**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven, and of the Act of the fifth year of Her late Majesty Queen Victoria (session two) chapter twenty-six, duly prepared and laid before His Majesty in Council a scheme bearing date the ninth day of June, in the year one thousand nine hundred and ten, in the words following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven, and of the Act of the fifth year of Her late Majesty Queen Victoria (session two), chapter

twenty-six, have prepared and now humbly lay before Your Majesty in Council the following scheme for authorizing certain alterations and improvements at the episcopal house of residence belonging to the See of Norwich, which is known as the Palace, Norwich.

"Whereas the Right Reverend Bertram, now Bishop of Norwich, is desirous that certain alterations and improvements should be made at the said episcopal house of residence, and has submitted to us the particulars of such improvements and we have approved the same.

"And whereas the said Bishop is also desirous and it appears to us to be expedient that towards the cost of effecting the said improvements a sum of two thousand pounds (being a sum which does not exceed two years' income of the See) should be provided by the borrowing of the same sum by way of mortgage upon the security of all and every part of the lands, tenements and hereditaments, endowments or emoluments which now belong or may hereafter belong to the Bishop of Norwich.

"Now therefore with the consent of the said Bertram, Bishop of Norwich (testified by his having affixed his signature and episcopal seal to this scheme), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that the said Bishop be authorized to borrow from the Governors of the Bounty of Queen Anne, and that the said Governors be empowered to lend under the provisions of the above mentioned Acts any sum not exceeding two thousand pounds, and that as a security for the same the said Bishop do mortgage all and every part of the lands, tenements and hereditaments, and endowments or emoluments which now belong or may hereafter belong to his said See to the said Governors by deed for the term of twenty-two years or until the said sum so to be borrowed as aforesaid with the interest for the same as hereinafter mentioned, and all costs and charges which may attend the recovery thereof shall be fully paid and satisfied, and that such principal sum shall be repaid with interest in the manner following: that is to say, during and in respect of the first period of twelve months of the said term, computed from the day of the date of the mortgage, no part of the said principal sum shall be repayable, but the said Bishop or his successor shall yearly, at the end of the second period of twelve months so computed and at the end of every such like period of twelve months thereafter, pay to the said Governors, their successors or assigns, one-eighteenth part of the said principal sum until the whole thereof shall be repaid, and shall also at the end of the first and each succeeding period of twelve months, computed as aforesaid, pay interest at the rate of four pounds per centum per annum on the said principal sum or on so much thereof as shall from time to time remain unpaid. And that if and when it shall happen that either the principal or the interest directed to be paid as hereinbefore mentioned shall be in arrear and unpaid for the space of forty days after the same shall become due, it shall and may be lawful for the said Governors, their successors and assigns, to recover the same and the costs and charges attending the recovery thereof by distress and sale in the like manner as rents may be recovered by landlords or lessors from their tenants by the laws in force at the time of such distress and sale, and that such mortgage deed shall be in the form and to the effect to be approved by us, the said Ecclesiastical Commissioners, and shall bind as well as the said Bertram, now Bishop of the said diocese of Norwich, as every succeeding Bishop of the same

diocese, until the principal money and interest, costs and charges shall have been paid off and discharged.

"And we further recommend and propose that the said sum so to be borrowed as aforesaid shall be paid to us, the said Ecclesiastical Commissioners, and that the receipt of our Joint Treasurers for the time being endorsed on the said mortgage deed shall be a good and sufficient discharge of the said Governors and their successors for the same, who shall not be bound or required to see to the application thereof and that upon the receipt of the said sum so to be borrowed as aforesaid the whole or any part or parts thereof shall be applied by us at such times and in such manner as shall appear to us to be expedient towards effecting the said proposed improvements at the episcopal house of residence aforesaid.

"And we further recommend and propose that the Bishop of Norwich for the time being shall insure against loss or damage by fire and keep insured the said episcopal house of residence, the said insurance to be for a sum of not less than seven thousand pounds, and to be effected in one or more of the public offices of insurance in London or Westminster to be approved by us, and that in case of loss or damage by fire to the same episcopal house of residence the moneys receivable in respect of the said insurance shall be paid over to us by the said Bishop, and shall with any interest or accumulation thereon be applied by us in rebuilding or repairing the same episcopal house of residence with the concurrence of the said Bishop.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in conformity with the provisions of the hereinbefore mentioned Acts or of either of them or of any other Act of Parliament."

