-: " 47. A certain part of a detached portion | of St. Botolph; Colchester, at present unin-habited, lies to the north of a footpath bounding the northern side of the grounds of the Workhouse and Infirmary, and is adjacent to the said parish of St. Paul, Colchester, and the annexation of the districts contained in this and both the preceding paragraphs will. tend to form a more regular and natural boundary for the said parish of St. Paul, Colchester.

"48. A certain district of the said parish of St. Peter, Colchester, containing a population of eighty-five persons, and situate on the west side of the North Station Road, projects into the said parish of St. Paul; Colchester, and lies at a distance of three hundred yards from the parish church thereof. "49. A certain detached portion of the said

parish of St. Botolph, Colchester, at present uninhabited, lies on the north-east side of the said parish of St. James, Colchester, and is entirely separated from the said parish of St. Botolph, Colchester, by the said parish of St. James, Colchester.

50. A certain other detached portion of the said parish of St. Botolph, Colchester; at present uninhabited, is surrounded for the most part by the said parish of Creenstead, and lies at a distance of a quarter of a mile from the parish church thereof, but at a distance of over one mile from the parish church of St. Botolph, Colchester aforesaid.

51. It appears to me that under the provisions of the said Act 1 and 2 Victoria C. 106 and of the Act of the 2nd and 3rd years of the same Reign C. 49 the following alterations in the contents of the above-mentioned parishes may advantageously be made, viz.:-

" The separation of the several districts mentioned in the paragraphs the numbers of which are set out in the second column of the Schedule next hereinafter written from the several parishes to which they respectively belong, and which are mentioned in the first column of the same Schedule, and their annexation to the several parishes set opposite thereto in the third column of the same Schedule.
