In the High Court of Justice.—Chancery Division.

Mr. Justice Neville.

00166 of 1911.

In the Matter of BARCLAY, PERKINS AND CO. Limited and Reduced, and in the Matter of the Companies (Consolidation) Act, 1908.

NOTICE is hereby given, that the Order of the High Court of Justice, Chancery Division, dated the 23rd May, 1911, confirming the reduction of the capital of the above named Company from £2,820,000 to £730,200, and the Minute approved by the Court showing with respect to the capital of the Company as altered, the several particulars required by the above mentioned Act were registered by the Registrar of Joint Stock Companies on the 7th of June, 1911; and notice is hereby also given, pursuant to the said order and to section 55 of the above mentioned Act, that the reason for the reduction of the capital of the Company is the loss of upwards of £2,500,000 of the capital value of the assets of the Company by reason of depreciation in the value of freehold and leasehold licensed properties of the Company, and of licensed properties upon the security of which the moneys of the Company have been advanced, and of depreciation in value of certain investments held by the Company and of the goodwill of the Company, and that such depreciation of the licensed properties has been caused by depression in the licensed victualling trade and by falling off in value of licensed houses owing to the reaction from the high prices to which they had been forced by competition, and to the increase in local rates, license duties and general working expenses; and notice is hereby also given that the said Minute is in the words and figures following:—

“The capital of Barclay, Perkins and Co. Limited (and Reduced) henceforth is £730,200, divided into 180,000 Preference shares of £4 each and 10,200 Ordinary shares of £1 each, instead of the original capital of £2,820,000 divided into 180,000 Preference shares of £10 each and 10,200 Ordinary shares of £100 each. At the time of the registration of this Minute all the said shares have been issued and are outstanding, and the sum of £4 and £1 respectively is to be deemed paid up on each of the said Preference and Ordinary shares.”
