pany to enter into and carry into effect agreements with respect to the drainage of lands in the drainage area of any of their existing works or the works proposed to be sanctioned or authorized by the Bill, and the more effectual collecting, conveyance and preservation of the purity of the waters to be supplied by the Company and otherwise to provide for the prevention of pollution, fouling and contamination of the water so supplied.

12. To empower the Company to lay down, affix, maintain, alter, repair, take up and renew mains, pipes, meters, stopcocks, works and apparatus for the distribution and supply of water and for the prevention and detection of waste and for effecting telegraphic or telephonic communication between, to and from the Company's works and offices, and to open, break up, cross, divert, alter, raise, lower or stop up or interfere with, whether temporarily or permanently, all such public or private roads, highways, streets, courts, footpaths, bridges, tunnels, canals, navigations, rivers, streams, railways, tramways, sewers, drains, pipes, wires and apparatus within the parishes and places aforesaid as it may be necessary or convenient to break up, cross, divert, alter, stop up or interfere with for the purposes of the Company or for the purposes of the Hackenden Works or the new works, or otherwise for or in connection with the objects of the Bill.

13. To empower the Company to pump, collect, impound, take, divert, use and appropriate for the purposes of their water undertaking all such springs and waters as may be intercepted by the Hackenden Works or the new works or any supplemental or ancillary works in connection therewith or by the said well and waterworks on the estate known as "Place Land," or as may be found in, on or under any lands or property for the time being belonging or leased to the Company or in, through, under or over which they have acquired or may acquire rights or easements, and to vary or extinguish all or any rights, easements and privileges in any manner connected with any such springs and waters.

14. To empower the Company from time to time to discharge water from any of their existing or future wells, reservoirs, aqueducts and works into any available stream, watercourse or drainage channel and in other respects to make provision for the discharge of water.

15. To empower the Company on the one hand and the local authority of any district or any company, body or person supplying or authorised to supply water in any area adjoining the limits of supply of the Company on the other hand to make, enter into and carry into effect contracts, agreements and other arrangements for and in relation to the supply to or by the Company by or to such authority, company, body or person of water in bulk or otherwise, and to sanction, confirm and provide for the carrying into effect of any contract or agreement which may have been or may be entered into with reference to such purpose.

16. To provide for the payment of water rates by owners of small houses, and to enact that the Company need not supply houses partly used for trade and similar purposes except by measure.

17. To enable the Company for all or any of the purposes of the Bill to apply their funds and revenues and for those purposes and for the general purposes of their undertaking to raise further money by the creation and issue of new shares or stock (ordinary or preferential or both) and debenture stock and by borrowing on mortgage or otherwise upon such terms and conditions as the Company may determine or as may be prescribed by the Bill.

18. To incorporate with the Bill and apply to the new works proposed to be authorized by the Bill and to the Company in respect thereof and whether with or without modification all or some of the provisions of the Railways Clauses Consolidation Act, 1845, with respect to the temporary occupation of lands near the works during the construction thereof, and the Bill will or may also incorporate with or without modification all or some of the provisions of the Lands Clauses Acts; the Waterworks Clauses Acts, 1847 and 1863; and the Companies Clauses Acts, 1845, 1863 and 1869, and will or may exempt the Company from all or some of the provisions of those Acts.

19. To vary or extinguish all or any rights or privileges inconsistent with or which would interfere with any of the objects or purposes or provisions of the Bill, and to confer other rights and privileges, and to amend or repeal all or some of the provisions of the East Grinstead Gas and Water Act, 1878, and any other Act or Acts relating to the Company or their undertaking.

And notice is hereby also given, that plans and sections showing the lines, situations and levels of the new works proposed to be authorized and of the Hackenden Works the construction of which is proposed to be sanctioned and confirmed by the Bill, the plans showing also the lands and other property intended to be compulsorily taken or used or in respect of which easements may be acquired as aforesaid under the powers of the Bill, with a book of reference to such plans containing the names of the owners and lessees or reputed owners and lessees and of the occupiers of such lands and other property, together with a copy of this Notice as published in the London Gazette will, on or before the 30th day of November instant, be deposited for public inspection with the Clerk of the Peace for the county of Sussex at his office at Lewes, and with the Clerk of the Peace for the county of Surrey at his office at the County Hall, Kingston-upon-Thames, and that on or before the same day a copy of so much of the said plans sections and book of reference as relates to each of the areas hereinafter mentioned, in or through which the Hackenden Works or the new works or any part thereof are situate or intended to be made or in which any lands or other property intended to be taken or used compulsorily or in respect of which easements may be acquired as aforesaid under the powers of the Bill are situate, together with a copy of this Notice as published in the London Gazette will be deposited for public inspection as follows (that is to say):

In the case of the urban district of East Grinstead, the rural district of East Grinstead, and the rural district of Godstone, with the respective clerks to the district councils of those respective districts at their respective offices; and in the case of the parishes of Forest Row and Lingfield, with the respective clerks to the parish councils of those respective
