At the Court at *Buckingham Palace*, the 5th day of *March*, 1910.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have in pursuance of the Act of the thirty-third and thirty-fourth years of Her late Majesty Queen Victoria, chapter thirty-nine, and of the Acts therein mentioned, that is to say, the Act of the third and fourth years of Her said late Majesty, chapter one hundred and thirteen, the Act of the fourth and fifth years of Her said late Majesty, chapter thirty-nine, and the Act of the thirty-first and thirty-second years of Her said late Majesty, chapter one hundred and fourteen, duly prepared and laid before His Majesty in Council a scheme bearing date the sixteenth day of December, in the year one thousand nine hundred and nine, in the words following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the thirty-third and thirty-fourth years of Her late Majesty Queen Victoria, chapter thirty-nine, and of the Acts therein mentioned, that is to say, the Act of the third and fourth years of Her said late Majesty, chapter one hundred and thirteen, the Act of the fourth and fifth years of Her said late Majesty, chapter thirty-nine, and the Act of the thirty-first and thirty-second years of Her said late Majesty, chapter one hundred and fourteen, have prepared and now humbly lay before Your Majesty in Council the following scheme for effecting a transfer of the ownership of the advowson or perpetual right of patronage of and presentation to the church and cure (hereinafter called 'the said benefice') of Dringhouses, in the county and diocese of York.

"Whereas the advowson or perpetual right of patronage of and presentation to the said benefice of Dringhouses is vested for an estate in fee simple without incumbrances in George Alexander Eason Wilkinson, of Dringhouses Manor, in the Ainsty of the city of York, in the county of York, Esquire.

"And whereas the said George Alexander Eason Wilkinson, with a view to rendering the said benefice of Dringhouses qualified for the

augmentation which is hereinafter mentioned, is desirous that the whole advowson or perpetual right of patronage of and presentation to the said benefice of Dringhouses, now vested in him as aforesaid, should be transferred to and be vested in the Right Honourable and Most Reverend Cosmo Gordon, Archbishop of York.

"And whereas the said Cosmo Gordon, Archbishop of York, is willing to accept such transfer, and in token of such his willingness, and also in token that the same transfer has that consent of the Bishop of the diocese which by the Acts in the hereinbefore mentioned Act recited or by some or one of them is made necessary he, the said Cosmo Gordon, Archbishop of York, has executed this scheme as hereinafter mentioned.

"And whereas conditionally upon such transfer we have agreed to make out of our common fund a grant in augmentation of the income of the Incumbent of the said benefice of Dringhouses of a perpetual annuity of sixty pounds, which annuity will be secured to the said benefice by an instrument to be executed by us under our common seal so soon as an Order of Your Majesty in Council ratifying this scheme has been published in the London Gazette, and the transfer hereinafter recommended will therefore tend to make better provision for the cure of souls in the parish or district in or in respect of which the right of patronage or advowson so recommended and proposed to be transferred as aforesaid arises or exists, that is to say, in the new parish of Dringhouses.

"Now therefore with the consent of the said George Alexander Eason Wilkinson (in testimony of which consent he has signed and sealed this scheme) and with the consent of the said Cosmo Gordon, Archbishop of York (in testimony whereof he has signed this scheme and sealed the same with his archiepiscopal seal), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme and without any conveyance or assurance in the law other than such duly gazetted Order the whole advowson or perpetual right of patronage of and presentation to the said benefice of Dringhouses now vested in him the said George Alexander Eason Wilkinson shall be transferred to the said Cosmo Gordon, Archbishop of York, and his successors in the same archbishoprick, and shall thereupon and thenceforth become and be absolutely vested in and shall and may from time to time be exercised by the said Cosmo Gordon, Archbishop of York, and his successors in the same archbishoprick for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any of them or of any other Act of Parliament."

And whereas the said scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of York.

Civil Service Commission, March 8, 1910.

The Civil Service Commissioners hereby give notice that the following Regulations have been approved by the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS respecting Boy Clerks registered for Temporary Employment in Public Departments.

1. Two Registers of Boy Clerks for temporary employment in Public Departments will be kept by the Civil Service Commissioners.*

2. These Registers will contain the names of boys who, being either natural-born or naturalized British subjects, are certified by the Civil Service Commissioners to be of good health and character, and duly qualified under the following regulations (3 and 4). One Register will contain the names of boys for service in London, Edinburgh, and provincial towns of England, Scotland, and Wales. The other will contain the names of boys for service in Dublin and provincial towns in Ireland.

