct or lines of pipes (No. 2) (Work No. 3) at or about the point of junction of College-lane with De la Warr-road and terminating in the said water tower (Work No. 8).

3. To enable the Company to alter, improve, enlarge, extend, deepen, renew, reconstruct or discontinue the Hackenden Works and the new works, and all incidental and ancillary pipes filters, works and apparatus and to make and maintain upon the lands shown upon the plans
