

first test to any such animal as soon as practicable after being so requested by the owner. The application of the test shall be made by a Veterinary Inspector of the Local Authority.

(5.)—(i.) Where the application of the test by the Local Authority results in definite evidence of disease in an animal, it shall be slaughtered by the Local Authority with all practicable speed.

(ii.) Where in the opinion of the Veterinary Inspector the application of the first test does not result in definite evidence of disease, the test shall be repeated at such time not later than six weeks after the previous application as the Veterinary Inspector thinks expedient.

(iii.) Where in the opinion of the Veterinary Inspector the second application does not result in definite evidence of disease, the Notice served under this Article shall forthwith be withdrawn in manner herein-after provided.

(iv.) The result of an application of a test shall forthwith be communicated in writing by the Veterinary Inspector to the owner or person in charge of the animal tested.

(6.) Subject to the provisions of this Article a Notice hereunder may at any time be withdrawn by the Local Authority by service on the owner or person in charge of the animal of a Notice in the Form B set forth in the First Schedule to the principal Order or to the like effect.

(7.) An Inspector shall with all practicable speed send copies of any Notice served by him under this Article to the Local Authority, and to the police officer in charge of the nearest police station of the District.

Destruction of Infected Articles.

3. An Inspector of the Local Authority may, by Notice served on the owner or person in charge of any article which has been used for or about any diseased horse, ass, or mule, and which in the opinion of the Inspector is incapable of being disinfected thoroughly, require such owner or person to destroy the article or permit the Inspector to destroy it, and the article shall thereupon be destroyed forthwith.

Commencement.

4. This Order shall come into operation on the first day of September, nineteen hundred and eleven.

Short Title.

5. This Order may be cited as THE GLANDERS OR FARCY (METROPOLITAN POLICE DISTRICT) ORDER OF 1911.

In witness whereof the Board of Agriculture and Fisheries have hereunto set their Official Seal this eighteenth day of August, nineteen hundred and eleven.

T. H. Elliott,
Secretary.

Copies of the above Order can be obtained on application to the Secretary, Board of Agriculture and Fisheries, 4, Whitehall Place, London, S.W.

ORDER OF THE BOARD OF AGRICULTURE AND FISHERIES.

(DATED 18TH AUGUST 1911.)

NEWCASTLE-UPON-TYNE (PARASITIC MANGE) ORDER OF 1911.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1910, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

Definition of Parasitic Mange.

1. The expression "parasitic mange" in this Order means sarcoptic mange or psoroptic mange.

Separation of Diseased and Suspected Animals and Notice of Disease.

2.—(1.) Every person having in his possession or under his charge a horse, ass or mule affected with or suspected of parasitic mange shall (a) as far as practicable keep that animal separate from horses, asses and mules not so affected or suspected; and (b) with all practicable speed give notice of the fact of the horse, ass or mule being so affected or suspected to a constable of the police force for the police area in which the horse, ass or mule so affected or suspected is.

(2.) The constable receiving such notice shall forthwith give information of the receipt by him of the notice to an Inspector of the Local Authority, who shall forthwith report the same to the Local Authority.

Veterinary Inquiry by Local Authority as to existence of Parasitic Mange.

3.—(1.) The Local Authority on receiving information of the existence, or supposed existence, of parasitic mange shall forthwith cause inquiry to be instituted as to the correctness of such information with the assistance and advice of a Veterinary Inspector, or of a veterinary practitioner qualified according to the Act of 1894 to be a Veterinary Inspector.

(2.) The owner and occupier of any premises on which there is a horse, ass or mule affected with, or suspected of, parasitic mange, shall give all reasonable facilities for the inquiry by the Local Authority under this Article, and any person failing to give such facilities shall be deemed guilty of an offence against the Act of 1894.

Detention of Animals.

4.—(1.) A Veterinary Inspector of the Local Authority may serve a Notice (in the Form A set forth in the Schedule to this Order, or to the like effect) on the occupier of any stable, shed, field or other premises in which there is a horse, ass or mule which in his opinion is affected with parasitic mange, and thereupon the following restrictions shall take effect:—

(i.) The horse, ass or mule so affected shall not be moved out of the stable, shed, field or other premises specified in the Notice, except with the written authority, and under the supervision, of an Inspector of