3. The limits of age are 15 to 16. If an examination begins in one of the first four months of any year candidates must be of the prescribed age on the first day of January in that year. If an examination begins in one of the second four months of any year candidates must be of the prescribed age on the first day of May in that year. If an examination begins in one of the last four months of any year candidates must be of the prescribed age on the first day of September in that year.

4. The subjects for examination are:—

1. Handwriting and Orthography.
2. Arithmetic, including Vulgar and Decimal Fractions.
3. English Composition.
4. Copying Manuscript.

And any three of the following, except that not more than two languages may be taken:—

5. Geography.
6. English History.
7. Latin.
8. French.
9. German.
10. Mathematics.
11. Elementary Science.

No candidate will be regarded as qualified who fails to obtain such an aggregate number of

* Boy Clerks, who entered the service by competitions earlier than May, 1906, will remain registered as heretofore on a single Register for Great Britain and Ireland.

marks as may indicate in the judgment of the Civil Service Commissioners a competent amount of general proficiency.

5. Open Competitive Examinations for the purpose of testing the qualifications of Candidates in the above-mentioned subjects will be held by the Civil Service Commissioners from time to time as may be necessary, and a certain number, regulated by the probable demand from the Public Departments, of those who show sufficient proficiency will be placed upon the Registers kept by the Commissioners, and will be available for employment as their services are required. The competitions for the Irish service will, as a rule, be held at the same time as the competitions for service in Great Britain, and the list of successful candidates for Ireland will be separate from that of the successful candidates for service in Great Britain. Candidates can enter for both competitions, when they are held simultaneously, paying only one fee. If successful in both they will be entered on the Register for Great Britain only, or on that for Ireland only, or on both Registers according to their choice.

6. The fee payable for attending an examination will be 5s.

7. Boy Clerks placed on these Registers will be summoned for employment in any of the Public Departments as they are wanted. When not wanted, they will have no claim to employment. Refusing to serve when called upon, except for reasons satisfactory to the Civil Service Commissioners, they will be removed from the Registers. The order in which they may be employed, the Departments to which they may be assigned, and their retention generally on the Registers, will be determined by the Civil Service Commissioners; but they will be subject to the orders of the Departments in which they are serving during the time of their actual employment, and will be liable to dismissal from them by the authorities thereof, without notice, for inefficiency or misconduct.

Boy Clerks resigning, or procuring their own discharges from Departments, except for sufficient reasons proved to the satisfaction of the Civil Service Commissioners, will be removed from the Registers.

Their assignment for service will, as a general rule, be according to their order of merit in the examination; but exceptions to this general rule may be made when the engagement offered is very short, or for other sufficient reasons.

8. Boy Clerks will usually be engaged and paid by the week of 39 hours, viz.:—7 hours a day on Mondays, Tuesdays, Wednesdays, Thursdays, and Fridays, and 4 hours on Saturdays; and they will be paid 15s. per week during the first year of their service. After a year of approved service, an increase of pay to 16s. a week may be allowed.

In any case of absence without pay a Boy Clerk's increment shall be postponed one day for every day of such absence—absence without pay equally with the interval between two successive engagements not being reckoned as service for any purpose contemplated by the Regulations.

Boy Clerks may also be engaged and paid by the hour at the rate of 4½d. per hour during their first year of service; and at the rate of 5d. per hour thereafter. Any who may be engaged by the week and who may be required to attend for more than 7½ hours on Monday, Tuesday, Wednesday, Thursday, or Friday, or more than 4½ hours on Saturday, will be paid at the hourly rate for the

overtime attendance in excess of the normal attendance for such day. But in no case must overtime attendance exceed 6 hours in any one week. They may also be paid by the piece at such rates as may be fixed by the Civil Service Commissioners, with the approval of the Lords Commissioners of the Treasury.

9. No service in the capacity of Boy Clerk will confer any claim to superannuation or compensation allowance; and Boy Clerks will not be retained, as such, after they shall have reached the age of 18*; subject to the following provisos: (1) Boy Clerks who have had no opportunity of entering a Competition for Assistant Clerkships after reaching the age of 17½, may be retained until the next Competition takes place and the result is announced. (2) Boy Clerks who reach the age of 18 after entering a Competition for Assistant Clerkships may be retained until the result is announced. (3) A Boy Clerk who has been declared successful in a Competition for Assistant Clerkships may be retained as a Boy Clerk until he is assigned to a vacant post as Assistant Clerk, unless he be rejected by the Civil Service Commissioners as not duly qualified in respect of age, health, or character for the permanent situation.

