FRIDAY, 3 MARCH, 1911.

Whitehall, March 1, 1911.

His Majesty the KING has been graciously pleased to award the Edward Medal of the Second Class to Mr. William Thomas Oxenham, a skipman employed in the Simmer and Jack Mine at Germiston, in the Transvaal, for an act of conspicuous courage. On March 15th, 1910, Mr. Oxenham went to the rescue of a white man and three Kaffirs who were overcome by fumes of poisonous gases. He descended a winze 60 feet deep and 3,500 feet from the surface, and was successful in bringing all in safety to the surface with the exception of one Kaffir.

Whitehall, March 1, 1911.

His Majesty the KING has been graciously pleased to award the Edward Medal of the Second Class to Mr. Albert H. Adcock for risking his life to save a little girl from being run over by a train. On the morning of August 25th, 1909, at St. John, New Brunswick, a train from Montreal was entering the train-shed, when a little girl about five years old ran across the track in front of the engine. The engine driver applied his brakes, but could

not stop the train in time, and the child would have been killed had not Adcock with great quickness and presence of mind jumped at once to the centre of the track, seized the child, and swung her clear of the track. The engine brushed Adcock's coat as he saved the child, showing how narrow was his own escape.

NOTE.—A copy of the above-mentioned Report can be obtained on application to the Head Office of the Company free of charge beyond that specified in section 9 of the Electric Lighting Act, 1882.

(Certificate by Company's Auditors.)

We have audited the above Balance Sheet with the Books and Vouchers of the Company, and have to report thereon as follows:—Interest at the rate of 3 per cent. per annum has been paid under section 5 of the Cleveland and Darham County Electric Power Act, 1903, to 30th June, 1907, on 44,362 shares of £10 each, and to 15th December, 1905, on 70 shares of £10 each of the Issued Share Capital. The Interest paid on Debenture Stock and Shares to 31st December, 1906, together with the Interest on Shares paid since, is shown separately on the Balance Sheet. No provision has been made for depreciation of Works and Plant, nor for writing down the other items of Expenditure in the Balance Sheet.

Subject to these observations the Balance Sheet is, in our opinion, correctly drawn up so as to exhibit a true and correct view of the state of the Company's affairs as shown by the Books.