And whereas the said scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts: and His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Norwich.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the fifth and sixth years of Her late Majesty Queen Victoria, chapter one hundred and eight, and of the Act of the twenty-first and twenty-second years of Her said late Majesty, chapter fifty-seven, which Acts are known as "The Ecclesiastical Leasing Acts," duly prepared and laid before His Majesty in Council a scheme bearing date the twenty-third day of

June, in the year one thousand nine hundred and ten, in the words following, that is to say :—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the fifth and sixth years of Her late Majesty Queen Victoria, chapter one hundred and eight, and of the Act of the twenty-first and twenty-second years of Her said late Majesty, chapter fifty-seven, which Acts are known as 'The Ecclesiastical Leasing Acts,' have prepared and now humbly lay before Your Majesty in Council the following scheme relating to the vicarage and parish of Pannal, in the county of York and diocese of Ripon.

"Whereas the annual value of the benefice of Pannal, that is to say, of the vicarage of the parish of Pannal aforesaid (hereinafter called the said benefice), has been improved by means of certain sales and leases of the glebe lands of the said benefice effected under the authority of the said Acts by the Vicar or Incumbent of the said benefice of Pannal.

"And whereas the net proceeds of the said sales have been paid to us, the said Ecclesiastical Commissioners, and have from time to time as the same have been received by us been invested in accordance with the provisions in that behalf contained in the said Acts and of such investments there are standing in the name of us, the said Ecclesiastical Commissioners, first, a sum of five thousand one hundred and seventy-seven pounds ten shillings and five pence India three pounds per centum stock, and second, a sum of two thousand nine hundred and ninety-nine pounds seven shillings and eleven pence London County three pounds per centum stock, both which said sums of stock are now held by us in trust to pay the Vicar or Incumbent for the time being of the said benefice the annual interest or dividends from time to time arising or accruing therefrom or thereupon but subject nevertheless to the provisions contained in the said Acts with respect to making a certain portion of the improved value arising to the said benefice from the said sales and leases payable to us for the benefit of our common fund to be applied as in the said Acts mentioned.

"And whereas the improvement in the annual value of the said benefice arising from or by means of the said sales and leases exceeds the annual sum of three hundred and fifty pounds and after the appropriation hereinafter recommended to us, the said Ecclesiastical Commissioners, for the benefit of our common fund of the sum of stock hereinafter mentioned the average annual income of the said benefice will not be left at a less sum than three hundred pounds.

"And whereas the Reverend Mark Rowntree, Clerk in Holy Orders, is the present Vicar or Incumbent of the said benefice.

"Now therefore we, the said Ecclesiastical Commissioners, humbly recommend and propose that upon the vacation of the said benefice by the said Mark Rowntree the sum of stock secondly hereinbefore mentioned, that is to say, the sum of two thousand nine hundred and ninety-nine pounds seven shillings and eleven pence London County three pounds per centum stock, shall cease to be held by us for the benefit of the Vicar or Incumbent of the said benefice and shall be held by us for the benefit of our common fund to be applied as in the said Acts mentioned.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament."

And whereas the notice of the foregoing scheme, which is required by the hereinbefore mentioned Acts, has been given by the said Commissioners to the Patrons of the said benefice of Pannal, and the said Patrons have not made any objection to the said scheme.

And whereas the said scheme has been approved by His Majesty in Council :

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts. And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Ripon.

Any person who, after the date of this Order and before the said Winter Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery to be holden for either of the counties constituting the said Winter Assize County, shall be bound to attend at the said Winter Assizes for the said Winter Assize County.

12. In all cases in which the like recognizances have been entered into in respect of any offence

committed in either of the counties constituting the said Winter Assize County prior to the making of this Order, or in relation to a prisoner committed for trial under the provisions of the Assizes and Quarter Sessions Act, 1908, such recognizances shall be deemed to have been entered into for attendance at the said Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes, or forfeit his recognizance.

If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

12. In all cases in which the like recognizances have been entered into in respect of any offence committed in any of the counties constituting the said Winter Assize County prior to the making of this Order, or in relation to a prisoner committed for trial under the provisions of the Assizes and Quarter Sessions Act, 1908, such recognizances shall be deemed to have been entered into for attendance at the said Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes, or forfeit his recognizance.

13. Ten days before the day fixed for the opening of the Commission at Ruthin, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, and of the prisoners (if any) to be transmitted under the provisions of the Assizes and Quarter Sessions Act, 1908, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Denbigh, and the said Sheriff shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Ruthin.

16. In any case where money is ordered by the Court at the said Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Winter Assizes Acts, or for the Assizes and Quarter Sessions Act, 1908, and this Order; and every such Treasurer, or some known agent on his behalf, shall attend the said Winter Assizes during the sitting of the Court to pay all such orders.

17.