10. If a public holiday, on which the office is closed, fall within the period of a Boy Clerk's engagement, he may be paid in respect of it as for a working day. Boy Clerks may, with the consent of the Department in which they are serving, or if not at the time serving, with the consent of the Civil Service Commissioners, be allowed holidays, with full pay in the proportion of 12 days a year. No Boy Clerk shall be allowed to take more than 12 days' leave under these conditions, between the 1st day of January and the 31st day of December.

Holiday pay can only be allowed for holidays actually taken, not for days on which the Boy Clerk is drawing pay in respect of employment in any capacity in the Public Service.

11. Boy Clerks who may fall ill while serving in any Department, and whose illness may be attested by medical certificate to the satisfaction of the authorities of such Department, may be allowed sick-leave, receiving three-fourths of the rate of pay for the official day; provided that no Boy Clerk shall be paid for sick-leave for more than 24 days within any one year, exclusive of public holidays, except in cases of severe illness, when sick-leave at the three-fourths rate of pay may be allowed for a further period not exceeding 12 days, making a total of not more than 36 days in all in any one calendar year.

12. Except in conformity with Regulations 10, 11, 14, and 15, Boy Clerks will only receive pay for the hours, or parts of hours, during which they actually attend.

13. Persons who have entered upon or completed a course of education or training for the occupation of teacher, on account of which grants are payable from the Exchequer, are not eligible for employment as Boy Clerks until the consent of the Board of Education in England, the Committee of Council on Education for Scotland, or the Commissioners of National Education, Ireland, as the case may be, given in conformity with rules sanctioned by the Lords

* Boy Clerks who have entered the service on the results of the competition of September 22, 1908, or any previous competition, may be, as hitherto, retained on the Register up to the age of twenty.

of the Treasury, has been notified to the Civil Service Commissioners.

14. If any case of infectious disease should occur in the house where a Boy Clerk is living, he must immediately report the fact to the Officer under whom he is employed, and must, if required, at once discontinue his attendance. In cases of such enforced absence from his employment, it is in the discretion of the Head of the Department in which he has been serving to allow the Boy Clerk full pay at the usual rate for the period for which it is medically certified that his attendance at the office would be likely to be dangerous to his colleagues.

15. In any year in which an open Competition for situations as Assistant Clerk (Abstractor Class) in the Civil Service or for Clerkships of the Second Division is held, a Boy Clerk who obtains from the Head of the Department in which he is serving leave of absence to attend such Examination may also, at the discretion of the Head of the Department, be allowed pay, at the usual rate, for the days during which he is attending the Examination.

16. Service Marks for each full period of three calendar months of actual approved service in the capacity of Boy Clerk, subject to a maximum of eight such periods,* will be allowed to Candidates attending Examinations for the following situations, viz.:—

Clerkships in the Second Division of the Civil Service,

Second Class Clerkships (Lower Section) for Post Service in the Department of His Majesty's Customs,

Assistantships of Customs and Excise, who are serving or have served as Boy Clerks; but the number of marks to be allowed for each period may be different at successive examinations.

17. In the promotions of permanent Civil Servants [Assistant Clerks (Abstractor Class) and others] under Clause 45 of the Order in Council of 10th January, 1910, not less than one year's and not more than two years' approved service as Boy Clerk may be allowed to reckon towards the six years' established service required by the said clause.

The Civil Service Commissioners further give notice that an Open Competitive Examination of Candidates for registration as Temporary Boy Clerks will be held in London, Edinburgh, Dublin, Bristol, Cardiff, Liverpool, Southampton, Glasgow, Belfast, and Cork, under the foregoing Regulations, commencing on the 3rd May, 1910.

The number to be registered will depend partly on the requirements of the service, and partly on the number of Candidates who may show sufficient proficiency; but it is not likely to be less than 150, if so many shall be found competent: that is to say, 135 for service in London, Edinburgh, and provincial towns in England, Scotland, and Wales, and 15 for service in Dublin and provincial towns of Ireland exclusively.

No Candidate will be admitted to the Examination from whom the Secretary, Civil Service Commission, has not received, on or before the 7th April, an application, on a prescribed form, which may be obtained from the Secretary at once.

* Boy Clerks who have entered the service on the results of the competition of September 22, 1908, or any previous competition, will, as hitherto, be allowed to reckon twelve such periods for service/marks.
